### "Epidemic" Of Notices To Quit

### Council Not To Blame—Says Chairman

### The Price Of Potatoes

Mr T. McCarthy Chairman presided at the fortnightly meeting of the Dungarvan Urban District Council held at the Council Chambers Town Hall on Friday night last Feb 11th Messrs L A Veale Vice-Chairman T A Kyne M Morrissey TD were also present Mr M O'Meara, Acting Town Clerk attended

### Boundary Fences

Mrs Hackett Loughmore wrote complaining that the fence at the back of her house has been broken down and results in much trespass being done The matter was referred to the Borough Surveyor

Mr Morrissey drew attention to the fact that the boundary fence where the plots were last year was in a bad state and the adjoining farmers were complaining about it He understood that the Department makes some allowance towards the cost of this work and it was decided to bring the matter to the notice of the Borough Surveyor

### To Be Circulated

A long circular letter from the Department of Local Government and Public Health was before the meeting dealing with the powers and functions of Councils and Committees under the County Managerial Act and the Chairman said that it was far too long to read at the meeting as the members would not be able to grasp all the points He suggested that it be circulated and dealt with at the next meeting and the suggestion was adopted as was the same suggestion concerning a paper on "Civism" read by Mr T Lynch Chairman, Tralee Urban District Council at the Annual Conference of the Association of Municipal Authorities held in Wexford, some months ago

### Potato Ramp

Mr McCarthy drew attention to the fact that potatoes sold at 3 per stone in Dublin while it was not so in Dungarvan where the price was from 2/6 to 2/8 a stone This was a disgrace and he thought the TDs should do something about it

Mr Kyne—I saw in the "Kerryman" where they are only 10d per stone in Kerry

Mr Veale—The Minister for Supplies made a statement some time ago that an ample supply of potatoes would be available at a reasonable price

Mr McCarthy—I don't know who is to blame whether it is the shopkeepers or not but I'd like to find out

Mr Kyne—I know they can be bought for 1/4 per stone in the Ballymacarbery area if they can be got into town

**"Epidemic" Of Notices To Quit Council Not To Blame Says Chairman**

The Chairman said that there has been an 'epidemic' of

notices to quit on Loughmore tenants during the past few weeks and stated This is no time to be doing things like this These people were made go into those houses and as they are unable to pay the rents they have to go out on the roadside That they can't pay is not their fault—they have no money and can get no work and are doing their best to put a bite into their children's mouths Then the rent collectors have to do what they are told, but we are blamed by the tenants when we know nothing about it and don't even know when these notices are being issued, and I hope the Press will take a note of that Whatever happens these people shouldn't be fired out on the road at present anyway

Mr Morrissey—Undoubtedly the rents are pretty high for these people Some years ago there was a no-rent strike and it did not help them, nor should this be encouraged now as if it is a burden of arrears will be mounting up which will eventually have to be paid It is not a time for evictions but if the tenants make an effort to pay, the Manager who is a Christian man and the collectors will deal with the cases with discretion

Clerk—I know of three cases in which notices were served but these have since been settled

Mr Kyne—Yes but they were settled by public subscriptions If the people are paid adequate wages they would have enough to pay their rents If I ever went into the Dail I'd kick up murder—how do they expect men to live as they are—they should bring down the £1000 a year man to help increase the 30—a week worker The system of wages is all wrong—the men working at Knockateemore get £1 for four days!

Mr Veale—It doesn't pay them to work as they'd get more by staying on the blue-book!

Mr Kyne—Those relief schemes are a scandal

Mr Veale—The men that are doing something beneficial and should get enough to live on—the whole system is demoralising and degenerating

Chairman—It is responsible for half the crime in the country!

Mr Morrissey—The wages are certainly not as high as we would like to have them Perhaps the system may be rotten—I don't know The only way out is if the ratepayers are prepared to bear an extra burden and that's heavy enough already

Mr Kyne—Most of that money is already going to the banks Why the hell wasn't there a loan floated by the citizens of the town for these schemes The banking system has the country crippled—if the amount paid to the banks on the housing schemes were published it would astound the people

Mr Morrissey—I suggest that you ask the Co Manager under existing conditions to act with discretion towards the people living in these houses who are paying rent which is not in accordance with their income and that no evictions be carried out This was agreed to

**Would Not Accept It As Tribute**  
The Chairman drew attention to the choking of the sewer at Mr Hackett's house above South Terrace.

Clerk—That was brought up before but there was no report on it

Mr Kyne—Can we get one? Clerk—I can ask the Manager about it.

