Fuel For The Winter

Abbeyside Level Crossing —A Suggestion

Mr L A Veale, Vice-Chairman presided at a meeting of the Dungarvan U.D.C., held on last Friday evening. Members present were—Mr J McGrath, and Mr Ml Morrissey, TD.

Another Suggestion

Mr McGrath said that instead of notices being erected at the Abbeyside level crossing, which he held would be ineffective, that white lines be drawn on the road which cyclists could follow. These could be drawn on either side of the tracks and could cross them at right angles. Such lines, if heavy enough could also be seen at night.

The other members agreed and it was decided to bring the matter before the B.S.

Fuel for the Winter

Mr Morrissey, raising the question of winter fuel for the poor people said that at present the people in town were not depending on the merchants in town for timber which they could not supply, but on outside suppliers. During the winter it is probable that this small supply may cease. The Parish Council did wonderful work last year but he didn't know if they were going to do anything about the matter this year. It was a matter for the Local Authority and being so serious it should be tackled at once.

The Chairman agreed with Mr Morrissey's remarks and said that as far as he knew there had been no meeting of the Parish Council for a long time. The matter of fuel for the winter will be serious and he suggested holding a conference at which the Urban Council Parish Council and Fuel Merchants of the town could arrange a plan like last year.

Mr Morrissey—Get in touch with the Parish Council and Merchants and ask them. There are a few merchants who are turning out good industrial work and we can't ask them to devote their time to cutting firewood. If the job is to be done a few saws doing wholtime work will be required. I think the County Council have a saw which could be utilised and the Manager could be approached about it.

It was decided to ask the Parish Council and Merchants about the matter and to approach the Manager about the use of the saw for cutting.

Repairs
Mr Veale said that Mr Shanahan's house at Abbeyside needed repairs, and Mr Morrissey stated that Sullivan's house in Fitzgerald Terrace needed a window to give light to the landing.

Both were referred to the B.S.

Acknowledgments

Acknowledgments were received from Mrs O'Mahony, Main St Miss Fletcher do, and Mrs Nora Walsh, The Quay.

Damage To Trees

Supt O'Mahony O.S. acknowledged receipt of Council's resolution re-damage to trees at Shandon, and stated the matter was being attended to.

Resolution Adopted

A letter from Tralee U.D.C. stated that the resolution re butter rationing forwarded from Dungarvan U.D.C. had on the proposition of Mr Riordan seconded by Mr Lynch, been adopted.

HIGHLY-SUCCESSFUL SESSION AT RING IRISH COLLEGE

The 1943 Summer session at Ring Irish College, was the most successful for the past ten years. All the residential accommodation at the College and in the houses in Ring was occupied. Ceilidhthe, Sports Meetings and bathing and cycling trips were features of the social side of the session.

Western Divisional Catholic Scout Notes

G.A.A. Notes

(By AN RUNAIDHE)

Match At Lismore—Tallow meet Tourin in the semi-final of the Lismore Group on Sunday next in junior hurling. The winners meet Aragen. Special preparations are going on at both camps for the game. Both teams fancy their chances and appear to have almost equal chances of victory. While Tallow team will be without a couple of the players who were promoted senior, I hear that the newcomers from minor ranks can easily make up for their loss. Tourin are a seasoned team and can be counted on to give a first-class display. The game starts at 4.0 p.m. S.T. and John Vaughan is referee.

Brickies To Play Fourmlewater—The Co Board ordered a replay between the Brickie Rangers and Fourmlewater on Sunday at Modeligo. The Div Board had refused a postponement from last Sunday. This will be the game of the season. The Brickies fresh from their victory over a much fancied Dungarvan selection, are confident of victory. Fourmlewater unbeaten so far, are quietly confident of beating the Brickies. There are many names on the Fourmlewater side that will support their hopes. James Ahearne will start the game at 4.0 p.m. S.T.

Match At Cappagh Off—Cappaghin have sent notice they will be unable to play Finnisk Rovers on Sunday due to a big number of their players who are serving with the Defence Forces being away until the 9th Sept. They offer to meet the Finnisk Rovers on 19th Sept at the Cappagh venue.
Congratulations—To Jimmy Mountain, Dungarvan Sec, and his wife on the event of a new hurler born on Monday last. All going strong Jimmy, I hope.

DEATH OF MR WM DUNNE, SPRINGMOUNT, DUNGARVAN

It is with regret that we announce the death of Mr William Dunne which occurred at his residence Springmount Dungarvan, on Wednesday night last, September 1st.

Deceased who lived to a grand old age, was a very highly esteemed man and a good neighbour and was well liked by all his friends and acquaintances. He had an ardent love for his country and was all through his life a great Nationalist. He was father of Mr Thomas Dunne Springmount, Mr. Michael Dunne New Line, Abbeyside, and Mrs Martha Bingle, London to whom we offer our sincere sympathy in their bereavement.

4th WATERFORD TROOP, D.B.S.I. (St. Joseph's Abbeyside)

Parade And Troop Meeting: Wednesday's meeting began 20 minutes after "skedoodle." That was slack. There were too many Scouts missing, some of them for no reason that we know of. That was very bad. But there was a bright spot—every Scout present was in full Uniform. A Scout who comes to a Troop Meeting in Uniform is like a bad patch on the sit-down part of a good-looking trousers—it can't be helped sometimes, but it looks out of place. We played a game called "Knock 'em Over" with everyone on one foot like a crane. After Patrol work we had a Signalling test with better results than were expected. After another game called "Stepping-Stones," a bit of chat about this and that the meeting ended and the P.L.s gathered to discuss Patrol plans and report on last week's doings. Our special Parade to High Mass on Sunday last was fairly good. One chap did the "same-man-different-clothes" stunt and gets first prize for quick change into Uniform. A Notice on the Board gives some of the dodgers, something to think over for this week.

Comings And Goings: Many a hand and a welcome home were offered to James on returning home on leave from the Navy looking fit and happy. Thomas left to continue his studies with everyone's good wishes and the Beaver Patrol are now one less. James Mac, returned from his stay in Ring oozing Irish.

Four More: Next Friday 45 Drives will begin at the Den and John and Martin will be on overtime 40, 35, and 15—Give 'em out!

Next Troop Meeting: The first part of the next meeting will be a number of competitions for which there will be a number of prizes which would be useful to mothers. To take part Scouts must be at the Den at 7.30 o'clock wearing full Uniform. Win a little gift for your mother!

