WATERFORD COUNTY COUNCIL

FINAL MEETING OF OLD COUNCIL.

Senator J. Butler (Chairman) presided at a special meeting of the above, at Dungarvan, on last Monday. Also present: Messrs. L. A. Veale, W. Terry, Ml. McGrath, Ml. Harty, D. Coghlan, P. R. Power, D. Heskin, T.D., R. Foran, W. Dower. The Co Manager (Mr. S. J. Moynihan), the Co. Secretary (Mr. J. G. Dowling), and the acting Co. Surveyor (Mr. D. S. Doyle) were also present.

TYPHOID ALLEGATION REFUTED

Arising from the minutes, the Co. Manager said that in connection with the application for a water supply for Four-Mile-Water, made at the last meeting, he had asked the Co. M.O.H. for a report regarding the allegation that the water had been responsible for an outbreak of typhoid fever in that area. The report from Dr. O'Farrell (read by the Co. Manager) was to the effect that only two cases of typhoid—a mother and her son—had occurred in this area within the past ten years, and investigation showed that the infection had not been caused by the water supply. The report added that it would appear very probable that the infection occurred outside the county.

Mr. Doyle said that Mr Delany had made a statement at the last meeting that the well at Ardfadden, surrounded by a wall, had been condemned by three doctors. "I want to make it clear," said Mr. Doyle, "that the water was not condemned by even one doctor, not alone three." Mr. Doyle then went on to say that the procedure regarding the well had been properly followed, and quoted minutes from meetings of the Board of Health in 1938. It was stated in the minutes that following an inspection of the water the order of the Board was that it be referred to the engineer for a report. The engineer (Mr. Doyle) reported that a sample of the water had been sent for analysis. The analyst's report was that the sample of water was suitable for use as drinking water. After that, said Mr. Doyle, the wall was built around it.

In a further report Mr. Doyle stated: I have looked into the question of a water supply for the list of applicants whose names were submitted by Mr. Delany, after the last meeting. Mr. Delany's list contains about the same number of names as that previously submitted by Mr. Connolly, so that there is no difference in the scope and extent of both applications. The particulars given in my report of the 5th ult. concerning Mr. Connolly's application apply equally in the case of Mr. Delany's application. I have had an opportunity of examining the well referred to by Mr. Delany at the Co. Council meeting. There are three wells and they are situated on the lands of Mr M. Dwan. This is a matter of no importance, as the water from these wells, like that from other wells and outcropping springs on the hillside, eventually form the streams that cross the main road through gulleys and bridges. Obviously the correct place to measure the water output is at or convenient to the road crosses. As already pointed out, it is my opinion that during dry periods there will not be sufficient water from these sources to meet the needs of the scheme required by either Mr. Connolly's or Mr. Delany's applications. But of course this is a question which can only be determined definitely by measurement during the late autumn—which is the time of year when all springs are at their lowest.

The position, therefore, is that nothing further can be done until the autumn measurements of the water are made.

The Chairman said that they had a report from the County M.O.H. and Mr. Doyle, and he would suggest that copies of these reports be sent to Mr. Delany and Mr. Connolly.

Mr. Power—That would be the proper course.

Mr. McGrath—It's a consolation for the people there to know that the water was not the cause of the typhoid.

Mr. Veale said there was a need for water supplies in a number of places, and in his opinion there should be one big scheme for every place like the rural electrification scheme.

It was agreed to send copies of the reports to Mr. Delany and Mr. Connolly.

Working on Church Holydays.—When told by the County Manager that he had made an order in the matter, Mr. Veale did not move a resolution asking that the observance of church holydays as holidays with pay by the clerical staff of the Council be applicable to the other employees of the Council.

Bonus.—Replying to the Chairman regarding the question of maximum bonus raised at the last meeting as based on the agricultural wage, the County Manager said that in some counties it was greater and in other counties smaller.

Mr. Heskin—If you give a contract to a contractor for work in the Co. Council, does his case come within the scope of that order?

Co. Manager—I would not say so.

Mr. Heskin—It is in operation in Youghal. Some months ago I had an application from the workers on the Killeagh sewerage scheme to make representation for them for the bonus. I made representation to the Department of Public Health and they told me it was a matter for the contractor and that the bonus was in operation within eight miles of Youghal. Killeagh is in that area. I had no word from them since. I don't know if they had been paid it or not.

Co. Manager—It is a matter between the contractor and workers. We, the Council, of course, accept the lowest tender. The Council's workmen got the bonus, based on the agricultural rate. They are not entitled to a bonus over that.

Mr. Heskin said that in the case of the Killeagh workers applied also to the workers at military posts. He thought it unfair that the order should apply to some areas and not to other ones. It should apply to all areas.

Mr. Veale said that there should be a provision in every contract that the contractor pay T.U. wages.

The Co. Manager said that he understood the contractor paid the rate in operation in the area; he paid the standard rate.

NEW TIME IN RURAL AREAS.

Mr Harty said that he had seen children travel from three to four miles to school in Dungarvan, whose families went by old time, and they had to get up in the dark at seven, and go out in rain or snow. He thought it very unfair to ask these children who, in their homes went by old time, to travel to the school in Dungarvan by new time. The new time should be abolished in the winter.

Mr. Veale said that a recent commission advocated after making inquiries into the matter, that there should be a return to the real old time.

Mr. Coghlan said it was a hardship on children to have to go to school at least three quarters of an hour before the time.

After further discussion Mr. Harty who had a resolution of protest in the matter did not move the resolution.

THANKS ALL 'ROUND.

The Chairman referred to the fact that it would be the final meeting of the Council and said that since the day three years ago when the members elected him Chairman of the Council he had the greatest co-operation from each and every one of them. Every one of the members had made the position of Chairman an easy one and a pleasure to fill. While they had been there they had done their best for every section of the people. If the next Co. Council get a body of men as conscientous and as capable of looking after the interests of the ratepayers as this Council had been they would be lucky. "I thank every member of the Council," continued the Chairman, "for the help and co-operation they have given me throughout my term of office. It was a pleasure to sit and listen to the discussions and to the members of the Council I want to say, 'thank you.'"

Mr. P. R. Power (who is not seeking re-election) paid tribute to Senator Butler for his impartiality as Chairman.

Mr. Heskin also paid tribute to the Chairman and said he had given the greatest satisfaction so that no member could say that there was any ill-feeling or regret been taken away. Mr. Heskin also paid tribute to the officials.

Mr. Foran, who is not seeking re-election, also said that he always found the Chairman to be very impartial. "It is my personal opinion that in the way we have got on together a good case has been made for the Managerial system. To my mind it would have been impossible to carry on without the Manager. We got the greatest co-operation from him and I think it would have been much more beneficial if we got the same co-operation from the Departments in Dublin."

Mr. Veale said it was a pleasure to come to the meetings which had been conducted by the Chairman in a very impartial manner. He also thanked the Manager.

Mr. Harty, also returning thanks, said that the new Council had come in at a difficult time in the history of public administration, as it was the first time that the Managerial System had been put in operation, added to it was the death of the Co. Surveyor and the vacancy of the Co. Secretaryship. It was an unique position for a public body, but they had got through their duties very well.

Messrs. Dower, Terry, McGrath, Coghlan and Keating also spoke and endorsed the remarks of the previous speakers.

The Co. Manager also paid tribute to the impartiality of the Chairman. "I must say," he continued, "that this Council gave me every assistance and co-operation to enable me to carry out the rather difficult job of the change over of the systems."

The Chairman replying, said that he always tried to please each and every member of the Council. He thanked the members for their remarks.

OTHER BUSINESS.

An Taoiseach wrote thanking the Council for their congratulatory message.

Mr. N. Barron, B.L., wrote on behalf of the relatives of the late Archbishop Sheehan thanking the members for their resolution of sympathy.

The Co. Secretary told Mr. Harty that so far no answer had been received to the Council's request that the minefield at Helvick be swept.

WEST DIVISION G.A.A. NOTES

By "AN RUNAIDHE."

At Aglish.—Clashmore meet Blackwater Rovers at Aglish on Sunday. The Royers are favourites as is to be expected. Paddy Morrissey's team is fit and well. Charlie Curran is satisfied that Clashmore will do well. He says "the unexpected happens sometimes and Sunday may prove this." Declan O'Sullivan will be in charge of the whistle.

At Ballinamult.—The replay of the junior hurling game, Modeligo v. Touraneena, at Ballinamult will attract a record crowd on Sunday. Great rivalry exists between these neighbours and Sunday's contest will provide a great attraction.

A Complaint.—A writer (J. O'D., Dungarvan) asks me to draw attention to the lack of supervision and attendance on the minor hurlers at Fermoy. He says that when a minor was injured there was only one selector who went to his aid and no medical aid was available. Not being present I can't say if this is true but as I am informed that the matter will come up at the next Co. Board meeting I see no harm in publishing it.

Defeat.—The defeat of Waterford has caused much head shaking. May I say this—In my opinion the selectors only deserve the blame. Anyone who has any idea of the principles of team building will agree that the Four County League was not availed of. When will our selectors realise that youth will be served.

Sympathy.— Fraugh-a-Balaghs H.C passed a resolution of sincere sympathy with the O'Connor brothers and family on the death of their father.

CENTRAL BANK APPOINTMENT

LOCAL LADY'S SUCCESS.

It is with much pleasure we learn of the appointment of a young local lady, in the person of Miss June Deasy, second daughter of Garda Michael and Mrs. Deasy, Shandon House, Dungarvan, to the Central Bank.

It will be recalled that Miss Deasy, who is a brilliant pupil of the Mercy Convent, Dungarvan, had the honour of winning the Earl of Cork scholarship in 1942. Congratulations are again extended to Miss Deasy and to this excellent school of zealous teachers.

Football Tit-Bit.—A rare treat is in store for big ball devotees when Cork meet Tipp in the Munster S.F. championship semi-final at Dungarvan on Sunday week, June 24th.

