CAPPOQUIN NEWS

SUCCESSFUL GARDEN FETE—The great and widespread popularity of the Cappoquin District Nursing Association was proved on Friday 29th ult. (Thanksgiving Day), when a garden fete was held in the picturesque grounds of the Rectory in aid of the funds of the Association, through the great kindness of Rev J O'Loughlin, M.A., Rector and Mrs O'Loughlin, which proved a striking success.

Following the annual meeting of the Nursing Association in May Lady Eleanor Keane, Chairman and Mrs D Keane, (Tivoli Hon Sec) appointed a special 'Entertainments Committee to make all preparations for the Fete as follows—Mrs R Chearnley, Salterbridge Mrs R McGrath, Mill Street, Sheila White, Derrinhee, Miss M Kerfoot, Miss Helen Curran, Messrs M J Sargent P C Jack McCarthy B F X O'Leary N J Sean Bell W J Sargent, Fred Gardner, George J O'Connell and Sam Hick, and it must be said that the above ladies and gentlemen fully and loyally carried out the duties for which they had been appointed. Messrs J O'Connell and J McCarthy were appointed Hon Secs of the committee and with the active assistance of Miss Bell, Treasurer, the most elaborate arrangements were made to ensure the success of the Fete.

In addition to the above a miniature "army" of helpers of ladies and gentlemen from the town also volunteered their services so that the admirable manner in which all the arrangements were carried out reflected the highest credit on all concerned. In this connection special mention must be made of Rev Mr O'Loughlin and his graceful and amiable wife for their kind co-operation and invaluable assistance on the occasion for which the officials and committee of the Nursing Association feel deeply grateful.

The programme was opened by the singing of the Irish National Anthem and the playing of the national hymn. The parade from the Square to the Rectory grounds which was headed by the Cappoquin Brass and Reed Band playing a stirring selection of marching tunes ended in a most impressive and spirited of gaiety and animation into the proceedings. Some very pretty and original costumes were worn by the hour of the parade and on arrival at the grounds the judging took place when the following were declared the winners—1st Miss Brenda O'Connor and Miss Mona Sargent, 2nd Miss Sheila White and Miss Mary Lacey (the new President, and her wife) 3rd Master Frank Mulligan, Dublin. (An Irishman).

The Rectory grounds had been specially prepared for the occasion and looked remarkably fresh and neat while the bright and fashionable dresses of the ladies were a welcome and most colourful scene. There was a very fine attendance not only from Cappoquin and district but also from Drogheda, Lisnare and other centres including the Dean of Lismore and Mrs Stalley. Games of almost every description were indulged in during the evening. Lawn Tennis and Clock Golf were particularly well patronised by the adults while the Jumble Sale attracted much attention and all the other forms of entertainment were liberally patronised. The Tea (Stalls and Mineral) Bar were also kept very busy while the pretty and courteous young ladies in charge proved an additional attraction for all.

The programme of music which greatly enlivened the proceedings and after several hours of real enjoyment and high-class entertainment the Rev J O'Loughlin, National Anthem concluded a grand programme which had proved a great social and financial success. It was originally intended to wind-up the evening's sport with a grand dance in the Boat-house Hall on Friday night but owing to the death of Mr R J Colleder, ex-NT Vice-President of the following Club on that morning the dance was postponed as a mark of respect to his memory and was not held until the following Sunday night. Like the Fete, this event also proved a most successful one although the night was wet and cold there was a surprising attendance of young ladies and gentlemen from the town and the adjoining areas while the splendid music provided by the local "Marino Dance Band" greatly enhanced the pleasure and enjoyment of all.

