Guard Straine had a charge of cruelty to a mare against Thomas Donnelly, Loughmore. The Guard read a statement from Donnelly in which he stated that his mare was injured while working and he put her out on grass but she strayed to Shandon and fell in a hole. Denis Daly Fair Lane came and told him that his mare was in the hole and he told Daly to get her out and that if the animal was alive then that he could keep her (laughter).

The Guard went on to say that when Daly got the mare out she was dying and was left there for two days until it was reported to him when he went and shot her.

A fine of 20/- or in default 10 days was imposed.

### Emergency Powers

Supt O'Mahony charged Patk Moran 23 Davis St, Dungarvan, that on 29/7/1942 defendant did for the purpose of obtaining for himself a travel document furnish information which was false or misleading contrary to Emergency Powers Order No 177 1942.

Messrs Farrell & Morrissey solrs appeared for defendant and said that Moran was in England and came back but his permit was lost. In order to save time he applied for another and said he was never in England before. POA.

### Dangerous Driving—Fined £5

The Attorney-General at the suit of Supt P O'Mahony, Dungarvan summoned Private John Hansberry of the Defence Forces with driving a motor cycle in a manner dangerous to the public at Kilrush on March 30th last.

Patrick Kirwan Colligan in evidence said that on March 30th he was cycling to Dungarvan and coming in by Kilrush he was on his correct side when

he heard a noise behind him. The next thing he knew was that he was knocked down by a motor bicycle. The day was dry and the road at the place was straight for about 300 yards.

Capt John Evans, South Terrace said that he was at Kilrush on the day of the accident and saw the pedal-cyclist coming towards him on his correct side cycling moderately and he also saw the motor-cyclist approaching on the crown at a fast rate. The motor cyclist swerved in to the left and hit Kirwan a glancing blow and continued to proceed towards Dungarvan. Witness and Mr Thomas O'Mahony went over to Kirwan and found him dazed and bleeding from a cut on the right temple. Defendant came back afterwards and asked Kirwan—"Are you hurt?" who answered—"You can see I am, I'm bleeding badly." Witness concluded that Dr Casey then came and took away the injured man.

Mr Thomas O'Mahony corroborated.

Guard Farrell said that the defendant called to the station and made a statement about the accident in which he said he was travelling at 30 mph.

Dr Guard Barry said he visited the scene of the accident and saw blood marks on the road from the kerb to about 5 ft 3 ins out. The width of the road at the place is 30½ ft.

Private Hansberry gave evidence and said that Kirwan was a couple of yards out from the kerb and that another cyclist was coming towards him on the top of the road, he had to swerve to the left to pass and hit the plaintiff with his elbow. He did not think that he had knocked Kirwan down until he had gone about 30 yards when he looked back he saw a cluster of people on the road. He then pulled up and went back.

The Justice said that he did not believe this story and thought that the defendant must have been driving in a dangerous manner. He imposed a fine of £5 or in default 2 months.

### Publican Fined

Mrs Hannah Cooney Publican The Square, was charged by the Supt for after hours trading. A number of men found on the premises were also summoned.

A plea for leniency was made by Mr. Kenny, solr, who appeared for all the defendants, and the Justice imposed a fine of 20/- not to be recorded on the publican, and fines of 2/6 each on the men found on the premises.

Another One of the Gang  
Thomas Connors another member of the notorious Connors gang, who took over the public house of James Nugent, Balymacart, and caused damage to the amount of £1 and also robbed James Nugent of a quantity of liquor, lemonade and tobacco was brought before the Court.

Sergt Vaughan, Ring, made a deposition of arresting and charging the accused on April 12th.

He was further remanded in custody to a special sitting of the District Court at Fermoy on Friday.

### Six Weeks For Assaulting Guard

Supt P Mahony had a charge against Michael Kiely, Barrack Lane, Dungarvan, and Thomas Costigan, Cathal Brugha Place do for interfering with and assaulting Guard McGowan while in the course of duty.

Guard McGowan in evidence said that the two defendants were drunk in Main Street and he was removing them. While going towards the Guard Barracks they attacked him, and hit him on the chin and back of the head and knocked him to the ground where they kicked him. Two other members of the Force came to his aid.

Mr Patk. Sheehan, Killongford, said he was a witness to the assault and corroborated the Guard's evidence.

The Justice imposed a sentence of six weeks with hard labour in both cases.

### Severely Cautioned

The Minister for Supplies, at the suit of Supt O'Mahony, summoned John Tobin Ballin-road, and Arthur Sheehan, do with selling timber otherwise than by weight.

Messrs Farrell & Morrissey solrs defended.

Sergt. P J Kelliher, Weights and Measures Inspector, said that on Jan 5th, he found a man going through the Square, with a cart-load of timber which he was going to sell for 25/-.

When he had the load weighed it was only a little over 8 cwts. In evidence, Arthur Sheehan said that the timber was very light wood called acacia and a similar cartload of ordinary timber weighed 14 cwts. He was ignorant of the fact that he should only sell the timber by weight.

The Justice imposing a fine of 20/- said that only for it being a case of ignorance he would deal with it more severely and warned that in future such cases of overcharging would be heavily dealt with.

### Trespass

Michael Ryan, Mitchel St., Dungarvan summoned Patrick Lannon, Junr, Cathal Brugha Place, Thomas Mooney, Cathal Brugha St., and John Kiely, Cathal Brugha Place, with trespass on his lands.

Mr L F Lanigan, solr, was for Kiely.

In the first two cases a pony and jennet were found, and penalties of 2/- with 20/- costs in each case were imposed.

In the case of Kiely, Mr. Lanigan said that the horse that trespassed was Mrs Kiely's property and not defendant's.

Mrs. Kiely in evidence swore that the horse was her property and that it had since died.

The case was marked POA. Jack Lynch, South Terrace, Dungarvan, had a similar summons against John Wright, 32 Loughmore, Dungarvan.

