## Terrible Tragedy Near Cappoquin

### YOUNG WOMAN SHOT DEAD ON THE ROAD

#### A SENSATIONAL OCCURRENCE

A terrible tragedy took place on the public road near Poulbotha, about 3 miles from Cappoquin, on the main road to Modeligo, on last Monday night, March 15th, when a young woman named Mrs Maureen O'Shea, wife of a young farm labourer living in the district, was shot dead while walking along the road with her husband

The Guards are very reticent about the matter and have refused to give any details to the Press but from what we can gather from other sources, it appears that Mrs O'Shea, and her husband were walking along the road leading from their residence towards Cappoquin and had passed a spot known as the "Spout" on the road leading to Poulbotha when the stillness of the night was suddenly broken by the sharp report of a shot after which Mrs O'Shea dropped stone-dead on the roadside

What immediately happened after this is a matter which we cannot go into at present, as the Guards are busily engaged in elucidating all details which will be made public at a later stage

The first intimation of the terrible occurrence was received in Cappoquin when a farmer named John Prendergast residing at Poulbotha, cycled in and reported the matter to the Guard about 1 o'clock (ST), and several of the Guards immediately cycled out to the spot indicated by him, where they found the lifeless body of the unfortunate woman lying on the left-side of the road facing Modeligo

They remained on duty near the body during the weary watches of the night until Dr McGrath State Pathologist who had been urgently summoned during the night arrived on Tuesday morning and having made a superficial examination the body was later conveyed by lorry in to the Garda Barrack Cappoquin where a post-mortem examination was made by Dr McGrath assisted by Dr Wm White, M.O., Cappoquin

On Tuesday evening at 7.15 an inquest was opened in the Billiard Room of the Boathouse Hall by Dr D. T. McCarthy, Dungarvan Coroner for West Waterford, with the following jury—Messrs F. X. O'Leary N.T. (Foreman) J. J. Smith G.P. Hely S. Hick P. McCarthy, M. Sweeney and T. F. Gillespie

Supt Doyle G.S. Lismore conducted the proceedings on behalf of the Authorities and the first witness examined by him was Miss Norah ("Cissie") Glavin who gave her age as 19 years and stated that she was a sister of the deceased who would be 20 years of age on St. Patrick's Day had she lived

Her sister was married to William O'Shea for two years, and they had resided at Ballyhane for some time. She had last seen her sister alive on Sunday week, March 7th, when she met her in Cappoquin, and she was then in her normal perfect health and in good spirits, and she made no complaint to witness. Witness had seen a body at the Guards Barrack that evening which she identified as that of her sister who had one baby aged six weeks

Dr J. McGrath State Pathologist stated that he had made a preliminary examination of the body on the roadside on that day and had later held a post-mortem examination with Dr White M.O. after the body had been conveyed in to the Guards Barrack. He said he had found

a jagged gunshot wound over the left shoulder-blade and found evidence that the shot had been fired at close range and was fired from back to front

Dr McGrath then described the nature of the injuries caused by the charge after entering the body and said he had found grains of shot and the wad of a shotgun embedded in the body

In reply to the Foreman of the jury he said that death was instantaneous

Dr Wm White M.O., Cappoquin stated that he was called to the scene of the shooting and arrived at Poulbotha about midnight on Monday night and found the body of the deceased lying on the roadside and in his opinion death had occurred some hours previously

He had assisted Dr McGrath in the post-mortem examination that day, and fully agreed with his findings as to the cause of death

The jury asked no questions of witness, and Supt Doyle then applied for an adjournment of the inquest at this stage, pending criminal proceedings and the Coroner said he would adjourn the inquest "sine die" and the members of the jury would be notified when their services would be again required

The Foreman on behalf of the jury then expressed his deep sympathy with the relatives of the deceased, and this was joined in by Supt Doyle and the Coroner after which the inquest was adjourned

The victim of this appalling tragedy, which has shocked the people of Cappoquin so deeply, was a daughter of Mr Michael Glavin motor driver on the staff of the Cappoquin Bacon Factory, and previous to her marriage, as Miss Maureen Glavin she had resided in Cappoquin where her gentle, refined and retiring manner had made her a warm and popular favourite with all classes

Her father who is a most upright and industrious man is also held in the highest regard in the town and he now has the deepest sympathy of all in his present sad affliction

At the conclusion of the inquest proceedings on Tuesday night, the remains of the deceased were removed from the Guards Barrack to St. Mary's Catholic Church and were followed by one of the largest crowds of the general public witnessed for a long time. The coffin was received at the Church by Rev T Dunphy C.C., and after Requiem Mass for the happy repose of deceased's soul on Wednesday morning the funeral took place at 3 o'clock to St. Declan's cemetery, Dromroe when there was another remarkable display of sorrow and sadness on the part of the public which proved a touching tribute of love and respect for the memory of the deceased

Rev T Dunphy C.C. headed the imposing and representative cortege and afterwards read the last prayers at the graveside. The chief mourners included Michael Glavin (father), M

Glavin, Junr. (brother), Miss Cissy Glavin (sister), Thomas Glavin (uncle), Mrs W. Glavin and family Mrs May Glavin, (step-mother), the Driscoll family, etc

Wreaths and Mass cards were sent by the following—William and Flo Glavin and family Mrs P. O'Driscoll and family James and Hannah Crotty and family Ned and May O'Sullivan and family Her Cappoquin Girl Friends Mrs Thomas McCarthy and family James and Mrs. Moore and family Winnie Murray Mr and Mrs Gillespie, Paddy and Statia Arrigan Mick McCarthy, Barrack St Willie Halley Bridget Cunningham and family, Mrs E Cunningham and family, The Singleton family etc, etc

The funeral arrangements were very satisfactorily carried out by Mr E J Fraher, Undertaker, Cappoquin.

## Sensational Development

### Husband of Deceased And Another Man Arrested In Connection With Tragedy

A sensational development to the above tragic occurrence took place on Wednesday morning when William O'Shea, farm labourer, Poulbotha husband of the deceased woman, and a young man named Thomas White Junr., Ballyhane were arrested and charged in connection with the crime both having been retained by the Guards in Cappoquin Barrack since Tuesday

A special Court was held in the Barrack before Mr J. P. Kelleher P.C. when Supt. Doyle Lismore, applied to have both prisoners remained in custody to the Youghal District Court on Friday (today), which was granted

Neither prisoner made any statement in reply to the charge, and both were later conveyed to Limerick jail by motor car to await the further hearing of the case at the Youghal Court

## Dungarvan U.D.C.

The fortnightly meeting of the Dungarvan U.D.C. was held at the Town Hall on Friday night last. Mr. L. A. Veale, presiding. With Messrs T. A. Kyne, M. Morrissey, T.D. and J. Dahill, came Mr. P. O'Dwyer, whose appearance after a long absence created some surprise

Mr W. O'Meara, Town Clerk, also attended

### Wages Increased

Arising out of the minutes, Mr O'Dwyer said that he hoped that something would be done soon about the wage increases for the Council's employees. Two years had now elapsed since his notice of motion on the subject had been taken. He said that the Government had made an order now that in towns between 2,000 and 7,000 of a population the wages be 45/- It was time now that something was done, as again and again the Department ignored the Council's wishes

