Vol. 5. No. 233.

SATURDAY JUNE 5, 1943

REGISTERED, AT THE GENERAL POST OFFICE AS A NEWSPAPER PRICE—TWO PENCE

Dungarvan U.D.C.

The fortnightly meeting of the Dungarvan Urban District Council held on Friday evening at the Town Hall though barely drawing a quorum of members discussed matters of paramount importance. Mr L. A. Veale was in the chair, and with his Labour colleague Mr T. A. Kyne, together with Mr J. McGrath and Mr J. Dahill, formed the quorum. Mr Wm O'Meara, Town Clerk attended.

A Swimming Place For Ladies
Mr Kyne said that his attention had been drawn to the fact that there was now no swimming accommodation for the ladies of the town as due to the reconstruction at the new swimming pool their present place had been taken from them. He suggested that arrangements be made for alternate accommodation or that certain hours be allotted to them in the new pool.

The Clerk said it was a matter for the Manager to arrange. Mr Kyne then proposed and Mr Veale seconded "that the Manager be asked to provide alternate bathing accommodation for ladies in view of the fact that their bathing place has been removed due to the construction of the swimming pool."

A New Housing Scheme Proposed

Mr Dahill bringing up a matter of the most urgent importance said that it was high time that something was done to commence another housing scheme. There were many young men in town, who had recently got married and who were in lodgings, anxious to get houses. It was a long time now since anything had been done in this line.

Mr Kyne—Yes, they are badly wanted and if it can be done in places like Carrick-on-Suir why not here?

Chairman—We could ask the Manager and the B.S. to formulate a scheme for some 7-roomed houses.

Mr Kyne asked if it would be possible to get materials and Mr McGrath said that by being satisfied with native timber, materials for a scheme, such as cement, roofing steel joints, and the other necessities could be got.

The question as to the number of houses that would be required was then discussed.

Mr McGrath—You could do with about 50 as it is no use going all out during the war.

Mr Kyne said that that number would meet the situation for the present.

The following resolution was then proposed by Mr Dahill, and was seconded by Mr Kyne—

"That we, the members of the Dungarvan Urban District Council request the Manager to start another scheme of at least 40 houses immediately."

[The need for more houses was a subject of editorial comment in our issue of May 22nd.]

The Bye-Laws

The following resolution was proposed and seconded by Messrs McGrath and Dahill— "That the Minister for L.G. and P.H. be hereby requested to confirm the Bye-Laws with respect to Slaughter Houses and the seemly Conveyance of Meat through the Streets."

It was passed unanimously.

Swimming Pool

A letter was received from the Department stating that permission had been got to allocate a grant not exceeding £445 towards the cost, estimated at £500 of further works on the scheme.

Delish Dam
The Manager wrote as follows—

"With reference to my letter of the 14th inst. in which I stated that I hoped to have a report from Messrs Delap and Waller I am to state that the report has not yet been received."

Acknowledgments.

Acknowledgments were received from Rev T. B. Walsh, P.P. St. Patrick's Waterford, and Mrs E. M. Fleming, Main Street.

Sympathy
The sympathy of the Council was extended to the relatives of

the late John Sheehan, The Square

Western Divisional G.A.A. Notes

(By AN RUNAIDHE)

Board Meeting—A meeting of the West Div Board will be held at Egan's Hotel, Dungarvan, on tonight (Friday) June 4th, at 8.30 p.m. (S.T.) Business will consist of correspondence, Tourin v Glen Rovers objections, fixtures etc. Delegates are requested to attend.

Prominent Gael III—His many friends throughout Waterford will be sorry to hear of the sudden illness of that old Gael Moss Connery of Kilsalebeg. I am but expressing the wish of the Gaels of the county in wishing Moss a speedy recovery.

Cappoquin Club Not Suspended—I have been asked to point out that the Cappoquin Club have not been suspended by the ruling at the last Co Board meeting. What happened was that the Cappoquin appeal was ruled out of order and on the hearing of the Affane-Modeligo appeal the Secretary and Chairman of the Cappoquin team for 1942 were suspended for 12 months from the date of the J.H. county final.

Challenge At Villierstown—Villierstown will be at home to the Blackwater Rovers on Sunday in a junior football challenge. The Villierstown team after a slow start have now got together a string of players that they hope will go a long way in the championships. Sunday's game will be a good trial for both teams.

Knockanora v. Lismore—This junior game is one of the star games of this year's matches. All lovers of Gaelic football will make a point of seeing the contest. The game takes the place of the S.H. game Lismore v Cappoquin billed for Cappoquin on Sunday as Lismore have now definitely withdrawn from the S.H. Championships.

Kilrossanty v. Brickey Rangers—The game Bricks v Kilrossanty is bound to draw a crowd at Dungarvan on Sunday. Kilrossanty had a walk-over from the army and are all set to show they can deal with a tough proposition as well as a soft one. Martin Curran's men feel they had hard luck to be held to a draw in their last game, and will be on their toes on Sunday to come off winners.

Last Sunday's Results—Co Championships—At Dungarvan J.F. Kilgobinet, 3-5, Dungarvan, 2-3.

Next Sunday's games—(Co Championships)—At Dungarvan—S.F.—Kilrossanty v Brickey Rangers, 4.0 p.m.

At Cappoquin—J.F.—Knockanora v Lismore, at 4.0 p.m. Ref J. Ahearne

Catholic Scout Notes

4th WATERFORD TROOP
C.B.S.I. (St. Joseph's Abbeyside)

Troop Meeting—After a lively game, during which all windows had to be opened and many Scouts took off their boots we began an Inter-Patrol Message Relay Tests. Four Scouts, one from each Patrol, were placed outside the Den and four at the Cross. A question was handed to each Scout outside the Den and it had to be relayed round to the Cross by the Church, New Road and Bridge. The Scouts at the Cross had to answer the question and the Answer had to travel back the same way. Before we started Johnny wanted to know what would happen if the fellow at the Cross could not answer the question. He was told that he could unless he was very stupid, but this would not satisfy Johnny who supposed that he might be very stupid (the Scouts to stay at the Cross had not been picked at this time). The question given was "How old are you?" and there was no trouble about the answer. Some Patrols made good use of the semaphore code others who forgot about it or didn't know it had to do a lot of running. The Panther Patrol returned the first answer but were disqualified for taking short cuts and the Tiger Patrol were declared winners.

Knight Clan—The meeting of the Knight Clan on Tuesday was not perfect in any respect. Some of these Knights were looking very scrappy and far from the standard of neatness required. S. Flynn rushed around during the day, telling all concerned that the meeting would begin at 7.30 p.m. and he turned up a quarter of an hour later himself.

Hikes—A few Scouts and the A.S.M. spent last Sunday in Colligan doing firelighting and tracking tests and some had a swim. G. Morrissey's bread disappeared and he had to be fed by his pals. The K.E. Clan are to be requested to provide a Knight or two to take charge of a Hike next Sunday.

Chatter—K.E. F. Daly got a surprise last week when a 10/- note arrived by post in restitution for blankets which got lost about six years ago when he was camping at the field. The sender should have included a few coupons! Wouldn't it be nice to wake up one morning in camp with nothing spread over you but a 10/- note! During the Message Relay on Wednesday night a four foot Scout of the Tiger Patrol was heard saying "We have too many men." Seamus must think Jolla has changed very much in appearance and it was very bright too on Sunday night.

WATERFORD LETTER

Death of Mr David K. Alyward—The death of Mr David K. Alyward, on Tuesday last occasioned widespread regret and sympathy in the city where his family is so well known and held in the highest esteem. His brother Alderman James Alyward (ex-Mayor) is one of our leading citizens. An able and efficient representative on the Corporation and, in fact, all the public bodies in Waterford, Chairman of the local Red Cross Society, The Communal Kitchen Committee, The Airmount Club, etc. Alderman Alyward is an outstanding public man in Eire. He gives his services ungrudgingly and unselfishly for the good of every section of the community notwithstanding the inroads made on his time for he controls one of the principal drapery establishments in the city.

