NANCY NORRIS

LADIES HAIRDRESSING SALOON 28, THE SQUARE, DUNGARVAN (Prop. Mrs M C. Nagle)

we passed a resolution asking stated that due to the limited for an all-round increase of 10 supplies no other allowances per cent in the prices of grain

with a heavy hand and penalise of

there were others who had better crops than last year

Blackwater the farmers suffered ed by Mr Barron was also pass-Secretary—You'd better leave out mention of any specific

figure in the resolution

Mr Heskin—There s no doubt the turkey raising industry

area but the Minister turned down flat the representations in the Dail made by five different deputies I d certainly support this resolution as those in flood-ed areas should certainly be lead to the date of the turkey raising industry

tax on turkeys as we regard this tax as a very severe handicap on the turkey raising industry

year as a great deal of the turkey raising industry

West Waterford Hunt

Cub Hunting which was discontinued for a while following the tragic death of Mr R L this resolution as those in flood-ed areas should certainly be observed and a point on the turkey raising industry

West Waterford Hunt

Cub Hunting which was discontinued for a while following to not in the turkey raising industry

West Waterford Hunt

Cub Hunting which was discontinued for a while following the tragic death of Mr R L this resolution as those in flood-ed areas should certainly be observed and a point on securing the puck out After a number of frees were missed by for hond was kicked clear for Coffey to nip in to score Stradbally's first point Bailey kicked out a free sent to the Ballyduff square for McGovern to score a brilliant goal for St Augustines J O Connor just missed a point on securing the puck out After a number of frees were missed by for free sent to the Ballyduff square for McGovern to score a brilliant goal for St Augustines J O Connor just missed a point on securing the puck out After a number of frees were missed by for first point Bailey kicked clear for Coffey number of frees were missed by for St Augustines J O Connor just missed a point on securing the puck out After a number of frees were missed by for high was discontinued for St Augustines J O Connor just missed a point on securing the puck out After a number of frees were missed by for high was discontinued for St Augustines J O Connor just missed a point on securing the puck out After a number of frees were missed by for high was discontinued for St Augustine figure in the resolution

That we the members of the County Waterford Committee of Agriculture place on record our deep appreciation of the invaluable assistance rendered to the agricultural community of the county by the voluntary helpers who came forward in very cre-ditable numbers to help in sav-

ing the cereal harvest of 1946 All the other members joined in praising the work done by the

than those made to the Co Was there any reply to Committees during the recent

Harty—The Department county but there was no market

Egg Prices
Mr Heskin pointing out that

to blackmarketing and that supto blackmarketing and that supa solo run only to be robbed near register Farrelly took a free said that there were individual ply and demand would more the goal by M Ahearne J awarded to Dungarvan and

mers were badly hit but then equitably regulate prices In connection with this matter the following resolution proposed by Mr. Harty and second-posed b Mr Morrissey—All along the posed by Mr Harty and second-

That we request the Department to abolish the 3d per lb tax on turkeys as we regard this

Boys Suits 55/-, 63/-Boys Shirts, sizes 3 to 9, 6/- to 7/10 Boys Stockings 2/-, 2/11 to 4/6.

JAMES COFFEY DUNGARVAN

ners by 1-8 to 0-4 The referee showed strict impartiallity and efficiency in his handling of the difficult game

THE PLAY

that?

Secretary—No
Mr Mansheid—Its no use passing resolutions if we don't get replies to them Another thing is that it's not fair to cu. far is the excess moisture

No Market for Apples

No Market Mr Harty—The Department county but there was no market are not co-operating with the for them He suggested that the farmers who are doing their best to produce good food but the Department come down on them that the apples could be got rid between the produce good food but the Strick and had a near miss for a goal (Sean) T Murphy T Ryan J Some good mid-field play and J Some good mid-field play and J Strake T Canning M Ahearne with a heavy hand and penalise of After a discussion the follow-them

Chairman—There's no doubt ing resolution proposed by Mr ough time and were not paid for the Mr. Harty—The farmers amount of apples for which was cleared Murphy St Augustine's showed up well in defence A stoppage held the play up while a Bally-duff player was attended to and on resuming Ballyduff had a free which was cleared Murphy St Augustine's sent in and Jos Malecher

Fraher St Augustine's showed up well in defence A stoppage held the play up while a Bally-duff player was attended to and on resuming Ballyduff had a free which was cleared Murphy St Augustine's sent in and Jos Malecher

