## Waterford Co. Board Of Public Assistance

Mr David Coghlan Chairman presided at the monthly meeting of the above held at the Courthouse Dungarvan on Monday morning last. Messrs P Caulfield W Kenneally J Cosgrave M McGrath and L A Veale were present. Mr M Flynn Secretary attended.

**Tributes To Late Aid Cullen**  
Before transacting any business tributes were paid by the members of the Board to the late Aid Tom Cullen Waterford. Mr Caulfield proposing a vote of sympathy to the relatives of deceased said that the late Tom Cullen was a member of the Board of Assistance for over 20 years and proved his worth on many occasions in that period. Mr Veale seconded the vote and Mr Coghlan associated himself with it.

Mr O'Flynn joining in the vote said that the late Alderman Cullen was always a very useful member of the Board and he was very sorry to hear of his death.

### Manager's Report

Mr Veale alluding to the Managers report circulated among the members drew attention to the fact that there was a big difference in the amount of Home Assistance distributed during the months of July and August. The figures appearing on the report showed that a greater number of applicants received a lesser amount in July than in August he wished to know the reason, and asked if the amount of Home Assistance was being reduced.

Mr Phelan Supt. AO said that the numbers in families vary and that would account for the difference. There had been no reductions made in the amounts distributed and if anything there had been increases and the value of the food vouchers will be further increased as from November 1st.

Mr Cosgrave—How much is a voucher worth?

Mr Phelan—It reaches the maximum of 7/- or 8/- during the winter.

Mr Veale said he was not satisfied with the explanation, and Mr Phelan examined the figures on the report.

After some time it was stated that the wrong figures were given in the report.

The correct figures were then given as follows—  
1202 cases during month received £1814 1s 0d  
1219 cases during previous month received £1845 9s 6d  
1254 cases during corresponding period last year received £2024 4s 9d

### Who is Qualified?

Mr Cosgrave asked whether or not an applicant for Home Assistance should be told that he would have to wait for a meeting to have his application considered. He understood that the Manager dealt with this business himself.

Secretary—The Assistance Officer has the authority to deal with urgent cases.

Mr Cosgrave—And if the Assistance Officer thinks a case is not urgent and a member of the Board does what then?

Secretary—After all the man who inquires into the case should be best qualified to judge.

Mr Cosgrave—Then I think that a lot of really deserving cases are being and will be passed over.

### In A Fog?

Mr Cosgrave—Is that all we have to deal with Mr Chairman?

Secretary—Yes.

Mr Cosgrave—We come here to deal with the minutes which have been already circulated. I think we are wasting our time and money. The Government had right to do the job properly and hand it all over to the Managers. We are coming here at 8/- a head to do nothing. Secretary—Well you deal with

the estimates.  
Mr Cosgrave—Can we reduce them?  
Secretary—Yes.  
Mr Veale—But if you do you will find that your services will then be dispensed with.  
Mr Cosgrave—I'm afraid I'm in a fog and there are more than me in it—we're all in a fog!  
That concluded the meeting.

## Co. Waterford Vocational Education Committee

### Veterinary Science In Vocational Schools

### Better Co-Operation Needed

Very Rev T Canon O'Brien P.P. V.F. Chairman, presided at a meeting of the above held at Scoil na gCeard, Dungarvan, on Monday evening last.

Messrs T A Kyne W Dower, M Harty M F Walsh M McGrath L A Veale D Coghlan, J McGrath Liam O'Miodhachain, Sean O'Cuirmín, and M H O'Hara were present.

Mr Jas Lanigan, C.E.O., and Mr J Kirwan, Dept. Inspector, attended.

### Irish Organiser Teaching English

Mr Kyne referring to the minutes of the last meeting concerning the appointment of a part-time teacher, asked if a man specially trained in Irish teaching and organising, whose job was to travel about the county for that purpose was in fact teaching English to students in Scoil na gCeard. He further asked if this was the reason why such a part-time appointment was not being made.

Mr Lanigan, explained that the part-time appointment was made some years ago when there was a special influx of students and when one of the regular teachers was indisposed as the result of a motor accident.

Mr Kirwin said that the main business of the committee was to find whole-time employment for their full time teachers and if there was any need for a part-time appointment when this had been done then it could be made.

Mr Veale—The duties of this special man were to act in full-time capacity organising Irish and Irish functions.

Mr Lanigan—In rural areas where classes can only be held in the evenings it is impossible to make up the full number of teaching hours required each week.