Mr Morrissey—The matter is in the County Manager's hands now. We have made the suggestion, and it is bound to be followed up. The point about it is whether it will be made retrospective or not. Personally, I don't think it will be after two years

Mr O'Dwyer—It is the Department's fault that it is there for 2 years. Until such time as this is decided I think that the men should get 45/- a week. All the other concerns have given the increase so that the Council employees are now the worst paid in town

Mr Morrissey suggested letting the matter stand for the present as the County Manager has the subject under review and will take everything into consideration and has always been anxious to give the men as much as possible

### This was agreed to

#### ESB Lights

The ESB tender of £312 for town lighting, raised the point of more pilot lights, and Mr Veale said he had received many complaints about the lack of such lights in the morning

Mr Dahill—If you had them all lighting someone would be bound to find fault still

It was decided to let the matter to the Town Inspector

#### Bad Water Supply

Mr Kyne raised the matter of the very bad supply of water at Park Terrace and asked whether the pipe would be blocked

Mr Dahill said the only cure for such was to have an independent intake pipe from the main in each house and at present this was impossible

#### Net Fishermen And 1933 Order

Mr Kyne said that for generations past Dungarvan fishermen had made a living by net fishing in the harbour. It was their only means of livelihood and now the authorities had informed them that it was illegal to cast nets within half a mile inside and outside a line joining the Cunnigar and Abbeyside points. This cut out some of the best places for netting such as the Abbey hole, and the quay. The Order was made by the Minister in 1933 and he suggested that the Council as a public body should pass a resolution requesting the revocation of the Order. The inland fisheries that would be affected are nil as rod fishing for salmon on the Colligan and Brickey rivers is negligible

Mr Morrissey—It is undoubtedly a hardship and a resolution would do no harm

The following resolution was then proposed by Mr Kyne and seconded by Mr Veale and passed unanimously—

It is the opinion of the Council that the Order defining the mouth of the rivers Brickey and Colligan as shown on map No 3 of Waterford district be amended or altered so as to permit the local fishermen to catch salmon with nets in the harbour as in former years

This resolution to be submitted to the Minister for Land and Fisheries

#### Votes Of Sympathy

Votes of sympathy were pass-

## St. Patrick's Day Parade

### Colourful Pageant Marred By Rain

One of the most picturesque Military ceremonies ever seen in Dungarvan was enacted on St. Patrick's Day when the Local Defence Force of the district with sections drawn from Clashmore, Ardmore and Cappagh, held a big parade and had their District flag blessed with full honours

The parade formed up at the Look-out and under Lt/Leader Jas Mansfield proceeded to Main Street. Meanwhile the colour party with the National and District Flags left from the Garda Barracks and as the salute was sounded the entire Parade was brought to attention

Then headed by the Dungarvan Brass & Reed Band, under conductor M. J. McHugh, the parade marched up Main St. and via Mary St to the Parish Church where all attended last Mass

The order of the Parade was—Band, Colour Party, with Asst. Leader M. Shalloe—bearing National Flag and Lt O.C. Comm. R. A. Reddy with District flag, the Colour Party with fixed bayonets were under Staff Officer R. Keating, Guard of Honour under S/L Lyons, The Lt. Staff L.D.F. L.S.F.; Red Cross under Dr Cusack, Mr Comerford and Miss C. Flynn, and Abbeyside and Dungarvan Boys Scouts

The Military Mass was celebrated by Rev. D. Power, C.C., and the servers were Dt/Adj. L. F. Lanigan and O/C Transport E. J. Keyes. The colours and colour party were ranged inside the sanctuary and at the Sanctus the bugler sounded the salute

After Mass the parade formed up again in the Chapel yard where the blessing of the colours took place. Very Rev. T. Canon O'Brien, P.P., V.F., performed the ceremony and presented the colours to Lt/Leader J. Mansfield

Amongst those who attended the blessing of the Colours were Rev. Fr. Donegan, O.S.A., Rev. Bro. Flately, Superior, C.B.S., Mr S. J. Moynihan, Co. Manager, Senator J. Butler, Mr M. Morrissey, T.D., and members of the U.D.C. Rev. Fr. Farrell proved an ideal Master of Ceremonies

Although a thick mist marred the ceremony the large crowd who witnessed it were deeply impressed by what had taken place

After the ceremony the parade moved off again in the same order and via Seramman's Lane and O'Connell St. proceeded to Abbeyside. The thick mist had meanwhile developed into a heavy rain and made things miserable for the forces and the civilians. Returning from Abbeyside to the Square the salute was again sounded as the colours went off parade and after the playing of the National Anthem the entire parade was dismissed

DUNGARVAN TO HAVE TWO CINEMAS

During the week we heard with interest that a new Private Limited Company entitled Ormonde Cinemas (Dungarvan) Ltd. has been formed with a capital of £25,000, and having for Directors Mr Daniel Crotty of The Cinema Dungarvan, and Mr J J Kavanagh, of the Ormonde and Paramount Cinemas Arklow and Gorey The purpose of this new Company is to erect a modern Super Cinema in Dungarvan and to reconstruct and modernise the existing Cinema presently being run by Mr Crotty at Bridge Street Dungarvan

The building of the new Cinema materials for which are already to hand, will commence almost immediately at a central site in O'Connell Street It is expected that the erection will be completed in from 6 to 8 months

The formation of the Company was undertaken by Messrs Farrell & Morrissey, solrs

The people of Dungarvan, and especially the picturegoers will hear this news with pleasure It is indeed an enterprise for which the Directors are to be congratulated

Mr Daniel Crotty is well-known all over the county for his great ability in business Starting in Dungarvan 43 years ago, he was a pioneer in motoring, introducing the first tractors and motor-cars to the county In 1914 he started the Cinema which has been providing such fine entertainment for the people of the town and county ever since, and due to his great capabilities, both undertakings have been crowned with success In later years he has been greatly helped in the business by his daughters the Misses Anne and Fanny Crotty Now he has turned his energy to this new enterprise and we are sure it also like his other undertakings will be crowned with success

The other partner in the firm is Mr J J Kavanagh, who is a leading figure in the film industry in the country and a man of long experience in the Cinema business, so that such an admirable combination are bound to make 100% successful the venture which they have started

We look forward with all to Dungarvan's New Super Cinema and wish the Directors every success

Dungarvan Defeats Ring

At Whitechurch on Sunday last Dungarvan defeated Ring in the first round of Junior Football championship The match on the whole was rather scrappy with players on both sides showing lack of training and the playing pitch was certainly not fit for even a junior match

Dungarvan for the first ten minutes were on the defensive but Mountain Sheridan, Barron and Crotty in goal, saved a few fierce Ring onslaughts and sent the Dungarvan forwards into attack which resulted in Cashin scoring a goal Ring had a point per Drummy who was playing a great game centre field Stack replied with a goal for Dungarvan but it was disallowed Dalton had a point for Dungarvan and from a goal-mouth fumble Dungarvan had another goal

Quike Kelly McAllister Lenane and Drummy, made some great saves in the Ring back line while Slattery Murphy and Mooney were the pick of the forwards

Tobin was the best Dungarvan forward on view, but he was ably assisted by B Moloney, Hehir Duggan and Butler

The second half of the game was one sided Dungarvan running out comfortable winners on the score, 4-4 to 1-point

**Waterford Co. Board Of Public Assistance**  
**Waterford's Second Dispensary**

Mr D Coghlan, Chairman presided at the monthly meeting of the County Board of Public Assistance. Also present were—Senator J Butler, L A Veale, Mayor P Caulfield and W Kenneally, Waterford Corporation.