That in view of the large which was cleared Murphy St Augustine's sent in and Jos Malecher

The farmer's have had a mount of apples for which was cleared Murphy St Augustine's showed in cessy. T Canning M Ahearne held the play up while a Bally-duff player was attended to and on resuming Ballyduff had a free which was cleared Murphy St Augustine's showed in defence A stoppage held the play up while a Bally-duff player was attended to and on resuming Ballyduff had a free which was cleared Murphy St Augustine's showed in cessy. T Canning M Ahearne held the play up while a Bally-duff had a free which was cleared Murphy St Augustine's showed in cessy. T Canning M Ahearne held the play up while a Bally-duff had a free which was cleared Murphy St Augustine's sent in and Jos Malecher. but the farmers have had a tough time and were not paid for that in view of the large amount of apples for which should thank the volunteers from every section of the community who helped to save the harvest. They deserve the greatest credit as most of them were est credit as most of the community who helped to save the persons or firms who may be presented from a free at mid

not accustomed to manual labour Mr Heskin pointing out that the new control price of 4 - per a resolution requesting the Minister to make an allowance of £2 per acre to those who lost their crops. The resolution stated that 40 per cent of the marketing of eggs as they would stated that 40 per cent of the marketing of eggs as they would be accustomed to manual labour Mr Heskin pointing out that the consumer tured for Ballyduff a wide was registered by J Duggan St Augustines when well placed From the puck out Ballyduff got away for C McCarthy to get credit for a goal from a ground drive by him that was deflected by a narrow margin Dungarvan continued to press and Butler Lannen and Tobin for Extending the first state of the producer of 3.5 in a favour producer of 3.5 a resolution requesting the Minister to make an allowance of £2 per acre to those who lost their crops. The resolution stated that 40 per cent of the grain crop in County Waterford was a total loss.

The Chairman said that he would not agree that the percentage of loss was so great.

Asked for his opinion Mr Asked for his opinion Mr be would be would be would not agree that the percentage of loss was so great.

Asked for his opinion Mr be would be would be would not agree that the percentage of loss was so great.

Asked for his opinion Mr be would but be would not agree that the percentage of loss was so great.

Asked for his opinion Mr be would but be would not agree that the percentage of loss was so great.

Asked for his opinion Mr be would but be would not compare with the producer of 3.5 in a favoured to a goal from a ground drive by him that was deflected to St. Augustines net The reply came soon when J O Connor put St. Augustines ahead by a point from a 70 yards free In a Ballyduff attack in which Phaerine was seen. St. Augustines were saved by McGregor M O Connor St. Augustines had for a score but just failed to register. Farrelly took a free first the producer of 3.5 in a favoured to the producer of 3.5 in a favoured to the black-marketing of eggs as they would drive by him that was deflected to St. Augustines net The reply came soon when J O Connor put St. Augustines ahead by a point from a 70 yards free In a Ballyduff attack in which Phaerine was seen. St. Augustines were saved by McGregor M O Connor St. Augustines had for a score but just failed to register. tine s) was injured and was re-placed by McGovern, and T Murphy sent wide for Abbeyside Murphy sent wide for Abbeyside in a solo toe to hand run only following a fine sideline cut by to be robbed by the Dungarvan McGregor T Ryan got a flash goal for St Augustine's J between a number of players

Ballyduff 1—0 awarded to Stradbally about Centre-field The kick taken by attacked but were repulsed by K Whelan went well in and Ballyduff backs who got the ball to their forwards for Clancy to score a fast goal for Ballyduff to force a goal Barron secured St Augustine's came back and a long ball by J O'Connor was got by McGoyern to score a fast goal attack and Lanner was fouled. by McGovern to score a fast goal for Abbeyside J O'Brien St Augustines full forward had struck the post a moment before McGovern secured Waters the

the goal of the match to leave Abbeyside a goal ahead one minute before full time Ballyduff rallied to try again and after a number of clashes the ball was sent up mid-field

improve and after a nice passing movement the ball was sent to Coffey on the right wing who put

deputies Id certainly support this resolution as those in flooded areas should certainly be compensated but Id put the figure at £4 or £5 per acre Mr Harty—Id agree with that as £2 would hardly pay you to stand at the gate

After further discussion the following resolution was proposed by Mr Morrissey and seconded by Mr Mansfield and passed unanimously—

