In a junior football match which followed between Sliab gCua (Touraneena) and Finnisk Rovers (Cappagh) play was inclined to be on the rough side at times but the game nevertheless provided a good exhibition of fast and robust football and was won by Sliab gCua by the narrow margin of 1 goal 2 points to 3 points Mr P

Ryan Dungarvan refereed this match in his usually strict and able manner

CHAMPIONSHIP MATCH— Cappoquin and Four-Mile-Water were to have met in the two events should clasn on the fone day because most of the prominent members and supporters of the West Waterford Hunt will be at the races in 'Glorious Tramore" so that their generous financial support will be missing from the Fete on that day

Monday August 7th (Bank Monday August 7th ( holiday) or some Sunday later is an extraordinary attitude for any club or team to adopt be-cause this fixture was made on a vote of 9 to 6 at the recent Divisional Board meeting held in Cappoquin

Cappoquin had only two votes majoriy of outside delegates in favour of having this match played in Dungarvan instead of m Modeligo as Four-Mile-Water had suggested

Everything being now fixed in this respect we have only to make the best of the matter and make the best of the matter and there was no Four-Mile-Water the was no Four-Mile-Water there was no Four-Mile-Water there was n delegate at the meeting, but the Secretary stated that he had re-ceived a telephone message from them that day staing that they would play Cappoquin in Model-igo Sunday July 23rd It seems a rather tall order for

any individual club to take it on itself to fix a date and venue usurping the authority of the Divisional Board which alone enjoys the perogative of making fixtures for all matches within its area

The match having been then fixed for Dungaryan by the clear majority of the Board, we think the Four-Mile-Water club is now reading on dangerous ground in thus ignoring the authority of the Board by refusing to play Cappoquin on next Sunday

Their complaint we understand, is that Dungarvan is too far away from them although the Nire Football team who live still further away had no ob-

For some time past the water

For some time past the water supply coming from the town taps has proved to be discoloured and sometimes muddy and many of the inhabitants have been complaining about it as this is the only water available for tea and all cooking purposes. Of course nobody can complain of this state of things after exceptionally heavy rain, but when it happens in the middle of a spell of fine dry weather it, would seem to indicate that the filter-beds in the reservoir near Moonabreeka from which the town supply is provided require a bit of overhauling, so we trust this matter will be attended to at the earliest possible moment.
