## Dungarvan Swimming Gala A Huge Success

### Official Opening Of Swimming Pool

to be a prominent local business man) later took a "header" into the pool.

To round off the evening's sport a Polo match between Dolphin and a Dungarvan selected team ended in a win for Cork 3-2. Shortly after this we witnessed a boat race, but a strong swell made racing impossible and only 2 crews faced the starter.

During the Gala the Dungarvan Brass and Red Band rendered some excellent selections from the Park and the crowd were kept fully informed of all details and results from a microphone.

On completion of the events, the prizes were presented by Mr J J Crotty, President of the Dungarvan Swimming Club to the winners who were loudly cheered.

### The Causeway Level Crossing

#### Report On Fuel Scheme

Mr T. McCarthy, Chairman, presided at the fortnightly meeting of the Dungarvan Urban District Council at the Town Hall, on Friday night last. Members present were—Messrs. L. A. Veale, T. A. Kyne, M. Morrissey, T.D., and J. Dahill. Mr M. O'Meara, Acting Clerk, attended.

#### "Someone Will Be Killed There"

Arising out of the minutes, Mr Kyne said that accidents are still occurring at the railway level-crossing at Abbeyside, and there is yet no sign of any warning notices being posted. Chairman—They don't care whether people are killed or not. It is a pity that something is not done.

It was agreed to again recommend the matter of erecting warning notices there to the Manager.

#### Discussion On Minutes

The Chairman said that a unanimous resolution calling for the erection of some screen walls had been passed by the Council months ago, but they had not so far been erected. He thought the Manager should again be reminded.

Mr Kyne—Yes, the people in these places need privacy.

Mr Veale said that part of the cleaning of Quann's strand had been done but that the job had not been finished. He recommended that this be done as a lot of people go bathing there.

The Chairman said that the promenade was in the same position.

#### Received Late

A circular letter from the Association of Municipal Authorities of Ireland, dated 24th July, stated that the next Annual Conference would be held at Wexford, on September 14th, 15th and 16th next. It stated that any motions for discussion should be sent in before August 9th.

Clerk—The letter only arrived the other day.

Chairman—That's bad business—how can they expect us to have any motions in as it is gone past the time now.

It was agreed that Messrs Morrissey and Butler attend as delegates, and if they could not go that they appoint deputies.

#### Report on Fuel Scheme

Mr Michael O'Meara, Acting Clerk, read the following report prepared by him for the Manager on the Fuel Scheme, 1943-44—

Summer Season (April 5th to 30th October) The Report was dated August 6th —

"I wish to report that the above scheme has now been in operation for the past 4 months and has been working satisfactorily. I set out hereunder a summary of the cost of the scheme and the number of cases to whom turf has been issued for period up to 31st July last.

Total cost of fuel to date—£130 2s 6d

Quantity distributed—43 tons 7½ cwt.

Number of cases to whom ½ cwt. of turf has been issued—

Old Age and Widows' Pensioners—1,090

Unemployment Assistance—67

Home Assistance—578

Total—1,735

A much larger number of persons in receipt of Unemployment Assistance are entitled to benefit under the scheme, but so far have failed to do so. Home Assistance recipients are issued the turf free since May 15th.

The Manager had endorsed an order that a copy be sent to the Department of Local Government and Public Health on the report.

When the Chairman asked if members had any comments to make, Mr Morrissey said there were no complaints.

Mr Veale—In some cases people who were not in a position to bring the turf home had to pay for its delivery, and as a result the scheme was of no ad-

### Death Of Mrs. Margaret O'Meara, O'Connell St., Dungarvan

Sincere regret has been caused by the death in the fullness of years of Mrs. Margaret O'Meara, which took place at her home in O'Connell Street, Dungarvan, on Sunday last, Aug. 15th. The late Mrs. O'Meara was a kindly lady of great piety and was beloved of all, especially of the poor, to whose aid she was ever willing to come. She endeared herself to all classes by her pleasant character and extreme generosity, and her passing has been the cause of deep sorrow to her wide circle of friends. She was mother of Miss M J O'Meara, of Cunniffe's, Main St., Dungarvan, and of the late Sister M Bonaventure. The other surviving members of the family are Misses Bridie and Norah O'Meara, and Mrs. G H Wood (daughters), and Mr Frank O'Meara (son), to all of whom sincere sympathy is extended in their sad bereavement.

At the removal of the remains to St. Mary's Parish Church on Monday evening, a large and representative cortege attended, and a most representative body of the community again attended at the burial after Requiem Masses in the adjoining cemetery on Tuesday.

Rev D Power, C.C., Rev. Mee O'Meara, C.C., Rev P Donegan, O.S.A., and Rev P Doyle, O.S.A., officiated at the obsequies.

The following Mass cards were received—

To our devoted mother, from Mary Joe, Bridie and Nora, from Madge, George and Noel; Frank and Tess, Mr Spooner, Moloney family, Springmount, Michael Moloney and family, Skahacrine A Stokes and family, Kattie and John Lynch, Mary Angwin, John and Christie Leahy, Ita and Eddie Spratt, Dan and Kathleen McCarthy, K Moloney and K. ### Catholic Scout Notes

#### 4th WATERFORD TROOP C.S.S.L. (St. Joseph's Abbeyside)

Before & After—Before Camp there is always an amount of work to be done in preparing camping equipment and this is always tackled with greater enthusiasm than the job of cleaning up and packing away. However, thanks to the efforts of the Camp Troop Leader and a few Scouts from various Patrols all the washing, cleaning and greasing was well done during the past week and the goods are now packed away and a nailed cover on the big box backs up the chap who says "let no one disturb till next camp." The tents too, were well dried and aired have been neatly folded and stowed away in their bags, a few adventurous carwigs that stowed away in the folds being murdered during the job.

Troop Meeting—Though the Tiger P.L. and a few others had doubts about it the Troop Meeting was held on Wednesday last and it was pleasant to see the campers appearing in neat and trim uniforms because it is only baby Scouts who can't keep their uniforms in good shape during camp. Many Scouts were rushing to get a swim so the Meeting was rushed to please them and after a game, the usual routine work, and some instructions to Patrol Leaders, "dismiss" came. Next meeting on Wednesday at 7.30 p.m. sharp—Admission (not including supper or tax)—Full Uniform!