**Consecration of Bishop Elect**  
A letter from Canon Cohalan, Bishop-Elect, thanking the Board for resolution was read. At the suggestion of Senator Butler, it was inserted in the minutes. Senator Butler—Arising out of that I would like to know if the Board is to be represented at the Consecration at Waterford on April 4th, or if we are to present an address to the Bishop on the occasion. I think it would be the proper thing to do.

Secretary—The representatives will have to pay their own expenses.

Senator Butler—No one questions that it doesn't arise.

Secretary—If you decide to present an address I am sure the County Manager and the local members on the Board could look after it.

Senator Butler—The County Council are having a special meeting to appoint representatives to attend.

Secretary—As the County Council and Corporation will be represented, and as this is only a subsidiary body, maybe the County Council representation will suffice.

Senator Butler—We had it the last time, and I propose that we be represented and present an address and I now move that the Chairman, Mr Veale and the Secretary represent the Board.

This was unanimously passed.

**Waterford's Second Dispensary**  
The Secretary said that as a result of the resolution passed at the last meeting calling on the L G Department to give the doctors reasons for turning down the provision of a second dispensary in Waterford, they had passed the correspondence to the County Manager and he had authorised the Secretary to place it before the meeting.

The letter from doctors Shelly and McCarthy was as follows.

We have considered this matter and bearing in mind the different areas and the interests of all the sick poor, we are of opinion that the present dispensary premises are sufficiently centrally situated and laid out to meet the requirements of the city and outlying country districts.

**Members' Views**

Senator Butler—And the L G Department would take the opinion of two medical men before the unanimous decision of the Corporation and Board of Assistance. I think it is ridiculous. The Department should give more ear to us than to two dispensary doctors. I am disappointed in their attitude. It is an insult to the representatives on the Board and to the people who elected them. I think that the views of the people's representatives should be given more consideration than those of the doctors.

Secretary—They may have made independent inquiries and agreed with the doctors' opinions.

Senator Butler—No inspectors coming from Dublin could know as much as we do.

Mr Veale—We should protest.

Mayor Caulfield—What the doctors say is law. The dispensary is necessary for otherwise in times like these we would never have passed the resolution. There were a lot of people living in flats and lodging houses which were condemned and all these have been removed to another part of the city and that is where we want the second dispensary. Now they have to walk a mile or a mile and a half and have to be there between 10 and 12 o'clock. If they arrive after 12 the door is barred and they can't get in.

How can women tramp 1 1/2 miles to and from the dispensary and get back in time to get a meal ready by 1 o'clock? Taking these things into consideration we need the dispensary. It may be inconvenient for the doctors to go to Rathfadden and their hours might be longer and that is why they put in that report.

No matter what Public Bodies recommend I think that the present Government will always turn them down.

Secretary—In Dungarvan some people have to come as far as 4 miles and you complain about 1 1/2 miles.

Senator Butler—You can't suit everyone in the country, but this is a thickly populated area. It is for the poor people there that we want the dispensary and not for the doctors. The result is indeed very unsatisfactory.

Secretary—From the Board's point of view it is—you are just where you began. It really is a matter for the County Manager.

Senator Butler—If we provide money to rent or build a dispensary the County Manager can't just do what he likes.

Mr Veale—I agree with Mr Butler the Government are blocking the scheme and we should protest.

Senator Butler then proposed and Mr Veale seconded the following resolution—

"That the Board received with dissatisfaction the contents of the report of the Local Government Department to the opinions of the Corporation and the Board of Public Assistance should have more weight than those of the two doctors, and again, we call on the Department to sanction the opening of a second dispensary. The resolution was passed unanimously."

**Vote of Sympathy**

Mr Kenneally proposed and Mayor Caulfield seconded the following resolution of sympathy—

"That we the members of the Waterford County Board of Public Assistance tender sincere sympathy to the relatives of the victims of the jail wall tragedy that we place on record our appreciation of the magnificent manner in which Dr White and the night staff of the County Hospital carried out their onerous duties in attending throughout the night to the 17 injured in the crash also the Rev Fr Coady, Chaplain for rendering spiritual aid and Mr R Tierney Ambulance Driver for the efficient way he did his work in removing the injured to the County Hospital."

**Moorehill Notes.**

**St Patrick's Day**—The National Holiday was celebrated in the usual manner in Moorehill. There was a large congregation present at Holy Mass on that morning after which Benediction of the Blessed Sacrament was given. The usual number of racing enthusiasts travelled to Ballinrea while in the afternoon a large crowd were present in the Gaelic Sportsfield, while others listened in to the running commentary from Croke Park. At night a number travelled to the various centres to Ceilidhes and dances. At home or abroad it is Ireland's day, on no other day during the year are Ireland's sons brought into a closer bond of union than on the National holiday. No matter where an Irish exile resides his thoughts and dreams go back to his native land and he feels that though divided from her by intervening seas he is nevertheless at home in spirit and the dreams of the exile come to us in the words of the song—

"With tears in my eyes, tears beyond all controlling, I wake and remember an exile am I and I pray though between us the blue seas are rolling, that I'll come back to thee if twer' only to die."

**Hurling Club Drive**—On Sunday night last the annual 45 drive in aid of the local club was opened when first rounds were played and will be concluded on next Sunday night. A special appeal is made to all the usual supporters who were unable to be present on last Sunday night owing to the many counter attractions, to come in their numbers on next Sunday night and so help the funds of the wearers of the green and gold.

**Regretted Death**—It is with feelings of very deep regret we announce the death of Mr James McCarthy, Barrack St, Tallow which occurred on Sunday week, after a short illness and at a moderately advanced age. The deceased had spent the greater portion of his life as an employee on the Moorehill estate and had come to be regarded as one of the natives, his kindly ways his courteous manner, and his never-ending fund of humorous stories made him a very likeable character, and though retired from work for some years, he was ever and always interested in his 'native' Moorehill which he visited from time to time to see old friends and renew old acquaintances. He is now no more and one and all regret the passing of a very kindly man, and the deep sympathy of the entire community is extended to his bereaved. The funeral to the family burial plot in Tallow cemetery was

largely attended.  
**Local Tit Bite**—On Ash Wednesday morning we had the usual number of men (a few ladies too) who gave up smoking for lent, some kept it up until 6 p.m. that evening while others were going 'blind' at 11 a.m. so to save their sight should get a cigarette but just one or two of the 'tough' chaps are still to the good, but Easter Saturday is a long way off.