Mr Kyne—As soon as we find out who is responsible we can move If there is a fever outbreak it will cost thousands of pounds on injections and a few pounds which could stop it is not spent now

It was agreed that a report be got

Mr Kyne—There was no place in Abbeyside done yet as the BS promised at the last meeting They started at King St but that is only a minor need If that was done as a tribute to me I don't accept it as such Slate Lane should be done at once

The Chairman said that a flag at Miss Kiely's Main Street, needed repairs, and Mr Veale drew attention to repairs needed at Mr N Shanahan's Abbey-side and both were referred to the Borough Surveyor

### Deelish Dam

Messrs Delap and Waller in a letter dated February 9th, stated that as soon as the starting up of dosing and final grouting of the tunnel has been completed they will be in a position to forward the full report These works they expected, would be finished before the middle of next month

### Votes of Sympathy

Votes of sympathy were passed with the relatives of the late Mr Pat Fitzgerald Fahs, brother of Sean Fitzgerald, and with the relatives of the late Wm Begley, Upper O'Connell Street Dungarvan Also with the family and relatives of the late George Plunkett and with Mr T C Williams solicitor, on the death of his brother Mr Sam Williams

### Need of Ambulance For Carrick

Carrick-on-Suir Urban Council has decided to ask for the support from the Irish Red Cross to procure an ambulance for the town The Council holds that with a population of 5000 persons in the town and the same number in the adjoining rural district an ambulance is an urgent necessity

### SCOUT NOTES—

Parade: Our Parade to first Mass last Sunday was very well attended and it was not the "usual" parade since we noticed a certain "Rawly" in the line The mornings will be getting finer and brighter from this on so there will be no excuse for absentees The Knight Scribe and Troop Scribe were called on to mark the Rolls after the Parade and why did the TS not mark himself present?

Troop Meeting To begin we listened to an article from "The Scout" on "Discipline in Scouting" The writer describes it as "evolving order out of chaos" Paddy A says that last word is Greek which is a convenient thing to say about something we don't understand Scouts were busy at last minute practice at knots before a competition, they do not seem to heed that old Irish proverb "ní hé lá na gaoithe lá na sgob" A novel convoy game was played Two teams, raiders and convoy were picked a name of one of the convoy bunch was sent in semaphore and he had to be conveyed safely from one end of the room to the other despite the attacking raiders Only one convoy reached port safely

Hike The Wolfhound Patrol held a hike to Deelish on Sunday last at which KE J McEvoy attended as examiner, but the attendance was poor We hope to see more Hikes developing in the future

We Notice That the bugler seems to be off the active service list these days That J. O'Connell is practising for a circus or something That Bernard looks nice in his new Uniform That the stage screens look rather shaken since Johnny & Co were playing Tarzan That Owen has been hearing ghost voices on the telephone—I wonder whose?

### An Scribhneoir Buidheann KNIGHT GLAN NOTES

Some members of the Clan seem to be relapsing into their old lethargic habits again if the attendance at the Clan Meeting on Tuesday is taken as a sign The meeting was a rather scattered affair with some coming and others going The attendance of KEs at the Parade last Sunday wasn't very bad Was it a dream or did we see KE Francis there? Christy counted a twopenny chicken before it was hatched when he shouted "hurrah we made it" at a recent game of cards We have got some nightingales in our midst—I don't mean those chaps who go around singing songs like "Rose Marie" "It was Mary Mary," "Eirig suas a Peigi" and "Mamma wouldn't buy me a Rubber Dolly" etc—the two I mean are one better or perhaps we'll change our opinions after Tuesday night next And mentioning music it was noticed that Jolla moves in musical circles on odd occasions, though he was only calling the tune last Friday night when he came to the 45 Drive We have often heard people explaining a difficulty by saying "put yourself in my place!"

**THE RECENT RED CROSS SOCIAL—**

Owing to the large number of lady members who assisted at the grand Social held by the Cappoquin Branch of the Red Cross Society on Monday night week it was inevitable that a few names of those helpers should have been inadvertently omitted from the lengthy and otherwise correct report of the function published in last week's issue so we now have much pleasure in rectifying this error by stating that the following names should have been included in the original list—Mrs F X O'Leary, NT, (a member of the Committee) Mrs Josie O'Donovan Main St Miss 'Dommlle' McGrath do and Miss M Fives Tourin all of whom were unsparing in their efforts to ensure the comfort and enjoyment of all the guests while a special tribute of praise is also due to Mrs M J Sargent, and her popular daughter Mrs 'Berry' Daly for the valuable and practical assistance which they had rendered in other respects in their usually quiet and unostentatious manner.

In the list of members published as having received Cookery Certificates from Dr J Dennehy on the occasion the name of Miss Doreen Hennessy NT, was accidentally omitted for which we beg to apologise so with the above additions we trust we have completed and corrected all details to the satisfaction of all concerned, and we shall have nothing more to write about the Red Cross until nearing the Big Dance which it is proposed to hold soon after Easter.