Note to P.L.s—The success of your Patrol depends on three things: (1) Leadership, (2) Leadership, (3) Leadership. So says Jack Blunt and he is right. Any P.L. who has a Rawly Scout in the Patrol at the end of an other month will be found guilty of "slackandodgery."

Scram—A few of the Knight Clan planned a cycling trip to Tramore for the weekend to see again the Scouts who camped at Fossa and to watch the sun go down on Tramore Bay. We can help them by giving them a large soup ladle—it belongs to the Tramore Troop. The Wolfhound Patrol have plans for a hike to Colligan on Sunday bent on test passing and their example could be followed by others. Have you the SM's spoon? Some Scout must have a spoon that he did not have before going to camp (mothers please note)—and this question was asked at the last Troop Meeting. What did the SM. say about Scouts who can't mind their equipment? Get someone else to mind it is not the right answer! The K.E. Clan might hold a meeting soon, what do you think Mick?

Senior Hurling Championship

Brilliant Semi-Final In Cappoquin

TALLOW DEFEAT DUNGARVAN

(From Our Cappoquin Correspondent)

One of the grandest hurling matches perhaps ever seen in West Waterford was provided in the Cappoquin Sportsfield on last Sunday when the old rivals Tallow and Dungarvan, met in the semi-final of this year's Senior Hurling Championship of the County.

Unlike the previous Sunday the weather on this occasion was simply ideal for outdoor sport, as it was bright and warm, and tempered by a slight breeze, which was of no advantage to either side during the game.

The widespread interest taken in the meeting of these two great teams was evidenced by the huge gathering of spectators present, as the attendance must have constituted a record for a G.A.A. match in Cappoquin.

The field arrangements were the last word in perfection, as the local Gaels had the pitch prepared in a manner fit for an All-Ireland Final, and we heard many favourable comments on its well-prepared condition from spectators outside the rails.

In order to prevent the public from encroaching on the playing pitch, no side-line seats were provided, but still a greater number of the followers of both teams got inside under one pretext or another than should have been the case, and some of these we regret to say, caused considerable trouble by lying along the side-line and refusing to go back to the rails when requested by the Stewards to do so.

Conduct of this kind can hardly be called sportsmanship and those responsible for it are not much credit to the teams whom they profess to so ardently support.

In spite of all difficulties, however the best of order was maintained on the pitch for the first three-quarters of an hour, until a regrettable incident occurred which we hope we will never again see repeated on any Gaelic field.

The game, although close and exciting, had been played in a clean sporting spirit by both teams up to this stage but tempers then began to get somewhat frayed and when a dispute started between two of the opposing players, the referee, Mr M V O'Donoghue, Chairman of the Co Board, intervened for the purpose of restoring order. While doing so supporters of the teams suddenly invaded the pitch and the referee was struck a violent blow with a hurley across the left arm, inflicting a serious wound in the region of the elbow. Whether the blow was meant for a player involved in the dispute, or was aimed deliberately at the referee is not quite clear, but, in any case, it was a most cowardly and reprehensible thing to do, and we hope proper steps will be taken to prevent a repetition of such unsportsmanlike conduct in future.

The immediate result of this incident was that the game had to be held up for some time while Mr O'Donoghue was getting the injured arm bandaged and getting the field clear after which he resumed his duties as referee which were rendered more arduous owing to the rather rough play which marred the final stages of the game.

Details

Dungarvan played towards the road-end with their backs to the sun but Tallow had the best of the opening exchanges, and sent wide in the first few minutes. The puck-out brought play up the field, where the Dungarvan forwards got possession and matters were looking dangerous in front of the Tallow goal until M Curley effected a brilliant clearance and transferred play to the other end.

Dungarvan, however, were back in a flash and soon drew first blood with a point from a very difficult angle. A further attack by Dungarvan was again repulsed by Curley (goal), and some fast play was witnessed in Dungarvan territory, where Tallow got a free from a favourable position, but the Dungarvan defence proved sound, and the ball went wide.

Dungarvan then forced play up the field and were soon swarming around the Tallow posts

when they at length broke through for a goal. Tallow then got going in brilliant style and having got a free from midfield they scored their first goal.

Some grand play followed up and down the field until Tallow got a point from a free, which brought the scores level at 1-1 each. Dungarvan next got a point to which Tallow responded with a goal, which gave them the lead for the first time. Dungarvan next got a very soft goal when Curley tried to stop the ball with his hand, but it jumped over his hand and went into the net.

Dungarvan continued to keep narrowly ahead and the end of the first half-hour of a marvellous display of hurling found Dungarvan leading by 2 goals, 2 points to 2 goals 1 point for Tallow.

Play opened in vigorous style for the second half, and had not been long in progress when Hartigan shot a grand point for Tallow off a seventy, which brought the scores level at 2-2 each. Tallow were now playing a very fast and confident game and attacked repeatedly, but the Dungarvan defence proved sound, and several brilliant clearances were effected. Dungarvan at length brought play down the field and got a free from a very favourable position, but they were in hard luck when the ball hit the upright, and rebounded back into play.

It was at this stage the regrettable incident (already described) started in Tallow territory, and on resuming play, Dungarvan again looked dangerous but sent wide. After several wides, Tallow got a point from a side-line cut, and Willie Barron next got a point for Dungarvan off a free, bringing them level again for the fourth time.

Play began to get rough during the closing stages, during which Tallow had clearly the best of the game, and the final whistle found them worthy winners of a hectic and memorable match on the score—

TALLOW 4-3 DUNGARVAN 2-5

The teams were as follows—Tallow—M Curley (goal), P Malone, C Curley, W Henley, P Neville, J Hartigan, W McGrath, H Ronayne, P Sheehan, W Curley, D Doyle, J McCarthy, T McCarthy, J Keller, and J. Noel Condon.

Dungarvan—Sean Noonan (goal), Jas Lyons, T Sheridan, L Crotty, M Landers, J Mountain, J Harrington, C Moylan, D. Good, W Barron, Jackie Good, P Lannon, P Dillon, M Roche, and E. Moloney.

Mr M V O'Donoghue, Chairman, Co Board proved a strict and highly efficient referee.

The outstanding players for Tallow were—C Curley, M Curley (goal), P Sheehan, J Hartigan, W Henley, D Doyle and Noel Condon, while a brilliant game was played for Dungarvan by W Barron, M Landers, J Mountain, C Moylan, the Good Brothers, Jas Lyons and Sean Noonan (goal).

