Co. Waterford Committee Of

experience in matters pertain- losses to all branches of farming were Chairman—It is a

order to improve farm condi

the County was more developed troyed by the recent flooding than the Eastern end

inally adopted and the matter of allocating a headquarters to Mr O Sullivan was adjourned to later meeting to see what accommodation was available

It was stated by the Department that Miss Joan Coleman Carrignagour Lismore was not condition for the purchase of field — That we request the accepting the Scholarship offer- wheat are quite sufficient safe- Department to insist that in any accepting the Scholarship offered by the Committee As only guards for millers Farmers are three girls entered there was not responsible for the high try the grading of pigs in facno one else to qualify and the

scholarship lapsed Bad For Export Trade That heifers sold as dry stores for export were found to be in calf was stated in a letter from the Department which added that such misrepresentations re-

should be avoided The letter was noted **Demonstration Plots** It was stated that the Cocks-

seeds during 1946 were not suc-The idea behind the plots was stated to be to find out if it could be grown successfully in this side of the country The experiment would be con- mers tinued next year Subsidies For Workers

Undestrable Replying to a recent resolu-

tion passed by the Committee— Workers was undesirable in letter pointed out that Unemployment Assistance was not paid to Agricul-Workers outside the scheduled areas between June and Harty

Mr. Heskin said that the subsidy could be given by way of increased prices for produce Everyone will admit he stated that during the last week or 10 ed days there have been extra costs strapped on to farmers due to their losses and the bad that the present allocation was

weather as no work can be done
Mr O Ryan—They are struck £200 but this could be increasboth way—by the deterioration ed if desired. It was decided that they cannot cut

the cereal and by the fact to grant the 36 premiums sub-lat they cannot cut I have ject to sanction fields which it would be a problem to cut even with a Help For Farmers

Mr Heskin-I think it is only pass a resolution about the destruction of cereals in the Blackwater district from Ballyduff to Cappogum Mr Quirke told me that there was a terrible lot of ders for fruit trees which Mr (b) Under whose orders that there was a terrible lot of which stated that in reply to my were going up every year strong representations as far as

compensation for loss to crops and stock the Land Commission cannot make any awards as they have no funds at their disposal for the purpose I then approached the Department of Agriculture on the matter but I have not yet heard from them Mr P R Power Chairman presided at a meeting of the Co Waterford Committee of Agriculture on the matter but I have not yet heard from them In that area from Fermoy to Cappoquin all the crops on the inches along the river have been destroyed The dead flood came in on the wheat and left it standing but a heavy shower of rain afterwards will knock it down as I understand the stalks have rotted Programment of Agriculture on the matter but I have not yet heard from them In that area from Fermoy to Cappoquin all the crops on the inches along the river have been in on the wheat and left it standing but a heavy shower of rain afterwards will knock it down as I understand the stalks have rotted Programment of Agriculture on the matter but I have not yet heard from them In that area from Fermoy to Cappoquin all the crops on the inches along the river have been in destroyed. Messrs P O Shea P O Sullivan Horticultural Instructors
and D Hurley Acting Secretary
attended

Late Mr Thomas Flynn

Late North P O Sullicrops there have been rolled
down and we should ask the
Department to help the farmers
in some way We have voted
money to help distress in other attended

Late Mr Thomas Flynn

Before dealing with the business on the agenda the chairman said that since the last meeting one of the best-known agriculturists in the country had died He referred to the late Mr Thomas Flynn Coolnagour House Dungarvan who was for many years chairman of the Committee of Agriculture and where his great knowledge and experience in matters pertain

ever at the disposal of the rate- proper resolution to pass and we should include farmers in the

Acting Secretary associated themselves with the vote of sympathy which was passed in silence

Boundary for Horticulture Instructors

A letter from the Department requested the committee to define the geographical boundaries of the areas to be covered by the two instructors

A letter from the Department requested the committee to define the geographical boundaries of the areas to be covered by the two instructions

A seeds which has to be paid when the people the crops are harvested. If he loses the crops he will have to meet the demand of the County believes in and make the people wear woollens instead of little wear woollens instead of little fabrics like cobwebs.

Mr Mansfield said that wool was very scarce at the moment and it was most difficult to get any in the shops even for the making of pullovers.

The discussion ended

The Minutes of previous meet-ing were duly signed as correct selves in and make the people wear woollens instead of little fabrics like cobwebs.

The County Librarian reported any in the shops even for the meet the demand of the County was very scarce at the moment and it was most difficult to get making of pullovers.

