Waterford Co. Board Of Public Assistance

Scabies Epidemic In The City Hospital Conditions Bad Turf Like Sods Of Mud

The monthly meeting of the Waterford County Board of Assistance was held at the Courthouse Dungarvan on Monday last. Mr David Coghlan, Chairman presiding. Also present were—Senator J Butler, P Caulfield, W Kenneally, and J Cosgrave.

Manager's Report

The Manager's report of the amount of Home Assistance distributed during the month was as follows—1350 cases during the month (5 weeks) received £2110 1340 cases during previous month (4 weeks) received £1440 and 1440 cases during the corresponding period last year received £2200.

Prices Only Difficulty

Mr Caulfield asked if there was any difficulty in getting supplies for the County Institutions.

Secretary—No except that prices have gone up generally. Mutton is now 2/- and beef 1/6 according to contract prices.

Mr Cosgrave—There's no more fourpenny beef now (laughter).

Scabies Epidemic in City

Mr Kenneally asked about the dispensary at Ferrybank and said that there was one there for 60 years but it was closed a couple of years ago.

Secretary—As far as I know that's still there. We are still paying rent for the premises.

Mr Kenneally—I have it on good authority that it has been closed for nearly 2 years. There is an epidemic of scabies in the city at present and particularly in that area and the people have to go all the way to Peter Street Dispensary for treatment.

Mr Caulfield—That disease is all over the city.

Secretary—I'll inquire about the dispensary.

Mr Butler—If it is closed you will see that the doctors attend on the recognised days again.

Secretary—Yes.

Hospital Conditions Bad

Mr Cosgrave—Is there any news of our new County Hospital?

Mr Caulfield—You'll never see that.

Mr Cosgrave—I wish to extend a welcome to Councillor Teddy Lynch who I am sure will make a very good member of this Board. He must have been unable to come today but I know that he has something to say about this so I'll wait until he attends.

Mr Caulfield—You better get ready Mr Secretary.

Mr Cosgrave—There have been thousands of pounds spent in preparing plans and specification for this new hospital but so far we haven't got it. I think it was a terrible mistake to spend so much money.

Secretary—The money for those plans came from the Sweepstake Funds.

Mr Cosgrave—I suppose as long as we didn't spend it it is not so bad, but a maternity hospital is very badly wanted in Waterford.

Senator Butler—Wasn't there provisions made in the new building for that?

Secretary—Yes.

Senator Butler—The accommodation in the maternity wards at the County Home Dungarvan is most dreary where all should be bright and airy. Couldn't something be done now in a temporary way to make for better accommodation both here and in Waterford?

Secretary—What could you do, you haven't any space.

Senator Butler—Well if you haven't the space you could make the present wards more cheerful.

Mr Caulfield—They should be made more up-to-date.

Mr Cosgrave—Certainly a maternity hospital is badly wanted in Waterford, even more than anything else.

Mr Caulfield—What is wrong is that our County Hospitals today still bear the brand of poor houses and will remain as such until new buildings are provided.

Senator Butler—The maternity wards in Dungarvan are not attached to the District Hospital as they should be but are in the Co Home and I understand that a child born in these wards has the words born in the Co Home entered on his birth register. Well people rightly object to that as it may reflect on the child later.

Well people rightly object to that as it may reflect on the child later.

Sods of Mud for half-starved People

Mr Cosgrave asked if any increase had been made in the amount of Home Assistance distributed as prices generally had increased 100 per cent.

Mr Caulfield—You can be sure that Home Assistance hasn't increased 100 per cent.

Mr Cosgrave—The poor people are in a terrible state dying with the cold and hunger and they are expected to keep themselves warm with turf that might have been taken from the river.

Mr Caulfield—The turf is like sods of mud. I don't know how they exist it's a damn shame to allow it. There's no complaint in getting this turf as they have to queue up and pay for it.

Mr Cosgrave—I know a case in point where a girl with a look of starvation in her eyes came to me. She was emaciated and I sent her for Home Assistance but I don't know if she got it. It's terrible if we have to have unfortunate people like that in a Catholic-Christian country. This case is only one of many.

Senator Butler—This Board has always been generous in matters relating to Home Assistance but now we have not the dispensing of it and that is wrong in my opinion. We have had no case before us since the Board came together and I think that such a procedure should be changed.

Secretary—Hasn't the Manager carried that out as well as ever?

Senator Butler—It would be impossible for him to know of cases all over the place.

Secretary—But then there are the Assistance Officers.

Senator Butler—The Assistance Officers aren't the sympathetic people you take them for. Mr Flynn. Their main object seems to be to keep down the amount spent on Home Assistance each month.

Mr Phelan Supt. A.O. said that as this statement was going to the Press he would have to object to it as Assistance Officers always did their jobs well.

Senator Butler—I stick to my point anyway and think that the Board could do a better job.

Mr Cosgrave—There are plenty people starving in Waterford and I'm sure in Dungarvan also for that matter. Fifty years ago the ratepayers said that they could stick the burden—where are they now—gone to the other side and I hope they have their reward. All I want is an answer to my question whether any increase has been granted.

Mr Caulfield—The only thing we can do is to bring the matter before the Manager when next he is going over the books.

Finally, an unanimous resolution proposed by Mr Cosgrave, and seconded by Mr Kenneally was passed—That an all-round increase be granted by the Manager to recipients of Home Assistance to enable them to cope with the increased costs of living.

Visit To Deelish Dam

£100 Cheque For Children's Health Committee

Poor Response For Plots

Mr T McCarthy, Chairman presided at the fortnightly meeting of the Dungarvan UDC held at the Town Hall on Friday night last. Also present were—Senator J Butler Messrs MI Morrissey TD, L A Veale and T A Kyne.

Mr MI O'Meara, Acting Town Clerk attended.

Visit To Deelish Dam

The Clerk informed the meeting that Mr Macconchy (Messrs Delap & Waller), Mr Heavy, Mr MI Hassett BE and Mr Fitzpatrick had visited the dam at Deelish the previous Wednesday but no report had as yet been received.

Mr Morrissey—Has the time limit for the trials expired yet?

Clerk—Yes, I think it expired on Nov 1st.

£100 Cheque For Children's Health Committee

Mr Liam Comerford Secretary of the Carnival Committee wrote enclosing a cheque for £100 which was the amount allotted to the Children's Health Committee from the proceeds of the 3 weeks Carnival. He stated that a balance of £20 would be submitted within a short time.