Remarkable Public Tributes of Sympathy—It is only natural that a gentleman of Alderman Alyward's type (who feels and works for all) should have the sympathy of the entire community in the sad bereavement that he has sustained by the death of his brother to whom he was very devoted. Remarkable public tributes of sympathy were paid on Tuesday evening when the remains were removed from Maypark Nursing Home to St. John's Church and again on Wednesday, when following Office and High Mass the funeral took place to the family burial ground at Mullinavat, Co. Kilkenny.

Our Representation on the Standing Council—At the monthly meeting of the Vocational Education Committee held last week the Ven. Archdeacon Kelliher, P.P., S.T.L. (Chairman) was nominated for re-election on the Standing Council of the Irish Technical Education Association. Archdeacon Kelliher has been a valued member of the Standing Council for the past two years. Music in the People's Park—The Barrack Street Brass and

Reed Band played their opening programme of music in the Park on Wednesday, June 2nd, in the presence of a large and very appreciative audience. A choice selection of marches, operatic airs, etc., were played. The band will contribute 16 programmes on Wednesdays and Sundays during the summer months.

Preparing for the Feast of St. Anthony—A Novena in honour of St. Anthony (whose feast occurs on June 13th) is being held in the Franciscan Church from June 4th to June 12th. During the Novena a course of sermons are being delivered at 7.30 p.m. each evening, dealing with the life, apostolic labours and miracles of the Wonderworker of Padua.

Féis Port Mor—The Annual Féis Port Mor (Ferrybank Féis) will be held on June 13th. An energetic Committee is preparing an attractive Clár for the occasion which will include community singing, selections by a Ceilidhe Band and other features. Irish-Irelanders who patronise the event are assured of a most enjoyable evening's entertainment.

Defendant made a strong appeal to the Justice for leniency, saying that he was going to England shortly and handed in a document from the Labour Exchange in support of this statement

The Justice having read the document decided to dismiss the case, and severely cautioned the defendant as to his future conduct He added 'you can go to England as soon as you like but take care and don't come before me again on any similar charge in future (laughter)

Order Sought To Enter A Quarry

The Waterford Co Council at the suit of Mr J E Bowen, B.E. Co Surveyor, applied for an Order empowering the Co Surveyor to use a passage through the lands of John and Mary Reynolds at Kereen for the purpose of bringing the necessary machinery in to work in a quarry, which is the property of the Co Council

Mr M M Hally, solr Waterford appeared in support of the application which was resisted by Mr A R Farrell solr Dungarvan on behalf of John and Mary Reynolds

Mr Hally explained that the Justice had made an Order at the January Court in Cappoquin authorising Mr Bowen to use this passage up to March 31st but when this period had expired, Reynolds had refused to grant them any further permission to use the passage and in consequence of this Mr Bowen had to remove the stone-breaker and all the other machinery there and dismiss a number of workmen who had been employed in the quarry, so they found it necessary to again come before the Court and apply for an extension of the order so as to enable the Co Surveyor to resume work in the quarry

Mr Bowen, Co Surveyor, was then examined by Mr Hally, and stated that in consequence of the attitude adopted by Reynolds he had to remove the engine and stone-breaker, and all the other machinery and dismiss a number of the workmen when they would not be allowed into the quarry after the 31st of March

In cross-examination by Mr Farrell solr, Mr Bowen admitted that Reynolds had been previously paid a rent of £3 a year for the use of this passage and if he were paid the same sum he would have allowed them to use the passage after the end of March

He stated however that this sum of £3 had been paid in error as it was a grossly excessive sum and he was not prepared to continue to pay it any longer

Asked by Mr Farrell what he thought was a fair sum to pay for the place Mr Bowen said they had to consider the rate-payers in a matter of this kind and he thought that a merely nominal sum would be sufficient, but he would still agree to pay £1 a year though he considered this an excessive sum

Eventually the Justice made the order sought for at a rent of £1 per year and Mr Hally then asked him to make the order for an indefinite period, so that they would have no further trouble in the matter

Mr Farrell, solr, strongly objected to this, but on being further pressed by Mr Hally, the Justice extended the order for 3 years but made it a condition that a right of way to the water should be provided for Reynolds, and Mr Bowen said he was willing to facilitate Reynolds in every way in this respect

On the application of Mr Hally the defendant was ordered to pay £1 costs which concluded one of the most prolonged and tedious cases heard for a long time

L.D.F. Monster Boxing Tournament Great Night's Sport

On Friday night last, May 28th, the L.D.F. Boxing Club Dungarvan, staged one of the most successful Boxing Tournaments ever witnessed when at the Town Hall, no less than 15 bouts were carried through in record time.

It certainly was a great night's sport, and speaking from experience, we say that not for a long period have we seen such honest-to-goodness boxing and such a grand sporting spirit displayed by winners and losers.

From the first bout not a moment's delay was lost and the precision and orderly manner in which the long programme was got through speaks volumes for the promoters and all those who helped to give us such a wonderful night's sport.

Boxing Tournaments entail a lot of organisation and plenty of desk work but the two able Hon Secs—Mr James Patterson and Mr C J Murphy, proved that they are past masters in this sphere. We congratulate them and their helpers, and hope that we will again have the pleasure of seeing another good night's boxing soon.

We could not let the occasion pass without offering a word of praise to the Army men, who helped so much to ensure the success of the event. Their boxers—some real hard hitters were a credit to the 13th and 21st Battalions and they deserve the best thanks of all. Of course the boxers from Waterford, are also deserving of mention and they did their best to make the tournament a success. Our own lads were well to the fore and gave some very good displays especially the display of J O'Dwyer against Pte O'Brien (21st Batt Brigade Champion, 1943) in a 4-round bantam weight fight.

Before the final bout Mr Jas Hayes, our veteran boxing promoter, came forward and thanked all for their splendid attendance and for the splendid manner in which they applauded both winners and losers. Mr James Mansfield on behalf of the L.D.F. thanked all for their support of the tournament, and spoke in glowing terms of the grand display given by the army boxers. He also thanked all the other boxers who helped to make the night such a great success and said he hoped all were pleased with the night's programme.

Mr John J Moloney, acted as Master of Ceremonies. Details—Bouts No 1 and 2 were boys contests in which C Carleton met J Hurley in 3 1/2-minute rounds. Some great sparring and punching took place and after a grand display Carleton won on points.

The second bout in the boys contest was a 3 1/2-minute round bout between Joe Cronin and Ted Sullivan. Cronin by his reach and height won on points. All four contestants were members of the Dungarvan Boxing Club. Bout No 3—P Whelan v D. Murphy both of the Dungarvan Boxing Club. This was a 2-minute round bantam weight contest and during the four rounds some hard fighting was witnessed. Result—Murphy won on points.

Bout 4—A 4 2 minute round bantam weight contest between Pte O'Brien (21st Batt Brigade Champion 1943) and J O'Dwyer, (Dungarvan B.C.). The first round was very even both men getting in some telling punches. In the second round O'Brien's straight punches were telling, but O'Dwyer put up a grand defence. In the 3rd round O'Dwyer was boxing much better, and seemed to have the measure of his opponent. The 4th round went to O'Brien who connected some very nice lefts, but O'Dwyer was on his toes to the last. Result—Pte O'Brien won on points.

