Late Mrs. M. Hackett. The Beeches, Dungarvan

It is with profound regret that we have to record the news of the death of Mrs May Hackett The Beeches Dungarvan Co Waterford which took place at her residence on Sunday last June 10th The death of one who was held in such high esteem by all who knew her came as a severe shock Although the late Mrs Hackett had been in ill-health for some years her passing was all the more poignant by reason of the fact that her life was spent in extending the hand of friendship and generosity to all those who need-ed it The deceased was one of the most popular ladies in the county and her popularity was expressed by the number of people who came to pay their last respects. It is no expressed last respects It is no exaggera-tion to say that her many works catered for by the local Gaels