Mr Morrissey—I think we should express our gratitude to the LDF members for the help given in running the Carnival, and also to the many others who also gave their services during the period.

The Chairman said he expected about another £50 as a result of the extra week's run which would bring the allocation for the Children's Health Committee to about £170.

Poor Response By Public For Plots

Mr Veale asked how many applications had been received for plots and the Clerk said that up to the present there were only 45.

Mr Veale—The price of potatoes at present should bring home to the people the necessity for tilling more and more. There are many nice gardens which have been tilled and there are many more people with gardens who haven't touched them. Small gardens if properly tilled could grow household vegetables and I think the Council should encourage everyone to use their gardens and Plots to the utmost. Those who are not inclined to till on their own behalf should offer their gardens to the Council.

Mr Morrissey—Sure you can't even get applicants for the plots. How many were there last year?

Clerk—We had 120 plotholders last year as against 45 so far this year.

Mr Morrissey—Have you got the land?

Clerk—We advertised alright but got no replies.

Mr Morrissey—I suppose the Manager will have to acquire it compulsorily so.

Mr Veale—Everything should be made available as early as possible. It would be a good thing if the plotholders got together at once and held a meeting.

Clerk—Last year we had plots for employed persons and the total costs including seeds and manure came to £3. There may be some who might prefer to get the land only as they may be able to get the seeds cheaper.

Mr Veale—It would be better if the Manager made it optional. I see that potatoes retail at 1/4 in Dublin and are 2/6 here. I think we should call attention to this.

Mr Kyne—What's the good of that? Prices should be regulated. The prices for milk and turf in this town are scandalous.

Repairs

Mr Veale drew attention to the terrible condition of the road at Slate Lane, Abbeyside

and said something should be done about it.

Mr Kyne agreeing said that if anything was to be done it should be done well. It was no good spreading light chips which cause so much mud in the place.

Mr Kyne also drew attention to the bad condition of Mr Paddy Donnelly's house at 26 Loughmore, and Mr McCarthy said that the house occupied by Mr La Noonan in the same place was "not fit for dogs".

Mr Kyne—That was a terrible housing scheme anyway.

Chairman—I don't think there is any good in sending in reports for repairs nothing seems to be done. Another thing is the building of the lavatories downstairs in the Town Hall. In order to do this the stage door was blocked up and I hold that this should have been left there as it was the only entrance players of companies had.

Mr Morrissey—Can't they get in by the big door now?

Chairman—Yes but I hold that the more entrances and exists in a hall the better. There was plenty of room to build up the lavatories elsewhere and leave that door there. The thing wasn't properly done at all. You all know that that entrance was often used to take money especially on the occasions of boxing contests. When this thing was being done we had right to be asked about it. We are coming down here night after night only to be treated like images.

Senator Butler—Was it portion of the hall improvement scheme?

Clerk—It was done to comply with the Co. M.O.H.'s regulations.

Mr Kyne—F. don't think he would want to have the door blocked. Closing of exits was never permissible.

Chairman—As a matter of courtesy the plans for this work should have been submitted to us beforehand. You all agree with that?

Mr Kyne—Yes by all means.

Mr Veale also complained of the draughty condition of the stage and said that members of dance bands and others suffered considerably as a result.

The discussion closed here.

4th WATERFORD TROOP C.B.S.I. (St Joseph's Abbeyside)

Confraternity Parade—Last Sunday we held our monthly Parade to first Mass. Special marks for the Inter-Patrol Cup were given to all Scouts present before 7.45 a.m. at which time about a dozen Scouts were present. The morning was very cold but there was a good turnout nevertheless. One Scout who was at the Den at 7.30 remarked the following: "Many were cold and few were frozen. A few of our Parade dodgers in the Knight Clan were missing."

Troop Meeting—The SM went away before the meeting began and our ASM held the meeting in his place. We started the meeting with our usual "spot" of Drill followed by Patrol corners and roll call. The attendance at the meeting was slightly diminished when the Troop Chaplain took a number of our Altar server members for their weekly lesson in how to serve Mass. Next P Strane and S Daly picked two teams who competed in a knotting competition. Both teams were numbered and lined up facing two chairs on which were a pair of ropes. A knot and a number were called the Scouts in each team bearing the number ran to the chair and made the knot. The end left P Strane's team the winner. After a game of O Grady which had to be abandoned the Troop was dismissed.

General—We hear that P.L. Strane has arranged a hike for the Tiger Patrol for next Sunday. We hope to see his Patrol co-operating with him. We are glad to see Christy home and we hear he is having a Jolly (Jolla) time with a certain K.E. Table tennis is progressing steadily at the Den of late and the finals are yet to be played. Department's Correspondence
Correspondence from the Department of Education approved of (1) the payment of increments in salaries passed at the last meeting (2) the continuance of the scholarship for the 2nd year held by Thomas Foley as student-demonstrator in the garden of Scoil na gCeard Dun garban.

Exhibit By Irish Artists
A letter from the same Department stated that Miss Charles, Art Inspector attached to the Department would visit Dungarvan to arrange suitable dates for the exhibit of 61 pictures by Irish artists at present on loan to the Department.

The CEO said that he had taken up the matter with the Department who had informed him that the collection was at present on show in Co Kerry. The exhibit had already been shown in Waterford City which had an inclination to overshadow the County in these matters.

The Estimates For 1944 '45
A request for the preparation and submission of the estimates for 1944-45 was received. A copy of the estimates was circulated. The chief items were as follows—Administration £998 Instruction £5,935 Maintenance of Schools and Classes £1,641 Scholarships (Irish) £190 Garden £40, 2 ESB £20 and Domestic Economy £65 £315 Travelling Expenses £50 Provision for Special Course for Teachers at Ardmore £250 which brought the total estimate for Vocational Education in the County for 1944-45 to £9,187.

The estimated receipts were as follows—Estimated balance on April 1st 1944 £1,349 Grants from Department £4,423 Amount of Local Contribution from rating authority £3,392, and other smaller sums to be expected from tuition fees sale of books, etc., bringing the total estimated receipts to £10,102.

The CEO said that the estimates still kept within the reduction of £400 made some years ago for which he was congratulated by the members.

Mr Veale said that it would be just as well to make provision for a second scholarship in Domestic Economy. There is only one at present and some very good jobs for girls as hotel manageresses, etc. are to be got as a result of the training gained through these scholarships.