5th Bout—A 3 2-minute bantam weight contest between Trooper Smallhorn (1st Motor Squadron) and Pte O'Brien (13th Batt). In the 1st round the boxing was very even and both men had a share of the points. In the second round O'Brien was showing up better and sent home some grand lefts and rights. Smallhorn was defending well. The third round was again very even and there could not have been much between the men when the gong sounded. Result—Pte O'Brien won on points.

The 6th bout was a 3 2 minute feather weight contest between Sergeant Dunne (21st Batt Brigade Champion 1943, and M Morrissey (Waterford B.C.). This was somewhat a rather tame contest and we did not see much hard-hitting in any of the rounds. When the final gong went Morrissey was declared the winner on points.

7th Bout—A 2-minute light weight contest between J Dunne (Dungarvan B.C.) and P Crotty (Dungarvan B.C.). From the start Crotty forced the fight and had Dunne on the move. Dunne was fighting gamely and took some hard punishment. In the second round Crotty had his man at his mercy but the gong saved Dunne from a knock-out. The third round was short-lived as Crotty went in and sent two hard punches to the body and one to the head. Dunne retired and Crotty was awarded the fight on a technical knock-out.

8th Bout—A 4 2-minute light weight contest between Pte Finlay (13th Batt Runner-up Brigade Champion, 1943) and Tpr Derivan (1st Motor Squadron Brigade Champion, 1943). In the first round both men boxed well and Finlay was using his straight left to advantage. In the second round some very hard punches were delivered by both men and they went at it very gamely. In the 3rd round the boxing was very even and there was nothing between the fighters. Going in for the 4th and last round Pte Finlay went all out and forced the fight but Derivan fought on gamely. The end of a very hard fight saw Pte Finlay the winner on points.

9th Bout—A 4 2-minute welter weight contest between Pte Saunders (21st Batt Runner-up Brigade Champion 1943) and K Ryan Waterford. Some very nice boxing was witnessed in this contest with Ryan delivering some nice lefts which Saunders defended well. In the 2nd round Ryan was still sending in some left jabs but Saunders was still forcing his man around the ring. In the 3rd round Saunders got in some hard punches and was forcing the fight. In the 4th round after some telling exchanges in which Saunders had the most telling punches, the result was given to Saunders on points.

10th Bout—Corporal Curran (13th Battalion Brigade Champion 1943) v Sergeant O'Brien (21st Battalion). This was a 3 2-minute welter weight contest in which some very hard boxing was witnessed. In the first round Cpl Curran had the better of exchanges, but in the 2nd round Sergt O'Brien fought very well and some very nice encounters were seen. In the 3rd round Curran was displaying some nice defensive work while O'Brien was forcing the fight. The result—Corporal Curran won on points.

11th Bout—This was a 3 2-minute round between Pte Duggan (21st Batt) and Trooper McCormack (1st Motor Squadron Curragh Command Champion 1942). In the first round Trooper McCormack closed in on his man and delivered some very hard punches but Pte Duggan was fighting gamely. Towards the close of the round McCormack sent home some hard body punches and was making Duggan miss a whole lot. In the opening of the 2nd round McCormack connected a left hook and sent his opponent to the ground for a count of eight. Duggan rose and continued to fight but McCormack shortly after delivered the k.o.

12th Bout—A 3 2-minute welter-weight contest between Pte Roche (13 Batt) and Tpr Meredith (1st Motor Squadron). In the first round Meredith boxed very well and had Roche on the run for the best part of the round. In the 2nd round Meredith was having the better of the exchanges but Roche sent home some very hard punches. In the 3rd round the points were fairly even and some hard punches were exchanged. In the closing stages Meredith got home some good rights and he won a good fight on points.

13th Bout—In this contest we had Trooper Mulligan (1st Motor Squadron and National Champion, 1943) and S O'Sullivan of the Waterford B.C. (and International Representative). The bout was a 4 2-minute middle weight one but proved a very disappointing affair as from the start Mulligan went all out for a k.o. and delivering some hard jabs he shot a straight-left to O'Sullivan's face and connected with a fierce right he had his man stumbling. In a second Sullivan was down for the count when Mulligan connected to the point.

Mulligan received great applause for his display. 14th Bout—A middle-weight 4 2-minute round contest between Pte Browne (13th Batt Munster Champion 1943) and Pte O'Shea (21st Batt Runner-up Brigade Champion 1943). This was one of the hardest fights of

G. A. A.— Kilgobinet Defeat Dungarvan

Kilgobinet, 3 5, Dungarvan, 2 3. At the Gaelic Field, Dungarvan on Sunday last, Kilgobinet met and defeated Dungarvan in their junior football championship match. The weather was all that could be desired and a good attendance witnessed a very lively encounter.

As the game progressed tempers became frayed due to robust tackling, but the timely action of the referee in ordering two players to the sideline had the desired effect. We commend him for his timely action in avoiding any further ugly incidents throughout the game.

We were treated in some very nice football during the game, and the opening display of the Dungarvan boys surprised everyone. Kilgobinet were at their wits end for fully twenty minutes trying to find themselves against the whirlwind tactics of Dungarvan, who had scored 2 goals in quick succession and followed with a minor before Kilgobinet registered their first point from 50 yards out. This score gave the team fresh heart and they went on to win in typical Kilgobinet fashion.

THE GAME. Playing against the wind Dungarvan pressed and in some very fast play the Kilgobinet backs were in trouble. A free to Kilgobinet relieved pressure, but play was returned again and Terry Dalton bringing the ball along the right wing put the Dungarvan forwards in possession and without much delay the green flag was waving. The ball was no sooner kicked out when Donnelly, M Hallahan and Stack were well to the fore in another raid on the Kilgobinet goals where the ball was sent to the net with a flying shot. With Dungarvan now two goals ahead the Kilgobinet men were somewhat bewildered and their back-line were somewhat confused. Kilgobinet brought play to the Dungarvan posts but the stout resistance of the backs prevented Bowe from scoring. Kilgobinet were trying hard at this period for a score, but could not break through and O'Brien sending a long ball down the field, Dalton had another run down the wing and put the Dungarvan forwards in possession and they were almost through for another score.

From the kickoff Kilgobinet were pressing but the ball was cleared to midfield. Dungarvan had a free but the kick went wide. Forcing play Dungarvan were awarded a 50 and from the free Dungarvan had hard luck when Stack took a pot shot for the Kilgobinet goal, but the ball was cleared. In the next exchanges Dungarvan were still masters of the situation, and Stack sending in a long high ball one of the Dungarvan forwards got possession and sent over the bar for a lovely point.

A free to Kilgobinet was well handled by O'Brien in the Dungarvan back-line and the ball was cleared to midfield. From a free to Kilgobinet taken by Bowe O'Brien hit the Dungarvan upright but the ball went wide. Kilgobinet were trying hard for a score but the Dungarvan defences were holding strong and refused to let the

night and in the 1st round both men had a set-to when lefts and rights were delivered by both to the body and face. In the 2nd round O'Shea was taking some great punishment. Browne was forcing the fight and O'Shea was fighting back every inch. In the 3rd round some terrific fighting was witnessed as both men went to it hammer and tongs. In the 4th round we witnessed some of the best boxing of the night when both men were swapping punches right from the start. Browne sent home a left hook which floored O'Shea for a count of eight. When the fight continued both men were groggy but although O'Shea was all but k.o'd he fought on until the gong sounded. Browne was awarded the fight on points.

The 15th and last bout—a heavy weight contest between J Hurley, Waterford, and M McInerney, Dungarvan. B.C. proved a very disappointing contest and to deal with it lightly would be the best way. All we can say is that it was over before it was lightly started as McInerney swung a right and left at Hurley who went to the boards and refused to continue the fight.

