Waterford Co. Board Of Public Assistance

ANNUAL MEETING

Chairman And Vice- Chairman Re-Elected

The Annual Meeting of the Waterford Board of Assistance was held at Dungarvan on Monday last, July 19th. Mr D. Coghlan, Chairman, presiding. Also present were—Senator J. Butler, Mr McGrath, Mr Kenneally, P. Caulfield, G. Torpey, D. Foran.

Mr M. Flynn, Secretary, attended. Chairman and Vice-Chairman Re-Elected.

The first matter to be dealt with was the election of Chairman and Vice-Chairman for the ensuing year.

Mr Kenneally said that it gave him great pleasure to propose the re-election of Mr Coghlan who had been such a regular attendant at all the meetings of the Board.

Mr M. McGrath seconded the proposition.

Associating himself with the resolution, Senator Butler said that he was glad to see that the choice of chairman was the unanimous wish of the Board as Mr Coghlan during his last term did not miss attending once.

Mr Coghlan then suitably thanked the Board.

The election of vice-chairman was next considered, and Mr. Caulfield laughingly remarked "Sure he's not wanted at all."

On the proposition of Senator Butler, seconded by Mr Torpey, Mr Caulfield was also unanimously re-elected.

Mr Caulfield said he was grateful to the members for re-electing him, but added—"I think 'twill be like last year" (laughter).

Nursing Profession Badly Treated

Senator Butler said that he understood at a recent meeting that the Manager had made an order for bonuses for the staffs of the hospitals but he had been given to understand since that the nurses, and especially the probationers, won't benefit.

Secretary—The Department refused to sanction a bonus for them and said that they were already in receipt of an extra amount for rations to the extent of 2/- per week.

Senator Butler—This is indeed peculiar that nurses who work for 84 hours per week could not receive a bonus. The small sum of 2/- per week wouldn't improve anything when I spoke at the previous meeting on the bonuses I meant a cash bonus. Those girls have expenses to meet, and if the Department can only grant a miserable 2/- per week in rations then they must be becoming very economical. The nursing profession is the worst paid in the country, and if matters continue as at present, we will find ourselves with no nurses as they will be all going to England.

Mr Caulfield—And small blame to them.

Senator Butler then went on to state that in the first year probationers got nothing, and then got £15 a year. In England nurses started off with £30 a year all found with £40 the second year and £50 the third year. He asked that the Manager be asked to place the matter before the Department again.

Secretary—He did what he could, but they turned it down.

Mr Caulfield—Any ordinary servant girl is better paid than the probationers, and they have the most contrary jobs to do.

It was agreed that the Manager be asked to make further representations to the Department.

"To Be or Not to Be"

Mr Caulfield said that in view of the small amount of work that the Board had to transact that meetings should only be held quarterly.

Mr Butler said it was better

to let matters run as they are for the present.

Mr Caulfield—We are here now and we know practically nothing about the affairs of the Board. We do not know what our financial position is as before and we cannot see what the different functions of the Board are costing.

Mr McGrath—If you wanted that I am sure the Manager would furnish the details. The matter was left stand.

Miscellaneous

Mr Foran raised the question of a pump for the school at Clonea-Power. He said that at present the school-children had to go a half-mile for a drink of water, and he thought this was a terrible state of affairs.

"What was good enough 25 years ago" he said "should surely not be good enough now".

The Secretary said it was a matter for the Manager.

Co. Waterford Vocational Education Committee

Architect's Fees

Part-Time Teachers

The monthly meeting of the Co. Waterford Vocational Education Committee was held at Scoll na gCeard, Dungarvan on Monday last. Canon O'Brien, P.P. V.F. Chairman, presiding. Also present were—Messrs M. McGrath, D. Coghlan, J. McGrath, M. F. Walsh, M. Morrissey, T.D., M. Harty, M. O'Hara, T. A. Kyne, and L. A. Veale.

Mr J. Langan, Chief Executive Officer, attended.

No Sanction

The Department in a letter said that the Minister was not prepared to sanction any alteration in the status of Mrs. B. Bonner part-time caretaker at Ceapach Cuinn.

Mr Walsh said that Mrs. Bonner was most assiduous and her work at the school occupied nearly all her time.

Mr M. McGrath said that as the Department refused to sanction her permanent appointment the committee could grant her an increase in wages.

This was agreed, and on the proposition of Mr Walsh, seconded by Mr McGrath, an increase of 5/- per week was granted.

Domestic Science Scholarship

The Department forwarded the Cookery and Needlework marks of candidates who sat for the scholarship, valued at £60 to St. Mary's College of Domestic Science, Cathal Brugha St., Dublin.

Tomás Ua Meachair and Diarmuid O'Driscoll, furnished the candidates' marks in Irish, English and General Knowledge.

The CEO said that there were four sat for the examination—three girls from the country attending at Dungarvan and one from Ceapach Cuinn.

Canon O'Brien—And there was no girl from Dungarvan. That is a great reflection on such a big school.

CEO—But there were three pupils from the Dungarvan school.

The highest marks were obtained by Miss Mary Fitzgerald, Boherawilling, Ceapach Cuinn, and on the proposition of Mr Morrissey, seconded by Mr McGrath, the scholarship was awarded to her.

Irish Scholarship

As Ellis de Stafford Rosduff, was unable to avail of the Committee's scholarship at Ring College, due to a family bereavement it was decided to award it to the next candidate on merit.

Architect's Fees

Mr D. S. Doyle, architect, applied for payment of fees for preparation of drawings and specification for Technical Schools at Kilmachthomas and Portlaw.

The members were unanimous that as no contract had been made and as the work had been abandoned that it would be well to get a direction from the Department on the matter.

Part Time Teachers

When the re-appointment of part-time teachers came up, the CEO submitted the list of teachers acting during the past year, and said that all should be re-appointed.

Mr Kyne said that it was too much of a good thing to place the whole list of teachers before the Committee like that and re-appoint them holus-bolus. Outsiders got no chance of coming in on that method. He advocated the appointment of a part-time Commerce Teacher who had been employed by the Committee before.

The CEO said that the position was that there was no work for such a teacher now.

The matter was put off until the September meeting.

Co. Waterford Committee Of Agriculture

A meeting of the above was held on Wednesday last at the Courthouse, Dungarvan. Mr P. R. Power, Chairman, presiding. Also present were—Messrs M. McGrath, W. Dower, M. F. Walsh, M. Keating, M. O'Ryan, M. Harty, and W. Terry.

Expenses For Instructors

A letter from the Department stated that an allowance of 3d per mile would be granted to those Co. Instructors who would use their own saddle horses or ponies as a means of locomotion.

In reply to a member the Secretary said that the present allowances were 1d. a mile for cycling and 5d. per mile for a car.

Mr O'Ryan said that 1d. a mile was an insult.

After a further discussion during which it was suggested that each County Committee should take the matter up and send a deputation to the Minister, it was proposed by Mr O'Ryan and seconded by Mr Harty, that the Minister be asked to make a supply of petrol available to the Agricultural Instructor to meet his requirements.

It was further added that copies of the resolution be sent to each of the County Deputies.

Sheep Schemes

A discussion developed on a scheme for lowland sheep.

Mr Terry said that he saw that half-bred rams and ewes met with better demand at treble the price than pure-breds.

Mr Harty—That shows that the pure-bred scheme was unpopular.

Mr O'Ryan—If Mr Terry and Mr Dower met the sheep breeders in their areas they could hammer out a scheme of a workable character which can be considered at the next annual meeting.

It was stated that such schemes were operating widely in the North, and that a similar scheme was started here years ago but was dropped.

