report to the meeting submitted was no inference ever that they the following report which was were responsible for the condiread by the Secretary —

We beg to submit report of our dietary scale was the cause and visit to the County Home Dungarvan on Thursday 13th inst we visited the different wards I hold that potatoes can be supand were pleased at the cleanliness of same and the air of contentment of the patients Some of the wards are presently undergoing repairs and when these are completed it is we understand the intention to have to the intention to have valls and woodwork distempered and painted. This of course roll make a big improvement roll make a big improvement roll make and patients more cheer-big to make the lot of intention to have roll make a big improvement roll make and patients more cheer-big to make the lot of intention to have roll and soft the engineer big to the engineer big to the engineer big to will be able to since the made of the engineer big to will be able to since the made of the engineer big to will be able to since the made of the engineer big to will be able to safe the made of the engineer big to will be able to since the made of the engineer big to will be able to since the made of the engineer big to will be able to safe the made of the engineer big to will be able to safe the made of the engineer big to will be able to safe the made of the engineer big to will be able to safe the made of the engineer big to will be able to safe the made of the engineer big to will be able to safe the made of the engineer big to will be able to safe the made of the engineer big to will be able to safe the made of the engineer big to will be able to sary is badly needed as the prediction made as the prediction made on the waterford. On the waterford conscious sary is badly needed as the prediction made as the prediction made of the engineer big to will be able to sary is badly needed as the prediction made of the engineer big to will be able to sary is badly needed as the prediction made of the engineer big to will be able to sary is badly needed as the prediction made of the water of the w walls and woodwork distempered will make a big improvement there they find it impossible to and help to make the lot of in-prepare breakfasts without demates and patients more cheer-

prising corned beef white cab-ing up are needed and the staff to Waterford being prepared Everything was spotlessly clean and every care these improvements were not and attention given to the preparation of the meal Cooking when things were cheap Id like was done on large turf range to know who was responsible boilers and potato steamer We Chairman—If the matron r feel the cooking facilities are antiquated and inadequate and need immediate alteration With never in the commended to the Old Board was a constructed and inadequate and need immediate alteration with have been got was a constructed and inadequate and need immediate alteration. need immediate alteration With present facilities it is almost impossible to keep dinners hot due to turf range not giving sufficient heat. It is also out of the question to have a variety of cooking as this range is incapable of cooking a roast. Breakfast is often delayed and no hot water is available due to the lob for the matron and staff. water is available due to the Job for the matron and staff difficulty of raising steam in the It was decided to refer the redifficulty of raising steam in the Modern should be made available for the cutting of bread and peeling of The Un

The wash-up facilities in the kitchen are very crude and involve a severe burden and hard-ship on the most capable staff the then Board and the Secre-The wash-up is carried out in the tary stated that the Manager wast adjoining the kitchen was to discuss this with Doctor adjoining the kitchen where no proper sinks are available and no protection from weather afforded to members of The Secretary said he would was ill at the moment weather afforded to members of The Secretary said he would Mr Kenneally—That is the

We submit hereunder recommendations regarding the foregoing which we hope will be implemented with as little delay as We found the stores well stock-

ed with tea cocoa clothing boots bed linen blankets etc

it will take some time before the soil is restored to fertility and would suggest the purchase of 80 barrels of lime for use as a fertiliser. It is worth while paving attention to the farm as we believe in a few years it will be sufficient to keep a supply of fresh vegetables to the Institution the whole year round Therefore every facility should be given to the Storekeeper who has set about his task in a very capable and efficient manner All rubbish on farm should be cleared away as quickly as possible so that every portion of land will be available for spring cultivation

Recommendations (1) Purchase of 3 ten-gallon electric boilers which are, we understand available at a cost of £8 14s each This will ensure a supply of hot water at all

(2) Purchase of electric Bread cutter and potato peeler
(3) Purchase of three large sinks with draining boards these to be erected in yard off kitchen. This portion of yard to

to work in

(4) Purchase of cold room
installation but we suggest there was 'County Home' He
waiting a few months as new stated that this was a handicap

may be on the market that (5) Purchase of Aga Cooker read which we believe would pay for garvan' which was the name of itself in a short time This the building As birth certifiitself in a short time This the building As birth certifi-would make available a variety cates are so much needed for of cooking which is not possible jobs at present it is a stigma to under present conditions see the place of birth as the

necessary

We strongly suggest that recommendations 1 2 3 5 6 be
carried out without delay as it
will lend towards more about without was concerned will lend towards more efficient service in meals to inmates and patients whilst also giving a degree of comfort to members of gested alteration.