DUNGARVAN DISTRICT COURT

At the Dungarvan District Court, before Mr. J. S. Troy, D.J.,

Mr. T. C. Williams was granted two special exemption orders on behalf of Mrs. N. Monahan, Ocean View Motel, for the nights of June 17th and 24th.

An occasional licence was granted to P. I. Power, O'Connell St., for the Literary Club dance on June 27th. Mr. T. C. Williams made the application.

Mr. L. F. Lanigan, on behalf of the Golf Club, was granted an extension of the licensing hours for June 17th.

A number of persons were summoned for having unlicensed dogs, and fines of 40/- (mitigated to 20/- or 10/-) were imposed, while other summonses were disposed of under the P.O.A.

Traffic Obstruction.—Guard Deasy summoned Ellen Cliffe, Knockaun, Cappagh, for tying a pony and cart to a pole and obstructing the traffic. Fined 10/-. Walter Donovan, Ballinameela, Cappagh, was fined 10/- for a similar offence. Guard Burke summoned Patk. Harney, Graiguerush, Kilmacthomas, for a similar offence. Defendant said he did not think it made any difference. The P.O.A. was applied.

U.D.C. v. McCarthy.—S. J. Moynihan, Manager, Dungarvan U.D.C., summoned Augustine McCarthy, of New Lane, under the Towns Improvement Clauses Act, 1847. The summons was in respect of a house at New Lane, which defendant refused to repair, take down or secure in accordance with a notice served under Section 75 of the Act.

Mr. T. C. Williams, solr., for the U.D.C., said defendant was living in England for a considerable time and his brother-in-law, Michl. Ahearne, acted as his agent. James Mountain had been a tenant of the house during Feb., 1944, when the notice had been served on him and on Michael Ahearne. Mr. Mountain left the house and he (Mr. Williams) had now been instructed to serve the summons to enable the Urban Council to enter the house and make it safe. The Council had not power to enter unless an order had been got from the court.

T. Foley, process server, gave evidence of serving the summons personally on March 23rd on Ml. Ahearne and on the same day putting the posters on the door.

Mr. J. Ormonde, acting B.S., said the notice was served on Feb. 10, 1944, but nothing had been done in the matter. Witness had examined the house recently and it was in a very dangerous condition.

Justice — Have you proved the ownership?

Witness—I took it that Augustine McCarthy is the owner. From Michl. Ahearne and the tenant we discovered who the owner is. We are satisfied that McCarthy is the owner.

The Justice made the order to take down the building within one month.

Selling Timber Above Controlled Price.—Supt. P. O'Mahony charged A. Sheehan, Ballinroad; Augustine Leahy, Coolagh Road; Desmond O'Mahony, do., and John Tobin, Ballinroad, with selling timber above the controlled price. Mr. P. J. Morrissey, solr., defended, and stated that all the defendants admitted the offence.

Supt. O'Mahony said the defendants cut firewood and sold it at so much per load. When the wood was weighed by Sergt. Liddane it was found that the price was far in excess of that allowed by the Order. "It is only fair to say," said the Supt., "that the people who bought it were glad to get it, as wood was very scarce at the time."

To the Justice, the Supt. said the price charged by Sheehan was 25/- for 7 cwt. The controlled price is 2/- per cwt.

Sergt. Liddane said that on the 15th March last John Tobin offered timber for sale to the Church Street (Literary) Club for 25/-. There were 7 cwt. in the load of timber. The timber was cut in 6 inch pieces, suitable for grates. It was much shorter than the usual stuff sold about the town, and it required twice the usual cutting. "I don't think," added the witness, "that they are making very much profit on it."

To Mr. Morrissey, witness said he understood that the wood had to be brought from Mahon Bridge.

The P.O.A. was applied in all four cases.

Larceny of Timber.—Superintendent O'Mahony charged Wm. Walsh, 52, Loughmore; Richard Carlton, Brigid Street, and Michael Drohan, Davis Street, on two counts, with the larceny of timber, and Patk. Drohan, Davis Street, with receiving the timber, knowing it to have been stolen from Mr. Lynch. The charges were (1) Stealing timber from Mr. Lynch, Ballyduff, valued at 30/-, and (2) stealing paling posts from Mr. C. Dempsey, Shandon, valued 30/-. Mr. P. J. Morrissey, solr., appeared for Ml. Drohan, Rd. Carlton and Patrick Drohan, who pleaded guilty. Walsh also pleaded guilty.

Supt. O'Mahony said that Michael Drohan, Walsh and Carlton had taken the timber from a private wood belonging to Mr. Lynch. "It is bad enough to go out and cut and take the timber from a farmer," said Supt. O'Mahony, "but when a farmer has to slave cutting it and then wake up some morning and find it gone, it is far worse." Continuing, Supt. O'Mahony said that in the other case the defendants took palings which were used to protect cattle from falling into the quarry at Shandon. "Something must be done about this stealing of timber," said the Supt., "and if it isn't, I am afraid that the farmers will take the law into their own hands to protect themselves." The Supt. added that Walsh had been before the Court before for larceny and had been sentenced to 2 months, the sentence not to be enforced if he conducted himself. Michl. Drohan had been before the Court on four occasions and had been given two months for larceny.

Mr. Morrissey said that Patrick Drohan was trying to get to England, but there was a difficulty over the passport. Mr. Lanigan, solr., was looking into the matter. Carlton was in a similar position.

Patrick Drohan said that he had a better chance to get to England now as his father had a house there.

Sergt. Liddane said Paddy Drohan was the ringleader, and on Friday night intimidated young Carlton.

The Justice said he would adjourn the cases to the next Court. Regarding the amount of damages, the D.J. fixed the amount at £4, to be paid before the next Court.

DUNGARVAN URBAN COUNCIL

Mr. Thos. McCarthy, Chairman, presided at the fortnightly meeting of the above on Friday last. Also present Messrs. L. A. Veale, Vice-Chairman; P. O'Dwyer, John McGrath, Ml. Clancy and Senator J. Butler.

Polling Districts and Places.—The Secretary, Co. Council, wrote forwarding scheme adopted by the Co. Council and the Department of Local Government and Public Health.

Compulsory Purchase Order. Messrs J. F. Williams and Son, Council's Solrs., wrote forwarding a resolution re the above for adoption by the Council.

Senator Butler referring to this order adopted at last meeting said that since then a case had been brought to his notice—that of Mr. John Daniels Main Street. Mr. Daniels had paid £60 plus costs of transfer for some grounds and a house at Sarsfield Street, which the Council now propose to acquire. The Council's best offer for this ground was £20. This is a great hardship on this owner and he (speaker) felt that the Council should have further information as to the offers made by the Council for different sites prepared to be acquired.

The Clerk stated that negotiations for purchase were dealt with by the solicitors and the engineer and he (Clerk) was not in a position to give the members any more information as to the different offers made than those given at last meeting.

After some more discussion it was agreed that the adoption of the resolution be deferred to next meeting of the new Council when information as to offers should be given to this meeting.

Letting Agreements.—Agreements for letting of the plot of ground at the Bridge to Mr. Patrick F. Ryan, Main Street, and the lease of Abbeyside Park to Mrs. Minnie Griffin were sealed in the presence of the Council and signed by the Chairman.

Sub-letting of Houses.—Mr. Veale inquired if a letter had been received from the Department in connection with sub-letting of Council houses.

The Clerk read the letter which stated the Co. Manager had made representations to the Department in this regard. The Manager had stated that in the main, sub-lettings of Council houses were made to relatives of tenants, who, owing to the great housing shortage were unable to obtain alternative accommodation. It had been pointed out to the Department that those people had no other place to live in and that a great hardship would be caused to insist that sub-letting should cease.

The members agreed with the Manager's representation and agreed to pass a resolution if necessary, to strengthen the case.

Repairs.—Attention was called by members to repairs needed to the lane at Coolagh, to sea bathing wall at Quanns, which is being undermined and to No. 15, Loughmore.

Referred to Borough Surveyor.

Water Services.—Senator Butler referred to the fact that some years ago in the time of the late Borough Surveyor, representations had been made to him not to insist on the byelaws with regard to water services to houses being rigidly enforced owing to the shortage and price of plumbing materials.

Senator Butler stated the case of Mr. M. J. Scanlan, Mary St. where a new footpath is to be laid down and it was insisted that Mr. Scanlan should lay on new services to all his houses there.

Mr. Ormonde's report on the matter, read by the Clerk, stated it would be cheaper on Mr. Scanlan to do the work now than to wait to a later date which would mean breaking up the new paths. The County Manager had concurred in this view.

The matter was discussed at some length and it was ordered that the Council's protest should be conveyed to the Manager. It was the opinion of the members that the laying of a length of sewer pipe to each door of Mr. Scanlan's houses should meet the case for the present.

Acknowledgments.—Letters thanking the Council for resolutions of sympathy passed to them were read from Mrs. Mackey, Youghal Road; Mrs. O'Donnell, do.; Mr. Hahessy Rathgormack; Ml. Donnelly Sarsfield St., Abbeyside; and Mrs. Mary Egan, Egan's Hotel.

Sympathy.— Votes of sympathy were passed with the relatives of the late Augustine Young, Abbeyside; to Mrs. McEvoy, Abbeyside, on the death of her brother and to the relatives of the late Miss Bridget Flynn, Square, Dungarvan.

Messrs. C. F. Carri & Son, auctioneers, Clonmel, have disposed of the property known as Glenbeg House, Dungarvan, for £3,400. Messrs. E. A. Ryan & Co., solicitors, Dungarvan, had carriage of the sale.

HADDENS

W. & G. HADDEN, LTD.——DUNGARVAN.

THE LATE MRS. M. HACKETT, THE BEECHES, DUNGARVAN.

