G.A.A. Items (By ELGAN) The official records stated that 39,000 saw last Sunday's Munster Hurling Finals at Thurles...

Never before has such a huge number been seen at the Thurles venue and the official returns constitute a record for the grounds...

I arrived in Thurles at about 2 pm having been in motorised procession from Cashel onwards...

Having got inside I was astounded to see so many The embankment was one mass of humanity and thousands were still scouting around looking for the players...

By patience and persuasion I eventually got to the sideline which was also thronged and got the last half of the minor final...

The huge crowd then waited in the broiling sun for the big game. Opinions were ventured that the game would be a hard fought one...

After ten minutes it was evident that Cork were to be the masters. Murphy and Buckley of Cork held Mick and John Mackey and the spirit seemed to go out of the Garvey men...

As a result of Cork's win Waterford's stock seems to have gone up and many of the experts say that two changes would have given the Decie men the crown...

All that is past and gone now but next Sunday our Senior Footballers line out against Kerry in Tralee in the Football Final...

The selection has already been published but it would appear that our chances are not rosy. If our boys put up a good show...

The Kerry selection for the game which has just come to hand is as follows: J O'Keefe D Lyne T McElligott E Walsh G Teahan W Casey B Garvey O'Connell Frawley D Kavanagh T (Ega) O'Connor J Lyne D Burke P Kennedy Subs—N O'Donoghue, C O'Sullivan, W O'Donnell...

Our own championships go a step further on Sunday next when Irish Tanners and Capoquin meet at Dungarvan in their Senior Hurling Tie and a good game is expected...

Waterford Board of Public Assistance Annual Meeting Alleged Injury To Patient While Travelling In Ambulance Mr. Kyne Asks About Hospitalisation Plans.

In the absence through illness of Mr P Caulfield, Chairman Mr M Morrissey, TD Vice-Chairman was moved to the chair...

Mr P Caulfield, Chairman of the Board and said that it gave him great pleasure to propose Mr Caulfield as chairman for the coming year...

The proposal was agreed to without dissent. The outgoing Vice-Chairman Mr M Morrissey, TD was also re-elected unanimously on the proposal of Messrs Kenneally and P Butler...

Mr Morrissey thanked the members and said that he was sorry that the Chairman was absent. The great attention he paid to the matters was evidenced by the fact that this was the first meeting in which he had been present...

The Secretary read a report from Mr J Ormond Engineer giving an estimate of £950 for the installation of an Arga Cooker at the Co. Home, Dungarvan...

An order from the Co. Manager approving of the purchase of the cooker and the Board's sanction and the Board's approval was endorsed on the report. The Manager also requested the Board to approve of a loan for the other works mentioned...

The Secretary stated that no estimate had as yet been got for the cooker at Waterford and as the Board had no funds to meet all the work in one loan he suggested deferring the matter to the next meeting...

Mr Kyne objected to the delay stating that the extra expense would be caused by having two loans. He said that half a loaf is better than no bread and that to recommend the matter to the Board should accept it...

Mr P Butler said that a month did not make much difference and Mr J Butler said that the preliminary could be dealt with between this and next meeting...

Finally it was decided to defer the matter. The Secretary informed Mr Kyne who raised the matter at the last meeting that the Co. Manager after consultation with the doctor and matron had changed the visiting hours at the Co. Home, Dungarvan to 1 pm to 4 pm...

Mr Kyne said that he was glad the change had been made as it would help the people considerably...

had received no reply from the Manager to whom she had written a fortnight previously. She wanted to know if she was to get the leg...

The Secretary said that he understood that Mr Duggan and Mr Kyne were to submit particulars of a lighter limb as the woman had not agreed to the woman one the doctor recommended. He had not got these particulars...

Mr Kyne said that he would write to the woman about the matter at once. Alleged Injury To Patient Travelling In Ambulance Mr Kyne referring to an alleged injury to Samuel Battye Klimathomas received when he fell from an ambulance...