We wish to thank the Matron for the courteous manner in We wish to thank the Matron which she received us and for the assistance given on our tour of inspection. We also wish to mark our appreciation for the highly efficient manner in which the Institution is run

Chairman—That's a lovely report

Report On Co Home

Discussed

Mr P Caulfield Chairman
presided at the monthly meeting of the County Waterford Board

Mr Discussed

Mr P Caulfield Chairman
presided at the monthly meeting of the County Waterford Board

Mr Butler—In connection with the report I m glad to hear that conditions are so good there and the report shows that there have been improvements and I hope these improvements will conditions are so good to the report of the report

tinue from month to month Mr Kyne-I also am pleased about the report as from the time of our first report there J Butlet MI Morrissey TD F have been big improvements In Browne T A Kyne Mi Mc-Grath and T Duggan were presented to be and the beginning there was an absence of botatoes and vegetables the beginning there was an aband the inmates were only getting bread and milk but the fact that there are improvemr M Flynn Secretary attended

"Someone Failed Lamentably
To Provide Improvements
Before Emergency"
Messrs Ml Morrissey and Ml
McGrath who had been selected at the last meeting to visit the County Home Dungarvan and report to the meeting submitted

Mr M Flynn Secretary attended and mink but the fact that there are improvements on this and that the County Home grounds are being tilled now shows that there was justification for the complaints made then I wish to compliment the matron and staff on their work and state that there was no inference ever that they tions at the County Home Accompanied by the Matron tables are needed every day and plied economically all the year round except maybe the tail-

end of the year Secretary-The question cooking arrangements referred to in the report is already in the hands of the engineer

and there we found dinner com- too as proper facilities for wash- a change I am sure it will apply

potatoes and hot milk are very good

prepared Everything was Mr Kyne—Its a wonder that Chairman-If the matron re-

The Unadopted Dietary Scale
of 1924
Mr Kyne asked about the scale sent down by the Department in

read the scale
Mr Kyne—Without reading it could you tell us if it was an improvement on the 1917 scale Secretary—Yes according to the 1924 scale the inmates were

to get meat every day and eggs on Fridays Mr Morrissey—And that scale van have to go through a terrible ordeal to get it. They have to go through a terrible ordeal to get it.

the Board in 1924?
Secretary—I haven t their names here but I don't think having them would be much

Mr Morrissey—I d like have them all the same Secretary—When the MO available the Manager wants him to report on this scale Mr Kyne—As to its food value even at this late stage?

Secretary—Yes Dungarvan U D C Resolution

Adopted
The resolution from the Dungarvan UDC requesting the Minister for Education to have schoolchildren instructed in the history of and respect for the National Anthem was adopted on the proposal of Mr Butler

Extra Home Assistance For Xmas

Mr Butler asked what provisions had been made for extra Home Assistance to recipients

for Xmas Secretary—The usual arrangements have been made and the recipients will each get 5 - extra

for Xmas week The Stigma of the Co Home kitchen This portion of yard to be enclosed so as to ensure protection of staff from weather and to make it more comfortable ed to the County Home and the and more modern equipment on these people and suggested may be on the market on these people and suggested that this should be changed to ' St Joseph's Home, Dununder present conditions

(6) Purchase of 80 barrels of lime for farm and any other fertiliser that may be found to see the place of birth as the County Home He suggested altering this to St Joseph's which would give no indication

CAPPOQUIN NEWS

A BRILLIANT SCENE-

A brilliant and animated scene was provided on Monday morn-ing when the West Waterford Hounds met on The Square here this being one of the few Meets granted to Cappoquin within re

There was a very fine attendance of sporting ladies and gentlemen from various part of West Waterford the Red Coats of the gentlemen and the more sombre hunting costumes of the ladies providing a striking contrast in colours

