### Bishop Cohalan's First Public Visit

Brilliant sunshine flooded the streets of Dungarvan on Sunday last, May 16th, which was the occasion of the first public visit of our new Bishop, Most Rev Dr Cohalan to Dungarvan. The visitation was made to administer the Sacrament of Confirmation to the children of the Parish.

His Lordship arrived on Saturday night and was the guest of Very Rev T Canon O'Brien, P.P. V.F., during his stay. On Sunday morning a public procession took place from the Canon's residence to the Parish Church prior to the celebration of the Mass. Taking part in the procession were the Dungarvan Brass and Reed Band, members of the L.D.F., and L.S.F., Boy Scouts and Members of the Dungarvan U.D.C. Accompanying the Bishop in the procession were Canon O'Brien and Rev P Farrell, C.C.

The side walks were thronged with people who had come to welcome Dr Cohalan to Dungarvan. The Papal flags were fluttering from their standards at the churchyard gates, in the cool morning breeze. Inside the entrance gates a smart L.D.F. Guard of Honour was drawn up.

There were over 250 children to be confirmed from the Mercy and Presentation Convents, CBS, and National Schools in the parish. These with their parents, relatives, friends and big numbers of the general public packed the spacious St Mary's Church even to the very doors. Every available inch of space was taken up and Dr Cohalan must have indeed been pleased at the splendid reception he received from the parishioners of the Old Boro.

Assisting his Lordship in the administration of the Sacrament were the Canon, Rev J Roche, P.P. Abbeyside, Rev P F McGrath, P.P. Ring and Old Parish, Rev Fr Farrell, Rev Fr Power and Rev Fr Corbett, the Curates of the Parish.

The sponsors for the children were Miss Peggy O'Sullivan, Presentation Convent, Miss Josie Shanahan, Mercy Convent, and Mr Michael Flynn, Secretary Board of Public Assistance, for the boys.

The Bishop preached a very fine sermon which was addressed in great part to the children who were to be confirmed.

The main points taken from the sermon were as follows—

His Lordship first sincerely thanked Canon O'Brien for his very warm welcome to the Parish and for the great hospitality he had given him. He also thanked the parishioners for their affectionate welcome. He little thought last January that he would have the great privilege of conferring the Sacrament of Confirmation in Dungarvan in May. He realised that his reverence and affection was not given to him personally but was rather a display of their great joy that they had a Bishop in their midst.

His Lordship then expressed his appreciation of the deep religious spirit that he felt existing in the Parish of Dungarvan.

A centre from which radiated all the religious energy of the Diocese. Dungarvan was well known to Corkonians, and in recent times he observed humourously was always mentioned as "The Full Stop" for those who happened to be travelling to Waterford by car.

Referring to the solemn function that was to soon follow Dr Cohalan strongly advised the parents of the Parish to take special care of their children between the critical years from 14 to 21. He himself since 1929 had been very deeply interested in the spiritual welfare of boys be-

tween those ages. He found no better means of safeguarding their faith and morals than the monthly reception of Confession and Holy Communion. It would be a great misfortune, he said, if the coming generation were to be false to the great religious traditions of their ancestors.

In conclusion his Lordship sincerely thanked the parents of the children for their very neat appearance. Many, he said, had stinted themselves to provide their children with those beautiful clothes. He also thanked the teachers for the great pains they took to impart a knowledge of Christian Doctrine to the children. Finally he said he would long remember that first Confirmation Day in Dungarvan.

### SOLEMN BENEDICTION

After conferring the Sacrament and administering the pledge, Solemn Benediction was imparted by his Lordship.

Miss H. Boyle, presided at the organ.

### AT ABBEYSIDE

On Monday morning last, May 17th at Abbeyside, Parish Church his Lordship, Most Rev Dr Cohalan, Bishop of Waterford and Lismore administered the Sacrament of Confirmation to upwards of 80 boys and girls drawn from the united parishes of Abbeyside, Garranbane and Ballinroad.

On entering the Church gates, His Lordship, who was accompanied by Very Rev T Canon O'Brien, P.P., V.F., Dungarvan, was received by Rev J Roche, P.P., Abbeyside, Rev M Power, C.C., do Rev P Farrell, C.C., Dungarvan, Rev Fr Power, C.C., do, Rev Fr Corbett, C.C., do, Rev Fr Conway, P.P. Kilgobnet, and Rev M O'Meara, C.C. do.

The 4th Waterford St. Joseph's Troop (Abbeyside) Catholic Boy Scouts in charge of Scoutmaster L F Lanigan, solo formed a Guard of Honour outside the Church gates and his Lordship offering the boys his greetings, shook hands with the Scoutmaster and was then conveyed to the sacristy.

The Church was packed to overflowing when his Lordship entered by the main door and as he proceeded to the high altar he blessed the vast congregation.

Mass was celebrated at 10 o'clock by Rev M. Power, C.C., Abbeyside. His Lordship presided at the Mass and was attended by Canon O'Brien, and Fr Corbett, C.C.

At the conclusion of Mass Dr Cohalan addressing the boys and girls welcomed them all and said it seemed strange that in such a short time only 9 or 10 years ago they all came fresh from God and were not long born when they received the graces of baptism. Today, said his Lordship the boys and girls present will receive the Sacrament of Confirmation, the Sacrament which will make them spiritual soldiers of Christ.

His Lordship then administered the Sacrament to the boys and girls and was attended by Rev Fr Power, C.C., Dungarvan and Rev Fr Farrell, C.C., do. The sponsors were Mrs Christopher, NT, and Mr M Foley, MA, NT.

After having giving the boys and girls the Confirmation pledge his Lordship said that they were now true soldiers of Christ and no matter wherever they were living during the course of their lives Our Lord wanted them to be always faithful and strong in their faith. They were fresh and clean in mind and heart now but later in life the heart might get tired and fatigued but if they proved true soldiers of Christ they would receive grace from heaven that would prevent them from ever getting tired.

His Lordship stressed the point of being truthful at all times whether the truth was in favour or against you especially in the home and to be ever obedient to their fathers and mothers. Boys and girls should always make their parents the centre of their mind. He advised them all to be obedient to their teachers or whoever had control over them.

Thanking Father Roche for the flourishing condition of the Parish his Lordship said that he knew Father Roche was a live-wire and he would prove the man in gap. The people of Abbeyside, Garranbane and Ballinroad should feel proud of having such a splendid Parish Priest. He also thanked Fr Power for all his good work in the Parish. His Lordship also thanked the teachers who had taught the children their Christian doctrine. He then dealt with the importance of the teaching of Christian doctrine and said they were all greatly indebted to all Catholic teachers of this parish for the conscientious and thorough manner in which they imparted the knowledge to the children and prepared them for the Sacrament. The grand testimonial of trust given to the teachers by Church and State, fathers and mothers, was well and faithfully carried out in this parish.

His Lordship then thanked the choir for their inspiring hymns. The nice music rendered and the lovely hymns sung that morning he said, put us in touch with heaven.