Fr Walsh stating that there was a tendency to put agriculture in the background even though the Minister intends ruralising these schools asked about the scholarship to Pallaskey Agricultural School.

CEO—The last boy finished there and I don't think we have another suitable candidate at present.

Fr Walsh—Although the boys may not go further than this school I think they would be guiding lights in their own areas and a great help to their neighbours. I have to be insistent therefore that this scholarship be also included.

It was unanimously decided to adopt the suggestions of Fr Walsh and Mr Veale.

After further short discussion the estimates were adopted.

Important Successes For Scoil na gCeard Students

The CEO stated that he had recently received 65 certificates and some prizes from the Department for successes of students at the Department's Technical School Examination. He also stated that some of the students won first places in Ireland in advanced shorthand and typing and had received silver medals. The CEO also said that the Department Inspector had congratulated them on their high standard.

Fr Walsh said that these successes were very creditable indeed and extended his congratulations to the CEO teachers and students on the outstanding results.

All the members endorsed Fr Walsh's remarks.

The CEO stated that the amount of gratuity was calculated at a month's salary for each year's service up to a maximum of 12 years. Mrs Dowling he stated had given 12 years service.

The members stated that Mrs Dowling proved herself an ideal instructress and the proposal was unanimously passed.

The West Waterford Hounds
Brilliant Opening "Meet" At Ballinamult
(From Our Ballinamult Correspondent)

The opening "Meet" of the West Waterford Hounds was held at Ballinamult on Thursday, 11th inst. Brilliant sunshine favoured the fixture, and the large and fashionable attendance of sporting ladies and gentlemen must have proved most encouraging to Mr R J Mulcahy Ardinnan, the genial and esteemed M.F.H., who deserves great credit for still continuing the sport in face of the difficult times through which we are now passing.

Mr T F O'Brien who has recently been appointed "whip" to this old-established Pack, made his first appearance in his new capacity on this occasion, and gave the utmost satisfaction to all.

He has enjoyed 17 years experience with horses and hounds in the employment of Mr R J Mulcahy at Ardinnan, and has won several valuable Point-to-Point races besides acting as stud groom for the past 4 years. He has also trained and "schooled" some valuable hunters for various West Waterford Sportsmen and since he left his native Co Tipperary he has made numerous friends amongst the hunting fraternity in West Waterford and enjoys the highest confidence and respect of Mr Mulcahy, M.F.H.

Doon covert was the first drawn on Thursday, but proved blank and the "field" then moved on to the bogs close to Caherbrack which also proved blank. At Whelan's bogs they were more fortunate, when a stout fox was found but after a half-hour's good run, he went to ground.

Fenton's covert was next visited where a gallant fox was found. He broke covert at the north end and headed as if for Bretts bogs but soon changed his course and swung right-handed for Farnane Covert where he went to ground after a grand run of 50 minutes.

As horses and followers had had quite enough for the opening day the Master then called off the hounds all present agreeing that they had enjoyed a great day's sport.

Amongst those out for the opening "Meet" were Mr R J Mulcahy M.F.H., Mr Ion Villiers Stuart Diomana ex-M.F.H., Mr R L Keane Hon Sec, Bellville Park, Mr T C Williams solr Dungarvan, Mr J Kenny solr do Mr T Kiely M.H., Dungarvan Blazers, Mr T J Cashman Rockfield, Mr T Power, Mr J Curran, Mr P Walsh, Captain J Wall DSO Dungarvan, Master Michael O'Connor Cappoquin the Misses Dobbs, P Baines E McConville etc.

Co. Waterford Committee Of Agriculture

The New Tillage Order

Lime Subsidy Scheme

Mr Michael F Walsh, Vice-Chairman Co Waterford Committee of Agriculture presided at a meeting of the above held at the Courthouse Dungarvan on Wednesday last (Fair Day). Also present were—Messrs David Coghlan, Ml O Ryan, and Wm Dower.

The meeting was fixed for 11.30 a.m. but a quorum could not be found until 1.30 p.m. when the meeting started.

To Deputies For Secretary
A unanimous proposal was adopted appointing Miss B Norris as deputy Secretary during the illness of the Secretary.

More Allotment Tillers Wanted
A letter from the Department of Agriculture pointing out the great necessity for increased food production stated that a disappointing reply resulted in last year's appeal to have more allotments tilled. It was to be hoped, the letter concluded, that better results would be achieved this year.

50/- A Barrel For Wheat
The resolution from the Westmeath Co Committee of Agriculture calling on the Minister to fix the price of wheat at 50/- per barrel was unanimously adopted.

"Midnight Madness" To Sow Wheat In The Nire

A letter from Mr Edmond Condon, Knockaun, Ballymac carby, stated that at a recent meeting of farmers in the Nire area it was concluded that the land in that region was not suitable to comply with the tillage regulations requiring a wheat quota of one-tenth of the arable area.

With reference to this matter Mr Ml O Ryan wrote a letter to the same effect to the Chairman of the Committee, Mr P R Power, calling for a special meeting of the Committee to deal with the matter.

Speaking on the subject Mr O Ryan said that he was astounded when he read the tillage order and saw that this County was classed with those of Meath and Tipperary. He said that the people in the Nire area might as well be asked to grow oranges or tea as wheat. There was no doubt about it, but there are places in Waterford as bad if not worse, than places which according to the order had to grow a one-twenty-fifth quota, and to ask people in these places to grow wheat is to bring them ruin. He was sorry the Minister or some of the inspectors didn't visit these places and see for themselves. He knew a farmer who bought £7 worth of seed wheat and the return he got was 3 barrels and 4 stones.

"Isn't it madness" said Mr O Ryan "to ask people to continue to do this. This is not just one case, as it is the same in Touraneena, Reanadampaun and all over the county. It would be far better if the Department asked these farmers to purchase the necessary seed and make a present of it to the Nation rather than throw it away by putting it in the ground. I agree that those with good suitable land should sow all the wheat possible but these people with such poor land should not be compelled to grow it but should be allowed produce potatoes or something else."

"I think the Committee should bring the inspectors down to see these places where wheat cannot be grown so that the order may be changed for I know to ask them to do otherwise is midnight madness."

Mr Coghlan also spoke on the subject and said that it would be very difficult now to get sufficient seed to meet requirements.

The Agriculture Instructor said it was hard to bring in an order to suit everybody but that the whole thing will hinge on the supervisors who will be in charge and who he thought will act in a sensible manner concerning unsuitable wheat land.