With profound regret we record the news of the death of Mrs. Mary Hackett, The Beeches, Dungarvan, which took place at her residence on Sunday last, 10th inst. The death of one who was held in such high esteem by all who knew her came as a severe shock, although the late Mrs. Hackett had been in ill health for some years, and her passing was all the more poignant by reason of the fact that her life was spent in extending the hand of friendship and generosity to all who needed it. The deceased was one of the most popular ladies in the county, and her popularity was expressed by the number of people who came to pay their last respects. It is no exaggeration to say that her many works of charity to all who came were given with that generosity and unselfishness so typical of the Hackett family. Of the late Dr. J. C. Hackett sufficient can never be said. He went through life giving succour and sympathy to all those who needed it, at personal disregard to his own comforts.

His wife carried on that grand tradition and actually made a hobby of helping the needy. Her passing severs the last life link of a chain woven together by a family widely loved and respected, but her memory will remain evergreen for many years in the minds of those who had the privilege of knowing her.

The remains were removed to St. Mary's Parish Church, Dungarvan, on Monday evening, where they were received by Very Rev. T. Canon O'Brien, P.P., V.F., assisted by Rev. T. B. Walsh, P.P., St. Patrick's, Waterford and Rev. J. Corbett, C.C., Dungarvan.

On Tuesday morning Solemn Requiem Office and High Mass was celebrated and the interment took place in the family plot in the adjoining graveyard in the presence of a large number of mourning relatives and friends.

The chief mourners were: Kathlyn, Ann, Bobbie (daughters); Dr. McCarthy and Lieut. J. F. O'Connell (sons-in-law); John, Bernard, Michael, Francis, Donal, Kiernan, and Marie McCarthy (grand-children); Nina, Ann and Derek O'Connell (grand-children); Mrs. Hyde and Mrs. Judge (nieces); Willie and John Hyde (grand nephews); Louri Hyde (grand-niece); Mrs. Cullinane, Miss Wall, Miss Kitty Cullinane, Michael Cullinane, Jack Wall, Willie Wall (relatives).

TIPPERARY'S DOUBLE AT FERMOY.

Tipperary scored a double at Fermoy on Sunday when they beat Waterford by 3-6 to 0-3 in the first round of the Munster Senior Hurling championship, and by 6-8 to 3-4 in the minor championship.

Despite the big margin in the senior match, the game was very well contested and Waterford's misfortune was due principally to the retirement through injury of their star goalman, Jim Ware, who also played in that position for Munster in the Railway Cup. Ware was injured early in the game but continued to play so brilliantly up to half-time that Tipperary had failed to score against him. Then during the interval he collapsed and had to be medically treated, being unable to resume. He was replaced by T. O'Sullivan (Army), who, however, gave a good display. The retirement of Ware had its effect on the morale of the team, for the players never seemed to play with the same dash as in the first half and Tipperary went on to win much easier than was expected. Mickey Landers (Dungarvan), fielded out in place of Andy Fleming (Mt. Sion), who had cried off owing to injury.

In the first half, Waterford played with wind and sun, and had the better of exchanges, but were only able to score two points per Moylan and Baston, while Tipp failed to register. During this half Jim Ware in the Waterford goal made some magnificent clearances. In the second half W. Barron had Waterford's solitary point while Tipp scored 3-6 to win comfortably.

In the minor game Roche, Phelan, Wade and O'Connor were best for Waterford.

WATERFORD COUNTY COUNCIL

FINAL MEETING OF OLD COUNCIL.

Senator J. Butler (Chairman) presided at a special meeting of the above, at Dungarvan, on last Monday. Also present: Messrs. L. A. Veale, W. Terry, Ml. McGrath, Ml. Harty, D. Coghlan, P. R. Power, D. Heskin, T.D., R. Foran, W. Dower. The Co Manager (Mr. S. J. Moynihan), the Co. Secretary (Mr. J. G. Dowling), and the acting Co. Surveyor (Mr. D. S. Doyle) were also present.

TYPHOID ALLEGATION REFUTED

Arising from the minutes, the Co. Manager said that in connection with the application for a water supply for Four-Mile-Water, made at the last meeting, he had asked the Co. M.O.H. for a report regarding the allegation that the water had been responsible for an outbreak of typhoid fever in that area. The report from Dr. O'Farrell (read by the Co. Manager) was to the effect that only two cases of typhoid—a mother and her son—had occurred in this area within the past ten years, and investigation showed that the infection had not been caused by the water supply. The report added that it would appear very probable that the infection occurred outside the county.

Mr. Doyle said that Mr Delany had made a statement at the last meeting that the well at Ardfadden, surrounded by a wall, had been condemned by three doctors. "I want to make it clear," said Mr. Doyle, "that the water was not condemned by even one doctor, not alone three." Mr. Doyle then went on to say that the procedure regarding the well had been properly followed, and quoted minutes from meetings of the Board of Health in 1938. It was stated in the minutes that following an inspection of the water the order of the Board was that it be referred to the engineer for a report. The engineer (Mr. Doyle) reported that a sample of the water had been sent for analysis. The analyst's report was that the sample of water was suitable for use as drinking water. After that, said Mr. Doyle, the wall was built around it.

In a further report Mr. Doyle stated: I have looked into the question of a water supply for the list of applicants whose names were submitted by Mr. Delany, after the last meeting. Mr. Delany's list contains about the same number of names as that previously submitted by Mr. Connolly, so that there is no difference in the scope and extent of both applications. The particulars given in my report of the 5th ult. concerning Mr. Connolly's application apply equally in the case of Mr. Delany's application. I have had an opportunity of examining the well referred to by Mr. Delany at the Co. Council meeting. There are three wells and they are situated on the lands of Mr M. Dwan. This is a matter of no importance, as the water from these wells, like that from other wells and outcropping springs on the hillside, eventually form the streams that cross the main road through gulleys and bridges. Obviously the correct place to measure the water output is at or convenient to the road crosses. As already pointed out, it is my opinion that during dry periods there will not be sufficient water from these sources to meet the needs of the scheme required by either Mr. Connolly's or Mr. Delany's applications. But of course this is a question which can only be determined definitely by measurement during the late autumn—which is the time of year when all springs are at their lowest.

The position, therefore, is that nothing further can be done until the autumn measurements of the water are made.

The Chairman said that they had a report from the County M.O.H. and Mr. Doyle, and he would suggest that copies of these reports be sent to Mr. Delany and Mr. Connolly.

Mr. Power—That would be the proper course.

Mr. McGrath—It's a consolation for the people there to know that the water was not the cause of the typhoid.

Mr. Veale said there was a need for water supplies in a number of places, and in his opinion there should be one big scheme for every place like the rural electrification scheme.

It was agreed to send copies of the reports to Mr. Delany and Mr. Connolly.

Working on Church Holydays.—When told by the County Manager that he had made an order in the matter, Mr. Veale did not move a resolution asking that the observance of church holydays as holidays with pay by the clerical staff of the Council be applicable to the other employees of the Council.

Bonus.—Replying to the Chairman regarding the question of maximum bonus raised at the last meeting as based on the agricultural wage, the County Manager said that in some counties it was greater and in other counties smaller.

Mr. Heskin—If you give a contract to a contractor for work in the Co. Council, does his case come within the scope of that order?

Co. Manager—I would not say so.

Mr. Heskin—It is in operation in Youghal. Some months ago I had an application from the workers on the Killeagh sewerage scheme to make representation for them for the bonus. I made representation to the Department of Public Health and they told me it was a matter for the contractor and that the bonus was in operation within eight miles of Youghal. Killeagh is in that area. I had no word from them since. I don't know if they had been paid it or not.

Co. Manager—It is a matter between the contractor and workers. We, the Council, of course, accept the lowest tender. The Council's workmen got the bonus, based on the agricultural rate. They are not entitled to a bonus over that.

Mr. Heskin said that in the case of the Killeagh workers applied also to the workers at military posts. He thought it unfair that the order should apply to some areas and not to other ones. It should apply to all areas.

Mr. Veale said that there should be a provision in every contract that the contractor pay T.U. wages.

The Co. Manager said that he understood the contractor paid the rate in operation in the area; he paid the standard rate.

NEW TIME IN RURAL AREAS.

Mr. Harty said that he had seen children travel from three to four miles to school in Dungarvan, whose families went by old time and they had to get up in the dark at seven, and go out in rain or snow. He thought it very unfair to ask these children who, in their homes went by old time, to travel to the school in Dungarvan by new time. The new time should be abolished in the winter.

Mr. Veale said that a recent commission advocated, after making inquiries into the matter, that there should be a return to the real old time.

Mr. Coghlan said it was a hardship on children to have to go to school at least three quarters of an hour before the time.

After further discussion Mr. Harty who had a resolution of protest in the matter did not move the resolution.

THANKS ALL ROUND.

The Chairman referred to the fact that it would be the final meeting of the Council and said that since the day three years ago when the members elected him Chairman of the Council he had the greatest co-operation from each and every one of them. Every one of the members had made the position of Chairman an easy one and a pleasure to fill. While they had been there they had done their best for every section of the people. If the next Co. Council get a body of men as conscientous and as capable of looking after the interests of the ratepayers as this Council had been they would be lucky. "I thank every member of the Council," continued the Chairman, "for the help and co-operation they have given me throughout my term of office. It was a pleasure to sit and listen to the discussions and to the members of the Council I want to say, 'thank you.'"

Mr. P. R. Power (who is not seeking re-election) paid tribute to Senator Butler for his impartiality as Chairman.

Mr. Heskin also paid tribute to the Chairman and said he had given the greatest satisfaction so that no member could say that there was any ill-feeling or regret been taken away. Mr. Heskin also paid tribute to the officials.

Mr. Foran, who is not seeking re-election, also said that he always found the Chairman to be very impartial. "It is my personal opinion that in the way we have got on together a good case has been made for the Managerial system. To my mind it would have been impossible to carry on without the Manager. We got the greatest co-operation from him and I think it would have been much more beneficial if we got the same co-operation from the Departments in Dublin."