PRETTY WEDDING AT MOUNT MELLERAY

St. Philomena's beautiful new Church in Mount Mellereau was the scene of a very pretty wedding of great local interest on Thursday morning 28th ult. when Mr Patrick Cunningham son of Mrs E Cunningham, Shanbally Cappoquin and the late Mr James Cunningham was married to Miss Mary O'Donnell daughter of Mr Joseph O'Donnell, Shanbally, and the late Mrs O'Donnell. The bridegroom who is better-known amongst his friends as "Paddy" Cunningham is one of the most popular Gaels in West Waterford and has been the able and energetic manager of the Cappoquin hurling and football club for several years and has never spared himself in forwarding the interests of the Club. Mr Cunningham is a member of the Cappoquin Athletic and Cycling Club and the Cappoquin Rowing Club so that he can safely be described as one of the leading all-round sportsmen in Cappoquin while as a decent and generous social character, he has few equals in the district. He has been for years the senior motor driver on the staff of Messrs J O'Connor and Sons, egg and poultry exporters, Cappoquin, and in this capacity he

is widely known throughout the county in this case in justice to Mr F Murphy the efficient County Librarian and his popular staff. A MODELIGO MAN LORD A MAYOR OF CORK—Highest congratulations are extended to Mr Michael Sheehan C.O. Merchant, Cork, who was elected Lord Mayor of Cork on Monday last.

Mr Sheehan is a native of Modeligo parish. He is a leading sportsman being particularly interested in greyhounds and is well-known in Cappoquin where he has been a great favourite for many years. His election to the highest position in the gift of the Cork Corporation is a great honour to Modeligo while the parish of Aglish has also been honoured by having an Aglish man, Mr Kenneth Kenneally, elected as Mayor of Waterford for the coming year. G.A.A. MATCHES—Cappoquin minor hurlers travel to Lismore on Sunday next to play Eire Oge (Lismore) on their home grounds and a fast and scientific game should be the result as there are several first-class young hurlers on both teams. A junior hurling match Dungarvan v Brickey Rangers originally fixed for Cappoquin on Sunday July 15th (Sports Day here) has now been changed to Sunday July 29th.

POPULAR GAEL AT HOME—Mr Michael Glavin who went to England to work about two years ago arrived home on his first holiday on last Saturday morning. He was warmly welcomed by his numerous relatives and friends at 'The Cornerstone'. He was a prominent G.A.A. man here some years ago being a splendid player on the Cappoquin hurling team and all his old friends are delighted to see his looking such a perfect picture of health and good spirits and all wish him a very pleasant stay while he remains near the fertile valley of the beautiful Irish Rhine.

"EAST OR WEST"?

A reply purporting to be signed by a member of the representative of the town of Cappoquin was handed to us during the week in connection with the letter from our Cappoquin Correspondent which appeared under the above caption in our last issue. We refused to publish this letter as the signatures in our opinion were not representative of the names of nearly all Cappoquin men and all the professional men being absent and also for the following reasons—1 To ensure publication of correspondence of any kind it must be in a form which is not too verbose and long-winded as space is limited and preference must be given to important news items. 2 The letter does not deal with the facts fairly and a biased view is taken and the scribe never penning his epistle did not acquaint himself of the facts of the case. A little investigation on his part would satisfy him that our Cappoquin Correspondent had justification for his action. 3 The issue has already been dealt with by our Cappoquin Correspondent and a copy of the Co Camogie Board and further correspondence except from either of these parties cannot be entertained as the present correspondence departs from the points originally raised. 4 Personal attacks on anybody will never be countenanced or published in the Dungarvan Leader.

Anti-T.B. Joint Committee Formed

At the annual meeting of the Waterford Co Council held on Thursday June 28th a decision was made to form a joint Anti-T.B. committee to discuss with members of the Dungarvan Urban District Council and to make recommendations regarding the problem of tuberculosis in the County. The members appointed by the Co Council were Messrs D Heskin T D T A Kynne J Butler M Morrissey D J Harley together with the Co M.O.H. County Manager Co Secretary and Doctors Casey Dennehy and McCarthy. Mr Kynne at the same meeting voiced a grievance concerning the appointments of Presiding Officers and Poll Clerks at the recent Local Elections and said that unemployed men who were appointed were not treated fairly. The same member also stated that it was unfair to Council workers to be paid fortnightly hours that weekly payments would be much more suitable.