**THE SWEEPSTAKE IN AID OF THE SPORTSFIELD—**

The Draw for the Sweepstake on the Baldoyle Steeplechase which had been opened some months ago in aid of the Cappoquin Sportsfield was intended to be held on Thursday night week 10th inst, two days before Saturday's race, but owing to the fact that numbers of books of tickets which had been sent out long ago had not been returned or accounted for by the sellers it was found impossible to proceed with the Draw which had therefore, to be postponed until next Friday night 25th inst before which date all holders of books or counterfoils are requested to have them returned (with the necessary cash where applicable) to Mr M F Walsh PC Hon Sec of the Sportsfield Committee.

We had so fully described the serious financial position of the Sportsfield some months ago that we thought the holding of a Sweepstake would have been welcomed by all as a splendid opportunity of helping the funds as well as providing the chance of winning some valuable Cash Prizes but we regret to hear that some of those who had previously derived much pleasure and not a little profit out of the Sportsfield in recent years showed such an utter lack of interest and enthusiasm in the event that they returned some of the books without, apparently having made an effort to sell a solitary ticket nor even to have purchased one themselves. This is a poor and ungrateful spirit of sportsmanship, surely and it would serve some of them right if the sportsfield were completely closed against them in future.

There were a few noble exceptions however one of these being the case of Mr P Cunningham Hon Sec of the Cappoquin Hurling and Football Club who quickly sold every ticket entrusted to him, and promptly returned the money to Mr M F Walsh and of the same fine sporting spirit had been displayed by others there would be no necessity for this strong criticism now. There is yet time for the careless ones to make amends before next Friday and we hope for the sake of the Sportsfield there will be a more genuine effort made to dispose of the tickets before the postponed Draw definitely takes place on next Friday night.

**THE POWER OF THE PRESS—**

As 'constant dropping wears a stone' it is equally true to say that constant agitation in the Press over some outstanding grievance can sometimes move mountains.

For some months past we have been frequently agitating in these 'Notes' for a better lighting system in Barrack St which was one of the worst lighted streets in the town.

We pointed out that there was a redundant lamp lighting each night at Shanbally at the extreme end of Barrack Street, where it was of little earthly

use and we suggested that the bulb on this lamp should be transferred to the lamp in the centre of Barrack Street, which would have the effect of lighting up the whole street.

Only last week however did we succeed in 'waking up' the authorities concerned to the necessity of carrying out our suggestion and we were really glad when Mr J E Crowe the present active and efficient local representative of the E.S.B., informed us that he had received official instructions to have the bulb transferred from the Shanbally lamp to the one in the centre of Barrack Street, a change which he had quickly effected so that it is a pleasure to walk through the "East End" of the town at night now, instead of having to grope one's way through Climmerian darkness, as the respectable residents in this street had to do through some of the blackest nights of winter!

**A GRAND FEAST OF ENTERTAINMENT NEXT WEEK—**

On next Monday night, Miss Vic Lovings celebrated "Flash Parade Company" of Vaudeville "Stars" will open a seven-nights engagement in the popular Boathouse Hall—with a sparkling programme of Singing and Dancing, Mirth and Music, which will be interspersed with several of the most musical Pantomimes during the week.

When this Company first visited Cappoquin about a year and a half ago it was generally voted to be the brightest and best Variety Show ever seen here but as the Company has been considerably strengthened since then and now provides a more varied and elaborate programme in every respect, the large Boat house Hall should be packed with delightful audiences every night next week.

**THE BADMINTON CLUB—**

The members of the Cappoquin Badminton Club were "At Home" to the Youghal Club on last Friday night when the latter came to play a return Tournament with the local club.

Cappoquin had visited Youghal some weeks ago when they were defeated on the score of 10 games to 2 but they showed slightly-improved form on this occasion by reducing the former lead by one game, Youghal winning on Friday night by 9 to 3.

The visitors were subsequently entertained to a lovely tea by the Cappoquin Club and it must have been during this function that the spirit of Mr Troy DJ surreptitiously stole into the "Banqueting Hall" and gave him grounds for his remarks next day when on hearing some applications for dance licences he referred to the amount of butter tea and sugar consumed at such events while some of the poorer people were starving.

However despite Mr Troy's strictures we hope the people of Cappoquin will never lose their Irish hospitality as we seem to have the magic touch here of being able to "feed the multitudes" whenever they visit any of our social functions, just as freely in war as in peace.

An all-night dance followed, for which splendid music was provided by the "Brideside Serenaders Band" Tallow and a most enjoyable time was spent by all until the small hours of the morning.

**GREEN CROSS HURLING MATCH POSTPONED—**

The junior hurling match for the Green Cross Tournament between Tourin and Cappoquin which had been fixed for the Sportsfield here on last Sunday had to be postponed owing to the death of the sister-in-law of Mr P McCarthy President of the Cappoquin hurling and football club.

While no other course was possible under the circumstances, as Mr McCarthy is one of the oldest and most enthusiastic Gaels in Cappoquin it was a pity that death should have necessitated a postponement as the weather was ideal for a hurling match up to 5 o'clock while we have rarely seen the sod on the playing pitch so firm and suitable for a fast game.