Mr Harty suggested getting in touch with the Northern Committees to find out the best way of working the scheme.

A Real Danger On Fair Days

Mr Harty drew attention to the bad arrangement for loading cattle at the Railway station, Dungarvan, on fair days. Due to the low narrow embankment there was always general confusion among the men and animals.

The scenes there sometimes were disgraceful, and both men and animals were, while there, in constant danger of being killed.

Chairman—They're summoning people for cruelty to animals yet conditions like these are allowed to continue.

After further discussion in which every member showed agreement with Mr Harty, it was decided to get in touch with the Chairman of the Cattle Traders Association and to get a combined deputation to meet the local stationmaster.

Mr Harty also suggested writing to the Manager of the GSR Company about the matter.

All Committees To Meet

Mr O'Ryan said that it was a great pity that there was not

a general meeting of all County Committees annually so that an exchange of views on Agriculture could take place. The Co. Councils held such a meeting and he thought it would lead to a great lot of good if such meetings were held.

Mr Hurley said it would serve a useful purpose.

A proposition was accordingly proposed by Mr O'Ryan and seconded by Mr Keating, calling on the Minister to call such an Annual Meeting.

Members Expenses

A resolution was also proposed and passed, calling on the Minister to delete from the Act the section which states that travelling expenses would only be paid to those living outside a mile of the venue of the meeting.

Permanent Appointment

On the proposition of Mr O'Ryan, seconded by Mr Walsh, the application of Miss E. Norris, to have her appointment made permanent was passed subject to the sanction of the Minister.

Catholic Scout Notes

4th WATERFORD TROOP
C.B.S.I. (St Joseph's Abbeyside)

Hikes—The Wolfhound Patrol enjoyed two hikes to Colligan during the past week and this good-example ought to be followed by other Patrol Leaders.

When the Wolfhounds were cycling through the town on the way home on Monday night they were in such good order that the SM thought they were Scouts of some other Troop!

Troop Meeting—An important item at Wednesday night's meeting was an Investiture Ceremony during which John McCarthy, and Ed Butler were presented by P. J. Fraher as "Worthy to be received into the ranks of the Catholic Boy Scouts of Ireland".

Having received the Chaplain's Blessing they made the Scout Promise received their newly blessed Badges, and were then declared Rawly Scouts by the Chairman of the Troop Committee.

Then as the Bugle rang out the new Scouts received a welcome salute from the Troop of which they are now full members.

Camp—Almost every night this week jobs are being done in preparation for our 1943 Camp. The members of the K.E. Clan have been doing the heavy work right well and after the Meeting on Wednesday some of the Scouts got a fire going to boil water for washing the kitchen gear.

By Friday night everything will be packed and ready for loading Monday morning.

We will see us on the way to Killarney and a fine camp-site at Fossa on the shores of the lower lake where the Troop camped in 1933 and 1937.

A special meeting of campers will be held at the Den on Sunday morning, and after that Scouts will be hanging about waiting for that train to come in on Monday morning bringing the Tramore Scouts who will join us in camp.

CAPPOQUIN NEWS

FATAL SEIZURE AT FOOTBALL MATCH—

During the progress of the Championship junior football match at Cappagh on last Sunday between Cappoquin and the Flisk Rovers which was won by Cappoquin on the score of 2 goals & points to 8 points, a woman named Miss K. McCarthy aged about 44 years, residing at Cappagh, who had been a most interested spectator of the game, suddenly had a bad seizure and quickly collapsed on the field.

Many willing helpers immediately rushed to her aid and a pony and trap having been procured she was taken to the residence of a man named Queally a short distance away but when a doctor arrived, life was pronounced to be extinct.

Fortunately, the football game was nearly ended at the time but, even as it was, the sad affair cast a deep gloom over the district, where the deceased had been held in the highest esteem for many years.

On Monday an inquest was held by Dr. D. T. McCarthy, Dungarvan, Coroner for West Waterford, and after hearing the medical evidence a verdict that death was due to natural causes was returned.

On that evening the funeral took place to Whitechurch cemetery when the large and representative cortege which followed the remains proved the great popularity of the deceased in her native district.

Deceased was sister of Mr. Michael McCarthy an esteemed employee of the Dickens Leather Factory, Dungarvan and to him and all the other relatives, the deepest sympathy of the public is now extended over the sad and tragic death of the deceased lady which is so deeply mourned by all.

SUDDEN DEATH IN CAPPOQUIN—

Mr. David O'Keefe a member of one of the oldest and most respected families in Cappoquin, was found dead in bed at his residence in Allen Street early on Tuesday morning.

Deceased was son of the late Mr. John O'Keefe, a well-known and most respected Baker who had enjoyed wonderful popularity in Cappoquin throughout his long and honourable life.

A Baker by trade himself, the late "Dave" O'Keefe, as he was popularly known, was an ex-British soldier, having served in the Royal Army Service Corps in France during the Great War of 1914-18 where he was well-known to the writer. At the end of the war in 1918 he returned to civilian life in his native town and was later employed as a baker in Ballyduff Touraneena, and other parts of West Waterford where his great ability and honesty were always highly appreciated by his respective employers.

He was later employed as a baker in Colbert's well-known establishment in Upper Main St. Cappoquin, where he remained for many years as the same skillful and faithful employee, until failing health compelled him to retire from the business a couple of years ago. He was uncle of Quarter-Master Sergt. James Revins Drill Instructor L.D.F., Lismore District. Mr. Jack Revins Lombardstown, Mallow Private David Revins National Army, Templemore and Miss T. Regan, Allen Street Cappoquin, and had been residing with his respected brother-in-law, Mr. P. Revins Allen Street, for many years.

A quiet and inoffensive man with a keen sense of humour before his health broke down, poor "Dave" was a great favourite with all classes in Cappoquin and the deepest regret was felt by all when the sad news of his sudden and unexpected death became known early on Tuesday morning.

Owing to the fact that he had been under medical treatment for a considerable time past an inquest was deemed unnecessary under the circumstances.

On Wednesday evening his remains were removed from his late residence to St. Mary's Parish Church Cappoquin, and were followed by a large and imposing cortege of the townspeople, and after Requiem Mass for the repose of his soul the funeral took place to St. Declan's cemetery Dromore, on Thursday at 3 o'clock. A full report of which will appear in next week's "Leader".

DISTINCTION FOR CAPPOQUIN VOCATIONAL SCHOOL—

At the meeting of the Co. Waterford Vocational Education Committee, in Dungarvan, on last Monday a Scholarship, value £87 10s tenable for one year in St. Mary's College of

Domestic Science Dublin, was awarded to Miss M. Fitzgerald, daughter of Mr. Jack Fitzgerald, Blacksmith and Mrs. Fitzgerald, Boherwilling Cross, Brook Lodge, Modeligo, Cappoquin.

At the recent examination for this much-coveted scholarship six candidates competed, three being from the Dungarvan Vocational School and three from Cappoquin.

The subjects in which they were examined comprised Irish, General Knowledge, English, Cookery and Needlework.

The total number of marks for the five subjects was 120 and it is a great tribute to the high efficiency of Miss E. Flynn, Domestic Science Instructress, Cappoquin, that Miss M. Fitzgerald one of her pupils, should have headed the list with the high score of 93½ marks, the second being Miss Kathleen Foley, Dungarvan, with 92 marks, third Miss Margaret Barron, 84½ marks, fourth Miss Mary Power, Dungarvan, 84 marks, fifth, Miss Aine Stapleton, Lismore (Cappoquin School), 83½ marks, and Miss R. Rae Cappoquin (who did not compete either in the Cookery or Needlework classes), 34½ marks.

