ST PATRICK'S DAY-The Feast of our National Apostle was celebrated in the usual manner in Cappoquin and the day passed over very quietly The weather was such that few ventured out-of-doors and the only break in a somewhat monotonous day was the matinee at

SUCCESSFUL DANCE-The Annual Dance of the Cap-poquin Rowing Club held in the Boathouse on St Patrick's Night proved an outstanding success grand merry and happy gather-ing of dancers enjoyed a real good night. The hall was nicely decorated and the floor was in perfect order while the music by the Marino Dance Band was a treat to listen to and this band further enhanced its popularity by playing a tip-top selection of dance music in great style and in a lively and spirited manner The catering in the capable hands of Miss B Colbert left nothing to be desired and all pre sent were delighted and very pleased at the splendid fare provided by this first-class caterer which helped in no small way to ensure the success of the dance It certainly was a most enjoyable night and the large crowd present were in jubiliant mood all through the night Dancers attended from all the surround-

selves thoroughly The committee in charge were Messrs M J Sargent Vice-President and Treasurer John Curran L D Dunne P Cunningham with the other members of to be highly praised for the way the general arrangements were canducted which ensured the

popular manager is leaving no thing undone to ensure that only the best pictures will be booked for the Desmond and we are glad to see that his efforts in this direction are meeting with such wonderful success The large crowds which attend nightly are a true indication of the popularity of this fine cinema