In conclusion, his Lordship said that on the evening of Jan 20th, he little thought that he would be Bishop of Waterford and Lismore today. That evening after he had returned from a walk was the first intimation that such an Honour was about to be conferred on him. His heart and mind at the time were centred in the Youth Fraternity of St Finbarre's West, for he was always anxious that boys from the ages of 14 to 21 should go to the Sacraments at least once a month. He would be happy to think that the Priests, teachers and parents should see that the boys and girls of this Parish should receive the Sacraments at least once a month. Referring to the motto of the late Bishop Hackett—"Doing the right thing out of love," which is hanging on the altar of the private oratory in the Bishop's house Waterford, he said that this noble motto should be carried out by all.

He felt very proud to be giving the Sacrament of Confirmation to the lovely boys and girls of Abbeyside and though he was only a short time with them he felt that they were all going to be one happy family in the Diocese of Waterford and Lismore. His Lordship then gave Benediction of the Blessed Sacrament and the ceremonies concluded.

The other teachers present were—Mrs McCarthy, Mr P O'Neill, Mr M Brennock, and Mr T Mulcahy.

Mrs H Foley, presided at the organ and had charge of the choir.

As the Bishop left the Church large crowds gathered around him to kiss his ring.

**PRICE OF WOOL—**Agitation was started recently at a meeting of the Co Committee of Agriculture to have the price of wool increased. We now understand that the price has, in fact been increased since then to 1/10 per lb.

### DEATH OF MR J. LANDERS, BALLINACOURTY, RING

Sincere regret was caused by the death of Mr James Landers, after a brief illness which took place at his home Ballinacourty, Ring on Sunday last May 16th. Deceased was a well-known and prosperous farmer and was held in the greatest respect by all. At the removal of the remains there was a big attendance of the general public, and at the burial at Kilminion on Tuesday another big number of mourners and sympathisers was present.

Rev Fr M Power, C.C., officiated at the graveside.

The chief mourners were—Mrs Margaret Landers (widow), Miss Margaret Landers, Square, Dungarvan (sister), Messrs John and Michael Landers and Donal Kennedy (nephews), Mrs E Rockett, Tiamore (niece), Mce and Mrs Crotty, Mrs Wm Crotty and family, etc., etc., (cousins).

### Tiocfadh An Aiseirighe

Ta farsai na hAiseirighe ag leathadh amach o'n gceannchathair. In gach Conntae ta na fiosaigh ag teacht chum cinn chun seirbhís do thabhairt do'n nguaiseacht na siúnta is uaisle agus is ríoghdha dár bunailhead riamh san tír seo béidir. Cad é rún a buaidhe Mísneach, agus dílseacht, agus fonn chun iodhbairte a bheith ina lucht leanúna. Toll do chlaoidte agus an saoi-séal fíor a chraol na tírghradhóirí uile a bheith a chraolaidh aca, i Poblacht saor Gaedhealach go mbéidh comhtrómh na Féinne le faghbáil ag cách ann. Tá An Aiseirighe dhéanach forfhogartha a clann na Gaedhil Tá Aire ag glaochach airis ar a cloinn A mhuintir na nDeise aiseirigh!

And now in the language of the foreign king. The people of the Deise have heard the voice of "Aiseirighe" recently. They can be assured that they will hear it often in the future. The time has arrived for the children of the Gael to awake from their slave slumbers and to march forward once more to National salvation under the banner of Aiseirighe. Slowly but surely the Aiseirighe movement is spreading throughout the Island of Eiríonn. Enlightened opinion in every quarter is beginning to swing over to the new National Movement, for in its well-defined and most comprehensive policy for National reconstruction, all can vision the salvation of this country. Of course the timid and the selfish will oppose this movement, but however those have opposed every national movement in this country down the ages. And pessimists will stand by and say they are fools, hypocrites, Eire is dead. She cannot arise again. Gaelic enthusiasts will say they strive for too much they will compromise on the language question. Let them read "Aiseirighe 1942," let them know that the National Party holds many Gaelic fanatics whose mission in life is to end the domination of Béarla na Sacsán in Eire. Anglo Ireland is an evil offspring of the Conquest which must be deported. We hope to demonstrate in a subsequent article how Ailtiri Na h-Aiseirighe will set about reviving the language in the good old Gaelic way of "ar ais nó ar éigín."

With trust in God faith in the genius and valour of the Celtic race, with an iron determination to overcome all obstacles and do what is just though the heavens should fall. One faithful generation can realise the ideals of the Patriots and verify the vision of the Gaelic poets—a Sovereign Independent Nation.

But the movement must be kept clean and honourable and above corruption. Idealism must be our eternal guide for on the day that idealism is sacrificed in the interests of cold calculation and expediency, we will start to waver to compromise to become corrupt political jobbers, as the professional party politicians. However, methinks Geroid ó Guinneagain is not one to compromise in anything and Ailtiri na h-Aiseirighe demands from party members unshakable confidence in An Ceannaire, rigid discipline in the ranks of the party, sincerity and a will to work. The movement is voluntary. Those who join do so of their own free will. Those seeking personal glory or cheap publicity will find the movement not to their taste. Anyone tending to draw the Party into disrespect by word or action shall be promptly expelled. The necessity for such a well-disciplined party is evident to all, as the tasks which confront Ailtiri na h-Aiseirighe are colossal. The National Party must show the way to others. Onward then! Tiocfadh an lá. Read Aiseirighe Says. Wear the Aiseirighe emblem.

The first cumann of Ailtiri na h-Aiseirighe in a rural area in the Deise was established in Sliabh gCua on Thursday, May 13th, at the "Half-Way" On

next Thursday a public lecture will be delivered by P O'Flannghisla, on "How Aiseirighe will Gaelicise Eire." As this cumann at present holds 75% Gaelic speakers most of the work at its meetings can be conducted in Gaelic.

Anyone in the Deise interested in the new National Movement and anxious to form a cumann in his district should communicate with Pádraig O'Flannghisla, Réidh-na d'Tiompan, Baile Mhíche Chairtre Cluain Meala.

Bíodh Gaedhilgeóirí deimhneach go léigfidh siad an t-ait a beas ar an "gCeannasaldhe" (Leader) an t-seachtmáin seo chughainn.

## Western Divisional G.A.A. Notes

(By AN RUNAIDHE)

**Another Draw—**The replay of the J.F. Clashmore v Old Parish at Ardmore on Sunday was again a drawn game. After a great hour's game both sides were level and Paddy Moloney decided they should both live to play another day. The field arrangements carried out by Ardmore club were excellent.

**At Aghlish—**Blackwater Rovers meet Geosh Emmetts on Sunday and those new teams coming from almost the same parish will put up a hard, keen game for the right to enter the third round. Jas. Ahearne will act as referee.

**At Durrow—**Coher Ramblers meet, Stradbally in J.F. and Dungarvan play Kilmacthomas in J.H. The Cohers are pretty confident of victory, but the Stradbally lads are hard to beat in football. In the hurling game Dungarvan will start favourites, but Kilmac' fancy their chance of pulling it off. D O'Sullivan referees the football and J Ormonde the hurling.

