MATERNITY SPECIALIST SERVICES

Further to recent comments in this column based on complaints voiced by Mr. T. Kyne T.D. in regard to maternity specialist services at Ardkeen and Airmount Maternity Hospitals, Waterford, a letter from the Airmount authorities appears elsewhere in this issue while at the monthly meeting of the Waterford Health Authority held in Dungarvan last Friday night, the County Manager, Mr. C. A. O'Connor, reviewing the position in regard to the Ardkeen Maternity Unit, made the following statement:

"There is on average a total of 1,500 births each year in the area of the Health Authority. 70% approximately of these births take place in hospital. The Health Authority has endeavoured over the years to provide, as far as possible a choice of Maternity Hospital for eligible patients. The majority of the births take place in hospitals in Waterford City.

"Lower and middle income group patients are eligible for free institutional treatment in public wards in respect of maternity services. Full financial responsibility at the approved capitation rates is accepted by the Authority for patients from the foregoing groups who seek public ward accommodation at Airmount. Such patients are not responsible for medical fees. The capitation rates paid by the Health Authority are fully inclusive of all charges. Patients, no matter in what income group, are entitled if they so desire to avail of private or semi-private accommodation at Airmount. A reduced capitation rate, however, as approved by the Minister for Health, is paid by the Health Authority in respect of eligible patients who opt for semi-private or private accommodation. This reduced payment does not cover medical fees and any extra charges which the hospital may impose. The patients are liable for such medical fees and charges.

"There is a fourteen bed maternity unit at Ardkeen. This is in operation since 1959. It is a small unit but is fully equipped and adequate to deal with all cases. In my opinion, in the long run the patients are the best judges of the standard of treatment in any institution. It is important accordingly to examine the extent to which the unit is being utilised. In 1967 a total of 435 births took place in the Maternity Unit at Ardkeen. In addition 70 expectant mothers who sought accommodation at Ardkeen had to go to Airmount, because the bed complement at Ardkeen was fully occupied. I wish to stress that the only circumstance where patients are unable to gain admission to Ardkeen is where beds are not available. There is no question whatsoever of lack of facilities at Ardkeen or any question of inability to deal with emergencies. A full range of in-patient obstetrical services is provided at Ardkeen. It should be borne in mind in addition that eligible patients who have to avail of Airmount because of lack of accommodation at Ardkeen are not liable for medical fees because of this fact. So long as they accept public ward accommodation at Airmount, as already pointed out no liability for medical fees or other expenses arises.

"The Medical Staff of the Maternity Unit at Ardkeen comprises of a Consultant Obstetrician Gynaecologist and a Part-time House Surgeon. The Consultant has the over-all medical responsibility for all patients admitted to the unit. He has the use of two private beds and subject to this the remuneration paid to him by the Health Authority is fully inclusive of all medical fees in respect of in-patient treatment in the Unit.

"There are no out-patient obstetrical clinics in Ardkeen but such clinics are held in Airmount and availed of by patients who are eligible for maternity services under the Health Act. The Health Authority pays Airmount for the attendance of eligible patients at these clinics. This is the arrangement that was agreed to some years ago when the Maternity Unit was established at Ardkeen.

"We have had no complaints from public representatives or the general public regarding the standard of treatment in the Maternity Unit at Ardkeen Hospital. Since the opening of this Unit relations between the Health Authority and the authorities at Airmount have been harmonious.

Asked to comment on the letter from the Airmount Authorities, Mr. Kyne said that his complaints arose from fact number two as set out in the letter. He was not available to comment on the statement made by the County Manager.

It this column has succeeded in clarifying the position where the public is concerned in regard to this matter then I think that it has done something good.

MINI MANSION MONSTROSITY

The South Eastern Regional Tourism Organisation has again rolled its huge "mini mansion" information caravan into Dungarvan's Square despite the torrent of criticism that has been levelled at it throughout the Winter months.

The monstrous caravan is placed in the centre of one of the most vital and important parking spaces in the town and takes up no less than five car bays. At the last Urban Council meeting the need for more parking space in the centre of the town was strongly stressed but now the already heavily taxed parking facility the Square has been decreased again by this huge unnecessary caravan.

We have said before and we repeat once again that a caravan half the size would prove equally adequate as a centre for tourist information in the town. This view is shared by a big number of people. Apparently S.E.R.T.O. have little regard for local public opinion in Dungarvan.

THE WONDERS OF THE WORLD

I promised two London readers late last summer that I would reprint here the words of "The Wonders of the World" which I first published eight years ago. For one reason and another I have been unable to fulfil this promise until now but I suppose better late than never.

Kind people draw near, to hear what I'm going to relate—
And you'll be surprised, all the wonders that I saw of late.

I saw a small trout devour a large whale,
And the town of Rathkeale concealed in the shell of a snail.

I saw a small mouse devour a large cat,
The new Custom House knocked down by the wing of a bat.
With the high Shandon steeple for a needle, a tailor did sew,
And the new brigadier making wigs for the County Mayo.

I saw Barrack Hill in the bill of a small bantam hen,
And Waterford city going down to sit in Spillen.
I saw a large flea (hay) saving hay for the lord of Tyrone,
And Kilkenny town going down to visit Athlone.

I saw the hill of Howth in a boat sailing down to Kildare,
The County of Cork sail off to see County Clare.
I saw Limerick City sit in a basket of buns,
The Royal George on Lough Rhee, firing off smoke from her guns.

I saw Dingle town, trying Bantry Bay in a pan,
The whole earthly globe turning round in an old water can.
A cow that had horns one hundred and fifty feet long,
An owl making brogues, hammering his leather ding-dong.