Mr. Veale said it was a pleasure to come to the meetings which had been conducted by the Chairman in a very impartial manner. He also thanked the Manager.

Mr. Harty, also returning thanks, said that the new Council had come in at a difficult time in the history of public administration, as it was the first time that the Managerial System had been put in operation, added to it was the death of the Co. Surveyor and the vacancy of the Co. Secretaryship. It was an unique position for a public body, but they had got through their duties very well.

Messrs. Dower, Terry, McGrath, Coghlan and Keating also spoke and endorsed the remarks of the previous speakers.

The Co. Manager also paid tribute to the impartiality of the Chairman. "I must say," he continued, "that this Council gave me every assistance and co-operation to enable me to carry out the rather difficult job of the change over of the systems."

The Chairman replying, said that he always tried to please each and every member of the Council. He thanked the members for their remarks.

OTHER BUSINESS.

An Taoisearh wrote thanking the Council for their congratulatory message.

Mr. N. Barron, BL., wrote on behalf of the relatives of the late Archbishop Sheehan thanking the members for their resolution of sympathy.

The Co. Secretary told Mr. Harty that so far no answer had been received to the Council's request that the minefield at Helvick be swept.

WEST DIVISION G.A.A. NOTES

By "AN RUNAIDHE."

At Aglish.—Clashmore meet Blackwater Rovers at Aglish on Sunday. The Rovers are favourites as is to be expected. Paddy Morrissey's team is fit and well. Charlie Curran is satisfied that Clashmore will do well. He says "the unexpected happens sometimes and Sunday may prove this." Declan O'Sullivan will be in charge of the whistle.

At Ballinamult.—The replay of the junior hurling game, Modeligo v. Touraneena, at Ballinamult will attract a record crowd on Sunday. Great rivalry exists between these neighbours and Sunday's contest will provide a great attraction.

A Complaint.—A writer (J. O'D., Dungarvan) asks me to draw attention to the lack of supervision and attendance on the minor hurlers at Fermoy. He says that when a minor was injured there was only one selector who went to his aid and no medical aid was available. Not being present I can't say if this is true but as I am informed that the matter will come up at the next Co. Board meeting I see no harm in publishing it.

Defeat.—The defeat of Waterford has caused much head shaking. May I say this—In my opinion the selectors only deserve the blame. Anyone who has any idea of the principles of team building will agree that the Four County League was not availed of. When will our selectors realise that youth will be served.

Sympathy.— Fraigh-a-Balaghs H.C passed a resolution of sincere sympathy with the O'Connor brothers and family on the death of their father.

CENTRAL BANK APPOINTMENT

LOCAL LADY'S SUCCESS.

It is with much pleasure we learn of the appointment of a young local lady, in the person of Miss June Deasy, second daughter of Garda Michael and Mrs. Deasy, Shandon House, Dungarvan, to the Central Bank.

It will be recalled that Miss Deasy, who is a brilliant pupil of the Mercy Convent, Dungarvan, had the honour of winning the Earl of Cork scholarship in 1942. Congratulations are again extended to Miss Deasy and to this excellent school of zealous teachers.

Football Tit-Bit.—A rare treat is in store for big ball devotees when Cork meet Tipp in the Munster S.F. championship semi-final at Dungarvan on Sunday week, June 24th.

DUNGARVAN DISTRICT COURT

At the Dungarvan District Court, before Mr. J. S. Troy, D.J.,

Mr. T. C. Williams was granted two special exemption orders on behalf of Mrs. N. Monahan, Ocean View Hotel, for the nights of June 17th and 24th.

An occasional licence was granted to P. I. Power, O'Connell St., for the Literary Club dance on June 27th. Mr. T. C. Williams made the application.

Mr. L. F. Lanigan, on behalf of the Gelt Club, was granted an extension of the licensing hours for June 17th.

A number of persons were summoned for having unlicensed dogs, and fines of 40/- (mitigated to 20/- or 10/-) were imposed, while other summonses were disposed of under the P.O.A.

Traffic Obstruction.—Guard Deasy summoned Ellen Cliffe, Knockaun, Cappagh, for tying a pony and cart to a pole and obstructing the traffic. Fined 10/-. Walter Donovan, Ballinameela, Cappagh, was fined 10/- for a similar offence. Guard Burke summoned Patk. Harney, Graiguerush, Kilmacthomas, for a similar offence. Defendant said he did not think it made any difference. The P.O.A. was applied.

U.D.C. v. McCarthy.—S. J. Moynihan, Manager, Dungarvan U.D.C., summoned Augustine McCarthy, of New Lane, under the Towns Improvement Clauses Act, 1847. The summons was in respect of a house at New Lane, which defendant refused to repair, take down or secure in accordance with a notice served under Section 75 of the Act.

Mr. T. C. Williams, solr., for the U.D.C., said defendant was living in England for a considerable time and his brother-in-law, Michl. Ahearne, acted as his agent. James Mountain had been a tenant of the house during Feb., 1944, when the notice had been served on him and on Michael Ahearne. Mr. Mountain left the house and he (Mr. Williams) had now been instructed to serve the summons to enable the Urban Council to enter the house and make it safe. The Council had not power to enter unless an order had been got from the court.

T. Foley, process server, gave evidence of serving the summons personally on March 23rd on Ml. Ahearne and on the same day putting the posters on the door.

Mr. J. Ormonde, acting B.S., said the notice was served on Feb. 10, 1944, but nothing had been done in the matter. Witness had examined the house recently and it was in a very dangerous condition.

Justice — Have you proved the ownership?

Witness—I took it that Augustine McCarthy is the owner. From Michl. Ahearne and the tenant we discovered who the owner is. We are satisfied that McCarthy is the owner.

The Justice made the order to take down the building within one month.

Selling Timber Above Controlled Price.—Supt. P. O'Mahony charged A. Sheehan, Ballinroad; Augustine Leahy, Coolagh Road; Desmond O'Mahony, do., and John Tobin, Ballinroad, with selling timber above the controlled price. Mr. P. J. Morrissey, solr., defended, and stated that all the defendants admitted the offence.

Supt. O'Mahony said the defendants cut firewood and sold it at so much per load. When the wood was weighed by Sergt. Liddane it was found that the price was far in excess of that allowed by the Order. "It is only fair to say," said the Supt., "that the people who bought it were glad to get it, as wood was very scarce at the time."

To the Justice, the Supt. said the price charged by Sheehan was 25/- for 7 cwt. The controlled price is 2/- per cwt.

Sergt. Liddane said that on the 15th March last John Tobin offered timber for sale to the Church Street (Literary) Club for 25/-. There were 7 cwt. in the load of timber. The timber was cut in 6 inch pieces, suitable for grates. It was much shorter than the usual stuff sold about the town, and it required twice the usual cutting. "I don't think," added the witness, "that they are making very much profit on it."

To Mr. Morrissey, witness said he understood that the wood had to be brought from Mahon Bridge.

The P.O.A. was applied in all four cases.

Larceny of Timber.—Superintendent O'Mahony charged Wm. Walsh, 52, Loughmore; Richard Carlton, Brigid Street, and Michael Drohan, Davis Street, on two counts, with the larceny of timber, and Patk. Drohan, Davis Street, with receiving the timber, knowing it to have been stolen from Mr. Lynch. The charges were (1) Stealing timber from Mr. Lynch, Ballyduff, valued at 30/-, and (2) stealing paling posts from Mr. C. Dempsey, Shandon, valued 30/-. Mr. P. J. Morrissey, solr., appeared for Ml. Drohan, Rd. Carlton and Patrick Drohan, who pleaded guilty. Walsh also pleaded guilty.

Supt. O'Mahony said that Michael Drohan, Walsh and Carlton had taken the timber from a private wood belonging to Mr. Lynch. "It is bad enough to go out and cut and take the timber from a farmer," said Supt. O'Mahony, "but when a farmer has to slave cutting it and then wake up some morning and find it gone, it is far worse." Continuing, Supt. O'Mahony said that in the other case the defendants took palings which were used to protect cattle from falling into the quarry at Shandon. "Something must be done about this stealing of timber," said the Supt., "and if it isn't, I am afraid that the farmers will take the law into their own hands to protect themselves." The Supt. added that Walsh had been before the Court before for larceny and had been sentenced to 2 months, the sentence not to be enforced if he conducted himself. Michl. Drohan had been before the Court on four occasions and had been given two months for larceny.

Mr. Morrissey said that Patrick Drohan was trying to get to England, but there was a difficulty over the passport. Mr. Lanigan, solr., was looking into the matter. Carlton was in a similar position.

Patrick Drohan said that he had a better chance to get to England now as his father had a house there.

Sergt. Liddane said Paddy Drohan was the ringleader, and on Friday night intimidated young Carlton.

The Justice said he would adjourn the cases to the next Court. Regarding the amount of damages, the D.J. fixed the amount at £4, to be paid before the next Court.

DUNGARVAN URBAN COUNCIL

Mr. Thos. McCarthy, Chairman, presided at the fortnightly meeting of the above on Friday last. Also present Messrs. L. A. Veale, Vice-Chairman; P. O'Dwyer, John McGrath, Ml. Clancy and Senator J. Butler.

Polling Districts and Places.—The Secretary, Co. Council, wrote forwarding scheme adopted by the Co. Council and the Department of Local Government and Public Health.

Compulsory Purchase Order. Messrs J. F. Williams and Son, Council's Solrs., wrote forwarding a resolution re the above for adoption by the Council.

Senator Butler referring to this order adopted at last meeting said that since then a case had been brought to his notice—that of Mr. John Daniels Main Street. Mr. Daniels had paid £60 plus costs of transfer for some grounds and a house at Sarsfield Street, which the Council now propose to acquire. The Council's best offer for this ground was £20. This is a great hardship on this owner and he (speaker) felt that the Council should have further information as to the offers made by the Council for different sites prepared to be acquired.

