Manager's Orders

The Repairs To The Town Hall

False Rumour

Mr T McCarthy Chairman presided at a meeting of the above at the Town Hall, on Friday night last. Messrs L A Veale, T A Kyne, Ml Morrissey, TD, and J Dahill were present.

Mr S J Moynihan Manager and Mr William O Meara Town Clerk, attended.

Manager's Orders
The Manager submitted the following report—

Railway Crossing at Causeway
Warning notices have now been erected which may help The Borough Surveyor states that he has considered the question of white lines but these might cause confusion to horse traffic and their emergency is doubtful.

Screen Walls—The Borough Surveyor will have the work on these carried out at an early date.

Water Supply—The Borough Surveyor states that owing to a large number of leaks the supply to the high levels is likely to be poor. The Bye-laws are not being complied with in many cases.

Quann's Strand—Owing to the lateness of the season this matter should be deferred to next summer.

Light on Bandstand—Owing to general need for economy in electricity there does not appear to be adequate reason for this light. The Park is not used on winter nights.

Repairs—The repairs to the gable of Mrs Mary Kiely's house at Castle Street would appear to be a matter between her and the owner of the adjoining site. Mr Veale said that the light at the Park was not wanted for the Park itself but for the people living in the houses there and who have to go up a dark passage at night to get to their houses. He said it would not be much of a burden on the electricity supply.

Chairman—There was a light there before.

Mr Kyne—Yes it was there until it was broken and notwithstanding what the Manager or Borough Surveyor say people do use the park in winter time.

Mr Morrissey—To light it properly a pole is wanted there. The matter was referred back for reconsideration.

The Chairman dealing with Mrs Kiely's house at Castle St said that the Council had demolished other houses nearby and as a result there was damage done to Mrs Kiely's house. He didn't know whether the Council were responsible or not.

In reply to the Chairman the Clerk said that Dr Casey was the owner of the adjoining site.

Chairman—Mrs Kiely is suffering and if the Council are at fault they should put it right and the same applies to Dr Casey.

Mr Kyne—I agree, Mr Chairman with your remarks and if the woman suffers through any action of ours we should rectify it.

Mr Morrissey—In other cases where the Council demolished houses and damaged others as a result we were responsible and I think we are liable now too. It was decided to refer it back to the Manager pointing out other instances of a similar nature in which the Council were responsible.

The Chairman referring to the water supply said that the people up around the Buttery had none for the past fortnight. He never remembered water being so scarce even with all the rain. He said that people are going up to the "fort" for water. There was one time when all got a fair ration but that was not being done now and he didn't know why.

Mr Morrissey—The water coming in recently is not over clean even though the scheme costing over £9 000 was supposed to give us an excellent filtering apparatus. I can't understand why the water is not being properly filtered.

The matter was referred to the Borough Surveyor.

The Repairs To The Town Hall
The Chairman dealing with the repairs to the Town Hall said that the Council was losing revenue because the repairs were not being done. They could hold no all night dances and as a result these were being held elsewhere now. He said that the charge for an all-night dance would be over £5 now.

Manager—To repair the hall in compliance with the memorandum of the County Medical Officer of Health would entail a big expenditure and the Borough Surveyor said that it is not worth doing.

Chairman—If my memory serves me rightly the Co M O H said that with proper sanitary accommodation he would waive all other conditions.

Manager—That was only for the short dances.

Mr Morrissey said he thought the Chairman was correct.

The Manager said the sanitary repairs were in the hands of the Borough Surveyor but as material was hard to get the work was slow.

Mr Kyne—The licence is due to expire next month and I wonder if the Justice will grant the renewal.

Manager—I think he will.

Mr Kyne—If we were to lose it it would be a big loss to the boys and girls of the town.

The matter was adjourned.

Repairs
Mr Kyne brought up the question of repairs to the door of Mr P Duggan's house at Abbeyside.

The matter was referred to the Borough Surveyor.

Managerial Act "Unsatisfactory"
The following resolution proposed by Dr P J Burke and seconded by Mr Ml Sheehy was received from the Skibbereen UDC—

"That we the members of the Skibbereen UDC, hereby submit to the Minister for Local Government and Public Health that the County Management system during the 12 months in which it has been in operation has shown itself to be an unsatisfactory system for the discharge of public business. The County Management Act 1940 was intended to provide more flexible machinery for public administration but we are convinced that the new system is much less flexible than the old because—

(1) The County Managers have ignored the elected members in the discharge of the executive functions and have not made any use of the local knowledge which these elected members could provide.

(2) The elected members of the ratepayers generally are unaware of any action taken by the County Manager until assistance or advice can have no effect.

(3) A decision taken by a County Manager although the decision of an expert perhaps is nevertheless the decision of but one man and his staff and is based only on the knowledge and experience of a few men who cannot have the necessary contacts and local knowledge to make them aware of all the facts.

(4) In many instances suggestions put forward by elected members on behalf of the electorate have not received the consideration which they deserved from the County Managers.

"That we ask the Minister to consider the amendment of the County Management Act 1940 in order to give a direct participation in public affairs to elected members of Local Authorities. As an alternative we would suggest a system based on the following points—

1 Executive functions to be carried out by a County Manager to be confined to—

(a) The Supervision and control of officers.