In heartily congratulating Miss Fitzgerald on her brilliant and meritorious victory we must not forget to mention her skilful and experienced Instructress Miss E. Flynn Cappoquin, and particularly, Mr. Thos. F. Halpin the efficient but unassuming Headmaster of the Cappoquin Vocational School, whose pupils have always been in the forefront of Technical Education for years past.

GREAT PRICES FOR GUINEA FOWL AND PIGEONS—

Messrs. J. O'Connor & Sons, Egg and Poultry Exporters, Cappoquin, have been recently specialising in a new line for the purchase of Guinea Fowl and Pigeons, for which unusually attractive prices are now being offered.

They are now paying the hitherto unheard-of prices of 14/- each for Guinea Fowl, and 2/- each for Pigeons, so that it will pay those having either of the above for sale to send them in to this old and reliable establishment, where sellers of all classes of Poultry and Eggs can always be assured of receiving the highest possible market prices for their property.

"NIL DESPERANDUM"

We are glad to hear that our article about the Sportsfield last week has now roused certain classes of the townspeople to such an extent that there is a strong probability that steps may be taken to preserve this valuable asset for the town, even at the eleventh hour.

Some G.A.A. matches of outstanding importance have been fixed for Cappoquin in the near future, provided the Sportsfield should still be available one of these being Dungarvan v. Brickey Rangers in Junior Hurling, and Dungarvan v. Tallow in Senior Hurling both of which should provide the most thrilling matches of the season in West Waterford.

In addition to these we hope to have the big L.S.F. Review and Open Cycling and Athletic Sports meeting on Sunday Sept. 12th, with possibly other attractive events to follow, so if the townspeople wish to retain these money-making fixtures for Cappoquin, they must step down from their present lofty pedestals of apathy and inactivity, and take an active and practical part in helping to keep the Sportsfield still in possession of the present owners, as this will be a far more sensible and profitable policy for them to adopt than to remain "sulking in their tents" and criticising others which has been the only constructive contribution which most of them have made in the past.

OUR ADVICE HAS PROVED TO BE RIGHT—

Before the Annual Convention of the West Waterford Divisional Board was held this year, we called attention to the irregular practice of allowing non-delegates to be present at meetings of the Board and suggested that none but duly-accredited delegates should be allowed to attend all future meetings.

In making this suggestion, the writer had before him the splendid system which was in effect when he was Secretary of the County Board nearly 50 years ago, when nobody was admitted to a meeting of the Board unless he had a properly-signed Delegates Card from his club.

Instead of our sensible suggestion having been adopted some months ago, we were gently rebuked the following week when the writer of the "Western Divisional Notes" practically invited everybody to attend these meetings, but that he has since seen the folly of this advice was

proved by his "Notes" last week in which it was stated that only the actually-appointed delegates will be allowed to attend in future.

Another victory for the "Old Cornerstone"

OUR FAR FLUNG SPORTSMEN
Members of the Cappoquin Cycling and Athletic Club were represented in widely-divergent parts of the country during last week-end.

Dan McGrath competed at the Guinness Sports in Dublin on Saturday where he got third place in the 880 yards race, for which several of the best athletes in Eire competed.

Jimmy Foley went to Cushman (Co. Carlow) Sports on Sunday where he was very narrowly beaten in two cycling events by M. Anderson, Bohermeen, who has been proclaimed the best cyclist in the country this year. Corporal Moran, 1st Motor Squadron, (a member of the Cappoquin Club) was more lucky in the Athletic line when he won the Pole Vault with the fine jump of 10 feet while M. J. Sargent, Junr. got second in the 1000 Kilometers cycle race, at the Youths' Championships in Cork on Sunday.

From the above it can be seen that our sportsmen are not afraid to tackle the best in any part of the country!

POPULAR CANDIDATE FOR THE SEANAD ELECTION—MR. F. M. SUMMERFIELD, DUBLIN—

Amongst the candidates nominated on the Industrial and Commercial Panel for the forthcoming Seanad Election is Mr. F. M. Summerfield 138, Lower Baggot Street, Dublin, who has been nominated by two distinct Nominating Bodies, viz. The Society of Irish Motor Traders Ltd and the Federated Union of Employers.

Mr. Summerfield was born in Dublin 55 years ago, and in addition to the Motor Assembly and Distributing Business which bears his name he had founded other Irish Manufacturing Concerns and has business interests in many other Irish enterprises. Some idea of his public activities may be gleaned from the fact that he is now President of the Federation of Irish Manufacturers, Trustee of the Federated Union of Employers, Chairman of Inventions Committee, N.A.I.D.A. Employer Member, Wages Tribunals, Employer Member Court of Referees (Unemployment Insurance), etc.

He was President of the Society of Irish Motor Traders in 1936, President Irish Motor Agents' Association from 1923 to 1924, President of Irish Chamber for International Trade, and Employer Delegate, International Labour Conference in Geneva in 1937.

Any gentleman connected with so many public interests of an industrial nature should certainly be a most valued member of the Seanad, but as Mr. Summerfield is, in addition, a thorough Irish Nationalist, it will be always his desire and duty to foster and develop everything aiming at the material and industrial prosperity of his country and the best interests of the Nation.

Mr. Summerfield now has the warmest support of Mr. M. J. Sargent, Cappoquin, County Representative of the Irish Motor Traders Association and many other influential Traders, and he certainly deserves the support of all progressive and enterprising voters in the Seanad Election.

Epidemic Diarrhoea in Infants

We have received the following letter from Dr. M. O'Farrell, Co. Medical Officer of Health, which should prove important reading for the public—

A Chara.—The Department of Local Government and Public Health have issued a circular on the precautionary measures to be adopted with regard to Epidemic Diarrhoea in infants. It would be well if as much publicity as possible were given to this matter so that persons would be in a position to take the necessary precautions to prevent this disease.

In point of incidence Diarrhoeal Diseases are associated in a special degree with urban conditions of domicile, with the second six-months of the year, and with the second and third months of infant life. They display their maximum intensity as a cause of death during the months of August, September and October and are especially prevalent in seasons of high summer temperature. In regard to causations Diarrhoeal Diseases may be due to food contaminated owing to disregard of cleanliness in the homes and in municipal sanitary arrangements or to the agency of flies as carriers of infections and may arise from an unwholesome milk supply. It is noted that young children suffer particularly from the latter cause at the stage when they are changed from breast feeding to artificial diet.

For the prevention of diarrhoea it is most important not only to insist on domestic cleanliness, but also to secure that all accumulations of dust, refuse, or filth, about dwellings are removed at frequent intervals. This applies particularly to the contents of privies, manure heaps and ashpits and to the cleansing of yards, passages and streets. In this way the breeding of flies, which are such potent agents in polluting food and drink may be prevented. All practical measures for the destruction of flies, in order to prevent their access to food, should be taken. Shopkeepers might be asked to arrange that foods exposed outside shops or in shop windows, especially foods which are intended to be consumed without being cooked should be kept suitably covered so as to prevent contamination by flies, wasps or dust. As required by the Milk and Dairies Regulations, 1936 strict attention to the observance of cleanliness (hands and clothing) on the part of milkers and thorough cleansing and scalding of utensils used for containing milk should be enjoined.

Receptacles for the storage of milk in dairies and in the houses of consumers should be always kept suitably covered. The practice observed in some districts of leaving uncovered vessels outside houses for the purpose of receiving the milk supply should be discontinued.

CARRICK NEWS

Two Brothers Priests and two sisters Nuns—Rev. P. Moran, recently ordained, and Rev. John Moran, Adelaide, Australia, are sons of Mrs. Moran, Devedde, Co. Mayo, and 2 of Mrs. Moran's daughters are Nuns—Sister M. Patrick, Mercy Convent Carrick-on-Suir and Sister M. Catherine, Mercy Convent, Cahir. Another son of Mrs. Moran's is a Clerical Student.