**Ballyduff News**

**Parish Council 45 Drive**—The 45 Drive held on Sunday night last was not as well attended as usual, still those who were present enjoyed themselves very well. Mr J Quirke, our local County Councillor, acted as MC. He was quite a capable one and we would be surprised if he did not acquit himself with his usual efficiency.

**Military Concert**—Now we turn our thoughts to next Sunday night. Nothing will be left undone to make it a success. There will be a local team for question time. We are wondering which is which—where does South Ballyduff begin and end and where does North Ballyduff begin and end. 'Tis a secret we know wouldn't it be possible to divulge without "spilling the beans".

The Roll of the Drum will be a great draw and in the Step Together all the voluntary services will be represented, so we hope you will come in big numbers and banish dull care for a short time.

Step together to the New Hall on Sunday night, and if you won't laugh it isn't your fault or ours—it's that liver of yours that's wrong.

**March Marches On**—Already more than half the month has passed the farmers are availing of every day to get their crops in. The weather so far has been ideal for this purpose.

The country is looking very beautiful just now when covered hills the green fields nodding daffodils and stary primroses, simply charm one's heart away. Perhaps we are too busy, and these sights too commonplace to be noticed, but think of what life would be if we were to be suddenly deprived of them. So let us appreciate the work of the Great Artisan. Perhaps the poem "Everyday Life" written by some unknown author would not be out of place here.

The simple things are always best.

The simple flowers most fair And God who knows a heart sincere Will grant the simple prayer To long for wealth and hope for power.

Lead off to discontent But pleasure from the world withheld.

To simple souls are sent.

**Late Mr Thomas Moroney**—Again grim death has stalked in our midst this time he has taken from us one of the older members of the parish in the person of Mr Thomas Moroney Coolishall. As deceased had been ill for some time his end was not altogether unexpected. He died a happy and holy death fully justified by the rites of the Church. On Friday his remains were removed to St Michael's Parish Church and on Saturday after Mass he was laid to rest in the adjoining churchyard. To his bereaved widow and family we tender our deepest sympathy.—RIP

Mr Harty—That is a great help to the farmers and Mr. Maher told me that only 4 or 5% of the samples submitted to him for tests were below the necessary germination percentage and this, I think, is a great tribute to the farmers of the county.

**No Representation**  
Mr Veale asked whether it was proposed to have the Committee represented at the Consecration of the new Bishop. Mr Kirwan said it was not usual, and it was decided that the representation of the parent body would suffice.

## Death Of Mrs. Mary Treacy, Aglish

### REGRETTED PASSING OF A POPULAR LADY

(From Our Cappoquin Correspondent.)

Very few deaths in the Aglish district within recent years have caused such a genuine feeling of sorrow and regret as that of Mrs. Mary Treacy, which occurred at her residence, Main Street, Aglish after a comparatively brief illness on last Saturday evening.

Deceased was a member of the well-known Murray family, Tourin, Cappoquin, and was relict of the late Mr. William Treacy brother of Mr. Redmond Treacy P.C., Baker and General Merchant, Villierstown, Mr. Declan Treacy, Publican, do, and Rev. Brother Benignus Tracey, O.S.A., Dublin, who was well and popularly known as a brilliant teacher on the staff of the Augustinian College, Dungarvan, many years ago.

Since the death of her esteemed and enterprising husband several years ago, the late Mrs. Treacy, ably assisted by her respected son and daughter, had carried on a most successful business as Publican and Farmer in Aglish, where her kind and genial personality, and her charming and generous disposition, had made her one of the most popular and best-loved ladies in the district. Although her health had not been very robust for some time previously, it was only within the past few weeks that her condition had begun to cause any anxiety to her family but, despite their tender care, and the best spiritual and medical attention, the end came peacefully on Saturday evening after she had received the last rites of the Catholic Church from Rev. D. Power, C.C., Aglish, who had been unremitting in his spiritual attentions to the end.

The unexpected news of her death caused a feeling of intense sadness and gloom amongst all classes of the people of Aglish, where she had so justly enjoyed the esteem and affection of all for so many years, and evidence of the widespread sorrow felt over a wide area was provided on the occasion of the removal of her remains on Sunday evening from her late residence to Aglish Catholic Church at 8 o'clock, when the entire populace from Aglish, Villierstown, Dromore, Cooneen, Tinniscart, Clashmore, Tourin, Cappoquin, and other distant parts, assembled to pay a fitting mark of respect to the memory of such a highly-esteemed and deeply regretted lady.

The coffin was received at the Church by Rev. J. Gleeson, P.P., Aglish, and Rev. D. Power, C.C., do, and after three Requiem Masses for the repose of her soul on Monday morning the funeral started later in the day for St. Declan's cemetery, Dromore, Cappoquin, the family burial place of the Murrays, where the interment took place.

As the funeral passed through Cappoquin it proved to be one of the largest, most representative and respectable seen for a long time, and there were signs of deep regret on all sides over the death of a lady who had been so popular in Cappoquin, her native parish.

The sad cortege was headed by Very Rev. J. Gleeson, P.P., Aglish, Rev. D. Power, C.C., do, Rev. Fr. Doyle, O.S.A., Dungarvan, and Rev. T. Dunphy, C.C., Cappoquin, the last prayers at the graveside being recited by Father Gleeson assisted by all the above-named clergymen.

The chief mourners included: Michael Treacy (son); Miss May Treacy (daughter); Miss Elizabeth Murray, Tourin, and Mrs. B. Ronayne, Dromore, (sisters); Daniel and Michael Murray, Tourin (brothers); Mrs. E. Fleming, Grange (sister-in-law); Miss C. Fleming, do; Daniel and Michael Murray (Jr.) do, and Denis and Thomas Murray, do, and Thos. Whelan, do, (nephews); the Misses Lola and Betty Murray, do.; Miss Betty Ronayne, Dromore, Mrs. M. Daly, Fermoy, Mrs. D. O'Sullivan, do, Miss Chris. Whelan, do, (nieces); Mrs. D. Murray, Tourin, and Mrs. M. Murray, do, (sisters-in-law); Rev. Brother Benignus Tracey, O.S.A., Dublin, Redmond Treacy, P.C., Villierstown, Declan Tracey, do, and Michael Ronayne, Dromore (brothers-in-law); Mrs. Redmond Treacy, Villierstown, Mrs. Declan Tracey, do, Jack Treacy, do, Superintendent J. J. Moore, G.S. Fermoy, Miss M. Moore Villierstown, Miss Spillane Rathely, Fermoy, Mrs. M. C. Power, Dungarvan, O'Donnell family,

### Aglish Hunt Club

Feb 28th—Piltown Cross—The usual coverts around Piltown were not drawn and hounds were jogged off to the Slate Quarries. The presence of too many foxes handicapped hounds and huntsmen a great deal. Hounds were not long however about forcing one into the open. He took them at a moderate pace in the direction of Ardmore, circling to the right, he came to a point just short of Clashmore, Church where he again swung right and eventually found refuge in the Slate Quarries. Point 3 miles, 3 1/2 as hounds ran. Heavy low-lying clouds hampered, scent a great deal.