Officials—Timekeeper—J A Cutwright. Judges—Denis Fitzpatrick, Waterford. Sergt-Major J O'Connor. Referee—D Fitzpatrick, Waterford.

Kilgobinet forwards through. At this stage tempers became frayed and the referee ordered two players to the sideline. On play being resumed Nagle fielding a high ball 50 yards out sent a beauty over the bar for Kilgobinet to give them their first score. This score completely electrified the Kilgobinet men and they did not take long to find themselves and settle down to a much more balanced game. The Kilgobinet backs were now playing a steadier game and in fact in all departments a noticeable change was visible. From a midfield encounter Nagle put Bowe in possession and with a lovely low ball he beat Egan, the Dungarvan goalie to give Kilgobinet their first major score. Robust exchanges were now the order but somehow Kilgobinet were asserting their superiority and from a free Bowe put them ahead with another minor. Shortly afterwards the half-time whistle sounded leaving the scores—Dungarvan, 2—1 Kilgobinet, 1—2.

From the start of the second moiety, Dungarvan broke away, but Fennel who was playing a sound game for Kilgobinet cleared. After some even exchanges Bowe was in again and beat the Dungarvan goalie. A free to Dungarvan relieved pressure, but Kilgobinet were attacking and forcing play. The Dungarvan backs were now sorely pressed but were holding up well. Bringing play to the Kilgobinet end Dungarvan forced a 50 but the free was cleared. Kilgobinet were now playing in winning vein, and from a free another point was scored. Following hot on this score Tobin taking a nice pass raised the green flag for Kilgobinet. Dungarvan were contesting every inch of the ground, but they were certainly tiring at this period of the game. From the ensuing exchanges Bowe got possession and made no mistake when he sent over the bar to give Kilgobinet another point. From the kick-out Dungarvan put on a spurt, and from a very nice passing movement, Noonan beat the Kilgobinet back and raised a white flag for Dungarvan. Dungarvan were now rallying and forced a 50. M Hallahan took the free and Terry Dalton fielding the ball sent between the uprights to give Dungarvan another minor score.

Some lively encounters were now witnessed in which Donnelly Dillon, Prendergast and O'Brien were seen in action for Dungarvan against Walsh, Dunford, "Spider" Flynn, and "Daglie" Flynn, for Kilgobinet, and after some great tussles around the Dungarvan 40 mark, a free relieved pressure. O'Brien got possession of the kick-out and sent in a high ball to Bowe who added another minor for Kilgobinet. From this onwards Kilgobinet were on top and ran out winners on the final score—Kilgobinet—3—5, Dungarvan—2—3.

Mr P Ryan proved an impartial and strict referee.

The teams were as follows—Kilgobinet—T Bowe (Capt), Sean Walsh, Patk Dunford, Declan Flynn, Patk Flynn, Peter Moloney, Laurence Fennell, John Fennell, Sean Tobin, James Hickey, Michael Nagle, John McGregor, Maurice Connors, Patk Drummeay and Sean O'Brien.

Dungarvan—Wm Duggan, James Jones, John Noonan, Patk Stack, Frank Ahearne, Ed O'Brien, Terence Donnelly, Percy Dillon, James Hallahan, Terry Dalton, Richard Prendergast, Tom Butler, Tom Egan, Liam O'Mahony and Michael Hallahan.

Cappoquin Novice Cycling & Athletic Sports

A Most Enjoyable Fixture

The annual Novice Cycling and Athletic Sports under the auspices of the Cappoquin Cycling and Athletic Club were held in the Cappoquin Sports-field on Sunday last under glorious weather conditions, and were attended by a record crowd of spectators, all of whom enjoyed a rare evening's sport.

Their enjoyment was greatly enhanced by the presence of the Blackwater Serenaders' Dance Band, Cappoquin, which rendered a grand selection of high-class music, which was much appreciated by all.

There was an unusually big muster of cyclists and athletes present from the city and county of Waterford, and other places, so that competition was keen in every event and several very close and exciting finishes were the order of the day.

The various officials and members of the Committee carried out their respective duties with marked precision and efficiency, so that the numerous events were run off with the greatest smoothness and regularity, the entire programme of 17 events being concluded in little over three hours, which was a credit to all.

The principal event on the programme was the Three Miles' Cycling Championship of the County Waterford, which attracted eight competitors, but, as we had hinted during the previous few weeks, this coveted honour was won rather easily by the local cycling champion, Jimmy Foley, so that he has now regained the title which he had first won in 1940 but had to relinquish, owing to an accident, in 1941, since when it was held by James Ryan, Waterford, who made a plucky attempt to retain it on Sunday but was no match for the Cappoquin flier, who already holds the Five Miles' Championship of Ireland, which he won in brilliant style in Enniscorthy last year. All his friends and admirers now heartily congratulate Jimmy on his brilliant performance on Sunday, and the rousing cheers which greeted his victory gave ample proof of his wonderful popularity amongst the sporting public of West Waterford.

Some other very fine performances were witnessed on Sunday, notably in the high jump, which was won by T Lyons, Ballysaggart, who has little opportunity for training, as we understand he is only an ordinary labourer engaged in turf-cutting on the mountain, so that his fine jumping was all the more meritorious under the circumstances.

The general lay-out of the Sportsfield for the occasion was perfect in every detail, but a special tribute must be paid to the committee for the splendid condition of the cycling track which all the competitors praised very highly, and which contributed very largely to the great success of the fixture.

Owing to the undoubted success of the event, it is to be hoped that the energetic committee will decide on holding another Sports Meeting before the end of the season.

Ryan had wiped off his handicap after two laps, and going quickly through the leaders, he forged ahead, but was stoutly challenged in the last lap by Reidy, who, however, was unable to get on level terms with Ryan, who won a most exciting race by a bare half-length.
2nd heat—E. Ryan, Waterford (100 yds) 1, P Joy, do, (50 yds) 2. Also competed—M Driscoll, Kilmacomma, and D Hunt, Waterford.

Also competed—E Ryan, Waterford (retired), P. Joy do, M Reidy Clonmel, P Carney, and P Driscoll.
There were 15 laps in this race, but as there was no lap prize offered, the entire bunch went at little more than a crawling pace for the first mile. At 10 to go, Hunt shot out and made a hot pace, but he was quickly followed by Foley, who never let the leader get more than a length in front. The lead changed hands several times during the next mile and a half but Foley who was riding a very confident and well-judged race, was content to

remain in second place for most of the journey, and never allowed the others to get away from him. Just before the bell went for the last lap, Foley showed a brilliant burst of speed and shot out clear of all the others, and although he was closely followed by Hunt and J Ryan, he had little difficulty in shaking these off, and quickly increased his lead, and without being seriously challenged afterwards he crossed the tape without being seriously extended and won a brilliant race by 5 lengths, thus regaining the championship which he had held up to two years ago, when he had to relinquish it owing to an accident, it being then won by James Ryan who was easily outclassed on this occasion.

Tug-o-War Contest—Four teams had entered for this contest, viz, the Army, Faugh-a-Ballaghs (Melleray), Affane and Cappoquin. The first round lay between Faugh-a-Ballaghs and the Army, but the latter were no match for the brawny Melleray men who won their two pulls in quick succession. Affane had a similarly easy task against Cappoquin, whom they defeated by two pulls in succession, and in the final against Faugh-a-Ballaghs, Affane also won their two pulls outright, thereby continuing the unbroken championship record which they have held for several years, and for which we wish to heartily congratulate them.