Defendant was fined 2/-, with 10/- costs.

### Adjourned Case

The case of the Attorney-General v Nicholas Noonan, Loughmore, Dungarvan, for larceny, which was adjourned from the last court was marked POA when the amount was paid in.

### Children's Court

The youths who were charged at the last District Court, with a number of larcenies were again before the Justice.

Mr Kenny, solr, and Messrs Farrell & Morrissey, solrs who appeared for defendants, paid in part of the amount due and the cases were all adjourned for two months.

The Justice in adjourning the cases said that the defendants should not get the idea into their heads that they were getting off scot free. It would all depend on the reports of the Guards as to the general conduct of those concerned. He said that this gang which was just starting off was going to be smashed.

Another youth was charged with the larceny of a parcel of paper bags from the premises of Messrs Haddens Main St.

Messrs Farrell & Morrissey solrs, defended and pleaded for leniency as the youth had an offer of work in England.

Defendant was given the benefit of the POA.

### Cut Down A Tree

Supt O'Mahony, summoned two young lads aged 14 years with entering the wood at Cloncoskaine and cutting timber, the property of Miss Nugent.

The Supt said that Miss Nugent had reason to be annoyed as several ornamental trees had been destroyed. He said that the present offenders were no worse than hundreds of others going out there.

The Justice adjourned the case for 3 months.

### Larceny of Cattle

The Attorney-General at the suit of Supt P O'Mahony, Dungarvan charged James O'Mahony, Toor Aglish, with the larceny of 5 head of cattle.

The Supt explaining the case said that the accused was a native of Old Parish and at the end of 1939 he went to live with

Western Divisional G.A.A. Notes (By AN RUNAIDHE)

GAMES ABANDONED

Owing to the wet and stormy Eastertide the games arranged on Sunday last for the Green Cross Fund were in nearly all cases abandoned. It is regrettable that such had to be done as the subscription sent each year was a generous one and 1943 promised to be better than ever. Perhaps later on it may be possible to fix on a date that will give the clubs and the public a chance of helping the Fund. There were some notable exceptions where, despite the conditions the fixtures were held. Chief of those were at Whitechurch where Brickey Rangers played McDermotts. The attendance was of course, only a fraction of what it would have been had the weather been fine. Still it was a great spirit that made the game go on AT ARDMORE

The replay fixed by the Western Board of the J.F. game Old Parish v Clashmore will take place at Ardmore on Sunday. The Old Parish lads have been getting ready for this match for some time and they are very confident that the result will show they are right. Interest in the team in the district has been steadily mounting and by Sunday next every man woman and child will be on their toes with excitement. "Can they win it?" Well Clashmore say "No." Charlie Curran has his boys hard at it also and with their great experience he is satisfied Clashmore can defeat Old Parish. It promises a hard honest game, with both teams going all out for a win. P. Moloney Aglish will be in charge of the whistle NIRE V STRADBALLY

This senior football game at Dungarvan on Sunday will have a big lot of support. The champion juniors of '42 will be having their first championship try in senior ranks. True they are faced with a formidable task in meeting the County Champions but it is in games like those that sometimes the big surprise comes. Let Stradbally take it a little too easy and with a little luck the Nire boys could slap in a score or two that the Village players might find it impossible to catch up with. Fit, young and determined the Nire will certainly make a bold effort to win

IS IT ON AT CAPPOQUIN

At the time of writing I hear that the SH Lismore v Dungarvan game at Cappoquin is to be postponed. I can't say if this is correct so please don't take this as definite or official. I am surprised that this is so, as both clubs could easily field out. It is true I know that Dungarvan were having some difficulty with juniors they intended to promote to senior ranks, and as a result would very likely be short quite a number of the team that defeated Lismore on Sunday week. But as I heard it it was Lismore who were unable to field out. This is a mistake on their part in my opinion. Had they their team ready they had a 50-50 chance of victory SUNDAY'S GAMES— (West Division)—At Ardmore—J.F. Ardmore v Clashmore, at 3.30 p.m. Ref P. Mooliney At Dungarvan—S.F.—Nire v Stradbally

CARRICK NEWS

Miss Nora Guiry's well merited Appointment—The many friends in Co. Waterford Carrick-on-Suir and other places of Miss Nora Guiry Domestic Economy Instructress Dungarvan learned with pleasure of the important appointment she has secured under the Department of Education. That appointment is a well merited recognition of Miss Guiry's outstanding efficiency and keen interest in the discharge of her duties her sound national outlook and interest in the welfare of her students.

Miss Guiry in her new sphere of work will be a much needed and valuable cultural asset and, an inspector to sound educational and national activities on the part of these who will come, under her direction. She is daughter of the late Mr Guiry, NT Rathgormack, and a sister, to Rev J. Guiry, CC Ballybricken, Rev M. Guiry, CC Powerstown, Mrs. Cragh, Ballyduff and Messrs. Edward and Thos. Guiry Carrick-on-Suir. She was educated at the Mercy Convent Class A Secondary School Carrick-on-Suir, Kilmacud Domestic Economy College and Ring Irish College.

Young Carrick Man Believed Lost in Malay—Mr. Thomas Davin, R.A.F., son of Mr M.F. Davin well-known Coursing Judge, is reported missing and believed dead in the Far East. He was in Malay when the Japanese took that country last year. For some time it was felt that news of his safety would arrive but there is now little hope that he is alive.

Carrick on Suir Carnival—Notwithstanding unfavourable weather conditions on Sunday last the Carnival held in aid of the local Golf Club at Ormond Castle field, was an outstanding success.

The parade that preceded the opening of the Carnival was watched by large numbers. The various sections of the parade—artistic, topical, etc., evoked much admiration and the Carrick Brass and Reed Band played an excellent selection of music during the evening.