March 6th—Kereen—“Give me the fox that holds his point

Though fools and fate combine,

Give me the hounds that follow him

With nose upon the line  
Crough na-Grann was blank and hounds moved on to Quinn's Bogs, the large field (amongst which we were glad to see two

newcomers from Dungarvan) and moved up to Dromore. A fox broke in the direction of Cooneen. The field very wrongly halloed frantically, and the Master lifted hounds thinking it was a different fox to find when they reached Dromore it was the same one.

Hounds joined chase again at the far off corner of Dromore. The field remained stationary and when they saw hounds hunting again, they were three-quarters of a mile away from them. Everybody except the Master and first Whipper-in was lost. Points made during the run were: the Corrigan, Ballingown, Moloney's Cross, Crough-na-Grann, Bleach and Quinn's Bogs, where hounds were whipped off. From Dromore, where chase was joined, it would have been about 3 1/2 miles, very fast and hounds were unaided. We always meet the same fox there and he clung to his usual line despite everything.

Only two and a half couple of hounds got away on their fox, and all were up at the finish. They only gave tongue intermittently, so followers were completely lost. We had only a mere 6 1/2 couple out as the others are kennelled for breeding purposes, etc. Some hounds got left in Quinn's Bogs while 1 1/2 couple got on to a second fox, while they were unattended in Dromore. So the day was most unfortunate. Hounds did not try again as most of the followers were going to either the Knockanore Harriers dance, or the Stradbally Harriers dance. We all learned with regret at the meet of “Rambler's” death. He was our best doghound and the best-looking one, too.

Those mounted at the above meets were—Mr. M. Ducey, M.H., Mr. Walter Terry, and Mr. R. O'Keefe, Whippers-in. Miss Hynes, Miss Ita Flynn, Miss Kathleen Cotter, Mr. W. Tobin, Quarter, Master E. Walsh, do, Mr. M. Terry, Curraheen House, Mr. James Curran, Cappoquin, Master M. O'Connor, do, Mr. J. Power, Dungarvan, Mr. Jack Lynch, do, Mr. S. Quealy, do, Mr. Vincent Morrissey, do, Mr. Anthony Lawn, do, Master T. Fenton, Mr. J. O'Brien, Kereen, Mr. R. Fitzgerald, Clashmore, Mr. N. Fitzgerald, do, Mr. G. Cunningham, do, Mr. W. Healy, do, Master B. Moloney, Geosh, Master P. Foley, do, Mr. J. P.

## LISMORE COURT

### BICYCLE THIEF SENT TO JAIL

#### EJECTION CASE

(Before Mr. J. S. Troy, D.J.)  
The Lismore Estates Co. sought an ejection order against Teresa Whelan, Main St., Lismore, who owed £7 17s arrears of rent.

Mr. E. Carroll, solr., Fermoy, for complainants.

Mr. Gerald Fitzgerald, Estate Agent having proved the debt, a settlement was arrived at on defendant undertaking to regularly pay 1/8 rent, plus 5/- per week of the debt, until the entire amount has been paid up.

Mr. G. Fitzgerald, Lismore, had a civil bill against William O'Brien formerly of South Mall, Lismore for £20 due for rent.

Mr. E. Carroll, solr., Fermoy, appeared for complainant, but there was no appearance for defendant and a decree for the amount was granted with costs.

Bridget Gambon, Whitechurch, sought an ejection decree against Michael Foley, do, for possession of a house for which he owed £4 19s arrears; the rent being 3/- weekly.

Thos. Cashman having proved service of the Notice to Quit, a decree for possession was granted.

**An Unlighted Car**  
Guard Murphy, Lismore, summoned Patrick Morrissey, for using an unlighted car and a fine of 5/- was imposed.

Guard Purcell, Lismore, summoned two young ladies from Cappoquin for using unlighted bicycles when coming from the Pictures in Lismore, and they were fined 3 6 each.

Guard P. Houlihan, Lismore v. Wm. Sims, Knockanore for a similar offence. Fined 2/6.

**Transfer of Licence**  
Mr. E. Carroll, solr., Fermoy, applied on behalf of Mrs. Murphy, for a transfer of the licence held by Patrick Joseph Murphy in Ballyduff, and there being no objection by the authorities, the transfer was granted.

**Cutting Trees Without A Permit**  
The Minister for Lands, prosecuted Richard Tanner, Belvedere, Tallow, for cutting a number of ash trees on his land in October and November without having obtained the necessary permit from the Minister or the Guards.

Dr. Counihan, State Solr., appeared for the Minister, and Mr. E. Carroll, solr., Fermoy, defended.

Evidence of the alleged offence having been given by Sergt. O'Shea, Tallow,

Mr. Carroll submitted that no offence had been committed as the only timber cut by Mr. Tanner were a number of “Suckers” which had grown from the stumps of ash trees which had been previously cut, and as these were not 10 years old, they did not come within the provisions of the Act, so he asked for a dismissal.

Mr. Carroll then produced some blocks from the “Suckers” cut in proof of his contention, and after hearing the evidence of the defendant and his workman, Anthony Grey in support of Mr. Carroll's statement, the Justice said he could not go beyond the evidence of the defendant and he accordingly dismissed the case.

The Minister for Lands prosecuted Patrick Keane, Balykerin, Cappagh, and his sons, for a similar offence.

Sergt. Wm. Breen, Cappagh, having proved the offence, one of defendant's sons explained the circumstances and the Justice dismissed the case under the Probation of Offenders Act, but ordered defendant to pay 6/- expenses.

Same v. John Kiely, Cappagh, for a similar offence.

Sergt. Breen, Cappagh, stated that defendant had a farm of 13 1/2 acres and in this case 10 trees had been cut by him all over ten years old without any permit.

Defendant was fined £1 and ordered to pay 10/- expenses, and 4/- costs.

**Alleged Milling Offence**  
The Minister for Supplies prosecuted Mr. P. A. Ussher, owner of a Grinding Mill at Cappagh for illegally grinding wheat and manufacturing it into food for animals contrary to an Emergency Powers Order.

Dr. Counihan, State Solr., appeared for the Minister, and Mr. Cashman, Rockfield House, Mr. P. McCarthy, Ballyduff, Master, Curtin, Mr. McDonald, etc., etc.

PS—I should have said that the second hunt I reported last issue was 10 to 11 miles. I hope you will forgive me if I forget you name its quite impossible to get them all and there are never more than a few missing.

T. C. Williams, solr., Dungarvan, defended.

Having heard the evidence of an Inspector from the Department of Supplies, who was closely cross-examined by Mr. Williams, and also the latter's explanation of the circumstances the Justice dismissed the case on the merits.

### Bicycle Thief Sent to Jail

Supt. P. J. Doyle, Lismore, charged a middle-aged man named William Carroll residing at Corrigmagour a few miles from Lismore with the larceny of a lady's bicycle, the property of Miss Enda Whelan, A.L.C.M., Music Teacher, Mayfield, Lismore.

Captain J. W. O'Gorman, solr., Lismore, appeared for the defendant and made a strong plea for leniency, as this unfortunate man had to walk 13 miles to his work each day.

The Supt. pressed for a heavy penalty, as the defendant had three bicycles in his possession when arrested and this was not the first instance of stealing one in his case.

