garvan UDC to strike the rates for the financial year ending March 3ist 1945 was held on Friday night last, Mr T McCarthy, Chairman presiding Also present were Messrs T A

McGrath, Ml Clancy and Ml Morrissey, TD Mr S J Moynihan Manager and Mr Michael O Meara Acting Clerk attended

The only press representa-tive present represented the

The ESB Restrictions And

a doctor would want light to at-tend to a patient in these houses at night but for the want of it a doctor would be no good and would have to go away and the

the Chairman "that the ESB Mi Williams solr said the facts as stated were correct. A penalty of 20/- was imposed the gun to be forfeited

Ejectment

James F Walsh Ballymullala applied for an ejectment order against Mrs Mary Hurton Bar
April 15th They had a bag of the Chairman "that the ESB were not within their rights in charging 10/- for reconnecting those who were cut off. The proof of that is that it is not charged now and the Council should ask the Board to refund the council should be council should be considered to the council should be council should be considered to the council should be considered charged now and the Council should ask the Board to refund the 10/- to all those who have been so charged previously

Mr Dwyer—According to the ration I was using in 1941 I am only allowed 2½ units for 2 months now That is very unfair In the case of small consumers the Poard should allot a sumers the Poard should allot a sumers the Board should allot a maximum ration and all should be treated equally

Mr Kyne said that when the reconnection is now done free all

refunded The Clerk was directed to

Clancy-Was it reported to the

Kilrossanty was charged (1) would be just as well to refer it

Mr McCarthy-It is worse now

too small for twenty houses It was decided to get a report

plained to him about the terrible of 1/- a load for weighing turf James Foley caretaker of the of attempting to obtain, and was within a few yards of the street sentenced to one month with of chippings from the Dickens hard labour on each of the first Leather Factory He said that 3 charges to run concurrently conditions there might cause an On his release from jail he went epidemic and he thought a rebranches and putting them in a On the release from Jan and got port on the matter should go on from the Council to the Co from the Council to the Co MOH on the matter The position was very dangerous from the public health point of view Some time back, as those who passed to the station knew the same offensive odours came from the marsh but the Borough Suryeyor but a stop to the dumping grass at the graveyard at Kilthere He had reported the matter during the week but no The Manager said he would ter

take the matter up A report was requested also on the offensive smell caused by an open sewer on the street going towards the slusheen when Mr Veale raised the matter

### CURDOLIX—a life-saver

CURDOLIX. I think at only

fair that I should let you know some of the results of this famous bottle

I sold a bottle of CURDOLIX to a man who had with scour. He had two of them buried with it, and the rest were in a dying condition. He drenched these with CURDOLIX and the following morning he had two of them on their feet again He purchased a second bottle for Calves with scour and had the versame success. There is no doubt but it is a wonderful cure

From an unsolver ed letter by G

CURDOLIX is obtainable in bottles 18/- and 36/- dozen. From Agents and Chemists or in case of difficulty direct from