Finally a resolution was unanimously passed, proposed by Mr O Ryan and seconded by Mr Dower stating "That the Tillage Order was too drastic for Mountain areas in Waterford and to compel farmers to sow wheat in unsuitable land will retard rather than increase food production. It also requested that inspectors be sent down to clear up the matter."

Deferred Nomination Fees
Concerning this the Department asked why the Committee failed to adopt the usual procedure and it was decided to tell them that it was undesirable as horse-owners suffered severely by having to wait nearly 18 months for payment.

Lime Scheme.
Mr O Ryan said that private owners would want an assurance that the lime subsidy scheme would be continued after the emergency before they would acquire old kilns or limestone land.

Mr Hurley said that as long as the demand for lime lasted the subsidy would continue.

Day Of Meeting
Arising out of the notice of motion standing in the name of Mr W Dower that the day of meeting be changed from Wednesday to Saturday it was unanimously agreed that this was the best thing to do.

It was decided to hold the next meeting on Saturday, Dec. 18th.

Late J F MacLoughlin—We regret to announce the death which took place last week of Mr John F MacLoughlin. Deceased had been resident here for nearly 15 years and was very popular with everybody. His early demise will be regretted by all, and to his bereaved widow and daughters we tender our deepest sympathy. May he rest in peace.

At a special Committee meeting of the Ballyduff Branch IRCS, it was resolved—
That by the death of Mr J F MacLoughlin the Ballyduff Branch of the Irish Red Cross Society has suffered an irreparable loss. Mr MacLoughlin was a man of exceptional organising ability and gave the full benefit of his talents in furthering the objects of the Society in Ballyduff. He not only contributed generously to every function, but devoted most of his leisure time to the various activities of the Branch and Division. HANDBALL CHAMPIONS—

At the final games for the Amy Handball Championships (soft ball) played at the Curragh recently, the doubles event was won in convincing style by Lieut Walsh, 13th Batt and Trooper Harpur, 1st Motor Squadron while Volunteer Walsh 13th Batt (a native of Galway), won the All-Army Singles competition, so we should feel proud over these two championships now brought to West Waterford.

THE JUNIOR FOOTBALL CHAMPIONSHIP—

Our heartiest congratulations are extended to the McDermott Junior Football team over their brilliant victory in winning the final of the Co Waterford Championship against a strong Fenor team on last Sunday. We felt confident from the start that they would be able to do so and the welcome news of their deserved victory caused great rejoicing in G.A.A. circles here on Sunday night.

Their ability as hurlers will be tested on next Sunday when they meet Camphire Junior Hurling team in the first round of the Hurling Tournament for the Green Cross Fund, and this should provide a fast and exciting game which will attract a large crowd of G.A.A. enthusiasts from all parts of West Waterford.

LOCAL YOUNG LADY'S NOTABLE SUCCESS—

In our issue of Oct 18th we referred to the success of a local young lady, Miss Peggy O'Shea Affane, Cappoquin, who had been trained in the Dominican Commercial College, Eccles St. Dublin, and who was then filling an important commercial position as a shorthand-typist and book-keeper in one of the leading establishments in Dublin.

We then mentioned that she had been called back from her holidays here to sit for a special examination in the Technical Institute, 18 Parnell Square Dublin, and we expressed the opinion that we should be very much surprised if she did not pass this test with flying colours.

We are now delighted to learn that our confidence in her was not misplaced on the occasion because in a letter just received from her she states that she won 1st place in the examination, for which 300 girls sat, including several University Graduates and other highly-educated competitors, so it was a high honour for her to come out on top under the circumstances.

As a result of her brilliant success she has now obtained a permanent position as shorthand typist in the Civil Service, and the people of Affane and Cappoquin should feel proud of the fact that such a great honour has been won for this district by this charming and intellectual young lady, whom we now warmly congratulate on her brilliant and outstanding achievement.

BEAUTY AS WELL AS BRAINS

While Miss Peggy O'Shea has upheld the honour of this locality, so far as brains are concerned, it is a remarkable coincidence that a young lady friend of hers, Miss Kathleen O'Dwyer Cappoquin, should now be in the news as a prize winner in the "Dawn Beauty Competition," held by "Dawn, Ltd." Dublin.

A bright, vivacious and prepossessing young lady, Miss O'Dwyer recently sent her photo to the promoters of the "beauty competition," and was both surprised and delighted on Tuesday night when she received a valuable prize of beauty preparations from the Dawn Company accompanied by a letter, in the course of which it was stated—

"We are awarding a number of Dawn Coffrets and we are pleased to inform you that your photograph has been selected for one of these awards.

"We wish to thank you most sincerely for your kind co-operation in entering the competition and we hope you will be pleased with the Coffret which we are sending herewith."

As we have not exhausted all our congratulations on Miss Peggy O'Shea we now wish to also congratulate Miss Kathleen O'Dwyer on her great success as it affords us great pleasure to know that we still have such attractive "representatives" of Brains in our midst!

ENJOYABLE CINDERELLA DANCE—

The Cinderella Dance announced to be held by the Military in aid of the 1st Motor Squadron Sports Fund in the Boathouse hall on Thursday night 11th inst. had to be run by the Rowing Club instead owing to unforeseen circumstances which arose almost at the last

moment. There was a very good attendance and all the arrangements were most satisfactorily carried out by Mr M J Sargent Vice-President of the Rowing Club. The Blackwater Serenaders Band under the able conductorship of Mr J Glasse provided a splendid programme of music and the dance proved a great success and was thoroughly enjoyed by all.

DEATH OF MR MICHAEL McGRATH—

We deeply regret to announce the death of Mr Michael McGrath, O'Kyle Camphire which occurred in Lismore District Hospital on Friday, 12th inst.

Deceased was son of the late Mr James McGrath, O'Kyle and in his younger days he went to America where he enjoyed a most prosperous time for many years.

Since returning to Ireland, he had resided with his relatives in the Camphire district, and was held in the highest respect by all classes of the public there.

AN APPRECIATION

When it comes to writing on the memory of my lost friend memories crowd upon me and I do not know where to begin. There is so much to be said, yet so little and the English language comprehensive as it is, does not supply me with words to express my sorrow and loss, for friends such as "Mac" are only met with once in a lifetime.

Calm, steady, always ready to listen to both sides, slow to make friends slower still to lose or break such friendships once they had been formed. Most charitable "Mac" as he was always called never had one trace of bitterness in his character. One could tell the most secret of secrets and knew that there would never be the slightest betrayal.

