## CAPPOQUIN NEW SCHOOL BUILDING FUND

### Grand Concert in Aid of The Boathouse Hall

The proposed building of a New Boys' National School in Cappoquin has aroused unusual interest in the town and the generous and spontaneous manner in which all classes of the townspeople have supported the project augurs well for the success of this important work.

Rev T Fitzgerald P.P. and Rev T Dunphy, C.C. who have been the initiators of the scheme have received the most unstinted support from the parishioners in town and country and evidence of this was afforded on last Sunday night when a grand concert in aid of the Building Fund was held in the Boathouse Hall and was attended by an extremely large and highly appreciative audience.

The concert had been organised by Messrs M J Sargent, P.C. and F X O'Leary N.T., assisted by Mr Jack McCarthy B.A. Mr Sean Bell and other prominent townspeople and it proved such a musical and financial success as to be a distinct credit to the respective promoters.

Rev T Fitzgerald P.P. and Rev T Dunphy C.C. were amongst the crowded audience and they as well as all others present, fully appreciated and enjoyed the select and attractive programme prepared for the occasion.

The programme was opened with a splendid chorus "If You Ever Go To Ireland" this being followed with "Moonlight Bay" both of which were beautifully harmonised and sung with great success by the members of the entire Troupe who were as follows—The Misses Oona Flanagan, Maureen Keating, Philomena Mason, Angela Mason, Mary Lacey, Helen Curran, Biddy McGrath, Eily Lee and Messrs W J Sargent, J Clifford, F X O'Leary, N.T. R J Curran and M. Mason all of whom were loudly applauded for their splendid performance.

Mr W J, Sargent, had the honour of opening the solo parts when his beautiful tenor voice was heard at its best in the grand classical song "Passing By" for which he received a loud and well-merited encore to which he replied with another popular song "Vienna, City Of My Dreams" which he rendered with rare mastery and sweetness, which won for him a further round of applause.

A grand exhibition of Irish step-dancing was next given by Mr. T. Healy, Lismore, after which the audience enjoyed one of the best treats of the night, this being the beautiful duet, "Home To Our Mountains" (from "Il Trovatore") which was rendered in real operatic fashion by Miss Enda Whelan Mayfield, Lismore, and Mr Paul Twomey, Lismore. Miss Whelan, who is the accomplished niece of the late Mr Patrick O'Shea, Lismore the renowned operatic tenor possesses a beautiful mezzo-soprano voice of great range, purity and sweetness which blended perfectly with Mr Twomey's sweet and flexible tenor voice and the tuneful manner in which they rendered this popular duet won for them a storm of applause and encores to which they responded with another well-known duet, "Life's Dream Is O'er" which won further laurels for them from all parts of the house. Mr John Clifford, Cappoquin, who has a grand resonant Baritone voice, scored a notable success by his sweet and expressive rendering of "Bless This House," for which he was deservedly encored, when he sang the old favourite "Father O'Flynn," in a rousing and most effective manner, which was again warmly applauded.

Another of the rare treats of the night was provided by Miss Maureen Keating, Miss Philomena Mason, Miss Angela Mason and Miss Mary Lacey, who danced a four-hand reel in the most graceful and well-timed manner, which proved the four

pretty artists to be to be accomplished exponents of Irish dancing. This was certainly a beautiful turn to watch, and the clever performers received a veritable storm of applause at the close.

The atmosphere of the hall was now brightened considerably by Mr F X O'Leary N.T. the popular local comedian, who sang a humorous parody on "Sean O'Farrell," in the course of which good-humored topical allusions were made to certain local 'celebrities' which created great laughter and fairly brought down the house.

Miss Anne Sargent the pretty and accomplished young daughter of Mr M J Sargent who, by the way, is cousin of Miss Enda Whelan already referred to sang "Bonnie Mary of Argyle" in a remarkably sweet and artistic manner which showed that her beautiful soprano voice is gaining richness and range at each successive appearance at local concerts. She received a wonderful round of applause and a veritable storm of encores to which she responded by singing the soft and appealing song, "An Irish Lullaby" with even greater success for which she was again loudly applauded.

This completed the first part of the programme and during the interval a Question-Time Contest between teams of four each took place between Lismore and Cappoquin.

Mr Jack McCarthy B.A. was the Questioner and Mr Sean Bell acted as Compere both gentlemen performing their duties in the most efficient and impartial manner.

Lismore having only three of their team available Mr L D Duhne Cappoquin, was lent to them to complete the team which was then as follows—Lieut. Sheehan Messrs T Crotty, P. Moore, and L. D. Dume.

The Cappoquin team was as follows—Lieut. D Daly, W J Sargent F.X. O'Leary N.T. and John Flanagan.

It was remarkable that three former winners of this class of contest viz, Messrs J Flanagan, T Crotty, and F X O'Leary, were the first to be eliminated which gives some idea of the stiff nature of the contest, and after a very serious test amongst the remaining five competitors Lieut. D Daly, Cappoquin, was proclaimed the winner with 30 marks, Messrs W J Sargent, Cappoquin, and P Moore, Lismore, having tied for second prize with 20 marks each.

The contest proved a most interesting and informative feature of the programme, and the three successful competitors were warmly applauded at the close.