I saw an old ram beat a drum in the town of Tralee,
An overgrown pig in the fair of Ardee.
I heard a blind piper playing ninety-nine hundred fine songs,
And a goat standing by playing Mattie Malone on the tongs.

I saw Mullingar in a car drawn by a Jackass,
And Newcastle town drawing salt from Carrickmacross.
I saw a felt hat that was tanned by a baker in Louth,
And the long river Shannon without either a salmon or trout.

I saw a small wren make a feast of a bird called the Rock.
I saw a jackdaw in Mountrath and he fixing a clock.
I saw a sparrow hawk in Dundalk and he mending old shoes,
A skylark with spectacles reading the news.
I saw Innisskillen distilling strong drink in Athy
And the Empress of Greece plucking geese in the village nearby.

I saw the first man that ever stood upon earth,
And ninety-nine times I stood on the place of his birth.
A lark in the air sailing fair to the town of Macroom
And I saw a blind carpenter driving a nail in the moon.

Instead of pure water, I saw whiskey flow in the Lee
Many more strange things I'm sure no other did see.
Those wonders being great, and all without telling a lie
And where's the man born saw so many wonders as I?

Obituary

Mrs. Teresa M. Nagle

It is with the most profound regret that we record the death of Mrs. Teresa M. Nagle, 13, St. Patrick's Terrace, Abbeyside, Dungarvan, which occurred at the District Hospital, Dungarvan, after a brief illness, last Monday, April 29. Wife of Mr. John B. Nagle, one of the Principles of the *Dungarvan Leader*, she was a native of Tralee, Co. Kerry, but since 1931 when the family moved there, Dungarvan has been her adopted home.

A woman of great charm and culture, she was a general favourite not only in Abbeyside and Dungarvan but throughout many parts of West Waterford. Her trim figure and sprightly gait belied her years until she became ill somes months ago.

Always a great believer in close family ties she was a loving wife and considerate mother whose main concern in life was ever the welfare of her family.

Her passing will be mourned by everyone who knew her but especially by her husband, family and relatives to all of whom it is an especially grievous loss.

Her remains were removed to St. Mary's Parish Church, Dungarvan, on Tuesday evening and were received by Rev. J. Murphy, C.C., Dungarvan, who was assisted by Very Rev. J. Roche, P.P., Abbeyside, Rev. M. Walsh, C.C., do., Very Rev. T. C. Butler, O.S.A., Rev. O. O'Donnell, O.S.A. and Rev. J. Slattery, O.S.A.

Requiem Mass was celebrated for the repose of her soul at 11 a.m. on Wednesday morning and the interment took place in the adjoining cemetery immediately afterwards. Rev. M. Walsh, C.C., Abbeyside, assisted by Very Rev. J. Roche, P.P., do., Rev. D. Byrne, C.C., Dungarvan and Rev. J. F. Morrissey, C.C., Aglish, officiated.

Chief mourners—John B. Nagle (husband); Michael C. Nagle, Dungarvan, Patrick J. Nagle, Dublin, John B. Nagle, Tramore (sons); Mrs. M. Barron, London, Mrs. B. Copplestone, Mallow, Mrs. T. Ormond, Monona, Wisconsin (daughters); Mr. Paddy Kelly, Celbridge (brother); Mr. W. Barron, Mr. H. Copplestone, Mr. J. Ormond (sons-in-law); Mrs. M. C. Nagle, Mrs. P. J. Nagle, Mrs. J. B. Nagle (daughters-in-law); Mrs. P. Kelly (sister-in-law), grandchildren, etc., etc.

Funeral arrangements were carried out by James Kiely & Sons, Undertakers, Dungarvan.

COUNTY WATERFORD HORSE BREEDERS' ASSOCIATION

Second Annual Social Broke All Records

180 members and guests attended the Second Annual Dinner and Social of County Waterford Horse Breders' Association held at the Devonshire Arms Hotel, Dungarvan, on Wednesday, April 24th, which was voted one of the best ever by all present.

The Secretary, **Mr. Lal Power**, called for one minute's silence in memory of the late Mr. Tom Lenihan, one of the founder members of the Association.

After the excellent dinner **Rev. J. F Morrissey**, C.C., Aglish, who was a special guest of the Association thanked the Association for inviting him. He was, he said, glad to be back again amongst so many good friends. He was not very good at speech making, he said, but would sing a song and this he did with fine voice, to a silent house and finished to the finest applause heard for many years.

Mr. Liam Morrissey, Vice-Chairman, who was next to speak said very few people realised the value of horses exported to hard currency countries like the Swiss and backed up his statement with figures which showed that more than £1 million worth of horses were exported during the present month.

Mr. Lal Power who then proposed a toast "To Our Friend The Horse" excused the Chairman, Mr. Denny Ryan, who was too sweet mouthed after the sherry trifle, to speak.

Mr. Power thanked the Management and staff of the hotel for the excellent service and the wonderful meal.

A great social evening followed with music by the Four Aces.

NEXT YEAR

The Committee are wondering at the present where they will go next year as the number expected to attend will far exceed the accommodation available in the town.

The association are also willing to co-operate with all other associations and clubs in the town to eliminate the "common enemy" at these functions, namely the gate crashers.