(b) The collections of monies levied by a Local Authority or due to a Local Authority,

Western Divisional G.A.A. Notes

(By AN RUNAIDHE)

Divisional Board Meeting—The Divisional Board meeting held at Dungarvan on Monday arranged all outstanding fixtures so that the Division should be finished in time for the Co Finals fixed by the Co Board. It was decided that in all games if necessary extra time should be played so as to finish each game on the date allotted. Referees should act on this instruction. While the Division are correct in trying to carry out their programme so as to cooperate with the Co Board I am inclined to think that the County Board are adopting a high-handed manner in clashing with Divisional fixtures without any regard to how the Western Championships go. A little give and take would help both Boards. Fixtures made at the Board meeting appear on page four of this issue.

Knockanore Meet The Army—At Camphire on Sunday, Knockanore meet the McDermotts. The latter fresh from annual training will be a hard team to beat. They will be as fit as it is possible to make players. Nicholas Whelan expects that they will win well. Knockanore are also confident but feel that the fact that the Co SH final will deprive them of two of their best men is not a fair do. Nevertheless they will I feel, put their heart into it and give the Army men something to do to win. D Casey Camphire, will act as referee.

Junior Hurling At Lismore—To reach a decision in the Western hurling by the date fixed for the County Final, Araglen and Tourin play at Lismore on Sunday next. This is a contest that will draw a record crowd. Araglen are all out this year for a championship. They are as fine a bunch of juniors as have yet played and interest is so keen in the game in the area that the

(c) The making of payments; (d) Functions relating to public assistance such as the granting of poor relief and the admission and retention of patients in public institutions.

e) The institution and prosecution of legal proceedings on behalf of a Local Authority.

2 All other functions of a Local Authority to be transacted by the elected members.

"That a copy of this resolution be sent to the Minister for Local Government and Public Health to each Local Authority in Eire and to each member of An Daill."

Chairman—As there are only five members here now, I suggest that this matter be put on the agenda so that the other members may have an opportunity of coming and voicing their opinions.

Mr Dahill—There is no need for any discussion on the matter. If they are having trouble and want to sack their Manager in Skibbereen, let them. We don't want anything to do with those in West Cork.

The matter was put on the agenda for the next meeting.

False Rumour
To Mr Kyne, the Clerk said there was no truth in the rumour that the fee to the Performing-Rights Society has not been paid by the Council.

Acknowledgment
Mr M Griffin Abbeyside wrote acknowledging the Council's vote of sympathy on the death of his sister Mrs M J Christopher.

Sympathy
A vote of sympathy was passed to the family of the late Wm Junne, Springmount.

Public Baths
The following notice of motion, proposed by Mr L A Veale and seconded by Mr T A Kyne, was handed in—

"That with a view to making provision for visitors and the public generally, we request the Manager to have prepared immediately, plans and estimate for the erection of public baths."

soon the Troop will have a treasure hunt! A popular phrase on Sunday morning Parades is—"I came down when 'twas dangerous to come" (whatever that means), but on Sunday last a certain prodigal put it "I came down when 'twas dangerous NOT to come"

Troop Meeting Every Scout present was in Uniform at the Troop Meeting on Wednesday and most were in time. The inevitable Drill Practice was first on the list and then followed "O'Grady on Parade" competition which was won by O Shine of Wolfhound Patrol. A novel knotting was tried at which the knots had to be tied using one hand only and the winners were G Morrissey of Panther Patrol and J Morrissey, of Wolfhound Patrol. Up Hermitage! At the end of the meeting Scouts became Nightingales and Keats "Immortal Bird" wasn't a patch on them. If they were in a place with an echo they would drop dead! At the moment at any rate the Troop of 1943 is not as good at song work as the Troop of 1940.

4th WATERFORD TROOP CBSI (St Joseph's Abbeyside)

The KE Clan: Believe it or not the Clan had a meeting last week the first since Camp and it was somewhat like the old time "sit down and chat" kind but the chat was about something important. The past, present and especially the future of the Clan was discussed, but as there was not a full attendance present it was decided to call a special meeting on Sunday next at 11.30 a.m. to make up our minds about making the Clan work properly or else hold a wake. A knotting speed contest was held which J McEvoy won by finishing in 44 seconds. He held the prize for less than five minutes though, for a few of the Scouts who strolled in took up a challenge and P L P Straine did the knots in 43 seconds and walked off with the prize from under the noses of what we thought were the Troop's experts!

Parade The monthly Parade on Sunday last was good, but of course there were a few absentees fellows who could not find the other stockings, etc. If that bit of wool does not turn up

County Senior Hurling Final

TALLOW V MT SION

The meeting of Tallow and Mount Sion in the Co Senior Hurling Final at the Gaelic Field Dungarvan on Sunday next promises to be a rare struggle and it is expected a record crowd will attend to see the Decies' two Premier hurling teams in action.

Mount Sion who won three Senior Championships in a row 1938 '39 and '40 were defeated by Dungarvan in 1941. They failed against Erin's Own and Portlaw in 1942, but this year they are bent again to regain lost laurels.