The Carnival was opened in the presence of a large gathering by Rev N. Dunphy, PP, VF Carrick-on-Suir, who was accompanied by Rev James Harty CC, Captain of the Carrick-on-Suir Golf Club and Mr M. Dowley, President of the Club.

The Carnival dance held on Sunday night at the Legion of Mary Hall, Greenside—Carrick-on-Suir was attended by over 440 persons.

MY GARDEN

I don't pretend to know the names of the pests that cause havoc in a garden, but I do know that many are already at work. The dry spell of course, is favourable to them, so care must be taken at once to protect tender seedlings. It is not difficult to get rid of these pests if taken in time. I noticed today in my garden a fly was beginning to feed on my young white turnips and to a less extent on many other tiny seedlings and even sweet pea so I promptly made up a derris wash with a little weak nicotine added to make sure. I always give the spray in the cool of the evening and repeat after a few days.

I have one damson tree that is particularly attractive to greenfly. I sprayed it twice during the winter with tar-oil and the tree looked perfectly clean, but still the greenfly comes on the tender leaves. I attended to this on the first appearance of the pest, as if neglected the leaves curl up and the fly is protected. I am often asked what particular spray to use. My answer is that almost any spray made up with soft soap, which clings to the leaves is good. The efficiency of most sprays is largely dependent upon the force of the spraying. I would not use a poisonous spray on fruit or vegetables as although rain would probably wash off most of the poison on the other hand it may not.

Derris is always a safe insecticide but even soap and water applied with a syringe or stirrup pump will prove useful. I was asked this week how soon may one plant outdoor tomatoes. As I had a good many plants to spare I put some out this week on chance, and covered them with inverted flower-pots at night. I don't recommend this as a general practice it would be safer to wait for the next three weeks. Remember that all plants grown under glass must be carefully hardened off before placing in open ground.

**LISMORE PRIEST ORDAINED IN ROME**

It was with the greatest of pleasure that we noticed that among five young Irish priests who were ordained at St John Lateran Rome, on Saturday last April 24th, was Rev Father Michael O'Farrell, Deerpark Lismore.

The five newly-ordained Priests broadcast their greetings and blessings to their parents relatives and friends over Vatican Radio on Saturday night.

We offer our congratulations to Father O'Farrell, and wish him many years of health and happiness in his sacred calling.

**LAST WEEK'S RACES**

"The biggest crowd ever," was the verdict of all who attended the enjoyable Point-to-Point Races over the picturesque Castle Farm Course here last week.

In view of the present restrictions on motor cars it was simply amazing to see such a vast concourse of people present, as the fine Course was literally black with people, but what would the attendance have been had the usual hundreds of motor cars been able to bring their quotas of passengers as in former years.

It was, undoubtedly, a wonderful tribute to the great popularity of the Lismore Races, but the glorious weather—must also have been an important factor in accounting for the huge attendance.

The long spell of dry weather had, however, its drawbacks as it had made the course as hard as flint and this was the explanation for the small fields in three of the races as with the exception of the second and third races, which had 7 and 10 runners respectively, two of the others had only 3 runners, and the fourth race, 4 runners.

Nevertheless, the various events provided good sport, the outstanding performances of the day being the "doubles" scored by P P Hogan, and Dan Kenneally by riding two winners each.

Mr Kenneally is practically a local man, being from Sean Ballyduff and has been a brilliant and successful jockey for many years, being also the owner of several notable race-horses which have been winning consistently for him for years.

It must have been a rather unique experience for him all the same, to ride the same horse twice to victory at the same meeting, for this is what he did with "Springfield Boy," the valuable horse owned by Mr P Curley Tallow, and the cheers which greeted the second victory of this great horse proved at once the great popularity of the Curley family, as well as the successful jockey, as pandemonium broke loose amongst the crowd whose cheering was deafening, and Mr Kenneally had great difficulty in riding the horse back to the Weighing-Room to be weighed-in after the race.

We were glad to see much "new blood" amongst the Race Committee on this occasion as several of the old faces were missing, but their places were ably filled by younger and more energetic sportsmen, all of whom fully understood their respective duties, and were not afraid to perform them.

In this connection, we must pay a well-deserved tribute to Messrs M O'Neill and W Connors the two new Hon. Secs who were the most courteous and hard-working officials that any Race Committee could have.

Mr Paul Twomey, the new Treasurer was another invaluable addition to the Committee and fully deserved his "cap" owing to the careful and efficient manner in which he looked after the financial side of the fixture.

Messrs George Heskin J F McGrath and Alex Ellis were ideal Clerks of the Scales while Mr J Browne was equally successful and deadly accurate at Telegraph Steward.

**INTERESTING BOXING TOURNAMENT**

Scanlan's spacious Hall near the Railway Station, was the scene of a very interesting Boxing Tournament on Easter Sunday night, which was witnessed by a large and most enthusiastic audience.

The officials in charge of the elaborate programme were as follows—Referee Quartermaster-Sergt O'Farrell, Judge-Sergt-Major O'Connor, Time-keeper—Lieut Hughes.

The following were the results of the various bouts—

**Flyweight**—Trooper Ling beat Trooper Smallhill on points.

Trooper Heaphy beat Private McGuire on points.

**Lismore Area L.D.F. Imposing Easter Sunday Parade In Lismore**

(From Our Cappoquin Correspondent)

The various Groups of the Lismore Area L D F, held a big Parade in Lismore on Easter Sunday, which was remarkable for the splendid attendance of the members from the respective districts and also for the smart and well-disciplined manner in which all the members taking part acquitted themselves.

The weather unfortunately, proved wet and stormy in the earlier part of the day which prevented many members living in distant parts of the area from attending, but it was a high tribute to the spirit of patriotism and enthusiasm of the majority that there was a fine attendance of about 400 members present, while the attendance of the general public was extremely large, considering the unfavourable weather conditions.