EXPORTERS—CAPPOQUIN

CAPPOQUIN NEWS

ANOTHER WELCOME VISITOR

We opened our "Notes" last week by announcing the arrival of Mr. Joe and Mrs. Burns in Cappoquin, but this week it gives us equal pleasure to announce the visit of a member of one of Cappoquin's oldest and most respected families, this being Mr. James ("Jimmy") Barron who has returned for a short holiday in his native town from Swansea, Wales, where he has resided for the past 35 years.

Son of Mrs. Barron Ballinacoola, and the late Mr. John Barron, Master Baker Cappoquin, Jimmy has filled the responsible position of Insurance Superintendent in Swansea for many years, where the inherent intelligence and rare business ability of most of Cappoquin sons have stood him in good stead.

Owing to his great efficiency in his present position, the important Insurance Company with which he has been so long associated has been progressing in a remarkable manner for many years, which is a great tribute to the sound administrative ability displayed by this popular and brilliant son of the "Old Cornerstone".

He is elder brother of our esteemed and accomplished townsman, Mr. Joe, Barron, Master Baker and Confectioner, Castle Street who is one of the sweetest Baritone singers in the Choir of St. Mary's Catholic Church, Cappoquin and he has the good fortune to be married to a charming young Welsh lady who is also a marvellous singer, and who is known as "The Welsh Nightingale" in Swansea. Jimmy is now looking a picture of splendid health and condition and all his old friends are delighted to see him amongst them on his well-deserved holiday from the "Land of the Leek".

SUDDEN DEATH AT KEREEN—We deeply regret to have to announce the death of Mr. Maurice Hogan, which occurred suddenly at his residence, Kereen, on last Sunday morning.

Deceased was a most progressive and prosperous farmer and was held in the highest esteem in all parts of West Waterford.

Although he had attained a fine age his unexpected death just as he was preparing to go to Mass on Sunday morning caused a painful shock in the district, where all the members of his family have been extremely popular for many years. Deceased was father of Mr. Thomas Hogan who won a first prize of £30,000 in the Irish Hospitals' Sweepstake several years ago, and to him and all the other members of the family the deepest sympathy of the public is now extended in their sad bereavement.

On Monday evening the remains were removed to Aghlish Parish Church where the coffin was received by Rev. J. Gleeson, P.P., Aghlish, and after Requiem Masses for the repose of his soul on Tuesday morning the interment took place in the adjoining cemetery in the presence of a large number of sorrowing relatives and friends from various parts of West Waterford.

Rev. J. Gleeson, P.P., read the final prayers at the graveside.

DEATH OF MR. J. MOORE, VILLIERSTOWN—One of Villierstown's oldest and most respected inhabitants Mr. John Moore, quietly passed to his eternal reward on Tuesday morning after a comparatively brief illness.

Deceased was an ex-Sergeant of the old R.I.C. and had been a resident of Villierstown for over 35 years, and during his long residence in this pretty village his upright, honourable and unblemished character had made him a warm favourite amongst all classes of the public.

He was brother-in-law of Rev. Brother Benignus Tracy, Augustinian Order, Dublin—Mr. Declan Tracy, Publican, Villierstown, and Mr. Redmond Tracy, P.C., Baker and General Merchant do, and was father of Superintendent J. J. Moore G.S. Fermoy, and Miss M. Moore Villierstown.

On Wednesday evening the remains were conveyed to Aghlish Parish Church, and were followed by an immense cortege of the public from Villierstown, Droghanna, Aghlish, Dromore, Cappoquin and all the surrounding districts, and after Solemn Requiem Mass for the repose of his soul on Thursday morning the interment took place in the pretty cemetery adjoining the Church in the presence of a vast concourse of mourners from all parts of West Waterford.

WONDERFUL ENTRIES FOR THE SPORTS

Although next Saturday, Sept. 4th, is the official closing date for entries for the Cappoquin Cycling and Athletic Sports to be held on Sunday, 12th inst., the number of entries received in advance is simply amazing, and gives a good idea of the extraordinary interest taken in this popular fixture both by cyclists and athletes from practically all parts of the country.

All the leading cyclists, whose names appear in the advt. in this issue, have already entered, and will be present without fail, while the famous Guiney Brothers Dublin, several prominent athletes from the McDermotts G.A.A. Club and other prominent sportsmen from various parts of the country will compete in the athletic events.

The Sportsfield is undergoing the most thorough preparation ever known, as Mr. M. J. Sargent Hon. Sec. and a small army of hired workers are busily engaged in preparing the cycling track and also the athletic ground until darkness sets in each evening.

At the request of D. D. Guiney, the famous Weight-Thrower, it has been decided to include the throwing of the 16 lbs shot in the programme, while at the request of Ireland's premier Champion Cyclist, M. Anderson, Bohermeen a Five-Miles Challenge Short-Limit Cycling Handicap has also been added, so that the programme will now be far more interesting and attractive than had been originally intended. Look out for full list of entries and all final details in next week's issue.

AN UNFOUNDED COMPLAINT

At the meeting of the Western Divisional Board, G.A.A., held here on last Friday night, Mr. T. A. Kyne, Secretary, took serious exception to what he called the "discourtesy" of the officials of the Sports Committee in "ignoring" the Divisional Board by not having made a written application to have the Sports Day made a "clear day," so far as local G.A.A. matches are concerned.

Feeling that such "discourtesy" if it had occurred, was quite unintentional, we questioned Mr. M. J. Sargent Hon. Sec. of the Sports Committee, on Tuesday evening, when he showed us a copy of a letter dated August 8th which he had sent to Mr. D. Good Secretary, County Board, notifying him that the Sports would be held on Sunday, Sept. 12th, and asking him not to have any G.A.A. fixtures for this district made for this date.

In sending this letter to the Secretary of the County Board Mr. Sargent considered he was appealing to the proper authority, and if the latter failed to transmit the request to Mr. Kyne, this was not the fault of Mr. Sargent, nor any other member of the Sports Committee, so we trust that the Secretary of the Western Board will be now quite satisfied that there was no attempt made to "ignore" the Board as he suggested on the occasion.