LETTERS TO THE EDITOR

Specialist Maternity Services

To the Editor *Dungarvan Leader*

Dear Sir—My attention has been drawn to an article by "Pensman" in your issue of the 20th instant. As this article contains statements which are incorrect and misleading, I wish to set out the facts of services and payments in our hospital:

1. For all entitled patients, whether medical card holders or middle income group patients, full specialist services are available free of charge in Waterford Maternity Hospital, Airmount.
2. Fees are charged only to patients who, of their own free choice, elect to become private patients.
3. The situation described in the article has never arisen.

In fairness to all concerned I should be obliged if you would kindly publish this letter and give it the same prominence as the article referred to.

ZEBRA CROSSING

At the Dungarvan Urban Council meeting held last week, **Mr. D. Good** stated that an zebra crossing was very essential outside the entrance of the new Christian Brothers' School.

Mr. Good said it was quite a danger at that point for school children, and if possible at all the Council should put this zebra crossing there.

Mr. T. A. Kyne, T.D. (Chairman) said that by law an zebra crossing would require two lights functioning for twenty-four hours a day, and they would cost about £1,000 a year. The Council could erect some kind of barrier there alright.

Mr. Patrick Whelan said that would not be suitable either because it would prevent cars going into the school grounds.

Finally it was decided that the Town Clerk, **Mr. J. P. Robinson**, would write to the Department asking them for permission to erect an zebra crossing there without lights.

On a request by **Mr. R. Walsh**, a similar request will be made for the end of Mary Street.

DUNGARVAN JUNIOR CHAMBER ANNUAL DINNER

Ireland is ours for the making and the one real measurement of our genuine patriotism today is to live and work for our country with such a degree of energy, integrity and determination allied to a deep sense of realism which will motivate us to face whatever difficulties lie ahead, determined that they will be faced as a challenge which must be overcome if we are to survive.

This was stated by **Mr. Michael Collins**, General Manager, Clover Meats Ltd., when he proposed the toast to the Junior Chamber of Commerce at the second annual dinner of the Dungarvan Junior Chamber at the Hotel Ormond, Dungarvan, last Thursday night. Mr. Collins was speaking on the role of management in relation to the country's entry to the Common Market.

He went on to say that to the degree to which management and labour would be prepared to recognise their role for the future as having responsibilities and duties involving a change of wills and attitudes in the just solution of their mutual difficulties, then to that degree would Ireland be made secure.

Management, said Mr. Collins, is at the centre of a dynamic change in the life of our country. Quite possibly society expects more of managers than they can reasonably deliver; but this is a measure of general recognition that their role is of acute importance. In this context it is absolutely necessary that managers see the value of their role. Any satisfactory system of industrial relations in the future must embody the experience of open minded managers. If it only includes the fears of depressed ones, it will not be satisfactory.

The dinner which was largely attended was presided over by **Mr. T. F. McCarthy**, President, Dungarvan Junior Chamber, who responded to the toast of Junior Chamber by exhorting the members of the chapter to greater activity in their community effort.

Mr. Michael Moloney, Vice-President, proposed the toast to "Our Guests" in the course of which he complimented the Management and Proprietors of the hotel for the excellence of the meal which had been served.

It was responded to by **Mr. D. Lennon**, National President, Junior Chambers of Commerce in Ireland.

The toastmaster was **Mr. A. V. Maher.**

MEETING TO ESTABLISH YOUTH CENTRE

Committees Elected

At a most representative meeting held in the Courthouse, Dungarvan, on Monday night last it was decided to go ahead with plans for the establishment of a Youth Centre in the town and Committees were elected to get the project "off the ground."

The meeting was presided over by **Mr. T. Kyne**, T.D., Chairman, Dungarvan U.D.C., who stressed the urgent need for a Youth Centre in the town.

Also present were Mr. J. D. Hally, County Engineer, Supt. M. English, Dungarvan, Mr. T. F. McCarthy, President Dungarvan U.D.C., Mr. J. G. Dowling, County Secretary, Mr. Joe F. Lanigan, representing Abbeyside Boy Scouts, Representatives of Waterford Co-op Society Ltd., Mr. R. A. Walsh, Vice-Chairman and members of Dungarvan U.D.C., and representatives of many of the clubs in the town.

All the other speakers at the meeting expressed the desire to go ahead with the project.

The following adult Committees were elected:—Rev. Fr. Grace, O.S.A., Rev. Fr. Sexton, O.S.A., Messrs. T. F. McCarthy, L. O'Riordan, J. D. Hally, T. Crowley, L. F. Lanigan and Mrs. J. Baily and Mrs. L. Mountain.

A Juvenile Committee was also set up with will work in co-operation with the adult Committee.

REGIONAL PIONEER COMMITTEE OF WEST WATERFORD

Most Rev. Dr. M. Russell has appointed Rev. E. Tobin, C.C., Clashmore, Spiritual Director to a new Regional Committee for West Waterford. The committee consists of representatives from several parishes in the area. Its function is to act as an Organising Committee for the Centres joined in membership with it. The first meeting of the Regional Committee was held at the Convent of Mercy, Dungarvan on Wednesday, April 24th. Forty members from 13 Centres in the area were present.

Fr. Tobin read and explained the rules of the Regional Committee, which has as its duties (1)—Organising such functions which it considers will promote and encourage the development of the Pioneer Association in the area; (2)—Organising a general meeting for all Pioneers in the area; (3)—Helping the establishment of new Pioneer Centres in the area, assisting and instructing members of Pioneer Councils to run and organise their Centres according to the Rules of the Association.

It was decided that the first Rally be held in Dungarvan before Christmas — probably in November. It will consist of evening Mass in the Friary Church (at which it is hoped, His Lordship, Most Rev. Dr. Russell, will preside), a talk by a visiting pioneer priest, and later a social at the Town Hall.