The following Groups were present—Tallow, (P Ronayne Group Leader), Lismore (James Ormond, Group Leader), Cappoquin (Thomas Kelleher Group Leader), Kilenagh and Knockanore (W Revins, Group Leader), Camphire, (D Casey Group Leader), Villerstown, (T Osborne Group Leader), Ballinamult (P Dalton, Group Leader) while Ballyduff Group, supplied the Colour Party, under the command of Mr David Tobin DSO Ballyduff, and Tallow supplied the Guard of Honour.

The entire party, in charge of their respective Group Leaders first assembled in the Military Field, at the eastern end of the town, where the new Colours were solemnly blessed by Very Rev M Canon Walsh, P P V Lismore, assisted by Rev T Murphy, CC do, and Rev Fr Ahearne, CC do, several Military Officers being also present.

The Colours were then presented to Mr M Fitzgerald District Leader Tallow and Mr J A Fogarty, District Leader Lismore after which the Flag was handed over to Ballyduff Group the National Colour Party being in charge of DSO O'Brien, Tallow, and the District Colour Party in charge of DSO T McGrath Ballinamult, Mr M Fitzgerald, DL, Tallow being in charge of the entire Parade.

The entire party then formed up four deep, and marched with strict military precision down through the Main Street headed by the Tallow L D F Pipes Band, playing lively marching tunes and as the column passed through the heart of the town it provided a most imposing and inspiring spectacle.

A platform had been erected in front of the Courthouse at the end of the Main Street where the Salute was taken by Major J Murphy who was accompanied by Commandant T Crofts Staff Officer, L D F Southern Command Commandant J McCutain, Area Officer, Tipperary and Lieut G O'Donovan Assistant Area Officer after which the Parade continued up West Street and back through the Main Street to the starting point in the Military Field, where the members were ad-

On behalf of the Nation I want to thank you for your repeated and redoubled efforts this season. Your great achievement in spite of many difficulties is fully appreciated.

I am confident that the area under wheat, oats and barley can be increased considerably during the next few weeks and the need for more and more potatoes must not be overlooked.

The final effort to complete that extra tillage will make all the difference between want and plenty for man and beast in 1944.

dressed by Major Murphy, who warmly complimented them on their smart and well-disciplined display which was a credit to the various units taking part.

He impressed on them the great necessity for strictly attending to regular training but said there was room for many more members in the ranks of the L D F, and he appealed to all present to use their best efforts to induce other young men, who were at present keeping aloof to join this splendid Force without further delay.

All the members were then entertained to a substantial luncheon in the adjoining military huts after which they proceeded to a field some short distance away where an interesting programme of tactical exercises was carried out by the local military each item being fully explained to the L D F members by the Military Officers who were present.

At the conclusion of the exercises a bugler sounded the Last Post and two minutes silence was then observed in memory of those who had died for Ireland after which the entire party was dismissed by Major Murphy, which terminated one of the most striking and impressive public displays of discipline and patriotism witnessed for a long time in Lismore.

## CAPPOQUIN NEWS

## A QUIET EASTER—

The usual ceremonies associated with Holy Week were carried out last week with befitting solemnity and were very largely attended by the devout and faithful Catholics of the town and parish.

Unusually large numbers of both sexes received Holy Communion on Easter Sunday morning, and the great Feast of the Resurrection was honoured in a truly edifying manner and fully in keeping with the past record of the people of this strongly-Catholic and historic parish, a matter which must have brought joy to the hearts of the Rev T Fitzgerald, our zealous and saintly Pastor, and Rev T Dunphy, his active and popular Curate.

The weather kept fine and dry up to Good Friday, but on Easter Saturday evening one of the worst rain-storms for years was experienced here which made it very unpleasant to people from the country districts who had delayed their Easter shopping until the last moment.

While farmers, plot-holders and gardeners welcomed the rain as a necessary tonic for the parched ground, those who had made plans to spend a happy Easter holiday over the weekend hardly welcomed it so enthusiastically, and as the rain continued unabated practically all through the night Easter Sunday morning broke under miserably wet and stormy conditions, so that this proved to be one of the dullest and quietest Easters known here for years.

The junior hurling match between the old rivals Tourin and Cappoquin, fixed for the local Sportsfield that afternoon in aid of the Green Cross Fund, suffered considerably from the financial side over the weather conditions prevailing, because even though the rain had ceased towards the afternoon, a cold and piercing wind continued to blow, so that there was only a very small attendance at the match, as none but the most enthusiastic hurling fans would risk their health by standing in a wet field under such circumstances so that the Green Cross Fund suffered accordingly.

The game, however, provided a fast and even exhibition of hurling, with Cappoquin slightly on top all the time, and although many maintained that Cappoquin had won by a point, the referee, Mr E Lonergan, Cappoquin, declared the result a draw at 2 goals 2 points each, so we must leave it at that.

A brighter and more congenial atmosphere was created when the annual all-night Easter dance was held in the Boat-house Hall under the auspices of the Rowing Club on that night, which was attended by an unusually large gathering from the town and all the surrounding country districts, who are always ready to defy the most severe weather conditions when a good night's enjoyment is at stake.

All the arrangements for the event were very efficiently carried out by Mr F Anderson, and Mr R J Curran, Hon Sec, while splendid music was provided by the Blackwater Serenaders Band, Cappoquin, so that while the storm howled outside, those inside forgot everything except their desire to enjoy themselves to the fullest extent, and this they did with the greatest verve and enthusiasm until the playing of the National Anthem at 4 a.m. concluded a very merry and highly-successful Easter Dance.

## FOOTBALL MATCH AT WHITECHURCH—

A senior football match between Brickey Rangers and the McDermotts (Military team) was played at Whitechurch on Sunday evening last for the Green Cross Fund, but anything in the nature of high-class play was spoiled by the strong wind. Playing with the wind in the first half, McDermotts scored 1 goal and 1 point, to which Brickeys replied with equal scores, making both sides level at half-time.