COLLECTION IN AID OF THE SPORTSFIELD

Through the kindness of the Rev. T. Fitzgerald, P.P., a Collection will be made outside the gates of St. Mary's Catholic Church before the two Masses on next Sunday, Sept. 5th, for the purpose of raising funds to pay the Land-Commission the arrears of rent due on the Cappoquin Sportsfield.

It will be remembered that the Land Commission had advertised the Sportsfield to be sold by auction several weeks ago but at the urgent request of Mr. M. F. Walsh P.C., Hon. Sec., aided by the kindly assistance of Mr. P. J. Little, Minister for Posts and Telegraphs, the sale was postponed and a respite granted for two months, on the condition that the amount of the debt would be paid in the meantime.

As the important Final for the West Waterford Minor Hurling Championship between Dungarvan and Tallow has been fixed for Cappoquin on Sunday, Sept. 26th—and as other important fixtures are almost certain to be held here on later dates the people of Cappoquin should realise that neither of these events can be held here if the Sportsfield should be sold in the meantime, so if they wish to retain it now, and deserve all the benefits which it means for the town it is their duty to subscribe generously to the Collection on Sunday, and help to retain this valuable property for the town, because if it should be again offered for sale by auction it will be lost to the townspeople for all time!

CAHIR SPORTS ON LAST SUNDAY

At Cahir Cycling and Athletic Sports on last Sunday Jimmy

Foley our brilliant Cycling Champion, nearly broke his long sequence of victories in the Three Miles Cycling Handicap. He was leading comfortably up to the last bend when, like Lot's wife, he was tempted to look back, in order to see if his clubmate, M. J. Sargent, Junr. was near him but his curiosity nearly lost him the race, as J. Condon, Mitchelstown, whom he had frequently beaten previously, suddenly shot out inside him on the track, and was looking all over a winner until Jimmy made one of his characteristic "bursts" and drew level with Condon on the tape, making the event a dead-heat, he being subsequently declared the winner on the toss of a coin.

He got second place in the Mile Cycling Handicap, which was won by J. J. Phelan, Clonmel, from a big handicap, but M. J. Sargent, Junr., Cappoquin should have been the winner of this race, as he was riding strongly and was holding a commanding position when he, unfortunately skidded and fell, which put him out of the race.

Both these brilliant cyclists as well as several of our local athletes, will be competing at Mallow Sports on next Sunday, which will be their last outing before the Cappoquin Sports on Sunday week, when we hope they will be able to fully reproduce the good "form" which they have so consistently shown at all the outside meetings at which they have competed this year.

READY MARKET FOR ALL KINDS OF GAME

From the important advt. which appears in this issue, it will be seen that Messrs. J. O'Connor & Sons, Egg, Poultry and General Exporters, Cappoquin, are now prepared to purchase all classes of Game, including Grouse, Partridges, Wild Duck, Woodcock, Snipe, Hares, etc. (in season), for the highest market prices, while they are still continuing the purchase of Eggs, Poultry, Pigeons, Guinea Fowl, Blackberries, etc., on the usual conditions. The inclusion of the purchase of Game is a new departure for this popular and up-to-date firm, and we trust it will prove as successful as all the other branches of business with which it has been so honourably associated for so many years.

A PICTURE HOUSE FOR THE TOWN AT LAST

We understand that owing to the great enterprise of a certain young gentleman from the County Cork, the people of Cappoquin will shortly have a Picture House of their own, what they have been long waiting for. The gentleman in question has been in negotiation with the Rowing Club for several months past with a view to having the Boathouse Hall, for the opening of a Cinema but as no progress was being made in the matter he selected an alternative Hall in the centre of the town on Tuesday night and when the necessary legal preliminaries have been complied with, and a few improvements carried out in the building, the public will have one of the cosiest and most centrally-situated Picture Houses of any town or district in the Co. Waterford. Further particulars later.

A SPORTSMAN OF MANY PARTS

Not content with his great achievements on the Cycling Track Jimmy Foley has recently extended his activities to the Greyhound Racing Track, and is now the possessor of a few very promising racing greyhounds.

At the Clonmel Racing Track on Tuesday evening, he tried one of his dogs "Shamrock Dash" for his first time in racing, and the animal made a very creditable display, which resulted in his almost immediate purchase by a well-known Clonmel sportsman for a substantial figure. Well done Jimmy, when the cycling season is over, you can now "go to the dogs".

NO COURT, LAST WEEK

The August monthly Court which should have been held here last week, went the way of all its predecessors of previous months by being simply allowed to fall through, as no District Justice has entered the Court-house building here since May. Rarely had so many important cases been listed for hearing as last week so with an accumulation of—all the cases from June, July and August, as well as the best part of September, it is easy to visualise the heavy days work which will confront whatever Justice may be here for the September Court—should it be held!

Double For 1st-Brigade In Army Championship Games

Huge Crowd Witness Displays

Late last week the personnel of the 5th Brigade (Curragh Command), and part of the 1st Brigade (Southern Command), took up week-end quarters at Ballycoe and Lisfennel respectively. They had come to Dungarvan to play off the second round of the All-Army Championships in Hurling and Football on Sunday, August 29th, at the Gaelic Field.

The day was dark and threatening, but the rain held off until the last quarter of the second match, and the huge crowd which gathered at the pitch witnessed two smashing games, the best, seen in the Shandon pitch for many a year.

To the skirl of pipes and the beat of the drums, the Brigades paraded from their field quarters to the venue. The troops of the 5th were ranged along the side-line and stand on the right, while the 1st occupied the bank and side-line, on the left. Prior to the start of the hurling match, which was played first, and during the intervals, the pipe bands and fife and drum bands of the Brigades enlivened the proceedings by playing stirring Irish marches.

Strict to time the hurlers, led by massed bands of both Brigades paraded around the field and were greeted with loud and prolonged cheers from their supporters. Before the ball was thrown-in the Fife and Drum Band of the 1st Brigade played the National Anthem, and it was a really inspiring sight when all our soldiers arose to their feet to stand to attention, while the officers saluted, and a large number of civilians also came to attention.

Backs were back and the ball was thrown-in. The 5th Brigade playing in black jerseys and blue tights played against the breeze into the railway end, broke away at once, but the attack was cleared down field and the 1st taking advantage of the wind went into the offensive, but sent wide on several occasions.