The second part of the programme opened with a grand Dance Scene, which was very cleverly executed, and greatly enjoyed by all.

Mr Paul Twomey scored a great success by his beautiful and expressive singing of "The Song That Reached My Heart" to which his splendid voice did the fullest justice, and in response to a loud and richly-deserved encore, he next sang "The Bard of Armagh," which won fresh honours for this gifted and popular singer.

Miss Maureen Keating won a loud encore for her beautiful and polished dancing of a Double-Jig, which she executed in rare style, after which a very musical and attractive "turn" was given by Miss Helen Curran and Mr John Clifford, who sang a humorous Duet, "Brian Oge" (in character), in the course of which their sweet and well-trained voices harmonised with great effect.

This was the first appearance of these two young artists at a local concert in Cappoquin, but judging by their sweet singing and the great "hit" which they made on this occasion, we know the people of Cappoquin will be anxiously looking forward to their next appearance at all future concerts in the town.

A Double Jig having been danced in classical style by Mr T Healy, Lismore, Miss Enda Whelan, Mayfield, do. won fresh honours by her musical singing of the beautiful song "One Alone," (from "The Desert Song"), in the course of which

## NINTH ORDINARY GENERAL MEETING OF THE DICKENS LEATHER CO. LTD.

The Chairman Dr M. A. Casey, presided at the Ninth Ordinary General Meeting of the Dickens Leather Co., Ltd. held on Tuesday, 24th April at Egan's Hotel Dungarvan. The other Directors present were—R. Dickens Managing Director, C R Strutt A.L.C. General Manager An Fear Mor, P A Casey The Secretary Mr S Kelleher.

B Comm read the notice convening the Meeting and also the Minutes of last General Meeting. These were accepted as correct and signed by the Chairman. The Report and Statement of Accounts were taken as read.

The Chairman then made the following statement—

"It gives me pleasure to welcome you to the 9th Annual General Meeting of the Company. The Report and the Accounts covering the year ended 31st December 1944 have been in your hands for the statutory period, and with your permission I propose to follow the usual procedure and take them as read. The Nett profit earned as shown in these accounts after making provision for depreciation Directors' Fees Corporation and Excess Corporation Profits Tax and Income Tax amounted to £1763. Adding to the Nett Profit Transfer Fees and the balance which was brought forward from the previous year, we get a total of £8010. Out of this amount there has already been paid a dividend on the Preference Shares for the half-year ended on June 30th, 1944 which required £244 leaving a balance to be dealt with of £7,766. The Directors recommend and ask your sanction for the payment of a dividend on the Cumulative Preference Shares for the half-year ended 31st December, 1944, amounting to £244 and the payment of a dividend on the Ordinary Share Capital for the year ended 31st December last at the rate of 10% per annum less Income Tax which will absorb £750 and the transfer to the General Reserve of £500 and to carry the balance of £6,272 to the next Account."

Nothing in the Balance Sheet calls for particular comment except you will note that the value of Stocks has increased by approximately £12,000 to £1,600 and this is mainly accounted for by a reduction of £8,500, in the Debtors and a change in the

Bank Account from a credit of over £5,000 to an overdraft of £3,700. After nearly six years of a World War, it must be gratifying to you all that your Directors have been able to maintain Stocks at this high level, thereby keeping your factory employed to full capacity. Had it not been for a stoppage of work due to a labour dispute during the latter part of the year, our output of leather would probably have been greater than that of previous years. As most of you are aware, our relations with our workers are again very harmonious and we look forward to a continuance of this happy position, and I am pleased to say the output at present is reach-

ing normal. This is made possible as the raw material we are now using is derived entirely from native sources. Your Company has not been able to purchase any East India Tanned Hides or Skins for the past few years and in my opinion it will be many a long day before there will be a free market again in those commodities. In fact in trade circles it is generally believed that there will be a world shortage of most types of leather for some years to come.

At no time was an opportunity missed by your Directors to procure for your Company the requisite machinery to process native hides and skins and I am (Continued on Page Six)

her rich and cultured voice simply thrilled the audience who encored her to the echo and she certainly, is another talented artiste whom the people of Cappoquin will be delighted to hear again in the near future. Miss Angela Mason and Miss Mary Lacey, next danced a Hornpipe with all their usual grace and charm and several other equally attractive items having been given by Mr F X O'Leary, N.T. who had acted as M.C., sincerely thanked the audience on behalf of Rev T Fitzgerald, P.P. for the generous manner in which they had supported the concert for such a worthy object, while he also thanked the various artistes for their kind assistance that night, as well as the various prominent gentlemen in the town who had so kindly assisted in organising the concert.

A splendid chorus, "The Chocolate Soldier," was then sung in a sweet and well-harmonised manner by the entire Troupe, followed by the National Anthem, which brought a most enjoyable and thoroughly successful concert to a close. The piano accompaniments for the vocal items were played respectively, by Miss Eily Mullins, Cappoquin, Mrs Violet McCarthy, Lismore, and Miss Enda Whelan, Mayfield do., while the violin accompaniments for the various dances were played in classical style by Mr Sean Curran, B.A., and Mrs. Curran, Cappoquin, who were also responsible for the training of the Cappoquin ladies in Irish dancing, whose brilliant performances were such a high credit to themselves, and also to their accomplished and esteemed tutors.