Following a slight change in their time-table Fossets Circus will not visit Cappoquin until next Saturday July 7th instead of Friday 6th inst as stated last week. A glance at the splendid programme of this leading Circus which appears in the front page of this issue will convince the public that this will be the most attractive and outstanding form of entertainment seen here for a long time. There will be several crowded audiences both at the matinee and the night performance on Saturday night and the Fossets Circus will be a most enjoyable and profitable position of Hon Secs the success of the fixture would be already assured. WATERFORD'S NEW MAYOR

Extraordinary interest was manifested in the election of Mayor of Waterford on the evening of 14th July 1945 which took place in the City Hall on the 27th ult. The public gallery was filled with a large and representative gathering of prominent citizens at 12 noon when Mr Liam Rafits City Manager and Town Clerk called the roll. The response indicated a full attendance of the fifteen members of the City Council. The officials wearing their robes of different designs made an impressive scene. By the way why do not the Aldermen and Councillors wear their official robes on state occasions such as the annual Election Day? In a quarter of a century's experience as a member of the Corporation I have never seen the proceedings on such an occasion more orderly dignified and in a more expeditious manner. The election was anticipated as a very close one. Alderman William Kenneally (receiving eight votes to seven cast in favour of Councillor Bryan Cunningham (F.G.) Ald Jones when proposing Aid Kenneally preface his remarks in Irish and Councillor O'Connell seconded in Teanga Na nDeise. It was twenty-five years since Irish was first spoken in the City Council Chamber—the occasion was the election of Mayor on January 1920. The late Mayor D O'Connell proposed Vincent White for the Mayoralty. It was appropriate indeed that Aid Kenneally's election to the Mayoral office should be heralded in the national language. A new Mayor has a splendid national outlook is a speaker of the national language and has reached a fine family of Irish nobles in the valley of the beautiful Irish Rhine.

PERSONALITIES AND PARTY BITTERNESS have been the bane of Irish Public life for a long period. Mr Kenneally's election to the Mayoral office should be heralded in the national language. Muintir Na Tire Waterford Rural Week

Since its formation a few weeks ago the Waterford Muintir na Tire has been busy in the preparations for organisation of its 8th National Rural Week which has been held at work and the results of its labour are beginning to take shape. It is highly delegating the various aspects of its work to sub-committees good progress has been made by all and each is reporting with a confidence which promises considerable achievements. A programme has now been fixed covering the main features of the week and this will be published shortly. Broadly speaking the mornings are free but a series of visits to local places of historical and local interest are being arranged for visitors. Each afternoon there will be a lecture in the De la Salle by some eminent speaker on preparations of the general subject for the week which is Vocational Order.

Sporting fixtures such as an Ag to include Hurling, Swimming, Tennis and Golf Competitions have also been arranged for the afternoons and a Garden Party will be held on Thursday 9th August. Early evening events include a side Camogie and Hurling Tournament all to be played off and either a Cellidhe Dance Play or Concert has been fixed for each evening but these will not detract from the interest in or attendance at the evening Fireside Chats which have become such a notable feature of Rural Weeks and which provide such a remarkable forum for the expression of opinions on all the current social and rural topics pertaining to our rural life. The provision of accommodation for the large number of visitors expected and for catering will be being most ably handled by sub-committees which appear to have worked miracles in finding the necessary commodities. Nevertheless the catering committee of which Mr Aylward O'Connell, Street, Hon Secretary would be most grateful for further gifts from well-wishers of rationed commodities particularly tea and sugar. It is hoped that many of our members will be able to give a gift of coke to help solve cooking problems has been most welcome. As the great week approaches the details of its functions and attractions will be published.

Dungarvan U.D.C. Abbeyside Compulsory Purchase Order "Procedure Wrong"—Mr. O'Dwyer Method Of Acquisition Criticised

Mr T McCarthy chairman presided at a special meeting of the Dungarvan Urban Council held on last Monday night to deal with the compulsory purchase order dealing with the sites for the proposed new housing scheme at Abbeyside.

The Chairman said that this matter had been adjourned when it last came before the Council until the new council met due to information which had been received about the money offered to the owners of the sites in question.

Mr O'Dwyer—It was £27 I think. Chairman—What was the exact figure? Mr Williams—Yes £27 was the figure and this was based on the rate of £150 an acre.

