#### CAPPOQUIN NEWS DESMOND CINEMA A JOLLY NEW YEAR'S DAY-

in the usual festive manner here on Tuesday which was in mark-ed contrast to Xmas Day which is always one of the dullest days in the year from an outdoor point of view

Cappoquin enjoyed a more festive spirit on New Year's Day because with all the business houses open, there was a greater spirit of joyousness and socialibity everywhere A brisk trade was done in all the licensed houses and while most of the public enjoyed themselves to the limit we are glad to be able to state that there were no scenes of disorder witnessed anywhere and the conduct of all was of the most peaceful and exemplary character throughout the day

After the busy trade experienced during Xmas week it was a great tribute to the foresight and enterprise of the Cappoquin traders that they still had sufficient stocks left over to enable them to cope with the big rush on New Year's Day