**Pretty Wedding In Cappoquin**

A very pretty wedding of great interest took place in St. Mary's Catholic Church, Cappoquin, on Tuesday morning, when Mr. Frank Walsh, only son of Mr. Joe and Mrs. Fanny Walsh, Upper Main Street, Cappoquin, was married to Miss Justina Walsh, younger daughter of the late Mr. William Walsh and Mrs. Walsh proprietors of "Walsh's Hotel," Cappoquin.

The bridegroom has been a trusted and honoured member of the Staff of the Cappoquin Branch of the Knockmeal Co-Operative Society for nearly nine years and was in charge of the Society's Branch at Ballyrafter, Lismore, for over three years, until the Society purchased the extensive premises held by the late Mr. James Ahearne, known as "The Wine Vaults," Main St., Lismore.

Since then he has been an able and esteemed member of "The Wine Vaults Staff," under the able management of Mr. John P. Walsh, a member of an old and respected Kilrossanty family and between the two Walshs, a remarkable prosperous trade has been developed in Lismore within the past couple of years.

A most obliging and thoroughly-efficient assistant, Mr. Frank Walsh now commands the highest respect of the people of Lismore and district, and enjoys as great a measure of popularity there as in his native town of Cappoquin.

Miss Justina Walsh, his young and pretty bride, belongs to an old and respected commercial family, the members of which have been prominently identified with the business life of Cappoquin for the past 80 years, or more. She is sister of Mrs. Maud McLoughlan the present proprietress of "Walsh's Hotel," Cappoquin and niece of Mr. M. F. Walsh P.C. auctioneer, and is a bright, pretty and accomplished young lady who has always been held in the highest esteem by all classes of the people of Cappoquin.

She was extremely popular in the Hotel in Cappoquin where her refined and obliging manner had won the respect and admiration from the town.

Evidence of the great popularity of both the contracting parties was afforded by the large congregation in St. Mary's Church on Tuesday morning for the Nuptial Mass which was celebrated by the Rev. T. Dunphy, C.C. who also performed the wedding ceremony.

The bride who looked beautiful in a pale blue costume with navy accessories and an artistic bouquet of lilies of the valley, was given away by her uncle Mr. M. F. Walsh P.C. auctioneer, while her sister, Mrs. Maud McLoughlan was matron of honour, and also looked lovely in a blue frock with navy accessories to match and also wore a pretty bouquet of lilies of the valley. The best man was Mr. Austin Walsh (cousin of the bridegroom).

After the interesting ceremony the bridal pair and their numerous friends drove up to "Walsh's Hotel" where a sumptuous wedding breakfast was served under the personal supervision of Mrs. Maud McLoughlan (the bride's sister), and a smart and efficient staff.

The happy pair later left by motor for Lismore where they caught the 10 a.m. train for Cork, where the first part of the honeymoon will be spent, and they were accorded a wonderful send-off by all, accompanied by the most sincere wishes for a very happy, successful and prosperous life during the long years which, we trust, are now before them.

Amongst those at the wedding breakfast in addition to the bridegroom and bride, the matron of honour, and the best man were—Mr. Joe and Mrs. Walsh, (parents of the bridegroom); Mr. Frank Meade station master; Buttevant, (uncle of the bridegroom); Mr. M. F. Walsh, P.C. Cappoquin, (uncle of the bride); Mrs. Gretta Burns, (cousin, do); Mr. Thos. Ryan, Cooneen, Miss M. Corbett, Deerpark, Mrs. Brohan, Gas Works, Lismore, Mr. John P. Walsh, manager, Lismore Branch, Knockmeal Co-Operative Society; Miss Alice Looby, do; Mr. Frank and Mrs. Kathleen Sweeney, Cappoquin, Rory O'Loughlan (brother-in-law of bride); Mrs. McLoughlan, Donegal, Mrs. Dorcas Porter, do; Miss B. Wade, Mrs. M. Keane, Kilbree; Mr. G. Cahill, Cappoquin, Mr. Austin Sargent, do; Miss Philomena Watson, do; Miss Rachel Lacey, do; Mr. T. Allen, Lismore, etc.

A large number of useful and costly wedding presents were received by the bridegroom and bride.

**The Passing Of Mrs. Morrissey, Baile-na-Scaiche.**

**A SIMPLE BUT SINCERE TRIBUTE TO HER MEMORY**

We, as a people, seldom appear to realise our loss, even when a grand personality of our very own, and truly Irish of the Irish, passes from us. This is true and pity it is 'tis true. Somehow, we do but rarely seem to develop a sense of real values. This deceased lady of Gaelic and Irish womanhood, endowed beyond the ordinary with admirable attributes of head and heart overflowed with native culture and with intense love of her neighbours in practical form from her teens to the very end of a long and arduous career, doing good, so bountifully and by stealth.