G.A.A.— ST AUGUSTINE'S EASY VICTORY OVER MODELIGO At the Gaelic field Dungarvan on Sunday last St Augustine's (Abbeyside) had an easy victory when they defeated Modeligo in their Junior hurling championship match...

The game opened in a lively fashion but it was not long in progress until it became evident that the Abbeyside boys had the measure of their opponents and opened their score with a goal and soon afterwards Tom Ryan banged home a goal to give them an early lead. Modeligo attacked but Jimmy Walshe who played a nice pass to Joe Duggan and soon afterwards repeated the performance with a like score...

Modeligo tried hard but to no avail and from this period to the end of the match St Augustine's had matters much over the top and added a point (Sean O'Brien) goal by Jones and another point by Sean O'Brien to leave the score — 3-7 Nil. On a running Modeligo showed up more but they failed to break through the St Augustine's back line. Sean O'Brien put St Augustine's on another scoring spree when he sent a rasper to the net and Gusty McGovern sent a grand point over the bar. Modeligo then attacked and after a great rush they scored a point. This put a bit of a spurt in the game but it was short-lived as St Augustine's again got going and forced matters but the Modeligo lads who were playing a losing game returned play and scored another point. A free to Modeligo was wided. Mickey O'Connor next had a goal for St Augustine's and in a very short time the ball was driven to the net again for another goal for St Augustine's. From this to the final whistle play was all in the Modeligo territory except on one occasion when Modeligo attacked and scored their third point. The final scores stood — St Augustine's 3-7 Modeligo 0-3

LISMORE COURT

Lismore Court was held before Mr. E. P. Donovan B.L. on Thursday 11th June. Committed to Industrial School.

Paul Hoare aged 12 years of Deepark, Lismore was committed to Greenmount Industrial School Cork for non-attendance at school.

In giving evidence Guard P. Martin stated that the boy had been absent 47 days out of a total of 51. This boy had been before the court twice previously and had been warned of the consequences if he failed to attend regularly at school in future.

In his defence the father of the boy stated that he had been unwell during the period and his son was the main support of the family during that time.

The Justice said that the law did not permit the child's education to be interfered with on any account and he had no option but to send him to an Industrial School.

Several other School Attendance cases were also dealt with, being imposed in most cases.

Motor Tractor Case. Sergt. Kallantyne summoned Richard Keane Cappoquin owner of a motor-tractor driven by his brother Jack who had the vehicle insured and for not having his licence properly displayed.

The driver was also summoned for not having front or rear identification marked on the vehicle.

Evidence was given that the licence for the tractor had been granted on the day previous to the date of the summons but that through a delay in delivery the licence up to court day had not been received.

Correspondence which had been entered in the matter was read.

Having heard all the evidence the Justice said he would adjourn the case to the September court.

Game Preservation Act Case. Supt. Creane summoned Timothy Devaney Clonidine Fermoy for having shot a cock pheasant during the close season contrary to the Game Preservation Act.

Defendant was fined 25/- Failed to Hand Up L.D.F. Uniform.

Supt. Creane v David O'Brien Arglan.

This case was before the June court when defendant was charged for not handing up an L.D.F. uniform when dismissed from the force and due notice had been given to him.

It was stated that O'Brien had at that court given an undertaking that he would return the uniform before the July court.

Having heard further evidence the Justice imposed a fine of £2 on defendant not to be enforced if the uniform was returned before the next Lismore court.

Unhoused Donkey. Guard P. Murphy summoned Robert Bible for having an unhoused donkey to draw a cart heavily laden on the public road.

Defendant was fined 5/- Unlawfully Burned Shrubs. The Minister for Lands prosecuted Thomas Dillon Lisnenny Tallow, for having unlawfully burnt shrubs near the wood without having given due notice to the Authorities and the owner of the wood.

The defendant in evidence stated that he was a labourer and was care-taking the farm towards Moles Hill Well. The shrubs when the fire got out of hand and he summoned help to quench it.