Tallow will now meet Mount Sion for the final of the Co Championship, when a great game may be confidently expected. We hope the Tallow boys as Western representatives will bring the title to the West.

Cardinal Maglione's Letter To The Bishop Of Waterford And Lismore

The Bishop of Waterford and Lismore Most Rev Dr Cohalan has received from Cardinal Maglione Papal Secretary of State, the following letter—

"My Lord Bishop—As the observance of the twenty-fifth anniversary of the Episcopal consecration of the Holy Father draws to a close, I am directed by His Holiness to convey to you, Lordship the expression of his heartfelt gratitude for the spiritual and material participation of your beloved flock in that celebration. The generous offering which you presented to the common Father in the name of the clergy and faithful of your diocese in connection with the twenty-fifth anniversary of his Episcopal consecration has been a source of particular satisfaction and consolation to His Holiness, and he would have the thoughtful donors know of his paternal appreciation of their consideration and of their sacrifices. In testimony of his grateful benevolence and as a pledge of divine grace the Sovereign Pontiff cordially imparts to your Lordship and to the clergy and faithful entrusted to your loving care his special Apostolic Benediction, with sentiments of esteem and religious devotion."

Waterford Co. Board Of Public Assistance

Visiting Committee For Hospitals Appointed

Complaints From Patients

Mr David Coghlan, Chairman presided at the monthly meeting of the Waterford Board of Assistance held at the Court-house, Dungarvan, on Monday morning last. Messrs P Caulfield, L A Veale, D Heskin, T D, and Senator J Butler, attended.

A Visiting Committee Needed—Treatment of Patients

Mr Caulfield said that a man from the Board should be appointed to visit the hospitals once a month in order to let the people see that the Board was looking after the interests of the sick and infirm. It would be a nice thing to have this, and a monthly report could be prepared for each meeting. In this way the inmates would have a chance of having justifiable complaints rectified.

Chairman—It used be done before.

Mr Heskin—I agree with Mr Caulfield. Such an arrangement would give a little encouragement to those in the institutions who would make a complaint to a member when they wouldn't to the staff.

Mr Butler—This point was discussed some months ago and the decision was that if any member wanted to visit he could do so.

Mr Caulfield—I don't like that arrangement as what is everybody's business is nobody's business. A member appointed by a resolution is much better.

Mr Veale—I have got a number of complaints from inmates of the County Home to the effect that they were getting no potatoes or vegetables for dinner.

Secretary—That was the case for a period between the old and the new crop of potatoes. There was a scarcity then.

Mr Caulfield—I am surprised to hear of a potato shortage, in Dungarvan anyway!

Mr Butler—Yes, they are scarce and very dear.

It was finally decided that Messrs Butler and Veale visit at Dungarvan, and that Messrs Kenneally and Caulfield visit at Waterford.

Long Fasting for Poor Patients

Mr Butler said that from time to time he had received complaints from patients from the county who would be sent to the Co Hospital, Waterford, for consultation. When they went down they would get nothing to eat and as the most of them would be poor they would be unable to go to the city and buy it. He said that some provision should be made for that class of people even if it only meant giving them a cup of tea.

The Secretary said that inquiries in that line had never been made but it was surprising if these patients didn't get their meals in the hospital.

The Secretary was instructed to discuss the matter with the Matron of the County Hospital.

Cavan And Roscommon For Football Final

Cavan beat Cork in the semi-final of the All-Ireland Senior Football Championship at Croke Park on Sunday last on the score of 1-8 to 1-7. At the interval Cork led by 1-5 to 0-3. The huge crowd, in which Cavan supporters formed a big majority, were kept on tenterhooks from start to finish. The attendance was 30,322 and the gate receipts £1,956 16s.

A Bountiful Harvest

The sound of the reaper is now heard in every part of our land and the golden grain, on which our very existence depends during the coming year, is being carefully harvested by willing and experienced hands.

A few months ago the tiny seeds were consigned to the gentle earth, and now the eternal miracle of the seasons has brought us a bountiful harvest.

The present emergency has taught us that we must make the most of our resources if we are to survive, and many have realised for the first time how productive this Motherland of ours can be if we properly avail ourselves of its riches.

Just as the fruits of the earth develop from the microscopic seed, the small premiums paid on the Policies of The Irish Assurance Company, the leading Irish Life Office, will provide the capital required for the winter of your years and the welfare of your dependants. In this case, however, there is no fear of a bad harvest, as the security of our Assurances is absolute.

May our local Representatives help you to provide for the years that lie ahead? or apply for particulars to—

Ballyduff News

The Sports—The Clerk of the weather without a doubt has a very warm corner for us here in Ballyduff when we were so fortunate in getting such a grand day for the Parish Council Sports. The day was ideal, there were many events, many sideshows, something to interest everybody, and everything went to borrow from the war communique—according to plan.

The Committee was disappointed at being unable to procure a dancing platform owing to a last minute hitch, the youngsters like to trip it on the light fantastic toe. Anyhow, apart from tripping there is something very gladdening to the heart in the strains of the fiddle and melodeon. However, better luck next year. We are glad too that many locals won in some of the events.

The match between the Ballyduff and Ballyheaphy schoolboys was very interesting though it ended something similar to the battle of Kilaclankie. "Some say that they won and some say that we won" to borrow a line from a humorous poem on the said battle. Ballyheaphy said they won by a point. Ballyduff held that 'twas a draw. The Cavan and Cork match was a very tame fixture in comparison with the match played here. Not being of Solomon-like wisdom we decline to say who won the match.

Harvest Time—The reaper and binders mowing machines and scythes, are at work and the golden grain is now in stooks, and we realise sadly that summer is gone. We hope the weather will continue favourable so that the wheat may be saved, so much depends on a good saving of this important grain crop. Soon the familiar hum of the threshing engine will fall on our ears.

What visions threshing days recall—the busy scenes in the haggard, the pleasant sound of merry conversation, in the house the Bean-a-Tige busy preparing the meals for a big crowd. Then when the work of the day was ended, the stories, songs and dances began. How we did trip it in those days. Did we want an orchestra or a parquet floor? No, we did not, any musical instrument available did its duty and a cement floor

was quite good enough, and did we enjoy ourselves? We did, we have only one regret that those days are gone forever, that many of those who shared those joys with us are no more—some are on the other side of the Atlantic Ocean, some again in the other side of the world. Perhaps their thoughts travel now and then to days when they, too, danced "sets" on a threshing night. Life would indeed be a dreary void if there were no pleasant memories to enliven it.