The Justice said he had no sympathy whatever with bicycle thieves and he sentenced defendant to two calendar months' imprisonment in Limerick Jail.

### Assault With A Hammer

Patrick Fitzgibbons, aged 80 years, Glengarra, Lismore, summoned Michael Carney, for assaulting him by striking him with a hammer on the head on the 27th November.

Mr. E. Carroll, solr., Fermoy, appeared for complainant, and Mr. A. R. Farrell, solr., Dungarvan, defended.

Complainant in reply to Mr. Carroll described how Carney came to his door and took a hammer from his pocket with which he struck him on the head.

In cross-examination by Mr. Farrell he denied striking Carney with a sweeping brush on the occasion.

Sergt. Ballantine, Lismore, stated that Fitzgibbons had made a complaint to him after the assault and showed him a wound which he stated had been inflicted by Carney with a hammer.

Both solicitors having addressed the Court the Justice said he had no doubt that Carney had taken the hammer from his pocket and struck this old man with it, and he now fined him 20/-, and ordered him to pay 5/- costs, and severely cautioned him as regards his future behaviour towards Fitzgibbons.

### Larceny of Rabbits

Edward Barry, Deerpark, Lismore, was charged by Supt. P. J. Doyle, Lismore, with the larceny of a number of rabbits from a certain establishment in the town.

Mr. A. R. Farrell, solr., Dungarvan, appeared for defendant.

Having heard the evidence and also Mr. Farrell's plea for leniency, the Justice let defendant off under the P.O.A. as there had been no similar charge previously against him.

### Action Over A Farm Debt

The Commissioner of Public Works sued Patrick Keane, Ballykerin, and his sons, James and John Keane for the sum of £13 due by them on money advanced in May 1941.

Dr. Counihan, State Solr., appeared for the complainant, and stated that the defendant had a farm of 125 acres, but he and his sons appeared to be in rather poor circumstances.

One of the sons now appeared and asked for time to pay and stated that he would be able to pay £6 in one sum off the debt after the harvest in Oct., and £1 per month afterwards until the entire debt had been paid up.

Dr. Counihan agreed to these terms, and the Justice made an order accordingly and the defendant was ordered to pay £2 costs.

### A Serious Charge

At the end of the ordinary cases, the Court was cleared of the general public while depositions were taken in Camera in a case in which a young lad from Ballinameela district was charged with a serious offence against a young girl under 17 years of age residing in the Knockalara district.

Depositions were made by the girl her mother, her former employer and Sergeant Browne, Cappoquin, who had arrested the defendant, after which defendant was returned for trial to the next Criminal Court in Waterford but was admitted to bail in the sum of £20, which was immediately forthcoming after which he was released from custody.

SATURDAY MARCH 20, 1943

**A NATION ONCE AGAIN**

St Patrick's Day always resurrects in the majority of Irishmen the patriotic spirit that through the other 364 days of the year usually lies dormant. That day we usually make resolutions and seem to really realise what must be done before we are really a Nation once again. But like all else most good promises and resolutions lie in the graveyard and before a week has passed the patriotism that inspired us on the Feast of St Patrick has again gone to sleep.

On that day we hear many make an effort to bring the National tongue into its own but more often than not before the day is very old we have lapsed into the language of the Saxon once again.

Irishmen and women, girls and boys should have a greater love for their own language. It is the language of our forefathers and the only medium through which we can really express ourselves satisfactorily.

The Taoiseach said in a broadcast on St Patrick's Day "The Irish language spoken in Ireland today is the direct descendant without break of the language of our ancestors spoke in those far off days. A vehicle of 3000 years of our history the language is for us precious beyond measure. With the language gone we could never hope again to be more than half a nation."

With this we can see how serious would be the total loss of our Irish language. We are busy with defensive measures. We have an Army and Local Defence Force of which we can be justly proud. But how many practice the National Language? How much more Irish and impressive would be our defence if they all spoke the language of the country?

There are many who say that the Irish is dying out but the present generation can preserve and make it safe forever by making a real honest effort to use the language and make it a part of their everyday lives. Until such time as all our Nationals living in Ireland speak the Irish tongue we can never call ourselves a nation but when that has been done then, and only then will we be—

**MY GARDEN**  
"There is a tide in the affairs of men that, taken at the flood, leads on to fortune" is a statement that I do not propose to contradict because it fits in with my present thought of a question that is exercising the minds of those who are now contemplating the spring sowings.

There are some conservative persons who always sow their seeds about the same time year after year and normally they are correct in their plan of action. This season is however, exceptional. Spring has descended on us and the ground is (in my district) in perfect condition. Be careful one says. What if late frosts arrive and undo your works? Well, my experience has been that advantage should always be taken of suitable conditions for sowing and reaping and though a second chance generally is given it is never quite as good as the first. Bearing that in mind I have already planted my first and second early potatoes and first sowing of peas and beans par-

snips onions and today moved all my seedlings in boxes from a warm house (except tomatoes) into cold frames, where they can be gradually hardened off. This hardening off is important. I remove covers all day and replace at night, and then as weather gets milder remove covers both night and day for a few days before pricking out seedlings in the open. Your garden catalogue and seed packets, too, give simple directions for sowing most seeds and what space should be given between the rows. Whatever you sow or plant in your garden, use a line for guidance, do not trust your eye alone. Cut a stick and measure the distance between rows, and use same stick to measure distance of next row, and so on. You will be pleased with the result, and will find it more convenient when you use the hoe later on. Get into the habit of sticking a label in the ground with name of seeds and date of sowing, and keep a record in your diary also.

CAPPOQUIN NEWS

BIG PRICE FOR RESIDENTIAL FARM

On last Monday, 15th inst. Mr M F Walsh P.C. Auctioneer offered for sale the splendid residential farm of 110 acres with splendid residence and farm buildings the property of Mr C. P. Hynes M.R.C.V.S. Lismore, situated at Killahala, 3 miles from Lismore and Cappoquin.

There was an unusually large and business-like attendance at the sale, so that bidding was brisk and spirited throughout and it did not take long to dispose of the property.

Bidding was opened at £800 by Mr John Scanlan, Ballinwilling Lismore who was followed by Capt J. W. O'Gorman solr. Lismore, Mr P. Scanlan Cappoquin, and Mr J. Dunne Bridane, Lismore. After very keen competition at £10 bids Mr John Scanlan, Ballinwilling was declared the purchaser at the fine price of £1,320 and the usual auction fees. Capt O'Gorman being the runner-up with a bid of £1,310.

Mr E. Carroll solr. Fermoy had carriage of sale.

Subsequently, a number of valuable horses, cattle, farm implements and other effects were quickly disposed of at very remunerative prices. The auction on the whole proving one of the most successful held by Mr Walsh in West Waterford for several years.

On Wednesday (St Patrick's Day), Mr Walsh held another very successful auction at Dromana farmyard, when he sold a large collection of valuable household furniture for Mr K. Lathey, there being again very keen competition, so that high prices were obtained for all the articles on the list.

Particulars of further impending sales by him will be found in our advt. columns this week.