Despite the departure of several of their best players to England the Cappoquin club had a nice team ready for the match and they felt quite confident of being able to give the 1942 junior hurling champions a good game but we hope they will have the same material and that they will be able to feel equally confident when the postponed match will be played on Sunday week 27th inst as owing to the important Divisional Board meeting here on next Sunday the match cannot be played on an earlier date.

With fine weather and the sod in the same condition as it was last Sunday this should be a game worth coming a long distance to see. Further details

**will appear next week NEXT SUNDAY'S DIVISIONAL BOARD MEETING—**

The meeting of the Western Divisional Board to be held in the CYMS Hall here on next Sunday should be one of the most important meetings of the year.

This will be the day for receiving affiliations from all the Clubs in the Division re-grading and transfers of players, making draws and fixtures and any other business requiring attention so that it can be seen what a varied and extensive agenda must be got through.

We hope that no controversial matters will be introduced to "prolong the agony," as we know that it will be the desire of the new and popular Chairman "Micky" Connors as well as the efficient Secretary Tom Kyne to have everything carried out in the smoothest and most expeditious manner on the occasion.

**A BIG LOSS TO THE WEST WATERFORD DIVISION—**

The recent transfer of the 1st Motor Squadron from Salterbridge to 'Somewhere in Eire' will mean a big loss to the GAA in the Western Division as this was the military unit which provided the brilliant McDermotts Junior football team which affiliated for the first time last year and won the Junior Co Football Championship outright in their first attempt. They were certainly a splendid lot of clean sporting Gaels who showed other teams how Gaelic football should be played and we are personally sorry to have lost them as they were all extremely popular in Cappoquin.

Of the other members of the 1st Motor Squadron, who were not prominent in Gaelic games we must also say that they too, were a fine body of men decent orderly well-conducted and well-disciplined while they had over them the grandest lot of sporting officers to be found in the entire Army.

Their departure will mean a serious loss to the business people of the town, as they are not to be replaced in Salterbridge while their sentimental loss to the young ladies will be irreparable and some of the latter are now sorry they did not avail of the privilege of Leap Year and "Pop the Question" before their lovers had gone away.

We wish the best of luck to the Officers and Men of the Squadron in their new Station.

**SUCCESSFUL ANGLERS—**

Dealing with the opening of the Angling Season a couple of weeks ago we remarked that certain local anglers can catch "Whales" while others cannot catch a "sprat" when they go out for a day's fishing on the Blackwater and the truth of this was fully exemplified on Tuesday when we met two of our most experienced anglers, 'Mick Sargent and "Willie" McCarthy, returning early in the afternoon with both their baskets full of splendid brown trout weighing on an average, from 1 lb to 2 1/2 lbs each. Other local anglers had been out the same day but had not been able to get anything but a good wetting so they should be green with envy when they read this "note".

**THE LAST DANCE OF THE SEASON—**

What was undoubtedly the last all-night dance of the season before Lent was held in the Boathouse Hall on Sunday night last but instead of attracting a record attendance, as expected it proved to be a very tame affair whatever the cause.

The weather undoubtedly, was against attracting a big attendance from the country districts but we have often seen boys and girls from the country travelling long distances to a

We understand the Annual Meeting of the above Club will probably be held some night next week for the election of Officers and Committee for the coming year.

This Club had a wonderful record last year, both in cycling and athletic events as Jimmy Foley and M J Sargent, Junr, upheld the honour of the town on the cycling track in many parts of the country, while Dan McGrath, proved more successful than ever on the athletic track.

As all the above have now started serious training for the coming season, we have every reason to hope that last year's record will be easily beaten by them during the Sports Season of 1944.

**Death Of Miss Margaret Whelan, Cappoquin**

We deeply regret to announce the death of Miss Margaret Whelan Barrack Street, Cappoquin, which occurred in Dungarvan Hospital on last Saturday night after an illness of about two months.

Deceased belonged to an old and respected Cappoquin family and was most popular with all classes of the people in her native town.

She had been in the employment of Mr "Bud" and Mrs Sargent for an unbroken period of 18 years which constitutes almost a record and proves what an upright, honest and faithful lady she was and her death is now sincerely regretted by Mr and Mrs Sargent and family, who had held her in the highest regard throughout this long period of loyal and devoted service.

Of a quiet and retiring disposition she was a great favourite with all, and her death at the ripe age of 65 years has now removed a popular and familiar figure from Cappoquin.

She was sister-in-law of Mr Patrick McCarthy, President of the Cappoquin Hurling and Football Club, and as a special mark of respect to him the Green Cross Junior Hurling match between Tourin and Cappoquin which had been fixed

for Cappoquin Sportsfield on last Sunday, was postponed to a future date.