The officers appointed to act for one year are, President—Mr. Moss Pollard, Lismore; Treasurer—Mrs. Moore, Dungarvan Presentation Centre; Secretary—Brighdin Ni Chriostoir, Convent of Mercy Centre.

Persons desirous of establishing new Centres in their areas, or those wishing to strengthen their existing Centres are invited to contact the Spiritual Director, Rev. E. Tobin, or any of the above Committee.

ST. AUGUSTINE'S COLLEGE SERVED US WELL SAYS P.P.U. PRESIDENT

Annual Reunion In Dungarvan

In the course of his Presidential address at the annual meeting of the Past Pupils' Union of St. Augustine's College, Dungarvan, held last Sunday, **Mr. Brendan Connolly,** Inspector of Schools, Ballybunion, Co. Kerry, said:—

"Our primary purpose in coming here today is to pay tribute to this college—to its pupils and teachers and to show our appreciation of the part they played in the formation as individuals. I use the word formation because we must never forget that schools are more than teaching shops. Whether they set out to do so or not they cannot but affect the student's outlook and attitude.

"Knowledge is certainly very important but in this changing world it can very easily be that those items of knowledge which the student learns today will not be those he will require in some years time. It is essential then that today's student learns to keep an open mind and remain a student all his life.

"The attitude towards life which the student develops is just as important as either knowledge or development of ability. It is part of the school's work to foster enthusiasm and idealism in students—to prepare them to apply those words of President Kennedy—'Ask not what your country can do for you, but what you can do for your country.'.

"In all the above aspects we must agree that St. Augustine's College served us very well when we were students.

"I know I am expressing all your minds when I welcome the extension of free-education so that bright students will no longer be denied University education because of lack of means. I am not very familiar with the details of this scheme but its introduction as it is is ample evidence of good will in this question and so we can look forward to the details with confidence."

NEED FOR NEW HOSPITAL IN DUNGARVAN

At last Friday night's meeting of the Waterford Health Authority, Mr. M. Harty tabled a notice of motion requesting the erection of a new eighty to one hundred bed Surgical and Medical Hospital in Dungarvan.

At the request of the County Manager and Chairman, however, Mr. Harty agreed to adjourn his motion to the next meeting of the Authority.

In a prepared memorandum Mr. Harty stated:—

"The members of the Health Authority from the Western part of the county will be fully aware of the need for a large hospital in Dungarvan.

"The population of West Waterford is approximately 30,000—25,000 or about one-third of the entire population of the county and city, and at present there are only 37 medical and surgical beds in the whole area. These beds are in the District Hospital, Dungarvan.

"The case for enlarging this hospital as proposed in my Notice of Motion is undeniable and may be summarised under three main headings, namely, medical, economic and social.

SERIOUS CONSEQUENCES

"We all know that in the case of a seriously ill person, the important thing is to get him or her into hospital as quickly as possible. Due to the lack of beds in Dungarvan, many patients from West Waterford have to go to one of the hospitals in Waterford city. This can involve a journey of 50 miles which can cause a long delay before a person reaches hospital. Such delays can have serious consequences and in my view we, as a Health Authority, are failing in our public duty if we allow that situation to continue. I am convinced that as many as 75% of the people from West Waterford who have to go to Ardkeen could be treated in Dungarvan if beds were available there.

"I feel that a good class Maternity Unit should be provided in the enlarged hospital which I have in mind. The need for such a unit in Dungarvan is obvious as the only maternity beds provided by the Health Authority in this area are two in the County Home. This is a hopeless inadequate service for an area like Dungarvan and I feel there should be at least 10 maternity beds here and that they should be in the District Hospital rather than in the County Home.

ECONOMICS

"On the question of economics, I understand that it now costs about £35-10-0 a day to keep a patient in Ardkeen by comparison with about 30 - in Dungarvan. I am convinced that a much larger and properly equipped hospital could be provided in Dungarvan at little or no extra cost to the Health Authority when account is taken of the ordinary State grants and the lower cost of staffing patients in a District Hospital. Ambulance costs would also be reduced considerably. On the question of the capital cost of enlarging the hospital in Dungarvan, I am convinced that with the unanimous support of the members and other public representatives we can influence the Minister for Health to give us a 100% Grant from the Hospitals' Trust Fund towards the cost of extending and equipping the hospital. Some members may recall that when we in the County Council made a similar stand in the case of Ardkeen we were successful to such an extent that the cost of building and equipping that hospital was met in full from the Hospitals' Trust Fund.

SOCIAL ASPECT

"On the question of the social aspect of the problem, considerable hardship and expense are caused to people from West Waterford whose relatives have to visit them in hospitals in Waterford city. I am aware that the trend in England is to close the smaller hospitals. Such a policy may be suitable for a country such as England where there is density of population but in my opinion would be disastrous for this country which consists mainly of a rural community spread over wide areas.

"Finally, I wish to say that I am not putting forward this motion for parochial or divisional reasons, but I am doing so in an effort to provide a proper hospital service for the people of West Waterford which they are denied at present.

"The total expenditure on hospitals in the country since 1936 amounts to £79,935,285."

G.A.A. NOTES

THREE INTER-COUNTY GAMES ON SUNDAY

Western Board Make Adult Championship Fixtures

By Commentator

NEXT SUNDAY

with three inter-county championship games on Sunday and no fewer than sixty players on call, the number of club games arranged for the weekend has had to be curtailed and now only three games are on and two of these are on Saturday night.