The divine finger of her beneficent and loving Master very gently and very calmly, indeed, beckoned her Home. Without pain or agony or distress did she pass to Him to receive from His hands her crown of glory so long, persistently, and perseveringly laboured, for here below, for despite all obstacles and they were many, she invariably put first things first. To those whose privilege it was to have contact with her beautiful mind and spiritual outlook, what delightful treats were theirs, and what an all pervading atmosphere of peace and optimism she created and developed by her very presence and while dispensing lavish hospitality in the home she loved so well—that rendezvous of the poor and afflicted to whose wearied souls she brought balm while ministering to their bodily needs.

Surely we can appreciate such thoughtful kind, and practical benevolence, not from other but the highest and purest motives, that of doing good for the Master's sake and because He wished it so.

She was of the old genuine stock that grand and noble stock which by its passing not only leaves a void impossible to fill adequately, but carries from us treasures of mind and soul whose depths we fail to plumb, and leaving behind minds and souls of inferior calibre and more material vision attributes hardly calculated to develop that grand peace we so eloquently, and so earnestly pray for.

What a grand mind brimming over with Irish culture was hers and how sincerely she loved our native Tongue of which she was a delightful exponent. What a pleasure and joy it was to listen to her mellifluous accents in the language of the Gael at its best. It was indeed music to one's ears and now unfortunately those gems of Irish literature of which she felt so justifiably proud have gone with her loving spirit and true Irishmen and women deplore this national loss for which now, alas! there is no remedy except to resolve to retrieve as many as possible of these extremely beautiful expressions of thought immersed in many of which is a spirituality beyond price.

The writer will always remember Mrs. Morrissey with counteremotions one, the pleasure of knowing her and appreciating her so intensely and the other, the sincere regret that she has gone from us modified by the very satisfactory thought that her great soul is at peace with her God beneath His Great White Throne.

I tender to every member of her family my heartfelt sympathy in their bereavement.

**Troop Meeting**—We had few latecomers this week and the attendance was good although one of the Wolves legged it to the Gaelic Field and one of the Wolfhounds went to Stoke's Field. Only one Scout had no hat, but staves were not quite as plentiful. After a little instruction in the way to handle staves each P.L. was handed a sheet of paper on which were certain directions which had to be carried out by each Patrol by 8.30 p.m. One of the directions was to bring back a cockle (dead or alive), and one of the questions concerned the "bus timetable and fares." A few fellows got the answer from the "horses mouth" by going to the bus stop. An interesting question on the list was "who were the first three members of the 4th Waterford to wear Uniform in 1930?" Do you know? It was difficult to fix on the winning Patrol as there was some slip in each case—but a number of Scouts would want to practice estimations. A game of "grab a stave" was played next. Scouts stood in a circle holding staves in front. At order "left" or "right" you had to change places and staves and if you dropped the stave you were out. The last man on the floor holding stave erect was A.P.L. Harry Shine who is therefore the Stave Grabbing Champ until the next game. Any Scout who can do so is to grab a stave for next Wednesday—a walking stick or clothes line pole won't do.

**Inter Patrol Cup Test**—The Patrol Cup Competition will be held towards the end of June and will be run on the same line as the Diocesan Cup Competitions. The following are the subjects for the test: Tent pitching, first aid, signalling, fire-lighting, knotting and general knowledge. Apart from tent pitching at which the full Patrol will take part, no Scout can enter for more than two items. Patrols are getting down to work and we hope to have a very high standard at the Competition.

**General**—P.L. Owen is laid up this week—natural causes—in case anyone thinks his Patrol got "tough" with him! Scouts should have a better chance of saving up now that the Carnival is over. The Library will open on Wednesdays at 7 p.m. instead of Saturdays and though this looks like a dodge to get Scouts on the premises in good time for the Troop meeting, most chaps prefer this time. Patrol meetings will be very important for Scouts who want their Patrol to win the Cup. "NI PANTHER."

**SENIOR CLUBS (BY "TAORHLIN")**

Stradbally are as yet unbeaten in County Championship football, and on Sunday last they had a meritorious win over the new combination Mountain Rovers who made the champions go all out in a game which pleased a fair attendance. The Mountain Rovers attack had not a good day, but with a little more experience they would be equal to the best. Anthony Power gave a polished display and if his inside forwards availed of the many passes which he gave them there would not be much in it at the final whistle.

The Kilrossanty-Army S.F. Tie billed for Portlaw on Sunday next I am informed must go by the Board. Kilrossanty, due to transport and financial difficulties are unable to make the journey, with the result the match will not be played.

I was an interested spectator at the Duggarvan v. Army (Co. Champions) S.H. challenge played at the Gaelic field Duggarvan, on Wednesday evening last. The game produced some very fine passages and at times hurling of a high standard was witnessed. I was very much impressed by the fitness shown by C. Moylan and W. Barron, and I was glad to note Paddy Daly was again in action with the Blues. He got a really smashing goal in the closing stages and made a gallant attempt on another occasion to even up for the locals. John Kiely had a very good game as also did Paddy Stack who is now beginning to make the grade. Jimmy Mountain is as reliable as ever, and he got good support from "Pad" Neville, M. Landers, and Tom Sheridan.

Army remark "Watch W. Barron will you Kenna" "I will if you get me a bicycle" replied the puffing Leix man.