Her remains were conveyed by Motor Hearse from Dungarvan to St Mary's Parish Church, Cappoquin on Sunday evening, the cortege being met outside the town by a large number of townspeople, including Rev T Dunphy, C.C., who received the coffin at the Church, where he recited the prayers for the dead.

Requiem Mass having been offered for the repose of her soul on Monday morning, the funeral took place at 2 o'clock on that day to Affane Churchyard when there was another representative attendance of the general public, which proved a fitting mark of respect to the memory of the deceased.

Rev T Dunphy, C.C., headed the funeral, and read the last prayers at the graveside.

The chief mourners were—Patrick McCarthy (brother-in-law), Miss Kathleen McCarthy, and Miss Kathleen Whelan, Lismore, (nieces), R McCarthy, (nephew), Pauline and Bridie O'Shea (grand-nieces), Roger O'Shea (grand-nephew), "Moss" Whelan, Tipperary, Thomas and Mrs McCarthy and family, Cappoquin, etc, (cousins and relatives).

Wreaths and Mass cards were sent by—Pat, Richard and Kathleen McCarthy, Thomas and Mrs McCarthy and family, "Bud" and Mrs Sargent and family, "Moss" Whelan, Meany family Dromroe, M J and Mrs O'Connor, Cappoquin, Pat Driscoll and family, Cappoquin, Cappoquin Hurling and Football Club, etc, etc.

**WATERFORD MAN MISSING**

Information is sought as to the whereabouts of James Keane (35) of Ballinagulke, Ballinamult, who has been missing from his home since Jan 27th.

He is 6ft tall of strong build, clear complexion, probably not shaved for some time, was dressed in an old brown suit, green pullover grey cap, strong boots. It is thought that he may be suffering from loss of memory.

**The Late Mr. J. Twomey,  
Clonkerdon House,  
Cappoquin**

**REGRETTED PASSING OF A  
NOTED AGRICULTURIST**

The recent death of Mr John Twomey, Clonkerdon House Ballinameela Cappoquin, has caused the deepest regret amongst the farming community of a wide area, as he was one of the most noted and extensive Agriculturists in West Waterford.

He was a native of Macroom West Cork and had resided in Clonkerdon for the past 25 years, and held a farm of over 300 acres. Of a strictly upright and honourable nature, and of unimpeachable integrity in all his business transactions, he had won a high place in the affection and esteem of his new neighbours in the Co Waterford and had retained this great respect and popularity to the end of his long and honourable life.

He was a remarkably healthy and virile man, and although he had reached a ripe age, he was able to take a keen interest in his extensive business until a few weeks before his death. A devout and exemplary Catholic all his life, he was father of Rev M Twomey, P.P., Liverpool, Mr James Twomey, Clonkerdon House, Mrs. Kelleher (widow of the late Mr J Kelleher Manager Bride Valley Stores Tallow), and Dr Fitzgerald, Walsall England, while he was connected with many of the leading families in West Cork and, through his son's marriage also had close ties with several of the best families in West Waterford.

His death in the fulness of years and honours is now deeply mourned by a wide circle of the general public but more acutely by the members of his respected family for all of whom the deepest sympathy is now felt in their sad bereavement.

The remains were removed from his late residence to Ballinameela Catholic Church on Thursday evening when there was a most imposing display of sympathy owing to the large and representative character of the attendance at the funeral, which proved a fitting and touching tribute of respect to the memory of the deceased.

Rev J Murphy C.C., Ballinameela received the coffin at the Church, where it rested for two nights, and on Saturday morning Solemn Requiem High Mass was offered for the repose of deceased's soul before a crowded congregation.

As the Rev M Twomey, P.P. (his son) could not arrive from England in time for the obsequies, (but arrived later in the day) the celebrant of the Mass was Rev J Murphy C.C., Ballinameela, there being five other Priests assisting at the ceremony.

Pending the arrival of Father Twomey, the interment in the adjoining cemetery was deferred until 4.30 (O.T.), when the final prayers were read at the graveside by Rev M Twomey P.P. (son) assisted by Rev Father Murphy, C.C., Ballinameela there being another large and representative attendance of mourners and the general public from West Cork and West Waterford assembled around the grave.

The chief mourners included Rev M Twomey P.P., Liverpool and James Twomey Clonkerdon House (sons), Mrs J Kelleher Tallow, and Dr Fitzgerald, Walsall, (daughters) Mrs J Twomey Clonkerdon House, (daughter-in-law) John Michael, Dermot and Thomas Twomey, and Mary Twomey Clonkerdon House, and Malread Kelleher Tallow ((grand children) Michael Twomey Woodfield House Coachford Co Cork (nephew) Mrs Ring, Rylane, Co Cork (niece), D Twomey, Woodfield, Co Cork, (grand-nephew) Commandant Hassett, National Army T Callanan P.C., Knockmeal, Ballinamult; James P Cashman Rockfield; Patrick and Mrs Hickey Ballinameela J Hickey, Redgate Mrs J and Mrs O'Connor Ballyphilip, Mrs P Power Castlequarter, etc., (cousins and relatives).