Mr Kyne—I am not blaming the man at all for what he is doing he has to do as he is ordered.

The Inspector again insisted on his point.

Mr Kyne said that he was informed that a certain body of young men—youths in the town who were interested in forwarding the Irish Language and movement, were finding it difficult to get a qualified teacher to hold classes. Although he was not of this movement he thought they should be facilitated.

Inspector—If there is a legitimate request for an Irish Class it will be granted.

Mr Kyne—I'm satisfied with the explanation.

### New Domestic Economy Instructress

Fifteen applications for the post of whole-time Domestic Economy Instructress at Scoil na gCeard were received and on the proposition of Mr M F Walsh seconded by Mr Harty, Miss Eileen Casey 3, Eaton Terrace Tramore, was unanimously appointed.

### Veterinary Science In Vocational Schools

A letter from the Department relative to the proposal to appoint a Veterinary Surgeon to give lectures in rural areas on animal treatment, pointed out that instruction in Veterinary Science does not come within the sphere of operations of Vocational Education Committees and suggested that it be

brought to the notice of the Co. Committee of Agriculture.

Mr Harty disagreed, stating that it was a terrible state of affairs that an opportunity was not given to young farmers to learn how to care their stock properly and so help to cut the loss of four million pounds per annum which was being presently suffered by the farming community as a result of this lack of useful knowledge. He thought that the matter was a vocational matter.

Mr Kyne—I agree with Mr Harty and think that it is a very sensible suggestion.

Mr Coghlan—Let the matter be brought up at the next meeting of the Co. Committee of Agriculture at which I understand there will be a Department Inspector attending.

Mr Harty—I have the impression that the outlook of the Department of Education is anti-agricultural.

Inspector Kirwan—I think you are wrong there. What is wrong is that this matter is outside our province and is a matter for the Co. Committee of Agriculture.

It was decided to refer the matter to the Co. Committee of Agriculture.

### Miscellaneous

The Department approved of the proposal to purchase a turf range for itinerant classes.

The increase of wages proposed for Mrs Bonner, Attendant at Cappelquin, was refused.

A letter stated that members of the Committee living outside 5 miles from the venue of meetings would be allowed reasonable travelling expenses to and from the meetings.

Emergency bonuses to part-time teachers at the rate of 6d per hour to married men, widows and widowers to the maximum of 5/- per week and 4d per hour to married women and single men and women to the maximum of 3/6 per week were approved by the Department.

The Department approved the awarding of one scholarship in Domestic Science value £60 tenable at St Mary's College of Domestic Science, Dublin to Miss M Fitzgerald, Boherawilling Cappagh.

### Extension Lectures By RDS

Mr Kirwan said that arrangements had been made to hold lectures at some centres in the County by such men as Professor M J O'Gorman, Dr Lafferty and Mr Caffrey, on subjects relating to agriculture.

Lectures will be held in Dungarvan, Cappoquin, Ardmore, Lismore, Clashmore, Modeligo, Kilmacthomas and Ring.

### Resignation

Miss E. Flynn, Domestic Economy Instructress, Cappoquin, wrote tendering her resignation in view of her approaching marriage, and thanked the members of the Committee for their kindness in the past.

Her resignation was accepted with regret and best wishes extended to her.

### Special Irish Course

Mr Kirwan said that Sean O hObain Waterford, and Seosamh o Fathalg, Rathgormac part-time Irish teachers had been selected to do a special Irish course lasting 12 months and permission was given to Mr Kirwan and the C.E.O. to make suitable temporary appointments to replace these men.

### For Better Co Operation

On the suggestion of Mr Harty, a resolution was passed calling on the Department to form a Technical Development and Educational Research Institute to consist of an Inter-Departmental Committee which would bring about closer co-operation and more flexible relationship between the Departments of Education and Agriculture in matters affecting these Departments.

### 45 DRIVES AT SCOUTS' DEN, ABBEYSIDE

### Cork v. Waterford

## CHAMPIONS AND MUNSTER FINALISTS MEET AT FULL STRENGTH

(By Gorm le Ban)

All arrangements have been completed for a great invasion of the "Urbs Intacta" on next Sunday. Contrary to rumours and speculations both Cork and Waterford will field their very best teams. To rectify a long-noted weakness in their line of attack the champions will make two changes. "Hitler" Healy of Ballincollig and Jackie Sullivan of St Finbarrs displace Ted Sullivan and Micka Brennan. On the Waterford side Willie Barron gives way to Vin Bastin (injured before the Munster Final). All the displaced men are in the first line of the reserve list.