The discussion ended

Tramore

the Dungarvan Bridge with a requesting that repairs be cardirect line towards Bohadoon be ried out to roads in mountain the boundary

Mr Harty proposed the following resolution and Mr Coghlan quest the Department of Indus-

ter for Agriculture to prohibit sugar for bee-keepers in the the use of moisture apparatus for tesing wheat during the (2) Proposed by Mr M Harty for tesing wheat during the harvest weight and bushelling and seconded by Mr J Mans-

on the export trade and with as low a moisture content

things were being done to make the job more difficult for far-

only thing to do was to ask for an all round increase in the price of cereals. He said that the farmers in many cases this Minister for Agriculture year would suffer dead losses as stating that the method wheat oats and barley had been subsidies for Agricultural flattened out all over the place crease of 10 per cent on the prebarley was proposed by Mansfield seconded by

Premiums

The application of Mr N Dunphy Grawn Kilmacthomas for a premium boar was grant-

ject to sanction
Protest To The Department

The Committee decided pass a resolution of protest to the Department pointing out the enormous increase in the fair to ask the Committee to prices of fruit trees and to ask pass a resolution about the dethe Department of Industry and Commerce to account for such

damage and I went to see it for O Shea termed as ridiculous, myself I was with the Depart stating that they represented an

payers He said that the death of the late Mr Flynn was greatly regretted and he proposed a vote of sincere sympathy to the family and relatives in their loss

Seconding the resolution of sympathy Mr Harty said that he knew the late Mr Flynn for a long time and always found him l

fine the geographical boundaries of the areas of the two instructions in Horitculture. The letter added that economy in loco motion expenses must be borne in mind and overlapping must be avoided.

During a long discussion Mr. During a long discussion Mr. O'Shea semior Instructor points of the areas of the areas of the areas of the discussion ended. The discussion ended to be flooded out. The discussion ended to the flooded out. The discussion ended the matter of expenditure on newspapers for news rooms and asked the County Librarian if such expenditure were worth while that they enter the the title of life by received the matter of expenditure on newspapers for news rooms and asked the County Librarian stated that they enter the discussion for news rooms and asked the County Librarian stated that they enter the their boys and girls at heart they will see that they enter the muster of the session There enrolled for this session There is room for more and we would remind parents that if they have the interests of the matter of expenditure on newspapers for news rooms and asked the County Librarian stated that they enrolled for this session There is room for more and the muster of expenditure on newspapers for have the interest of the muster of the session There is room for more and we would remind parents that the title of life of this essent of the session There is room for more and the muster of expenditure on newspapers for have the interest of the mu O'Shea senior Instructor point- farmers in low-lying areas in the tractors thought in the Library world ed out that the Western end of County who had their crops des-

han the Eastern end

COMHAIRLE CONNDAE PHORTLAIRGE (Roinn Um Shlainte Pobul) COUNCIL (Public Health Section)

RATS AND MICE (DESTRUCTION) ACT, 1919

general public that it is urgently necessary to ensure continuous Storekeeper of each Institution measures for the destruction of Rats and Mice in Waterford County Health District

annually to foodstuffs by Rats Ce an Daibheadaig and Mice and these pests are 1 nDungarbhan, also responsible for the spread of many diseases

Measures recommended for their destruction should be carried out as follows viz — Trapping can be successfully adopted in many cases and sometimes it may be the only practicable method Where poisoning is resorted to it must be carefully practised the baits being so laid that they will not be accessible to fowl or domestic be accessible to fowl or domestic ing and valuing of stock in the animals and notices being exfollowing Institutions on the hibited in places where the baits 30th September 1946 on the are laid warning people to keep conditions hereinafter stated dogs and other animals away viz These places should be carefully recorded and visited regularly and the baits destroyed if not successful within a short period

The poisons recommended for use in preparing the baits are generally red squill and barium carbonate Red Squill should be fresh as it loses its potency after some time Barium Carbonate orders therefor should be given at an early date as stocks of me with his return (duly comthis commodity are not usually pleted) of the stock not later ber 1946 held by Chemists The follow-ing recipes containing that Applications stating of ing recipes containing that Applications stating qualifi-poison have been recommended cations and accompanied by Secretary's Office as being easy to prepare and testimonials must be lodged in Davitt's Quay, effective in use —

1 Barium Carbonate

Rolled Oats Dripping 1
(Melt the fat and make all in-Oifig an Runaidhe gredients into a thick paste but Ce an Daibheadaig in Summer use rather less fat) 1 nDungarbhan