A large number of Mass were sent while numerous telegrams and letters of sympathy were also received, for which a suitable Acknowledgment appears in another part of this paper.

The funeral arrangements were very satisfactorily carried out by Mr P Walsh Undertaker Cappoquin.

**Tallow & Moorehill  
Notes**

**The Races**—The big day in the sporting world in Tallow has come and gone and while Mr Weatherman was not in a smiling mood still it held fairly well and there was a big crowd present from far and near and young and old had a very enjoyable day. Of course all the backers of horses did not win. Far from it and you could hear 'em say. If he only done this he'd have won but be that as it may sure its the Sport of Kings, and it's the glorious uncertainty of the turf that makes race-day so exciting. Local horse owners had a lucky day and when Mr D Heskin's "Green Minstrel" won the opening event many speculators were happy. Mr T Murphy scored the second local victory when he passed the post on "Springvale" and Mr P Curleys, old reliable, "Springfield Boy" made it a treble for the local owners and Mr Dan Kenneally who rode the winner received a great ovation on his victory. So backers on the whole had a successful day. The defeat of the Moorehill horse Major E P Maxwell's "Squirrel III," was a general disappointment but we hope to recoup our losses on his next outing.

The Committee in charge are certainly to be complimented on the excellent manner in which all arrangements were carried out and we believe that the course and the racing pleased everybody for we overheard a number of racing men remark that the Tallow course is equal to Fairyhouse. No small tribute so farewell race-day until 1945.

**The Race Dance**—One of the largest crowds ever seen at the Cinema Ballroom, assembled there on race night from far and near and even though the crowd was so large, it was very enjoyable, and the best of order prevailed. There is a glamour and a charm about those race-night dances which is missing the rest of the year. Friends meet friends whom they see only annually on this night of nights so everyone tries to make it a very enjoyable and social event and so it was and why wouldn't it, when the music supplied by the Brideside Serenaders would make the oldest man forget his troubles and dance the blues away and on race night they certainly excelled all previous performances and the strains of the National Anthem came all too soon for like all good things they come to an end.

**G.A.A.**—The Annual meeting of the local hurling club was held recently at the Temperance Hall. Rev Fr Meehan, C.C. presided and there was a good attendance of members. The outgoing Chairman Mr Noel Condon reviewing the work of the previous year, said the committee were to be congratulated on the state of the club financially and otherwise. The achievements of the various teams during the past season were outlined and he specially referred to the success of the senior team in reaching the county final and he complimented the members of the team on their outstanding display in the final and hoped that the clubs highest ambitions would be realised in 1944.

Fr Meehan said he was highly pleased to be appointed to a parish that could produce such a grand team. It was his first year with the club and he looked forward to seeing greater successes attend their efforts in 1944.

Mr D Doyle Hon Treas submitted the statement of accounts and balance sheet which were considered very satisfactory.

The election of Officers and Committee resulted as follows: President—Rev Fr Meehan C.C. Chairman—Mr, Noel Condon Vice-Chairman—Mr P Neville Hon Treas—Mr P Collins Hon Sec—Mr John Hartigan Assistant Hon Sec—Mr T McCarthy Captain of senior hurling team—Mr P Sheehan Committee—Messrs J Cunningham W Sheehan W Henley, P Malone and T McCarthy.

At the conclusion of the meeting a resolution of sympathy was passed in silence to the Condon family Templevalley in their recent sad bereavement.

**Successful Whist Drive**—On Sunday night last a very successful whist drive under the auspices of the Tallow hurling club was held at the Library, and there was a very large attendance present. A big number of tables being occupied. Representatives of all classes were among the attendance despite very inclement weather some travelling long distances

to be present. Very keen and closely-contested games were the order throughout the night, and some very interesting contests were witnessed. The winners were—Ladies 1st Mrs Walsh 2nd Mrs Prendergast and 3rd Mrs P Sheehan. Highest score half time—Miss M Hartigan. Gentlemen—1st Mr J McCarthy 2nd Mr J O'Neill 3rd Mr W Beecher. Highest score half time Mr J McCarthy. Special prizes for lowest score—Ladies—Mrs O Shea. Gent—Mr M Gallagher.

**Green Cross**—On Sunday last at the Tallow venue Ballyduff defeated Tallow in the Green Cross tournament. Both clubs fielded experimental teams and a very close game was the result and when the final whistle sounded the visitors were in front by a small margin. The attendance was on the small side.

**Memorial Fund Game**—On Sunday next a great inter county hurling contest will be staged at the Conna venue, for a valuable Silver Cup between Carrigrohilly and Tallow senior teams which clubs need no introduction to the sporting public, as some great displays have been the result of previous clashes between them. The proceeds of Sunday's game will be for the Heffernan Memorial Fund so all who like to help a good cause, and see a grand game as well are advised to make Conna their venue on Sunday next.