**Withdrawal—**Ardmore have notified the Div Sec they will be unable to field a team against Fourmilewater.

**Co Board—**A meeting of the Co Board will be held in the Gaelic Field, Dungarvan, on Sunday next, at 5.30 p.m.

**Big Attraction at Dungarvan—**Lovers of both codes of Gaelic games will have something special to go to on Sunday. The trial of the hurling stars of East and West will be on view with the inter-county selectors having a close eye on current form. The cream of both Divisions will be out and a game that will be talked of is expected. See Keane and his Mount Sion club men combined with Mick Hickey and other stars fight it out against a Dungarvan, Tallow, Lismore and individual players from six other clubs selection. Reputations can be won or lost on Sunday.

The S.F. game, Kilrossanty v McDermotts (Army) needs little comment. These army men are a danger to the best in the county, and the game against the famous Comeragh players will be one to see. A fine programme.

**Last Sunday's Results—**(Co Championships)—At Ardmore—J.F. Old Parish, 1-2, Clashmore 1-2.

At Lismore—J.H. Glen Rovers, 2-8, Tourin 3-1. At Cappagh—J.F. Finisk Rovers 0-6, Modelligo-Affane, 0-2.

At Dungarvan—S.H. Tallow, 6-6, Erin's Hope, 1-7. Challenge J.F.—Ballycoe defeated Dungarvan.

**Sunday's Games—**(Co Championships)—At Aghlish—J.F. Geosh Emmetts v Blackwater Rovers, at 4 p.m. Ref J Ahearne.

At Durrow—J.F.—Coher Ramblers v Stradbally, at 3 p.m. Ref D. O'Sullivan. J.H. Kilmacthomas v Dungarvan, 4.15 p.m. Ref J Ormonde.

**Waterford Co. Board Of Public Assistance**

**Emergency Bonuses**

**Food Voucher And Fuel Schemes**

At the monthly meeting of the Board of Assistance held at the Courthouse Dungarvan, on Monday last Mr D Coughlan, presiding. Also present—Messrs L. A. Veale, J. O'Connor, Senator J. Butler, Mr McGrath, and Mayor Paul Caulfield.

Mr S. J. Moynihan—County Manager, Mr M. Flynn, Secretary, and Mr Phelan, Superintendent Assistance Officer, attended.

**Emergency Bonuses**  
Senator Butler asked about the resolution passed at the last meeting in connection with the bonuses.

The Manager said that in arriving at the bonuses he was bound by an Emergency Powers Order, and subject to sanction, he ordered that the following be paid as from February 1st '43:

To married persons, widows, widowers, 5/- per week  
To single persons 3/6 per week

To employees resident in institutions and in receipt of a rationing allowance 3/-  
To married attendants living out 5/-, and to attendants living in 2/-

Senator Butler—I am glad the order was made, but I am far from satisfied with the amounts. Alderman O'Connor said it was wrong to strike one rate for single people and another for those married. There was a big principle involved for if other branches of industry adopted a like procedure it would effect employment. No employer would want to employ a married man as he would have to pay him a bigger bonus.

Mr Veale raised the question of increases to five male attendants doing work in the incurable wards at the County Home.

The Manager said he was attending to the matter.

**Food Voucher Scheme**  
Drawing attention to the above Senator Butler said that the original scheme had been suspended for a time and a new scheme had now taken its place. He had been told that people who had got vouchers under the first scheme had been cut off under the present arrangement. He wanted to know how this happened.

Mr Phelan said that most of the people got it during the winter, but during the summer only the very deserving cases got vouchers. The people whom they thought could do without them were cut off.

Senator Butler—I have seen some in town who have been cut off and they are absolutely destitute. I can't understand how you segregate them.

The Manager asked Senator Butler to send in the names of these people and their positions would be examined.

**Fuel Scheme**  
The Manager asked the members to pass a resolution granting a free 1-cwt of turf to each recipient. He said up to the present these had to pay 1/- for 1-cwt, but he proposed to give it free. The all-in cost would be about £120 and that could be easily found.

Alderman O'Connor said there should be no reduction as it takes the same amount of fuel to cook meals in the summer and winter. It was wrong to cut it down. Even with drastic economies it could not be done.

The Manager said that Alderman O'Connor's argument was not good.

Mayor Caulfield—It is a mystery to me how ordinary working people can cook three meals. It is alright for those with gas and electric cookers.

Alderman O'Connor—That's right.

Mayor Caulfield—I think that the very poor must not be able to cook their food at all since the turf had been cut off. There is no doubt but this world is very badly divided.

Mr Veale said that the free fuel scheme was alright, but he said that although the merchants were getting £3 a ton for the turf they would not deliver it for the poor people. To pay for delivery as they had was doing away with the good of the scheme. It was thoroughly unfair.

The Manager said that the delivery of the fuel was not a matter for the Board of Assistance.

The resolution to grant a 1-cwt of turf free to each recipient of Home Assistance was then proposed by Mayor Paul Caulfield and seconded by Alderman O'Connor.

Senator Butler supported the motion and it was passed.

**PAINTING EXHIBITION FOR DUNGARVAN AND CAPPOQUIN SCHOLARSHIPS**

In the absence of the Very Rev Chairman Mr D Coughlan took the chair at the monthly meeting of the above. Also present were Messrs M O'Hara, M F Walsh, L A Veale, M Harty, J McGrath, M McGiath, T A Kyne, Fear Mor, Liam O Miodhachain, Messrs J Lanigan, CEO, and Inspector Kirwan, attended.

**Delegates to Annual Congress**  
The Department in a letter approved of the payment of expenses to the delegates and officers authorised to attend the Annual Congress of the Irish Technical Association at Dun Laoghaire from June 8th to 10th.

The delegates to attend are—Messrs M Harty and M Morrissey with Fear Mor.

**£3 Worth for £1.**  
A list of 40 books in Irish published at a total price of £3 16s 7d and now offered by the Department for £1 to help school libraries was received.

It was decided to purchase 2 sets.

**Painting Exhibition for Dungarvan and Cappoquin**

The Department wrote inviting the Committee to avail of the special arrangements being made for the holding of an exhibition in Technical Schools in Eire of paintings by Irish Artists. The Department desired to prepare an economical itinerary for the exhibition so that it may operate early next session.

The exhibition would consist of 61 paintings and the object was to awaken interest in art and to give the people in country towns a chance of becoming familiar with the works of Irish Artists.

In reply to a question, the CEO said that the expenses to be met would be carriage of the paintings and part of the insurance on the collection which were valued at £3,000.

It is a fine opportunity stated the CEO and we have a very suitable room for it and I am anxious that you would avail of it.

It was decided that application would be made for a week's exhibition each in Dungarvan and Cappoquin.

The Inspector said that the exhibition would take place about November next.

**Emergency Bonus**

The Department stated that the Minister could not see his way to sanction payment of emergency bonus at rates in excess of those paid by the parent local authority.