With the wind in their favour Brickeys were expected to pile up a big score in the second half but owing to the strong defensive game played by the McDermotts they could add only 2 goals, and the end of a robust and rather rough game found them winners by 3-1 to 1-1, the McDermotts being unable to score against the wind.

## THE BIG L.D.F. PARADE IN LISMORE—

The Cappoquin Group of the L.D.F. was represented in great strength at the big Parade in

Lismore on Easter Sunday, a full report of which will be found in another part of this issue.

The discipline, precision and soldierly-bearing of all the Groups was a great tribute to the excellent manner in which they had been drilled and trained by Sergeant James Revins, Drill Instructor over the entire Lismore area, who is a popular native of Cappoquin, of whom we all feel justly proud.

## DAIRY SHORTHORN BREEDERS' DANCE—

The preliminary announcement which we published last week to the effect that the Irish Dairy Shorthorn Breeders' Society would hold their Annual Dance in the Boathouse Hall, Cappoquin, for the first time, has aroused great interest amongst all dancing fans at this end of West Waterford who had previously to travel to Dungarvan for this old-established and popular social function. This dance will be held here on next Sunday night, May 8th, and no effort or expense is being spared by the Committee to ensure that it will be one of the most brilliant and enjoyable social events held here for years.

The celebrated Brideside Serenaders' Dance Band, Tallow, has been specially engaged for the occasion and as this fine combination of musicians will be augmented for the night by some brilliant instrumentalists from Lismore, the public should realise what a rare musical treat is in store for them.

As the catering is always a most important feature of an All-Night Dance, Mrs Kelly, Chapel Street, Lismore, has been engaged to provide the supper, so that all those who have previously experienced the excellent manner in which this popular and experienced caterer has performed her duties should know what a grand supper is in store for them this time.

The dancing floor will be specially scrubbed and polished, and the hall beautifully decorated and as tickets will be only 5/- each, (including dance tax and Supper), there should be a wonderful attendance on the occasion.

Messrs F Anderson and T Fives, Hon Secs, will be in charge of all the arrangements, and no more able or courteous officials could be found for the job. See full particulars in advt in this issue.

## TRANSFER OF A POPULAR GUARD—

Guard M Kiernan who had been stationed in Villierstown for the past 8 years, has been recently transferred to Store Street Station, Dublin, at his own request.

A courteous and efficient Guard "Matt Kiernan," as he was familiarly called in Villierstown, was a great favourite with all, and enjoyed the respect and esteem of all the law-abiding people in Villierstown, Aglish, and all the adjoining districts. He was a noted musician, being an accomplished player on the Uilleann Pipes, which he made himself, and for years was one of the leading players in the celebrated Villierstown Cellidhe Band so ably conducted by Mr P Parker.

His departure from Villierstown is deeply regretted by the public, all of whom now wish him the best of luck in his new sphere of duty in the Metropolis.

## MR M F WALSH'S ANNUAL BULL SALE—

Mr M. F. Walsh, P.C. Auctioneer, will hold his annual Bull Sale in his Salesyard, Cappoquin on next Thursday, May 6th (Fair Day) when a splendid selection of well-bred young bulls will be offered for sale.

As there is plenty of fresh grass in the country now after the recent heavy rains there should be keen demand for young bulls, so that farmers and others having useful animals for sale should enter them with Mr Walsh at the earliest possible moment so as to be in time to share in the good prices which bulls will realise at this old-established sale on Thursday.

## ANOTHER ESTEEMED YOUNG LADY BIDS US "GOOD-BYE"—

Following quickly in the wake of many other young ladies from Cappoquin who have recently departed for England, Miss Angela Collender elder daughter of Mr Patrick and Mrs Collender, Castle St Cappoquin, left here on Tuesday morning for Manchester where she intends to enter the Nursing Profession.

A young lady of charming appearance and personality Miss Collender is endowed with unusually high intellectual attainments because having passed all her Intermediate Examinations with Honours in the Convent of Mercy Secondary School here she later went to Skerry's famous Academy, Cork, for a further

course and passed her final examination there with honours for a Bank Clerkship.

No vacancy being available for her in this capacity, she got tired of waiting any longer at home and being a young lady of independent spirit, she at length decided to carve out her fortune in another Profession in England.

She as well as all the other members of her family enjoyed the highest respect and esteem amongst all classes of the people of Cappoquin who now deeply regret her departure, but all join in the hope that the best of good luck and prosperity may await her in the noble profession which she has now chosen for her future career.

## CAPPOQUIN CYCLING AND ATHLETIC CLUB—

The annual meeting of the Cappoquin Cycling and Athletic Club will be held in the C.Y.M.S. Hall, Mill Street, tonight (Friday, April 30th) at 9.30 (S.T.)

A full attendance of members is requested while all intending members are cordially invited to be present.

Considering the lustre which was shed on our town by the brilliant achievements of Dan McGrath, Jimmy Foley M.J. Sargent, Junr the late T Cronin and other members within recent years the club should now be entitled to the fullest support of all classes of sportsmen, so we hope there will be a good attendance at tonight's important meeting.

The club intends to hold a novice Cycling and Athletic Sports meeting in the Sportsfield here towards the end of May, full particulars of which will appear in later issues.

The members of the club wish to thank all those who subscribed to the recent Grant National Sweep, and especially the sellers of cards and those who have assisted in various other ways and they desire to congratulate the respective winners on their good luck.

## THE LADIES ARE GETTING BUSY, TOO—

Determined not to leave all the sporting honours to the gentlemen, a number of sporting young ladies are now about to start a Lawn Tennis Club for Cappoquin, and have already secured a site for a suitable Tennis Court in a portion of the Sportsfield near the Glen side far removed from the G.A.A. pitch.