The Cork team under the care of their popular trainer, Jim Barry and other County Board officials will travel to Waterford on Saturday by the 2.10 train and make the Granville Hotel their headquarters. On Sunday night they will attend a Ceilidh in the morning. Jack Lynch, Cork's hero, who has now taken up residence in Dublin, will make the journey to Portlairge on next Saturday.

Undoubtedly this game should prove the match of the year. Neither side feel that the Munster Final verdict was a satisfactory one. Cork is anxious to prove they are the real champions of 1943, and of that fact Waterford is not yet convinced. Apart from all this the trophies are now-a-days worthy of the serious attention of the players on both teams.

It is not easy to sum up or forecast the result of this clash between Ireland's two best teams. One thing is certain. Cork will be a better side than they were in the Munster Final. In that game a number of their young players were inexperienced and suffered somewhat from stage-fright. At the moment all the Lee men are trained for a very hard hour's hurling by reason of the Cork semi-final decided last Sunday and the County Final to come two weeks hence.

Even allowing for the advantage of the home venue for Waterford Cork will be a hard "nut to crack" on the 26th. The most serious reply to Waterford's challenge will come in the last ten or fifteen minutes of the game.

Waterford however, were unlucky in Cork, but on that August-Sunday the Portlairge men gave of their best and the questions now to ask are—will the Delse men play as hard a game again? And will Dame Fortune favour them a little more? One thing is certain—to defeat Cork on next Sunday, Waterford will have to be a great team, but without doubt they are capable of proving

themselves a great combination—Ireland's best

The football encounter will draw a great host of mid-Delse Gaels to the Waterford Sportsfield. Every available motor car is already booked up. Bicycles that have not seen the road for years are being put into action. Horse, pony, donkey traps and carts are all being prepared from Stradbally and Kilrossanty for the greatest invasion in modern times of Waterford City. Both parishes are confident of victory and their meeting a few weeks hence in the County Championship final makes Sunday's challenge more interesting. The County Champions will be minus the services of Andy Fleming, engaged in the hurling match, and their vice-captain John Veale. The Comeragh men will have to field out without P Wade, substitute on the hurling team, and "Plus" Dalton, who is indisposed. This will be a football match worth seeing.

The line out will be—  
Stradbally—Colbert, O'Meara, Power, Hickey, N Connors (Capt.) Veale, Flynn, Keane, Kieley Sammon, Phelan, Orpen, Kirwan, Crotty, M Connors.

CAPPOQUIN

**CAPPOQUIN NEWS**

**A BRILLIANT YOUNG CAPPOQUIN LADY—**

It affords us great pleasure to be able to record the wonderful success of Miss Patricia Sargent eldest daughter of Mr A J ('Bud') Sargent, and Mrs Sargent Cappoquin who has passed this year's Intermediate Examination with flying colours. Miss Sargent is a pupil of the Presentation Convent School Lismore and we wish to heartily congratulate her on her brilliant success.

**STRIKING VICTORY FOR OUR LOCAL CYCLING CHAMPION—**

We hinted last week that although our local Cycling Champion Jimmy Foley was unable to win a solitary race at our own sports on Sunday week that he hoped to make amends for this failure in the 25-mile road race for the Thompson Cup in Waterford on last Sunday and he did.

The Thompson Cup, which is a massive and most valuable trophy was offered to the competitors who won it twice in succession or three times in all and having won it for the first time last year, Jimmie was determined to win it for the second year in succession, and capture it outright this year.

A team of three including J J Foley M J Sargent Junr and J J O'Sullivan represented the Cappoquin Cycling Club on the occasion, but O'Sullivan having got punctured early in the race had to retire, and the honour of the Cappoquin Club had to be defended by the remaining two against ten competitors.

It was a great tribute to the Cappoquin Representatives that Foley was first and Sargent a good second so that the former won the beautiful cup outright and also a valuable gold medal, while M J Sargent who perhaps rode the best race of his career also won a valuable prize for second place.

We heartily congratulate Jimmy Foley on winding up a most successful cycling season with this crowning glory of all while we are also full of admiration for the brilliant display given by M J Sargent who has been showing wonderful improvement in all his competitions this year and who, with more careful and steady training gives every promise of being an equally successful cyclist next season.