Our inter-county hurlers travel to Fermoy on Sunday next where they will engage Limerick in the Field Tournament. The players selected will travel with the exception of M. Feeney who is unable to make the journey from Dublin and Mick Barry the Army who I hear is going into double harness the week-end. Vin Bastin very much in the news lately is coming all the ways from Renmore he is availing of the opportunity to have a run over the course in view of the Munster Championship match with Tipp in June. Willie Power of Lismore is getting a chance to show his mettle on Sunday next. I saw him play last year in junior competition and I was very pleased with his display. I hope he proves a find on Sunday next at Pairc an Gheara-taig.

The County Board seem to be coming very much under the hammer those days, particularly due to the failure of some Western teams to field out for championship engagements. I saw quite recently where a club delegate at a Divisional Board meeting said the County Board should be ignored. The particular delegate had a spin up the river last year for a breach of the rules and perhaps he would like another this year. Club players and officials are well acquainted with the rules, but a reminder will not be out of the way and note should be taken of Rule 29 page 59 O/G 1943, paragraph 4.

I was glad to note Percy Dillon is up and around again his leg injury received against Ballycoe is now on the mend and I hope to see him in training in the near future.

Waterford sent a motion to the Munster Convention. That Munster Council be asked to state the penalty, if any for players attending or competing at Sports Meetings which are not run under N.A. & C.A. Rules. Penalty—Disqualification until application for reinstatement is made to County Committee.

Waterford team to meet Limerick on Sunday next at Fermoy, at 3.30 p.m.

SENIOR FOOTBALL CHAMPIONSHIPS STRADBALLY DEFEAT MOUNTAIN ROVERS

Stradbally and Mountain Rovers met at the Gaelic field, Dungarvan, on Sunday last, to decide their senior football title in this year's championships, and the champions won after being well tested by the Rovers. The day was fine with a fresh breeze blowing across the field, and a good crowd witnessed a lively struggle, in which hard knocks were dished out in wholesale fashion, but nevertheless the game was played in a sporting manner, and with a little more team combination Mountain Rovers would be a match for any senior team in the county.

The team work of the champions was undoubtedly the factor that brought them victory, and although badly shaken at times they rallied in the second half to put the issue beyond all doubt.

The game was refereed by Mr. P. Ryan, who did his job well during the hour's play. Stradbally pressed from the throw and bringing play to the Rovers territory forced a 50 which was sent wide. From another free Stradbally lost a very likely score, and keeping up the pressure they had the Rovers defences all out warding off repeated attacks. When Whelan got possession he sent a nice pass which was connected by Cummins and sent over the bar for Stradbally's first point. Rovers then attacked but were stopped at midfield by Kiely and play was once more transferred to Rovers end.

Stradbally were now forcing play and had much the better of the ensuing exchanges but faulty place-kicking lost them scores. When Rovers attacked a foul at midfield spoiled their chances, and in another attack Power the Stradbally full-back cleared his lines in great style. Stradbally again had the Rovers defences tested, and their goalman was called on to save a hard shot. Stradbally added their second point from a 14 yards free per Kirwan and keeping up the pressure they were in again to register another point when Cummins sent over the bar from another free. Stradbally were having the better of the play at this period, but Mountain Rvs were going all out and contesting every inch of ground. Excitement prevailed when the champions tried hard to break through for a goal, but Moloney O'Keefe and McGrath cleared time and again. A free sent the Rovers on the attack and Power was only inches wide for a score. Orpen sent Stradbally into the attack once more when he sent a long shot down the field but O'Keefe fielded for Rovers and cleared in convincing style.

With the play now in the champions goalmouth, great excitement prevailed as Mountain Rovers tried to battle their way through, but the Stradbally backs proved sound and after some hard rushes the ball was cleared and soon afterwards McGrath gave the Rovers their first point when he sent over from a free. Rovers now made a spirited attack on the Stradbally defences and had the back line somewhat bothered for a while but they failed to score and Kiely's fine clearance put the Stradbally forwards on the move and as a result of a nice passing movement Whelan sent over the bar for another point to leave the half-time scores—

Stradbally 4-0  
Mountain Rovers 0-1

The second half opened very lively and the Rovers were first to attack but Power was sound in the Stradbally defences and cleared well down the field. The Champions were now going all out to decide the issue, and holding only a goal lead, they were taking no chances, and it was evident they were taking matters very seriously. Whelan rallied his men and getting possession he sent his forwards attacking, but the Rovers defences were still a force and play was returned to mid-field. A free to Stradbally put them in good position for a score, and Kiely sent in a nice centre which was fisted over the bar by Connor for a point for Stradbally. Keeping up the attack Stradbally were almost through again when the ball was driven in by wide Fleming, in the Stradbally back line was now called on to clear and he broke up a Rovers rush and sent the Stradbally forwards attacking but when play was again transferred to Stradbally territory Rovers added a point to their score from a free. Lively exchanges marked the play during the next five or ten minutes, and with Stradbally putting all they had into the

game, the Rovers defences were sorely tested. Stradbally, after some great rushes broke through and from a nice hand-passing movement the ball was driven to the net for a goal, to give the champions the substantial lead of 1-5 to 0-2. Rovers nothing daunted attacked again, but the Stradbally backs were very solid and play was soon transferred to the Rovers territory where from a free Whelan put Cummins in possession the latter sending over the bar for a point. After some more attacks by Rovers, which resulted in a number of wides, the Stradbally forwards were soon in again, and Connors made no mistake when he added another point to Stradbally's score. Rovers were still playing a great game, but the champions were now on top and with some more attacks by both sides the final whistle sounded leaving the scores—