The Justice imposed a fine of

Abusive Language

David Davis Church Street Lismore Mrs Alice Callaghan same address for using abusive language likely to lead to a breach of the peace.

In evidence Davis stated that he had been abused by the defendant on several occasions but had summoned her in respect of June 4th. He had been subjected to a lot of annoyance. He lived next door to defendant and thought that the fact that he was a stranger in town had given rise to an intense dislike by defendant towards him.

Defendant was bound to the peace for 12 months or in default 14 days imprisonment. Claim For £22 10s.

Wm Henley v Michael Dahill Coolwoon Tallow claimed £22 10s amount due in respect of work done.

Wm Henley in evidence stated that he had been engaged by defendant's deceased brother to prepare a trap for bee and cut corn in 1943. Dahill had then paid him £10 on one occasion and £5 on another occasion and he now sought payment of the balance.

He denied that he had entered into an agreement by which he was to receive a few acres of tillage as payment.

Defendant stated that he farmed 250 acres. His brother who had now died had made the deal with Henley whereby he received part payment by being given some land for tillage. He had paid Henley £15. Henley's brother Jack owed him £13 and he told Henley to get that money from his brother as an offset to the debt as he claimed he only owed him that amount.

The Justice gave a decree for £14 and costs.

Tallow & Moorehill Notes

Fatal Accident—While proceeding on a motor bike from Miletown to Tallow on the 11th inst. Edward Joseph Burke, 24, received rather serious injuries which necessitated his immediate removal to hospital. It appears that when nearing Dungarvan a lorry coming from the south side road in collision with the motor cycle and Guard Burke received severe injuries to his leg and arm.

Guard Burke is only son of Mr. and Mrs. Burke, Tallow and was going home from Canteen Dublin on holidays. As a result of the injuries sustained by him the motor cyclist died on Wednesday last, and the sincere sympathy of all is now extended to Guard Burke's bereaved relatives and friends in the tragic loss.

Congratulations—Their many friends in Tallow and Cork City will be very pleased to learn of the success achieved by Masters Victor and Harry Bolton, sons of Mr. G. Bolton (Manager, Dunphy's Pharmacy Tallow) at the recent examination held at Cork University. Victor passing with honours his medical degree and Harry figured in the list of successful candidates in the first year engineering section. We offer our hearty congratulations to Messrs. Bolton and wish success which it is hoped will be only the forerunners of many more successes in future examinations.

Branch Office—During the past week Mr. N. R. Mcnamara, the well-known Youghal solicitor opened a branch office in Tallow. Mr. Mcnamara will be in attendance at his Chapel Street Office every Friday.

St. Swithin's Day—According to the old people the weather for the next forty days depends on St. Swithin's Day as if the order holds good we are in for rain for the next forty days. Who knows but like all things St. Swithin's has changed at least we hope he has for rain is not so needed.

Impressions of the Munster Final—On Sunday morning there was a general exodus of hurling enthusiasts to Thurles to witness the Munster Final by car and bike from the Bridestown town everyone fired with the idea of witnessing one of the best Munster hurling games of years. From Cashel on the road was one stream of traffic and travelling was slow. What a crowd in Thurles town surely a triumph for the hurling gods. The bronze statue proudly adorns the Square of this Mid-Tipperary town surely he must have looked down from his home above with a smile of pride and gladness as the huge throngs of young vigorous folk—and old men too trooped past for the Gaelic park over the bridge.

What a sight the park presented of a crowd of emerald green flanked on all sides by thousands of good humoured light-hearted and enthusiastic Gaelic Colours of the teams were everywhere the green and white of Limerick and the red and white of Cork we think the latter were more numerous. Sparkling hurling marked the entire minor hurling match. The game was held on the lead. The hurling exchanges were delightful to watch as Tupp in a typical finish led by Shanahan and Kenny pulled the game out of the mire of the minor final. What a sea of faces were everywhere there must have been at least forty thousand present. When the senior team took the field for the march round Cork led by Christy Ring and Limerick by Mick Mackey. What a scene when all stood bare-headed for the National Anthem.