A free to 5th taken by Pte Keogh relieved pressure, but only temporarily, as the 1st were back once more, but sent wide again. Tackling was very keen, and play was fast. A clearance by the backs of the 5th sent their side attacking, but what might have been a goal was muffed and the ball went dead. From the puck-out the forwards of the 1st were away, and a free from a foul resulted in first blood for the blue and yellow men when the white flag was raised.

Keeping up the pressure the backs of the 5th Brigade were pinned down. A seventy to 1st, taken by Delaney, just fell short but the forwards taking the ball crashed it to the net for a goal, and a few seconds later a flashing ball was lashed over the bar for a second point for the 1st.

The 5th Brigade were fighting hard and Pte O'Sullivan in goal brought off some fine clearances which earned him rounds and rounds of applause. Daly (5th) relieved when he sent to Gullfoyle, but the latter was tackled and sent the ball wide. The ball came into the 5th territory again from the puck-out and Pte Dunphy (5th full-back) fouled and a goal resulted from the free. This gave the 1st Brigade 2 goals and 2 points lead. This margin was further increased when Delaney, who was playing a great match secured on the 40 yards and made no mistake with a beautiful point.

Pte Keogh (5th) had a solo run and put his team into the tack, but the forwards were weak and a wide resulted. From the puck-out the 1st were back for another point when the ball was taken on the hop. Fighting gamely all the time, the men of the 5th once more came back and succeeded in opening their score sheet when Gullfoyle pointed off a free. Just before the short whistle the 1st added another minor leaving the half-time score:—

1st Brigade 2-5
5th Brigade 0-1

With all the advantages the 5th opened up the second half in great style and crashed in a goal in the first minute which drew prolonged cheers from their supporters. Up and down play ensued until the 5th pressed again, but the ball was cleared at the expense of a seventy which was taken by Sergt Fitz-

gerald (5th). The ball was centred beautifully and the forwards making no mistake put it into the net to further reduce the 1st Brigade's lead. Keogh (5th) got the ball from the puck-out and placed his forwards for another great goal which left the 1st leading by the smallest margin.

Play came back and the 1st had a period of attacking and forced a seventy which barely went wide. Another wide resulted before the wearers of the blue and yellow flashed in a grand goal. This seemed to put new life into the 1st who were now hurling in great style and forcing a seventy they drove to the net, and this score clinched the issue.

Shortly afterwards the 1st Brigade were in for another point, but the 5th Brigade gamely contested every inch of ground fought back and brought play into 1st territory when they got a point. With time running out the 5th did all they could to pull the game out of the fire and a goal during the last few minutes infused new life into them, but the men of the 1st held on to their lead until the final whistle and ran out worthy winners of a very game and even contest on the full-time score:—

1st Brigade 4-8
5th Brigade 4-2

It would not be out of place here to pay tribute to the many sportsmen of the Army who gave us such a fine exhibition of hurling and football played in a truly Irish sporting way and we would wish that all our matches would be patterned on those of last Sunday.

The teams were—
1st Brigade—Cpl Dowling, Tpr Farrell, Pte Delaney, Cpl Dunne, Pte Fennelly, Lieut Gibbons, Pte Kelly, Sgt Murphy, Capt. Geary, Tpr Murphy, Pte Quilty, Capt White, Capt Hayes, Tpr Crowley, Pte Byrne
5th Brigade—Pte T O'Sullivan, Pte M Feeney, Pte J Maher, Pte F Molloy, Pte M Daly, Cpl T Gullfoyle, Cpl M McCarthy, Pte Curran, Pte J Dunphy, Cpl N Ryan, Cpl W Wall, Sergt T Fitzgerald, Pte S Murray, Pte P Downey, Capt J Kenna

FOOTBALL

Sharp to time the football match was started and to a very lively start the 5th Brigade were attacking when Sergt. Lynch put his forwards in possession but the ball went wide. A free to the 5th brought further pressure on the 1st Brigade backs but they proved sound and play was transferred when the 1st Brigade in a fast run down the field had hard luck for a score.

Keeping up the pressure the 1st were in again, but faulty shooting by their forwards lost them scores. A free relieved for the 5th, and they were through for a grand goal which was kicked from 50 yards out. Following some great tussles in which both sides featured, we witnessed some lovely fielding and kicking and when the 1st again attacked the 5th full-back proved sound.

From a free B Lynch scored a point for the 5th and following close on this Lynch, who was playing in great form added a further minor for the 5th from a close-in free. The 5th Brigade were now playing well and had the 1st Brigade defences under severe pressure, but the backs cleared time and again to the plaudits of their followers. A free to the 1st relieved pressure, but the 5th were soon back again and Lynch put the 5th further ahead when he drove over the bar from a free. In the following exchanges both sides were mixing it well, and the 1st putting on a lively spurt, were away for a quick score—a goal. This score put the 1st Brigade boys on their toes and they were showing up much better at his period of the play.

The 5th were in again when they forced a fifty and in a hectic struggle the ball was cleared. The 5th were in hard luck some minutes later when the ball hit the upright and from a free Lynch pointed again for the 5th. In a fast hand-passing run down the field, the 1st were attacking and the ball hitting the upright was cleared. Keeping up the pressure the 1st forced a fifty which was well defended by the 5th back-line.

The 5th Brigade brought play into their opponents territory, but their forwards were not steadying themselves and too much fumbling lost them likely scores. From a free the 5th went further ahead with a point. Following some grand tussles at midfield the 1st Brigade got going and in a twinkling the ball was in the net for a goal, this put the 1st supporters wildly cheering and when the ball was kicked out we witnessed some great duels in all

parts of the field. An infringement by the 5th put a stop to a grand movement, and both sides were now sharing honours catching high balls and displaying great form. In another of their sweeps the 1st Brigade were again attacking and registered a point. With the scores now level and the first half running out the teams were going all out for further scores and when Lynch raced in on a pass he put the 5th ahead with a point, but soon afterwards the 1st evened matters with another point from a penalty kick. Following some midfield exchanges the short whistle went leaving the scores—1st Brigade, 1-5, 5th Brigade—2-2.

Lively exchanges marked the opening of the second half but the 1st Brigade had an early point off a free. The 5th attacked but the ball was cleared and play was transferred and from a close-in tackle the 1st were awarded a free which was pointed. With blowing showers the pitch became greasy and fouls were frequent at this stage, and while we would like to have witnessed a little more continuity of play still the referee was doing his job according to rules.