Information Please—Here is a question, answer it if you can. If you do you'll get the fag-ends and a clap in the back for a prize. Now the question is this: If Mr Anthony Eden is the best-dressed man in the British Cabinet who is the best-dressed man in Ballyduff? "That shook you!"

EXPORTATION OF BLACK-BERRIES AND BILBERRIES

The Minister for Agriculture advises persons desiring to export fresh blackberries or bilberries to Great Britain not to despatch consignments unless they are satisfied that the proposed consignees hold British import licences. If such import licences have not been granted, consignments are liable to seizure by the British authorities without compensation.

British import licences will normally cover importation of blackberries and bilberries only if the fruit is packed in a tub of suitable type. No other form of container should be used unless it is known to comply with the conditions attached to the British import licence and with the requirements of the cross-channel shipping company concerned. Licences are not required for the exportation of blackberries or bilberries.

It is open to exporters of blackberries and bilberries to negotiate with the British purchasers so as to obtain the best available price for the produce. The British authorities have fixed the maximum wholesale price for imported wild blackberries at 48s. 8d. per cwt delivered British port.

Licences for the importation of blackberry pulp will not be granted by the British authorities this year.

CAPPOQUIN NEWS

**A NEGLECTED GRAVEYARD—**

We have recently been requested by certain prominent inhabitants of the town to call attention to the present neglected state of Affane Graveyard, just a mile and a half from Cappoquin. According to our information, the place is now over-run with long grass, high nettles and other noxious weeds, and its general appearance is certainly not in keeping with the well-kept condition usually associated with "God's Acre." We are further informed that owing to the absence of a chain and lock on the gates, the place is a common grazing ground for donkeys, goats and other wandering animals every night, and some of those who still revere the memory of their dead state that when they have placed fresh flowers and other tokens of love and remembrance on the graves of their dear departed relatives they have found them trampled on and crushed into pulp the next day.

Affane is, perhaps, one of the oldest and most historic graveyards in the county Waterford, and is the last resting-place of the relatives of most of the oldest families in Cappoquin, while it is also the family burial ground of the Musgrave family, Tourin the Chearnley family, Sailerbridge, the Power family, Affane, and many other prominent and old families in the surrounding districts.

It is only natural, therefore, that the people whose deceased relatives are interred there should feel pained and shocked to learn of the desecration at present being permitted there as the Irish people have always in the past been proud of the love and respect which they have invariably shown for the memory of their dead.

Owing to the fact that there is a fine Protestant Church standing in the centre of the graveyard, (long disused) we understand the property is vested in the Church Representative Body, so that it is outside the authority of the County Council and Board of Health, which, probably, accounts for its present neglected condition.

We hope, however, that whoever is responsible, will now take immediate steps to have the place properly cleaned up, and to see that the gates are carefully locked, except on the occasion of a funeral, as had been the case in the past.

Let us show some Christian feeling and proper respect for the hallowed spot where "The rude forefathers of the hamlet sleep," because, as Gray also wrote—

"Perhaps in this neglected spot is laid  
A heart once pregnant with  
Celestial fire,  
Hands that the Rod of Empire  
Might have swayed,  
Or wak'd to ecstasy the living  
Lyre!"

**CONSECRATION OF THE PARISH OF CAPPOQUIN—**

The solemn ceremony of the Consecration of the Parish of Cappoquin to the Immaculate Heart of Mary was performed by Rev T Dunphy, C.C., during the Evening Devotions on Sunday last, when there was an unusually large and devout congregation present.

The Act of Consecration having been impressively read by Father Dunphy, Benediction of the Most Blessed Sacrament was afterwards given by him, which concluded one of the most beautiful and inspiring ceremonies witnessed here for a long time, and which made a deep impression on the faithful Catholics of the town and parish who were privileged to be present on the occasion.

**JUNIOR HURLING MATCH—**

Previous to the big clash between Tallow and Dungarvan senior hurling teams on Sunday, a very lively challenge match was played between Tourin and Brickey Rangers junior hurling teams, which provided interesting entertainment for the crowd while waiting for the tit-bit of the evening. Had the Brickets fielded the same team which had defeated Dungarvan the previous Sunday, there would have been a great game, as the Tourin juniors were in devastating form on the occasion.

As it was they fielded only a "scratch" team, and had to get the assistance of some of the Cappoquin juniors to complete the fifteen. Nevertheless, they played a good game, but were no match for the brilliant Tourin players, who dominated the game from the start, ran out easy winners on the score of 1 goal 5 points to 1 goal for the Brickets.

Mr James Ahearn Cappoquin, proved a most efficient referee

**THE BIG MATCH—**

We have dealt so fully with the senior hurling match in our report in another column that little more remains to be said now, beyond stating that both Tallow and Dungarvan provided one of the grandest games of hurling seen here for many years. The scores were level so frequently that excitement ran high for the first three-quarters of the game, but after that, Tallow showed better speed and stamina, and fully deserved their win, but it must be added that the Dungarvan men were glorious in defeat.

Pandemonium broke loose amongst the Tallow supporters when the final whistle went, leaving them worthy winners and the principal members of

"chaired" from the pitch amidst scenes of enthusiasm rarely seen at the end of any match.

On a rough estimate, we should say there were fully 1,200 spectators present, and when the full crowd came up town afterwards the streets

ed and animated appearance for a long time. It was a great evening for the publicans, and gave them a real insight as to the great value which the Sportsfield is to the town, which makes it all the more inexplicable why some of them are so indifferent about helping to pay off the debt now due to the Land Commission, because, after all, the Licensed Traders would feel the loss more than any other class, should the Sportsfield be lost to the town.

We are proud to be able to state that a few local young ladies, who had "no axe to grind" in the matter, very generously gave their services free on Sunday in selling tickets for a Raffle, for a valuable pair of bicycle tyres, which had been organised in aid of the Sportsfield Fund.

We desire to particularly mention Miss M. Heaphy, Miss Mary Ahearn, and Miss Kathleen O'Connor, (daughter of Mr M J O'Connor, Egg and Poultry Exporter), who very kindly carried out this good work, without any aid from certain other young ladies, who had promised to assist.