AISEIRIGHE—Spirit Grips Dungarbhan

A very large representative and attentive audience heard speakers of the Aiseirighe Movement expound the policy of Na h-Ailtiri in the Town Hall, Dungarvan on Monday evening.
Tomas o Docartigh (nephew of the great Cathal Brugha) spoke at length on the three ideals which Aiseirighe are striving to realise. A free 32-County Republic, A Gaelicised Eire, and a Christian Gaelic State. Having said that God had preserved this Nation undoubtedly to fulfil some great mission, which was to lead the world back to Christianity not by talk or writing, but by an example of actualised Christianity, he stressed the fact that only a united 32-County Gaelic Eire could set out to do this work. He left no doubt in the minds of his hearers that Aiseirighe was prepared to make any sacrifice necessary to realise the ideals for which past generations had fought.

May Challenge Party Politicians in Daise
It is typical of the courage and daring of the leaders of Aiseirighe that they contemplate contesting the General Election in Co. Portlaoige, though they have had little or no time up to the present to do much organising in this county. If they choose to contest this county, we know the response the Nationalists of the Daise will give them—An Fiolar.

CONFIRMATION IN CARPOQUIN

Warm Welcome For The Bishop

On last Sunday under very favourable weather conditions his Lordship, Most Rev Dr Cohalan Bishop of Waterford and Lismore paid his first visitation to Cappoquin for the purpose of administering the Sacrament of Confirmation to about 100 children prepared in the Convent of Mercy School, the Boys National School, Cappoquin, and also the National Schools in Mount Melleray, Tourin and Camphire all in the Cappoquin Parish.

His Lordship received a very warm greeting from the people on his way to St Mary's Church, and a further welcome awaited him when he arrived at the Church gates where a joint Guard of Honour of the LDF and LSF, all in full uniform, was drawn up at either side of the entrance and formed an avenue through which he had to pass.

The LDF party was in charge of Mr Thomas Kelleher Group Leader while Mr John Flanagan, GL was in command of the LSF.

All the LDF men carried rifles and as his Lordship approached the sharp stentorian order "Present Arms" was given by Mr Kelleher, and promptly responded to in a smart and thoroughly disciplined manner, while the LSF men in their neat blue uniforms sprang swiftly to attention, both parties acquitting themselves in a perfectly trained manner which reflected high credit on themselves, as well as on their respective highly-efficient Officers.

Last Mass was celebrated by Rev T Fitzgerald, PP, before one of the largest and most devout congregations seen in the sacred edifice for a long time after which Benediction of the Blessed Sacrament was given by his Lordship amidst a scene of rare solemnity and impressiveness.

The children awaiting Confirmation were seated at both sides of the aisle in front of the Altar rails in charge of their respective teachers, and presented a pretty and imposing picture in their neat and chaste attire.

Advancing to the altar rails after Benediction his Lordship addressed the entire congregation, and referred to the great honour and pleasure which he felt at being in the famous parish of Cappoquin on that day. It was only a few Sundays previously that he had been consecrated as Bishop of Waterford and Lismore, but in that short time he had been privileged to visit most of the parishes in this extensive Diocese, and he was glad and proud to be able to say that he had been received with open arms everywhere, which showed that there was no spirit of aloofness or exclusiveness amongst the people of this historic Diocese. He heartily congratulated Father Fitzgerald, PP, and also Father Dunphy CC, on the splendid state of the Cappoquin Parish, and he also congratulated and thanked the various teachers for the able and painstaking manner in which they had prepared the children for the great Sacrament which they were about to receive that day. The teachers were working with deep conviction and sincerity of heart, and were performing a noble and glorious work for God and country for which they deserved to be warmly thanked.

As he looked around him that and saw the beautiful dresses of the little girls and the neat and smart suits of the boys he felt bound to warmly congratulate

their parents on the splendid appearance of their children and said there was no evidence of want or poverty in such a grand picture.

Cappoquin was well known in Cork for a long time as being the town beside the famous Cistercian Monastery of Mount Melleray, and also because of the splendid bacon they turned out in the local Bacon Factory and which was always in great demand in Cork.

He felt bound to specially thank the LDF, the LSF, and the local Civic Guards for the great honour they had paid him that day and hoped that, like the teachers they would continue to do their duty to their God and their country, as they had been so nobly doing in the past.

He then spoke of the sanctity of the Catholic Church, which had been established by God, and he hoped that when the children had received the great Sacrament of Confirmation that day, they would continue to be true soldiers of Jesus Christ for the remainder of their lives.

His Lordship then administered the Sacrament of Confirmation to the children being assisted during the ceremony by Rev T Fitzgerald, PP, Cappoquin, and Rev T Dunphy, CC, do, and also by Very Rev T Canon O'Brien, PP, V.F. Dungarvan, Very Rev M Canon Walsh, PP, V.F. Lismore, Rev J Gleeson, PP, Aghish, and Rev M Dowley PP, Ballyduff, and at the close of the ceremony he briefly addressed the children and explained to them the nature of the great Sacrament which they had just received and then administered the Total Abstinence pledge to all of them until they reach the age of 21 years.

The sponsors for the boys during the Confirmation were Messrs F X O'Leary, N.T., Cappoquin and J O'Gorman N.T., Melleray, while the girls were sponsored by Mrs McSweeney N.T., Tourin, and Miss Feeney B.A. on behalf of the Convent of Mercy, Cappoquin.

The Church had been recently renovated for the great event, and looked remarkably attractive, and reflected great credit on the artistic tastes of Father Fitzgerald, PP, and Father Dunphy, CC.

The music of the Mass and also the Benediction, was beautifully rendered by the sweet and well-trained choir of St Mary's Church, under the able conductorship of Miss Kathleen Mansfield, Organist and greatly enhanced the solemnity of the entire ceremony.

LISMORE NEWS

GAA—It is now officially known that the Lismore Club has withdrawn from the Senior Hurling championship this season. The match, fixed for Cappoquin between Dungarvan and Lismore, in senior hurling is therefore not coming off.

Speaking to a prominent Lismore Gael recently, he informed us that the club found it impossible to field out a senior team this year. Hard luck Lismore but get the young lads going there is good material in Lismore and it is too bad that the old Cathedral town is out of the running this year.

As regards the Junior hurling game, it looks now as if Ballyduff will not agree to a replay. We hope the Gaels of Ballyduff will see their way to arrange a replay of this disputed game at an early date. After all a victory of this kind is nothing to boast of, and it would be much better if the game can be replayed and victory won on the field. Lismore are very willing to arrange matters in connection with this match, it is for the Ballyduff Gaels to move now.

A Housing Scheme

AT last Friday's meeting of the Dungarvan Urban Council we were glad to see that the Councillors have at last realised the great need that exists for a new housing scheme in the town. A resolution was passed calling on the Manager to formulate a small scheme for the erection of about 50 houses which will alleviate in some small manner the ever-increasing difficulties which the housing problem presents.

We hope that the Manager will see his way to adopt the necessary scheme with the least possible delay.

Mr J McGrath, who for many years was the competent and popular Borough Surveyor of Dungarvan, and who is now a member of the local administrative Council, gave it as his opinion that sufficient material for such a small scheme could be got in the country. Timber was the only difficulty, but suitable native timber could be procured to surmount this obstacle, so that in face of this there seems to be no reason why such a scheme should not be soon put into operation.

We have been reading in the daily Press and have been hearing over the radio the terrible destruction that is being wreaked on our nation by that dreaded scourge of the white race—tuberculosis. We have been told that malnutrition and general bad living conditions are responsible for the high mortality rate. Is not one of the remedies a sufficiency of good, clean airy houses with adequate accommodation for normal-sized families?

If the Manager sees his way to bring in this scheme we hope he will cut away from the old four-roomed house plan and make provision for at least an

extra bedroom. Such an addition is not a luxury, but an absolute necessity if there is to be proper segregation of the sexes of a family. We boast of a high standard of civilisation but can hardly stand over it if our dwelling houses are not such as meet with normal demands.