The 1st Brigade were now playing in great style and had the 5th Brigade backs under pressure when a free relieved and the 5th were contesting every minute of the game. With the ball in the 1st Brigade territory the white flag went up to the chorus of loud cheers from the 5th supporters. At this period of the game this play was very even and both sides had their share of the exchanges. Excitement ran high in the 5th Brigade camp as they tried hard to level. The 1st Brigade were combining well and in a very fast movement they brought the ball through 70 yards of the field and in a great tussle around the 40 yards mark the ball was forced over for a 50. The free was cleared, and when the ball was kicked out the 1st were in again, but failed to break through the 5th defences.

The 5th Brigade were putting all they knew into the game now in an effort to get in front and we were treated to some very fine exhibitions of Gaelic football in its finer stages, when the stars of both sides were giving all they had to bring victory to their side. From a great rush by the 5th, a penalty resulted and the free was driven over for a point. With the 1st Brigade still slightly in the lead and with only some minutes to go the 5th were trying hard to forge ahead. Rush after rush was cleared in grand fashion by the backs of the 1st, and it was only after continuing pressure that the 5th broke through for a point. The 1st quickly nullified this by sending a grand ball over the bar and following this the 1st had another point off a free.

Rain started to fall heavily during the closing stages of the game, and somewhat spoiled the finish of a grand display as far as the spectators were concerned but the players kept at it and with the 5th battering at the 1st defences excitement ran high. Try as they may the 5th Brigade, although making a gallant effort in the last five minutes had to go under to the 1st, and when the final whistle went the scores stood:—

1st Brigade 2-9
5th Brigade 1-9

The teams were—
1st Brigade—Lieut Jones, Pte Liston, Lieut Boyle, Sergt Fitzgerald, Cpl Moran, Cpl Ryan, Lieut Young, Pte Lambe, Lieut Minogue, Lieut Croghan, Sergt O'Connor, Sergt Kirby, Pte Gildea, Tpr Slater, Pte O'Neill

Mr D McMahon—Dublin—referenced both matches in a strict and impartial manner.

SENIOR HURLING FINAL
FOR DUNGARVAN

A meeting of the Waterford Co Board, G.A.A. was held at the C.Y.M.S. Rooms, St. Mary's Street, Dungarvan, on Sunday evening last, Mr M V O'Donoghue, B.E., Chairman, presiding. Others present were M O'Connor, T A Kyne, P Ryan, W Barron, D O'Sullivan, Jas Mountain, W Sheehan, J Hartigan, P Halpin, M Curran, J Keane, Rd Grant, J Flavin, M Doyle, D McCarthy, P Duggan, M McCarthy, K Phelan, P Lynch and the Secretary, Dec Good.

The first business transacted was the appeal by Brickey Rangers, against the decision of the Western Board in refusing a postponement of the junior hurling match Brickey Rangers v Fourmilewater, billed to be played on Sunday, Aug. 29th.

Mr J McGrath, the Brickey delegate in reply to the Chairman explained the position and said his club could not field a team on that date due to the fact that some of their principal players were on the injured list.

Mr P. Halpin, Fourmilewater delegate said his club refused to agree to any postponement of the match as the notice was too short and they had gone to considerable expense as regards transport for the match.

Mr T A Kyne for the Western Board explained the case fully and said if the Brickey Club had given him official notice that they were not going to play he would not have gone so far as to have the posters for the match printed and distributed. It was only when all this was done that the Brickey Rangers sent in written notice that they could not play, and at the Western Board meeting when the Chairman heard these facts he ruled that the fixture should stand.

The Chairman after hearing the case at length said that he considered the action of the Chairman of the Western Board rather severe in his decision. The Brickey Rangers were too harshly treated in the matter as they all knew that two of their players were injured. He cited the case which was fully discussed at the last Co Board meeting of Villierstown and Old Parish when a re-fixture was granted and in this case he ordered a re-fixture as the Brickeys had a good case for postponement.

The match was refixed for Sunday, Sept 5th.

Referees Reports

In connection with the referee's report of the Erin's Own Portlaw senior hurling match a discussion took place as regards the crowds gathering around the goalposts.

The Chairman said in the majority of cases of this kind it was usually officials and supporters of the teams concerned who should know better that cause this annoyance. He advised the Board to issue a warning to all club officials and supporters concerning this matter.

A lengthy discussion arose out of the referee's report of the Tallow-Dungarvan senior hurling match, when it was reported that a supporter of the Tallow team by his action could have been responsible for a riot in which people might be killed.

The Chairman said it was surprising that no expression of regret had been received from the man concerned. He said he took a very serious view of the matter but would let the Board decide on what action to be taken to stop this business.

Mr O'Sullivan suggested a public apology.

Mr Sheehan, said that as far as he was concerned he knew that the man in question was very sorry for his action.

After considerable discussion in which it was mentioned that the man be prosecuted, the members eventually decided that an apology to the referee and to the Board would suffice on this occasion and it was also decided that in all future cases of this kind that the Chairman and Secretary have power to prosecute without waiting for any direction from the Board.

The referee's report on the Stradbally v Dungarvan senior football match was also read. All reports were then adopted.

Senior Hurling Final
The Senior Hurling Co. Final between Tallow and Mt. Sion was, on a vote of 10 to 7 fixed for Dungarvan on Sunday, 19th September, with Mr M V O'Donoghue, as referee.

The Mt Sion men pleaded very strongly for Waterford City but were beaten on the above vote.

The Umpires selected were—G O Grady, P Shortall and P Elliott of the St Stephen's Club and W Barron M Connors and J Mountain of the Dungarvan Club.

Senior Football Fixtures
Brickey Rangers v Stradbally on 12th Sept Ref W Barron
Dungarvan v Kilrossanty, 3rd October Ref J Moloney
Nire v Brickey Rangers, 10th October Ref P Ryan
Stradbally v Kilrossanty, 17th October Ref D O'Sullivan

Arising out of a discussion as to the present position of the Senior football Championship Mr K Phelan Stradbally, suggested that the teams position as regards the number of points won should be published in the papers.

Junior Hurling and Football Finals

October 24th for the Junior Hurling Final and October 31st for the Junior Football final were fixed by the Board. If the Divisional Championships were not finished by then, the Western and Eastern Boards must nominate teams to contest the finals.