The Clerk stated that negotiations for purchase were dealt with by the solicitors and the engineer and he (Clerk) was not in a position to give the members any more information as to the different offers made than those given at last meeting.

After some more discussion it was agreed that the adoption of the resolution be deferred to next meeting of the new Council when information as to offers should be given to this meeting.

Letting Agreements.—Agreements for letting of the plot of groune at the Bridge to Mr. Patrick F. Ryan, Main Street, and the lease of Abbeyside Park to Mrs. Minnie Griffin were sealed in the presence of the Council and signed by the Chairman.

Sub-letting of Houses.—Mr. Veale inquired if a letter had been received from the Department in connection with sub-letting of Council houses.

The Clerk read the letter which stated the Co. Manager had made representations to the Department in this regard. The Manager had stated that in the main, sub-lettings of Council houses were made to relatives of tenants, who, owing to the great housing shortage were unable to obtain alternative accommodation. It had been pointed out to the Department that those people had no other place to live in and that a great hardship would be caused to insist that sub-letting should cease.

The members agreed with the Manager's representation and agreed to pass a resolution if necessary, to strengthen the case.

Repairs.—Attention was called by members to repairs needed to the lane at Coolagh, to see bathing wall at Quanns, which is being undermined and to No. 15, Loughmore.

Referred to Borough Surveyor.

Water Services.—Senator Butler referred to the fact that some years ago in the time of the late Borough Surveyor, representations had been made to him not to insist on the byelaws with regard to water services to houses being rigidly enforced owing to the shortage and price of plumbing materials.

Senator Butler stated the case of Mr. M. J. Scanlan, Mary St. where a new footpath is to be laid down and it was insisted that Mr. Scanlan should lay on new services to all his houses there.

Mr. Ormonde's report on the matter, read by the Clerk, stated it would be cheaper on Mr. Scanlan to do the work now than to wait to a later date which would mean breaking up the new paths. The County Manager had concurred in this view.

The matter was discussed at some length and it was ordered that the Council's protest should be conveyed to the Manager. It was the opinion of the members that the laying of a length of sewer pipe to each door of Mr. Scanlan's houses should meet the case for the present.

Acknowledgments.—Letters thanking the Council for resolutions of sympathy passed to them were read from Mrs. Mackey, Youghal Road; Mrs. O'Donnell, do.; Mr. Hahessy Rathgormack; Ml. Donnelly Sarsfield St., Abbeyside; and Mrs. Mary Egan, Egan's Hotel.

Sympathy.— Votes of sympathy were passed with the relatives of the late Augustine Young, Abbeyside; to Mrs. McEvoy, Abbeyside, on the death of her brother and to the relatives of the late Miss Bridget Flynn, Square, Dungarvan.

Messrs. C. F. Carri & Son, auctioneers, Clonmel, have disposed of the property known as Glenbeg House, Dungarvan, for £3,400. Messrs. E. A. Ryan & Co., solicitors, Dungarvan, had carriage of the sale.

HADDENS

W. & G. HADDEN, LTD. DUNGARVAN.

THE LATE MRS. M. HACKETT, THE BEECHES, DUNGARVAN.

With profound regret we record the news of the death of Mrs. Mary Hackett, The Beeches, Dungarvan, which took place at her residence on Sunday last, 10th inst. The death of one who was held in such high esteem by all who knew her came as a severe shock, although the late Mrs. Hackett had been in ill health for some years, and her passing was all the more poignant by reason of the fact that her life was spent in extending the hand of friendship and generosity to all who needed it. The deceased was one of the most popular ladies in the county, and her popularity was expressed by the number of people who came to pay their last respects. It is no exaggeration to say that her many works of charity to all who sought were given with that generosity and unselfishness so typical of the Hackett family. Of the late Dr. J. C. Hackett sufficient can never be said. He went through life giving succour and sympathy to all those who needed it, at personal disregard to his own comforts.

His wife carried on that grand tradition and actually made a hobby of helping the needy. Her passing severs the last life link of a chain woven together by a family widely loved and respected, but her memory will remain evergreen for many years in the minds of those who had the privilege of knowing her.

The remains were removed to St. Mary's Parish Church, Dungarvan, on Monday evening, where they were received by Very Rev. T. Canon O'Brien, P.P., V.F., assisted by Rev. T. B. Walsh, P.P., St. Patrick's, Waterford and Rev. J. Corbett, C.C., Dungarvan.

On Tuesday morning Solemn Requiem Office and High Mass was celebrated and the interment took place in the family plot in the adjoining graveyard in the presence of a large number of mourning relatives and friends.

The chief mourners were: Kathlyn, Ann, Bobbie (daughters); Dr. McCarthy and Lieut. J. F. O'Connell (sons-in-law); John, Bernard, Michael, Francis, Donal, Kiernan, and Marie McCarthy (grand-children); Nina, Ann and Derek O'Connell (grand-children); Mrs. Hyde and Mrs. Judge (nieces); Willie and John Hyde (grand nephews); Louri Hyde (grand-niece); Mrs. Cullinane, Miss Wall, Miss Kitty Cullinane, Michael Cullinane, Jack Wall, Willie Wall (relatives).

TIPPERARY'S DOUBLE AT FERMOY.

Tipperary scored a double at Fermoy on Sunday when they beat Waterford by 3-6 to 0-3 in the first round of the Munster Senior Hurling championship, and by 6-8 to 3-2 in the minor championship.

Despite the big margin in the senior match, the game was very well contested and Waterford's misfortune was due principally to the retirement through injury of their star goalman, Jim Ware, who also played in that position for Munster in the Railway Cup. Ware was injured early in the game but continued to play so brilliantly up to half-time that Tipperary had failed to score against him. Then during the interval he collapsed and had to be medically treated, being unable to resume. He was replaced by T. O'Sullivan (Army), who, however, gave a good display. The retirement of Ware had its effect on the morale of the team, for the players never seemed to play with the same dash as in the first half and Tipperary went on to win much easier than was expected. Mickey Landers (Dungarvan), fielded out in place of Andy Fleming (Mt. Sion), who had cried off owing to injury.

In the first half, Waterford played with wind and sun, and had the better of exchanges, but were only able to score two points per Moylan and Baston, while Tipp. failed to register. During this half Jim Ware in the Waterford goal made some magnificent clearances. In the second half W. Barron had Waterford's solitary point while Tipp scored 3-6 to win comfortably.

In the minor game Roche, Phelan, Wade and O'Connor were best for Waterford.

LATE MRS. KATE FLYNN, HOME RULE ST., ABBEYSIDE.

The death took place at her residence on Tuesday last of Mrs. Kate Flynn, Home Rule Street. The deceased, widow of the late Michael Flynn, was endowed with a kind and charitable disposition and was a most exemplary Catholic lady, who during life won the respect and admiration of all whose pleasure it was to have known her. To her bereaved daughter, Mrs. John Joe Clancy we join with her legion of friends intending deep sympathy in her bereavement.

A large and representative attendance followed the remains to the Parish Church, Abbeyside, on Wednesday evening, where on arrival the coffin was blessed by Rev. Fr. Power, C.C., who recited the prayers for the dead. On Wednesday and Thursday mornings Masses of Requiem for the happy repose of her soul were celebrated and interment was made on Thursday in the family plot adjoining the Church in the presence of another large gathering of mourners, relatives and friends.

FROM FAHA TO FAME

By "Q."

Heretofore, outside of the regular dramatic profession the pleasing and enlightening work of the stage—rehearsing, acting, producing—seemed confined to colleges and schools or clubs and societies in urban areas. Rarely is there a local dramatic company in a rural or country community. So when I strolled one evening to the bucolic district of Faha and saw the players of the Faha Dramatic Society rehearse, it was an agreeable surprise, and for more than one reason, too, was it agreeable.

Here was material evidence not only of the young people's aspirations in the realm of the higher arts while at the same time they were taking up a hobby that was not only a pleasing pastime but really a profitable investment as well—an investment of one's time and attention that pays big dividends!

I can almost hear you say: "What! All farmers become actors, they'll make money at it. 'Twil pay them big dividends, eh? That certainly is a hot one, makes me laugh!"

But wait a minute—let me explain.

There is one thing everyone should have—(and some people have more than one, the more the merrier, perhaps)—and that's a hobby. No matter how pleasing our everyday work may be, it becomes monotonous, "stale, unprofitable and dull" occasionally, and then what? Do nothing! Oh no! Well tourn to, or at least think of something that's agreeable and interests us and get going on that. Faha thespians, for instance can go over their lines again, and again, you know, to be capable performers they must keep at it. It's a case of work, study, patience and then again more work, study, patience. A hobby, especially the dramatic kind not only develops your mentality but your patience as well. And patience is one of the greatest assets in work of any kind. Patience! nothing worth while is ever done without it. So the farmer who cultivates a hobby, I'll venture to say, is apt to get a far better yield from the field he cultivates than does the neighbour who has no hobby. The value we receive from schooling through hobbies cannot be estimated in pounds, shillings and pence.

Dungarvan! It will be the Faha Dramatic Society's most ambitious venture so far. According to Johnny Farrell, Dungarvan audiences are more critical than any to whom they have already played. "And," said Johnny, "if they go over good in Dungarvan, then they're fit for Dublin, then London and then Hollywood." Well, anything is possible. Maybe some day their slogan will be "From Faha to Fame."

CAPPOQUIN NOTES.

Appointment.— Two ex-members of the Cavalry Corps, the Curragh, have been appointed beach guards at Tramore. One of these is John Crotty of Barrack Street, Cappoquin. John is a magnificent swimmer and holds certificates of proficiency from the Army authorities. He is also an able exponent of G.A.A. games and is a member of the local club. We heartily congratulate him on his appointment and wish him every success.