A continual complaint is being made by both Church and State about the low marriage rate. Again an inadequacy of houses is to a great extent to blame. This town is very badly positioned for houses. Newly-weds have to face the drawbacks of going into flats where exorbitant rents are charged for a few rooms. If the State is earnest in its efforts to increase the marriage rate to give our people a chance of better living conditions, and so improving their health of reducing the mortality rate and of generally improving the standard of living let it first make provision to house all its citizens in a decent manner.

Therefore, we urge the Manager to deal considerably with the Council's resolution and to help to solve these problems locally by formulating the scheme as set out with the least delay possible.

News Of The Town And Round About

FIANNA FAIL ELECTION ORGANISATION NEWS—The Election Headquarters for the Dungarvan Comhairle Ceanntair area has been established at The Square, Dungarvan. The Phone No is 72. All inquiries re register, publicity, etc, should be made there by the various Cumainn.

Subscriptions may also be sent to W Kennally, Director of Elections, 113 The Quay, Waterford. Mr Morrissey, T.D., Main St, Dungarvan, N Kelly Secretary, Comhairle Ceanntair, Dungarvan.

A meeting of supporters and election workers will be held at the Election Headquarters, Dungarvan, on Friday next, June 4th at 8.30 p.m. (S.T.) The business is important so all are requested to attend.

MR MORRISSEY SPEAKS AT BALLINACOURTY—Mr M Morrissey T.D. addressed a public meeting at Ballinacourty on Tuesday night. A very enthusiastic welcome was extended to him. Addressing the meeting Mr Morrissey said he was pleased to see such a fine gathering of people. It proved that the people of Ballinacourty realised that Fianna Fail were the best party to form a Government to run the country. He said that none of the Opposition Parties could put forward a solid National Programme and therefore he believed Fianna Fail would go back stronger than ever.

Mr Morrissey was accompanied by N Kelly Director of Elections and Mr Tom Morrissey, Ballinacourty, who presided and introduced the speakers.

MR P. J. LITTLE SPEAKS AT GLENBEG

On Wednesday night one of the finest public meetings yet held was addressed in Glenbeg by Mr P J Little, Minister for Posts and Telegraphs, Mr M Morrissey and Mr Sean O-Udaig.

Mr Little said he was glad to be in Glenbeg and judging from the meeting he was confident that Fianna Fail support was as strong as ever there. He asked those present to go back amongst their friends and ask them to support Fianna Fail. He said that here in Waterford he had two Fianna Fail Dail representatives and he hoped this time we would return a third one.

Mr Morrissey said he was sure the people had already made up their minds that Fianna Fail were the party to support in this election. They had showed in the past ten years that they followed a sound national policy. No doubt they were accused of being a Labour Government, and again they were accused of being a farmers Government. This was proof enough that they governed for all sections of the people of Ireland.

Mr O-Udaig also spoke. Mr Dick Tobin Kilnafarna presided. All members of the Glenbeg Cumainn and Mr N Kelly Secretary of the Comhairle Ceanntair, were present.

SINGLES v BOGEY This competition played on Thursday 27th May resulted in a tie with 2 down between Messrs J Wilkinson (16) and T Maher (18) and Mr J Wilkinson was declared winner on better second nine holes.

GUNNIGAR CUP Mr L. E. Langan (holder) retained the Cup on winning the final match from Mr Ed O'Leary the score being one up.

NEXT SUNDAY CHOOSE PARTNERS FOR FOURBALLS v BOGEY

CLONEA CUP—CHANGE OF DATE—Members are requested to note that the 18 Holes Stroke Competition for the Cup will be played on Thursday 10th June instead of the date shown on Fixture Card. Draw at 3 p.m. sharp on that date before which time players are requested to enter their names.

SHORT DANCE Usual Short Dance on Sunday night next—Tickets 2/- (including tax) (—)

LADIES BRANCH MEDAL COMPETITION The Medal Competition for May was won by Miss M Murphy (11) with nett score of 81.

A SWIMMING CLUB—The closing of Stokes' Baths is surely the "coup-de-grace" and the Old Borough must retire from the ring of bathing resorts. So thought the pessimists. Dungarvan however, does not take it lying down and, thanks to a quick recovery we are again on the mat and can now boast of a swimming pool second to none. To mark the occasion of its completion a number of persons interested in aquatics held a meeting in the Courthouse, Dungarvan on Saturday, the 29th May last and it was unanimously decided to form a Swimming Club. There is evidence of much local enthusiasm for such a project, and the time is opportune for the promotion of swimming galas and other events during the coming summer months.

The promoters are anxious that there should be widespread interest and it has been decided to call another meeting to be held in the Courthouse, Dungarvan on Saturday next, the 5th June, at 8.30 p.m. All interested are cordially invited to attend.

THE CAUSEWAY PATHS—Now that it has been finished in such an admirable manner, we offer our best thanks to Mr J Bowen B.S. and his able gang of workmen under Mr P Browne, foreman for the highly commendable job on the Causeway footpaths. The footpaths were badly wanted and have given the fine thoroughfare which they now adorn a very important look. It will entice people to stroll along there in summer evenings and the green hedges are giving this fine boulevard a really gay appearance.

Prior to the laying down of the paths pedestrians assumed the habit of walking on the road as the existing gravel and tar paths were dangerous and uneven, but we are glad to see that all are now delighted to have these fine new concrete paths to use and are happy to be able to avoid the risks of being knocked down by passing vehicles. It would be foolish indeed if any pedestrian should still choose to continue using the road after such fine paths have been made available for their comfort and safety.

The challenge match at which there was only a small attendance, was won by Blackwater Rovers (Dromore) with a score of 1-3 to nil for Finisk Rovers **NA MAIRBH A' d'FHILL**—

The attention of our readers is invited to the first of a new series of detective novels—Na Mairbh a d'Fhill, a copy of which we received from the Stationery Office during the week. It contains 80 pages of exciting incidents for the low price of 6d. A beginner can follow it with ease. The story is original and in native setting and should provide good healthy reading matter for boys.

MANY ELECTION MEETINGS—At present the number of candidates selected by the different political parties to contest the forthcoming election is as follows—Fianna Fail 105, as against 93 in 1938, Fine Gael 87 as against 71 and Labour will have 75 candidates going forward as against 28 in the last election. There are also a number of Farmers, Independents, and Aiseirighe candidates in the field.

This constituency will have at least ten candidates for the 4 seats as follows:—
Labour—Messrs Jerome Guiry and Alderman J O'Connor
Fianna Fail—Messrs P J Little M Morrissey, and Sean Goulding
Fine Gael—Messrs J Butler and Mrs B M Redmond,
Farmers—Messrs. D Heskin and S Norris
Aiseirighe—Tomás o Docartaigh, (nephew of Cathal Brugha)

Many meetings are being held throughout the county in support of the various candidates and parties and widespread canvassing is taking place. A good fortnight will see the end of the campaign, and we wonder what the result will be!

KILROSSANTY v BRICKEY RANGERS—Sunday's chief Gaelic attraction is the meeting of Kilrossanty and Brickey Rangers at the Gaelic Field, Dungarvan, in the second round of the County senior football championships. Last year after a thrilling hour's football a draw was a fitting result to a good close, tough game. Kilrossanty the more experienced, emerged victorious from the replay and now the Brickeys are coming back stronger than ever to avenge last year's defeat. The Brickeys were in sparkling form against Dungarvan, and their fielding and kicking was very impressive. If they reproduce this form on Sunday next the Comeragh men will have to be all out if they wish to reach the final. Martin Curran, Nicholas McGrath, Ned Power, J. J. McCarthy are footballers of sterling quality, and with the former Dungarvan man Tommy Curran those Brickey men are certainly a formidable combination. Kilrossanty had matters all their own way against the Army team some few weeks ago, but even though, they won, double scores do not mean that they showed good form. If anything, they disappointed even their most ardent supporters. However, Kilrossanty—Green and Gold—is going strong and from reports received they intend to go far this year and they will not hear of defeat on Sunday next.