This is my opinion of Mac, he had his faults—we all have but Mac had very few, and I think that after fifteen years I should be able to judge his character accurately.

Now he is gone, I cannot yet realise that he has gone never to return. I cannot believe that never again in this world will I see him never again except in memory's halls hear that voice again.

Words fail me. I know my attempt to portray the character of my lost friend is a puny one but my memory of him will last as long as life itself and when the Great Call comes I know we will all be united in that land where sorrow is unknown.

I think Thomas Davis will forgive me if I quote his lament for Owen Roe O'Neill—

Like sheep without a shepherd When the snow shuts out the sky

Why did you leave us Owen— Why did you die? We echo Thomas Davis' lament and say

"Why did you leave us Mac Why did you die?"

Death Of Mrs. E. Ahearne, Cappoquin

Regretted Passing of a Popular Kerry Lady.

The people of Cappoquin heard with feelings of the deepest regret of the death of Mrs. Ellen Ahearne which occurred after a rather brief illness at her residence Barrack Street on Saturday 13th inst.

Deceased belonged to an old and popular Kerry family, the O'Flynn's of Chapelstown, Tralee and was related to Thomas Ashe and came to Cappoquin over 50 years ago where she afterwards married Mr Thomas Ahearne, who filled an important position in the Cappoquin Foundry for many years.

During her long residence of over half a century in Cappoquin she had always proved herself a most refined and unassuming lady whose kind and gentle disposition had made her a warm favourite with all classes in the town.

Possessing all the well-known traits of charm and modesty so characteristic of the Kerry ladies she never wished to be in the "limelight" so that her life was a model of piety and perfection to all around her. She was an ideal type of Catholic all her life who truly reflected all the virtues of her holy Faith and was regularly attended during the last stages of her illness by the Rev T Dunphy C.C. so that she died a happy and holy death, as befitted a lady who had spent such a pure and holy life while on earth.

She had reared a most respectable family of four daughters and one son the latter, Mr Thomas Ahearne being a popular and most efficient member of the staff of the Electricity Supply Board in Clonmel for the past 13 years, while three of her respected and industrious daughters have for year conducted a most progressive and prosperous business establishment in Barrack Street where they are most popular with all classes of the public the fourth daughter, Kitty being the wife of Mr. James Glasse Jeweller and Radio Agent Lismore and conductor of the Blackwater Serenaders' Dance Band.

The passing of this grand and popular daughter of Kerry at a ripe age has caused the greatest sorrow in the town, and the deepest sympathy of all is now extended to her respected husband and family in their sad bereavement.

On Sunday evening her remains were removed from her late residence to St Mary's Catholic Church Cappoquin, where the coffin was received by the Rev T Dunphy C.C., who recited the prayers for the dead before a crowded congregation of the townspeople.

Requiem Masses for the repose of her soul were offered up on Monday morning, and at 3 o'clock on that day the funeral took place to St Declan's Cemetery Dromroe, when there was an unusually large attendance of the general public which proved a fitting mark of respect to the memory of the deceased as well as a high tribute to the great popularity of her esteemed husband and children.

The imposing cortege was headed by the Rev T Fitzgerald P.P. and the Rev T Dunphy, C.C., both of whom later officiated at the graveside.

The chief mourners included—Thomas Ahearne (husband) the Misses Mary Norah and Margaret Ahearne, and Mrs K Glasse Lismore (daughters) Thomas Ahearne Clonmel (son) James Glasse Lismore (son-in-law) the Misses Sadie and Elaine Glasse do., (grandchildren) Mrs M O'Reilly Ardret Co Kerry Mr T F and Miss Lily Wyley, Waterford Mrs "Jodie" Hickey Cappoquin John Collins do., Mr Patrick and Miss M Downey Woodhouse Ballinacult etc (cousins and relatives).

Several beautiful floral tributes were laid on the grave from "Her loving husband and family" Dick and Ellie Collender Mrs B Cunningham and family Lulu Shine Mary O'Donnell etc while Mass cards were sent by the following—Her loving husband and family Mr sorrowing son Tommy Jimmie Kitty and children Her loving brother Michael O'Flynn Jodie, Jack and family Johnny Collins Margaret and family Declan and Mrs Foley and family The Lawless family Shanbally Mrs B Cunningham and family The Moore family Mrs B T Lincoln and family Mrs M Flavin and family Thomas and Ellie McCarthy and

Tallow & Moorehill Notes

Town Improvements — For some weeks past Co Council workmen have been busily engaged laying down new footpaths in various parts of the town, where they were badly needed and despite very unfavourable weather great progress has been made. Visitors to the town have been surprised to see some old familiar landmarks removed. These include the railings at the Parochial House and those fronting Mrs J O'Keefe's on the Square. They have stood the test of time for many decades of years, and so is gone another reminder of the "good old days". The town now presents a very smart and well kept appearance, and great credit is due to Mr P Ryan Co Council ganger and his efficient staff for the very satisfactory way they have carried out the work.

A National Disgrace—Some spirited resolutions have been passed by various public bodies recently regarding the removal of the statue of Queen Victoria from the principal Government Buildings in our country with all of which we here in Tallow and Moorehill are in thorough agreement. The question is daily asked "Why isn't she removed long ago?" Now we, as a Christian people believe in the principal of forgive and forget and we do forgive, but how are we going to forget whilst a statue to her majesty stands in our capital city to remind us of her "generosity" to our people and her great "love" for the Irish Nation.

Why not replace her with a bust of our own loved Padraig Pearse or some other National hero to whom we pay homage. The people of Ireland may have many faults and failings but they have long memories. Here in this parish we have bitter memories of penal laws, tithes famine of '46 '47 and the British oppression in general, so in concert with all Irish Irelanders we cry out. Remove those symbols of tyranny once and for all.

Successful Ceilidhe—The Annual Ceilidhe Mor under the

auspices of the Tallow Republican Memorial Committee held on Thursday night, the Cinema Hall success—and was large and fashionable from far and near a very large attendance the best of order prevailed, and one and all had a very enjoyable time. The hall was artistically decorated for the occasion, and everyone was in happy mood so there were few dull moments during the night. The music which was supplied by the Eringo Brath Ceilidhe Band was all that could be desired, and to the lively strains of this delightful band dancing continued till the strains of the National Anthem brought the night to a happy conclusion.