Scene Outside Rathgormack Publichouse—At Carrick-on-Suir District Court on Monday before Mr. McCabe, D.J., Michael McGrath, aged 20, a labourer of Feddin, was fined 10/- for drunkenness and disorderly conduct and on the same occasion for having attempted to assault Guard Molloy, Rathgormack, with a porter bottle.

Guard Molloy, gave evidence of having found McGrath outside the publichouse in Rathgormack. He was using very bad language. He had a bottle of porter in his hand and attempted to strike witness with the bottle. He had been ejected from the publichouse for rowdy conduct.

Justice—You will find yourself in jail McGrath if anything like this happens again.

Absence of Solids in Milk—In a case at Carrick-on-Suir District Court on Monday before Mr. McCabe, D.J., in which Mrs. Boyle, Coolin, Portlaw, was summoned for having offered for sale new milk certified to be deficient in solids.

Mr. Quirke said—It is one of these cases that should never be brought to court. No owner of cows can be held responsible for the absence of solids in milk. The usual procedure followed in such cases is to dismiss them when the defendant undertakes to pay the analyst's cost.

The Justice said he wished some sensible person would devise a sensible way of dealing with these cases. He had been listening to evidence in such cases for a number of years and is no wiser.

Mr. Quirke—The Authorities should go back to the old system of investigating each case before they issue the summons. Now a summons is issued immediately the report is received.

Following a discussion on fats and solids in milk, Mr. Hally, solicitor for the Waterford County Council who were the prosecutors in the case, said the Guard, acted on the instructions of their superiors when they bring such cases. He (Mr. Hally) had been told by Dr. O'Callaghan, Dublin, an examining expert on such matters, that it is impossible for a cow to give milk that would not have at least 33% of fat.

In reply to Mr. Quirke solicitor for Mrs. Boyle (defendant) Guard Burke said he buys his own milk supply from Mrs. Boyle and found it excellent.

The case was dismissed, defendant undertaking to pay the analyst's costs.

Mr. Curley proposed that the minutes be taken as read. Mr. O'Connor seconded and minutes were signed.

Mr. McCarthy proposed and Mr. Curley seconded that the minutes of the Emergency Meeting be signed.

Mr. C. Ware, referring to the Secretary's absence said he was the principal man in the Association and he should be facilitated in every way, even though a car were procured later in the evening.

(The Co. Board Secretary was engaged with his club in playing against Erin's Hopes in the Senior Hurling Championship match at Dungarvan that day.)

Appeals
Newtown junior football club appealed against the decision of the Eastern Board in awarding the junior football championship match to Dunhill, played at Ballyduff on June 6th.

Messrs Moore and Lenihan, represented Newtown, and Mr. McCarthy, Secretary, represented Eastern Board.

The Newtown delegates gave their reasons for the appeal. Mr. McCarthy also gave his reasons why the match was awarded to Dunhill, and held that Dunhill had no intention of misleading.

Mr. Ware asked if the 16th man was illegal in any way. Mr. Lenihan (Newtown) said his club were only objecting to the list.

The Chairman on reading the rule stated that in his opinion mistakes had been made by the Dunhill team, the referee and the captain.

Mr. Ware proposed a replay. After further discussion, the Chairman upheld the decision of the Eastern Board and Dunhill were awarded the match.

Glen Rovers junior hurling club, appealed against the decision of the West Board.

P. Cullinan and J. Power, represented Glen Rovers. The Secretary, Mr. T. A. Kyne, represented the Western Board.

The meeting refused to hear one of the Glen Rovers delegates as he took no part in the objection when it was first heard.

The Chairman said he would like to hear P. Lynch, who played with McDermotts in Lismore against Camphire.

McEvoy had played in the Brigade Championships on the date in question at Clonmel.

Mr. O'Connor asked could the list of the Brigade Championships be produced.

Mr. Roche agreed to this. Mr. Ware made some objections to question that Lynch was asked.

R. McGrath also gave evidence. Landers, another witness in this appeal, asked McGrath to repeat the evidence given by him at the Western Board meeting.

He stated that in his opinion that it was the same man who gave supporting evidence on the point in question.

Mr. Ware proposed a replay as the evidence was most conflicting.

After some further discussion, the Chairman upheld the decision of the Western Board.

Camphire junior hurling club appealed against the decision of the Western Board in their objection against two members of the Ballyduff junior hurling team.

R. McGrath and P. Noonan, represented Camphire. The Secretary, Mr. T. A. Kyne, stated the case on behalf of the Western Board.

On point No. 1, the Chairman ruled that the reinstatement of the player in question was correct and held accordingly. Concerning point 2, the Chairman said there was nothing to prevent a member of a G. A. A. club from competing at a "flapper" sports meeting, but there was a penalty for a club to do so. He ruled accordingly.

Mr. Ware questioned the Chairman's ruling in this case.

Chairman—If you don't agree with my ruling, you can get a ruling from the Munster Council.

After further discussion the decision of the Western Board was upheld.

Arising from this appeal, the Chairman requested that Wm. Mulcahy and Bob McGrath be asked to appear before the next

meeting of the Co. Board. Villierstown club appealed against the decision of the Western Board in awarding the junior football championship match to Old Parish, which was fixed for 4th July.

The clubs concerned in this appeal were not represented.

The minutes of the Western Board meeting on this matter were read.

Mr. Ware proposed that the match be replayed.

Mr. Kyne stated that the Old Parish club were not agreeable to play.

Mr. O'Connor proposed that the match be re-fixed.

The Chairman said he was not prepared to rule on this matter and would let it to the Board.

Mr. Ware proposed that Old Parish be granted their expenses in connection with the match.

Mr. Kyne said his Board would consider the application for expenses if same were applied for.

The Board ordered that the match be re-fixed.

Death Of Mr. Michael Keane, Ardmore

It is with feelings of the deepest regret we record the death of Mr. Michael Keane, which sad event occurred at his home at Carrickduff Ardmore on Friday last, July 16th. The news of his death which occurred rather suddenly came as a terrible shock to all his friends and neighbours, who had seen him in his usual good health on that morning at the creamery.

Deceased was an extensive and practical farmer and was a very industrious man all his life. He was widely esteemed and held in great respect by a wide circle of friends who now sympathise with his widow and family in their great loss.

On Saturday evening his remains were removed to Ardmore Parish Church and were accompanied by a very large and representative gathering. The interment took place in the adjoining graveyard on Sunday in the midst of another very large gathering of mourners, friends and sympathisers.

Rev. Fr. Byrne, P.P., and Rev. Fr. Skehan, C.C., officiated at the graveside.

A Double For Dungarvan

At the Gaelic Field, Dungarvan on Sunday last, the Dungarvan Club had a dual victory when their senior hurlers met and defeated Erin's Hopes in their Senior Hurling Championship game and their minor footballers easily disposed of Stradbally in their minor football championship tie.

The weather was against fast hurling as the day was very damp and foggy, and the attendance was poor.

In the Senior Hurling game we were treated to a very lively start with Erin's Hope, playing with a wind advantage and attacking the Dungarvan end. A free to Erin's Hopes brought play close in from which they opened the score sheet with a point. Getting possession of the puck-out Erin's Hopes were in again and Berkey Power who was playing a very sound game put them further ahead when he drove over the bar. A free to Dungarvan taken by Moylan put his side on the go and following some hard clashes the Dungarvan men started their score with a point.