We had a flourishing Tennis Club here some years ago, with splendid soft and hard courts at the lower end of the same field, but these having since been submerged by the tides the site for the new Courts has been selected at a spot where even the highest tides cannot do any damage.

We wish the present sporting promoters the best of success, and hope to give fuller details on an early date.

## "WHERE WAS MOSES WHEN THE LIGHT WENT OUT?"

The above query can be easily answered by many persons in Cappoquin at present, including the writer, owing to the complete absence of supplies of either paraffin oil or candles for some weeks past. The unfortunate lot of people living in the country who have no light of any kind to illumine their houses at night-time must be pitiable, but we must not exhaust all our sympathy on them now owing to the severe privations being experienced by town-dwellers as well.

We have not even our faithful old friends, the "Glow-worms" to rely on now as the long spell of dry weather has sent them too deep into the earth and unless they re-appear on the surface soon, all our reading and writing must be done by the Braille system in future as it is now a case of "Blind Man's Buff!"

## THE NEW LICENSING ACT—

Last Sunday night's dance in the Boathouse Hall was the first all-night dance held here since the new Licensing Act was passed. Previous to this, persons living outside the 3-miles' area were always bona-fide travellers after midnight on Sunday nights so that those in this category had no difficulty in getting refreshments in the public houses at any time while the dances lasted after 12 o'clock.

Now that a bona-fide traveller cannot get a drink after 8 o'clock on Sunday night until 6 o'clock on Monday morning, several thirsty "travellers" were sadly disappointed when they could not get admission to their favourite "pubs" after 12 o'clock on last Sunday night, so they intend to provide for this contingency by bringing a "Baby Bottle" in their pockets when attending all future dances in any town!

**Easter Ceremonies**—The Alleluia of Easter Sunday morning fell gladly on our ears after the sad ceremonies of the previous days. Sad, but beautiful Sad but with what a different sorrow from that caused by temporal conditions. The death of Christ seems to be unheeded by the warring world, but we know well that in God's good time it will cease. God grant that in this island home of ours the lesson of Holy Week will never be forgotten.

**Easter Week**—What memories this week recalls for those who love their country. Time can not dim our admiration for that small gallant band who faced death in 1916. They knew that they were hopelessly outnumbered yet with that defeat came victory and it would be a pity if we ever forgot what we owe to Pearse, McDonagh, Clarke, Plunkett and the other brave men. Had they never struck a blow for freedom their writings and poems would have been a very precious gift to posterity. On reading their works one cannot help being struck by their lofty idealism, their sincerity of heart and their unswerving devotion to their God and country.

**Green Cross**—On Sunday last a match was played here on behalf of the Green Cross Fund. The weather was cold and in-

element, and only the hardy ones could come still a good number turned up to help this very deserving charity. The Conna team deserves a word of praise for turning up in their numbers, and we very much appreciate their co-operation.

**Sympathy**—We beg to tender our deepest sympathy to Mr and Mrs James Daly, on the death of their son Frank. Only a few days ill, and then the end came. Our hearts go out in sympathy to his sorrowing parents. Only a young boy in his teens he showed promise of being a very fine hurler but one could hardly expect a Daly to be otherwise.

There was an enormous funeral to the Church on Tuesday evening. The burial took place after 10 o'clock Mass on Wednesday to the adjoining Churchyard—RIP.

**Wanted**—Two pairs of super padded boxing gloves for two local gentlemen suffering from blistered hands. We beg to inform the public that every precaution is being taken to prevent the spread of above mentioned blisters.

**Dance**—A grand dance will be held at the New Hall, Ballyduff, on next Sunday night, May 2nd. Mr Dave Feeney, the genial proprietor has made all arrangements for a great night's enjoyment. See advt for full particulars.

## DEATH OF MR LAURENCE O'BRIEN, SEAVIEW, RING

It is with regret that we record the rather sudden death which occurred on Monday last April 26th, of Mr Laurence O'Brien—Cliff Cottage, Seaview Ring. Deceased, who was a very industrious man was in the act of putting in some litter in the stable, when he had a seizure and died in a short time. A native of Ring, he was well and popularly known. He lived alone in his neat and trim cottage at Ring and his presence will be missed by his many friends and acquaintances.

His remains were removed to Ring Church on Tuesday and were followed by a large cortege. The interment took place after Requiem Masses on Wednesday in the adjoining burial plot.

**Commemoration**

**EASTER TIDE** is a period of commemoration In our Churches we celebrate the greatest of mysteries—the Resurrection of Our Lord and commemorate the triumph of Life over Death In the temporal world Irishmen women and children, not only in our own country but also in foreign lands go back in spirit to that Easter Week of twenty-seven years ago when a band of Irish Patriots took up arms against the might of England and in a glorious effort attempted to cast off the shackles of British Imperialism which have bound us since the Normar Conquest of 1170

Dublin City was the chief centre of operations, as through a countermarching order the general insurrection which was to have begun on Easter Sunday of 1916 was cancelled

Knowing this, and aware of the fact that they could not hold out for long against the British Authorities quartered in the city Pearse, Connolly, Clarke, MacDonagh, Plunkett, and those other heroes decided to go ahead and carry out the original plan

On Easter Monday 1916 the members of the Irish Volunteers, Citizen Army and Hibernian Rifles took over key positions in Dublin, and the famous Proclamation was read outside the GPO by Padraig Pearse

On Monday, Tuesday and Wednesday the fight was carried on with intensity and all efforts to dislodge the brave defenders from their positions were unavailing But on Thursday with many men killed and wounded, and supplies running short it was evident that the end was near On Friday the order to cease fire was given after holding out in magnificent fashion for four days

During that time the bulk of the people thought that the Insurrectionists were fools and firebrands, who only wanted to cause trouble But since then we have come to see them in a different light By their sacrifice the National spirit was saved Pearse and his followers knew that it was only a holocaust of blood could achieve this Willingly they laid down their young lives for their country