John Kett, who starred for them some years ago is back again between the sticks, and the Rathgormack man J Kirwan, a new comer, is a tower of strength in the back line. Paddy Wade—hurler and boxer—is yet another new-comer to don the Comeragh colours, and his strength and stamina was evidenced against McDermotts.

Ballycoe and Dungarvan meet in a junior football challenge at 2.30 p.m. (S.T.)—J. Moloney N.T., the well-known Nire player will referee.

ON THE INCREASE—The new telephone directory dated April 1943 has just reached us. We see from it that the

number of subscribers to the system in this area is on the increase. This will mean a busier time for the Dungarvan Exchange but we are sure that the girls at the switchboard will take it in their stride and be just as prompt and efficient as they have always been.

DEATH OF MR D AYLIWARD—Sincere regret was felt in this district at the death of Mr David Aylward, sub-Manager of the National Bank in Dungarvan for some years past. Dave Aylward was an extremely likeable man who was a keen sports enthusiast, being in his young days an outstanding hurler. The news of his death caused a great shock to all his friends in this area where he was so well-known and popular. To his family sincere sympathy is extended.

VIEWS OF OUR READERS

An Appeal
(To The Editor)
Dear Sir,—May I again appeal to those responsible to give first preference to unemployed and lowly paid persons suitable for the positions as Presiding Officers and Poll Clerks in the coming elections.

The cash paid for the day will often mean that something extra can be got for the family. Those who are lucky to be employed in good positions should remember that a few pounds means a lot to a badly paid or unemployed person. Live and let live.

Yours sincerely,
T. A. KYNE,

CAPPOQUIN NEWS

COLLECTION FOR RED CROSS

Through the kindness of the Rev. T Fitzgerald P.P., a collection will be held outside the Church gates before the two Masses on next Sunday, June 6th when we trust there will be a generous response on the part of all the people in the town and parish to this deserving appeal.

ANOTHER DESERVING CAUSE

The Cappoquin District Nursing Association is another body which has been carrying out great work in the town and parish for many years past, more especially amongst the poorest and most helpless people in the community.

The cost of keeping this fine Association alive, and ensuring the retention of a trained and skilful Jubilee Nurse in the town, is very heavy, and has been very kindly defrayed by voluntary subscriptions on the part of the public for years.

Any scheme started for strengthening the sparse funds of the Association should, therefore, be entitled to generous and whole-hearted support, so that the public should be glad to hear that a Grand Garden Party and Open Air-Fete will be held in the picturesque grounds of the Rectory, through the kindness of the Rev. J. O'Loughlin, M.A., Rector, and Mrs. O'Loughlin, on Tuesday afternoon, June 29th, (Church Holy Day), in aid of the funds of the Association.

LAST SUNDAY'S SPORTS

From the extended report of the above which appears in this issue, it can be seen what a great success attended the fixture, so that the public would be glad to see another similar event held here in the near future.

A GREAT SPORTS NIGHT

The grand all-night dance held in the Boathouse Hall after the sports on last Sunday night was attended by unusually large numbers from all parts of West Waterford and proved a wonderful success.

The hall was beautifully decorated, and the floor in capital dancing order, while the Blackwater Serenaders' Dance Band Cappoquin, provided an alluring programme of all the latest and best dance music, with many of the popular and ever-green old-time waltzes thrown in.

All the arrangements were admirably carried out by Mr. J. J. Foley, Hon. Sec. and Treasurer, Cycling and Athletic Club and Mr. John Regan, senr., while Mr. P. Dinneen, ran a well-stocked mineral bar, which completed the enjoyment of all.

A MISSING CYCLING COMPETITOR

Much surprise was felt at Sunday's Sports when it was found that Mr. M. J. Sargent, junr., was not competing in any of the cycling events.

A close friend and an apt pupil of Jimmy Foley, our great cycling champion, M. J. Sargent is also a keen and brilliant cyclist, but he had the misfortune to break a crank in his racing bicycle just as the sports were about to start on Sunday, and as there was then no time for replacing it, or repairing the

damage he had to be content to act as a spectator for the whole afternoon.

However this temporary setback will only increase his zest and ardour for racing during the remainder of the season so we may expect some brilliant performances by him before the present season is much older.

LACK OF INTEREST IN ROWING

At this stage of the season in previous years it was no uncommon thing to see the Blackwater in the vicinity of the Boathouse practically alive with crews-out-training-for-the-season's Regattas but as there will be no Regatta here this year, all interest in rowing practice seems to have vanished from the young members of the Rowing Club. It makes one lonely to see the quiet and deserted appearance of the Boathouse and grounds every evening now but if Mick Sargent, with one touch of his magic wand only decided on running a series of Scratch Races here on an early date, the place would suddenly spring into life again, and we would soon witness the same joyous scenes of energy and animation which delighted us all so much in the not-distant past.

ELECTIONEERING IN FULL SWING

With polling day for the General Election now definitely fixed for Tuesday, 22nd inst., the various candidates will not have much time for putting their political views before the electors.

Accordingly, every favourable opportunity is being seized for the purpose, and thus it was that on Thursday, 3rd inst., which was Fair Day here we had no less than three election meetings which were addressed respectively by the Fine Gael, Fianna Fail and Farmers Party.

BUTTER RATIONING: Questions In Dail

On May 10th a letter was sent by a person residing in Dungarvan to Mr. W. Norton T.D., Leader of the Irish Labour Party in the Dail. The letter pointed out that while people were being rationed in butter supplies even to the extent of being unable to purchase any, the Irish creameries were being permitted to manufacture milk powder for export.

The letter stated that such a state of affairs was a crying shame. Mr. Norton, in a letter to Mr. Jerome Guiry, one of the Labour candidates for this constituency in the General Election, said that on the 19th of May, he raised the matter in the Dail, but Mr. Lemass would furnish no information as to the amount of milk powder being exported. The letter stated that the Minister adopted an attitude of shameful silence.

The following is an extract from the official records of the Dail debate on May 19th:

Mr. Norton had a question to ask the Minister for Industry and Commerce if he will state the quantity of dried milk exported in 1942, and for the period January to April, 1943.

Minister for Industry and Commerce—The deputy will have observed that subsequent to August 1939 a summary only of the value of imports and exports has been issued. For reasons of public policy it has been decided not to publish for the present, more details than are given in this summary.

Mr. Norton—Is it not a fact, though, that substantial quantities of dried milk are being exported and being exported from areas in which there is a butter shortage? Will the Minister take steps to ensure that the raw material of butter production is not exported while our own people are on the present meagre butter ration. Could we have a reply to that?

Mr. Lemass—No. Mr. Norton—We are sending away butter in tins to Britain while our own people cannot get butter at home. Is there no answer to that?

FARM IMPROVEMENTS SCHEME

The Minister for Agriculture announces that the scheme of grants for farm improvement works operated in the past three seasons will be continued on somewhat similar lines during the 1943/44 season. The object of the scheme is to encourage and assist farmers to carry out necessary improvements on their holdings and thus to stimulate agricultural production and to provide employment in country districts at times when normal farm work is slack. Particulars of the Scheme are given in our advertisement columns.