At the Phoenix Park Championship Sports in Dublin on the same day a member of the Cappoquin Athletic Club, Dan McGrath won the 400 metres and the 1500 metres from such famous athletes as the Guiney Brothers and the pick of Ireland's best athletes so that the honour of glory of Cappoquin can never be denied while we have such brilliant sportsmen to represent us either in Dublin or Waterford.

**A GRAND VARIETY SHOW—**

Having had no visiting Play Companies in Cappoquin since Louis D Alton's Dramatic Co played here last February the people of the town and surrounding districts should now be delighted to learn that Frank O'Donovan and Kitty M. Mahon will open a four night's engagement in the Boathouse Hall on next Thursday night, Sept 30th when they will present their "1943 Revue" with a full Variety Company of star artists who will give an outstanding performance of comedy, music and dancing.

The name of Frank O'Donovan Ireland's premier entertainer, should alone be a sufficient guarantee of the high quality of this entertainment which should attract crowded audiences during their brief stay of four nights in Cappoquin.

**FOOTBALL MATCH—**

The meeting between Cappoquin and Finisk Rovers in the replay of their junior football tie at Cappagh on next Sunday should provide a fast and exciting match.

The Cappoquin team had to apply for a second postponement of this fixture owing to the majority of their players being absent but now that all their players are on the spot there can be no further postponement or disappointment, so there should be a great crowd in Cappagh on Sunday to witness what will undoubtedly be a grand exhibition of clean and scientific football.

**TOURIN J. H. TEAM DEFEATS ARAGLEN—**

At Lismore on last Sunday in fine weather and before a big crowd the Tourin junior hurling team defeated a strong team from Araglen by a substantial score after a great game.

The Araglen men proved a tough bunch to handle but the finer physique and better speed and science of the Tourin men gradually wore them down, and Tourin were fully deserving of their decisive win in the end. Mr John Vaughan, Lismore HC proved a very capable and impartial referee.

**SUCCESSFUL FARMERS' DANCE IN LISMORE—**

The Waterford Farmers' Association Dance held in the Town Hall Lismore, on last Sunday night proved a brilliant success both from a social and financial point of view.

There was a splendid attendance of patrons from all parts of West Waterford including Mr Denis Heskin TD, the popular representative of the Farmers' Party in the Dail. Splendid catering arrangements were carried out by Mrs Kelly Chapel Street and her courteous and efficient staff of young ladies while the music provided by the Brideside Serenaders' Dance Band, Tallow, was the best yet.

Mr John Fives Tourin Hon Sec. had all the arrangements in perfect order and all concerned are to be heartily congratulated on the grand night's enjoyment provided for all.

**POPULAR VISITORS—**

Mrs M Paul Cork, and Mr Daniel and Mrs Fraher Dublin, are at present spending their holidays in Cappoquin, where all their old friends are delighted at the pleasure of having such charming visitors amongst them.

Mrs Paul (nee Miss Mary Fraher) is wife of Mr Thomas Paul one of the leading victualers in Cork while Mr Fraher is Proprietor of an extensive Drapery business in Dublin.

Both are sister and brother respectively of the Misses A and M Fraher Newsagents and General Merchants Main St, with whom they are now staying and who, with their popular brother, Mr E J Fraher are doing everything possible to make their holidays as delightful and enjoyable as possible ere they return to their respective homes in Cork and Dublin.

**WEDDING BELLS IN THE DISTANCE—**

As 'coming events cast their shadows before,' so too, can the faint tinkle of wedding bells in the distance give us a reminder of some of the happy events which are to take place in this area on no distant date.

The almost feverish preparations being made in some quarters, the faintly concealed expression of expectant happiness on the satin cheeks of some of our fairest young daughters and many other unmistakable omens all point to a very busy season in the Matrimonial Market before many more of this year's Autumn leaves will have fallen. "Wait and see!"

**Cork v. Waterford.**

At Waterford on Sunday next the All-Ireland hurling champions and triple-record makers take on Waterford, in what promises to be a needle-affair. So much has been said and written about the Munster Final—that enthusiasm among the players and followers is just as keen for this game as it was for the Munster Final Challenge and tournament games very often lack the glamour of the championship games but this match should prove an exception in fact many good judges consider that the match will be even better than was the game in Cork, for the following reasons. The trophies—suit lengths, kindly presented by Mr P Kiely, F.R.C.S.—will be incentive enough to ensure whole-hearted efforts from the players. The margin dividing the teams in Cork was so slender. The number of scores got off, trees in Cork was abnormal. The vast superiority of Cork over Antrim in Croke Park has accentuated the keenness of the Cork game. Last, but not least, the fact that Cork All-Ireland Champions were beaten by Tipperary in 1940 subsequently to the All-Ireland Final has ensured that Cork will go all out for victory.