It is a period of Irish history that should never be forgotten The glorious effort of the Spring of 1916 has had a bountiful harvest, and it would be very poor of the people of Ireland if they should forget so easily the fight of the Easter heroes in 1916 The best way to honour their memories is to help to achieve the aims of those great Patriots of Seachtmhain Na Cásga and help to make Ireland—Gaelic, Free and Undivided—

**MISERABLE WEEK-END**

The Easter holiday proved miserable in the extreme On Easter Saturday big numbers of country shoppers were soaked through in a downpour that lasted for hours The rain was made more uncomfortable as it was lashed by a very high wind

On Easter Sunday all the Churches were beautifully decorated, and large crowds received Holy Communion Showers and high wind made the evening unbearable and the country teams to play in the Green Cross Fund Games, failed to turn up due to the bad weather The dances held on Easter Sunday night also suffered, as only the out-and-out enthusiasts braved the uncertainty of the night

Dealing with it all round, the Easter week-end was an "indoor" holiday this year even though it fell so late in the year

**DRAMATIC CLUB PLAYS**

The Dungarvan Dramatic Club will again come into the limelight when, at the Town Hall, Dungarvan on Wednesday Thursday, Friday and Saturday nights next May 5th, 6th, 7th and 8th, they stage two Plays—The Victorian Thriller "Gaslight," and the Irish Comedy, which has met with such success in other centres "The Whip Hand"

The Club has attained a high standard of Production in their previous Plays, and we are sure that this high standard will not only be maintained, but surpassed next week

Many weeks of hard practice have been put in by the members taking part in the Plays, and the producers Rev Fr P Magee, O.S.A., and Professor M O'Hara, have not spared themselves in their efforts to make this forthcoming venture the most successful to date

For full particulars as to booking of seats prices of admission and times of starting etc., see advt in this issue

**DUNGARVAN COURT**

(Continued from Page One)

Declan O'Neill at Toor, Aghlish last summer he went to Lismore fair and met a man named O'Gorman who is a cattle dealer and large farmer near Tallow with whom he had a bargain to purchase 6 cattle. Accused told O'Gorman that he had no money on him, but that he was expecting a legacy of £15,000 from a relative in the U.S.A. and that he would pay him later. When he was leaving accused asked O'Gorman where he would send the money, and O'Gorman gave him a docket with the amount on it.

This docket would appear as if O'Mahony had sold the cattle to O'Gorman and caused all the trouble. Last August in Dungarvan he bought 5 cattle from Mr Thomas Casey, Dungarvan. The deal was made by Mr Casey's son and the accused told him that he was expecting money from O'Gorman and when he would get it he would pay Casey. As a guarantee he showed Casey the docket.

The accused made a similar deal at Lismore last summer when he bought 19 sheep from a man named Fenton.

**Depositions**

Harold S. Wisdom, Bank of Ireland Longford, in evidence said: Last August I was sub-agent at the Bank of Ireland, Dungarvan, and I remember the fair day of August 19th. On that day the accused James Mahoney, called at the bank once or twice. He sought an advance of £50 and explained that he wanted the money to pay Mr Casey for some cattle he had bought from him. He told me he had sold some cattle of his own to a cattle-dealer named Gorman of Tallow and said that Mr Gorman had left the fair without paying him and as evidence of that he showed me the usual cattle-dealer's ticket which I did not retain. I decided not to accommodate him. Two days later O'Mahoney again came to the bank and again sought £50 without success. I suggested to him that Gorman should be written to and asked to send the money to the bank of Ireland, Dungarvan. I then wrote the letter for him which he signed. I volunteered to post the letter but the accused said he would post the letter himself and took it away with him. At the same time the letter was written he gave me written instructions that on receipt of the money £49 was to be paid to Mr Casey. No reply was received to the letter.

On Sept. the 5th, I got a wire which was signed Gorman, and which said that the money would arrive for O'Mahony on Sept. 16th. No money did arrive from O'Gorman. I gave this wire to Sergt Teahan, G.S., Dungarvan.

No questions were asked by Mr Kenny.

Thomas Casey, a clerk in the County Council offices said: I remember August 19th last. I was at Dungarvan fair on that day and bought 5 cattle for £45. When I had paid for the cattle I handed them over to my son Thomas J. Casey. On the Sunday week following the fair I went to the residence of the accused at Toor. I met O'Mahony there and had a conversation with him and I asked him why he hadn't paid for the cattle and he said I could take away the cattle or he would give me a fortnight's grass for them. He showed me the dealer's docket of which I took possession and said I would keep it until I was paid. On the following Monday he came in to go to the Bank of Ireland, Dungarvan, with me. We went and saw the Agent and as far as I remember he tried to get the money to pay me for the cattle. I then gave O'Mahony a note to the National Bank, and he left before me. I met him subsequently and he said the Manager of the National Bank wouldn't give him the money. We then went to the office of Mr Kenny, solr, where the accused informed Miss Kleily to write to O'Gorman to forward the cheque as per the docket which I gave to Miss Kleily. I got this back later and gave it to the Superintendent. On the day I was out at O'Mahoney's house he told me that he had sold cattle to the amount of £74 to O'Gorman and would pay me when he'd get the money.

On Sept 16th 1942 I again met the accused at May St., Dungarvan and he said he was going to the bank. He came back later and told me to come down to the bank and I would be paid. I did this and met the Agent but was not paid. On the following day I went to Toor with my son, but

did not see the accused nor my cattle.

Mr Kenny—Why didn't you take the cattle away when he offered them to you?

Witness—It was on a Sunday and it was too much trouble and I was satisfied to leave them there.

Re-examined witness said that if he had not seen O'Gorman's docket he would have got his cattle some day during the following week.