'That we regret the decision of the Minister for Agriculture in falling to recoup certain farmers in County Waterford for the severe losses they have sustained the ton due to heavy rain and floods and we hereby request the Department to make an allowance of £5 per acre in respect of the 1946 grain crops"

On the proposal of Mr Harty seconded by Mr Mansfield the following resolution was also passed—

The opening meet of the Hunt for the goalle 'From the seventy and second the following resolution was proposed by Mr Mansfield the following resolution was stored over the fall of the following resolution was also passed—

SPECIAL IN BOYS weaks to the square for T Ryan to get a further point suiting the kick by and the fall of score within the next minutes of ra point but falled to score within the next minutes of rain by score within the next minutes for a point but falled to score within the next minutes for a point but falled to score within the next minutes for a point but falled to score within the next minutes for a point but falled to score within the next minutes for a point but falled to score within the next minutes for a point but falled to score within the next minutes for a point but falled to score within the next minutes for a point but falled to score within the next minutes for a point but falled to score within the next minutes for a point but falled to score within the next minutes for a point but falled to score within the next minutes for a point but falled to score within the line by the Ballyaufi found and Barron A side-line kick by Stradbally and learned and manger of the Hunt of the stradbally and learned and manger of the Hunt of the stradb

Chairman presided at a meetof the Youghal Urban District
Council. Also present were
Messrs M D Broderick L Daly
Liam Clancy M Ahern, Sean P
Daly BE and E P Lynch ViceMr Broderick TD, brought them
there to see the bridge
Mr Lynch VC—The members

of the national authority coming to the aid of any one

Mr Daly BE—It was a very bad harvest and the moisture

content was big and if the wheat was not good it was no fault of the farmers. I think we fault of the farmers I think we should thank the voluntary services the LDF the Youghal Development Association and the Youghal Industrial Development Association all of whom did wonderful work at the saving of the harvest A special word of thanks is due to Mr. William Dwyer who was a pion-William Dwyer who was a pion-eer in the work as he gave his

Mr Daly—The Minister did say he intended to increase grants but he didn't specify how

Chairman—Surely the Min-ister will help local authorities in cases where factories were being built
Mr Daly—I would suggest that

Parade—On Sunday last the Mr Daly—I would suggest that feast of Christ the King we had a Parade to Mass and Holy Com-struct our Clerk to write the munion After Mass we lined up Local Government Department

in the Den to renew the Scout Promise— On my Honour with the Grace of God I promise to do that a copy of the letter that I my best to serve Christ my King have received from Mr Dwyer neighbour at all times to obey thing good may happen out of it the Scout Law to obey thing good may happen out of it is very hard luck on a Comme Scout Law

Meetings—Owing to the Whist pany if they cannot house their

Drive held on Wednesday night staff Mr Clancy—It is not reasonmeetings on Sunday morning their staff

Their ware a bit disorganised as Mr Lynch VC—Our Clerk

last were a bit disorganised as leach Patrol had the duty of distributing handbills about the Whist Drive The Beaver Patrol Chairman—I will see Mr Whist Drive The Beaver Patrol Chairman—I will see Mr of recruits held their meeting on Hayes when next he comes to

Friday night and some of them Youghal Mr Lynch VC-It has been General—John Mac has settled said that people were asked to that he has linked up with some ing to find itself even tourists Troop in the city but we may were complaining about the very hear more about this later on high rents. Is it not so that Was it the Burgery air that was there is such a thing as the Rent the cause of someone Phelan Restrictions Act, there is someone on Sunday night? Oweno who has done very well where and I think that someone where and I think that someone or the sound of in Dublin will be returning to thing should be done about such at the Troop Meeting (except the rent by a few shill through the window) but will case of a new letting

Chairman — Would they do Mr Lynch VC - Would they hang you if they got a chance the way it looks as if the pray-ers of someone who has been (laughter) Mr L Daly—I think we should

concentrate on the erection of working class dwellings after all some sites are available Mr Daly BE-I brought the spoke very highly of remaining thatched He took some lovely own with the best without any show his American y Concert—Last week dised to spill the beans of exter keep that promise sults may be disastrous whing is going according to the following of the control of the possible to expedite the hing is going according to the following thatched He took some lovely and hopes to be able to hold his Mr Daly said that he was in the Department in Dublin They asked that he was in the Department in Dublin They handicap For a new song we asked him how far the sewerage grammes for Scout activities which would prove interesting and attractive and hopes to be able to hold his Mr Daly said that he was in the Department in Dublin They handicap For a new song we asked him how far the sewerage grammes for Scout activities which would prove interesting and attractive went in Tallow Street and he told them then they discussed the morning of a parade The new sults may be disastrous were paid to Rev P Tributes were paid to Rev P Secretary Rev Bro Bruno De Assistant Secretary Rev Bro Bruno De Assistant Secretary Said that the officials should at the officials at the officials should at the officials at the officials should at the officials at the very frequently during the past doing of that section and they week and a few of the K E s and said they would look into the Scouts too are making notice—matter With regard to the It was agreed that the next