Stradbally 1-7  
Mountain Rovers 0-2  
The teams were—  
Stradbally—J. Colbert, A. Fleming, J. Power, J. Kiely, N. Connors, T. Veale, M. Keane, P. Kiely, P. Kirwan, J. Veale, K. Whelan, J. Orpen, J. Cummins, R. Hickey, M. Connors  
Mountain Rovers—E. McGrath, M. Whelan, T. Power, J. Moloney, J. Power, J. O'Grady, D. Sullivan, T. O'Grady, J. McGrath, A. Power, P. Ahearne, J. McGrath, J. O'Keefe, W. Ryan, M. Power  
In a friendly challenge prior to the senior football game, the junior hurlers of Cathal Brugha's and St. Augustine's met, and after a rather tame game the Brugha's won in great style although playing with only 14 men. The final score read—Cathal Brugha's 2-2, St. Augustine's 1-3.  
Mr. D. Sullivan, refereed.

Death of Well-Known Farmer—Mr. Denis Hasset, well-known Mid-Waterford farmer died at his residence Ashdown, Kilmacthomas, on Thursday evening of last week. Sympathy with the bereaved relatives comes from all parts as the deceased was widely known and deservedly respected throughout a very wide area. The late Mr. Hasset had reached a ripe old age and his death which came after a long and protracted illness brought to an end the life of a most charitable and honest gentleman who had always been a friend to the needy. His funeral to Clonea Parish Church took place on Friday April 20th, and was attended by a very representative gathering of friends and sympathisers. Burial took place on Saturday morning in the adjoining cemetery after Requiem Office and High Mass had been celebrated for the happy repose of his soul.

many messages of congratulations as well as a number of presents. We join with the faithful of the district in wishing both Sisters many more years in the service of God. Left For England—Among the number who left these districts during the week was Miss Maudie Beatty, St. Anne's Tce., Kilmacthomas. Miss Beatty, who is well known in this district, has left to take up a responsible and remunerative position in Britain. Our Congratulations are cordially extended to Miss Statia Kiely, Bonmahon, and Mr. James Kiely, Carrigcastle Ballylanean on the occasion of their marriage which was celebrated at Kill during the week. Further Success—Faha Amateur Dramatic Society added to their list of successes on Sunday night last when they gave another production of the 3-Act Comedy "Look At The Heffernan". The production on this occasion was at Portlaw and was witnessed by a packed audience who gave voice to their appreciation of the play by their prolonged applause. Green Cross Collection—A very worthy object was supported at Kilmacthomas at Sunday's Mass at the Convent Chapel when a large number of people contributed to the collection which was made by the Green Cross.

Clerical Changes—It is with feelings of regret that the parishioners of Kill learned during the week of the pending departure of Rev. Michael Power, C.C., Kill. Father Power who has administered to the spiritual needs of the parishioners of this parish for a number of years past, will take up religious duties at Clonmel on Saturday next. He is a native of Rathgormack, and during his period of administration in Kill he earned the highest esteem and commanded the respect of all classes in the parish. L.D.F. Medals Presented—Members of the Kill and Ballylanean Platoons who shared honours in the District Platoon

competition held at Ballylanean during 1944 were presented with medals on Thursday night last. Captain J. Fitzgerald, representing the Area Commander, paid a glowing tribute to the winners, and expressed the wish that the members of these platoons would continue to give the same loyal and efficient service as they had done during the early stages of the emergency. Camogie—Kilmacthomas camogie club, who have issued a challenge to Dungarvan, will meet the Co. Champions at Leamybeg, on Sunday next. This fixture has proved to be a great incentive to the local team and practice is being held nightly at 7.30. Clonea camogie team will meet Carrickbeg in the first round of the championships at Portlaw on Sunday week, May 6th. Kilmacthomas will meet the winners in the second round at Portlaw on Sunday, May 13th. It is pleasing to note that twelve camogie teams have affiliated in the East, and the West are doing pretty well with them. Pension Committee Meeting—The quarterly meeting of the sub-pensions committee (Kilmacthomas Branch) was held at the Temperance Hall, Kilmacthomas, on Wednesday. A very

large number of applications were successfully dealt with.

A JUST PEACE Appeal By The Bishop Of Waterford

Unless there was a just Christian and human peace, all the fighting, bloodshed and sacrifices of the present war would have been largely in vain, said the Bishop of Waterford and Lismore, Most Rev. Dr. Cohalan when administering the Sacrament of Confirmation at St. John's Church, Waterford. He urged the faithful to offer up their prayers during the May devotions for the Pope's intentions towards this end. They in Ireland, he said, thought that they had suffered somewhat themselves, but what he asked, were these sufferings compared to those which had to be endured by people who had been in the centre of hostilities for almost six years. He exhorted children especially to pray that through the intercession of the Blessed Virgin, the rulers of the world would be inspired to arrive at a Christian, just and lasting peace.