Mr Veale protesting said that it was the lowest paid people were the most badly hit and he said that the Department should be asked to reconsider the matter again. The bonus of 3/6 granted by the parent body was so little as to be useless. Employees in other industrial concerns has been awarded up to 8/- a week.

Mr Kyne said that the Dublin Committee granted a bonus of 7/- to the caretaker.

Mr O'Hara—Probably the parent body had a higher rate there.

Mr Kyne—It is no tribute to our parent body to grant 3/6.

Mr Veale—Public Boards should give good example in these matters. Instead there is no need paid to the Constitution which is based on the Pope's Encyclical "Rerum Novarum". There is no improvement in the country. People are being banished out of it by economic conditions as they were during the famine. It is time to give the people a decent living wage and by doing so you will be doing away with all communistic tendencies. If that is not done we may wake up some morning and find what has already happened in other countries through the same reasons.

Mr Harty—The Department is very unreasonable.

It was decided to send the letter back for reconsideration.

**A Matter for the Agricultural Committee**

Mr Veale also raised the matter of forestry development, and said that it was sorely neglected during the past 20 years.

Inspector Kirwan—That is probably a matter for the Co. Committee of Agricultural.

**Scholarships**

It was decided to award a scholarship in Domestic Economy at St Mary's College of Domestic Science Dublin.

During the discussion Mr Harty said that it was not right that all the scholarships should be going outside the county. The Committee do not spend

any money for these in Waterford.

Mr Kirwan—The money spent in this scholarship will come back by way of earnings when the pupil is qualified. She will get a diploma in household management and these are in great demand now.

**New Appointment**  
The Department in a letter stated that they had no objection to the filling of the vacancy caused by the departure of Miss N Guiry at once.

After a discussion it was decided to make the appointment either in August or September.

**Go Council Scholarships**  
The CEO drew attention to the fact that under the conditions laid down for the above no boy would avail of the Scholarship to Vocational Schools. There was an offer of 5 years from Primary to Secondary and of only 2 years from Primary to Vocational. Naturally a boy would take the bigger one which was the Secondary one. He said it was time to bring in a scholarship scheme of their own.

After a discussion it was decided to postpone consideration of the formulation of a scholarship scheme as suggested to the July meeting.

A resolution stating that the time is at hand for a scholarship scheme from Primary to Vocational Schools was proposed by Fear Mor and seconded by Mr Walsh and passed.

**E. S. B. Scholarships**  
The CEO said that under the present arrangement only boys in the East of the County were being selected. He thought this unfair.

When different aspects had been viewed it was agreed that the CEO be instructed to see the District Engineer in Waterford with a view to the selection of a boy from the West of the County even if he were to be subsidised by a scholarship from his committee.

**Permanent Appointment**  
On the proposition of Mr M F Walsh seconded by Mr Harty it was decided to make the appointment of Mrs Bonner Cappoquin, permanent.

**Irish Course At Ardmore**  
The sub-committee stated that the same professors had been appointed for the Irish course at Ardmore in July.

**Acknowledgment**  
A letter from Rev T B Walsh, B.A., P.P., St. Patrick's, Waterford thanked the Committee for their very kind congratulations on his recent appointment.

**CARRICK NEWS**

**£10 Fine for false statement re Kerosene Supply**—At Carrick-on-Suir District Court on Monday last James Brophy, a small farmer of Ballygowan, Piltown, was fined £10 and ordered to pay £5 witnesses costs for having made false statements regarding the securing of supplies of kerosene.

**Heavy Fine for failing to stamp dance hall tickets**—At Carrick-on-Suir District Court, Sean Healy Ard Mhuire, Carrick-on-Suir, owner of a dance band, was fined £50, mitigated to £12 10s for having failed to stamp tickets of admission to a dance he organised at the Forester's Hall.

**£2 Fine for failing to keep tea record**—Mrs. Ellen Walsh, grocer and licensed vintner, New St., Carrick-on-Suir was fined £2 for having failed to keep tea records as required by the Department of Supplies.

**Sequel to crowds at Carrick Carnival**—Mary Guiney, publican and Margaret Cowley, publican Carrick-on-Suir were fined 5/- each for a breach of the licensing act on Sunday night April 25th.

The defence was that there were large crowds in Carrick that day for the carnival and it was difficult to keep them out of publichouses. Another point was that it was the first day the new licensing act was in force and the defendants were not clear as to the act terms.

**ANNUAL GENERAL MEETING OF SHAREHOLDERS**

(From our Cappoquin Correspondent)

The annual general meeting of the Shareholders in the Knockmeal Co-Operative Creamery Society Ltd., was held in the Society's Office, Knockmeal, Ballinacorney, and was very largely attended.

Mr Nicholas Quealy, Chairman, presided, the other Shareholders present included Messrs Francis Drohan, P.C., Wm Condon, Roger Kirwan, Patk Walsh, John Lonergan, James Power, Walter Cullinane, Michael O'Ryan, M.C.C., Patk Nugent, Michael Whelan, Thos. Barron, John McConville, Thos Scanlan, Hugh Walsh, Michael Byrne, Thos. Cullinane, John Butler, Michael Walsh, John Phelan, Thos F Walsh, Michael Hallinan, Michael Cullinane Emmet Power, Michael Power, Denis Crotty, Wm. Tobin, Patk Coffey, Jas Walsh, Patk Quinlan, John Butler, John Power, J Lyons, Jas Condon, P Coffey, C Butler etc.

The report of the Auditors, Messrs Swaine, Browne & Co., Dublin was read, in the course of which they paid high tributes to the careful and excellent manner in which the accounts from the various branches had been prepared and presented for audit, and they stated that they were in the happy position to report that last year's record turnover of £177,000 had been greatly exceeded during the current year when the turnover reached the high figure of £191,000, which showed a very substantial increase in profit on the previous year's trading.

This was considered very satisfactory by the members, in view of the great scarcity of commodities during the past year and after a short but interesting discussion the Auditors' report was unanimously adopted.

Mr P Courtney Organiser, IAOS then addressed the meeting and dealt at length with all phases of the dairying industry and warmly congratulated the shareholders on the successful year's trading revealed in the Auditors' report, and complimented them on the

sound and strong financial position in which they now found themselves, thanks, mainly, to the very efficient manner in which their extensive business had been conducted by those at the head of the Society, (hear, hear).

The following resolutions were then proposed by Mr M O'Ryan, seconded by the Chairman, and unanimously adopted—

(1) "That we again protest against the price fixed for butter by the Minister for Agriculture, as being totally inadequate to pay the farmer for milk production. We are convinced that milk production will further decrease, and that, consequently, there will be a dangerous decrease in the number of cows in this country, which will be followed by a disastrous diminution of store cattle, the trade for which has been our greatest national asset."

(2) "That we protest against the rationing of butter in the case of milk suppliers, as we believe that it will result in farmers keeping enough milk at home to supply their household requirements. This will pave the way for general "black-marketing" of butter, and there will be a very serious reduction in the quantity of milk delivered to creameries, which, in turn, will mean less butter under Official Control."

(3) "That the members of this Society are of opinion that the present system or method of bull inspection is injurious to the best interests of the dairying industry."