Mr Lynch VC—Was there a
deputation down here in Youg-

Messrs M D Broderick L Daly
Liam Clancy M Ahern, Sean P
Daly B E and E P Lynch Vicechairman

Mr Clancy—It appeared in the
press that the Kiliarney resolution to remit a molety rate to
those who suffered as a result to
the bad harvest was adopted
If my memory serves me right that
was not so
Chairman—I agree and I see
rer from the minutes that it
was not adopted

Mr Broderick—I agree that
the action taken by the Council
was a proper one The payment
of rates must be met Any man
growing wheat today is doing so
as a national necessity and I
think that that national authority
ty should come to the aid of
these men who have lost their
crops
I ti sthe duty of the
national authority
Mr LDaly—All this has nothing to do with the preliminary surtorderick s suggestion and the Killarney resolution I see no hopes
of the national authority comming
to the aid of any one

"Mr Daly B E and E P Lynch Vice—The members were friends of mine and there to see the bridge
mr Lynch V C—The members were friends of mine and there
there to be bridge
Mr Lynch V C—The members were friends of mine and there there to see the bridge
Mr Lynch V C—I do not see
any difference to Cork

Scraping of Water Mains

Mr H N Walsh Consulting
Engineer furnished his reports
on the scraping of the watermains and the laying of the proposed new mains

Both reports

giving her a concrete path but Cork but there must be protection placed there and even
unanimous in the matter she though it might be expensive the
saving of one life would be worth
all the cost
muck If there are flags Mr Orposed new mains Both reports
were noted with satisfaction

of the reports
would have had a better chance
to placed there and even
all the cost only
mr Veale agreed with the
Chairman and said that cermond should be asked to look
tainly something should be done were noted with satisfaction

Recent Fire Recalled

Mr Lynch VC—About two especially for an old woman

after it at once as the pathway at the quay is very dangerous at present seconding pathy Mr is

pleased to attend to when the railway company tion and I object now to having Mr Daly BE—I asked the wont have the wagons to bring anything foisted on us about Manager about a water supply the turf There will undoubtedly which we have no knowledge I for Raheen Road and he said he be a collapse during the winter thought the harbour business would have a report made Mr unless there are greater stocks was run directly by the Manager Treacy did actually make a re-accumulated If anything does now although in the old days port but nothing has been done happen which I hope won't there was a Harbour Board and

Mi Lynch's suggestions were Department wrote stating that more information unanimously agreed to the Council would have to give Mr Veale—I the Flooding

An undertaking to pay the cost bour tonnage for 1938 which was reduced there would be more depopularity. After the ceremony mand for the purpose of the bour tonnage for 1938 which was reduced there would be more depopularity. After the ceremony mand for the hall and more the party motored to Waterford in the poses of the Bill was as great as money would be made. He sugset that the level of a public inquiry and poses of the Bill was as great as gested reducing the price of the bour tonnage for 1938 which was reduced there would be more depopularity. After the ceremony mand for the hall and more the party motored to Waterford money would be made. He sugs where a reception was held in the poses of the Bill was as great as gested reducing the price of the bour tonnage for 1938 which was reduced there would be more depopularity. After the ceremony mand for the party motored to Waterford money would be made. ne stated to the fact that the event of a public inquiry and some of those included in the County Councils men closed up would display large notices along Bill I would like to get the hall to £1 and the price of the which a number of guests at some shores for the taking of the shore.

Common Ailments of Farm Stock

> £5,000,000 is the estimated annual loss to Irish Farmers caused by abortion, mastitis, tuberculosis and the diseases caused by worm and insect pests. To this must be added the vast sums lost from a multitude of other ailments.

Many of these ailments are preventable and others respond to simple treatment

Our Agricultural Correspondent will discuss the Common Ailments of Farm Stock and their remedies-