Ordination.—Amongst students ordained at Thurles on Sunday was Rev. Cornelius Boyle, of Killimore, Co. Galway. Fr. Con is well known in Cappoquin, for while a student in Melleray he was a member of the Cappoquin junior hurling club and took part in many matches with the local team. We understand he is to visit Cappoquin in a few weeks time and he is assured of a right hearty welcome.

Ceilidhe Mor.—On Sunday night, June 17th, a ceilidhe mor will be held in the Boathouse in aid of the local hurling club. Splendid music will be provided by the Eire Instrumentalists Ceilidhe Band. Great preparations are being made for a successful night and a great night's amusement is anticipated.

Feast of the Sacred Heart.—Imposing scenes were witnessed at the Convent of Mercy in connection with the above Feast on Friday, 8th inst. After Mass in the Convent Chapel, the Blessed Sacrament was borne in procession round the Convent grounds and back again to the Altar. There was exposition of the Blessed Sacrament all day on Friday and Saturday which concluded on Sunday morning when another procession was held. Beautiful sacred hymns were sung by the processionists as they slowly wended their way round the grounds. The Boys' Brass and Reed Band was also in attendance. Following the procession, Solemn Benediction was given in the Convent Chapel. Large crowds of the faithful took part in the ceremonies, which were marked by the greatest reverence and devotion throughout.

Novice Sports in July.—The annual novice sports will be held on Sunday, July 15th, in the Sportsfield, under the N.A.C.A. rules. A fine programme has been planned out and some special features shall be the three miles cycle championship of Waterford and the 440 yards championships of Waterford.

Improvements to the Sportsfield.—It will be of interest to know that several improvements have been made to the Sportsfield by the members of the hurling club during the past week. These improvements include the extension of the lower end of the pitch by ten yards, also a thorough overhaul to the railings round the pitch and it is also intended, in the near future, to convert the present shed in the field into a suitable dressingroom. Those responsible for the improvements are Mr. P. McCarthy, President; Mr. E. Longergan, Chairman; Mr. P. Cunningham, Treas. and Hon. Sec.

Next Sunday's Big Match.—Now that the Sportsfield has been vastly improved, nothing has been left undone to have everything in perfect order for Sunday's senior hurling match between Cappoquin and Dungarvan. Great interest is centred in the game and a record crowd is expected.

Fianna Fail Meeting.—On Friday, 8th inst., a meeting in support of the Fianna Fail candidate for the Presidency, Mr. Sean T. O'Kelly, was held at the Square and addressed by Mr. P. J. Little, Minister for Posts and Telegraphs and Mr. M. Corry, Mr. T. Lincoln, N.T. presided.

Wedding Bells.—The wedding took place last Thursday, the 7th inst. at Mount Melleray Abbey of Mr. George Hely, son of the late Mr. and Mrs. Hely, the Medical Hall, Cappoquin, and Miss Katherine Troy, Dungarvan. The bridegroom is one of the most popular sportsmen in the town, while the bride a native of Clashmore, is equally popular in Dungarvan, where for some years past she has acted as a capable and courteous chemist in the establishment of Mr. W. J. Nolan, Main Street. Miss Rita Ducey was bridesmaid, while Mr. Richard O'Connor acted as best man. After the reception was held at Mount Melleray, the newly married couple left for Dublin where the honeymoon is being spent. Both were the recipients of numerous costly and useful presents.

N.A.C.A.—Last Sunday at Jinkilestown, Co. Kilkenny, our local cycling champion, Jimmy Foley, added yet another to his long list of successes. This was in the 5-mile (scratch), and although the opposition was very stiff, being made up of the cream of Ireland's cyclists, yet the issue was never in doubt. J. Lynch, Dublin, was second and J. Walsh, do., third.

Home Again.—During the past week a popular young townsman, Mr. Mick Kiely, has arrived home on a holiday. Being a member of the British Forces, Mick has held a risky and adventurous position for the past couple of years. He was a parachutist over Holland. Many most exciting adventures have been narrated by him. He is certainly looking fit and well. He left during the present week to rejoin his forces in England.

Margarine Ration.—The Minister for Supplies has made an order providing for the supply of margarine rations to holders of food ration cards and special ration books, issued on and after 16th June, 1945.

OBSEQUIES OF REV. MOTHER M. GONZAGA DOWLEY.

IMPRESSIVE TRIBUTES AT YOUGHAL.

The death of Rev. Mother M. Gonzaga Dowley, Presentation Convent of the Sacred Heart, Youghal, in the 51st year of her religious profession, which occurred in the Mercy Home, Cork, on June 6th, as announced in these columns last week, has caused widespread and sincere regret, not only in the locality where she laboured so efficiently for over half a century, but throughout the entire country.

A member of a well known and highly respected family, the Dowleys of Ballyknock, Carrick-on-Suir—which gave many distinguished sons and daughters to the Church—the deceased was elected Rev. Mother by the Youghal Community a little over five years ago, having been Assistant Rev. Mother and Bursar for almost thirty years. Last year she celebrated her golden jubilee quietly and the occasion was marked by widespread congratulations, including those of the present and past pupils, by whom she was beloved. Her death after an illness of very short duration has been a very great loss to the Community whom she guided as a true mother and who have been the recipients of numerous condolences in their very great bereavement.

The late Mother Gonzaga was a daughter of the late Mr. and Mrs. Philip Dowley, Ballyknock, Carrick-on-Suir, and sister of Rev. Michael Dowley, P.P., Ballyduff; Mother Cecilia, Convent of Mercy, Hull; Messrs. John Dowley, Ballyknock; Timothy Dowley, Kilmacthomas; Mrs. H. Coghlan, Greyfriars, Waterford; Mrs. Madigan, Graigue House, Windgap; and aunt of Rev. Philip Madigan, C.C., Templeoran; Messrs. James Coghlan, Manager, National Bank, Killybegs; Joseph Coghlan, Provincial Bank, New Ross; Philip A. Coghlan, National Bank, Killorglin; Michael Coghlan, Provincial Bank, Kilkenny; John Coghlan, Provincial Bank, Newry; John Madigan, Windgap; Rev. Bro. Martin, O.C., Mount Melleray; Philip Dowley and John Dunne, Waterford; Philip Dowley, Kilmacthomas; Philip Dowley, Fiddown, Kilkenny; Misses Kathleen and May Coghlan, Greyfriars, Waterford; Mrs. J. Colbert, Mrs. J. Dunne, Callan; Miss Queenie Madigan, Windgap, and Sister M. Cecilia, Convent of Mercy, Callan.

She was predeceased by three other brothers, Rev. Martin Dowley, P.P., Kilmeedan; Messrs. Philip and Thomas Dowley.

Mother Gonzaga was grand niece of the late Very Rev. Philip Dowley, C.M., who was Dean and Vice-President of Maynooth College before he joined the Congregation of the Mission founded by St. Vincent de Paul in 1634. Driven out of Ireland by Cromwell in 1651, the Vincentians were re-established in Ireland at Castleknock, at Phibsboro, and Sunday's Well, Cork, by Dean Dowley, who died at Castleknock College in 1364. He was highly esteemed by the Bishops of Ireland, by his colleagues in Maynooth, and in his Congregation.

GREAT DISTINCTION FOR STRADBALLY MAN.

At the election of member to the Veterinary Council which was held recently, a well-known local veterinarian, Mr. Louis N. Gleeson, Stradbally, was appointed as a general elected member to serve on the Council. The Veterinary Council in relation to the profession is analogous in function to the British Medical Council and the Irish Free State Medical Union. A general elected member of the Veterinary Council is an Irish Free State representative on the Council of the Royal College of Veterinary Surgeons and, as such, is obliged to occupy his seat on the Royal Council in London at each quarterly meeting. Mr. Gleeson's numerous friends throughout the county in which he carries on a large practice are glad that this young veterinary surgeon's abilities are already being recognised and they hope this is but the forerunner of many more his distinctions in the veterinary world.

The Cost of Living Index Number at mid May, 1945, was 292 (July 1914, 100), as compared with 295 at mid February, 1945, with 292 for mid May, 1944, and with 275 for mid May 1943.

KILMACTHOMAS NOTES.

As advertised, a dance in aid of Flahavan's Staff Benevolent Fund will be held at the Factory, Kilmacthomas, on to-morrow (Sunday) night, and the event bids fair to to prove a pronouncedly pleasurable social. "Busty" Griffin and and his Swing Aces Band, Waterford, will supply the music. Dancing from 9 o'clock to 3 a.m. (S.T.). Spot-prizes, raffles, etc. Cycle park on the premises.

A Large Circle of Friends in the district were grieved to learn of the death of Rev. Mother Gonzaga, Presentation Convent, Youghal, which sad event occurred on Wednesday week. Worthy member of a distinguished and cultured Co. Waterford family, the deceased religieuse was sister of the Very Rev. Michael Dowley, P.P., Ballyduff, and of Timothy Dowley, P.C., Millbrook Terrace, Kilmacthomas, with whom sympathy is generaliy expressed.

Death of Mrs. Cashin.—Widespread regret has been occasioned by the death of Mrs. Catherine (Kate) Cashin, (nee Dee), wife of Richard Cashin, Ballyogarty, which, at an advanced age, took place after a rather brief illness on Thursday of last week. A lady of many estimable qualities, the late Mrs. Cashin was of a most hospitable nature, kind and generous, and was an example to all by her devout Catholic life, and it is a matter of consolation to her multitude of friends that she passed peacefully to her reward as she lived, resigned to the will of her Creator.—R.I.P. Her husband is one of Mid-Waterford's best known figures, as he was for years an overseer of County Council roadmenders in the area embracing Ballylaneen, Bonmahon and Stradbally. The funeral of the late Mrs. Cashin took place on Saturday evening to the family burial ground in the old cemetery at Ballylaneen and was of huge proportions, the neighbours testifying their sympathy by coming in large numbers to pay respect to her memory. Rev. P. F. Walsh, C.C., Stradbally, officiated at the graveside. The chief mourners were: Mr. Rd Cashin (husband); Richard (son); Miss Nora Cashin, Waterford (daughter); Mrs. J. Power, Paha (daughter), and husband and family; John and Mary Cashin, Ballyogarty (grand-children); Mr. Maurice Dee, Grawn (brother), and wife and family; Mr. Thos. Dee, Graigarush, do. (brother), and wife and family; Mr. F. Cashin, Graigshoneen, do. (brother-in-law); and Mr. Francis Cashin, Western Tce., do. (nephew-in-law), and wife and family.