Thomas J. Casey son of the last witness deposed—On Aug. 19th, 1942 I remember it was fair day in Dungarvan. I took charge of 5 cattle which my father had bought and put them up to Egan's hotel yard. That evening I met the accused there and he asked me if I would sell the cattle. I said I would and he asked me what price I wanted. I told him I would take £10 each, and we eventually made a bargain for £9 10s. He told me he would not be able to pay for the cattle right away and produced a cattle-dealer's docket and he said that he had sold cattle to O'Gorman and that he was expecting £74 for them in a day or two. He agreed to meet me on the following Friday and that he would pay me the money. I wouldn't have given him the cattle if he had not produced the docket to me. I met the accused as arranged and he said he was sorry the money hadn't come from O'Gorman, but that he was sure he would get it within the week. I don't remember meeting the accused after that.

There were no questions.

The taking of further depositions was adjourned to the next court at Fermoy on Friday. The accused was remanded on continuing bail.

**EASTER.**

The holidays brought some of the "old boys" back to the Village "Pa" Nagle and John McManus from "Dublin's Fair City," and Jack Regan from Rathmore, which does not seem to be deep enough in the Kingdom to affect residents with the melodious accent. During the next holidays we should run an "Old Boys" Meeting and Hike. Plans for outdoor activity during the week-end were blown away by the stormy weather. One Patrol however hiked to the wood on Easter Monday and brought a tent with them, and according to report enjoyed themselves. They practised various kinds of Scout-work and A. Mulcahy obliged by cutting his finger for First Aid practice.

**MEETING.**

The Knight Clan were due to hold Patrol Meeting last Tuesday night. Some, all credit to them, were present in uniform. Others according to their usual practice of dodgery, were in mufti, but there is but little information about their activities. The next Clan Meeting will be on 4th May, and if any young man of the said Knight Clan wishes to risk the indignity of being sent home his uniform to don let him come to the meeting in mufti.

The Troop Meeting began on Wednesday night with O'Grady on Parade, and the whole crowd were knocked out like skittles. We got a short chat about 2nd Class First Aid Test, and for Semaphore practice we tried an Inter-Patrol Test at which it seems the Wolfhounds were best and Tigers worst. The idea was that a word was signalled and the first Patrol to send back the antonym won a point. There was an argument as to what an antonym was and if he has looked up his dictionary since Jolla knows now that he joined in on the wrong side. The Meeting ended with a sing-song.

**MICE GANG.**

Anybody whose house is troubled with rodents may apply to the Den for our mice gang who are guaranteed to put all cats and dogs to shame. The furniture and general equipment may get a bit upset, but you may be sure that two out of every three mice will be wiped out and presented to you. They are useful items to have when your friends come to use up your tea and sugar ration, as a dead mouse mixed up with the tea things will work results that the strongest hint would fail to achieve. And if you don't like that method you can always put the furry little body into someone's pocket.

**Eastertide**—The great festival of Easter was celebrated with customary solemnity in Kilwatermoy Church on Easter Sunday. A very large congregation being present at Holy Mass. The weather was rather unfavourable from a sporting point of view nevertheless, a number of enthusiasts travelled to Lismore to take part in the L.D.F. Parade and Green Cross G.A.A. matches while at night numbers travelled to Knockanore and Tallow where a variety of amusements were held.

**Successful Concert**—On Sunday night last a grand variety concert and question time was held at Knockanore Hall, under the auspices of the local L.S.F., and was very successful, the hall being filled to capacity. The programme was of a high-class and varied character, and each item was received with well-merited rounds of applause from start to finish. During the entire programme there was not a dull moment. The question time contest proved to be a very popular item. Four teams competing and after a very interesting contest, the Killeneagh team with 64 marks were declared winners. The winning team were—Sergt O'Brien, G.S., Mrs O'Brien, J. Beston, and J. Hourihan.

After the concert a very successful dance was held at which a large and enthusiastic gathering attended. A very happy time was spent by all.

**Death of Mr D. J. O'Brien**—We deeply regret to record the death of Mr David J. O'Brien which occurred at his residence Sapperton, Moorehill, on Monday of last week after a rather protracted illness, and to the inexpressible grief of his sisters and relatives with whom sympathy is felt in their sad bereavement and loss. Worthy member of an old-established and widely-connected family, the late Mr O'Brien was well known for his many sterling qualities throughout the Decies. In his early days "Johnny" O'Brien, as he was popularly known, became connected with the G.A.A., of which he was always a very staunch supporter. In later years, when Ireland called, he was not found wanting, and for a number of years was Vice-President of the Kilwatermoy-Sinn Fein Club, in which position he proved to be a most indefatigable worker. On the formation of an I.R.A. company in his native parish he was amongst the first to join, and was appointed Adjutant, in which capacity he served until the signing of the Treaty. When the order came from Dail Eireann to man the public boards of the country "Johnny" was selected by his fellow-clubmates to represent his district as District Councilor, and was appointed Vice-Chairman and during his term never missed a meeting, although at the time not a very enviable position, with the British Army of occupation on the track of all his fellow-workers. He is alas now no more, and one and all regret the passing of a good and sterling Irishman. A large and representative cortege accompanied the removal of the remains on Tuesday evening to Kilwatermoy Church where they were received by Rev Fr T. Tobin, C.C. On Wednesday morning Requiem Masses were offered up for the happy repose of his soul, after which the interment took place in the adjoining cemetery, where all that was mortal of deceased was reverently laid to rest in the presence of innumerable relatives, friends and sympathisers.

Rev Fr Flynn, P.P., assisted by Rev T. Tobin C.C., read the last prayers at the graveside.

The chief mourners were—Mrs H. O'Sullivan, Mrs B. Ahearne, (sisters), Mrs J. O'Brien, Mrs M. Malone, Miss K. O'Sullivan, (nieces) Messrs W. O'Sullivan, D. O'Sullivan, D. Ahearne, P.