AN AUSPICIOUS START

The Cappoquin Junior Hurling team made a very auspicious start on last Sunday when they defeated a strong Modeligo-Affans combination on the latter's ground at Modeligo in the first round of the West Waterford Junior Hurling Championship by 1 goal 5 points to 3 points, without having been unduly extended at any period of the game.

The weather was ideal for outdoor sport, so that there was a fine attendance of spectators and the game was played in a clean and thoroughly sporting spirit by both sides while Mr Seamus Moloney N.T. Chairman of the Western Board proved a most efficient and impartial referee.

SUCCESSFUL SALMON FISHING SEASON

The salmon-fishing on the river Blackwater is proving most successful, so far this season and we are glad to be able to state that the fishermen between Villierstown and Youghal are making very profitable "hauls" every week.

They feel deeply grateful to Messrs J. O'Connor and Sons Egg and Poultry Exporters Cappoquin for the prompt and business-like manner in which they purchase most of the salmon, and also for their kindness in sending vans and lorries to collect the fish on the spot.

We have seen some splendid specimens of salmon in Messrs O'Connor's premises in Cappoquin within the past couple of weeks, ranging from 30 to 40 lbs each, while the average weight of their purchases varies from 20 to 30 lbs each.

Good as is the net-fishing we are informed that salmon fishing with rod and line is also proving highly successful this season.

Mr Ion Villiers Stuart Dromana who has taken a long stretch of the fishery in the Blackwater near Ballyduff has landed some fine specimens of salmon within recent weeks and it has not been unusual for him to land from three to four large salmon each day, which proves him to be one of the most experienced and successful salmon-anglers over this part of the Blackwater this year, and we congratulate him on the great sport which he is enjoying at present.

NOTED RUGBY PLAYER WEDS IN CORK

At the Church of the Precious Blood Clogheen Cork the wedding took place on Wednesday morning March 3rd, of Mr Ignatius F. Mahony sixth son of Mr Michael J. and Mrs Mahony St. Joseph's Villas, Blackrock Road, Cork, to Miss Maureen Paul elder daughter of Mr Thomas P. Paul P.C. and Mrs Paul, Cathedral Street, Cork.

The ceremony (with Nuptial Mass and Papal Blessing) was

performed by the Rev J. Murphy-O'Connor, C.C., Cathedral, Cork, the best man being Mr Kevin R. Mahony brother of the bridegroom, while Miss Kathleen Paul, sister of the bride, acted as bridesmaid, the bride being given away by her father.

The bridegroom who is an official of the Department of Industry and Commerce Cork, is well-known in Munster Rugby and Swimming circles as he is a prominent member of the Dolphin R.F.C. on whose first XV he figured for many seasons while he is also a member of the Munster Branch of the IRFU.

The bride is niece of the Misses Alice and Madge Fraher Newsagents and Stationers, etc. Cappoquin, and Mr. E. J. Fraher Undertaker, do, her mother being formerly Miss Mary Fraher, a member of one of the oldest and best-connected families in West Waterford.

As Miss Maureen Paul she was well and popularly known in Cappoquin where she had usually spent her annual holidays with her esteemed aunts for many years past so that her wedding has proved an event of great interest to her hosts of friends here all of whom now wish her and her sporting husband the best of good luck and prosperity on the auspicious occasion.

HELD OVER

Owing to unusual pressure on our space this week, the report of the Annual Meeting of the Cappoquin Rowing Club is unavoidably held over until next week when it will appear without fail.

Catholic Scout Notes

4th WATERFORD TROOP

0881 (St Joseph's Abbeyside)

Parades—There was a very good turnout to our Confraternity Parade on Sunday last and also at the two Parades on St Patrick's Day. The Parades with the L.D.F. and Emergency Services was in charge of K/EC Christy Power as the SM and ASM were with the L.D.F. and Band, and seldom have the gang marched so well as they did on the way over to town. Some of the credit for this must be due to Patrol Leader D. Young who carried the Flag and set the pace. Ninety-seven per cent of the Troop attended all three parades 98 per cent attended two and there was one per cent absent from all three. We'll name no names but them, no Rawly Scout!

Hike—About 20 Scouts and 2 members of the Knight Clan joined the Cycling Hike to Colligan last Sunday. A few had to carry passengers (not at 1/3 per mile) and one of the KE's made a special trip to bring a Scout who was stranded. We were not long on the banks of the river when wisps of blue smoke curled up from several small fires and then the scent of frying rashers, eggs, sausages, bubbling stews and other tasty meals made the gentle breezes very pleasant. Garrett Morrissey made pancakes to pass part of the 1st Class Cooking Test but how much of them were egg and how much flour only he and P. J. Straine know. We came across a rabbit in a trap but Johnny would not consider cooking him because "he's dead." Some of our Rawly Scouts turned out to be bon-fire builders who lighted big fires and could not get near them to put on a billy-can. If the Hike did nothing else, it gave us a chance of showing these chaps the Scout way for building a small cooking fire. A game in the woods gave some practice at estimating tree heights and caused many arguments and scratched legs. We all enjoyed the day and to those who did not come we ask are you SCOUTS or SCINTS?

Wanted—A Troop Scribe. As our Troop Leader and Scribe has been called to his Railway Clerkship we are looking for a new Scribe as well as a Troop Leader. It is not so easy to fill these jobs in spite of the high salaries and position of honour that goes with them but perhaps we may find some hidden talent and hope a new Scribe will introduce himself with these notes very soon.

19th March—This is the Feast Day of St. Joseph under whose patronage Rev Fr. Crotty placed our Troop when he set it going in 1930 and all Scouts of 4th Waterford will remember this on Friday. SS

Waterford Co. Board G.A.A.

First Meeting Of New Board

The first meeting of the 1943 County Board G.A.A. was held on Thursday night March 11th, at the C.Y.M.S. Dungarvan.

Mr M. V. O'Donoghue, B.E., Chairman presided and there was a good attendance of members and club delegates present. The meeting lasted 4 hours, but a very considerable amount of business was done.

Selection Committees The first business was the election of Selection Committees for Senior Hurling and Senior Football and the new Selection Committees were elected as follows—

Senior Hurling—Messrs M. V. O'Donoghue, Ted Wall, Tom Kyne and two from the Champion club—Erin's Own.

Senior Football—Messrs P. Gough, J. Moloney, N.T. M. V. O'Donoghue and two from the champion club—Stradbally.

The Board decided to run the Senior Hurling and Senior Football on the League System again this year.

Eight hurling teams and six football teams entered. It was agreed that the Senior Hurling be played in two groups—East and West and the Senior Football in one group.

Draws and Fixtures

The draws and fixtures were then taken and resulted as follows—Senior Hurling—

(Western Group)—Lismore v Dungarvan, on May 2nd, at Cappoquin with Jim Ahearne, as referee at 4.0 p.m.

Erin's Hope v Tallow, at Dungarvan on 16th May with Jimmy Good as referee, at 4.0 p.m.

(Eastern Group)—St. Stephen's v Portlaw at Waterford on 2nd May, with Charlie Ware as referee at 4.0 p.m.

Mount Sion v Erin's Own on May 9th, at Waterford, with Paddy Gough as referee at 4.0 p.m.