On Sunday our intermediate hurlers and our junior and under 21 footballers are in action and the games being as far apart as Waterford and Cappoquin it is going to provide a problem for many.

At Waterford in the afternoon the hurlers and junior footballers play Clare and as our teams have not been announced at the time of writing it is not possible to preview the games. Last year I remember writing that we should pull out of junior football after we had been hammered (2-12 to 0-4) by Kerry at the Fraher field and I doubt if I will see any reason to change my mind or opinion on Sunday even though we are playing a county whose football standards are as poor as our own.

The hurlers, last year, gave us one of the most thrilling games that we had in the inter-county championships when they beat Kerry in a very exciting battle also at the Fraher field (4-8 to 3-8). We later lost to Tipperary after a good game in the semi-final at Walsh Park. Our team are still available and I am sure that most of them will be called upon to do duty on Sunday.

The teams if available will be published at the end of these notes.

UNDER 21 FOOTBALL

This will be at Cappoquin at 7.30 against Limerick and we could do well here even though they shaped poorly in recent trials, they had a couple of good trials against the seniors who are themselves in good shape just now.

Unfortunately quite a good number of our top class under 21 footballers of last year are now gone over age and therefore will not be available. However all the available men have had an outing or two and all have been seen by the selectors and a reasonably good side should be fielded. This team was picked after a trial on Tuesday night but following a complaint by the other selectors, who must also select teams for Sunday, that a number of the men whom they needed for their sides, were incinded on the under 21 side, it was decided to wait until to-night, (Thursday) before naming all teams.

CLUB GAMES

Two games on Saturday night will open up advanced junior football championships and with many regraded players available to all sides the games could be quite interesting. At Abbeyside, Clashmore play Kilrossanty, and following the Comeragh team's poor showing in the winter league it is not expected that they will be good enough to beat the Villamen who have lost, in the same competition was quite good.

At Cappoquin, Kinsalebeg Clashmore playing their first championship game since their amalgamation this year, will be fancied to beat Ballinacourty Abbeyside, who have had little football training because of their hurling activities this year. Both sides will be fielding their second strings and this could be advantageous to Kinsalebeg who have several regraded seniors on their side. However, the vote here must go to the Kinsalebeg Clashmore team who will field the more prepared side.

SUNDAY

The only club game of the afternoon in the West on Sunday will be played at the Brickey venue where Affane and Ring meet in Junior football. Again we have second teams in action and therefore it is not easy to sum up the game. Ring with a number of games behind them this year will be favourites and must be very fancied to win.

UNDER 21 FOOTBALL

What could be a very enjoyable football game during mid-week takes place at Cappoquin on Tuesday night next when neighbours Tourin and Tallow meet in the first semi-final. When I saw Tallow defeat Na Piarsaig recently I predicted that they would at least reach the divisional final this year, and despite the fact that Tourin scored a surprising defeat against Kilrossanty recently, I still believe that Tallow will continue on their winning way for a while yet.

MINORS IN TRAINING

The minor hurling selection who meet Clare in the first round of the minor hurling championship at Thurles on Sunday fortnight, began training this week at Abbeyside. The team will be selected this week and will be finalised following a final trial against Kilkenny next week.

PAST v. PRESENT

Circulars have now been sent to all members of the 1957/'59 All-Ireland senior hurling teams in connection with the exhibition game between these hurlers and the present senior side. This game takes place at Dungarvan on Sunday, May 12th at 7.30 p.m. We have been reliably informed that so far the response to the circulars has been good and those who have so far replied have signified their willingness to participate.

It has been made known also that Tom Cheasty, Frankie Walsh and Larry Guinan, all members of the past team who are on the panel of the present S.H. team will assist the 1957/59 team in the game.

WESTERN BOARD MEETING

There was a full muster of delegates at last week's meeting of the Western Board, when fixtures for the adult championships were made. Prior to this the chairman, Nicolas Mac Cruith, gave the meeting details of the County Board's Scholarship Scheme, the new purchase scheme for juvenile purleys and the system of choosing the hurler and footballer of the year (1968).

Arising out of referees' reports, P. O'Rourke, Clashmore, was suspended for a month for having been sent off the field for rough play during the Ardmore versus Clashmore Kilsalebeg football game last month.

COUNTY BOARD FIXTURES

Because of the very bad weather conditions on Friday night last all three Sargent Cup games fixed for that evening were postponed and have now been referred to the fixtures committee as follows:—Abbeyside v. Ballygunner at Dunhill, Monday May 6th; Mt. Sion v. Passage at Tramore, May 6th. Geraldines v. Ballyduff Portlaw at Dungarvan, May 6th; Phelan Cup — Kilh v. Mitchels at Walsh Park, May 6th.

CITY v. COUNTY S.H.

The annual County v. City senior hurling game in aid of the Ballybricken Church Fund takes place to-morrow night (Friday) at Walsh Park, Waterford, and with a few places going a-begging on the county team at the moment, the game should be more interesting than usual. The following is the county team:—

P. Flynn; S. Hearne, J. Condy, R. Power; W. Walsh, J. McGrath, F. Whelan; J. Whelan, N. Power, L. Cassidy, T. Walsh, M. Hickey; V. Connors, M. Ogg, Morrissey, R. Ormond.

The subs. are P. Hogan, Joe Power and two from De La Salle.

COUNTY PANEL

The following senior hurling panel has been named by the championship game sides that are amalgamation this year, will be fancied to beat Ballinacourty Abbeyside, who have had little football training because of their hurling activities this year. Both sides will be fielding their second strings and this could be advantageous to Kinsalebeg who have several regraded seniors on their side. However, the vote here must go to the Kinsalebeg Clashmore team who will field the more prepared side.