That bulls are passed, not from the record of their dams for milk yield, but on their conformation that the Inspectors take into account the production of beef stores, rather than milk, and that, as a result, the yield of dairy cows has been rapidly decreasing, that we suggest that instead of the present method there should be a selection of the best dairying cows and their male progeny used as bulls in the various dairying districts."

It was ordered that copies of the above resolutions be forwarded to the Minister for Agriculture by the Secretary of the meeting.

Several matters of detail as to the working of the Society having been fully discussed a warm vote of thanks to Mr Courtney for his able and instructive address and also to Mr Nicholas Quealy for having so ably presided, concluded the meeting.

Tallow Defeat Erin's Hope In Senior Hurling

Tallow—8-8, Erin's Hope, 1-7

At the Gaelic Field, Dungarvan, on Sunday last, Tallow met and defeated Erin's Hope in their senior hurling Co Championship tie by a big score. The day was gloriously fine with a high sun shining from a cloudless sky and the attendance was good.

The game itself was not a very brilliant display of senior hurling, nevertheless both sides fought grimly for the best part of the hour. Towards the close of the game Tallow dominated and pulled up a big score, but the junior champions fought gallantly until the final whistle. The game was played in a grand clean, sporting manner and both teams deserve to be highly congratulated on their manly display. The refereeing of Mr James Good, is also to be highly commended as he handled the game in a grand manner.

THE GAME

Tallow playing to the town goal in the first half were defending from an early attack by Erin's Hope. From a cut-in Erin's Hope were in Tallow territory but the ball went wide. In the next exchanges Wade and Walsh were seen to advantage for Erin's Hope when they cleared dangerous drives by the Tallow men. Erin's Hope had hard luck for a score in the next few minutes and following some very nice stick work, Pa Sheehan was inches wide of the Erin's Hope goal. From the puck-out Tallow attacked and forced a 70, which was taken by Noel Condon but was driven wide. Even play resulted from the ensuing exchanges and some great duels were witnessed with Tallow trying to break through.

Erin's Hope lost several scores at this period of the game due to the brilliant goal-keeping of M Curley. Tallow shortly afterwards opened the scoring when Doyle pulled on a flying ball to send over the bar. Tallow were now testing the Erin's Hope defence and had hard luck for an other score when the ball hit the upright, and rebounded a 50 to Tallow taken by Condon. The Waterford team showed many new faces, and one missed the brilliance of Moylan, the speed of Barron, the accuracy of "Plus" Dalton, and the daredevil tactics of Dee Godd. Had those players services been availed of, Waterford would certainly have gone into the next round of the Munster Championships.

Waterford got away from the start, but Allen sent Tipperary to the attack. Andy Fleming cleared brilliantly and put Kieley in possession, the latter parted to Phelan, who missed narrowly for Waterford. Williams, from the delivery, left Donoghue in possession, the latter sent well into Condon but he was stopped by Veale, who cleared for Waterford. Donoghue again securing possession, hand-passed to Condon who kicked a goal—a high lobbing ball from about 30 yards out. Bill Ryan was to the fore in a Waterford movement which P Kieley finished, but Williams the Tipperary goalkeeper cleared when under pressure B Kissane, the Arravale Rover Chemist, came on as sub for a Tipperary player, who went off injured. He proved his worth shortly afterwards when he scored two points from the left wing. Phelan, Kirwan, Curran, Lannon and Power, were seen to advantage for Waterford at this stage and when Phelan centred to O'Connor, Waterford had their first minor Tipperary towards the close of the first half had another goal and they turned over with a substantial lead.

On resumption, some positional changes were noticed on the Waterford side. Lannon, O'Connor and Curran shared a Waterford onslaught on the Tipperary posts but Winters made a lengthy clearance to centre-field where Treacey placed Kissane for a fine point from the wing. Tipperary had the game now safely in hands and Hayes Condon and Kissane had further points, and the only reply from Waterford was a point scored by Mick Connors and a goal by Tommy Curran.

The Waterford team—James Corbett, M Coffey, R McGuire, A Fleming, W Ryan, T Veale, J O'Grady, P Kieley, P Kirwan, A Power, K Phelan, J Orpen, P Lannon, T Curran, M O'Connor.

Tallow goals in which "Plus" Dalton was injured, but resumed. A free to Erin's Hope taken by "Mickleen" Whelan put the Erin's Hope men further ahead when he sent all the way over the bar. Following this score Tallow got going and in a twinkling were in for a very fast goal. This put Tallow on their mettle and following another nice bit of hurling Tallow were through again for a point. The teams were now level and some great clashes were witnessed. From this period onwards Tallow more or less were playing in winning vein and were hurling in their old traditional style. Score after score was piled up by Doyle and McNamara, and with the brilliant saving by M Curley in the Tallow goals the Erin's Hope men were hard put to it to stave off the repeated attacks of the Tallow men. A 70 to Tallow taken by Condon went all the way for a point for Tallow. Mick Curley next brought off a brilliant save for Tallow when the ball was all but in the net. Tallow going into the attack again scored another goal and a 70 taken by Condon again sailed between the uprights. Tallow were now all over Erin's Hope but he it said the Hope's were defending gallantly. A free to Erin's Hope taken by "Mickleen" Whelan resulted in a point. Before the final whistle Tallow had another goal and shortly afterwards the long whistle sounded leaving the final scores—Tallow, 8-8, Erin's Hope—1-7.

The teams were—  
Tallow—M Curley (Capt), N Condon, C Curley, T McCarthy, P Neville, J Hartigan, P Molone, T McCarthy, P Sheehan, H Ronayne, W McGrath, J McCarthy, D Doyle, J McNamara, T McCarthy.  
Erin's Hope—P Harris, A Wall, P O'Connell, M Keating, P Walsh, P Wade, T Walsh, Jas Kirwan, T Keating, P Butler, Mce Power, P Dalton, M Whelan, D Wall, P Kirwan.

Waterford v. Tipperary At Clonmel

Tipperary, 2-7, Waterford, 1-2

Tipperary, giving a rather unimpressive display, easily accounted for Waterford on Sunday last at Clonmel in the first round of the Munster Senior Football Championship.

The Waterford team showed many new faces, and one missed the brilliance of Moylan, the speed of Barron, the accuracy of "Plus" Dalton, and the daredevil tactics of Dee Godd. Had those players services been availed of, Waterford would certainly have gone into the next round of the Munster Championships.

Waterford got away from the start, but Allen sent Tipperary to the attack. Death Of Mr. J. O'Brien, Moonamon, Lismore

REGRETTED PASSING OF A NOTED NATIONALIST

(From our Cappoquin Correspondent)

The death of Mr James O'Brien, Moonamon, Lismore, which occurred at his residence on Tuesday, May 11th, has removed from our midst a noted and fearless Irish Nationalist and has caused deep and sincere regret throughout all parts of West Waterford.

A well-known and highly-respected farmer, the late Mr O'Brien, was in his younger days an able and prominent member of the old Lismore Board of Guardians and Rural District Council, and had always proved a loyal and conscientious representative of the ratepayers, who had the greatest faith and confidence in him year after year.