The traditional Munster final thrills were missing in the early stages it promised well but after fifteen minutes Cork were well on the road to victory. Limerick fought to the end but it was a losing game and the final whistle found Cork victors of the most disappointing Munster final since the days of Thurles. After the match back to the town to look after the inner man and drink to victors and vanquished alike. The evening were falling the crowds bade adieu to Thurles town and softly on the twilight could be heard the words of the old song. They came from a band and young lads from Boston and New York but the boys to heck the Black and Tans were the boys from the County Cork.

Sunday Next—On Sunday next the Decies Senior Football team travel to Tralee to meet Kerry in the senior football final and bring with them the best wishes of all Decies supporters. It seems ridiculous to bring a team that journey why was not the match fixed for a central venue all Gaeils are asking. Well its too late now to remedy the matter but in future Munster Council representatives should see to it that all matches are played as central as possible and so give a chance of seeing the home team play. After defeating Tipperary the Decies team should be able to give a good account of themselves on Sunday. So here's wishing them the best of luck.

At the Regal—This past week the Manager of the Regal Cinema has presented some outstanding programmes to its patrons. On Sunday a very large audience were delighted with the double feature programme "Make a Wish" and "The Gay Caballero" while an equally large audience flocked to the Cinema to see "Blood and Sand". Next week lovers of the silver screen should not miss William Bendix in "Quilligan" on Sunday (matinee and night) and on Thursday and Friday nights Monty Woolley in "Molly and Me".

Feast of Blessed Oliver Plunkett—On Sunday last the Feast of Blessed Oliver Plunkett was observed in the various Churches throughout the Diocese, when special prayers were offered up in honour of the Martyr's Feast day. The following brief summary of Blessed Oliver Plunkett may be of interest to readers.

Oliver Plunkett was born near Oldcastle Co. Meath in 1625. Leaving Ireland at the age of twenty he entered the Irish College, Rome, and was ordained in 1654. Subsequently he became Professor at Propaganda University and consulted to various congregations and Roman agent of the Irish Bishops. In 1678 Pope Innocent IV appointed Dr. Plunkett Archbishop of Armagh. Describing him as one whose merits are known to all and whose labours have already added so many wreaths to the peerless glory of the Island of Saints. Arriving in Ireland the new Primate found religion well-nigh ruined by prosecution and internal dissension. Priests were but few in number and there were but two Resident Bishops. Undismayed by his office for eleven years he laboured unceasingly in the face of crushing difficulties to strengthen faith and restore to the schools. Thousands were confirmed and many priests ordained. Often without food or sleep he travelled from place to place frequently in disguise administering the Sacraments in the open, heedless of wind and rain. Ill health and poverty misrepresented him and needless persecutions were heaped upon him. He said of Dr. Brennan of Waterford and himself: "We're resolved to die rather than abandon our flock." The Primate's zeal at length delivered him into the hands of his enemies. Tracked by spies he was arrested in Dublin and tried at Dundalk on a concocted charge of treason. Failing to secure conviction the Government had him taken to London where he was condemned as a traitor—in reality for his fidelity to the Faith. At Tyburn London he was hanged drawn and quartered on July 11th 1681. After death the Martyr's body was taken to the Continent and placed in the Abbey, England. The relic of the head is now venerated at the Oliver Plunkett Memorial Church Drogheda. Amid the rejoicing of Irish people the Martyr Primate was raised to the honours of the Altar with the title of Blessed St. Peter's Rome in May 1920. There is no doubt that in critical times his mighty labours and heroic death of Blessed Oliver did much to save Ireland for the Church and he is justly acclaimed a saviour of our Country. His many clients trust that in return the Irish people will unite in fervent prayers to God for the miracles necessary to obtain for him the glory he so richly deserves.