Cork v Waterford
An application from Father P Cummins Prior, O.S.A., Cork for a senior hurling match between Cork and Waterford was approved.

The match to take place contingent on Cork winning the All-Ireland Hurling Final. The venue was named as Dungarvan but the Waterford City representatives on the Board pressed that this match be played in the city, and the Chairman said he thought if all things worked out that the match could be played in Waterford.

An application from P Malone Tallow for reinstatement was passed.

An application was granted for a senior hurling match between Kilkenny and Waterford in aid of the St Vincent de Paul Society.

HARVESTING OPERATIONS

At the moment harvest operations are in full swing throughout the country and farmers and threshing mill-owners are having a busy time For the next few months the members of the farming community will be hard at it saving the corn which will mean so much to the country during the winter months to come There is a far greater amount of wheat, oats, and barley to be saved this year than ever before, but we know

that the farmers will again rise to the occasion as they have done before All efforts are being made to ensure that the operations will not be held up for lack of labour and we hope to see a bumper harvest saved and milled in record time

Now that the summer has gone and the dreary months of winter stretch out before us the entire community will once again be faced with the problem of securing fuel It has been a bad year for turf, but if an adequate supply of timber is available it will offset in some ways the difficulties that may arise

We hope that the Dungarvan Parish Council and the Fuel Merchants of the town will come together as they did last year and hammer out a scheme for supplying the poor of the town This work is most praiseworthy and should not be glossed over as the poorer classes will undoubtedly be in a bad way if something is not done

MR ALAN DOWNEY'S NEW ANGLE ON OUR "LITTLE VILLAGE"—In a recent issue of Mr Alan Downey's city paper there appeared a paragraph which one of our readers in the city sent us pointing out that we and our readers might be amused at the great editor's new angle on what he once called "Little More than a Village" It now seems that Mr Downey has been studying his geography and has found to his chagrin that Dungarvan is indeed a most prosperous place The inconsistency of his claim about our town need not be pointed out—some months ago we were insignificant now we have suddenly acquired a new importance (to suit Mr Downey's policy of boost) Anyway our readers can see for themselves how Mr Downey has again changed his outlook, this time about Dungarvan

"Prosperous Dungarvan—Dungarvan, Co. Waterford is now one of the most prosperous towns in Munster. The local tannery employs nearly 200 hands at excellent wages. The glue factory gives work to over 80 men. These two concerns are the outcome of the tariff policy adopted by the Flanna Fail Government from 1933 onward. Dungarvan is a market centre for a very wide rural area—on to Touraneena, Ring Ardmore, Ballinacree, Aghish, Clashmore Old Parish Modeligo, etc a prosperous agricultural area that contributes largely to the incomes of the shopkeepers and merchants of Dungarvan"

Arthur Spears is son of Mrs Spears Western Terrace, Dungarvan and we wish to congratulate him on his outstanding ability in being able to take one of the plums offered in educational circles His success is in no small way due to his sound education at Dungarvan's premier Schools for boys—The Christian Brothers We hope to see him going on to bigger things in the near future

PREPARATORY COLLEGE—During the week two other pupils of the Dungarvan CBS left for the Preparatory College at Ballyvourney Co Cork, as a result of the examination held last Easter at which the cream of educational talent sat This success is another feather in the hat of the educationists of the CBS—and confirms without doubt that theirs is the best boys school in Dungarvan

The two boys were Master Tom McHugh Abbeyside, son of Mr Jack McHugh, the genial and efficient Manager of Messrs. K Williams & Co, Fuel and Corn Merchants Dungarvan, and Master James Butler Mitchel Terrace Dungarvan, son of our popular and well-known Senator John Butler

We wish both boys success in their studies and hope to see them fully qualified National Teachers in the course of time

We might here mention and congratulate Master "Ned" Phelan son of Mr and Mrs Phelan, Ballyneety, Dungarvan, on his brilliant success in the same examination but who did not avail of the Scholarship

Ned is also a pupil of the CBS Dungarvan so that in all this great educational centre had three successes in the Preparatory Colleges Examination

OUTSTANDING SUCCESSSES FOR MERCY CONVENT—Readers will see from our notices in this issue the great successes which attended the efforts of the pupils of the Mercy Convent Dungarvan at the Departmental Examinations held in June last. In Leaving and Intermediate Certificates very high standards were achieved and again we wish to congratulate pupils and teachers alike on their remarkable prowess

A County Council Scholarship valued at £80 was also won and music successes second to none are also recorded Such successes place the Mercy Convent high in the list of educational establishments of the country and point them out as educationists of the highest order where girls are taught by the best talent in Eire in all grades We hope to see these and other pupils achieving further and greater successes in future and adding lustre to the crown of teaching which the Convent of Mercy holds

A BUSY WEEK END—One of the busiest week-ends known for a long time was experienced in Dungarvan last week-end when the troops of the 1st and 5th Brigades crowded our town for the All-Army Championships on Sunday last The camps of both Brigades were visited by many interested civilians who saw how the Army managed while on the march As fine an exhibition as could be witnessed was seen during the evening at the Gaelic Field where perfect arrangements had been made by Mr Monnie Fraser and Mr Dec Good

Amusing incidents of the evening were the collie dog who led the bands like an experienced bandmaster around the field and the bugler of the 1st Brigade who triumphantly heralded scores for his side

The dances in the Town Hall Ballinacourty and Clonea that night had their full complement of officers and men and all enjoyed themselves thoroughly

AILTIRI NA H AISEIRIGHE—The Cumann of Ailtiri na h-Aiseirighe founded in Dungarvan during the election campaign is now in full swing under the guidance of a very capable set of officers It comprises mainly the youth of the town and district but there is yet more room for more of this class and also for the elders

Weekly meetings at which are featured lectures on the Aiseirighe policy and on phases of ordinary life and dispoireacht are held each Saturday night at the Town Hall commencing at 8.30

A ceildhe and Irish class will shortly be started which will probably be held each Friday night and the services of one of the best Irish teachers have been given Public meetings

West Waterford Divisional Board G.A.A.

IMPORTANT MEETING IN CAPPOQUIN (From Our Cappoquin Correspondent)

An important meeting of the West Waterford Divisional Board was held in the C.Y.M.S. Hall, Cappoquin, on Friday night, 27th ult.

Mr. Seamus Moloney, N.T. Chairman, presided. Mr. T. A. Kyne, Secretary, Mr. James Ahearne, Vice-Chairman, and Mr. P. Ryan, Dungarvan County Board representative being also present.