WATERFORD SHOW RETURN TO FORM

Waterford returned to something more like their old form at Kilcohan Park on Sunday last when a second half hat-trick by Alfie Hale, and a brilliant display by a back-in-form Jimmy McGeough, paved the way for a 3—1 victory over Cork Celtic, thereby qualifying them for the final of the Top Four Competition.

ON THE HOME FRONT

Dungarvan 1; Tramore Nil.

Dungarvan's Division II side travelled to Tramore on last Sunday morning and defeated the seasiders by 1 goal to nil.

This victory keeps their slight chance of league honours alive, but they will have to improve if they hope to win when they come up against stronger opposition. The Dungarvan defence was adequate, but the attack, while able to develop the moves, seemed the lack the speed and dash to capitalise on the chances.

Best in defence for Dungarvan were Walsh, Beresford and Healy, while Donnelly and Moylan were best of a disappointing front line.

Dungarvan — J. Clancy; J. Woods, J. Healy; J. Walsh, T. Mooney, J. Beresford; J. Moylan, J. M. Duggan, M. Donnelly, J. Sandford, M. Lyons.

UNDER 15 LEAGUE

Dungarvan 4; Johnville 5

In an under 15 league game at Springmount on Saturday, Dungarvan played host to leaders Johnville and while the latter consolidated their position at the top of the table, they had to battle every inch of the way to overcome a fighting display from a gallant Dungarvan team.

The game was barely begun when Johnville drew first blood but Dungarvan soon replied through a Jimmy O'Donnell goal.

Within ten minutes the visitors were again ahead and back again came the homesters with a Mickey Houlihan score. The City team, however had the ball in the Dungarvan net again before half time leaving the score 3—2 at the interval.

Johnville increased their lead soon after the resumption. This however signalled a great Dungarvan comeback with Pat Morrissey scoring from a penalty. The same player scored a great equaliser soon after with a magnificent header.

Then disaster struck, when against the run of play the visitors broke through for the final score. Thereafter, hard though Dungarvan tried they failed to penetrate the Johnville defence for a point saving score.

On the honours list for the homesters pride of place must undoubtedly go to inside left Pat Morrissey, who was in great fettle. In attack he received most help from John Walsh.

In defence Dungarvan's best were "Nobby" Fitzgerald, Liam Foley and Dermot Hayes.

Dungarvan — B. Kelly, D. Hayes, M. Ryan, L. Foley, M. Geoghegan, M. Fitzgerald, M. O'Keeffe, M. Houlihan, J. O'Donnell, P. Morrissey, J. Walsh. 12th Man—L. Sandford.

Tallow and Round About Notes

Sympathy — We extend our sympathy to Mrs. J. McGrath, Ballymuddy, Knockanore, and the other family members on the much regretted death of their father the late Mr. Henry Walsh, Carrigshane, Midleton, which took place at Our Lady of Lourdes Hospital, Midleton, on Wednesday, April 24th, and whose interment took place at Holy Rosary Cemetery, Midleton, on Friday, April 26th.

£170 To Be Won—You can win £170 by coming to the Arch Ballroom, Tallow, on next Sunday night. Many big money prizes have already been won and if travelling causes any difficulties there will be buses from Dungarvan via Cappoquin, Lismore and Ballyduff.

Water Scheme Delayed — The new cottages at Glenawillin, Tallow, are yet without a water supply, though they have been occupied for many months. It was understood some time ago that the scheme would start almost immediately as the piping was put on the roadside but there it remains now almost covered by grass. Let us hope the work will be got under way as soon as possible.

Land Division—We note that Headborough Estate, Knockanore is again to be let for grazing up to December 31st, 1968. The Division of this Estate was raised in the Dail on two occasions last year by Deputy Jackie Fahey, T.D. and on each occasion he was informed by the then Minister for Lands, Mr O'Morain, that this Estate would be divided in the spring of 1968.

We wonder what has happened in the meantime to prevent the allocation of this Estate, or did the Minister mean 1973? This Estate has been let year after year for tillage and grazing whilst people are crying out for land. The new Land Act which was passed some time ago was ushered in with a tarfare of trumpets and was supposed to hasten the taking over and speedy allocation of Estates throughout the country. As far as we can see, however, it has not awakened the Land Commission out of their sluggish sleep. We would request our Dail Representatives to again question the Minister as to why this Estate was not allocated as promised.

The Late Mr. William Murphy—The death took place on Monday, April 22nd, at his residence, Coolisheal, Ballyduff, of Mr. William Murphy. Deceased was member of a highly esteemed family and was most popular as was evidenced by the large and representative cortege that accompanied the remains to St. Michael's Church, Ballyduff.

Requiem Mass was celebrated on Wednesday, April 24th at 11 a.m. for the repose of his soul, and the funeral took place immediately afterwards to St. Michael's cemetery and was both large and representative. Very Rev. R. Lane, P.P., Ballyduff, and Rev. Fr. Kiely, C.C., do., officiated.

The Late Mr. D. Guinevan — We regret to record the death of Mr. Daniel Guinevan, Toar, Ballyduff which sad event occurred at this residence on Tuesday, April 23rd. Deceased was a highly esteemed member of the community and was most popular. His death removes a good neighbour and sincere friend.

The remains accompanied by an extremely large and representative cortege were removed to St. Michael's Church Ballyduff, and the funeral took place to St. Michael's cemetery following at 1 a.m. Mass on Thursday, April 25th. Very Rev. Fr. Lane, P.P. and Rev. Fr. Kiely, C.C., officiated.