They pluckily pushed their way amongst the crowds on the streets before the big match had started, and sold tickets here, there and everywhere, and although the amount realised fell far short of expectations still these young ladies had made a noble start for a worthy cause, and they deserve great credit and the best thanks of the townspeople for their valuable assistance in the matter.

The raffle took place in the Sportsfield at the close of the hurling game, under the supervision of Mr M. F. Walsh, Hon Sec., Sportsfield Committee, the tickets being drawn by Miss Kathleen O'Connor, when the lucky winner proved to be Miss Agnes Mansfield, Lower Main Street, Cappoquin.

Now that a practical start has been made in the good work of making the Sportsfield "safe for posterity" we hope the public will generously support the Sweepstake which has been started for the Phoenix Nursery Handicap, to be run in the Phoenix Park, on Sept 4th. As the tickets are only 6d each and three prizes of £3, £2 and £1, respectively, will be given, everybody should have a "gamble" on this event, and thus help to pay some (or all) of the debt due on the Sportsfield.

**L & F SPORTS MEETING—**

Although the big LSF Review and Cycling and Athletic Sports will not be held until next Sunday three weeks (Sept 12th), Mr M J Sargent, P.C., one of the Hon Secs believes in "taking time by the forelock" and, accordingly, he made an early start by marking off the Cycling Track and carrying out several other important preliminary arrangements in the Sportsfield on last Tuesday night.

This is all to the good, because the earlier the track is prepared the earlier can intending cycling competitors begin training over it, while intending Athletic competitors can also enjoy plenty of training over the entire field.

All the usual and popular Athletic events will be included on the programme, while the Cycling events will comprise one, and three miles' handicap races, two miles (scratch), and the half-mile cycling championship of Ireland for which all the famous cycling champions in Ireland will compete.

The LSF Review, to be held before the Sports, promises to be an imposing and brilliant event this year, the entire proceedings being enlivened by the stirring strains of a first-class

**military band**

A raffle for a £5 Note will also be held in conjunction with the Sports, and tickets are on sale in the various districts for the modest sum of 3d each. The draw will take place in the Boat-house on Sports night during an interval in the big dance on that night.

Mr M J. Sargent (DSO1), and Mr M F Walsh (DSO2) are the joint hon secs of the entire programme the same as last year so that under their capable charge, Sunday, Sept 12th should prove a "Red-Letter-Day" for Cappoquin although all the members of the LSF will be dressed in blue!

**POPULAR LDF OFFICER**

**BEREAVED—**  
Much regret has been caused for over the sad bereavement recently caused to Mr M Fitzgerald, Tallow, the popular District Leader of the LDF, Lismore District, by the premature death of his son, aged about 4 1/2 years.

At a special meeting of the

week, a sincere vote of sympathy was passed to Mr Fitzgerald, on the motion of Mr James Ormond, seconded by Mr John Gillan, while a similar vote was passed by the Cappoquin Group on last Friday night on the motion of Mr T Keleher, G/L, seconded by Mr M Sweeney, Quartermaster Camphire Group held a special meeting on Monday night when a sincere vote of sympathy was passed on the motion of Mr D Casey, G/L, seconded by Mr P Noonan, Adjutant, and similar votes have also been passed by the other Groups in Lismore District.

**A CURIOUS CLAIM—**

In last week's issue, a letter appeared from the Hon Sec Lismore H & F Club, giving several reasons why Lismore could not field a team for this year's senior hurling championship, and knowing all the facts as we do, we fully agreed with every statement made on the subject.

But the last sentence in that letter was one with which we could not agree, because it contained a suggestion which was entirely contrary to fact.

Referring to the Tallow v Dungarvan senior hurling match fixed for Cappoquin, the writer said—"Hence one would think that in view of this, Lismore would be the natural venue of the coming senior game, seeing that in the past, Dungarvan and Tallow were completely satisfied with arrangements here."

This, certainly, was a curious claim to make, in view of the fact that Lismore is 15 miles from Dungarvan and only 5 miles from Tallow, so that the latter would have to travel only one-third of the distance Dungarvan should travel, had the match been fixed for Lismore.

On the other hand, Cappoquin is only 11 miles from Dungarvan and 9 from Tallow, so that it is practically in the centre of both towns, and is, therefore, the geographical venue for such a match, leaving out all claim of being the "natural venue," whatever that means.

We do not deny that Dungarvan and Tallow may have been completely satisfied with the arrangements in Lismore in the past, but we have yet to learn that either team was dissatisfied with the splendid arrangements made for them in the more neutral venue of Cappoquin on last Sunday!

**SUCCESSFUL CINDERELLA DANCE—**

The Cinderella Dance held by the Rowing Club in the Boat-house Hall on Sunday night was attended by a large crowd, as many of those who had been at the great hurling match that evening waited over in order to complete the day in a less-exciting and more social atmosphere. All the arrangements for the event were splendidly carried out by Messrs—John Regan, Senr Wm H Doyle, and R J Curran, Hon Sec, and with a splendid dancing floor and the best of order, everything passed off most smoothly during the night. The "Blackwater Sereaders Band Cappoquin, provided a delightful programme of music, while an up-to-date Mineral Bar was ably conducted by Mr P Dineen, and was greatly appreciated by all.

**A BEAUTIFUL WORK OF ART—**

The pretty Catholic Church at Four-Mile-Water, Ballymacar, renovated, both internally and bery has recently been thoroughly renovated both internally and safely described as one of the most chaste and artistic country Churches in the Diocese of Waterford and Lismore.

It has been thoroughly decorated in the most modern and

attractive manner by Mr M J ("Jodie") Walsh, Church Decorator, Cappoquin, who had already executed similar artistic contracts in several Catholic Churches in the counties of Waterford and Tipperary, but his latest work is easily the best yet, and Rev P Meskill, P.P., Newcastle and Four-Mile-Water, and also his faithful parishioners, should now be proud of their beautiful House of God in Four-Mile-Water.

**WILL IT BE COURT DAY?—**

In the ordinary course of events next Thursday, 26th inst should be court day here, but from certain rumours we have heard, it seems doubtful if any court will be held on that day. Should this be the case, it will prove a record for Cappoquin, as no court has been held here since May, although an unusually large number of serious and important cases have been listed for hearing within the past couple of months.