Despite the inclemency of the weather, there was a large attendance of delegates from practically all parts of the Division, the following hurling and football clubs being represented—Clashmore, Fourmilewater, Tallow, St. Mochudas, Blackwater Rovers, Modeligo, Ahearn, Cappoquin, Knockanore, Finisk Rovers, Dungarvan, Brickey Rangers, Tourin, Glen Rovers, Ballyduff, Eire Oge, etc.

On the motion of Mr. Jas. Ahearne the minutes of the previous meeting were taken as read.

Permits To Play Outside Clubs

An application from Tallow to play against Castle Lyons (Co. Cork) in a Tournament match was granted, and a similar order was made on an application from Ballyduff to play against Kilsconat (Co. Cork), also in a Tournament match.

Application For Transfer Refused

James Curran applied for a transfer from Stradbally F.C. to Kilsconat, but it having been pointed out that the date for considering transfers was now past, the application was un-amiably refused.

Explanation Accepted

The Hon. Secretary of the Old Parish Club wrote explaining why their team was unable to play their match fixed for a recent Sunday against Blackwater Rovers, and after a short discussion, the explanation was accepted, and a fresh fixture was ordered to be made.

In connection with the above matter, the Secretary (Mr. T. A. Kyne) said he wished to pay a high tribute to the Guards in allowing their telephone to be used, and for the great personal trouble which one of the Guards went to in acquainting the opposing team that the match was off, and he added that not only in this instance, but in every other case throughout the Division where urgent messages of this kind had to be sent, the Guards were always only too ready and anxious to facilitate them in every way, and they deserved the best thanks of the Divisional Board for their unflinching courtesy at all times in the interests of the G.A.A. (applause).

Aeridheacht For Dungarvan

A letter was read from the Hon. Sec. Ailtiri na hAiseirghe, Dungarvan stating that it was intended to hold an Aeridheacht in Dungarvan on Sunday, Sept. 19th, and requesting the Board to make this an "open date" by having no G.A.A. fixtures made for Dungarvan on that day, and on the motion of Mr. J. Ahearne, seconded by the Chairman, the request was unanimously acceded to.

Referees' Reports

A number of Referees' Reports of the results of various matches played since the last meeting of the Board, and their remarks in connection with same, were unanimously adopted.

Two Players Suspended

In connection with the Brickey Rangers v Dungarvan junior hurling match played in Cappoquin Sportsfield some weeks ago, Mr. M. V. O'Donoghue, referee, in his report stated that he had to put two players off the field for rough play, and the Chairman said the order he would make in this case was that both players be suspended for one month from the date of the match, as the Board was determined to put an end to rough play at any cost.

Fourmilewater v Brickey Rangers

The Secretary read a letter from Brickey Rangers Club stating that owing to injuries to some of their players in their recent match against Dungarvan and also owing to their being busy with harvest work they would be unable to field a team for the junior hurling championship match against Fourmilewater fixed for Modeligo on Sunday, Aug. 29th, and asking that the match be postponed to a future date.

Mr. Seamus Moloney as a member of the Fourmilewater Club left the chair before this matter was gone into, and Mr. James Ahearne, Vice-Chairman then temporarily presided.

The Brickey delegates having fully stated their case for a postponement, Mr. P. Halpin, Fourmilewater, said his club strongly objected to any postponement, as they had cars already engaged to take them to Modeligo on Sunday, and they should pay for these cars if the match were now postponed.

Mr. S. Moloney strongly supported Mr. Halpin's view, and said that one would think from the statements of the Brickey Rangers delegates that there was no harvesting work to be done anywhere except in their district.

With regard to the excuse that some of their players had been injured in a recent match, Mr. Moloney said one of the best players of the Fourmilewater team was at present a patient in a Cork Hospital, but still they were prepared to play without him, and he suggested that the real reason the Brickeys wanted the match postponed was to deprive Fourmilewater of the services of two of their players who would have to go back to College within the next week.

This the Brickey delegates strongly denied and after a rather prolonged and somewhat heated argument.

The Chairman (Jas. Ahearne) said he was entirely opposed to the practice of having teams mutually agreeing to the postponement of fixtures made by the Divisional Board as this was the cause of holding up the finish of the championships until the winter months year after year. He then made an order that the original fixture should stand and said if the Brickey Rangers did not agree with this order, it was open to them to appeal to the Co. Board.

Mr. Ahearne then vacated the chair, which was again taken by Mr. Moloney and one of the Brickey delegates then made a personal appeal to the sporting spirit of the Fourmilewater Gaels to agree to a postponement, even at this stage and was supported by Mr. P. Ryan but Mr. Moloney and Mr. Halpin repeated that they had received special instructions from their club not to agree to a postponement under any circumstances, and the matter then ended.

A New Date Fixed

In connection with the new date for the postponed match between Old Parish and Blackwater Rovers Mr. J. Ahearne proposed that it be played on Sunday, Sept. 5th, so as not to clash with Cappoquin Sports on Sunday, Sept. 12th.

Another delegate proposed Sept. 12th, and on a show of hands the latter date was decided on by 6 votes to 4.

The Secretary complained of the alleged lack of courtesy shown by the promoters of the Cappoquin Sports in not having applied to the Board for a "free day" on Sept. 12th and said that as a protest against their action he would now propose that the junior football match between McDermotts and Knockanore be played on Sunday, Sept. 12th.

No delegates from the McDermotts being present, Mr. John F. Ryan said it would be useless to fix this match for Sept. 12th as several members of the McDermott team would be competing in the Athletic events at Cappoquin Sports on that day so they would not be able to field a football team on the occasion.

Mr. J. Ahearne also urged a change of date and ultimately the match was fixed for Sunday, Sept. 19th.

With regard to the venue for the match both Camphire and Lismore were proposed, but on a poll, Camphire was selected by 7 votes to 2 the referee to be Mr. D. Casey Dromroe.

West Minor Hurling Final Cappoquin Sportsfield was unanimously fixed as the venue for the West Waterford minor hurling final between Dungarvan and Brickey Rovers (Tallow) the match to be played on Sunday, Sept. 28th the referee to be Mr. M. V. O'Donoghue, Chairman of the County Board.