**Wedding Bells**—The Inch Catholic Church was the scene of a very pretty and interesting wedding recently, when two well-known members of the farming community of West Waterford and East Cork were united in the bonds of Holy Matrimony. The contracting parties were Mr William Browne eldest son of Michael and the late Mrs Browne Browne's Cross Glendine and Miss Maise Coughlan daughter of Mrs Johanna Coughlan, and the late James Coughlan Breeda, Inch. The bride was given away by her brother Mr John Coughlan and was attended by her cousin, Miss Peace Cashman Mr Wm. Griffin, cousin of the bridegroom was best man.

The ceremony was performed by Rev W Carey P.P. Killeagh. The bride who looked charming was attired in an artistic saxe blue frock and picture hat with accessories to match. The bridesmaid wore a lovely frock of shell pink with accessories to match.

The bridegroom is a very popular member of the farming community, who has made hosts of friends. He is also a very enthusiastic member of the Knockanore hurling and football club whose colours he helped to victory on many a hard-fought field. The bride is also a very popular young lady who has made countless friends by her bright and cheery disposition.

After the ceremony a reception was held at the home of the bride's mother and was attended by many friends which included the following as well as many others—Mr M and Mrs Riordan Ballyverne Mrs J and Masters Pat and Noel Gallagher Curriglass Mr and Mrs J O'Connor Cork Miss N Browne N T Glendine Mr J J and Miss R Coughlan Glendalough Miss N Keefe, Breeda Mrs T Neville Inch Miss M Barry Knockanore etc etc who one and all spent a most enjoyable time after which the happy couple left on their honeymoon, which was spent in Dublin carrying with them the best wishes of their many friends. Many valuable and serviceable presents were received by both bride and bridegroom to mark the auspicious occasion. We join with their many friends in wishing Mr and Mrs Browne health happiness and prosperity.

**Sunday Night's Grand Concert** Arrangements are now complete for the grand variety concert at Moorehill Hall on Sunday night when a first class and entirely new programme of plays music song and dance will be presented and we hope to see a record crowd present. A matinee will be held at 2.30 pm for the children and any others who wish to come but no children will be admitted to night performance. A children's question-time and singing competition will be held during the matinee and we are sure that record number will compete. Boys we are giving ye a hint on the quite—the girls are out to beat ye on Sunday so look out. Doors open for the matinee at 2 pm and for the night performance at 7.30 pm. Commencing at 8.15 pm. Admission 2/- 1/6 and 1/- So come early and avoid disappointment.

**Dramatic Recital**—Only one week more and the event so eagerly looked forward to will be an event we know that will not be soon forgotten. Every thing is being done by willing workers and there is no reason why our wildest hopes will not be realised. Last week when paying tribute to the musicians, we forgot to pay a tribute to Mrs Bowdren. We do so now. This lady has travelled widely and has played for many audiences and we feel confident that her music will be appreciated by all the many music lovers here. As for the dramatic performance, we do not want to say too much and spoil your pleasurable anticipation but you'll laugh until you can laugh no more. Laughter is a good tonic and a cheap one, so now is your time to indulge in a very pleasant tonic at a very moderate cost.

**Reassurance**—There is a certain gentleman in our midst he is remarkably shy and he is very much afraid of appearing in these "Notes" so we devote a whole paragraph to him to reassure him that we wouldn't dream of putting him in the "Notes" and if he reads this paragraph we know his manly heart will rejoice when he realises that he is safe. There is something very timid and shy about the dwellers on the south side of the Irish Rhine!!!

**Congratulations**—To Eamonn Bolger but we do think that he is taking a very unfair advantage when he locks himself into the telephone cabinet.

**Stray Thoughts**—February 14th was St Valentine's Day. We do not hear of any Valentines being sent now. Perhaps we are too modern and sophisticated to indulge in such a silly practice.

**Pancake Night**—Pancake night is very nearly here again. We

hope to be able to indulge this year because of the new flour. Perhaps this is another of the old silly practices, but a very pleasant one and associated with the memory of many who have gone never to return.

**Lent**—Lent begins on next Wednesday and it seems such a short time since Christmas that we marvel that Ash Wednesday can be so near again. Time is very fleet, we do not feel its passing until it has gone. One day there will be no time left for us but what will it matter if our souls are at peace with God?

**The Lass From Around  
Tallow Way**

One evening whilst strolling along Newtown road I was making direct for my sister's abode. When I met a young damsel so handsome and gay. They call her the Lass from around Tallow Way.

I enjoyed her immensely as we went along. The whole time being spent in a laugh or a song. I thought the year slipped from December to May. As I walked with the Lass from around Tallow Way.

As a modern beauty she stands out alone. Both powder and paint she did always disown. As nature's good looks come along day by day. To this pretty young Lass from around Tallow Way.

