Dungarvan supporters main tained that their team struck bad form on that day and that they would beat Cappoquin in a return game Their victory over tailow gave them that opportunity and the result of last Sunday's game proved it no idle boast

The playing pitch was magnificently prepared for the game and reflected great credit on the members of the Lismore Club who had devoted every minute of their spare time to the job The many favourable comments

The Lismore pitch favours the open style of hurling and when the ambitious plans of the club definitely fixed but final particulars will be seen by posters in the locality