The personnel of the teams will in the main be the same as on the last occasion—the only changes in the Cork team may be in the front line, where one or two new faces may be seen. These changes, will according to opinion in Cork, strengthen the team. The presence of Jack Lynch is assured as I have it on reliable authority that the Glen man has promised to turn out. I understand that Waterford selection, which includes Bastin will show only one change from that which did duty in the Munster Final. Both teams will turn out very fit as county championship and tournament games here and in Cork are at present in full swing.

So many "near goals" and "near misses" took place in Cork that the public is looking forward to a real thriller. Distance precluded thousands from making the long journey to Cork on Aug 1st. On Sunday next the hurling fans of Munster and South Leinster will flock to Waterford to see for themselves if this Cork team is really as great as its reputation would lead one to believe. The famous 1931 team, the greatest combination of hurling stars ever seen failed to take three titles in a row—the present team won its three finals without being pressed.

It is generally allowed that Waterford in hurling, like Leix in football, is the most unlucky county in Ireland. Cork followers never heard sweeter music than the final whistle on August 1st. Somehow or other the gods always seem to frown on us at the finish. During the last 12 years on four occasions at least we led and beat the champions to the last lap, only for some unaccountable reason, to slip when victory seemed to be within our grasp. Whether the ground advantage accounted for the lapse on the last occasion will be proved on Sunday.

Before concluding I should like the Cork team and officials to know that Waterford people appreciate their sporting spirit in coming to Waterford to play this match.

**Tallow & Moorehill Notes**

**Successful Dance—**On Sunday night last a very enjoyable dance was held at the Camphire School (under the auspices of the Camphire L.D.F. Welfare Fund) and there was a very large attendance despite many counter-attractions and one and all had a very pleasant and enjoyable time. Delightful music was supplied by a first-class orchestra.

**On The Farm—**The improvement in the weather conditions over the week-end has worked wonders on the farm. Farmers have been working overtime to try and save the harvest, which was in a critical condition owing to the continuous rain. The late harvest suffered very severely, and for a time it was thought it would be lost, but better late than never, the weather improved and we have been informed that despite the heavy rains the wheat and oat crops are in very good condition. This is very welcome news coming at a time when our faith was beginning to waver, but God in his goodness looks after our needs, and we should never say die.

**Harvest Moon—**During the month of September we have each year what is called the

lovely "Harvest Moon" The grandest and kindest night light of the year, something to cheer us through the evening of Autumn on our way into the night of winter. Legend says when the September moon becomes full it is unwilling to part, turning up evening after evening about the same time. The full moon rises at sunset, and if it is a fine evening we all admire her and young persons of romantic temperament, stroll arm in arm, and whisper loving words to one another. "By the bright silvery light of the moon"

**County Hurling Final—**The county hurling final on Sunday last did not live up to previous encounters between the teams. For thirty minutes it was a close hard-fought game, but soon after the start of the second half Mount Sion forged ahead and were deserving winners at the end. Tallow appeared to strike an off day, but that is the luck of the game and the Bridesiders always come back, and who knows but 1944 may be their lucky year. Congratulations to both winners and losers for their fine sporting display.

**Sunday Next—**On Sunday next the final of the Lismore area junior hurling championship will be staged at Lismore, and a great game is expected. The teams engaged have both undergone some hard training, and on their way to the final have disposed of some fancied teams. Tourin beating Tallow and Araglen, while Ballyduff beat Camphire so on form it would be hard to pick the winners. Here's hoping for a good game and may the best team win.

**Come On Portlaoige—**Those who can travel to Waterford City on Sunday next, will see the Munster Final replayed again, as both Cork and Waterford are fielding their full championship teams, so what a game it will be. Cork will be all out to retain the laurels so Waterford will have their work cut out to beat them. What a pity the venue was not Dungarvan, as in those days of restricted traffic the journey is a long one. Here's wishing the wearers of the Blue and White every good luck!

**Local Tit Bits—**We noticed some of the boys very interested in the banks of the "Irish Rhine" of late, we wonder is it

the delightful scenery, perhaps there's something else as well! We heard one of our "sad-hearted" colleens is finding comfort and cheer, in the "next best thing" Won't he be surprised!