I'd travel thro' Germany thro' France and thro' Spain. I'd sail to America and swim back again. I'd face the wild ocean from Cork to Bombay. For to capture the Lass from around Tallow Way.

**A WARNING!**

ON Tuesday night last another pointer to the necessity of providing safe guards at the Quay, was given when a young man who was in town for Wednesday's fair nearly came to a tragic end when he walked in over the quay in the dark. A tide was running at the time and the unfortunate stranger was immediately in difficulties, due to the shock which he suffered. A number of men, who luckily were in the vicinity, came to his rescue. They were hampered by lack of light, but one of them used a powerful dynamo from his bicycle which helped the rescuers to locate the man in the water. Another looker-on went for a life-buoy and having gone to the other end of the quay near the Guards Barracks returned with a buoy from which the rope had been taken.

Relying on their own resources the rescuers eventually managed to get the man out of the water suffering from little else than a shock.

The occurrence as we have stated points out the necessity for having a railing or some safe-guarding system on the quay. With leads running to it from the principal streets and thoroughfares it is a menace in its unguarded condition.

This is bad enough, but what is worse still is the fact that the ropes on the life-buoys have been removed by persons who do not for a moment consider their duty to their fellowmen.

Do we have to wait until someone is drowned before anything is done. It has almost happened more than once in recent months and it is not much good locking the stable door when the horse has gone.

Let us hope that the local authority will take these occurrences as warnings, and move in the matter. It may happen that some unfortunate will fall in and that nobody will be at hand to help him out. What then—?

**AND NOW IT'S HERE—**

Six weeks ago the Communications Company LDF First Annual Ball seemed a long way off but now the night is at hand when dancers from North, South East and West will gather at the Town Hall Dun garvan to spend a few hours of friendly relaxation, dancing to the strains of the sweet music of the Hawlian Serenaders. All during the past weeks plans and preparations for the decorating of the hall have been going on and a real treat is in store for all on Sunday night. The Ladies Committee have surmounted all difficulties about the supper and the last couple will be as well looked after as the first. The officers and men of the Company have been allotted their jobs so that everything will dovetail and ensure the greatest comfort for the dancers.

The men of the Company especially the Committee are expected to turn up in uniform while for others evening dress is optional but we know as this is the last big dance of the season there will be many of the fair sex who will avail of the opportunity of sporting their evening frocks before putting them aside until the dancing season reopens again.

The dance promises to be a gala affair with the splash of military uniforms coupled with the black and white of the men and the multi-coloured frocks of the ladies. If you miss it you'll always be sorry!

**WEDDING OF MR H GLANVILLE AND MISS E LEA—**

The wedding, with Nuptial Mass and special blessing of Mr Henry Glanville and Miss Eileen Lea was solemnised by Rev W Westhead P.P. at St. Hugh's Roman Catholic Church Wavertree, Liverpool, on Wednesday 2nd February.

The groom who is an accountant with a large Liverpool firm is second eldest son of Mr J and Mrs Glanville Brigid's Terrace Dun garvan. Prior to going to England about 2 years ago he was well-known in town and throughout West Waterford where he has a number of family connections. He was a

valued member of the Reporting Staff of the "Dungarvan Leader" and later an employee on the Co Council Clerical Staff where he earned the greatest respect of his employers for his outstanding ability.

The bride is the only daughter of the late Mr H G and Mrs Lea Wavertree Liverpool.

The bride who was given away by her brother, Mr J Lea wore navy blue pinstripe suit and silver fox cape with spray of pink carnations and navy and pink accessories.

Miss Kathleen Glanville Chelmsford sister of the groom who was bridesmaid was similarly attired. The best man was Mr G A Lea, Wallasey, brother of the bride.

Following the reception at the home of the bride which was attended by a large number of friends the happy couple left for their honeymoon which was spent in Cheshire. We join with his host of friends in wishing Harry and his bride long life of happiness and prosperity.

**BIG SPRING INVASION**

Bikes bikes and still more bikes are infiltrating daily into Mick Doherty's bicycle shop in ever-increasing numbers where a great battle against faulty, damaged and worn-out parts is being waged with ever increasing momentum.

Of course it's not a fight of destruction but one from which your machine will emerge looking and behaving better than ever. Having based my strategy on efficiency Quick Service, and Reasonable Charges I am 'mopping them up' as they come (without any 'secret weapon') in a manner acceptable to all.

**SHROVE**

The Shrove period is coming to a close and lent begins next Wednesday 23rd inst. Unlike the olden days shrove is not now a time for many weddings. Brides and grooms seem to prefer the warm summer or the mellow autumn before taking the plunge. But the one custom still observed is the old one of pancake night, when plates of golden crisp pancakes disappear from the table like glistening frost before the early morning sun. Young and old enjoy the feast of pancakes after which comes the forty days fast of Lent.
