The Turf Position

Mr T McCarthy Chairman presided at a meeting of the Dungarvan Urban Council held on Friday night last Messrs T A Kyne J McGrath L A Veale and P O Dwyer were present Mr S J Moynihan Co Man ager and Mr Ml O Meara Acting Town Clerk attended

Urban Polling Centres The Secretary County Council forwarded a draft of a revised scheme of Polling Districts and places for the Co Electoral Areas and asked that the Council examine it and confirm that elephant than Deelish on objection be raised to its formal adoption

The Acting Clerk said that this dealt with rural centres

The following resolution was

Technical School one side of soon as money is available

Chairman—I agree with Mr Kyne—You could draw at ention to that nell St is awkward

tention to that Finally it was decided to ask the Co Registrar to have the lane and left of the Youghal Road and the other to be on the

the existing fence be rebuilt and time of sale repaired at an estimate of £12

(Manager's order—work to be onwards the merchants were

Mr McGiath—There is something in what Mr Veale says
Chairman—Who is going to take the responsibility of locking it at night unless you get a Council man to do it and pay him
Mr Kyne—I think the only possible solution is to give each one a key

Covered last year and no more could be cut as a result. The Co Council removes it early
Mi Dwyer—The stuff in the latter part of the year was just cut left a day and then shoved im—I'm aware of that
Mr Kyne—I think the only possible solution is to give each one a key

Covered last year and no more could be cut as a result. The Clerk—About fifty
Mr Kyne—But some already have Irish name plates. I think the principal streets should be done and these number about 14

Mr Kyne—The funny thing is that since we brought the matter up here the quality has in the pay because the council removes it early

Mr Kyne—But some already the principal streets should be done and these number about 14

Mr Kyne—The funny thing is the principal streets should be done and these number about 14

Mr Kyne—But some already the principal streets should be done and these number about 14

Mr Kyne—The funny thing is the principal streets should be done and these number about 14

Mr Kyne—The funny thing is the principal streets should be done and these number about 14

Mr Kyne—The funny thing is the principal streets should be done and these number about 14

Mr Kyne—The funny thing is the principal streets should be done and these numbers are there?

Mr McGrath—And if they don't keep the gate locked then it will be their own fault key be given to each tenant
Dealing with Quay Street Mr
Kyne said that he hoped the stuff was alright
Diage would be received. place would be repaired in the near future. He asked if it was the Council's responsibility to repair the drain there

Clerk—Yes Mr Kyne—I suggest that the place be piped and concreted as soon as the next grant is available. The text grant condition In its present condition it is a hardship on the 150 men working at the factory
Clerk—Up to this all grants

Vol 7

have been diverted to the pool
Mr Kyne—Too much has been

been spent ? Clerk—Roughly about £4 000

this dealt with rural centres. The following resolution was mostly and was not of much in- finally passed proposed by Mr terest to the Urban area

Dealing with the polling
booths in the Urban area Mr
Veale said it was peculiar that
While there was a booth at the roadway done in concrete as Shandon had to pass it and come down to the Courthouse to housing scheme Mr Kyne said to the thought this was he could not agree with the view of the courthouse to he could not agree with the view of the could not agree with the could not agree with the view of the could not agree with the could not agree with the view of the could not agree with t

should be in two divisions—commended that a number of down Youghal Road Mary St

3-roomed houses be included

Road and the other to be on the right

It was stated that such a change could not be contemplated until next year

Ruled Out

*A Typical Civil Service Letter

The Department of Supplies creel of turf cost 5/- now it under date March 23rd wrote as follows. Referring the Council's Justification for such an interest of the guality of turf available in the final too.

Chairman—Before the war a creel of turf cost 5/- now it letter of the 28th ult regarding the guality of turf available in the final too.

Chairman—Before the war a creel of turf cost 5/- now it letter of the 28th ult regarding the guality of turf available in the final too.

Chairman—Before the war a creel of turf cost 5/- now it letter of the 28th ult regarding the guality of turf available in the final too.

Chairman said it would be hard to ask anyone to keep the key and be responsible and he suggested that each tenant affected should get a key

Mr Veale—If you do that the gate will be left open because everyone's business is no one's business.

Managei—The fuel merchants should step in there and purchase the turf and store it. Turf should be cleared off the bogs as early as possible. The spreading ground on the bogs was all covered last year and no more.

Guard I propose that the Council accede to the Cumann's request I think too that streets called after Englishmen should be changed.

Mr Veale—What would be the cost of this?

Clerk—The two plates for Clerk—The two plates for Wolfe Tone Road cost £7 10s. Mr McGlath-There is some- covered last year and no more

Clerk—The Comeragh stuff was good too Mr Veale—I think the sale of estimates turf by cubic capacity would not Mr Kyn