Hurling of a robust nature marked with close tackling was now the order and frees were fairly frequent. Erin's Hopes were having the better of the exchanges at this period, but the Dungarvan defences led by Dec Good warded off several hot raids by Power, Dalton and Whelan. In a great try for a score "Plus" Dalton was only inches wide, and with play transferred Barron was through for a point for Dungarvan. Following some hard clashes at the Dungarvan end Erin's Hopes forced a 70 but the Dungarvan back-line stood up magnificently and sent the ball up field. From a cut-in by Lannon, Dillon got the ball and scored a goal for Dungarvan. Erin's Hopes replied shortly afterwards with a point per Mick Whelan which left the scores at 1-2 for Dungarvan 0-4 for Erin's Hopes.

In the closing period of this half Erin's Hopes were trying hard for the lead but the Dungarvan men were holding them well and from a cut-in by Lannon Moylan put Dungarvan further ahead with a grand point. Mick Whelan, who was proving the sharp-shooter of the Hopes side scored a point and the same player levelled the scores when from a crossing ball he drove over the bar. Following some lively play the Dungarvan men were in hard luck for a score and with play returned Mick Whelan again pointed for the Hopes. Keeping up their pressure the Hopes increased their lead with a goal just before the half-time whistle, which left the scores—

ERIN'S HOPES 1-7 DUNGARVAN 1-3

From the start of the second half, Dungarvan were away but the Hopes back line proved sound. A free to the Hopes was taken and Dungarvan were attacking. A free to Dungarvan taken by Barron went all the ways for a point and from the puck-out the Hopes were swarming the Dungarvan defences. After some great play in which the Dungarvan goalkeeper Noonan was to the fore when he cleared two hard shots in succession the ball was cleared at the expense of a 70. The free was cleared by Moylan, who broke away and from a long drive he added a minor score for Dungarvan. A free to Dungarvan taken by Dec Good put his side attacking and Barron had hard luck for a score. Getting possession from the puck-out Barron added another minor for Dungarvan.

A free to Erin's Hopes sent them into the attack, but Moylan and Mountain combined in a nice movement and broke through the Hopes forward line to put Jackie Good in possession for a point. Returning to the attack again Berkey Power was only inches wide. From the delivery Dungarvan were pressing and the Hopes' goalkeeper saved his net on a couple of occasions. Plus Dalton trapping a low ball had a point for the Hopes and following some hard play Mick Whelan put the Hopes further ahead with another minor score. Dungarvan were next to attack and forced a seventy which was taken by Landers, the ball broke nicely but the Hopes saved at the expense of another seventy. Barron sent the second seventy right to the parallelogram where Dec Good and Moylan took control and the ball was driven into the net by Moylan. Dungarvan were now hurling much better and following some nice play Barron sent a grounder to the corner of the net. Erin's Hopes were proving a hard nut to crack, and displaying signs of

good training, they were contesting every inch of ground with the Dungarvan men.

Towards the close of the game Erin's Hopes attacked and after some great tussles around the Dungarvan goal, the ball was driven into the net. Forcing play the Hopes with a goal in arrears, were trying everything possible to level but the Dungarvan men held them off until the final whistle went leaving the scores—

DUNGARVAN 4-8 ERIN'S HOPES 2-9

Mr. Sean Ormonde, N.T., refereed.

The teams were—
Dungarvan—Sean Noonan, T. Sheridan, D. Good, P. Moloney, M. Landers, Jas. Mountain, C. Moylan, W. Barron, Jackie Good, B. Moloney, M. Roche, P. Lannon, E. Foley, Percy Dillon, Liam Morrissey.

Erin's Hopes—W. Long, A. Wall, P. O'Connell, T. Walsh, P. Walsh, M. Whelan, T. Keating, E. Keating, J. Kirwan, M. Whelan, P. Wade, P. Dalton, M. B. Power, D. Wall, and P. Kirwan.

In the minor football match Dungarvan had a runaway victory over Stradbally, on the score of 7-7 to nil.

The Dungarvan minors shaped well and should stand a rosy chance of county honours. All the team played well, but their form could not be rightly judged on Sunday, as they easily out-classed and outplayed the Stradbally lads. For the winners—Cashin, Stack, Foley, Ahearne, Hallahan, Moloney, and Hogan were best, while Stradbally were best served by Lucey, Kiely, Coffey, and Phelan.

The match was refereed by Mr. J. O'Sullivan of the Ballycooe Football club.

The teams were—
Dungarvan—P. Stack, T. Cashin, Jas. Keogh, P. F. Hogan, P. F. Foley, Jos. Duggan, John Kiely, F. Ahearne, E. Phelan, M. Hallahan, J. O'Brien, T. Butler, D. Barron, B. Moloney.

Stradbally—F. Phelan, Martin Flynn, P. Morrissey, M. Coffey, J. Coffey, J. Harris, M. Foley, J. Kiely, P. Lucey, M. Sammon, P. Cashin, Ed. Dunphy, Jas. Cleary, Patk. Brown, Wm. Cobett, Jas. Sheehan.

Tallow & Moorehill Notes

LDF Sports—A very successful sports meeting under the auspices of the Tallow LDF Welfare Fund was held at the Tallow Sportsfield on Sunday last and was a great success. The weather in the forenoon was very threatening, a hazy rain making conditions very unpleasant, but during the afternoon the weather improved and the rain cleared off. There was a very large attendance of the general public, who one and all enjoyed the fare provided. The Tallow LDF Pipers Band attended, and gave a choice selection of National airs during the afternoon. The various athletic events attracted a large number of competitors, so all the events were keenly and closely contested.

Our local athlete, Mr. Sonny Murray had a successful day, winning the long jump, and securing second place in the 100 and 800 yards respectively. Another local, Mr. J. Mills, was beaten by inches in the one mile cycle race while our prominent and popular athlete Mr. Larry Hickey, won the old age pensioners race in convincing fashion. Bravo Larry!

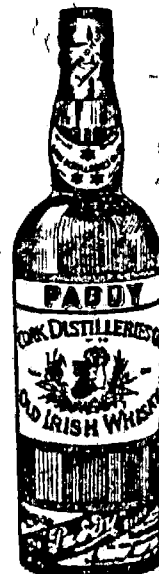

Successful Dance—A grand all night dance under the auspices of the Welfare Fund, was held at the Cinema Hall, Tallow on Sunday night last and was one of the most enjoyable social events held for a long time. A large number being present and one and all enjoyed themselves. The hall was nicely decorated for the occasion, the floor was in perfect order, while the music supplied by the Brideside Serenaders, was a treat to listen to and the playing of the National Anthem which brought the night to a happy ending came all too soon.

Sunday Next—Will be a red-letter day in Moorehill, as from far and near crowds are coming to the Annual Sports. During the past week the committee in charge are preparing the track, so that on Sunday next it should be in apple-pie order. A large number of entries have been received from all the well-known athletes of Cork, Tipperary and Waterford, so the fourteen events will be closely contested. The schoolboys races, are the sole topic with the youths and on Sunday the cream of Tallow, Knockanoe, Glendine, and Kil-watermoy, will do battle for honours. We noticed some of our young ladies practising very hard the other evening, so the ladies cycle race will be a close affair. The first prize for this

Wherever the best whisky is sold

event is presented by our esteemed and popular lady, Mrs. Acres of Sapperton House. The various running events will attract the usual number of runners, and glancing at the entries for the cycle races it would be hard to pick a winner. Well let 'em all come, they will be all catered for. The event of the evening will be the old age pensioners race, and whisper here's a secret that's if you like to have a "little" on, a "dark horse" is coming from one of the outside parishes, he says he can lick 'em all, but our local champion will take some beating, but come and see for yourself. A choice selection of music will be supplied by the Pipers Band, so all that is needed to make it a perfect day is fine weather so please Mr. Weatherman be generous!

