Waterford Vocational Education
Committee and Mr D Coghlan came before the meeting as a de putation from the Co Waterford Vocational Education Committee to request the Council to make a grant towards the erection of the

proposed new Vocational School at Kilmacthomas Mr Lanigan stated that his Committee had purchased a one acre site at Kilmacthomas ten years ago and plans and specifications for the new school had been sanctioned by the Department four or five yars ago but due to the war nothing could be done since then When the Dungarvan school was being built was time something should be at Portlaw if we are to encourdone in East Waterford Kilmachomas he said was the centre Education £3 000 is not a big thomas he said was the centre of a large area and at present there were seven students from there were seven students from there were seven students from the coming to Dungaryan better to adjourn the matter to better to adjourn the matter to special meeting the area coming to Dungarvan His Committee had decided to erect a school at Kilmacthomas

Langan then pointed out that area I don't think there will be in £ on the rates would any need there either realise an annual sum of £288

Asked for further particulars the Secretary stated that the Mr ORvan asked about

estimated cost of the school was Workhouse buildings in Kilmac-£6 120 and on a loan for 30 thomas and suggested that poryears at 21 per cent the annual tion could be used temporarily repayment on capital and interest would be £291 4s 2d Of this one half would be refunded by the State so that the net cost should go and visit it and report be £146

ago we began speaking about pose we mentioned this school and Kilmacthomas Mr Harty—No o raise the loan so that work can

Senator Butler then proposed to the request of the thing to do is to hold a special meeting of the Council to deal with the question of erecting schools in various centres in the County Vocational Education with the matter be adjourned for consideration of employees in various crafts and there will be a demand for trainthere will be a demand for trained young men in the Ireland of to-morrow I have a list here from Lismore which shows that onded

The Chairman then put the secretary on the present allowance is made and he did not think the present demand was too hard. GAELIC NOTES SENIOR CLUBS

(By ' TAOBHLINE )

Last Sunday's senior football county final between Dungarvan and Kilrossanty at Cappoquin did not come up to expectations and the display of both teams in my opinion was mediocre Football in the county as played on Sunday last is at a very low ebb and I see no hope of a Wa-terford football revival at least

for many a long day

Dungarvan holders of the in the key positions the 'Blues' were disappointing particularly Improvements Schemes to bring it to the same level as County in the scoring department where a place kicker was badly needed a place kicker was badly necded For twenty minutes of the first half they were all over Kilros-santy but a one point lead on the turn over was not flattering

> Jimmy Mountain combined well in a rather shaky 'Blues' back line but Jackie Good did not fit into his new centre half position and was inclined to rove up field to help the forwards who never

Kilrossanty turned on pressure in the second molety and with a bit of luck they could have dethroned the champions On the recommendation of University College Dublin the age limit for the Scholarship in satile Jimmy Power was always a danger to Dungarvan and others of the Comeragh men to play with distinction were Dick McGuire Plus Dalton Mick Whelan and P J Lynch and not forgetting Pats Fitzgerald who played a great game when he came on in the second half A draw was a fitting result and both teams live to fight another

law would allow them to be given back

Mr Walsh—It is a very bad place to build cottages and I understand the plots are dereural and the plots are dereural at present.