Weight 1 Barium Carbonate Powder

Castor Sugar The baits can be laid in twists of tissue paper and will be of additional attraction if flavoured with aniseed oil

lay at least ten times as many baits as the number of rats esti-mated to be present It will be PAID AT ONCE well to vary the form and appearance of the baits at intervals It is not recommended that strong poisons such as Thallium Sulphate Arsenic or Phosphorus should be used in view of the danger to domestic animals or

It is desirable that farmers should co-operate to the fullest extent possible in exterminating During threshing operations it is suggested that each stack or rick before the threshing machine arrives and while being threshed should be sur-rounded by a rat-proof fence of wire netting 4 feet in height slightly sloping inwards and at a sufficient distance from the rick to prevent rats jumping over it from the rick The rats can be killed within the enclosure by dogs or with sticks

Mice may be readily caught in traps baited with fat bacon Barium Carbonate may also be used with suitable precautions

Annual General Meeting Catholic Scout Notes Kilmacthomas And 4th WATERFORD TROOP

CBSI (St. Joseph a Abbeyside) Diocesan Rally - The Chief of the Dungarvan Swimming Scout (who is convalescing afte Club was held at the Courthouse an illness) wrote to the DSC Scout (who is convalescing after I am deeply disappointed I cannot be with you for your Rally on 15th September as I

sure with which the National Executive has learned of the re-Mr P J Morrissey Hon Treas cent progress of Catholic Scout-read a statement on the finan-ing in Waterford and also of my clal position of the club which personal interest in the very exwas adopted

Club Activities

Messrs Lawn and Nagle gave a resume of the activities purment of the organisation in the

son which culminated with the holoing of the Annual Gala on August 25th and which proved Scouters on some early occasion to be the best Gala yet run by and to inspecting the results of the club In this connection Mr Lawn your colleagues are bringing to read a letter from Mr P G Condon a champion Irish swimmer

Meanwhile permit me to wish

Yours sincerely in Catholic

J B WHELEHAN" We are sorry that the Chief Scout cannot be present but we A discussion ensued on next hope to be able to report a suc-year's programme and in order cessful Rally and competition to strengthen the finances of the small entertainments to preparation and anybody who

and PL G Morrissey established roots at one end of the room O P Culhane outlined his programme to be followed by the gramme to be followed by the Carthy went to the other end thirty-one motor cars returning Club during the winter months Then questions began to pop and from Croke Park had passed any Scout who slipped went to the bridge outside Kilmactho-and Morrissey and the majority of the This included physical culture any Scout who slipped went to basket-ball etc and it was Messrs Fraher and Morrissey decided to seek the necessary for revision treatment while drivers had sounded their between the property of the bridge outside Kilma and the majority of drivers had sounded their between the property of the property o

crease the membership of the small Cup for a Badminton Com-club and everyone interested in petition which would take place swimming — boys and girls — in a few months after players liading hospitals should join up at once and make had some practice. The KEs GAA — As all a start for the winter

A letter was read from the Dungarvan Harbour Boat Club thanking the Swimming Club for their help in running off their first race

Before the conclusion of the Same practice

The KE's have fixed on 27th September for their next dance and very soon perhaps the Pipes will be calling Somebody is said to be compiling a list of Scouts for their first race

Some reason not quite clear but the sound that the sound the commencement of the commencement of the sound that the sound th their first race

Before the conclusion of the meeting a general vote of thanks was passed to all those who had helped to make this year s Gala such an outstanding success

Some reason not quite clear but it the commencement of the GAA games next season Our last hope the Kilmacthomas Junior football team withdrew their five-point objection to St Bridgets at the Western Divisional Board meeting held in Admirals Congratulations to Thursday ments APL J Morrissey G Mooney and A Mulcahy on Intermediate

K/E NOTES Go Ahead And Say It fellow must have something important to say when he appears again after all this time Well readers I do have some thing to say but before I say it I must explain my long absence When the lads went to Camp I went on holidays also and looked forward to great tales about
K/Es and Glengarriff—but no
has informed us that such floods news—that would set me crack-ing so I got disgusted and took another month s holidays Now

Im back again and the important item coming up is-The Scouts Dance time ago I gave the date of the next Scouts Dance as October arranged to run our third dance three weeks earlier so that the new date is FRIDAY SEPT 27th The band is again MICE The band is again MICE DELAHUNTY and the admission 5 - Dancing 9 30 to 3 30

Other News Some boys have had a grand eas time free from the usual Friday morning uneasiness since OTHER NEWS last appeared Now that he has taken up again I would advise his former victims to be extra careful from now on This week he is letting bygones be bygones so I Advertising think that's about all for now lt works both ways