Imbued with the most lofty ideals of Irish Nationality, he had frequently found himself in conflict with the Conservative party who then occupied a place on the Board of Guardians as "Ex-Officio Members," who represented nobody but themselves, and it was too much for his fiery and fighting spirit to patiently listen to those anti-Irish bigots whenever they tried to sneer at the claims of the Nationalist members, who, in addition to him, were then bravely represented by such patriotic Irishmen as the late Pat Walsh, of Tallow, Alex Heskin, Glencalra, Aglish, Pat O'Gorman, Lismore and the irrepressible Tom Kiely, of Killenagh, etc.

Those were hectic days on the old Board when the question of Home Rule for Ireland always occupied a predominant place in most of the discussions, but the late Mr O'Brien always covered himself with glory, both as a public and duly elected representative of the ratepayers, and a consistent and unwavering Irish Nationalist. Following the dramatic change which came over the political horizon in later years, the deceased developed more extreme views, and became an ardent disciple of the Republican movement, and was heart and soul in the Fight for Irish Freedom which was started in Dublin during the memorable and glorious Easter of 1916.

He continued to be an active and loyal supporter of the Republican and Fianna Fail policy from this stage onwards, and although the extreme views of his younger days were somewhat meliorated by time in later years, he never lost faith in the cause which he had then espoused and remained a loyal and unchangeable supporter of this policy to the end.

Despite his extreme views it can safely be said of him that he never made an enemy, nor lost a friend for those who knew his unselfishness and sincerity of purpose only admired him all the more, and held him in the same respect and esteem as they had done in his younger days.

Personally, he was a fine type of Irishman to meet at any time as he was always kindly and generous, a hard-working and industrious farmer and a grand companion and so it is that his death now after a long and blameless life, has caused a feeling of the deepest sorrow amongst his many old friends around Lismore and Cappoquin, and throughout the entire confines of the county Waterford. He was married to a splendid type of Irish lady, a member of the old and respected O'Donovan family of Shrough Lismore, and he now leaves behind him to mourn his loss, in addition to his widow, three sons and two daughters, one of the latter being the wife of Mr Jack Bennett, Lismore and the other being the wife of Mr James Fraher, Abbeyside, Dungarvan, to all of whom the deepest sympathy of the public is now extended in their sad bereavement.

Requiem Mass for the repose of his soul was celebrated at his late residence on Thursday morning, 13th inst, by Rev T Dunphy C.C., Cappoquin, and at 3 o'clock on that afternoon the funeral took place to the County Council cemetery, Lismore, when striking evidence was provided of the great sorrow caused by his death owing to the extremely large and highly-representative attendance of the general public from all parts of West Waterford.

The cortege was head by Rev Father Dunphy and Rev P J Flavin, St John's College, Waterford, who later officiated at the graveside.

The chief mourners included Mrs O'Brien (widow), Jerry

WHY NOT NOW?

WE hear and read a lot about postwar planning It is indeed a very necessary thing and it is heartening to see that even in the midst of the turmoils of war people are looking ahead when peace will again fall gently over all countries

In this country as in those not so fortunate lands which have been ravaged by war lords, plans are also being made which will be put into effect when this abnormal period passes away

Housing schemes and general improvements form the backbone of these plans

Dungarvan, like other centres will contribute its quota to this planning, but many will ask is there need to wait until the war is over before a housing scheme is started Certainly we agree that material is scarce, but we see that such schemes are being carried out in Carrick-on-Suir and Cahir towns not very far from Dungarvan At home we find ambitious plans by individuals on the brink of being started but at the same time we find our local administration very lax No effort is being made to embark on a housing

scheme no matter how small even though houses are very badly wanted in the town

If houses can be built in neighbouring towns we would like to know why the same cannot be done for Dungarvan If a scheme was inaugurated it would be a gilt-edged security for the Council There are plenty of tenants willing to pay a decent rent for suitable dwellings

We suggest to the Urban District Council, and to our very efficient Borough Surveyor that an effort should be made to put such a scheme into operation as soon as possible It is very badly needed

CAPPOQUIN NEWS

ANNUAL MAY PROCESSION—

The annual May Procession in honour of the Blessed Virgin Mary, which had to be postponed from the previous Sunday owing to the inclement weather was held through the beautiful grounds of the Convent of Mercy at Shanbally on last Sunday afternoon under glorious weather conditions. The sun shone almost with tropical heat and splendour, and the rich profusion of rare shrubs and flowers which adorn the picturesque Convent grounds presented a charming picture while the air was pregnant with the refreshing fragrance of the myriads of flowers which stud this hallowed spot.

At 3 o'clock the various parties taking part in the Procession assembled in the vicinity of the Convent School, at the South side of the ground, where the Procession was formed in perfect order in an incredibly short space of time.

The programme was on the same lines as in previous years, those taking part in the interesting proceedings including the members of the Convent of Mercy Community, the Children of Mary in their rich blue cloaks and white veils, the schoolgirls, also in white veils and surmounted by garlands of flowers, and the boys of St. Michael's Industrial School who presented a smart and disciplined appearance, in charge of their Lay Teacher, and all wearing pretty pink sashes.

Large numbers of the townspeople were assembled about the grounds, and all were impressed by the striking and devotional scene as the Procession slowly wended its way to the sweet singing of several sacred hymns up through the winding avenue towards the Convent, the black cloaks of the Nuns, the blue cloaks of the Children of Mary, and the white veils and garlands of the schoolchildren providing a most attractive and colourful scene in the brilliant sunshine.

Benediction of the Blessed Sacrament was then given at the pretty Grotto of the Virgin Mary, beside the Convent building, by the Rev T Dunphy C.C., and it was a most edifying sight to see the large congregation kneeling in the open air in the incense-laden atmosphere which lent an additional element of piety and impressiveness to the solemn ceremony.

The entire proceedings were carried out without the slightest hitch under the directions of the Sisters of Mercy, some members of the Convent teaching staff, and the Children of Mary, and all concerned are to be congratulated on the splendid and impressive manner in which they had organised and conducted their beautiful ceremony in honour of Mary, the Queen of May.

OUR LOCAL CYCLING CHAMPION MAKES A GOOD START—

Mr Jimmy Foley our local cycling champion, made a good start in his first race for this season when he won the 25 miles Cycle Road Race in Waterford on last Sunday from a big field of about 18 competitors, and also won the Lap prize for the same event which shows that there was no "fluke" about his brilliant victory.

The race had been organised by the Munster Sprinters' Cycling Club Waterford, and amongst the large list of competitors were several of Waterford's leading cyclists, and also some notable riders from New Ross, Kilkenny and other outside districts.

The race proved a fast and rather exciting event, but the Cappoquin champion who was in remarkably good "form," was never seriously extended and won rather comfortably by two lengths, "Sonny" Murphy being second and R Power third.

We congratulate Jimmy on this striking victory, and hope it is only the precursor of many more victories during the coming cycling season.

