RATS AND MICE (DESTRUCTION) ACT 1919

NOTICE is hereby given to the general public that it is urgently necessary to ensure continuous measures for the destruction of Rats and Mice in Waterford County Health District

Much destruction is caused annually to foodstuffs by Rats and Mice and these pests are also responsible for the spread of many diseases Measures recommended for

their destruction should be carried out as follows viz -Trapping can be successfully adopted in many cases and sometimes it may be the only practicable method poisoning is resorted to it must be carefully practised the baits being so laid that they will not be accessible to fowl or domestic hibited in places where the baits are laid warning people to keep dogs and other animals away These places should be carefully recorded and visited regularly and the baits destroyed if not

successful within a short period The poisons recommended for generally red squill and barium (noon) on Tuesday the 10th recessarily accepted carbonate Red Squill should be September 1946 fresh as it loses its potency after some time Barium Carbonate powder can be obtained but orders therefor should be given at an early date as stocks of this commodity are not usually held by Chemists The following recipes containing that poison have been recommended as being easy to prepare and

effective in use Parts by Weight 1 Barium Carbonate Powder

Rolled Oats Dripping 1 (Melt the fat and make all inin Summer use rather less fat) Parts by

Weight 1 Barium Carbonate Powder

Fine Oatmeal Castor Sugar The baits can be laid in twists later than 12 o clock (noon) on of tissue paper and will be of Tuesday the 3rd September additional attraction if flavoured 1946

lay at least ten times as many removal balts as the number of rats estimated to be present. It will be well to vary the form and appearance of the baits at intervals It is not recommended that strong poisons such as Thallium I nDungarbhan Sulphate Arsenic or Phosphorus should be used in view of the danger to domestic animals or

poultry
It is desirable that farmers should co-operate to the fullest extent possible in exterminating During threshing operations it is suggested that each stack or rick before the threshing machine arrives and while Lismore (in Dungarvan Courting machine arrives and while Lismore (in Dungarvan Court-being threshed should be sur-house)—Wednesday 6th Novrounded by a rat-proof fence of ember 1946 12 noon wire netting 4 feet in height Waterford—Monday slightly sloping inwards and at ember 1946 a sufficient distance from the Business 12 noon rick to prevent rats jumping over 12th it from the rick The rats can be Criminal Business 10 a m killed within the enclosure by

dogs or with sticks Mice may be readily caught in traps baited with fat bacon Barium Carbonate may also be used with suitable precautions

DR V J WHITE'S MOST TRUSTED MAN DURING THE TERROR PERIOD

AN APPRECIATION By His Old Pal Tomas

The death was recorded in the Leader of the 3rd inst of Mr funeral reached Corbally two Patrick Walsh popularly known machine guns were placed in Patrick Walsh popularly known in sporting circles as Durkin Walsh It was written that he was one of the most sincere Irishmen that Waterford City ever produced That statement was no exaggeration I can vouch for the accuracy of it having known the deceased for the best part of his lite-time I took note of him during the Terror Period (a great testing time) when the fight for Irish Freedom was at its height and I admired the gallant and course geous part during the open and armed troops stood at the ready around the grave-stood at the ready a when the fight for Irish Freedom was at its height and I admired the gallant and courageous part that he acted He demonstrated undaunted prowess in the political as well as in the boxing arena. And for that I should like to pay him a special tribute for he had undoubtedly great moral as well as physical courage. The most difficult and dangerous place in Ireland (expense) as gallant and courageous an any who campaigndade in Irishman as any who campaigndade in dangerous place in Ireland (ex- Irishman as any who campaigncept Belfast) to work for Sinn ed during the Terror Period or Fem from 1918 to 1922 was in Waterford City Any young men Waterford City Any young men Waterford City Any young men Tan