LABOUR PARTY

ELECTION NEWS AND MEETINGS

Last week the Labour Candidates, Jerome Guiry and Ald. James O'Connor were in the West of the County. They left Waterford on Monday during the week they made house to house visits in Dungarvan and Youghal districts, and held public meetings at Killeagh, Co. Cork, where a branch was formed, and at Touraneena and Ballymacarbery. Last Sunday meetings were addressed at Alish Toor and Clashmore in the morning in the afternoon a quick visit was paid to the Convention of mid-Waterford Branches at Kilmacthomas, and a busy day was rounded off when they returned in the evening to Lismore for public meetings there and at Tallow.

Last Sunday also a Convention of Labour Party Branches was held in the Courthouse Kilmacthomas, which was attended by over 50 delegates, representing branches at Ballyduff, Ballylaneen Clonea, Kilmacthomas, Killeassanty, Kill Portlaw Rathgormack and Stradbally. T. A. Kyne the County Organiser, presided, and the Chairman was W. Fitzgerald. The candidates came up specially from their tour of West Waterford to address the assembled delegates returning to Lismore in the evening. After the convention a public meeting was held at Newtown Kilmacthomas addressed by Thos. Ryan M. McCabe of Portlaw, and Michael Barry, the assistant County Organiser.

In the city a meeting of the Joint Trade Union Committee was held on Sunday morning and during the week the Election Directors visited the branches at Portlaw, Dunhill and Dunmore East. Arrangements for an intensive canvass of the city were completed and posters appeared advertising a church door collection on June 13th.

It may not be inopportune to refer to the Labour Party's policy towards the question of a National Government which is assuming the dimensions of a major election issue. This matter was raised on a number of resolutions at the Labour Party Conference in April, and it was agreed that a National Conference of the Party would be called to consider the question of the participation of Labour Deputies in an all party Government after the election, if it was felt that such a course was the will of the people expressed through the election. The Labour Party desires the maximum degree of real national unity to enable the country to face up to the crisis created by the war and most effectively to tackle the post-war problems which will have to be solved, but it believes that the necessary conditions of national unity will not be assisted by making the question of a National Government a specific election issue.

ALDERMAN O'CONNOR

Alderman James O'Connor one of the Labour candidates for Waterford Constituency and son of the late Councillor James O'Connor was born at Waterford in 1900, and received his education at Ballygunner and Carballi National Schools and Mount Slon Christian Brothers School, Waterford. He early took an active part in the National Movement, joining Na Fianna Eireann, in 1911 under Liam Mellows he rose to the rank of Captain, and was Director of Training Waterford District being on duty during Easter Week 1916. He later transferred to the I.R.A., with which he served with outstanding devotion to duty until the cease fire order was given, afterwards being interned and taking part in hunger strikes. In 1925 he was appointed by Madam Markievicz to the position of secretary of the Dublin District of Na Fianna Eireann. The following year found him in Manchester and for three years was chairman of the Manchester Martyrs Commemoration Committee and Vice Chairman and trustee of the Sean Morgan Memorial Committee. He was also chairman of the Manchester Irish Club and secretary of the Manchester Branch of the G.A.A. and a delegate to the provincial council.

By trade a carpenter he joined the Amalgamated Society of Woodworkers in 1919 and has occupied the positions of Branch chairman and vice chairman and for three years was the delegate of the Society on the local board of the N.F.B.T.O., secretary of the latter body, and a member of its negotiating committee.

Alderman O'Connor joined the Labour Party on Feb. 6th 1938, and in 1939 was successful in being elected to the Waterford

City Council as a Labour member his services in the Corporation were recognised by the citizens who at the 1942 election, elected him an Alderman.

His Corporation activities included membership of the General Purposes Committee, the Vocational Education Committee, the County Board of Assistance, the Old Age and Blind Pensions Committee and Corporation representative to the Waterford and New Ross Port Sanitary Authority and on the Board of the Holy Ghost Hospital. In his third year of membership of the Corporation he was nominated for the Mayorality and tied with the only other nominee, the issue being decided by the unusual practice of placing the two names in a hat. His various public activities also included the chairmanship of the Waterford City slum clearance committee in which position he played a leading part in the rehousing of many local families.

MASTERLY SURVEY OF AGRICULTURAL INDUSTRY

Mr. GUIRY, speaking at Alish, gave an exhaustive survey of the agricultural industry. He adverted to the fact that the industry is the basic and dominant industry of our country that it gave more employment than all other industries put together that it is the oldest and most useful industry and that it is the industry freest from physical and moral danger.

Mr. Guiry referred to the fact that over 50,000 people had left the land within the past few years. Boys and women left the land because their wage was a starvation wage, and in many cases the conditions under which they worked and lived were intolerable. The farm worker is highly skilled, not only must he be able to undertake hard manual labour but he must be able to treat disease in live stock. He has no holidays or half holidays he has no cinema and in many cases he is obliged to work on Sundays. He is abroad in pitiless rain and lashing wind he has to work from dawn to dusk. His life at best is a life of muck and misery. The Labour Party advocate higher prices for the farmer to enable him to pay a living wage and a family wage to his farm workers. The Fianna Fail Party has asserted that if the farmer receives a higher price for his produce it must be passed to the consumer, this must be described as flapdoodle. Today the farmer receives rubbish prices for his produce, and the same produce is sold to the consumer at a price of which the sky is the limit. Too many agencies or individuals—parasites barnacles limpets—are interposed between the producer and the consumer. We propose to eliminate those agencies and individuals and thereby give the farmer a price that will enable him to pay his workers the wage which is necessary if his family are to live in frugal comfort.

Many people seem to think that the farmer and the farm labourer are living in the lap of luxury. Mr. Lemass asserted some months ago that between 1932-1941 the plans operated by Fianna Fail secured an increased income of £65,000,000 to the men who work on the land. What are the facts? During the seven years 1932-1938 exports realised £110,732,188 whereas for the seven years 1925-1931 exports realised £229,558,146. In other words the industry was down by about £119,000,000 and not up by £65,000,000 as suggested by Mr. Lemass. Apparently simple arithmetic is not Mr. Lemass's strong suit.

The position is that the working farmer and the farm labourer still have very low incomes. Although the farmer receives higher prices than he did a few years ago his expenses have gone up enormously. The price of manures seeds implements threshing and transport, to mention only a few items, have soared since the commencement

of hostilities. In many counties the lowering of the Annuities are more than offset by the increased rates on land within the past six or seven years. The farmer and the farm labourer receive the statements made by Mr. Lemass and other Ministers of the State, and characterise those statements as the quintessence of blatherskite.

The Labour Party regards the fields as the first, last and best factory in our country. They will insist on justice being done to the farm labourer, and are determined to increase his present wage, which is a starvation wage. They shall also see that the differentiation, for which Fianna Fail has been responsible, between the urban and rural worker shall cease, and that the income of the rural worker will have some relation to that of the doctor, dentist or engineer.

Mr. Guiry referred to the fact that when Mr. De Valera was in opposition he frequently requested the Government to grant de-rating. Mr. Cosgrave declined to accede to his request. When Mr. De Valera was returned to power Mr. Cosgrave appealed to him to grant de-rating, and Mr. De Valera declined to do so. That was blatant dishonesty on the part of Mr. De Valera and Mr. Cosgrave as far as de-rating was concerned to mention only one matter. Both failed the farmer in connection with this matter and in connection with other matters too.

The Fianna Fail Government set up an inquiry to enquire into and report on the Agricultural Industry, and to show their inexpressible contempt for the farmers and the farm labourers of the country they did not appoint a single farmer or a single farm labourer on the Commission. The Commission is composed of Civil Servants professional men and others who would not know a cow from a carrot.

Despite the fact that we have 12 million acres of arable land and a temperate climate we experience a shortage of bacon, butter, milk and sugar. Someone remarked recently that the shortage was Nature's retribution for the slaughter of 600,000 calves. Truly the Fianna Fail Government put the kybosh on agriculture in our State.