To his widow, sons, daughters, sisters and other relatives we extend our deepest sympathy.

In Hospital — We send best wishes for a speedy recovery to Mr. Patrick Murphy, Kilmore, Tallow, who is presently in hospital.

Engagement — The engagement is announced of Mr. Sean O'Brien, B.Agr.Sc., son of Mr. William O'Brien and the late Mrs. Josephine O'Brien, Knockaur, Tallow, and Miss Maureen Kleltay, daughter of Mr. and Mrs. Kleltby, Schoolhouse, Tacumshane, Co. Wexford. (Adv.)

On American Visit — Mr and Mrs. M J. O'Brien of Messrs. O'Brien Bros. Garage, Tallow, leave shortly on a two week visit to the United States. The visit is being sponsored by the Volkswagen Co. Ltd. for whom O'Brien Bros. are main dealers. Other dealers in the county will also go on the visit.

Killeagh Point-to-Point Races —Killeagh Point-to-Point Races will be held on Wednesday, 22nd May. The course will be over the lands of the Race Committee Chairman, Mr. John Colter, Knockmonlea House, Youghal. It will be an all grassland circuit which affords a full view of the races

The races were to be held in February but were postponed owing to the foot and mouth disease in England. The old course at Ballyling was at that time available but has been filled in the meantime. This will be the last Point-to-Point meeting of the season and is being looked forward to by the sporting public. It is hoped it will be a big success.

Played With Cork — Tommie Barry, who had the honour of playing with Cork against Kerry at Macroom on Sunday, April 21st is captain of Killeagh hurling team and is a brother of the well known hurler, Sean Barry, who has on many occasions led Cork to victory. Tommie acquitted himself well against Kerry.

Youghal Strand Fianna Fail Meeting - Mr. Dan Coakley, Vice-Chairman, presided at a meeting of Youghal Strand Fianna Fail Cumann. Mr. Martin Corry, T.D., attended.

Members of the Youghal Fishermen's Association pointed out the hardships facing fishermen and their families as a result of the very bad salmon season.

Mr. Corry said he would make representations to the Minister on their behalf.

On the proposition of Mr. D. Coakley it was unanimously decided to forward a resolution to Mr. P. Browne, T.D., Waterford, and to Mr. Charles Carrier, M.C.C., Chairman, Waterford County Council, asking them to do their utmost in making representations to C.I.E. on the re-opening of the Cork via Dungarvan Railway service to Rosslare for the summer season or alternatively to provide a bus service leaving Youghal at 7.30 a.m. to connect with the Rosslare-Fishguard service.

Another meeting will be held shortly.

Families Leave—Mr. and Mrs. Patrick McCarthy, New Street, Tallow, left to take up residence in England on Monday. Mr. John W. McCarthy, son of Mr. Patrick McCarthy, and his wife and child also left for England on Monday. All very popular members of the community, we join with their many friends in the town and surrounding district in wishing them the very best of good luck across-Channel.

Tallow G.A.A. Items—Tallow were hosts to Youghal on Sunday last when the met in Under-18 hurling and Under-14 hurling challenge games. In the former the home team ran out easy winners, but in the latter Youghal won by the minimum margin of one point.

It is hoped to pay a return visit to Youghal in the near future.

On Tuesday night, May 7th at Cappoquin the Tallow group Under-21 footballers play a Tourin Lismore selection in the Western semi-final. The local team face a formidable task but they feel confident that they will be able to overcome this obstacle. This game is timed for 7.15 p.m. and all players are requested to be on time for this very important game. We wish them the best of luck.

Sunday, May 19th will be a big day in G.A.A. annals in Tallow for on that day at least six of their players will be in action at Thurles on the County minor team. We expect to see a large number of supporters travelling to Thurles on that day. We understand that a bus is being requisitioned to bring supporters to the game. Anyone desirous of travelling should contact Mr. Michael Daly, Corner House, Tallow, as soon as possible.

Increase In Prize Money At The Arch On Sunday.—We have been asked to state that there will be a big increase in prize money at The Arch Ballroom on Sunday night as can be seen by an advertisement in this issue.

Home From Hospital—We are glad to record that Mr. John Baldwin the well known Tallow insurance agent who had been some weeks in hospital has now been discharged.

In Hospital - We send best wishes for a speedy recovery to Mr. Frank Ryan, Tallow, who is in hospital in Cork.

Youghal Clockgate Gets Final Touch Up -- The final touches are being put to the interior of Youghal Clockgate and soon all will be ready for the opening of the Tourist Office and the housing of the museum there. A great amount of renovation has been carried out by the local building contractors Messrs. Thomas Murray & Co.

The Clockgate, Youghal's famous landmark since 1677 is now literally gleaming, both inside and outside and will prove a great asset to the town's tourist trade.

Point-To-Point-Win — Congratulations to Mr. Donal O'Connor, Ballyduff, on the win of his horse Little Arch at Bandon Point-to-Point meeting last weekend. Mr. Donal Kenneally was in the saddle.

The Week's Story—A twenty-one year old girl in a country town married a wizened old shopkeeper. Her Civil Servant sweetheart returned from Dublin and demanded an explanation.

"Well," said she, "to tell you the truth the old bostthon followed me here, there and all over the place, until in the end I had to marry him to get rid of him."

They Made History

Photographed with their trophies are (above) the Lismore Under-21 hurling team and below their junior hurling team who made history last year by completing a great double when winning the County championship titles in both grades.