2nd round SH—Mt. Sion v St. Stephen's at Waterford, on 23rd or 30th May, with Jim Ware as referee.

Portlaw v Erin's Own date and venue open. Senior Football (first round)—Stradbally v Nire on May 2nd at Dungarvan with D. O'Sullivan as referee at 3.45 p.m.

Buckey Rangers v Dungarvan at Dungarvan on May 9th, with M. Ferriter or M. V. O'Donoghue as referee at 4.0 p.m.

Kilrossanty v McDermott's (Army) at Dungarvan on 23rd May, with D. Good as referee, at 3.45 p.m.

All matches to be played by Summer Time. Charges of Admission The Board next discussed the admission charges to Senior matches, and Messrs. P. Ryan, M. O'Connor, and P. Elliott, strongly supported a plea for a 6d gate.

After a proposition and two amendments having been discussed the Board decided on a vote that the minimum charge to all senior matches be 1/-.

Medals Overdue

In connection with medals won by teams in the Co. Championships for years past, it was decided that the matter be referred to the Finance Committee.

Transfers, Regradings and Reinstatements

Transfers, Regradings and Reinstatements were next dealt with and were got through in record time. Transfers were granted in most cases and so were reinstatements.

In connection with regradings from Mt. Sion, Lismore, Portlaw and Dungarvan Senior Hurling clubs to junior status the Chairman said it would be much easier to deal with these applications after the first round of the senior hurling championships and an order was accordingly made that the applications be not considered until then.

Address of Welcome to New Bishop

The Board decided to present an address of welcome to Very Rev. D. Canon Cohalan Bishop-elect of Waterford and Lismore on the occasion of his consecration on April 4th, 1943.

Unfounded Statement

In connection with a statement made at the County Convention by Mr. C. Ware, against Mr. J. O'Dea when a motion concerning selection committees was before the convention the Chairman read a letter from Mr. Sean Murphy, Secretary to the Cork Co. Board.

The Chairman ordered that a copy of the letter be sent to both parties and stated that it was only to be expected that having regard to the letter that Mr. Ware should do the right thing and withdraw his statement.

THE NEW EXCLUSIVE SPRING FASHIONS IN COSTUMES, COATS, AND HATS, HAVE JUST ARRIVED AT MULCAHY'S DUNGARVAN

The Board's Printing

Mr P. Ryan referred to the position as regards some reports which appeared in the local papers and suggested that some settlement should be come to as regards the Board's printing.

Chairman—A very meritorious idea! After some discussion on the matter the Chairman said he was making an order that the Board's printing be evenly divided.

The Board agreed with the Chairman's order and said it was only fair that the "Dungarvan Leader" should get their share of the Board's printing.

The Secretary (Mr D. Good) said that he would not give any printing to the "Leader".

The Chairman said he was making an order and he wanted that order carried out without any quibbling.

Western Divisional G.A.A. Notes

(By AN RUNAIDHE)

And Still They Go—His many friends in the county and throughout Munster will miss the famous and well-liked Pincers Duggan from our games this year. Michael, has, like many other Gaels to flee from his native land to seek employment across the Irish Sea.

It was no spirit of adventure that made "Pincers" leave his beloved town and county. On leaving the station on Monday last his last words were "Be sure and beat Tipp in June."

If what I hear is true, we will have to record the departure of many more Gaels before very long.

What price freedom now? Pdraig Pearse said—"We want our country not only free but Gaelic and not only Gaelic but free." May I add we also want work and wages for our Gaels.

Sunday's Big Attraction—The game of the year in Western Competitions will be seen at the Fraher Field on Sunday next when the famous County Champions (Stradbally) meet the new Army team the McDermott's in the first round of the Russell Cup Competition. This game will, it is hoped give us some of the keenest football seen for years. Declan Good will act as referee.

What Stradbally Say—Kevin Whelan the playing Secretary and star man of the champion team says "We will prove that good as the Army may be Stradbally can beat the best. We have not as much training as I would like, but even so we will be able to give as much as we get to those well-trained Army boys. Wait until Sunday evening."

From Army HQ—The new Army team are confident of giving the public a good show on Sunday next. "We have many prominent footballers and the champions will have to be on the top of their form to beat us. We appreciate being entered in the County games and we will do our best to live up to the honour."

So says the Army representative. Last Sunday's Postponements—Sunday last was marred by many failures to field teams. Faha Rangers gave Cathal Brugha a walk-over in minor hurling as they could not get a legal team together. Clashmore cancelled their fixture with Old Parish at Ardmore as they could not get the team out on date. Fixed Touin hurlers wired they could not meet Glen Rovers at Lismore owing to a death of an aunt of four players. The Div Board will deal with each case at next meeting.

Last Sunday's Results—(Co. Championships 1943)—At Modeligo—J.H. Cappoquin 1-5 Affane-Modeligo 0-3. At Whitechurch—J.F. Dungarvan 4-1 Ring 0-1. At Tallow—J.F. Tallow v McDermott's (Army) Result not at hand.

Sunday's Fixtures—(Russell Cup Competition)—At Dungarvan S.F.—Stradbally (Co. Champions) v McDermott's (Army) at 4.0 p.m. Ref—D. Good. Challenge Games—At Dungarvan—(H) Dungarvan v Bricke Rangers at 2.30 p.m. (before Senior Game).

At Moorehill—(H)—Moorehill v. Kilkronat or Conna. At Dungarvan—M.F. Trial-Cathal Brugha's v The Res after Senior game.

At Moorehill—(H)—Moorehill v. Kilkronat or Conna. At Dungarvan—M.F. Trial-Cathal Brugha's v The Res after Senior game.

Blackwater Fisheries

At the meeting of the Lismore Fishery Conservators at Fermoy, the Inspector Mr J. Kenny, in his report, stated that during the close season salmon deposited their ova in unsuitable ground, and much of this was destroyed during the high floods of January and February. In December an exceptionally large number of salmon entered the river Araglin and it was found necessary to strip 65 of these on the river bank. From this operation 108,000 were subsequently hatched out at Malinlow. At Banteer trap 370 fish were impounded for strip purposes. This was done in November and 360,000 ova laid down at the hatchery. These were hatched out and would be fit to liberate about the 17th March. The Lismore Estate Co. hoped to be able to make free grant of some ova to the Board when the eyed ova allocated to the Department had been distributed between Fermoy and Mallow Angling Club. The opening of the salmon season had not been good at Youghal and along the tideway to Lismore. However an improvement in the net fishing was noticeable in the fourth week at Youghal. A good supply of salmon seemed to be running between Lismore and Fermoy.

was agreed on the proposition of Mr Kent, seconded by Mr Deane that a temporary bon during the emergency of £ per year be granted to the officials subject to the approval of the Department.

A letter was read from the Department in reference to arrears of fishery rates due the Board amounting to £66 16s 8d. The recovery of the amounts outstanding and of the current year's rates as they fall due should be pressed forward to the utmost extent, with a view to securing a much-needed improvement in the state of the collection by the close of the present fishery year and adding that the Department should be kept informed each month of the progress of the collection.

The Clerk explained that of these arrears £100 wts due by one estate and £10 per year were being added each year. He had given particulars to the solicitor.