Although there was no Court held in Lismore since June, the Court which should have been

inst also fell through, so that Cappoquin and Lismore appear to be completely wiped off the map, so far as the administration of Justice is concerned.

**A PROPER QUESTION—**

The Schoolmistress was holding a class in dictation and told her pupils to carefully write the following sentence—

"The cat crept slowly along the hall, and quietly walked into the drawingroom without pause."

All the pupils started to write down the sentence, as directed, except little Tommy, who was at the end of the class and who seemed reluctant to begin his task.

Suddenly getting a brain-wave, he addressed the Teacher and asked—

"Can you please tell me, Miss, how the cat was able to walk into the drawingroom without 'paws'?"

**Tallow & Moorehill Notes**

**Our National Anthem—**During the past few months your correspondent has attended many social events in different parts of the country Ceilidhthe, concerts, picture-halls, etc. During the hours of amusement everyone is happy and gay, but like all good things it comes to an end and the National Anthem is played. What happens, everyone stands to attention! "Oh, no," on the contrary there is a rush for the cloakroom, or exit as the case maybe, and when the strains of the National Anthem are ended, you find the hall almost empty, and as they rush for the doors you even hear some of them sneer and say, "fools," we hear that often enough. All honour to those who spring to attention when our National Anthem is played, they are men to be proud of I suppose some of the boys must escort the colleens home, that is the act of a gentleman, but the cute ones, want to do it incognito. Hence the rush from the hall. Well, well, and this is Ireland, the Ireland of today, but as an old timer remarked if 'twas "Roll Out The Barrell" or "My Bunnle Lies Over The Ocean" the band played, they wouldn't rush for the exit, be sure they would not.

**T.D.'s Visit—**On Sunday week last, Mr Denis Heskin, our new T.D. addressed a meeting in Kilwatermoy after last Mass. In a short address he thanked all who helped to have him elected, and he promised to do all in his power to help all classes of the community, irrespective of party, and all who had grievances of any kind, were asked to let him know and he would do his best to find a remedy. The address was very favourably received, and Mr Heskin was loudly cheered at the end.

**Au Revoir—**During the past weeks, Mr and Mrs. James McGrath, and the Misses Kitty and Mary Donovan, Dunmoon returned across the Channel after spending a very pleasant holiday in our midst. They are looking very fit and well and we join with their many friends in wishing them every success in the future.

**Hurling Club Draw Postponed—**Owing to a very large number of books of tickets not being returned it was decided to postpone the drawing of prizes, until Sunday, October 17th next, so please retain your tickets.

**Well Done Tallow—**We offer our hearty congrats to the Bridesiders on their great victory over Dungarvan in the Co Senior Hurling Semi-Final on Sunday last at Cappoquin. It was a great game to watch,

closely and keenly contested, as a matter of fact, it was any sides game to the final whistle. On Sunday's display Tallow should make a bold bid for County Honours. Dungarvan were plucky losers and fought like trojans to avert defeat. But whisper here a little tip for the Tallow hurlers. Mount Slon are determined to captain the senior inter county hurling XV on the road to Croke Park for 1944, so that means that they are going to win the county final. Now "Pa," shake up the boys and get them to do an extensive course of training and make assurance doubly sure when Tallow and Mt. Slon field out in the Gaelic Field, Dungarvan, on one of the Sundays in September. All the best Tallow! All the best!!

**Grand Social Dance—**On Sunday night last a grand all-night dance (under the auspices of the LDF Welfare Fund) was held in the Cinema Hall Tallow, and was a great success a very large crowd being present from far and near, and all present had a

getetic Committee left nothing undone to make the night as pleasant an enjoyable as possible. Splendid music was supplied by the ever-popular Brideside Sereaders Band.

**Dramatic Class—**We have been informed that a Dramatic Class is being formed in Moorehill, and all interested are requested to attend a meeting in connection with same, which will be held on this Friday evening, August 20th, at Moorehill Hall, at 8.30 pm.

**Local Tit-Bits—**"The Boys of the County Cork" was a very popular song in Anglo-Irish days, but we notice that the colleens of the county Cork are very popular, down our way just now.

The leafy woods and glens of Moorehill are very quite of late. What's wrong we wonder. Would the words of the old song be appropriate. One day we parted in pain and regret, our vows we could not fulfill. Oh! may we soon meet, and our fond love repeat, by the old rustic bridge in Moorehill.

**Excution Of William O'Shea, Ballyhane, Cappoquin**

William O'Shea 24 years old labourer, of Ballyhane, Cappoquin, was executed at Mountjoy Prison on Thursday morning, August 12th for the murder of his wife Maureen O'Shea, on March 15th, last.

Shortly before 8 a.m. a crowd of women, numbering about 50, gathered outside the main gate of the prison and recited the Rosary. A few moments after 8 a.m. the following notice was pinned to the jail gates—

"I, the undersigned, hereby declare that the judgment of death was this day executed on William O'Shea in Mountjoy Prison in my presence.—Sean Kavanagh, Governor"

Two priests were in attendance at the jail before O'Shea went to his death. Piersont was the executioner. At an inquest held by Dr J P Shanley, Deputy City Coroner, sitting with a jury a verdict of death by judicial hanging was recorded. The medical evidence given by Dr W A Cooke, who performed a post-mortem, was of cardiac and respiratory failure following dislocation of the third cervical vertebra. Death was instantaneous.

**FIANNA FAIL**

**Meeting In Youghal**

"We are not here on sufferance and we intend to shoulder our responsibilities. We are going to go ahead with our programme" said Mr P J Little, T.D. Minister for Posts and Telegraphs, at a Fianna Fail meeting in Youghal.

The Minister, who was returning thanks for the support given to Fianna Fail in the election, added "It is a pity we were not a little better organised. Our task is only half-way through and your work is to help us all you can. In supporting us you are supporting the national cause."

More men were required for the Forces and Services and more young women for the Red Cross.

Mr Little also asked all present to join the Fianna Fail Cumann.

Messrs Ml Morrissey, T.D., Sean P Daly Vice-Chairman

also spoke.

Mr J Forrest, presided.