Watching them defeat Portlaw at Ballyduff some weeks ago I was very much impressed with their display and on the roomy Dungarvan pitch they will take beating Tallow however in earnest mood are not to be taken lightly and they have benefitted enormously with smashing displays against last year's junior champions Erin's Hope and the ex-Senior Champions Dungarvan. Mt Sion in preparation have had a special course of training and reports from the city point to a Mt Sion victory on Sunday. In conversation with a well-known City Gael during the week he was of the opinion that this Mt Sion team is the best ever to represent the wearers of Blue and White.

Rumours from Tallow is that the team is much improved since they defeated Dungarvan and with a few notable players now available who were not in action against the Blues this Tallow team are quietly confident of taking the championship on Sunday next.

The news that Tom Curran, ex-Dungarvan player would field out on Sunday next with the Bridesiders, came as no surprise to us because we had it from reliable authority that he was being given the centre forward position in the Co Final after Tallow's victory over Dungarvan.

A feature of Sunday's game should be the clashes between the ex-Dungarvan man and the fair-haired hurling master John Keane who will Captain Mt Sion on Sunday next.

Bill Ryan suffering from injuries did not play against Dungarvan, and his inclusion in the Tallow attack should steady up the Bridesiders who were none too happy against the Old Boro' players at Cappoquin.

Tallow for years have been battling gamely in quest of the Blue Riband of Decie hurling and on Sunday they will have the support and backing of all Western Gaels. Tallow certainly have two great performers in Sonny and Mick Curley and the Mt Sion sharp shooters will have to produce their best form if they expect to get scores on Sunday.

Sonny is our inter-county full back outstanding in this year's Munster Championships. Mick in form is a star goalkeeper and his past displays go to show that he has few equals between the sticks. I expect Bill Henley will fill his usual left full position in the last line of attack and what he lacks in speed is made up by years of experience. It would not surprise me to see Pat Malone banking Sonny Curley and he is one of Tallow's coming hurlers whom I expect to figure prominently in years to come.

The Tallow half line of defence would I say be unchanged from that who defeated Dungarvan and Tallow have confidence in the sterling qualities of centre half John Hartigan flanked by the Knockanoe man Patrick Neville and a new comer Billy McGrath. John Hartigan plays a fine game in this position and his coolness in close play has gained for him the admiration of friend and foe.

The ever-green 'Pa Sheehan will as usual be seen centre-field he was in wonderful form against Dungarvan and his clever tactics in my opinion won the match for the Bridesiders. Pa has a great hurling record with his native Tallow and it would not surprise me to see him active for several years to come. Harry Ronayne a young promising hurler will probably partner Pa Sheehan on the half way line and he should hold his own with Mick Gallagher or Jim O'Meara.

The Tallow half-line of attack would want to improve and of the three who played against Dungarvan Davy Doyle seems most likely to be retained although I was very much impressed with the fine display given by Willy Curley on the wing. The Tallow selectors are

surely set a problem when picking this line but Tom Curran and Bill Ryan are not likely to be omitted.

The ex-Galway player Joe Keller will probably retain the full forward position and he will have as cornermen Tom McCarthy and Noel Condon. Noel is capable of doing great things even though in the veteran stage and his experience should mean a goal or two to Tallow.

Michael O'Brien a newcomer will be the Mount Sion goalkeeper he played well against Portlaw in the Eastern decider and has been retained for the final.

William Doyle Walsh who captained the Waterford Senior Hurling team in the Munster Final 1938 will fill the full back position where he starred against Portlaw. Right wing Andy Fleming one of the greatest defenders playing today, was the pick of the thirty against Irish Tanners at Ballyduff. Noted Inter-County and Inter-Provincial player. The cool resourceful Paddy O'Connor who has years of experience will fill the left full back position.

The Mt Sion half line of defence will be John Keane Paddy Dowling and Larry Fanning. Fanning is gradually picking up the marvellous defensive tactics of John Keane, and against Erin's Own and the Tannery men he played an exceptionally sound game.

John Keane the best we have ever produced in the centre-half position is reckoned one of Ireland's greatest hurlers, now fully recovered from his recent ankle injury and will take some holding on Sunday.

Paddy Dowling the ginger-haired inter-county stalwart will flank Keane where he has few equals a tough handfoul and a beautiful ball player.

Centre field Mick Gallagher and Jim O'Meara have struck up an ideal partnership. Jim O'Meara was out of the game for some years but now he is back again this time to stay. A lovely striker and a sound overhead player Mick Gallagher has given Yeoman service to Mt Sion where he usually filled a position in the defence. The moving of Mick to centre-field was in the nature of an experiment which bore good results in the Eastern Final.

Left half forward Frank Minogue surpassed all previous displays in the Eastern Final struck points from all angles and gave a superb display of ball control. Centre-forward Paddy Greene who played off the Inter-county selection for years a great ground striker, and a danger around goal.

Right-wing forward "Pokey" Flynn a cute winger who believes in always been fit, can strike balls from any angle, noted for his accuracy.

Brian Doyle will have the marking of Sonny Curley, has played full-forward for Mt Sion in all matches in this year's championships. Gave an outstanding display against Portlaw where he had a grant total of five goals and some odd points. John Bastin brother of Vin will be inside Frank Minogue where his fleetness and accuracy will be dangerous.