HURLING LEAGUE TITLE FOR BALLYSAGGART

Ballysaggart 5—9; Ring 1—3

Ballysaggart won the Primary Hurling Winter League title with an easy 5—9 to 1—3 win over Ring in the final played at Dungarvan on Sunday last.

The Ballysaggart men had eighteen points to spare at the finish but for the first 30 minutes Ring matched the winners in almost every department and were only a point in arrears 0—6 to 1—2 at the interval.

This first half was close with neither side gaining any great advantage and rank outsiders Ring certainly rocked the favourites and could, in fact, have held the upper hand at the break had their forwards availed of the many chances which came their way.

INTO GEAR

Ballysaggart clicked into gear in the second half and completely dominated, breaking through for 4—3 to a lone Ring point to run out convincing and deserving winners to take their first title.

The hurling was poor in the extreme and some of the tackling very rough and dangerous and on a number of occasions tempers boiled over and battles resulted in which hurleys were used indiscriminately.

Ballysaggart had bred players in John O'Gorman, Pat Veale, Willie Rooney and Pat Feeney, while Tom Harty, Pat Harty, Sylvie Murray and Tommy Joe Harty tried hard for the losers.

Referee—M. White (Ballymacarbry).

CLASHMORE QUALIFY FOR FOOTBALL LEAGUE FINAL

Clashmore 1-7; Ardmore 0—0.

Clashmore qualified for the Junior Football Winter League final with a narrow 1—7 to 0—0 win over Ardmore in the replay of their drawn semi-final game played at Dungarvan on Sunday last.

Only a very small crowd were present for this game, which even though it failed to produce football of a high standard, was nevertheless close enough to be exciting with the Klausie-Clashmore combination clinching victory when Ardmore conceded an own goal nine minutes after the start of the second half.

NEEDLE EXCHANGES

As in the drawn encounter, emphasis was again placed on rough tactics with needle exchanges dominating between these neighbouring sides and on a number of occasions tactics were so tough that players had to be warned when tempers flared out of control.

Clashmore who were outsiders for this clash got off to a flying start with two early points. Ardmore levelled and by the 20th minute had gone two points clear, John Joe Carlton putting them in a commanding position when he added another minor in the 25th minute.

They failed to hold the initiative and Clashmore began a great rally in the closing stages of this half and with their forwards "flying" the Ardmore defence were forced to foul and Liam Rourke brought the scores level (0—2 each) with three points from the resultant frees before the interval.

There had been no noticeable difference between the sides up to this and when John Joe Carlton pointed for Ardmore a minute after the resumption the St. Declan's men, playing confidently, looked capable of going further ahead. They pressed hard but the breaks failed to come their way and they were the victims of misfortune when a shot from Liam Rourke was knocked into the Ardmore net by full-back Pat Pender. This score which came in the 9th minute brought Clashmore back into the game and Billy Allen increased their lead to three points with a minor in the 14th minute.

Ardmore fought back and their hopes went soaring in the 18th minute afted a melee in the Clashmore goalmouth when the umpire signalled a goal. The second umpire disagreed and signalled for a "50" and following consultation with both umpires referee Billy McGrath ruled that the ball had not gone into the goal and awarded the 50 yards free.

Ardmore continued to press after this but only succeeded in registering a single point per Michael Power in the 31st minute to leave them trailing 1—4 to 0—7 at the finish.

The winners were well served by Jimmy Rourke, Danny McGrath, "Pablo" Rourke, Billy Allen and Liam Rourke, while Ardmore's best were Bertie Hallahan, John Joe Carlton, Finbarr Hallahan and Jim Rooney.

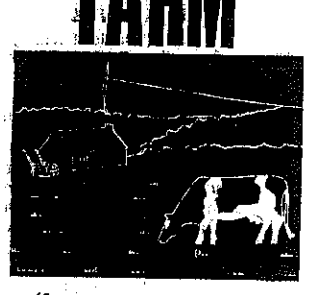
SMALL FARM



(Incentive Bonus)

SCHEME

This new Scheme is being operated by Committees of Agriculture on behalf of the Department of Agriculture and Fisheries. It aims at helping small farmers to realise their full production potential.

Under the Scheme, any eligible small farmer can earn a bonus grant of £200 if he carries out, over a four year period, a farm development plan agreed with his Agricultural Adviser.

The development plan will be designed to raise the level of production of the farm so as to yield a Gross Margin of not less than £700 a year.

The farm development plan will normally be set out in four stages, each capable of being achieved in 12 months. On satisfactory completion of each stage, the farmer will be paid £50.

Participants in the Scheme will be required to keep simple farm records.

Who is eligible

Any farmer —

(a) whose main source of income is farming as distinct from a business, profession or other occupation, and

(b) whose total rateable valuation of land does not exceed £25 or whose total area of land is less than fifty statute acres, and

(c) whose system of farming in the latest calendar year gave an estimated Gross Margin of less than £700 — in the case of a dairy farmer a Gross Margin of £700 would represent, on average, about 7,000 gallons of milk sold to a creamery — and

(d) whose holding is capable of planned development so as to reach, within a period of four years, a level of production which will give a Gross Margin of at least £700 per year.

A leaflet setting out the conditions of the Scheme and application form can be had from the Chief Agricultural Officer for your county or from the Information Division, Department of Agriculture and Fisheries, Upper Merrion Street, Dublin 2. Any farmer who, having studied the conditions of the Scheme, believes he is eligible to take part in it, should complete the application form and send it to the Offices of the Co. Committee of Agriculture.