Tallow & Moorehill Notes

Senator Re Elected—His friends all over the Decies were delighted to hear of the re-election of Senator Sean Goulding, and especially down Tallow and Moorehill way, where Sean is a great favourite and we know that he has a very warm corner in his heart for the inhabitants of these districts.

Successful Tournament—On Sunday last a very success Tennis tournament was held at the Tallow Tennis Club grounds between Killeagh and Tallow teams, and after a series of very close and exciting contests the local club were successful. A large number of spectators enjoyed the closely-contested games, which were played in a very sporting manner. After the tournament tea was served by the local committee to both teams and their friends, at the Cinema Hall Tallow, and a very enjoyable evening followed after which the visitors departed regretfully. We understand a return series of games will be played in Killeagh in the near future.

Still They Go—During the past week Mr. John Donovan Dunmoon left his home to take up employment in England. His departure is much regretted for with all classes he was a general favourite. We join with his many friends in wishing him every success in the land of his adoption.

The All Ireland Final—On Sunday next the All-Ireland Hurling Final will be decided at Croxie Park and for the first time the North and South will clash. Can Antrim defeat our Southern representatives is the question Gaels are asking one another as the day is approaching but an Antrim man says "Why not sure our boys can hur and the others are only fifteen men as well." While we see nothing to beat Cork in the 1943 Final, we join with all Gaeldom in extending a hearty good will to Antrim, for since 1888 the Glensmen have doggedly held on to the game of hurling, and if they fall on Sunday they will come back here wishing Cork and Antrim good luck and may the best team win.

Harvesting In Moorehill—During the past few weeks harvesting operations were in full swing down Moorehill way, and from early morning the hum of the reaper and binders, was heard on the Moorehill estate where the modern tractor and binder as well as the horse-drawn one were working full time but now the huge stocks of v. neat oats and barley are safely stacked and from reports to hand it is a record crop. All the work on the Moorehill estate is carried out under the personal supervision of Mr. Joseph Acres the very popular Steward who has left no stone unturned to have the work completed as quickly as possible.

Local Dramatic Class—The local dramatic class are hard at work rehearsing their new play which will be presented to the public about the end of the month. Great progress has been made in a very short time, so all can look forward to an enjoyable night in the near future.

Local Tit-Bits—We have seen more new faces "down the old borheen," looking for hurley sticks we heard "Oh! Yeah" absence makes a colleen forgetful, but remember the old song "A constant lover is hard to find if you have a boy that's kind and true, don't change the old one for the new."

THRASHING SET CHARGES

The Government have made an order which prohibits the owner of a threshing set from charging for his services in the current threshing season a rate more than 12 1/2% in excess of the rate in operation in his locality during the period 1st September, 1941 to 31st March 1942.

OUR WATERFORD LETTER

Celebrating the Jubilee Year—The Golden Jubilee year of the Gaelic League has not been marked so far, by any jubilation on the part of the City Branch of the Gaelic League. I am informed however, that a series of very interesting lectures will be delivered in the Gaelic League Hall during the coming months by way of celebrating the Jubilee year.

Charmed The Seals—Mr. Liam Walsh our famous Uilleann Piper told me that when hollaying in the Co. Wexford coast recently he played some selections on the pipes at Greenore Point and a half dozen seals came to the surface within a short distance of the shore and wagged their tails in appreciation of the music.

Opening of Day Classes at Technical Institute—The Day Classes for Session 1943-44 opened on Wednesday, September 1st, in the Central Technical Institute when a large number of students attended. I am pleased to note that there is a big influx of new pupils due to the fact that parents realise that the knowledge to be acquired in the Technical Institute is such that it will prove most useful in after life for boys and girls who take advantage of the tuition given by experts in the different crafts.

Congratulations—Their many friends in the city were very pleased at the election to the Senate of Messrs. John Butler and Sean Goulding who have achieved a reputation of being effective public representatives. In the case of Senator Butler I am pleased to note that he received considerable support from electors who differ from him politically.

The First Gaelic Leaguer—There is an extraordinary interesting article in the current issue of the Dublin "Leader" dealing with the career of Philip Barron who was born in Durrus Co. Waterford in 1802 and was a Pioneer of the Irish Revival. In the article he is termed The First Gaelic Leaguer. His family was powerful and influential and the stern opponents, political and social, of the great Ascendancy Beresford's for long the owners of Waterford and its people body and bones and like possessors of Ireland in only a slightly less degree.

A Highly Educated Gentleman—Philip Barron entered Trinity College, Dublin, in 1826, but left without taking a degree. He was a highly educated gentleman with a sound literary taste, liberal interests, very interested in the political movements of his time, doughty fighter for the emancipation of his Catholic fellow-countrymen, deeply absorbed in Irish History and Irish Culture and a native Irish speaker. He published a magazine "Ancient Ireland" which was to the study of the Irish language and Irish history. He built an Irish College on his

own land at Seafield about a mile from Bonmahon

VIEWS OF OUR READERS

The "Leader" As An Advertising Medium

Its Value Recognised By Leading City Firms

(To The Editor)

A Chara—I am pleased to see that the value of the "Leader" as an advertising medium is being recognised by leading Waterford City Firms.

Mr. William Kenneally's advertisement set me thinking. When I was in Waterford recently I had a couple of excellent drinks in his spacious bar at Johnstown which I think is the finest and most commodious bar in the city. Anyhow on the few occasions that I visited Mr. Kenneally's premises I saw there one of the finest and jolliest crowds of G.A.A. men or Irish-Irelanders that you could meet in a day's hard cycling. I'm told it is the same every night of the week—"Lan A Daoine" More of that to him.

It is grand to see the Gaels supporting their own, as Mr. Kenneally is an enthusiastic G.A.A. man. He gives unstinted moral and material support to every Irish project and therefore deserves to succeed in business. Of course, Mr. Editor Mr. Kenneally being a sound sensible man does not rely on sentiment alone to command custom. He sells first-class quality drinks bottled under his own personal supervision so sign his clients get value and satisfaction for their money.

In conclusion, Mr. Editor, I remember 50 years ago when the biggest wholesale bottling business in the city was done by Mr. John Garvey in the premises now occupied by Mr. William Kenneally. I know Mr. Kenneally is not in the wholesale line. But from what I hear I think as a licensed trader he should be doing the biggest retail business in Waterford City. Yours truly, A COUNTY G.A.A.