The End of a Perfect Day—Finish the day well, by patronising the grand Ceilidhe Mor, at Moorehill Hall on Sunday night, everyone is going.

Local Tit-Bits—"When the cat is out the mouse can dance" is an old saying, and some of the locals made full use of it the other night, but 'beware' two young ladies are on the warpath. We noticed one of the boys very lonely looking over the week-end holidays, though joyful, are sad for some—"Dearest our day is over, ended the dream divine you must go back to your life I must go back to mine."

of our ultra modern amusements are to a great extent responsible. Youth has become weak-minded and self-indulgent and matters of intellectual importance interest him not at all. Most neglected of these opportunities is Vocational Education. A general apathy exists all over.

Here in Dungarvan our Vocational School is second to none in the whole country. The building is one of the most modern and highly qualified teachers under CEO Mr J Lanigan, ensure the highest training for the pupils. To make the courses more enticing a number of scholarships costing much money annually are offered to boys and girls enrolled in the schools.

Recently "The Vocational Education Bulletin" published an article on the subject and the following is an extract—

The work of Vocational and Technical Education lies in cultivating general adaptability combined with special skill. The former is the main function of the Continuation Education section represented chiefly by the Day Vocational Schools and the latter is the function of Evening Technical Schools and of some specialised Day Schools. Certain industrialists and agriculturists have uttered vague criticisms about their programmes with an eye to their special requirements. We should like to see some concrete statements from the critics as to the shortcomings, and constructive suggestions for a remedy. So far as we know every Technical School is ready to establish courses directly related to local industries either by way of training entrants or improving the technique of those in actual employment. provided students can be found and teachers with proper qualifications. There are always difficulties to be overcome, but these are not the fault of the educational authorities. It would be easy, but not helpful, to answer the critics by saying that many of our industrialists and farmers (not all of course) make no attempt to use the educational system and that others expect the educational system to be merely an instrument of subsidising them for their individual gain. But we deprecate mere recriminations from whatever side. Clearly it is the duty of every industry to consider how the Vocational and Technical Schools may be used to promote efficient production. It is easy to approach the Vocational Education Committees on the local problems, and the Technical Instruction Branch of the Department of Education on larger questions. So far as the Vocational Education Officers who carry out the schemes are concerned we can say that they regard the fullest development of the material resources of the nation as a major part of national effort, towards which the schools should, within their proper scope, make the maximum contribution. They want to do their part fully in that work, while at the same time reserving a due share of their energies for the other activities that help to make of the whole educational system an instrument for the progressive moulding of better human types.

We would urge on those young people therefore desirous of learning and of preparing themselves for bigger things to make full use of the Technical School. Every facility exists and the greatest attention is accorded to every individual.

News Of The Town And Round About

PRETTY WEDDING—The Augustinian Church at John's Lane Dublin was the scene of a very pretty wedding on Wednesday morning last, July 21st when Miss Maura Murphy, only daughter of Mr and Mrs C J Murphy Main Street, Dungarvan was married to Mr Kevin Muldoon, B.Sc, H Dip Ed, only son of Mr and Mrs E Muldoon, Dungannon.

The ceremony, with Nuptial Mass was performed by Rev P Magee, O.S.A., Dungarvan, assisted by Rev Fr Quinn, Dungannon.

The bride was attended by her cousin Miss May Fitzpatrick Waterford and the best man was Capt Sheeran, Curragh. The bride looked charming in a French blue frock and coatee with navy accessories. She is well known as a first-class golfer having won many ladies' Open Competitions, and is at present Secretary of the Dungarvan Golf Club (Ladies Section). To mark the occasion of her wedding, the ladies of the club made a presentation to Miss Murphy at the Clubhouse Ballinaquarty last week. The bridegroom, who hails

from the North is also now well known in town where he is an efficient member of the teaching staff of the Augustinian College.

After the wedding a reception was held at the Clarence Hotel, and afterwards Mr and Mrs Muldoon left for a tour of the North.

We join with their many friends in Dungarvan in wishing the newly-weds long years of happiness.

BANK TRANSFER—His many friends in Dungarvan and district will be both glad and sorry to hear of Mr Denis Donovan's transfer to Bandon. Glad to hear that he is leaving on well-merited promotion and sorry to see him go from amongst us.

Mr Donovan came to Dungarvan in February 1939 as Teller in the Provincial Bank and no more courteous Bank official could anyone meet. He made himself very popular with all classes of the community during the four short years he was amongst us, and his departure now as Accountant to the Bandon Branch of the Provincial Bank will rob Dungarvan of a splendid official.

In going, he and his charming wife and family, take with them the best wishes of their hosts of friends in the Old Boro.

Mr Donovan is being replaced by Mr J Hazel, who is coming to us from Kilsrush.

SENIOR HURLING TEAM TO MEET CORK—The Senior Hurling Selection Committee met at Portlao on Sunday evening last and selected the following team to meet Cork in the Munster Senior Hurling Championship at Cork on Sunday, August 1st—

A RECORD CATCH FOR THE COLLIGAN—While fishing in the Colligan river at Lackendarra on last Tuesday night one of our leading anglers, Mr T Butler, Main St., Dungarvan, hooked and landed a brown trout weighing 3 lbs 8 ozs. This is a record weight for such trout on the Colligan. The fish was hooked on a small hand-tied grey quill fly, tied by Mr Butler himself, and after an exciting tussle the big fellow was landed successfully on the bank.

We congratulate Mr Butler on his record catch and wish him further success as a disciple of Isaac Walton.

TENNIS TOURNAMENT AND DANCE—Keen interest was displayed in the Inter-club tournament which was played off between the Strand, Burgery and Murnoe Tennis Clubs. The finals played off on Thursday evening, July 15th resulted as follows—

Final Men's Singles (Level)—W. V. Hadden beat F. Hurley, 6-1 6-4, 5-7, 4-8, 6-3.

Final Mixed Doubles (Level)—W. V. Hadden and Miss E. M. O'Neill beat F. Hurley and Miss I. Flynn, 7-5 6-2.

The prizes were afterwards presented to the successful competitors by Mrs P. J. Moloney.

That night a most enjoyable dance was held at the Town Hall which was largely attended.

REPAIRS TO ROOF OF ST MARY'S PARISH CHURCH—A meeting of prominent men of the town was called by Very Rev T. Canon O'Brien, P.P. V.F., at the Sacristy on Sunday morning last. The urgency for the need to repair the roof of the Parish Church was stressed.

It was stated that the estimated cost of the necessary repairs was £1,400. A sum of £500 was available as a credit balance and the remainder had to be made up. A subscription fund was opened to which the Canon gave £100. When it was closed a further £380 had been subscribed and this leaves a debit balance of £420 to be met.

HIDDEN DANGER—People young or old who take bottles or glass of any description on to the strand should be careful to take them away again. If these get broken they present a terrible danger to bathers who might easily sustain a severe cut.

WINPOWER—Walsh's Radio Cycle Centre ever to the fore with all things new in the radio and electrical world, are at present offering for sale a limited number of house-lighting plants of the now famous "Winpower" brand. They are in a position to carry out all installations and service work, and those people anxious to

LOCAL ENGINEER HONOURED—Last week it was announced that Mr Jeremiah Ormond, B.E., Assistant Co. Surveyor, had been elected an associate member of the Institution of Civil Engineers of Ireland. Mr Ormond is an engineer of the highest water, and it comes as no surprise to us that he has been now so honoured.

We wish to extend our heartiest congratulations to Mr Ormond on adding further laurels to his name.