GREAT PROSPECTS FOR THE SPORTS ON SUNDAY WEEK

Everything points to the Novice Cycling and Athletic Sports being a great success here on Sunday week, 30th inst.

The programme, which will be found in our Advt Columns this week, is one of the most varied and attractive presented to the public for a long time.

Including no less than 17 events it has been prepared with such great care and judgement that all classes of cyclists and athletes (in the novice ranks) will be amply catered for, and there should be large entries and keen competition in every race. We are glad to see that the Pole Jump has not been omitted as this is usually the most interesting and spectacular event on any pro-

gramme, and it is bound to prove equally so on this occasion.

The Three Miles Cycling Championship of the Co Waterford should provide the most exciting race of the wheel events as it will be competed for by all the leading cyclists throughout the County and a great race should result. This coveted honour was won by Jimmy Foley three years ago but owing to an injury to his arm he was unable to defend the title the following year, and was a mere spectator at the Sports here, with his arm in a sling, two years ago when the event was won by J Ryan Waterford who has since retained the title, as it was not competed for last year.

Jimmy, however, intends to have a shot at it this year and if the great form which he displayed last Sunday should be taken as a criterion, we are of opinion that our Waterford namesake will have to be a better man if he is able to retain the title for 1943. The best event on the entire programme will, undoubtedly be the Tug-of-War Contest, confined to teams of 8, for which six teams have already entered including "Faugh-a-Ballaghs" (Melleray), and Affane.

In previous years, the final tussle always lay between these two redoubtable teams, but Affane always held one "up their sleeves," and proved too good for the sturdy Melleray men.

The enthusiastic and experienced Coach and Trainer of the "Faugh-a-Ballagh," Mr M Connors seems satisfied that he has his men in such good condition this time that they will be able to consign the Affane men to the local graveyard in "Green Affane" and has already issued a challenge to this effect to Sergeant J Browne, G.S., Cappoquin, the successful Coach and Trainer of the champion team. The tussle between them on Sunday week should, therefore, be the "event of the season," and is bound to provide a most exciting "wind-up" to a wonderful day's sport.

We were delighted to hear that many prominent sportsmen in the town, who had hitherto held aloof from the Cycling and Athletic Club, have now joined the club as there was an unusually degree of interest manifested at the meeting of the club on Monday night, when several new members joined, and the infusion of new blood like this, should prove very helpful to those who have so pluckily and unselfishly kept the Club alive within recent years.

All the arrangements on Sunday week will, therefore, be in the hands of a very active and efficient Committee and with that brilliant Athlete, Mr J ("Sonny") McGrath in the important role of Handicapper and Starter, and Mr Jimmy Foley, the equally brilliant Cyclist filling the dual positions of Treas and Hon Sec, this meeting should be one of the best-managed and most successful held here for years, so-nobody should miss it.

On Sports night a grand All-Night Dance will be held in the Boathouse Hall from 10 p.m. until 4 a.m. full particulars of which will be given next week. See advt in this issue.

CAPPOQUIN DISTRICT NURSING ASSOCIATION—

At a meeting of the Committee of the above, held here on Tuesday week it was decided to hold a grand Garden Pets and Sale of Work in the pretty grounds of the Rectory in aid of the funds of the Association on Tuesday, June 29th, through the kindness of the Rev. J. O'Loughlin M.A., Rector, and Mrs O'Loughlin.

It was also suggested that a hurling match be held in the Cappoquin Sportsfield earlier on that afternoon for the same worthy object, and Mrs R Keane, Tivoli, Hon Sec undertook to see Mr E Lomeragan, Chairman of the Cappoquin Hurling Club, and request him to kindly arrange such a match.

It was also decided to hold a dance in the Boathouse Hall the same night, but as the date for these events is so far off, we must defer saying any more until we deal more fully with everything in a later issue.

A POSTPONED HURLING MATCH—

Cappoquin minor hurling team was to have played Kinsalebeg in Aghish on last Sunday in their championship tie but were notified almost at the last moment that the game was off, as Kinsalebeg were unable to travel that day.

We are informed that this was the second occasion on which this match was postponed at the request of Kinsalebeg, and we must now ask the Divisional Board to take firm action in the matter and award the match to

Cappoquin because if any Club or individual member of it is permitted to get championship matches postponed like this it will only result in making a farce of the list of fixtures and also help to drag the championships on to the middle of winter!

A GREAT JUNIOR HURLING MATCH—

What promises to be a great junior hurling match will be played in the Sportsfield here on next Sunday 23rd inst. when the McDermotts will meet Cappoquin in a friendly challenge game.

Both teams are at the top of their form just now, and this test between the clever military hurlers and the Cappoquin juniors should provide a sparkling display of high-class hurling which should attract a big gathering on the occasion. We have not heard the actual hour for the game up to the time of writing but it will probably be either 3 p.m. or 3.30 p.m. at the latest.

CONFIRMATION ON SUNDAY WEEK—

His Lordship Most Rev Dr Cohalan, Bishop of Waterford and Lismore will make his first visitation to Cappoquin on Sunday week, 30th inst, for the purpose of administering the Sacrament of Confirmation to the children of the town and parish.

AN ENTERPRISING LOCAL CONCERN—

The installation of a splendid new Weighbridge, capable of weighing up to 20 tons, outside the premises of the Knockmeal Co-Operative Society's Branch in Green Street quite recently, marks another milestone on the road of progress and enterprise on the part of this flourishing Society since it took over the former Blackwater Valley Co-Operative Society's Branch here a few years ago.

Many important improvements and extensions have since been carried out here but the erection of the new Weighbridge is, perhaps, the most important of all as owing to the old Weighbridge outside the Market House having gone out of commission, this will be a great boon to the commercial public, for which they should feel deeply grateful to the members and Manager of the Knockmeal Society. The Weighbridge was supplied and fitted up by Messrs W & C Avery and Co, Dublin, and all the concrete work connected with it has been splendidly carried out by Mr Thomas McCarthy, Cappoquin, under the able supervision of Mr Paul Twomey the popular Manager of the Cappoquin Branch.

WHEN GREEN STREET IS REALLY "GREEN"—

Reference to Green Street in the above article reminds us of the grossly-neglected condition of this important thoroughfare at present. Leading up to the Co-Operative Society's Stores, and also to "Walsh's Hotel," this is one of the busiest streets in the town, and being rather thickly inhabited one would think it should be kept in a more presentable and healthy condition.

A few days ago several of the residents called our attention to the luxuriant crop of grass which is allowed to grow outside the houses on the Southern side which is the principal residential side of the street.

They further pointed out that on the North side where there are only few residences, the grass had been recently removed and the footpath cleaned by the Co Council workmen, and they are wondering what they have done against the Co Council to make their side of the street so utterly neglected.

We would invite the County Surveyor the next time he visits Cappoquin to inspect this street when he can see for himself that this complaint is fully justified in every respect.