Death of Mr. D. Flynn.—The death of Mr. Denis Flynn, farmer, Garranturton, happened at his home on Thursday week, June 7th, following a short illness and in the fullness of his years, leaving his widow and children and a host of friends to mourn his loss. A native of the parish of Clonea-Power, the late Mr. Flynn was a popular, industrious and highly respected member of the agricultural community. Of an unassuming and quiet nature, he was liked by all who knew him, and his depth of thought and ready and keen wit made him a great favourite. He was, indeed, a kindly, generous and warm-hearted friend and neighbour, who was always willing to give and help when the occasion arose. Conscious of a life well spent in his duties to God and to his fellow-man, he died a holy and a happy death. Ar dheis De go raibh a anam. Deceased was father of Messrs. Michael, Thos. and Denis Flynn, Garranturton; Mr. W. Flynn, England; Miss Mai Flynn, do.; Mrs. M. Campbell, do.; and Miss A. Flynn, Garranturton. And he was uncle of Messrs Patk. and Denis Flynn, Ballylaneen, well and popularly known cattle dealers. On Friday evening there was an immense cortege at the removal of the remains to St. Anne's Church, Ballylaneen, where they were received by Rev. P. F. Walsh, C.C., Stradbally, who recited the prayers for the dead. Subsequent to the celebration of Requiem Mass on Saturday morning, interment was made in the adjoining cemetery, in the presence of another great gathering of relatives, friends and sympathisers, and amid every manifestation of profound sorrow. Rev. T. Draper, C.C., Stradbally, pronounced the final absolution at the graveside. A number of beautiful floral wreaths were laid on the grave, and many Mass cards and messages of condolence were received.

Rev. M. Foley, C.P., who celebrated the 11 o'clock Mass in St. Anne's Church, Ballylaneen (his native parish), on Sunday last, concluded his holiday in our midst on Tuesday, when he left for England via Dublin. Fr. Foley is in radiant health and spirits.

Domiciled in Cork City are Mr. and Mrs. Patrick O'Kelly, who with their two children are now amongst us on holidays, being the guests of Mrs. O'Kelly's parents—Mr. and Mrs. Ned Phelan, Kilnagrange, Kilmacthomas.

Other Visitors.—Sergt. Stephens, R.A.F., and his wife, whose home is in Surbiton, London, are holidaying here in Kilmac' since Tuesday. The estimable pair are staying with Mrs. Stephens' mother, Mrs. M. Maher, licensed vintner, Main Street.

Home on Leave from Preston, Lancashire, is Cpl. J. O'Reilly, son of Sergt. and Mrs. J. O'Reilly, G.S. Station, Stradbally, and sister of Miss Margt. O'Reilly, Immaculata Convent, Mount Alvernia, Mallow, Co. Cork. Back at Stradbally on a holiday from a cross-Channel centre is Mr. John Power, who follows the trade of a farrier and is a first-class craftsman.

Clearance Sale.—On Wednesday of this week, Messrs. Flahavan, Harty & Co., auctioneers, conducted a very successful clearance sale at the Rectory, Kilrossanty, for Rev. R. N. R. Hennerhassett, M.A.

Much Sympathy goes out to Mr. Edmond (Ned) Williams, Ballylaneen, on the death of his brother-in-law, Mr. Philip Quin, which occurred recently in America.

Mr. P. J. Gaule, who has been in charge of the Kilmac' branch of the Provincial Bank for the past six years, and whose recent appointment to the managership of the branch at Kinsale, Co. Cork, was referred to in a previous issue, took his departure from here on Thursday, accompanied by his wife and family. Mr. Gaule's legion of friends locally unite in warmly wishing him continued success in Kinsale. From the Waterford branch comes his successor, Mr. M. G. Kenny.

Spring Valley Hall, Bonmahon.—Last Sunday night's dance here was under the auspices of the Kilmac' and Stradbally Nursing Association, and the unanimous verdict of the fine company of devotees present was that it had been the most enjoyable and successful social event ever held here. Busty Griffin's band rendered the music, and from 9 to 3 the floor presented an animated spectacle. There were spot prizes and raffles, and patrons did full justice to the splendid supper served them, and the playing of the National Anthem brought the function to a close.

Gaelic Gamerings.—Several mid-Waterford enthusiasts cycled to and from Fermoy on Sunday last.

All lines lead to Newtown on to-morrow (Sunday) for the meeting of Kilrossanty and the Array in the 1st round of the S.F. county championship. Paddy Donnelly will referee, and a good game is confidently anticipated.

Last Sunday the camogie combinations of Kilmac' and Portlaw were in opposition at Portlaw, and the home side emerged triumphant from the fray.

The J.F. friends of Kilrossanty and Stradbally are expected to play at Ballylaneen to-morrow, with Mr. J. Ormond, N.T., Kilmac', in charge of the whistle.

The impressive ceremony was made all the more memorable by the presence of the large community of sisters in the Abbey choir amongst whom was a sister of Fr. Lee. The Community sang the "Veni Creator" alternatively with the clergy. For all who were privileged to be present, it was an occasion that will live long as a happy memory of the solemn and beautiful ritual of the Catholic Church in which She continues to fulfil the commission of Her Divine Founder to "Go a ndteach all nations," to forgive sin and to do as He did at the Last Supper in commemoration of Him. The officiating Prelate and other clergy, together with the friends and relatives of the newly ordained were entertained hospitably by the Community. Rev. Fr. Lee celebrated his first Mass at St. Mary's Abbey on Monday morning in the presence of the Cistercian Community, of which his sister, Sr. M. Dominic Lee, is a professed member. He was assisted by Rev. Fr. Finn, C.C., Donoughmore. Rev. Fr. Supple is son of Mr. W. Supple, N.T., and Mrs. Supple of Emmett Place, Youghal. Congratulations.—At the examination held last October by the Civil Service Commissioners for girl probationers in the Department of Posts and Telegraphs, Miss Bridget Tobin, eldest daughter of Mr. James and Mrs. Tobin, West Street, secured a high place. Recently she attended at Dublin for an oral Irish and efficiency test at which she was successful and as a result last week she received notification to report for duty at head office, Dublin. We join with her many friends in extending to Miss Tobin and her parents congratulations on her success and best wishes for greater success in her new sphere of operations. For some months prior to her exams. Miss Tobin had a private course of tuition from Mrs. Delaney, N.T., of Glengoura N.S., now of Lisgoold N.S., to whom congratulations are extended on the success of her pupil.

All Gaels.—En route to Fermoy on Sunday last to be present at the Munster Hurling championship, a father and three sons adopted the unique method of availing of one bike viz., dad on the saddle, Pat on the handlebars, Bill on the carrier while Ned occupied a position erect with his hands on dad's shoulders and his feet on two old-time steps, fitted to the back axle in lieu of present-day nuts. Surely an ingenious device to overcome lack of transport difficulties and they got there and back safely.

Impressions of Eucharistic Procession at Tallow.—Coupled with recollections of religious fervour, illustrated by the altars and shrines erected by the populace, together with the recitation of Rosaries, singing of hymns, en route, all in honour of the King of Kings Who was being borne for the first time in public procession within the precincts of the town from the Carmelite Convent to the Parish Church, Benediction on the Square and the Church; the sounding of the general salute by the bugler, the guard of honour, the canopy borne by two residents and Gardai created impressions which must survive. To the foregoing must be added details of the beautiful altar which was erected in the centre of the town with an approach from the west, south and north. One could not but be struck by its massive proportions, contour and colour, which were added to by the wealth of flowers, vases, colourful tapestries, red carpeting, surrounded by colourful bunting in which the Papal colours were embodied. An outline of the dimensions and particulars will, no doubt, be interesting to many who had not the good fortune to be present. The foundation was comprised of four steps, 10 feet wide by 16 inches in depth, on which stood the altar with Tabernacle surmounted by a massive dome, seven feet in diameter by 4 feet 4 inches high, on which stood a cross six feet high, making a total of 24 feet from the ground level, carried out in white and gold. On either side of the altar was introduced a panel of richly coloured tapestry measuring 14 feet high by seven feet in width, similar tapestry covering the altar steps. Above the panels was erected a rail of finely moulded pillars backed with cloth of gold which added a magnificence to the beautiful structure. Floating in the breeze at 32 feet high were the National and Papal flags all of which bathed in brilliant sunshine, was but a fitting tribute to the Lord of Hosts from a faithful people.

NEWS FROM BALLYDUFF, KNOCKANORE AND MOOREHILL

Local Pastor Bereaved.—Deep and very sincere sympathy is extended to Very Rev. Fr. Dowley, Ballyduff's esteemed and beloved Pastor, on his recent sad bereavement occasioned by the death of his sister Rev. Mother Gonzaga, Presentation Convent, Youghal.

Obituary.—It is with sincere regret we record the death of Mrs. Margaret Keane, which occurred at her residence, Marstown, Ballyduff, on Sunday week last, after a rather brief illness and fortified by the Rites of the Holy Catholic Church of which deceased was a most exemplary member. The late Mrs. Keane was a member of an old highly respected and very popular family and was held in the highest esteem by all who had the pleasure of her acquaintance. Quiet, unassuming and reticent in manner she made numerous friends who all regret her passing and to her bereaved relatives the deep sympathy of the entire community is extended in their sorrow and loss. A very large and representative cortege accompanied the removal of the remains to St. Michaels Church on Monday evening. On Tuesday morning, Requiem Masses were offered up for the happy repose of her soul and the interment took place in the adjoining cemetery in the presence of another large gathering of relatives, friends and sympathisers and amid every manifestation of deep regret. —May she rest in peace.