FOOD POSITION SERIOUS

THE need for increased food production in this country was never more urgent since the start of the emergency period than it is now The people in this country must and will have to provide sufficient food for themselves for a long time to come Wishful thinking by many that conditions will return to normality in a short while is fallacious as there is no doubt but that conditions throughout the world will be upside down for many years yet

Famine is raging in many countries where the devastations of war have totally destroyed entire nations and the amount of food available for the people of these countries is not sufficient to meet their necessities. Due to the prosecution of the war there is a shortage of farm implements seeds cannot be sown in many countries, so that the surplus of the chief producer countries will be nothing like enough to meet the demands from those places over which the shadow of death famine and pestilence at present hovers.

If we realise these things as stark truths, farmers must see that there is no justification in slowing down in food production, and not alone farmers, but also allotment holders and gardeners. On the contrary there was never a greater need for an increase in production than at present, and we must utilise every means in our power

to ensure that there will be enough for all within our shores

The all-important factor at the present is time Every day must be used and as much tillage as possible done Wheat potatoes and crops in general for human and animal consumption are vitally needed if the nation is to weather the critical period ahead We have proved in the past that we can rise to the occasion—let us prove it once more by speeding the plough and preparing for a record harvest in 1945

glad to say that we find ourselves in a very fortunate position in this regard Your machinery is being maintained in the best possible condition under prevailing circumstances but owing to the very abnormal demands made on it since the Emergency began necessitating some of the plant working 24 hours daily and to the difficulty of getting replacement parts your Directors consider that the wear and tear allowance for Income Tax purposes is totally inadequate, more especially as most Tanning machinery is working continuously at high speed under wet conditions. Consequently, the rate of deterioration is high in comparison with other industries and due regard is not paid to this by the Revenue Authorities. Your Directors submit that there should be an annual allowance free of tax set aside out of profits to form the nucleus of a fund for the purchase of plant to replace worn-out and obsolete machinery. A scheme of this nature is in my view essential and long overdue if Irish industry is to have any hope of competing against the products of modernised foreign industry. Reading the British Accountants Journal recently I find that the British Chancellor of the Exchequer has already decided that there will be a special initial allowance of 20 per cent of the cost of the new plant and machinery and that an obsolescence allowance will be given when plant and machinery is scrapped whether it is replaced or not. He further proposes to allow 10 per cent annual depreciation off all industrial buildings so that their complete cost will be written off in 45 years.

Under our present unbearable system of taxation which is gradually crushing Irish industry I feel that we cannot have the efficient and economical production of goods that is expected of us unless some alleviation is quickly forthcoming. If no change is made I can foresee many of our new industries getting into difficulties both mechanically and financially before many years. So I make this appeal that our essential industries should no longer be considered as Revenue-extracting devices by the Department of Finance but should be assisted to become as proficient as possible in order that their products would be available to the consuming public at the lowest prices.

Last year I referred to the prices of our products. Today I can repeat that we are supplying our Customers with a superior article at a much lower price than English Boot Manufacturers can procure from English Leather Dressers. This is no mean achievement but to maintain this high standard, it is essential that through a liberal obsolescence allowance we must be able to keep our Plant thoroughly up-to-date.

Again I must record my deep appreciation of the help and co-operation given to our industry by the various officials of the Department of Industry and Commerce and the Department of Supplies. Through their assistance we are taking our full part in supplying the essential leathers for the manufacture of boots and shoes for the comfort and well-being of the people of the country as a whole. In the present very unsettled state of Europe it would be idle speculation to look too far into the future. I can say that we are very favourably placed from the points of view of stocks of hides and necessary processing materials and you can rest assured that your Directors are ever watchful of your interests. I feel therefore that we can look forward to the coming year with every confidence.

I am sure you will join with me in paying tribute to the loyal services given to the Company by my colleagues on the Board, by the Managing Director Mr R. Dickens, the General Manager Mr C. R. Strutt, the Secretary, Mr S. Kelleher and each member of the staff and employees throughout the year.

He then moved the adoption of the Report and Accounts which was formally seconded and unanimously approved. Dividends at the rate of 6 1/2 per annum on the Cumulative Preference Shares and 10% on the Ordinary Shares for the year 1944 were moved and sanctioned by the meeting.

The retiring Director, Dr M. A. Casey, and the Auditors, Messrs. Kennedy, Crowley & Co., were re-elected and the meeting terminated with a vote of thanks to the Chairman, Directors and Staff. Reverend Fr Walsh, arrived

**CAPPOQUIN NEWS**

**NEW SCHOOL BUILDING FUND**

We give elsewhere in this issue an extended and detailed report of the successful concert held on last Sunday night in aid of the above Fund and we are now asked to announce that a further appeal for financial support of this deserving Fund will be made in the Boathouse Hall on Sunday night May 6th when a great Jumble Sale and Drawing of Prizes etc., will open at 7.30 immediately after the Evening Devotions.

The proceedings will be enlivened by several concert items and other attractions so that the public can enjoy a most delightful night's entertainment, while supporting a very worthy cause at the same time. Further details will appear in later issues.