Joe O'Shea the ex-Ballytuckle man will be in the other corner and he has a perfect understanding with Brian Doyle, as he proved against Portlaw and Erin's Own on the way to the Final.

Both teams are fit and confident and enthusiasts are assured of a ding-dong struggle which should produce Decie' hurling at its best.

Prior to the Senior match, Dungarvan and Brickley Vale meet in the Western Minor Football Championship at 2.30 p.m. (S.T.) and lovers of the Big Ball code are being well catered for with this outstanding curtain raiser.

The Senior Final will be refereed by M. V. O'Donoghue, the Co Chairman who will set the teams in action at 4 p.m. (S.T.)

Umpires and Linesmen are as follows—M. O'Connor, W. Barron J. Mountain (Dungarvan) G. O'Grady J. Shortall and P. Elliott (Waterford) are requested to be at field at 3.30 sharp.

The field for Sunday's match will be in perfect order and the Proprietor Mr. Monnie Fraher, in his usual capable way has completed all arrangements for a great Final.

 What would, undoubtedly, have proved to be one of the most brilliant and enjoyable day's sports ever held in Cappoquin was marred by a severe thunderstorm and heavy rain on last Sunday which threatened at one period to result in the postponement or complete abandonment of the entire programme.
 As stated last week, the most elaborate preparations ever known had been made for this great event, and when the final touches were put to the Sportsfield about 8 o'clock on Saturday night, the Cycling Track, and the grounds generally, presented a most attractive and finished appearance which reflected the greatest credit on Messrs M. J. Sargent and M. F. Walsh, Hon. Secs., as well as all the other members of the Committee responsible for this important work.
 A large number of the most brilliant cycling and athletic "stars" from Dublin, Cork and various other parts of Leinster and Munster, had arrived in town on Saturday night, and everything then promised a glorious morning, and as the conditions were then fine and dry, and gave every promise of remaining so, we all retired to bed on that night fully confident of enjoying a grand day and a delightful programme of sport on Sunday.
 But, alas, our hopes were rudely dashed to the ground when about 2 o'clock on Sunday, just as the officials, competitors and the general public were preparing to proceed to the Sportsfield, a rather violent thunderstorm, accompanied by a torrential downpour of rain, broke over the town and district and forced everybody to rush for shelter immediately.
 After the storm had abated, a visit to the Sportsfield showed that the heavy rain had played havoc with the carefully prepared cycling track, which was reduced to a soft and sodden condition and as further heavy showers of rain continued to fall a consultation was held between the officials and the intending competitors as to the desirability of postponing or abandoning the fixture.
 The problem was rendered very difficult of solution owing to the presence of so many prominent cyclists and athletes from distant parts, and as the weather conditions overhead gave promise of improvement

between 3.30 and 4 o'clock, it was finally decided to proceed with the programme.
 Although a fairly good crowd of spectators quickly poured into the field, the storm had done its work as the gate receipts were little more than half of what had been expected; had the weather conditions proved more favourable.
 Owing to the costly nature of the prizes which had been purchased, and the heavy expense incurred in preparing the field etc., this meant a heavy financial loss to the promoters, who deserve to be sympathised with in the circumstances.
 In addition to the prizes purchased, valuable prizes were very kindly given by Mr Ion Villiers Stuart Dromana, Mr Gerald Villiers Stuart, The Tower Kilbree, Mr Denis Heekin, T.D., Aglish, Glencairn, Mr R. J. Mulcahy, M.F.H., Adinnan, Mr M. Roche, Jeweller, Cork, Mr Paul I. Power, Dungarvan, Messrs Elvery & Co., Cork, the Sisters of Mercy, Shanbally, Cappoquin, and other generous donors for which the hon. secretaries and committee feel deeply grateful.
 Despite the depressing conditions which prevailed, all the officials named above performed their respective duties with rare efficiency and satisfaction, but special mention must be made of the outstanding services rendered by Chief-Supt O'Reilly and Mr Leo Dunne, Hon. Sec., Waterford Co. Board, N.A. & C.A., Mr Bertie Donnelly, Hon. Sec., National Cycling Association of Ireland and Mr J. S. Cremin, Cork Handicapper and Starter all of whom loyally co-operated with the Committee, while the members of the Cappoquin L.S.F., in charge of the officers named above, rendered invaluable service as stewards, etc., and kept the best of order in the field during the evening.
 The bulk of the administrative work fell, as usually, on the shoulders of the two Hon. Secs., Messrs M. J. Sargent, P.C. and M. F. Walsh, P.C., both of whom acquitted themselves with great distinction, and helped very materially in having the heavy programme completed by 7 o'clock the only item omitted being the Half-Mile Cycling Championship of Ireland, which had to be abandoned owing to the greasy and sodden condition of the Cycling Track.
 In spite of the greasy and dangerous state of the track, it was remarkable that there was not a solitary accident during the cycle races, all of which provided close and exciting finishes, as will be seen from the details below.
 The victory of the local cyclist, M. J. Sargent, Junr., in the Open Cycling event (one mile), proved very popular, judging by the loud cheers which greeted him, but we were all glad to see the visiting competitors, Sean Donnelly, Dublin, M. Phelan, Clonmel, and M. Anderson, Bohermeen, each winning the three remaining cycling events, as they deserved some reward for travelling such long distances in order to support the Cappoquin Sports.
 The outstanding feature in the athletic events was the marvellous success of M. C. Furlong, Enniscorthy, who carried off a brilliant "treble" by winning the Long Jump, High Jump and Pole Jump, while very keen contests were witnessed in all the other athletic events.
 Owing to the absence of the Military on manoeuvres, we were deprived of the promised services of a Military Band, but their absence was somewhat atoned for by the splendid Broadcasting arrangements carried out by Mr P. O'Shea, Fermoy.
 Before concluding this introduction, we feel bound to pay tribute to the splendid arrangements made for the Press, and we owe a special debt of gratitude to Chief Supt O'Reilly, Mr F. X. O'Leary, N.T., Mr Sean Bell and Mr J. McCarthy, B.A., for the courteous and invaluable assistance which they rendered after each event, and which greatly lightened our work during the evening.