Annual Sports.—At a recent meeting of the local branch of Muinntir na Tire the annual sports were fixed for Sunday, July 15th. Although the sports day is still four weeks away already preliminary arrangements are being carried out so that everything will be in apple-pie order when the big day comes.

Successful Concert.—Another very enjoyable concert was held at St. Michael's Hall on Sunday night week, and was very successful, the spacious hall being crowded to its utmost capacity. The programme presented was bright witty and enjoyable and the various artists were loudly applauded. Before the end the master of ceremonies thanked the large audience for the good attendance and the various artists, some of whom had travelled long distances and at much inconvenience to take part; also all those who helped in any way to make the concert the success it proved to be. The programme concluded with the singing of the National Anthem.

Annual Feast Day.—The annual pattern day was observed in fitting manner in Knockanore on Friday last, the feast of the Sacred Heart, to whom the parish is dedicated, by the celebration of the Forty Hours Adoration or Quarant Ore, which opened after 8 o'clock Mass, at which the Blessed Sacrament was enthroned by Very Rev. Fr. Flynn, P.P. A very large congregation was present, the majority of whom approached the Altar Rails to receive Holy Communion. During the day continuous visits were paid by the parishioners and at the evening devotions an enlightened and eloquent sermon on the Sacred Heart, to Whose loving care the Church is dedicated, was preached. On Saturday the devotions were similar to those on Friday and again very large congregations were present. The ceremonies were concluded on Sunday morning, following the celebration of the Holy Sacrifice of the Mass by Very Rev. Fr. Flynn, P.P., who, prior to the conclusion bore the Sacred Host in procession through the Church precincts and on returning to the Altar, Benediction of the Most Blessed Sacrament was given, and with the recitation of the Divine Praises and the Litany of the Sacred Heart, the ceremonies were brought to a close in the presence of a large and truly Catholic congregation. During the ceremonies the altar was beautifully and artistically decorated with flowers and candles, while the choir under Miss M. Montayne, rendered the appropriate hymns in a most devotional manner.

Death of Mr. M. Smyth.—We regret to announce the death of Mr. Michael Smyth which sad event occurred at his residence, Coolbeggan, Knockanore, on Wednesday last, after a rather protracted illness and at a moderately advanced age. The deceased was a member of an old and respected family and was held in the highest esteem in Coolbeggan where he farmed extensively. Of a quiet and inoffensive disposition, he made many friends who regret his passing and to his bereaved widow and family the deep sympathy of the entire community is extended in their sorrow and loss. On Friday the funeral took place from his late residence to the family plot at Kilcockin Cemetery where all that was mortal of deceased was reverently laid to rest in the presence of a large and representative funeral cortege. Very Rev. Fr. Flynn, P.P., officiated at the graveside. The chief mourners included: Mrs. M. Smyth (widow); Mr. N. Smyth (son); Miss M. Smyth, Mrs. M. Fitzgerald (daughters); Mr. M. Fitzgerald (son-in-law); Miss N. Smyth, Mr. W. Smyth, Mrs. B. McCarthy, Mrs. M. Dunlea, Mr. J. Dunlea, Mr. T. Canning, Mrs. E. Canning, etc. (cousins and relatives).

Obituary.—Deep and profound regret was expressed all over the Knockanore and Glendine Parishes at the sad news of the unexpected passing of Mrs. D. Smiddy (nee Revlan) of Mount Uniacke, which occurred at Youghal Hospital on Sunday week. The deceased was a member of an old and highly respected family and was well and popularly known in those parishes. Quiet, kind and unassuming, she was liked by all for her many admirable characteristics and the announcement of her early demise was received with feelings of deep regret. A great wave of public sympathy is extended to her bereaved husband and family in their sorrow and loss. A very efficient tribute to the popularity of the deceased was forthcoming on Tuesday, by the large and representative cortege which accompanied the removal of the remains to their last resting place, many travelling very long distances to pay a last tribute to an old and valiant friend.

Local Tournament. — As already announced a two-day tournament is being organised by St. Patrick's Hurling Club and now that permission has been granted from the Western G.A.A. Board, it is hoped to start the tournament as soon as possible. The services of four well-known clubs have been obtained and the draw for the first round will be held at an early date.

GAELIC NOTES : SENIOR CLUBS

By "TAOBHLINE."

Disappointment was the lot of the many Decie supporters who made the journey to Fermoy on Sunday last only to see our boys go down against the premier county hurlers in the first round of the Munster championships. Fielding short Andy Fleming our hopes were high when Capt. Barry elected to play with the wind and sun in the first half but as the game advanced it was evident that our ambitions were not to be realised. It is hard to understand the poor display put up by our forwards and at no time during the game did they have an innings. For the benefit of those supporters and readers who were not present I will give a short account of the match from a Waterford point of view. Jim Ware gave a superb display in goal and the best seen in all Ireland hurling for a long number of years. Wall of the Army gave a display typical of his native Kilkenny. Sonny Curley was asusual sound throughout the hour. Mick Hayes played one of his best games particularly when he came out to mark the elusive Tommy Doyle who was far too speedy for Mickey Landers. John Keane played well but he was outpaced at times. Paddy Dowling shared honours with Hayes and M. Landers made some brilliant clearances when he went left full back. I would say we held our own at centre-field where Hickey and Barry hurled well. Barry played a lot of the ball but there were no results. The half forwards, Barron, Baston and Davy Power played to instruction but they were up against a dour Tipp half line of defence. Barron was not effective in his solo runs, Baston was tied up and hopelessly out of position whilst Davy Power had a good first half but faded out in the second period. Our full line of attack got enough of the ball to win comfortably but they could do nothing right and were always at sea. I make no secret of the fact that the inside forwards lost the game. P. Wade was never in the right place during the hour and then when he got the ball he had to get out of his own way to hit it. M. Feeney, star performer in Dublin hurling, was completely subdued, and he got gift chances which he allowed to flitter away. C. Moylan was like Baston hopelessly out of position and when he had to come out and get the ball there was no one inside to finish the movement. Baston proved himself a half-back of distinction when he was changed during the second half and John Keane rendered sterling service at half forward in the closing stages. One thing I am certain of is our selectors are very slow to assert themselves; it was evident from the start of the game where we were beaten but they never made a move to try and win the game. The players had their instructions going out to play but when the selectors made no move they just stayed put. I was approached by many during the game to make a few changes but this is the selectors job who were appointed by the Board. The same thing happened in Clonmel last year and I hope it will not happen next year.

There is nothing left now for us to do but concentrate on our county championships, and Cappoquin will house a spicy tit-bit on Sunday next where the locals meet Dungarvan in the second round, senior hurling championships. Dungarvan would want to take this match in earnest mood as Cappoquin, on the home ground cannot be treated lightly. Their great display against Tallow is a chief topic in western hurling circles and the Blues would want to field at full strength if they are to go one further. The game is timed for 4 p.m (S.T.) and will be refereed by Mr. O'Donoghue, Co. Chairman.

Followers of football I venture to say, will turn to Newtown where the Army meet Kilrossanty in a first round tie. This game is creating great local interest and Kilrossanty supporters are eagerly looking forward to Sunday when they expect the green and gold will bring home the laurels. The departure of Tom Veale to a cross-Channel venue is a worry to the Kilrossanty selectors and his position will not be an easy one to fill. Certainly Tom is a great loss to Kilrossanty and along with his many admirers I send him kindest regards. The game is timed to start at 4 (S.T.) under the whistle of Paddy Donnelly, and the Newtown Gaels, it is expected, will have the pitch in apple-pie order.

CAMÓGUIDEACHT

On Sunday last at the Cappoquin Sports Field two Camogie matches were played before a fairly large crowd. The players participating were drawn from the clubs lying east and west of the Blackwater. The eastern team was comprised of players from the Dungarvan, Clashmore, Cappagh, Kinsalebeg, Aglish, Geosh and Touraneena Clubs and the western team from Knockanore, Ballyduff, Tallow, Lismore, Glen Rovers, Camphire and Cappoquin.

High tufts of grass dotted all over the playing pitch militated against good ground play with the result that there was much bunching of players leaving anything like spectacular caman work at a discount. The matches were arranged for the purpose of selecting a team to meet East Waterford at the Gaelic Field, Dungarvan on Sunday next.

After the match the selection committee met and selected the following team; goal, P. Condon (D'van), 1st half, C. Flynn (do.), 2nd half, Full-back, Nora Hennessy (Ballyduff); right-do., Pearl Curran (1st half), Maura Curran, Clashmore (2nd half); left wing back, Eileen Curran (D'van); centre-back, Peggy McGrath (D'van); right wing, Josephine Beecher (Tallow); centre-field, Biddy McGrath (D'van); left wing, Nora Healy (D'van); centre-forward Helen Kiely (Cappagh); right wing forward, Tess Hynes (Knockanore); full-forward, Annie McGrath, (Dungarvan); left-wing forward, Maureen Curran (D'van). Subs.—Maura or Pearl Curran (Clahmore); M. Heelan (Lismore); Phil Daly (Ballyduff); Mary Landers (Knockanore), Nancy Cronin (Camphire), A. Mason (Cappoquin).

The eastern selectors have already chosen a formidable team from the many city clubs with St. Molleran's (Carrickbeg); Clonea-Power and Kilmacthomas to select from so that a first-class game should be witnessed on Sunday next at 4 p.m. in the Fraher Field. The selection committee will meet later in the evening to select a team to play Cork on July 1st at Dungarvan in the Munster Championships. There will also be a meeting of the County Board at 7 p.m.