**NEXT SUNDAY NIGHT'S DANCE**

No dance of any consequence having been held in Cappoquin since Xmas, even St. Patrick's Night, and Easter Sunday night being two 'blanks' it is no wonder that most of the "dancing fans" around the town and district are now so anxious for the opportunity of enjoying a good night's dancing, after such an unusually prolonged period without some dance.

The Officials and Committee of the Lawn Tennis Club are providing all a chance of enjoying one grand night's dancing on next Sunday night 29th inst. when the Second Annual Dance of the Club will be held in the Boathouse Hall which is already being looked forward to as the "leading social event in the town". The officials are sparing neither time trouble nor expense in making preparations for this function which should ensure its being one of the most delightful and successful nights' enjoyment experienced in the Boathouse Hall for many years. For full particulars see advt in this issue.

**ANOTHER VICTORY FOR CAPPOQUIN CAMOGIE TEAM**

The members of the Cappoquin Camogie team were 'at home' on last Sunday to the members of the recently-formed Glen Rovers Camogie Club, Lismore who without much practice or experience pluckily travelled over to play a friendly challenge match with Cappoquin in the local sportsfield.

The Glen Rovers players appeared to have little experience of the game so far so that Cappoquin had no difficulty in winning a one-sided game by 5-1 to nil.

**INTERESTING GREEN CROSS SH MATCH**

Immediately after the camogie match Dungarvan senior hurlers lined out against Cappoquin the winners of last year's Co. Junior championship who were now appearing as seniors for the first time.

Dungarvan opened the scoring with an early goal, which they followed up with a second major before Cappoquin got their first point which was quickly followed by another minor score. A long succession of wides then followed at both ends, and fast and scientific play was maintained by both teams until half-time when Dungarvan led by 4 gls to 3 pts. Dungarvan scored 2 goals in the second half while Cappoquin added 1 goal and 3 points which gives some indication of the even nature of the play in this half. The final whistle left Dungarvan winners on the score of 6-0 to 1-6 for Cappoquin. Mr M. V. O'Donoghue refereed.

**EXCITING LOCAL GAMES**

For the purpose of keeping both teams fit an interesting challenge match was played in the Sportsfield on last Friday night, 20th inst. between this year's new junior hurling team and the senior team, a fast and robust game was witnessed, which was won by the juniors by a rather comfortable margin. The seniors challenged the juniors to a return match which was played here on Wednesday evening when after a most exciting game the seniors won by two points.

**THE NURSING ASSOCIATION DANCE**

We wish to remind the public once again that the postponed dance in aid of the Cappoquin

later and was very warmly welcomed by the Company present. He spoke eloquently on the necessity of increasing the volume and number of industries in Eire.

Mr John Beresford voiced the farmers interest and advocated the initiation of a scheme for the collection and use of farmers "casualties" which are not inconsiderable, and while giving some compensation to the farmers, it would at the same time supplement the raw materials for the leather, feeding stuffs and artificial manure trades.

District Nursing Association will be held on Sunday night, May 13th, when splendid music will be tendered by the popular Brideside Serenaders Band, Tallow so that those who have been appreciating the presence of a Jubilee Nurse here recently, as well as for many years past should not forget their obligations to the Nursing Association by giving this dance their most generous support on next Sunday night fortnight. Look out for further details next issue.

**BEREAVED**—Our sincere sympathy is extended to Mrs Biggs, and Mrs Martin, Abbeyside (sisters) and to Mrs Laurs and Miss Biggs (nieces) on the bereavement suffered by them through the death of Mr John C. Bain late of Ivy Brook, Boyle son of Rev. John Bain one time Rector of this parish which took place at the residence of his son-in-law, Gothic Lodge, Boyle on April 20th 1945.

**GAA—Dungarvan And Army In Brilliant Game**

Had the 3rd Batt Army (Co. Champions) turned up on time at the Gaelic field Dungarvan, on last Wednesday night, an excellent senior hurling match would have been witnessed but due to failing light the full time could not be played. The match was one of the best hurling games witnessed for a long time and had Dungarvan availed of all their scoring chances they would not have been behind at the close of play.

The first half of the game was not productive of any good hurling and the Army led by two goals to two points for Dungarvan (per Stack and Barron).

The second half opened with a fast point by the Army which was soon followed by two other minors and at this stage the Army team were all over Dungarvan. At this point the Dungarvan boys roused themselves and pressed the Army backs but faultily finishing destroyed grand centres by Barron, until Daly receiving again from Barron. After further pressure Good pointed and great efforts were made to get the equalising goal. The Army transferred play and Butler in the Dungarvan goal brought off some fine saves. The Dungarvan team again put on a spurt, but the forwards again failed to register and at this stage failing light made it difficult to follow the flying ball. Barron, after a magnificent solo run sent in a stinger which was well saved by the Army goalkeeper and despite every effort the home team could only score a point to which the Army replied with a like score leaving the final total—Army 2-4 Dungarvan 1-4.

Sgt P. Graham (Army) is to be highly commended on his fine refereeing of the game which gave thorough satisfaction to the spectators. **Brickies And Finish Rovers Draw**—An experimental Brickey Rangers football team held Finnisk Rovers to a draw at Whitechurch on Sunday last, in a fast clean game.