PASSING OF POPULAR CHARACTER—The many friends of Martin Kennedy, who resided at the Burgery, up to a short time ago will be sorry to hear of his death which took place at the Dungarvan hospital on Thursday, July 15th last. Martin was a jovial old character, who was well known as an herbalist and who had cures for many illnesses.

Some years ago he suffered a severe loss when his house was burned to the ground. The shock of that had a great affect on him and he was never the same after it. His passing removes another of the old stock DUNGARVAN MINOR HURLERS—The following minor hurlers are requested to be at the Gaelic Field, Dungarvan, at 2.30 p.m. on Sunday, 25th July, for match versus Cathal Brugha's—

THE USE OF CATAPULTS—The use of catapults among young boys seems to be becoming prevalent again, and parents would be well advised to warn the youngsters of the dangers of firing stones at each other by this means as a serious accident might result.

Western Divisional G.A.A. Notes (By AN RUNAIDHE)

Will They Beat Cork?—I promised last week to give my opinion as to whether we will beat Cork in the senior hurling final after I had considered the team selected. Most of you will already have seen the selection and placings. I am not in full agreement with some of the placings, but on a whole, I think the selectors have done their work well and given an equal share of that important thing called "luck" the team are capable of beating Cork. A lot depends on the players themselves. Each man selected either as players or subs, knows that unless he is fit for an hour's hurling, he will be leaving down his county. If we have any player who knowing this will still remain untrained then it is useless talking to him or depending on him. The responsibility rests on each player to see to it that he, himself, is fit. It can be done without anything special being done as every honest player knows. May I ask our Western men to think of this for the sake of the county we are so proud of. Above all don't spoil a fortnight's training on the last night by reason of the glamour of your position. To our supporters I would say: Let them alone, forget all about the players or their training, and concentrate on getting to Cork to give them a shout to victory. May I congratulate the selectors on their decision that all players must travel in the cars provided on the morning of the match and in no other way.

At Tallow on Sunday—Great interest will be centred in the junior football fixture—Knockanore v Lismore on Sunday at Tallow. Fixed for two different venues and on different dates it will be decided on Sunday. The Knockanore lads have high hopes of going places in Gaelic county football this year. They believe they can beat Lismore by a big score and expect to prove this on Sunday. The Black and Amber men are not saying much but that "wait and see" can mean more than that they agree that Knockanore are right in their views.

Old Rivals—Cathal Brugha's meet their old rivals at Dungarvan, when they take on the Blues. Dungarvan are hot favourites, having got together as fine a string of minor hurlers as is in the county. Fitzie believes however, that his mystery team will put the champions all out to defeat them. Well it's a great spirit Fitzie, and perhaps the luck may change this time.

Church Gate Collection—Dungarvan H. & F. Clubs will hold their Annual Collection at the Church Gates before all Masses in Dungarvan and Abbeyside. The club needs the funds to carry on the games of the Gaels in the town, and I hope the public will subscribe generously as in former years.

Go Board Appeals—At the Co. Board meeting held in Portlaw on Sunday last, the hearing of the appeals against the decisions of the Western Board were gone into. Glen Rovers appeal was turned down on the grounds that the evidence at Western Board was in accordance with the decision arrived at. The Camphire Club also lost their appeal, and in addition they lost on the third point of their original objection: which the Western Board left stand over for investigation. A sequel to this case is likely to be heard at the next Board meeting. Villierstown alone succeeded in their case as a replay of the game—Villierstown v Old Parish was ordered. Old Parish to be awarded reasonable expenses by the Board.

Postponements—Postponement of the games—Dungarvan v Stradbally in the Russell Cup and Cappoquin v. Bride Rovers in minor hurling had to be made as in the first case Dungarvan were unable to field out for various reasons. In the second case Tallow would be unable to play in Lismore as the junior football Knockanore v Lismore was on at Tallow on the same day. As well, Lismore could not stage the fixture as they were travelling to Tallow.

Sunday's Games—(Co. Championships)—At Tallow—J.F. Knockanore v Lismore, 4 p.m. ST. Ref W. Sheehan.

At Dungarvan—M.F.—Dungarvan v. Cathal Brugha's, 3 p.m. Ref M. O'Connor.

Challenge Games—At Ardmore—J.F. Ring v Old Parish, at 4 p.m. ST.

Our Small Adds Bring BIG RESULTS

Oige Na hAiseirighe

GAIRM-SCOILE CHUM OIGE NA hAISEIRIGHE

Os nith gur theip na seanolr ar Eirinn glaothann si chuiche an oige mhiseamhball Inghuais-eacht na hAiseirighe, tá slighe do gach buachall agus do gach cailín san tír comh maith leis na daoine fásta Teastuighéann a gcabhair uainn. Tá obair mhór náisiúnta le déanamh againn. Tá uainn gluaiseacht do'n oige do bhunú a bheidh ma creideallt do'n nGaedhealachas agus do'n Críostáideacht. Beidh caitheamh aimsire mheasardha shláinteamhall le fághbháilt inné caitheamh aimsire a bheidh tairbheach do'n chorp agus do'n aigne. Is éigin dúinn an oige do chaomhnadh ar nimh, an Gaildhachais. Fada go leor iad & dtréigint is a bháigint fa neart cúlchaithe an uilc.

It must be the aim of Aiseirighe to found and build up in Eire a vivacious dignified youth movement on truly Gaelic and National lines in which boys and girls between the ages of 10 and 16 can find an opportunity of exercising their talent and engaging in sports and pastimes which will help to develop their mental and physical powers. A true knowledge of the history of the men of Eirionn must also be imparted to them as well as giving them a real opportunity of using their native language outside the class-room. The object is of course to instil into them that racial pride which we all lack so much today. When Na hAiltiri take over the country and start to build up the Gaelic State, such a movement will be sponsored by the State and organised on a permanent basis. However, we need not wait for compulsion to do a good thing. Now is the time. Wherever a cumann of Ailtiri na hAiseirighe functions we look for a branch of Oige na hAiseirighe and the encouragement of all well-thinking patriotic-minded parents. Of course the branches will be under proper supervision and catered for by those who understand the mentality of the young.

From Oige na hAiseirighe we expect to draw the future party members and pillars of the Gaelic State. Therefore, it is in the National interest to ensure that the training and instruction they receive will help to make them men and women of character, patriotic self-reliant, devoid of personal pride, yet dignified, generous, frank and honest, but not foolish amusement adorers and spendthrifts as the youth of today.

We want the young girls too to join the ranks of Aiseirighe. There is much for them to do. We want the young "Countess Markevitch and Miss Mc-Sweeneys". Down the ages women have played their part in the National Struggle. Will this generation of women betray them? No, Eire has faithful daughters yet of whom she may be proud. They will help to shape women's life in Eire na hAiseirighe. Let our girls turn away from the lure of the foreign materialistic world which is burying itself in ruins. Let them forsake the foreign ideas and fashions, and discard the artificial means of make-up which can only deceive the eye for a time and which are harmful to the complexion. Nature's way is to make ourselves pictures of health. We can do this by developing physique by engaging in bodily exercises.

We must leave the realms of deception and vanity and unreality and become nature's children once more. The money spent on cosmetics in this country enriches no one but aliens. One thing is certain—in Aiseirighe Eire the youth shall be protected against the wiles of aliens and selfish natives, whose only use for youth is to exploit them for their own ends and to make cash and still more cash.

AN FÍOLAR

MONTHLY FAIR

The monthly July fair held at Dungarvan on Wednesday was very satisfactory all round. In a word it could be described as a dear fair. Prices were good in all departments and on a par with the prices that ruled at the last fair. A big number of cattle were sold and many cattle trains, full of prime beefs, left the station for Waterford city on Wednesday.

