Town Postman Retires After 47 Years Service —Mr J O Grady who has been town postman in Lismore for a goodly number of years and who was appointed in April 1899 has retired having reached the age limit Throughout his long years of service Mr O Grady has never failed in his duty to his employers and to the public being trusted and esteemed by all classes of the community for his honesty and reliability Mr O Grady has been a very popu lar postman and has received many presents and letters of congratulatory messages to mark the occasion. He was the recipient of a very valuable presentation from the Post Office Workers Union

Here's wishing Mr O'Grady the best of good luck and long life to enjoy his retirement Mick Regan in the News in London GAA Circles—An ac-count of the London Champion-ships between Brian Boru's and

Taras in a daily paper mentions Mick Regan as being the best player on the field. In a typical all out effort Mick rammed home the equalising goal in the last minute Many a time Mick has earned a draw or pulled a game out of the fire for Lismore by that same do or die effort. It is said that Mick is hurling brilliantly for the Brian Bora Club Maybe it is that the colours have a sentimental ap peal for him as being black and amber they are the same colour as the Lismore jerseys which Mick so often donned in many a

hard won field

As we are on the subject recent observers told me that both Mick and Joe Duggan would be a decided asset to the Waterford County team and with tavelling facilities rapidly returning to normal would it not be in the Co Board's interest to include them in next years inter-county team. It is not imposs ble and I am sure both would be more than eager to play for their native county

Death Of Mr P O Neill — Much regret has been caused in Lismore and district by the death of Mr Peter O Neill which sad event occurred at his resi dence on Monday morning last 14th October after a short ill-ness Deceased was a respected and honoured member of the community and his passing has evoked expressions of profound regret throughout the entire neighbourhood He was father of Mr M O Neill Mr P O Neill NT St Augustine's Street Dun-garvan Mr Pete O'Neill N'T Co Kilkenny and Mr Jim O Neill Lismore Full details of the obseques

Western Divisional G. A. A. Notes (By An RUNAIDHE)

Objections and Fixtures Com mittee—There was a meeting of the Objections Committee and also of the Fixtures Committee held in the CYMS Hall Cappo-quin on Thursday evening last The objection of St Augustine's against the Bal'yduff Club on the grounds that the latter played a non registered player was heard At the time of going to Press I have not yet heard the decision All outstanding fix tures were made and the end of the Championships is now de-finitely in sight

Kilgobinet's Great Win—It is certainly a year of surprises and Old Parish is another club to go down when most fancied to win The game itself did not give much football skill but what it lacked in this was made up for in keenness Old Parish could have won if their forwards made use of the many chances they got Kilgobinet deserved their win

because when they did get a chance they took it Jas Waters was referee by agreement between the teams Brickies For The Final -Now that the air is cleared of objections and appeals the Brickey Rangers are all set for the senior

hurling final They travel to Waterford on Sunday full of confidence and determined to bring the cham pionship West I would like to-congratulate them on their great display in defeating the experienced Dungarvan team and to wish them all the best and to wish them all the best

for Sunday's game
A Little Bird Says—That the St Bridget's Rovers are considering lodging an objection to Sarsfields minor football team If lodged the case will be a most unusual one and will give the Objections Committee a bit of a headache