**"MARTHA"** Frank Ryan has made the role of Lionel in "Martha" his own and the immense popularity of Flotow's opera in Dublin in recent years has been almost wholly due to the Waterford tenor's singing, especially his rendering of "M'Appari" ("None so Rare"). At Saturday's presentation of the opera at the Capital he was in splendid vocal form throughout his acting, too, has much improved.

Mt. Sion Defeat Tallow In Co. Hurling Final Disappointing Game

At the Gaelic Field, Dungarvan, on Sunday last, Mt. Sion and Tallow senior hurlers met to decide the Co. Championship. The weather was ideal and a splendid crowd was present. The gate realised over £90. The game itself produced only twenty minutes of exciting play, as after the stoppage due to an injury to John Keane the Tallow men went completely off and never recovered. The hurling all-round was only of a moderate character, and not at all up to previous hurling finals. The second half hour proved very dull with Mt Sion on top. Andy Fleming was the man of the moment on Sunday and to him goes the credit of the Mt. Sion victory. Others who played well for Mt Sion included—Paddy Dowling, Mick Gallagher, Paddy Flynn, James O'Meara and Paddy Greene.

The Tallow team did not appear to be as fit as the Mt Sion men, but nevertheless, their display for the first twenty minutes led us all to believe that they were quite capable of bringing the honours to the West. It is hard to account for their complete crack up after giving such a grand start. P. Sheehan was outstanding for the Westerners, and he did all in his power to capture the County Crown. He was ably helped by John Hartigan, Con Curley, M Curley, Wm Ryan, T. Curran, and P. Neville.

**THE GAME**

The match started in a very lively fashion, both sides having an even share of the play. A free to Mt. Sion put them attacking but Con Curley proved sound and play was transferred. Tallow forced a 70 off which J. Hartigan registered the opening score with a point. Tallow were playing a very determined game and had the balance of the following exchanges, and were in hard luck for some scores. The Mt. Sion backs were defending well and play was soon in Tallow territory and Mt Sion levelled the scores after six minutes play.

From the puck-out Mt Sion tried hard again, but the Tallow defence was sound. Both sides were visited in turn but the ball was driven wide. From a free to Mt Sion Keane was only inches wide for a major and following some hot attacks at midfield some hard clashes were witnessed. Gallagher, who was playing a good game for Mt Sion put in some telling work on the right wing, but P. Sheehan was always to the fore and broke-up numerous attacks.

A free to Tallow taken by Hartigan went wide, and getting possession of the puck-out Gallagher put Mt Sion on the go, but the attack was stoutly beaten off by Malone, Curley and Hartigan. Tallow were now on the offensive and from a free Bill Ryan (Tallow) scored a point.

Following some up and down play P. Sheehan put his men on the attack and Joe Keller finished the movement with a point to put Tallow in the lead. Mt. Sion were now put to the pin of their collar to hold the continuous raids of the Tallow men, and following a free to Tallow John Keane was injured and had to retire; P. Fanning came on as sub.

When play was resumed a noticeable change was visible in the Mt Sion team, and they immediately went into the attack but the ball was cleared. Tallow soon afterwards scored a point, but the Mt Sion pressure was now telling and when they banged in a goal to level the scores, the game was all over. With Mt Sion going all out for scores and the Tallow backs on the defensive the short whistle sounded, leaving the scores—

Tallow	0-4
Mt Sion	1-1

The start of the second half saw both sides sparing for scores, and with Fleming playing the game of his life, Mt Sion were in for an early point. Per Doyle Mt Sion were now playing very confident, but the Tallow men were still contesting every inch, and their back line was holding out well. P. Sheehan taking a cut-in for Tallow put Tommy Curran in possession, the latter beating the Mt Sion goalkeeper with a stinger to the net. This score gave Tallow the lead, but it was not long held as within a few minutes Andy Fleming put the Mt Sion forwards on the march and Minogue scored a grand goal. This score was the

turning point of the match for with the ball pucked out the Mt Sion men were everywhere and had the game well within their grasp. Mt Sion added another point to their score from a free and Fleming, though badly injured struck a ball from 60 yards out over the bar to put Mt Sion further ahead. Tallow were cracking up at this stage of the game, and try as they may they failed to stem the repeated attacks of the City men and after Curley saving his net twice in quick succession he was beaten the third time when O'Meara sent in a grounder. Controlling play Mt Sion were having the better of the exchanges and during the rest of the play Tallow could only add a point to their score while Mt Sion had several scores.