OPEN THE DOOR TO HIS FUTURE!

The demand for Education is greater to-day than it has ever been before. As the years pass, it is becoming more evident that only those with the highest qualifications and the most specialized training in their particular occupations will be in a position to command a good salary. It is every father's duty to provide this opportunity for his children.
 By means of an Educational Endowment Assurance small payments during the early years of the child's life will secure the necessary financial provision for a sound vocational training.
 As this Policy is an Endowment Assurance on the life of the parent, it could be continued for any other purpose in the event of the child's death. For full particulars apply to:

LISMORE COURT

(Before Mr G. P. Farrell, B.L.)

This being the day for the Annual Licensing Sessions all the local Publicans' Licences were renewed without opposition, and a transfer of licence was granted to Mr C O'Neill from Miss Elizabeth Condon, in respect of the premises known as "The Red House," Main St, Lismore.

Mr A. R. Farrell, solr. Dungarvan, applied on behalf of a number of local Publicans for an Exemption Order entitling them to open their premises at 7 o'clock a.m. on the mornings of Tuesdays and Fridays each week, these being market days in Lismore.

Supt P J Doyle, Lismore, strongly opposed the application, on the ground that the markets on these days did not start until 10 or 1030 o'clock each morning, and stated that he had been down the town on several mornings at 9 o'clock and had never seen any sign of a market there up to that hour. He added that the early opening of the licensed premises on these mornings would only convenience tramps and tinkers, and the application was refused, but the usual applications to have the licensed premises open at 7 o'clock on the mornings of the monthly fairs were granted in all cases.

Charge Of Having Voted Twice

Supt P J Doyle, Lismore, charged a local man named William Power, under the Electoral Abuses Act for having illegally voted twice on the occasion of the General Election on June 22nd.

It was stated that the defendant had originally resided in the town of Lismore, and was registered as an elector in the number of 639, but having gone to reside in Townparks, Lismore, he was again registered in the number of 326.

It was proved that on the date of the General Election he first voted in the Courthouse, Lismore, in the number 639, and then went to another Booth in the same building where he voted in the number, 639.

It was stated for the defendant that he believed he was entitled to vote twice as his name had appeared twice on the Register of Voters under different numbers and as the Supt did not press the case, on the ground that he believed a genuine mistake had been made by the defendant, the Justice marked the case "proved," and applied the Probation of Offenders Act.

Larceny of Fowl

Supt Doyle, charged Denis O'Donnell, from the Kilrossanty district, with the larceny of fowl from a farmer near Ballyduff.

Guard Wm Moloney, Cappoquin, gave evidence of having arrested the defendant in Cappoquin while he was in possession of the fowl, which he had attempted to sell to a Poultry Dealer in Cappoquin.

It having been stated by Sergt Kelly, Ballyduff, that the owner of the fowl had since been compensated to the extent of £1, the Justice allowed the defendant off under the P.O.A.

Alleged Larceny of Tackling

A farmer named Mullumphy from the Ballyduff district, was charged with the alleged larceny of a hames and straddle, the property of Patrick and Mrs Miles, Ballyduff.

Mr A R Farrell, solr. Dungarvan, appeared for the defendant.

From the evidence it appeared that Miles had missed the articles on May 12th, and on May 31st he made an information in connection with the matter, and on the Guards searching the defendant's premises they found the hames in his possession, but not the straddle.

Mr. Farrell, solr, in the course of an able defence explained that the defendant and Mr Miles had been old friends, and his client had only taken the hames by way of loan, and had intended to return it when he was finished with using it but he had nothing whatever to do with the disappearance of the straddle.

Having heard some further details, and also evidence of character, the Justice dismissed the case.

Alleged Larceny of Hay

William Buckley, Chapel St, Lismore was charged by Supt P J Doyle, with the larceny of a quantity of hay the property of Mr Joe Kelly, Chapel Street, Lismore.

Mr A R Farrell, solr, Dungarvan, appeared for the defendant, and on his application, the case was adjourned for two months.