Ballyduff News

Bishop's Visitation—We are all looking forward eagerly to the Bishop's visitation. It has always been a big day here so this year we are all wondering what impression our new Bishop will make. If he lives up to the reputation he had as P.P. of St Finbarr's West the impression will be pleasant and unforgettable. Already the children to be confirmed have been examined by Father Dowley P.P. and given their tickets so that on Confirmation morning they can concentrate entirely on the Sacrament they will receive. There will be no jarring note in the background of their thoughts.

The L.D.F. and L.S.F. will form a guard of honour, so we do intend to do things in style. His Lordship will spend Sunday night with the Parish Priest here. We hope the

weather will be pleasant. A sunny sky makes all the difference on a day of days. We wish those who are about to be enrolled in the Army of Christ all the best. May their faith never flag and may they always follow the Great Leader with unswerving devotion.

Sweet News—We have read that the sugar ration is about to be increased to 1/2 of a lb. For those of us with a "sweet tooth" the news was and is very welcome.

Election Time is Near—We know it is! Last Sunday Senator Goulding and Mr O'Ryan Ballymacabery, addressed a meeting here on behalf of the Fianna Fail policy. Their remarks were to the point. There were no flowery promises and no apologies made for any mistakes made by their party. Mr Goulding stressed the point of how lucky we are here in comparison with those unfortunate people of conquered countries and said a little rationing in essential commodities is a very small price to pay for the blessings of peace.

Late Mr Ed O'Brien—The death took place recently at Glendub Mitchelstown of Mr Ed O'Brien. The late Mr O'Brien was father of Mrs M O'Gorman a very well known and popular local lady. To her and her bereaved family we offer our deepest sympathy. A cat, dog and silk stocking—There is a marvellous cat and dog in our village, both are perfectly trained. If a stamped addressed envelope is sent we will be glad to give more information than is necessary. No callers. We haven't been "let into" the secret but we believe a silk stocking is very necessary to complete the training of the above mentioned animals.

Moorehill Notes.

On the farm—The recent rains were much appreciated by farmers and cottiers. Grass and tillage fields before the rain, presented a very withered-looking appearance but were transformed overnight as if by a magic hand and next morning looked emerald green. God, the creator of all things, sees to all things in his own good time. Wheat oats and barley are all doing well, but the early potato crop has been seriously damaged by the heavy night frosts. The effects will gradually wear off but it will delay the crop for at least a month. A large portion of the best crop is now overground and from reports to hand is progressing favourably. A portion of the mangold and turnip crop has been planted, and at the moment farmers are very busy having the remaining portion tilled and manured. We pray God to give us a bountiful harvest for all mankind.

Novice Sports Meeting—At a special meeting of the Moorehill Sports Committee held on Wednesday night last it was decided to hold the annual Novice Sports Meeting under N.A. & C.A. rules at Moorehill on Sunday July 25th 1943. All who attended the very successful meeting which was held last year will be very pleased to learn that the very energetic committee which were in charge of last year's meeting will function again this season so a very successful sports meeting is assured. And as no sports meeting is complete without a Ceilidhe Mor, we are sure the committee in charge will hold one on sports night. Further particulars will appear in later issues.

G.A.A. Tournament—From G.A.A. circles we have learned that the Moorehill hurling club intend to hold a two-day junior hurling tournament at Moorehill in the near future so look out for particulars of same in a later issue.

In Memoriam—Sunday next May 23rd, is the twentieth anniversary of the death of Volunteer Thomas Mackey Moorehill who was killed on May 23 1923. The tragedy was made all the more sad by the fact that he was killed within view of his home. From youth, Tom as he was affectionately called was interested in the National Movement joining the Sinn Fein movement at an early age. He fought through the years of the hectic black and tan regime and after the signing of the Treaty, he fought on the Republican side and was killed during an encounter near his home. Some years ago a Celtic Cross was erected on the spot where he fell. Many heartfelt prayers will be offered up in Moorehill on Sunday in loving memory of Tom Mackey for with young and old he was a general favourite. May mother earth rest lightly on the ashes of a sterling and brave-hearted Irishman. Oh! ye who gave to Ireland

your love and life and all who leaped into the flames of death when rang her anguished call. Pray for us this May morn that we may worthy be of Ireland's past. Of all who died on Ireland's calvary.

Local tid bits—We notice some of our respective mother-in-laws are treated very inconsiderately. We heard a young man very callously saying the other evening "Wouldn't life be very sweet there were no mother in laws."

Co. Waterford Committee Of Agriculture

Mr M F Walsh Vice-Chairman from whom Mr P R Power Chairman later took over presided at a meeting of the above at the Courthouse Dungarvan on Wednesday last. Present—Messrs M McGrath, D. Coughlan, D Heskin, T Power, M Hart, W Dower, W Terry, M Keating.

Bonus

Correspondence from the Department on the salaries of officers was read. The Secretary said that the only persons who were affected were the temporary instructors and increases of 5/- for married and 3/6 for single persons granted. The increases were to be effective as from April 24th.

The Secretary said that in the case of the Co. Council the bonuses were granted as from February 1st in the case of the Vocational Education Committee as from January 1st and he thought the same should apply for the Committee of Agriculture.

Mr Walsh said that a uniform date should be fixed.

Mr McGrath—Yes there should be the same date for all. There is a lot of red tape in that.

Mr Walsh—We are not bound by these conditions. We can make representations to the Department to have the payments made retrospective as from Jan 1st like the Vocational Education Committee.

A resolution to this effect was then passed.

Annual Leave of Officers

A circular letter from the Department stated that when instructors in Poultry-keeping, Agriculture and Horticulture were arranging their annual leave, they should do so as not to interfere with their official duties or retard the tillage campaign.

Silage Making

The Department in a letter pointed out the need to draw attention to the making of silage as a substitute for imported food stuffs.

The Committee was directed to use the Press to publicise the matter.

Prizes for Cottages and Small Farms

The Department sanctioned the above scheme as submitted by the committee. A prize fund of £88 was allocated. There were two sections, Novice and Senior.

A long discussion as to the necessity of having a class for farmers over £40 valuation and to fixing a time limit for competing, on prize winners took place.

No decision was reached

Column for Lime Kilns

Mr Haity said that a resolution requesting the Minister for Supplies to make a quantity of column available to Mr J Lynch, Ballyduff, for his lime-kiln should be passed. Mr Lynch had written to the Minister but had got no satisfaction.

After a discussion the resolution was passed.

Mr P Donnelly Agricultural Instructor said that the kilns at Mount Congreve were not operating as they only had a small amount of column. He suggested that as the farmers in East Waterford were in a bad way for lime and were willing to pay up to 50/- a ton for it that an effort should be made to send 100 tons to the creameries for distribution there when the farmers in these areas are catered for. Special trains could be engaged to transport it.

It was stated that local contractors cannot even meet local demands here.

Wood for Farmers

A resolution to the Department requesting forest rangers of State forests to make timber available to farmers in their areas was passed.

Appointment

The appointment of Mr P J O'Sullivan Temporary Instructor in Horticulture for another 3 months was passed.

Tender

The tender of the Dungarvan Co Op Creamery Ltd for liming from their kiln at Ballinameela at 4/- per barrel was accepted.