OUR WATERFORD LETTER

The Late Mr Patrick Cosgrave—I regret very much to chronicle the death of an esteemed fellow-citizen Mr. Patrick Cosgrave, Johnstown, brother of a well-known and respected member of the Corporation, Councillor James J. Cosgrave. The late Mr Cosgrave was a valued official of the old Waterford Board of Guardians, being Land Steward up to the time of the Union Amalgamation Scheme, and since then was employed in a similar capacity by the Nuns of the Ursuline Convent who will miss his services very much. He was a most intelligent and industrious man, and an exemplary father and husband. I tender my sincere sympathy to his bereaved widow and relatives.

L.D.F. Squads Passing Through—On Saturday last the streets of the city were enlivened by several squads of the L.D.F. from various parts of the country who passed through en route for Tramore where they are to be under canvas for a few weeks. The units of our volunteer army presented a very impressive appearance as they stepped together from the G.S.R. station, Ferrybank to the Tramore station.

Popularising Our Native Music—Mr M. P. Flannery, R.M.S.M., the talented conductor of the Barrack Street Brass and Reed Band, is at present arranging selections of Irish marches from the beautiful Irish melodies which were broadcasted by An Claisceadal from the Technical Institute on April 16th, 1943. The writer of this column has presented Mr Flannery with copies of thirty melodies published by Three Candle Press of Dublin for the purpose of arranging his selections.

New Waterford Dominican—Rev Charles Hutchinson, O.P. was ordained on Sunday, July 11th at the Holy Cross College Cloniffe, by Most Rev Dr McQuaid, Archbishop of Dublin. Father Hutchinson is third son of Mr and Mrs Lloyd Hutchinson Rathfadden Lodge Waterford and a brother of Mr T. W. Hutchinson, solr. (Messrs Henry D. Keane & Co) and of Mr T. O. Hutchinson, M.I.A.A., Lady Lane, Waterford. He received his primary education at Mount Sion schools, and from there passed to the Dominican College, Newbridge, Co. Kildare. He later entered the Novitiate and was ordained from the Dominican House of Studies St. Mary's, Tallaght, Co. Dublin. It is interesting to note that Father Hutchinson was assisted at his ordination by another Waterford Dominican Rev A. Doolan, O.P. Father Hutchinson celebrated his first Mass at the Dominican Church Waterford, on Monday July 12th, in the presence of members of his family. The Mass was served by his brother Mr Frank Hutchinson solr.

Kieley's Famous XXX Ale—We direct the attention of our readers to the advertisement appearing in this issue from Messrs Patrick Kelly & Son St. Stephen's Brewery, Waterford in connection with the famous XXX Pale Ale for which the firm has made a great reputation as an ideal beverage. It was stated recently in the "Leader" that Messrs Kieley have been in the brewing industry for well over a century and are noted for the first-class quality of the drinks.

WHY YOU SHOULD SELL YOUR WASTE PAPER TO US

We get credit for every scrap of waste paper we send to the paper mills and this gives us a claim to a full share of the printing paper that is made from this waste material. In that way we are enabled to maintain sufficient supplies of printing paper to keep our staffs fully employed. We are, therefore, making a special appeal to the Secretaries and Organisers of local Associations who are collecting waste paper to sell the entire proceeds of their waste paper collections to us. We will pay highest cash prices and supply free sacks.

We also appeal to ever trader and manufacturer as well as to professional men, librarians and private householders to collect all the waste paper and sell it to us for forwarding to the mills. By so doing you will be helping us to maintain local employment and at the same time, getting the highest possible prices for all the waste paper you have to sell. For further particulars apply to the Manager, LEADER OFFICE, DUNGARVAN.

Ballyduff News

Parish Council Sports—August 15th has been fixed as the date on which the Parish Council Sports will be held. Posters are already being displayed giving full details of the programme. There are many events good prizes so there is no reason why the day should not be an outstanding one. The Parish Council Sports have become an annual event here and have always proved a huge success. So now athletes get going and be in good form and show your prowess here on Aug. 15th.

From time to time we mean to give you a reminder in the "Leader". We know it will not be necessary still there may be a few forgetful or lazy ones and they will require an occasional "shake" to galvanise them into action. In the meantime, let those who have influence with the clerk of the weather beseech him to be in one of his merriest humours on that day.

Red Cross—This week lectures in First Aid were given in Mocollop school for the benefit of those interested there. The journey to Ballyduff might be too long for some of them and time is very precious just at present so for that reason lectures are being held at Mocollop. At the moment we have no definite information next week we hope to be able to transmit some to our readers.

Erratum—Last week we made a mistake perhaps 'twas bad penmanship was at fault but in the report of the Red Cross Social Mrs Kearney won the prize for selling most tickets 52 books, not 32 as was stated. The runner-up sold 42 books. We apologise to the said lady for the mistake and for having underestimated her persuasive powers.

THE FAIR OF AFFANE 14th MAY

By MICHAEL CAVANAGH, CAPPOQUIN (Written in Washington, D.C., 14th May, 1870.)

My blessings go back to my old home, This pleasant fourteenth of May, For there in the days of my boyhood 'twas it was the grand pleasant day. We had "lashins" of fun of all sorts which brought to us joy evermore, For 'twas the Fair Day of Affane, sure and the "Pattern Day" of Lismore.

To my neighbours of Tubber-na-Cartha I'll leave to relate, How they recalled old St. Carthage's Glory, and piously honoured his day, But we—(heaven pardon our fathers)—who left us no saint of our own. The festival kept in a fashion we had at the "Old Corner-stone".

The corncrake calls from the meadow the thrush pipes from Kilderrilheen, The blackbird's voice mellowed by distance floats over from leafy Tourin. And the human-like voice of the cuckoo floats over our heads in the air, Oh! I hear them again this May morning I wish from my heart I were there.

Where branches the road, poor "Dummy" leans pensively over the wall, He gives us the smile and th handshake for we know th he loves us all. Though he 'speaks' no th for our fairins, they're see in his misty blue eye, And he knows he'd never w the "dudheen full" while w could the price supply.

Arriving at the Churchyard march the Fair Gree down. We meet with a kno "gamester," who wins o sole half-crown. But knowing the rascal cheate with a fierce aveng swoop, We scatter his "pays thimble" and slate o "trick-o-the-loop".

Still led by the spirit of mischief we gather round the spot. Where swearing "Mickel-the-Butcher" stands over his boiling pot, But who can depict the horror the anguish of craz Micheleen.

When he forks out Joan Hartery's tom-cat, in place of a sappy spoileen.

In the train of a veteran dandysel we chorus with right good-will, A fine old traision "Come-all ye" of Ross and Vinegar Hill. Then retiring to the Churchyard we watch a few small rows, While waiting a general action between the "Poleens" and "Gows".

Ha! there goes the signal for action that shout and caubeen in the air. The ginger-bread women and cattle are skeiping like mad from the fair.

The tents are flung down the next minute and ere you could count half a score, The boys with swinging shillalags are leaping to join in the splore.

But scarce comes the crash of the factions when rings a fierce jubiliant yell. My soul—they're all down on the "Peelers" and don't they leather them well, As they scamper in terror a-past us and show us the tips of their brogues,

Where's the boy could resist the temptation of having a "croust" at the rogues.

Thus passed the fair days of our boyhood, when red, blood warmed in our veins. Scarce one of the love-linked school-mates in the dear old home now remains. But wherever their fate may lead them on the knees of my soul I pray, Heaven's blessing be with the survivors this pleasant Fourteenth of May.