Forestry Act Offences

The Minister for Lands summoned William Collins Convent St., Tallow, that between Oct 1st 1942 and Nov 27th 1942 at Lisfenny, defendant did cut or cause to be cut an ash tree over 10 years old without notifying the Guards.

Evidence for the State was given by Sergt J O'Shea, and for the defence by Robert Smyth.

Defendant was convicted and fined 1/-, with 6/ costs.

Similar cases were heard against Patk Flynn Convent St., Tallow Robert Smyth, do, fined 2/- with 13/4 costs, James Daly Ballyduff, fined 2/6 and Francis Daly Ballyduff, fined 2/6.

Licensing Offence

Michael F Casey, Publican, Main St Lismore, was at the suit of Supt Doyle, summoned for selling intoxicating liquor at 215 pm on Sunday June 13th last.

Mr Carroll solr defended.

After hearing the evidence of Sergt Ballantine, a fine of £2 was imposed, not to be recorded.

Four men found on the premises were fined 2/6 each.

Lights on Vehicles

Summonses under the above were brought against Thomas Whelan, Main St, Lismore, fined 2/6 Joseph Burke, Barrack St, Tallow, fined 2/6 Ml Nugent Glenaknockaun Lismore, fined 3/6 Denis Canning Waterpalk, Fermoys, fined 3/6 Lee O'Donnell, Cappoquin, fined 3/6, John O'Donnell New St, Lismore fined 1/-, John Barry, Tourin, 1/- Thos. McGrath, Tallow Hall 2/6 Thos Quinnlan, do, 2/6, P McCarthy Currareigh, 2/6 Jas Griffin, Tourin, 1/-, P Fennessy, Glencarn, 2/6, and John Cashman, do., 2/6.

Fishery Prosecution

The Lismore Estates were complainants in an action brought against Michael Fleming Ardsallagh, Youghal.

Mr Carroll solr, Fermoys was for complainants, for whom Patk Dooly and Ml Flynn, gave evidence.

Mr MacNamara solr Youghal appeared for defendant, and Richard Barry, gave evidence for the defence.

The charge was that on April 11th last at Templemichael, defendant net being authorised by the complainants who are owners of a several fishery, did enter upon such under the pretence of killing and taking fish.

After hearing the evidence, the Justice fined defendant 10/- with 40/- costs to be paid within ten days. The net used on the occasion was ordered to be forfeited.

Abusive Language and Damage

Supt Doyle, charged John English, Billeragh, Araglen John Hanrahan Propogue, Araglen, Patk Hanrahan, do, that on June 7th 1943 at Garrison defendants did use language towards Patk Feeney, Ballyduff calculated to lead to a breach of the peace.

John Hanrahan was also charged with malicious damage to the dance hall owned by Mr David Feeney Ballyduff, to the amount of 17/6.

John English and John Hanrahan, were ordered to enter into recognisances in £5 to keep the peace for 12 months and to pay 10/- each costs.

In the malicious damage charge, a fine of 10/- with 17/6 compensation was imposed.

The case against Patk Hanrahan was dismissed.

Tallow & Moorehill Notes

Congratulations—Possibly in no part of Eire was the news of Mr Sean Goulding's election as Chairman of the Senate, received with more joy than in Kilwatermoy parish where Sean is a great favourite. The view being freely expressed by his Irish-Ireland supporters that it is only a fitting tribute to a true Gael. His activities in Ireland's cause in the dark and evil days are not forgotten around here. His unassuming manner, his devotion to the language of the Motherland, and to Gaelic Culture in general have made an imprint on the peoples hearts that will not easily be forgotten by a people who possess long memories. We wish to join with all his friends throughout Eire, in wishing him every good luck in the proud position his country has bestowed upon him which we hope he will enjoy for many a long year.

The County Final—No hulling final within a decade of years has been so eagerly looked forward to as Sunday's clash between Tallow and Mount. Both teams are fit as they have undergone a course of training and every man of the thirty

should be able to give a good account of himself on Sunday. We think the Bridesiders should be able to bring back the title to the West. In Mick Curley they have as good a goalkeeper as is playing today while his cousin 'Sonny' Curley, as full-back would take some beating ably flanked by Pad Malone and Bill Henley. The half-back line is also very sound, as Neville Hartigan and McGrath are in the first flight of defenders. At centre field "Pa" Sheehan (the hero of many a hard-fought game) and Harry Ronayne should be more than able to hold their own on the forward line. In Davy Doyle, Noel Condon Ted McCarthy, Billy Curley Joe McCarthy, and J Keller we have a blend of youthful and experienced players who will hold their own with the best.

Here's wishing "Pa" and his gallant hurlers all the best on Sunday.