Welcome News—Mr Lemass Minister for Supplies has announced that we are to have a white loaf next month. This is very welcome news, not but that we have all got to like our present-day loaf but the prospect of white bread is nevertheless very pleasant and we can all look forward to something nice for Christmas.

Come On Waterford—On Sunday next the old familiar cry will resound from the Gaelic Field Carrick-on-Suir, where the Decies men cross camans with Tipperary's hurling men in the opening round of the league. A great game is anticipated and Tipperary with memories of their Dungarvan defeat will be all out to reverse the verdict, but we predict a Decies victory. Our team would want to be the best possible for Tipp have the happy knack of springing surprises and win when least expected. This four-county league will keep the teams engaged busy for some time and will be an aid to building up promising teams for 1944.

Local Tit Bits—The spirit of "exchange" seems to be very prevalent down Moorehill lately, but sure why wouldn't it when they say "it's no robbery".

We agree with you girls all men are brutes (but that's the idea) wait till the next night. 'Twas rather a "shabby trick" that night lads, but don't forget a woman generally gets her own back.

We wonder did some of the boys try to drown their disappointments the other night, for over the clink of glass waited the old refrain—

That's why I'm single lad, no home at all I believed her faithless after the ball.

Don't Forget—Grand variety concert at Moorehill hall on Sunday night week. For full particulars see next week's issue in case you may be disappointed book your seats without delay.

Funds For The Red Cross

MOST of our readers will have learned of the grant of £100,000 voted by Dail Eireann on Nov 11th to the Irish Red Cross Society towards famine relief in India, and will consider this a huge sum which should be able to relieve much suffering among the starving population of that unfortunate country. But if they consider that sending a cargo of say, 1,000 tons of potatoes—our cheapest and most abundant food—to any European port would cost from £10,000 to £15,000 they will at once realise that much more is indeed required.

At home the Red Cross Society has interested itself in solving one of the greatest scourges of the country—tuberculosis. This disease is both curable and preventable yet it kills half of those who die between the ages of 15 and 35 years. Approximately 1,500 young people boys girls young mothers and fathers fall victims to this scourge every year in Ireland. But in order to cure and prevent it a great deal of money must be spent. There is a lack of facilities because of lack of money. The primary needs in the anti-TB campaign are beds—two to three thousand being wanted. X-Rays are also abundantly required in the treatment and other apparatus is also needed. All these cost money and a widespread appeal for funds is being made by the Red Cross in order to enable them to carry out this work.

What would it not be worth to save instead of 20 per cent as at present 40 per cent 60 per cent or even 80 per cent of the lives that would otherwise be doomed. Remember that the total number who are in danger from TB stands at the appalling figure of 36,000. By your subscription you can help to ransom these young people from the very jaws of death.

The money given is an investment in the health of our young children our brothers and sisters—for they can be prevented from developing this horrible disease babies can be prevented from dying from meningitis tubercular bone disease can be prevented in young children and young boys and girls can be saved from passing suddenly out of vigorous health into wasting disease.

In order to let the general public know some of the activities of the Society a special booklet is being prepared for them in connection with their

drive to raise "Half Million pounds. This we have been informed will be ready for posting very shortly and from it can be seen the great work done by the Red Cross since its birth on July 1st 1943.

The memory of black '47-'48 is still strong in the minds of the Irish and when we consider that there is every possibility when the present war ends that conditions will favour the spread of disease on a scale unprecedented in history we are sure that the Irish people will not be content to look on as uninterested spectators. Knowing the terrible agonies of our great-grandparents during the famine there will be in every heart an impulse to give to help and to make sacrifices in order to alleviate the sufferings of others.

Therefore we join in appealing to our readers and the general public to subscribe as generously as possible to the Red Cross Fund and help them along in the noble work of such national and international importance.

LATE MRS ELLEN WALSH, SHANDON—

Very sincere regret has been occasioned by the death of Mrs Ellen Walsh, wife of one of Dungarvan's most respected townsmen Mr Martin Walsh, Shandon which took place at her residence on Sunday night last Nov 14th. The deceased was a quite unassuming lady who was held in the highest esteem by all who knew her. Her bereaved husband is well known as a valuable employee of the Waterford Co Council who has always stood behind the National Cause. He is a fluent Irish speaker and has ever shown his readiness to do his part for Ireland and the Irish language.

The late Mrs Walsh was mother of Rev Fr Patk Walsh C.S.S.P. who is a Professor of Theology, and who at present holds the responsible position of director of a Seminary run by the Holy Ghost Fathers in Nigeria.

At the removal of the remains to St Mary's, Dungarvan on Monday evening there was a big representative cortege of mourning relatives and sympathisers present. Rev P Farrell C.C. met and blessed the remains which were laid in the mortuary chapel overnight and after the celebration of Requiem Masses on Tuesday morning and when the remains had again been blessed by Very Rev T Canon O'Brien P.P. V.F. the funeral left for Knockboy cemetery where the interment took place. The last prayers at the graveside were recited by Rev Father Dempsey, C.S.S.P. Killashane Limerick. It is a beautiful little prayer book ideally suited for the young. It contains many illustrations and explanatory notes and is full of lovely simple prayers. A special section also deals with the major feasts of the liturgical year and by reading it children should get a thorough knowledge of the main cycles in the festivals of the church.

It is a prayer book that should greatly appeal to children and we recommend it highly.

KILMATHOMAS FIRM ON MANY CHARGES

Special Criminal Court Evidence

Heavy Fines Imposed

Before the Special Criminal Court sitting at Collins Barracks, Dublin on Tuesday last, Edward Hill and Sons Ltd Kilmathomas, Edward Hill, Junr, do, and James Joseph Ryan, Ballinabrogue, Kilmathomas were charged with offences under the Emergency Powers Orders, relating to the sale of flour, coal, and sugar. The company had pleas of guilty entered on the 51 charges brought against it. Hill pleaded guilty to two charges against him of consenting, as manager of the firm, and to three of purchasing coal for domestic use without a permit. The reading of the 57 charges occupied 44 minutes. The two charges relating to flour were of selling flour by retail without a licence to do so and the manager allowing this business to be carried on. The company was charged in regard to coal, with purchasing anthracite from Joseph A Nolan, without a permit. The amount was five tons. The company was charged with selling coal (slack) to the following persons (The number of charges against the company and the total amount of coal involved is shown in brackets) — Patrick Harris The Forge Kilmathomas (2 charges, 15 cwt), Richard Harris, Fews (2 charges—19 cwt), Thomas Butler, Kilnragree, do (5 charges 2 1/2 cwt), J J Ryan, Ballinabrogue, do (3 charges 16 cwt) J Foley, Kilmathomas (5 charges 3 cwt) Robert Havenden Ross, Carroll's Cross, do (1 charge 5 cwt) Kate Casey, Kilmathomas (2 charges 3 cwt) and the Rev Mother Superior of the Convent of Mercy, Kilmathomas (19 charges, 33 cwt 3 qrs 21 lbs).