Chairman—What acreage has he offered? Mr Williams—35 acres. Mr O'Dwyer—35 acres? Chairman—35 acres. Mr O'Dwyer—35 acres? Chairman—35 acres.

to them on the Manager's instructions and on the replies received the Manager decided to go ahead with the Compulsory Purchase Order.

Mr O'Dwyer—I never heard about this before. Chairman—There are 12 acres in Foley's field how many houses could be built there?

Mr O'Dwyer—About 8 houses to the acre say 100 but the objection to that site for houses of this type is that it is at the junction of two main roads and there will be a lot of children there for whom it would be dangerous.

Chairman—That field is no good only as a building site and it would be no harm to acquire it but those who are working their land are an asset to the people should be a chance.

Death Of Mr. "Dick" Colender, Ex-N.T., Cappoquin

Great regret has been caused in Cappoquin by the death of Mr. Richard J. ("Dick") Colender, ex-N.T., which occurred at his home in Cappoquin on Friday morning 29th inst. after a rather lingering illness.

Deceased who had reached a ripe age had one of the most interesting records in Cappoquin as a national teacher. He served the full term of 40 years as assistant teacher in the Boys' National School, Cappoquin, where his brilliant qualities as a teacher were highly appreciated by all.

He was held in the greatest esteem by the pupils and their parents alike, and in proof of this he was presented on his retirement with a costly wireless set and other tributes of their affection and regard by his late pupils which proved the smallest mark of their appreciation.

He was a wonderful letter-writer and had kept up a regular correspondence with scores of Cappoquin people who fitted in with his travels in England and other countries for many years. Always bright and cheerful and a most entertaining conversationalist he was extremely popular with all classes of the community.

BALLYDUFF NEWS

Red Cross Flag Day—In its best summer mood Sunday 24th June saw the local Red Cross girls busy as bees extracting the money of shining pence and the more humble pennies from the crowds coming to or returning from the morning Masses in the village Church. This was the Flag-day in aid of the Irish Red Cross Society now so busily engaged in its work of Mercy for the hundreds of thousands in dire need in the war-devastated world.

On Sunday evening 24th June to help the fund a whist drive—the first of its kind—was held in the new hall and despite other local popular attractions a pronounced success. A casual visitor while the games were in progress remarked to the writer on the happy gathering of country folk evidently enjoying each other company like a family party in the ideal surroundings of our comfortable and really very beautiful hall.

A high-class tea was served at an interval in the games by the ladies of the local branch of Red Cross all requirements for same being prepared by them in the new hall. This was much appreciated by the visitors being served piping hot near the witching hour.

The pleasure of the company was greatly enhanced in the selection of songs by the Ballyduff Choral Society under the directions of Mrs B. Prior its founder and teacher while her nephew Master Declan was playing the musical talent of her family as a very capable accompanist on the piano. Our own incomparable Ned Fennessy added his share in action songs to the pleasure of the evening.

St. Michael's Hall is an addition to our village and district of which we are all justly proud. It looked bright and cheery with its new electric light fittings and seating accommodation. The tasteful colouring of ceiling and inside walls shown up in their warm colours by the newly installed electric light fittings. It is hoped when the Shannon road is extended to our village we shall have an up-to-date cinema for which the hall is already fitted in an instructive and entertaining picture gallery. It is worth while coming a long way to see and enjoy.

Visitors to Ballyduff or others passing by to Lismore or Fermoy are greatly struck by the beauty of St. Michael's Hall. The unique situation overlooking the village and visible for miles around. The most striking object is the statue of the Sacred Heart with its gesture of love and welcome standing high above the building—a testimony of the peoples faith and trust in God. Many people passing by the Hall are seen to raise the hat in reverence to Him whom all we represent and to whom above all we owe the preservation of our people and our country from the calamities and cruelties of the cursed wars.

The prize winners at the Whist Drive were as follows—Ladies—1st Mrs T. J. Ryan 2nd Mrs E. J. Fennessy 3rd Mrs 1st M. O'Keefe 2nd Mr Ed Fennessy.