The Annual Pattern—The Annual "Pattern" in honour of the Exaltation of the Holy Cross to which the parish is dedicated, was held at Kilwatermoy on Tuesday, September 14th. Mass was celebrated at the Church at 9 a.m. at which a large congregation was present, and a large number approached the Altar to receive Holy Communion in honour of the Feast. From an early hour on Tuesday morning pilgrims from far and near could be seen wending their way to the Holy Well which is situated about a quarter of a mile from the Church to do the rounds, which consists of saying the Rosary as the pilgrim walks three times round the well. Before leaving it is customary to bathe the senses with water from a shallow stream beside the well, and a bottle of water is generally taken home which legend says is a cure for many ills. Years ago "Pattern" day was observed in nearly all the parishes in Ireland, and a grand old custom it was but the twentieth century people are getting (so they say) more modernised and believe the old customs were all nonsense. But be this as it may, the people of Kilwatermoy (thank God) still cling to the grand old custom handed down to them by their forefathers who readily gave their lives that the faith planted by St. Patrick, should survive. "Faith of Our Fathers Holy Faith, we will be true to thee till death."

Local Tit Bits—"The longest way round is the shortest way home" the old proverb says but wouldn't a cof be handy sometimes.

We heard one of the boys was having a very enjoyable time the other Sunday night. But here's a word of advice—"You'd better be careful."

CARRICK NEWS

Carrick Sports Items—The special prize presented to Carrick-on-Suir Golf Club by the President Mr Dowley, was won on Sunday last by Lieut Barden Dowley, National Army. Mr John McGrath KICKHAM ST. Carrick-on-Suir, was runner-up. Teams from the 3rd and 23rd Battalions, National Army, played on Sunday at Davin Park in a challenge hurling match. The 3rd Battalion team won by 16 points to 14 points.

Good Work In Carrick-on-Suir—It is proposed to hold in Carrick-on-Suir a Carnival and other functions to (1) help to subsidise the local Council's turf and timber fuel scheme so as to have fuel at half price for poor people.

(2) To help the poor people to pay their rents during the winter months when fuel, food, etc., absorbs most of their small incomes.

(3) To provide a fund to subsidise the income of the local St Vincent de Paul Society and other charitable activities to help to buy boots and clothes for poor people, and especially the children, as most poor families find it almost impossible to meet the high costs of such articles at present.

Late Mrs Bridget Power—The late Mrs Bridget Power, Main St Carrick-on-Suir was mother of Mr Thomas Power Post Master Carrick-on-Suir. Mr James Power Carrick, Tannery - Mr Beatie Power, England, Mrs Feehan, NT Grangemockler and Mrs Shelly, New St, Carrick-on-Suir. She was a member of an old and popular family from Killonev Co. Kilkenny near Carrick. There was a large attendance at the funeral and at Office and High Mass at St Michael's Church Carrick-on-Suir.

Council's Rent Books Were Altered—At Carrick on Suir Urban Council on Monday night, the Co Manager, Mr J

O Flynn said he had altered his decision to substitute rent books for collectors receipt forms for rents received from the Council's tenants. He had learned that when rent books were in use figures had been altered and erased in the rent books.

Late Dr Thomas Carroll—The many friends in the counties Waterford Tipperary and Kilkenny of the late Dr Thomas Carroll, Birmingham England, learned during the week with regret of his death. Deceased was a son of Mr Thos Carroll Merchant Main St Carrick-on-Suir and nephew of the late Very Rev Canon Wall, P.P. Clonea and Mother Columba, Mercy Convent Carrick-on-S. Before he went to Birmingham about 25 years ago, he was dispensary doctor at Kilmeaden, where he was very popular. His only brother Mr Peter Carroll died last year in Carrick. Much sympathy is felt for his father, sisters and other relatives.

Ballyduff News

Signs of Autumn—There is no mistaking the fact that Autumn is here. We may hope for an Indian summer and we may get one, but that does not alter the fact that there are unmistakable signs that summer has gone for good. The trees begin to lose their fresh green colour the evenings have got much shorter and cooler, and most of the swallows have gone on their long southern flight.

For the past few weeks these knowing little birds have been massing for flight, and we wonder as we see them gathered together on telegraph wires and house tops who calls them? Have they a Ceann Comhairle of their own have they a Taoiseach and Tanaiste, or who gives the signal for flight, and why do a few stay behind. Is it that they are lazy or disobedient or is it that they are loth to leave this peaceful isle of ours. However, they have gone we will never be able to wrest their secrets from them. So we can only await their welcome return next spring.

Some Daring Deeds—The kidnapping of Il Duce by German paratroops reads like a chapter from a wild west story. How clumsy the attempt to kidnap O'Neill and O'Donnell the Tyrone heroes of history is in comparison to the more modern methods. As children the blowing up of King William's cumbersome siege train by Sarsfield at Ballyneety enthralled our imagination but now it seems to be a very tame affair. We wonder if Galloping Hogan were here today would he be a fifth columnist instead of an outlaw.

Information Please—A certain citizen came to grief when coming from Cappoquin last Sunday. We would like to know if he went to meet the road or did the road rise up to meet him!

We seem to be in an inquisitive frame of mind this week, but nobody can complain that we haven't covered a wide field from the kidnapping of the Earls to the Cappoquin Sports held last Sunday is surely some "width."