The firm was also charged that they sold 1 cwt of sugar to two men, Edward Foley and Peter Dunphy, both of Ballylaneen, Kilmathomas and also that they had supplied sugar to people who were not registered with them as customers. The persons they sold sugar to were as follows — Jeremiah Breen, Main St, Caheriveen (1 charge 1 ton) Patrick Walsh, Glanworth Co Cork (1 charge, 4 stones), Jas. Brosnan Rock St Tralee (1 charge 6 cwt), R S Mosse, Bennetsbridge, Co Kilkenny (2 charges, 4 cwt), Messrs J and J Byrne, Limerick (1 charge 3 tons), and Thomas Bradbury, Stanhope St Athy (2 charges 8 tons).

Mr Murnaghan, SC who with Mr A O'Cuiv, (instructed by Mr L J Lysaght, Chief State Solicitor's Office) prosecuted, and said that the investigations of officers of the Department of Supplies, which had led to this prosecution, had shown that flour had been sold by the defendant company to the National Bakery, and to Mr Keane, of Keane's Limerick. The transactions in general indicated that this firm was prepared to enter into a black market, and to disregard all the regulations regarding the control and distribution of those commodities imposed by the Department of Supplies.

Mr M Binchy, SC, defending, said that there were very extenuating circumstances with regard to the coal and flour charges. The only commodity for which the defendants charged more than the control price was sugar.

THE DECISION

Edward Hill & Sons, Ltd were fined a total of £1090 on the majority of the 51 charges concerning breaches of Emergency Powers Orders controlling the sale of flour, coal and sugar. Edward Hill, Junr, a director of the firm was fined a total of £250 on two charges, and Jas J Ryan, Ballinabrogue, was fined a total of £50.

Announcing the decision of the Court, the President said that it took a serious view of breaches of the regulations made by the Government for the control and distribution of commodities in short supply necessary for the well-being of the community. In this case, however, it would appear that there was no overcharge made to the public except so far as the sugar transactions were concerned. The Court must impose heavy penalties in respect of these transactions. In view of the assistance given by all the accused to the officials of the Department of Supplies in the course of the investigations and their attitude and frankness to the Court, it was not intended to impose imprisonment.

ST STEPHEN'S WIN MINOR FOOTBALL CO FINAL

At Waterford Sportsfield, on Sunday last St Stephen's and Dungarvan minor football teams met to decide the County Final. St Stephens won well after a hard hour's game.

A strong wind blowing across the field kept play at the stand side for most of the hour. High fielding and accurate kicking were out of the question and both sides missed plenty of scores.

The Dungarvan lads never struck the form of previous matches their combination was completely shattered by the robust tactics of the city boys. The Stephens were a much heavier bunch of lads and from the start they had a pull at midfield. Their back stood up to a terrific barrage in the second half when Dungarvan put all they had into a final dash to try and avert defeat but their efforts were in vain as Stephens had the match well in hands at this period. Some faulty moves by a Dungarvan back cost them two goals which upset the whole team. The Stephens certainly deserved their victory as they made use of every opportunity and ran out winners on the final score of 2-2 to Nil for Dungarvan.

Congratulations St Stephens Hard luck Dungarvan

McDERMOTT'S V FENOR

At Waterford Sportsfield on Sunday last before a poor attendance McDermotts defeated Fenor in the junior football Co Final. It was a grand game and play would have reached a very high standard were it not for the strong, cold breeze that blew across the playing pitch. On both sides there were some great footballers and we would certainly say there was better football than in the Senior County Final.

McDermotts were first to break away with a passing movement from midfield which resulted in a point. Hestor and Moran (McDermotts) had the pull at centrefield throughout and sent many balls to Harpur and Kehoe on the wings who passed to Parle and Hansbury and at times they had the Fenor defence at sea. Martin Hayes Cowman and Kevin Sheehan held a great defence for Fenor. They put all the speed and grit they had into every effort to stop those fast-moving Army forwards Harkins and Howlett put in some great work at midfield but their efforts were spoiled by faulty forwards who missed scores time and time again. Fenor were very unlucky as they struck the cross-bar twice in the first half. John O'Boyle and Joseph Delaney were the pick of the McDermotts backs. They both saved their line on several occasions and were never caught out of position. After a grand game McDermotts ran out deserving winners on the final score —

McDERMOTT'S 1-3 FENOR 1-1

The teams were —

McDermotts—J Maguire, Jas Duffin, J O'Boyle, J Delaney, J Redmond, J Moran, N Whelan, J Hestor, L Moran, N Harpur, T Parle, J Kehoe, P McDonnell, J Hansbury, P Farrell, Fenor—M O'Sullivan, D Cowman, L Cowman, P Fitzgerald, K Sheehan, M Hayes, K Cowman, E Harkins, P Howlett, J Delaney, L McDonald, D Brady, P Hayes, G O'Keefe, J Whitty.

The match was refereed in a splendid manner and to the satisfaction of all by Mr Willie Barron, Dungarvan.

CARRICK NEWS

Important Licensing Point for Hotel Owners—After having heard at Carrick-on-Suir Court on Monday the statement from Mr Binchy, Solr, for the defendant Mr McCabe, DJ, suggested that Supt Kelly should withdraw a case against Miss Eileen McGrath, Publican and Hotel Proprietor, New St Carrick-on-Suir on whose premises the Guards found a number of members of the Carrick-on-Suir Golf Club at 11 pm when the Club held its annual dinner there on 29th October.

Miss McGrath said Mr Binchy, thought that an extension of her license to the hotel part of her business house she got at Clongmel Circuit Court entitled her to use the hotel part for dinner. In future she would understand that she must get a special license for such functions.