Towards the closing stages of the game Andy Fleming sent a seventy free all the ways for a point for Mt Sion. The long whistle sounded soon afterwards leaving the scores—

Mt Sion	3-8
Tallow	1-5

The teams were—  
**Mt Sion**—M. O'Brien (goal), A. Fleming, W. Walsh, P. O'Connor, L. Fanning, J. Keane, P. Dowling, J. O'Meara, M. Gallagher, J. Flynn, P. Greene, J. Bastin, J. O'Shea, Brian Doyle, F. Minogue.  
**Tallow**—M. Curley (goal), P. Malone, C. Curley, P. Neville, W. Curley, J. Hartigan, W. McGrath, Henry Ronayne, P. Sheehan, Joe Keller, Joe McCarthy, Davy Doyne, T. McCarthy and W. Ryan.

Mr. M. V. O'Donoghue refereed the game to the satisfaction of all.

**DUNGARVAN MINORS RUN AWAY VICTORY BRICKY VALE OUTCLASSED**

Running up a score of 7 goals & 8 points, the Dungarvan minor footballers in their Western championship fixture played at the Gaelic field, on Sunday last prior to the County Hurling Final, out played and out-classed the Bricky Vale boys who could only record a score of 1 goal and 1 point during the hour's play.

From the very beginning it was evident that the Dungarvan lads were too strong for their opponents and with better team work they had a procession of scores totalling 3 goals & 4 points in the first half. Bricky Vale failed to register a solitary score in this moiety.

Opening the second half the game brightened up somewhat but again Dungarvan broke down the defences of the Brickets and were in for a number of goals and points. Towards the end of play the Bricky Vale boys succeeded in landing a goal and a point which left the final scores as stated.

Mr. John Power, Stradbally, refereed.

**Co. Waterford Libraries Committee**

A meeting of the Co Waterford Libraries Committee was held in the Courthouse, Dungarvan on Monday 13th Sept at which the following were present—Mrs P. J. Moloney Acting-Chairman, Mrs M. Maher, Miss Healy, Mrs Campbell Messrs, M. J. McCarthy, R. J. Collender M. H. O'Hara, and M. Morrissey, T.D.

A letter from Very Rev. N. Canon Dunphy P.P. VF, Carrick-on-Suir was read by the County Librarian. In his letter Canon Dunphy stated that as he could no longer attend meetings at Dungarvan owing to the great distance, he wished to tender his resignation, and suggested that Rev. John Roche, P.P. Abbeyside be co-opted to fill his place.

The following resolution was proposed by Mrs P. J. Moloney seconded by Mr R. J. Collender and passed unanimously—  
 "That the County Libraries Committee recommend to the County Manager the co-optation of Rev. John Roche, P.P. Abbeyside, Dungarvan to fill the vacancy caused by the resignation of Very Rev. Canon Dunphy, P.P., VF—Carrick-on-Suir."

The County Librarian read the Twelfth Annual Report on the progress of the County Libraries Service.

The main points emphasised in the report were as follows—  
 Increase of 12 1/2 issues during the year. The necessity of drawing up a scheme for post-war Library development which would become operative when the war ended. The large gap which exists between the present state of the Library Service and the minimum standard of efficiency as set out by competent authorities on Library

matters.  
 A detailed survey of the position of Dungarvan Branch Library.  
 Mr. Collender congratulated the County Librarian on the able and vivid manner in which he had drawn up the report. Mrs. Moloney seconded Mr. Collender's vote of congratulation. The adoption of the report was proposed by Mrs. Moloney seconded by Mr. Collender and passed unanimously.  
 Following a query by Mrs. Moloney relative to the music section of the Library there was a discussion about the type of musical scores which it would be advisable to stock.  
 The County Librarian stated that the Music section was in an experimental stage and that as the amount of funds which could be expended on it at the moment was severely limited he could only provide music by the greatest composers at the moment which would at least cater for those interested in the very best music.  
 Mrs. Moloney and Mrs. Campbell favoured the inclusion of pieces which while being simpler were yet classical.  
 The County Librarian suggested that, when conditions become more favourable those members of the Committee who were well acquainted with music should compile a list of musical scores for the consideration of the Committee.  
 It was decided that the next meeting should be held on the third Monday in October.

**Death Of Professor T. Ebrill, B.A., Cappoquin**

**REGRETTED PASSING OF A BRILLIANT EDUCATIONALIST**

(From Our Cappoquin Correspondent)

Widespread regret was caused by the death of Professor Thomas Ebrill B.A., which occurred at his residence Bank House, Cappoquin on Friday 17th Sept., after a lingering illness.