The raffle for 10/- was won by Master Eamonn Bolger. Parish Council Sports—The annual Sports under the auspices of the Parish Council will be held on Sunday next July 8th when a great day's sport is in store for all Teas will be served by the Women's Branch from 5 p.m. This is certainly a novel idea and we are sure will be greatly appreciated by all present.

pupils of the Presentation convent Lismore. Fosselt's Circus—On today (Friday 6th July) Fosselt's Circus will visit Lismore. This is being looked forward to eagerly by all in the district as it is now several years since we had a visit from this great circus.

MR HESKIN'S QUESTIONS. Road Repairs. Mr Heskin asked the Minister for Finance if he will seek powers in cases where at least 50 per cent of the people concerned are agreeable to repairs to roads carried out to compel the dissentient persons to engage in such work particularly in cases where the entrance to roads is affected by such objection.

Parliamentary Secretary. It is not proposed to seek the powers suggested in the Deputy's question. Mr Heskin arising out of the Parliamentary Secretary's reply I should like to point out that in a good many areas particularly in the case of cul-de-sacs we find that some of the people affected object to repairs being carried out. These cases are very unfair to the others who wish to have the repairs carried out. At least where there are 50 per cent or more of the people concerned willing to carry out the repairs I would ask the Parliamentary Secretary to seek the powers necessary in order to facilitate them. I would ask the Parliamentary Secretary to reconsider the question.

I have two cases in mind where applications have been made to have work carried out. The rural improvement scheme under the Act of 1933 is in connection with a boren leading into seven farms. The two farmers at its entrance to the boren object to the work being carried out. It is the work entails the widening of the entrance and the removal of a small portion of wall. They are not willing to have that wall removed or to have the boren widened and therefore the work cannot be considered by the Board of Works. Unless compulsory powers are taken to have the portion of wall removed the road repairs cannot be undertaken.

The Parliamentary Secretary said that it was not considered desirable to seek the powers to which the Deputy referred. TRANSPORT. Railway Stations. Mr Heskin asked the Minister for Industry and Commerce if he will state why shopkeepers and general traders are not allowed to convey their goods from Railway stations in their own vehicles and why public carriers are not allowed to carry such goods. If he will state further if Coras Iompair can have a monopoly of the haulage business and if public carriers will be compensated for loss of employment.

Not alone does that affect the conveyance of stuff from the station but there is also this point in the case of returnable empties they must be left there until such a time as Coras Iompair can collect them. Another point arises. Suppose that for any reason a man has to put empties outside his business premises on the kerb and that somebody walking on the path is injured thereby the owner of the premises or the owner of the empties is liable for compensation.

Conveyance of School Children. Mr Heskin asked the Minister for Education if he will state what arrangements have been made for the conveyance of school children from Glengpatrick and Curraghkilly districts to Rathgormack National School or if he will reconsider the erection of a school in Glengpatrick or Curraghkilly.

The Minister said that his Department were prepared to make a grant towards the operation of a van service for the conveyance of the children. Mr Heskin asked the Minister for Defence if he is prepared to offer for sale a number of lorries that will not now be required for the Defence Services as many grain merchants are in need of them because of the excessive wear during the emergency when replacements of spare parts could not be secured for lorries owned by them and

LABOUR FOR 1945 HARVEST. With the object of making available adequate labour for the saving of the 1945 Harvest the Harvest Labour Scheme which was so successful in 1944 will be again in operation this year. It enables farmers who anticipate a shortage of local labour for the saving of their Harvest to arrange to obtain temporarily from the congested portions of the counties of Wick, Carlow, Cork, Donegal, Galway, Kerry, Limerick, Leitrim, Mayo, Roscommon and Sligo men who are not required in their own districts and to transfer them to transfer temporarily to farmers in the tillage areas who require them. The fullest co-operation on the part of both farmers and workers is essential for the success of the Scheme. The Government will provide for every man who travels under this Scheme.

It is the duty therefore of every farmer who anticipates a shortage of local labour for the saving of his harvest crops to notify at once to his local Tillage Supervisor on the Form provided for the purpose particular of the labour he will require. Men desirous of undertaking this work should register with out delay at the nearest Local Office of the Department of Industry and Commerce.

The saving of the harvest is of vital national importance and both farmers and workers are urged to make the maximum use of this Scheme so that no crops will be lost through want of labour.