**A GOOD HARVEST**

THOUGH it is hard to realise, there is no doubt that summer is gone and the harvest season is again with us. It is

somewhat pathetic to say goodbye to summer but such as it was this year it has gone before people could realise that it was here The weather has not been wet but the usual sunny days associated with summer were the exception rather than the rule during these past few months

Although the weather has not been very helpful to the tourist and holiday-maker it has none the less ripened our crops in such a way that a bumper harvest is expected The swaying fields of wheat oats and barley have gradually ripened in grand fulsome and now the reapers and binders are busy in the first lap of the process which will make these growing crops edible foods

Labour may be scarce and the usual amenities that go with a day's harvesting such as the evening tea for the men in the fields may be missing, but despite this we know that those that can will do with what is available and save the harvest in good time

We must thank God for having blessed us with such good yields, and let us hope and wish that before next harvest season His Peace which surpasseth all things will again reign supreme over all lands.

meeting of the above was held at the Courthouse, Dungarvan, last day. Mr M. F. Walsh, chairman, presiding.

Mr M. F. Walsh, chairman, presiding. Messrs. David Coghlan, M.L., M. Harty, D. Heskin, and M. Keating, were present.

Now Bill A further letter from the Minister stated that a new Bill to repeal the conditions of the Agricultural Act relating to travelling expenses of members would soon be introduced in An Dail.

Fruit And Forest Trees Mr. O'Shea, Horticultural Instructor, recommended that Watson's quotation for fruit trees and Walsh's quotation for forest trees be accepted.

Mr Heskin drew attention to the failure of Messrs. Watson to supply last year, but Mr O'Shea said that Mr Watson had written to say they would be in a position to supply nearly all requirements.

Mr O'Shea's recommendation was approved. Petrol Supplies Dealing with the resolution passed at last meeting calling for increased petrol supplies for Co. Instructors, the Secretary said that the T.D.'s had done their part alright.

Mr Heskin said that any further representations to the Department of Supplies should be made through the Department of Agriculture. It was agreed to adopt this procedure.

Animals Committee Wiped Out—Or What!

The same members held a meeting of the Diseases of Animals Committee subsequently. The Chairman read the entry on the Agenda. To discuss the functions of this Committee under the Managerial Act.

Mr Heskin—That is what we want to know, but who is going to tell us what they are. I must say that we have a very small meeting to discuss it, but I think we have little or no authority here.

Chairman—These are busy times for the members who may be harvesting. Mr. Coghlan—We are in a peculiar position and the only way to clarify it is to have Counsel's opinion on the matter.

After all, we were functioning for nine months without interference, and then suddenly we were almost wiped out. Mr. Heskin—Send a resolution to the Co Council to get Counsel's opinion as to whether we are affected by the Act or not. There is no use coming

here if we have no power—it is only waste of good time. Chairman—There is no mention of this Committee in the Act.

Mr Coghlan then proposed, and Mr Heskin seconded— That we request the County Council to get Counsel's opinion on the functions of the Diseases of Animals Committee.

Mr Heskin drew up the question of the appointment of a Veterinary Surgeon for the Carrick area, and said there was a demand there to have a Veterinary Surgeon reside there. He said that until such time as the position is clarified that this particular appointment cannot be made.

It was also stated that no appointments at all should have been made until the matter had been satisfactorily cleared up. The Clerk was instructed to convey Mr Heskin's remarks to the Manager.

Western Divisional G.A.A. Notes (By AN RUNAISHE)

Action To Be Taken—Tallow defeated Dungarvan in a closely contested, but much below standard of senior county hurling game at Cappoquin.

Both sides relied on the old players of former years and the game as a result suffered. Had either side taken the strong line of playing more youths it would have paid them Tallow deserved their win, but will have to make many and drastic changes to have any chance of defeating Mt. Sion.

The game towards the end was marred by an encroachment of the pitch by spectators. A melee naturally followed which involved players as well. During this the referee, who had handled the game in perfect manner up to this, was struck, accidentally I believe, with a hurley on the left elbow.

I understand that drastic action is being taken against the person who caused the melee by first rushing on to the pitch. It is high time that people are made to realise they are not entitled to let their enthusiasm run away with their self-control. A few examples are needed to show this is not going to be allowed in Gaelic games.

And More Action Needed—I heard that the teams billed to compete in the Ring Medal Tournament failed to turn up on Sunday last. The Ring College had very kindly cancelled a sports fixture arranged for the College on that date in favour of the Tournament games.

Now while clubs cannot be forced to send teams to compete in these games they can and should be compelled to give sufficient notice of their intention not to field out. These games are run under G.A.A. rules and very severe penalties can be imposed under the rule.

Bringing the Association into disrepute. Unless some definite action is taken the public will give up attending our fixtures. The tournament committee can report to their Board on the case.

At Piltown—Old Parish will meet Blackwater Rovers in the Group Final of Junior Football on Sunday next at Moss Conner's field at Piltown. What are the chances of finding the winner. This game is going to be one of the high lights of the season, and I have got the views of prominent members of both clubs. Here they are.

Old Parish—We have played all our championship games short someone or other of our full selection, but on Sunday we will line out one hundred per cent. strong. We know we will win, but are taking no chances. Every man and many of the women of our Parish will be there to see us do the trick.

Blackwater Rovers Secretary says—We are a new team and can say we were not properly tried out yet. I can say we had a lot in hand in our games and we expect to prove that on Sunday. Old Parish were not properly tested up to this, and they may be in for a very big surprise. All our team are fit and well for the game.

So you have both sides confident and a fair field and referee—what more can anyone want. At Lismore—The opening game of Eire Oge J.H. Tournament Camphire v. Araglen will be played on Sunday with the M.H. Championship game Cappoquin v. Bride Rovers.

The minor hurling game will be sure to give a great treat to hurling lovers. These minor games show all the best of the game without any of the roughness we find so often in junior and senior. The meeting of Araglen

and Camphire will also be a big attraction as Camphire feel they could have won out the championship this year.

Dungarvan v. Stradbally

The Waterford Senior Football Co. Championship game, between the Co Champions, Stradbally, for the past 3 years, and Dungarvan, to be played at Shandon Field Dungarvan on Sunday next is creating much interest locally, and is expected to be the match of the year.

Both teams have prepared hard for the occasion and will, no doubt, be on their mettle when they take the field on Sunday next at 4 p.m. (S.T.) It is really hard to make a choice as to who will emerge victorious. Both play the same style of football and are evenly matched and this game is hailed as a needle affair.