Member of a well known and prominent Limerick family, he had a most brilliant course of study in the Intermediate and University, in the course of which he had secured several Honours and Gold Medals after which he joined the Extern Teaching Staff at Mount Melleray College in the year 1902 where he became Senior Professor in due course and laboured without a break for 37 years, until he had to retire, owing to having reached the age limit fixed under the regulations some years ago.

After several years in Mount Melleray he married Miss Nell Walsh, daughter of the late Mr. John Walsh Hardware Merchant and Hotel Proprietor Cappoquin and thus became brother-in-law of Mr. M. F. Walsh P.C. Auctioneer, M.C.C. Cappoquin. Mr. Aidan Walsh farmer Springfield, Mr. Paddy Walsh hardware merchant Cappoquin and Mrs. Stella Davey, Clonmel.

His connection with the popular Walsh family soon installed him as a warm favourite in Cappoquin, and for many years he was a prominent member of the Cappoquin Point-to-Point Race Committee, and was also Chairman of the Cappoquin Town Park and Athletic Club, which purchased the present Sportsfield for the town many years ago.

A devout and exemplary Catholic he was a model to all around him in Cappoquin, while his superior intelligence and great administrative ability made him a most valuable member of the local branch of the Red Cross Society, the District Nursing Association, and also the L.S.F., which he took an active part in organising a couple of years ago.

Of a quiet and retiring disposition, he never wished to figure in the "limelight" but he was still held in the highest respect by all classes.

During the later stages of his illness he was frequently visited and consoled by the Lord Abbot of Mount Melleray which proved a touching tribute of affection and appreciation towards one who had so materially helped to keep the fame and honour of Mount Melleray Seminary in the forefront of Education during his long connection with this far-famed Fount of Learning and the great respect shown to him in many other ways proved how highly were his great educational qualities appreciated by all.

His passing is now deeply mourned not only by the Lord Abbot and members of the Cistercian Community in Mount Melleray but also by his brother-Professors at Mount Melleray and a large number of past students, clerical and lay, who had passed through his hands many of whom are now scattered and filling honoured and exalted positions in all parts of the catholic world.

They, who now reflect the lustre of their great "Alma Mater" where the foundations of their learning were so well and truly laid will always bear grateful remembrance and a deep sense of undying gratitude for the deceased, owing to the kind and valuable advice and the ready and generous service which he had always so cheerfully given while he was their able teacher.

In addition to the Lord Abbot deceased was also visited during his illness by Rev. Father Dominic Nolan O.Cist, Rev. Fr. Albin Luddy O.Cist, Rev. Fr. Louis Nolan O.P. Malta, and Rev. T. Dunphy C.C., Cappoquin who was a daily visitor, so that he died a peaceful and happy death as became one who had lived such a good life.

A touching and eloquent tribute of respect was paid to his memory on Saturday evening when a special party of over 60 students from Mount Melleray

Seminary in charge of Mr. J. Frazor marched down for the removal of the remains to St. Mary's Catholic Church Cappoquin.

Rev. Fr. Bernard, O.Cist representing the Teaching Staff at Mount Melleray Seminary headed the party the following Professors being also present—Messrs J. C. Flanagan B.A., Joseph Barry B.A., M. Ferriter B.A., Sean Curran B.A., J. McCarthy B.A., H.Dip Ed Thomas Olden B.A. and P. Mulcahy, B.A.

The coffin was borne alternately by the Professors and Students to the Church where it was received by Rev. T. Fitzgerald P.P. and Rev. T. Dunphy C.C. who were accompanied by a Cross-Bearer and Acolytes with lighted candles at the Church gates.

After Requiem Mass for the repose of deceased's soul on Sunday the funeral took place to Knockanore Church the officiating clergyman at the graveside being Rev. Wm Flynn P.P. Knockanore assisted by Rev. Louis Dalton O.P., Malta Rev. Fr. Dominic Nolan O.Cist Mount Melleray Rev. Fr. Albin Luddy O.Cist do Rev. T. Fitzgerald, P.P. Cappoquin Rev. J. Gleeson, P.P. Aghlish—Rev. T. Dunphy, C.C., Cappoquin and Rev. T. Tobin, C.C. Knockanore.

A large number of Mass cards and other tributes were laid on the grave.

To his sorrowing and respected widow daughter brothers, sisters and other relatives the deepest sympathy of all is now tendered in their sad bereavement.