Larceny Charges—Stole 35/- From Employers Coat Pocket—At the Carrick-on-Suir District Court on Monday Mr McCabe DJ dismissed under the Probation Act a case against Michael Butler, agricultural labourer,

Dail Questions

Mr Denis Heskin TD asked the Minister for Local Government and Public Health if he will state the present position as regards the Hospitalisation Schemes in the County and City of Waterford whether all the preliminary work is completed with a view to having the scheme put into operation immediately the emergency is ended and if he will also state the amount of grant that will be made available for the carrying out of this scheme and the total cost thereof.

The Minister's reply was that the hospital scheme for the Waterford Public Assistance District which includes the City and County of Waterford contemplates the provision of (1) A new County Hospital at Waterford (2) a new District Hospital at Dungarvan, (3) a new District and Fever Hospital at Lisimore, (4) Extensions to the Mental Hospital. The new County hospital at Waterford will be erected on the site of the existing hospital and it will therefore be necessary to demolish portion of the present premises to provide the site for the new hospital.

This will entail transferring chronic patients to the Co Home Dungarvan and space has to be provided there by the transfer of mental cases from the County Home to the Mental Hospital. The proposed extensions to the Mental Hospital would therefore be the first work to be undertaken when conditions permit.

Satisfactory progress was made in the planning of the structural additions to the Mental Hospital but it was ascertained on the basis of the most recent statistics of inmate population in the mental defectives in the Co Home that the scheme prepared could be modified and the cost as then estimated reduced from £70,000 to about £40,000.

This was intimated to representatives of the Mental Hospital Committee at a deputation received on the 11th of February 1942.

I hope to see the revision of the original scheme for the Mental Hospital proceeded with in the near future.

As regards the Co Hospital the estimated cost based on the scheme contemplated in 1939 was approximately £1500 per bed which was regarded as excessive. It has not, so far, been possible to obtain satisfactory proposals which would bring about a substantial reduction in the cost.

I should like to see the planning for the new County Hospital proceed and will be prepared to consider favourably any proposals to this end which are submitted by the County Manager.

In view however of the temporary transfer of patients from Waterford contemplated by the scheme to which I have referred, it may be necessary to have the new Dungarvan District Hospital proceeded with in advance of the County Hospital and I am also prepared to consider proposals for proceeding with the planning in this case when the Manager finds it possible to submit them. Information on the total cost and the amounts of the several grants involved will not be available until the proposals to which I have referred have fully matured.

FARMERS PARTY MEETING

At a meeting of the Farmers Party, held at Leinster House, on Tuesday last, the following resolution was unanimously adopted viz, —

That we, the farmers' representatives in Dail Eireann hereby enter an emphatic protest against the proposal to give a monopoly of Road Transport Service to the GSR Co, as it is our considered opinion that serious loss and inconvenience would result from such a scheme to the farmers and traders of this country, and would have the effect of substantially increasing the cost of living to the people in our cities, towns and villages.

We call on all branches of our Organisation to take immediate steps to counteract such an attempt to interfere with private ownership and private enterprise.

Coolehan Piltown Co Kilkenny, for having stolen a tobacco pouch that contained 35/- from the coat pocket of his employer a farmer in the district who gave him work thinning mangolds. Defendant admitted having taken the pouch and money from the coat of his employer which lay near him in the field.

MULCAHY'S DUNGARVAN

Western Divisional G.A.A. Notes

(By AN RUNAIDHE)

Go Finals At Waterford—On Sunday last the Junior and Minor Football Championships were concluded. Dungarvan after flattering for the first half and holding St Stephens to two scores against a strong high wind failed to come up to their promise and in the second half were swamped by their opponents. All hopes of a Western double were gone before the second half was half way through and Stephen's won without Dungarvan raising a flag.

McDermotts came out like greyhounds and their display gave no lie to their appearance. I never saw such a well balanced fifteen contest our junior championships. Fenor are to be congratulated on the fine hard game they put up but from the first it was McDermotts final. The outstanding players on the McDermotts side were Troopers Harpur and Whelan, Lieut Boyle and Cpl Moran. The display of Trooper Harpur as a wing forward was the best I saw in any grade this year while Lieut Boyle as full back would take some beating. Congratulations McDermotts on bringing the honours West.

Green Cross Games—The Junior Hurling Tournament for the Green Cross opens on Sunday. Three games are arranged for different venues.

At Lisimore—Collins (Army) the newly entered team meet Glen Rovers. John Vaughan will referee. Great interest is bound to be aroused in the game as everyone will be anxious to see the new Army team. Glen Rovers consider themselves the hard luck team of this year's championships.

At Cappoquin—Camphire take on the other Army team McDermotts. If the Army men display anything like their football ability Camphire have a task. Still Bob McGrath can always muster up a team. J Ahearne is referee.

At Modeligo—The local team Affane Modeligo meet Four-Mile-Water under the charge of P Ryan or D Sullivan. Dungarvan Four-Mile-Water nearly went the whole way in the championships and are anxious to prove it was only a fluke they were beaten.

Come On Waterford—At Carrick-on-Suir on Sunday, Waterford SH meet Tipp in the first round game of the Four Counties SH League. Tipp are putting out a new team including at least eight of the champion club. Johnny Leahy is more than confident. Our hurling fans will be delighted to hear that Paddy Dowling did not leave on Thursday last. His journey was postponed at the last moment. We hope now he may yet be able to remain at home. The Waterford side includes all the available home stars and the declared players. Daly Feeney and Bastin, places are being filled by Carew Hoban and Brian Doyle. P Wade gets his place at right half back in place of Creed and Galvin comes on at left corner. I expect a Waterford victory after a hard game. Co Board Fixture—The MH

final is fixed for Dec 12th. Dungarvan to meet the Eastern winners. There are still three teams in it in the East, but they will have to have played off by the Sunday selected. The Co Board will award the game to Dungarvan if they fail to have finished or nominate a team by that date.

Ring Tournament—The following fixture has been arranged for Sunday next 21st. Brickey Rangers v Durow, J.F. at 3.30 pm.

Garda Joe Fitzgerald ex-Captain Dublin inter-County team will referee.

May I take this opportunity of welcoming Garda Fitzgerald to West Waterford. I trust to see him line out with Ring in next match on Sunday week, 28th inst. Ring meet Geosh in a first round game.

Vote of Sympathy—At a meeting of the Fourmilewater Hurling club held in the hall Ballymacarbery on Nov 9th it was proposed by Rev J Power CC, and seconded by Mr J Moloney NT that the club tender their sincerest sympathy to Mr Jas Condon and family in their recent sad bereavement. The meeting was then adjourned as a mark of respect.