Stradbally who are unbeaten in senior championships for the past three years are going all out in search of further laurels and on Sunday next against their old rivals will not be taking any chances.

Dungarvan have gone through a lean period in the past couple of years but this year their team shows promise and Old Boro' followers are hopeful of victory against the champions on Sunday.

Stradbally beat last year's junior champions the Nire in the first round of the senior competitions. This match played some months ago, is still spoken of as the best game played so far this year. Stradbally got a real fright from the Nire men and it was only in the closing stages that they showed the little extra to win narrowly. Except for challenge and Tournament games the Cove men ever since have been resting on their oars, and their appearance on Sunday next is bound to bring a strong following to the popular Dungarvan venue.

Dungarvan gave a poor display against the Brickey Rangers in the first round, and after an hour's scrappy football were fortunate to draw. Against the Nire men however in the second round, they showed much-needed improvement, and this has strengthened their chances of regaining the senior football crown which they last held in 1939.

Noted inter-county players will be in opposition—Kevin Whelan, John O'Brien the Connors, P. Kiely, P. Kirwan, Jim Corbett, Andy Fleming with Stradbally, and C. Moylan, W. Barron, D. Good, J. Mountain, with Dungarvan.

Sean Crotty, the ex-Kilrossanty player will be seen in action on Sunday next with Stradbally. This is Sean's first appearance with the Reds, and down Stradbally way his inclusion on the team is reckoned a strengthening of the attack.

Stradbally followers say—We will take County Honours again this year. We have a good team who should beat Dungarvan on Sunday next. We are, however, going wary, and we by no means underestimate the strength of the opposition who can be relied upon to offer stubborn resistance.

Prior to the senior game the junior hurlers of Brickey Rangers and Dungarvan line out at 2.30 p.m. (S.T.) in a challenge match. This should be an added attraction on a popular bill. Mr P. J. O'Sullivan, N.T., will referee the senior football clash, and he will set the teams in motion at 4 p.m. (S.T.) sharp.

DUNGARVAN H & F CLUB—Senior footballers note—The following are to be at the Gaelic Field, on Sunday Aug 22nd at 3 p.m. for championship match v Stradbally—P. Stack, P. Dillon, L. Crotty, D. Good, J. Good, C. Moylan, P. Walshe, T. Sheridan, B. Moloney, W. Barron, J. Barron, P. Butler, Hallahan Bros., P. Lannon, M. Tobin, E. O'Brien, S. Noonan, M. Landers, P. Dwyer, J. Mountain, T. Donnelly.

MONTHLY FAIR—The August monthly fair was held last Wednesday and trade in all departments was reckoned good. There was an early clearance and good prices were the order.

AILTIRI NA HAISEIRIGHE—A Public Meeting billed to take place at the Square, Dungarvan, on last Tuesday night had to be postponed, we have been informed, as the chief speaker Tomas O'Dochartaigh, was unable to attend due to a severe indisposition. An indoor meeting was held at the Town Hall, and was addressed by Padraig O'Flannghusa. A very enthusiastic crowd attended. Meetings were also held at Waterford, Tramore, and Kilmacthomas during the week.

advantage to them. Some arrangements should be made to have the turf delivered. These are only a small number of cases in which the people are too old to draw the turf.

Chairman—We could ask the Manager to do something in the matter. Mr. Kyne—Do the merchants supply this turf to us any cheaper? Clerk—No.

Mr. Kyne—Then, as in other cases, I think the merchants should see that it is delivered. It was decided to ask the Manager about this.

Miscellaneous Mr. Veale said that the water supply at Cathal Brugha Place, was very bad and something should be done about it.

Drawing attention to a sewer discharge affecting 4 houses at the top of O'Connell Street, below "Mountain View," Mr. Veale called for a report from the Sanitary Officer in the matter. He stated that the cause of the nuisance might be that the sewer pipe was choked.

Mr. Morrissey—Wouldn't that be a matter for the landlord? Clerk—It might and it might not. Mr. Kyne pointed out that the light which was always on the bandstand was now gone, and it was a great loss to the people living near the park.

The Chairman said that when the bulbs were put there they were always either broken or taken. Mr. Morrissey—As it was before it was of little use to anyone. It was too high up, being more like a moon than a light.

Mr. Kyne—Even a glimmer there would do. It was agreed to place all the foregoing before the Manager.

Vandalism at Shandon Mr. Dahill said that he was down Shandon recently and noticed that two of the trees planted along the path had portions of their bark stripped off as if by a bill-hook. This damage will cause the trees to fade away and he thought it was a shame and a disgrace. He said that the Guards should be notified about the matter.

Chairman—It is terrible that this should be allowed and those responsible are no children either. Mr. Veale—There seems to be a terrible destructive spirit prevalent.

Chairman—When people see these things happening they have got the civic spirit to report them. It was agreed that the Guards be notified.

Votes of Sympathy—Votes of sympathy were passed with Mrs. Flynn, Loughmore, the relatives of the late Mrs. Christopher, N.T. Abbeyside, Mrs. Walsh, The Quay, the relatives of the late Mrs. Fletcher, Ballylemon, and Mr. James Mahony, Main Street.

Acknowledgment Mr. Jack Lynch, South Terrace, wrote thanking the Council for their resolution of sympathy on the death of his aunt, Mrs. Dagg.

For The Borough Surveyor John Wright, Loughmore, applied for a concrete path at the back of his house. Messrs. M. Walsh & Son, Main St., requested that a broken flag outside their premises be repaired as it is dangerous to pedestrians.

The Chairman said that the gable of Mrs. Mary Kiely's house at Barrack Lane, was also in need of repair. These matters were referred to the B.S. DEATH OF MRS MARGARET LANDERS, LEIGH, RING. Sympathy goes out to the relatives of the late Mrs Margaret Landers, Leigh, Ring, whose death at a ripe old age took place on Wednesday, August 11th. Deceased was relict of the late James Landers, Carpenter and was a well-known figure in the Ring area.

At the removal of the remains to Old Parish on Friday, a large number of mourning relatives and friends followed the coffin, and a very large number again attended at the burial on Saturday. Rev P. F. McGrath, P.P. Ring and Old Parish, and Rev Fr. Power, C.C. do, officiated. The chief mourners were—Mrs Power, Dungarvan, Mrs Curran, Ring (daughters), Michael James and John Landers (sons).