Protest—We wish the best-dressed man wouldn't insist on walking down street arm in arm with lady bachelors of uncertain age and equally uncertain tempers. It isn't fair to jolt their poor hearts after they have been so long and so steadily in their accustomed places!

alone for the poor, but for all classes Last meeting would have been an admirable occasion to raise such a matter as the Manager who might be in a position to make some suggestions was present We are all in agreement with the remarks of Mr Morrissey T.D. at the previous meeting that the matter is an urgent one, no one doubts that but the matter being urgent, demands immediate attention

It will be seen in the news columns of this issue that in Carrick-on-Suir they are formulating a scheme not alone to subsidise fuel for the poor but also to help them to pay rents during trying periods and to help the funds of the St Vincent de Paul Society We suggest that Dungarvan and other large towns throughout the country should start something similar There is no time to be lost as the winter presses on us and promises to be a hard one

Let us hope that the Urban and Parish Councillors will come together soon and arrange a scheme to alleviate the lot of the poor during the coming months If the problem is approached from the right angle and if there is sincere co-operation instead of hypocritical "sales-talks" we are sure that a good scheme which will be no loss to anyone, and a great help to the poor, can be arranged

A NEW ROAD— A road across Ballyharahan joining the Ring road with the main Dungarvan-Youghal Road at Keneally's was completed on Tuesday last The construction was the result of agitation started over 35 years ago and the completion of the work is due to the efforts of Mr Ml Harty M.C.C The road will be a big boon to farmers in Old Parish and Ardmore areas who will not have now to face the long sweep with its dangerous hair-pin bends

The Cumann in Dungarbhán is doing its bit and on Sunday (weather permitting) a meeting will be held on the Square after last Mass That night a Grand Ceillidhe Mór will be held in the Town Hall when all supporters of the cause will flock to spend a real Irish-Ireland night Who says that there is not more rhythm and grace in an Irish jig or reel than there is in the tin-can combination of noises that accompany the gyrations of those who frequent the jazz-hall! I'm glad to say there is no one The Aeridheacht to be held at Dungarhan is not yet a definite fixture but readers will be informed in good time if it is to be held on the 26th of this month—GO SOIRBIGHIDH DIA DIBH—An Ceannasaidhe

The Munster Hurling Final (BY A CORK HURLER)

For many Gaels who have seen and enjoyed the pulsating thrills and great rejoicing which have long been associated with our Munster Hurling Finals, this year's final between Cork and Waterford did not come up to expectations—there was something unusual about it—something that calls for an explanation

Clearly the huge Cork following was keenly disappointed, usual demonstrations and scenes of jubilation being completely absent at the close As a Cork hurler, I want to make it quite clear that this most unusual situation was not due to the fact that Cork's winning margin was but a modest two points—in fact I can safely say that Cork supporters were unanimous in admitting that Waterford on the run of the play could have won with a bit of luck or at least they were decidedly unlucky not to have drawn

The real cause of the disappointment may be attributed to the fact that the Cork hurriers in the eyes of all Leisiders, struck an off day and failed to live up to their reputation This, however should not be construed as a reflection on the standard of the play or on the merits of the Waterfordmen The game was a typical tussle for the Munster Hurling Crown and the Delsemen in their way to the Final had conquered such doughty opponents as Tipperary and Limerick The Cork hurriers took the field with a very healthy respect for their opponents—a respect engendered by the many close calls they have had from the Waterfordmen and above all by the crushing defeat inflicted on them at Dungarvan in 1938 It is no wonder then that Cork never take a Waterford challenge lightly and certainly did not do so in this year's Munster Final

Yet we were not at all pleased with the display of the Cork hurriers This is what our ever popular and very efficient Co Secretary (Mr Sean Og Murphy) had to say to Press Reporters before the All-Ireland Final—"I say that Cork struck a freak day against Waterford in the Munster Final, as never before, did I find our County team making so many changes" This explanation had hit the nail on the head as far as the Cork supporters are concerned

I have no doubt that Mr Murphy when speaking of the "many changes" in the Cork team referred to the positional placings or perhaps I should say "mis-placings," as never before in my memory had a team been so shuffled about and bad-

ly placed.—We have ample proof of this from the actual play, when the Cork selectors were forced to make quite a few positional changes in an effort to stave off defeat and pull the game out of the fire I may also mention that the merits of some of the 15 who represented the "Rebel County" on that day, were severely criticised by the man in the street It was generally thought that there was a weak link or two in the forward line

All these defects have now been made good, and in their clash with Waterford for the set of suit-lengths, on Sunday 26th, in Waterford at least two new faces will appear on the Cork team I want it to be understood that any changes which the Cork team may show will be made with a view to strengthening it The Corkmen are looking forward eagerly to this match and are all set to prove to their numerous supporters and admirers that they definitely struck an off day in this year's Munster Final Personally I am glad that we shall have another chance of seeing these two great teams in action, and making all due allowance for the home venue and what it means, I see no reason why the Leisiders should not return home victorious

Concerning this match, we have usual ridiculous and somewhat destructive rumours Both Cork and Waterford will have their very best fifteen when they meet on Sept 26th The champions will make the long mooted two changes in the front line where there has been a very apparent weakness for some time The Dels changes will also be much to their improvement

The public may take this announcement as absolutely official, and to dispel all doubts the teams and placings will be fully published next week

A Big Problem

We were rather surprised not to see any mention at last Friday evening's meeting of the Dungarvan Urban Council of one of the biggest problems facing the town for the winter We refer to the question of fuel, not