Fermoy Tragedy—Deep and widespread regret was on all sides evidenced by the announcement of the death of Master William O'Connor, beloved of Mr. and Mrs. O'Connor (nee Murphy) which occurred under tragic circumstances at Fermoy on Thursday last. Deceased was the brother of Mr. and Mrs. Murphy Ballyhamlet, Tallow to whom as well as to his heartbroken parents deep sympathy is extended. On Friday last a verdict of accidental death was returned by Coroner Rice Fermoy at the inquest on deceased aged 55 years who was fatally injured by a motor car driven by his brother John aged 10 said that he and six other boys were playing "telephone"—speaking through a water-pipe running under the road. He was calling out to the other boys when struck by the car. Mr. J. P. Manus the driver who was exonerated from blame said he was a rather dangerous condition. The repairs were completed some time ago and the bridge is now in excellent condition and presents a very neat appearance. Great credit is due to Mr. Ryan and his efficient staff on which is very highly complimented on a "job" well done.

Annual Sports—The date of the Moorehill Annual Sports is now drawing near and already arrangements are being completed for the annual big day. An excellent track is being prepared in a field kindly placed at the disposal of the sports committee by Major E. P. Maxwell when sports day arrives everything should be in excellent order. This year's programme includes the usual variety of athletic and cycling events as well as the schoolboys and ladies races and last but not least the local Derby event for the Old Age Pensioners. Among the other events will be a mixed 100 yard race which is sure to attract a record entry. A keen competition as we hear (but you must keep it a secret) that a number of the local boys will be participating inter-county this year. We must only wait and see but anyway they are practicing hard. In addition to the above events a Camogie match will be staged between Tallow and Camptree for a valuable set of silver medals, as a grand finale to a big day's sport. To take a note of the date August 15th and invite all your friends to the annual sports day.

This Week's Shocking Story—Magistrate—Now you seem a sharp lad. Tell me the size of the stone he threw. Was it as big as my head? Witness—Yes, Sir, but not so thick.

Local Tit Bits—We noticed a Bridegroom Colleen sporting a course when the cat is out the mice can dance—but be careful—He might find out. A Bridegroom was very sleepy looking the other morning. Faith the long journey and the late hours are no 'cod' but sure the Old Boro' Colleen are worth more than the loss of a few hours sleep—or are they?

One of the Colleen's at Eastern end has a long journey for water should the matter of erecting a pump be put before the Board of Health—but over the twilight we hear a masculine voice saying—mind your own business, sure the water's excuse is as good as any.

With the Micro—The chief topic in local Gaelic circles is the meeting of Cappoquin and John Mitchell's in the second round of the minor hurling championship and speculation is very keen as to the result. When the teams met last season the boys from the "Cornerstone" were victorious in a close and keenly contested game. This year they hope to repeat the good work but John Mitchell's think otherwise. Both teams are training hard so that the clash between them should be an outstanding one which should not be missed by Gaeils from far and near.

Revival of Hurling Club—We have been informed that an effort is being made to revive the St. Patrick's hurling club which ceased to exist this season and it is hoped the efforts of those responsible will meet with success. 1946 has witnessed the disappearance of many well known clubs from the ranks of the G.A.A. due principally to emigration and also to thinning in the combined parishes of Knockanore, Glendine and Killybeggs. The shortage of youthful players at the moment so it is hoped that the club will be revived in the near future and its advent will be welcomed by Gaeils all over West Waterford.

Repairs—Some weeks ago County Council workmen under Mr. P. Ryan gangster carried out some very necessary repairs to the Glenwillin Bridge which was in a rather dangerous condition. The repairs were completed some time ago and the bridge is now in excellent condition and presents a very neat appearance. Great credit is due to Mr. Ryan and his efficient staff on which is very highly complimented on a "job" well done.

It was an exceptional privilege to the people of Killeagh and the adjoining parishes to listen to the panegyric delivered by the Rev. Fr. Garde O.P. from St. Patrick's Church, Cork. The Preacher has come direct from Rome where he is Assistant Master General of the Dominican Order. Father Garde is a native of Castlemartyr and has numerous relatives in the Killeagh and Youghal parishes.