Mr R J Mulcahy Ardfinnan the popular and sporting MFH was in charge of the Meet and must have felt very pleased at the good attendance on the occasion

There was also a good attendance of the general public al-though this would have been much larger if the fixtures of the Hunt had been publicly ancal evidence and evidence of identification had been tendered nounced in the local Press as had been the custom in previous had been the custom in previous years but as those fixtures are now conveyed by Postcard to the membes of the Hunt only the public are often deprived of the pleasure of seeing the Hounds move off

About one o clock a start was made for Crinaughtane Bogs where a good fox was found and after a lively run through Modeligo and Mogeha districts the hounds had to be called off owing to fading light as the afternoon proved very wet and dark but all present nevertheless had by this time enjoyed a very interesting and exhilirating

HURLING CLUB-

The annual meeting of Cappoquin Hurling and Football Hall in Mill Street at 330 on a private room be provided for died on the following morning the Assistance Officer and that relief be sent through the post Mr Duggan seconded was incoherent. He find in Mili Street at 3.30 on next Sunday 23rd inst when we hope there will be a full attendance of members and opinion the cause of his death was shock concussion and In view of the splendid man-Mr Duggan seconded was shock concussion and Mr Phelan Supt AO—There is a necessity for a private room injury to his skull His injuries and we have agreed for years would be consistent with a severe diring officials and Committee that the tree of the past year we truet past that the present Dispensary fall or an accident For his age during the past year we trust is inadequate Everything that (over 70) he appeared to have there will be no material change

COUNTY WATERFORD COMMITTEE OF AGRICULTURE.

PREMIUMS TO BULLS, 1946

The County Waterford Committee of Agriculture invite applications from persons intending to compete for Premiums to Bulls under the conditions set forth in the Department's Scheme for encouraging improvement in the breeds of cattle 1946 and who are prepared to purchase such animals at any of the Spring Shows or Sales approved by the Department In making selection the Committee shall have regard to the needs for securing the location of an adequate number of Bulls of the Shorthorn (including Dairy Shorthorn) Breed

Towards this end the Committee shall allocate at least two-fifths of the available premiums to Bulls of that Breed but of the total number of Premium Bulls of all ages to stand in the County for 1946 the proportion of Shorthorns (including Dairy Shorthorn) Bulls must not be less than the corresponding proportion in the year 1945

The Committee shall if necessary take other special steps as they may deem most effective to secure that at least this proportion of premiums is fully availed of Cow-Testing Associations and Co-Operative Societies can

compete for those Premiums

Breeds of Bulls eligible for premiums and value of (a) Pedigree Dairy Shorthorn entered in the Register —

(1) where both sire and dam are entered in the Register and the dam and the dam of sire have each a record of 7 500 lbs or over of milk containing a calculated yield of not less than 260 lbs of

butter-fat—£28 (2) other cases (not coming under category (a) (1) above) where both sire and dam are entered in the Register—£22

(3) where the dam only is entered in the Register-(b) Non-pedigree Dairy Shorthorn entered in the Register —

(1) where both sire and dam are entered in the Register, and the dam and dam of sire have each a record of 7500 lbs or over of milk con-

taining a calculated yield of not less than 260

lbs of butter-fat—£22
(2) other cases (not under category (b) (1) above) Pedigree Shorthorn—£18 Pedigree Aberdeen Angus or Hereford-£15 Each applicant for a Premium Bull must lodge a deposit of (£2) with application No application will be considered unless accompanied by a deposit The deposit will be returned to each

purchaser of a Premium Bull
Applications on Forms which will be supplied for the purpose must be duly filled up and returned not later than 18th D HURLEY, Acting Secretary

XMAS MORN

Joyful bells are ringing In the snowy morn Gladful tidings bringing The Son of God is born

Come let us adore him

And when we kneel to pray Our thoughts are in Jerusalem, On that first Christmas Day, The mighty and the humble. Today unite as one And bow their heads in homage.

Before God's Blessed Son. We ask O Infant Jesus Our hearts with kindness fill.

And grant to war worn nations,

True Peace and Goodwill.
