Chairman—I will tell you Own Club to withdraw now pose (quoting from letter) (1) Is it while the Board is discussing the spleen four months ago (2) The Gaels of the Decies are now wide awake to the real position—and they are talking (3)
The Chairman here quoted an extract which he alleged was directed against himself person-

ally and also against the Selection Committee Mr McDonnell-There is no Mother Prioress and by the Board during the last 12

months and some of our players Mr Fanning-Is it suggested that the suspensions imposed Mr McDonald-That is our opinion Suspensions were im-

What's wrong with our Farming System?

The quantity of butter in reserve just now is less than a year ago, bacon is so scarce that certain people are prepared to go to the black market for it, fresh eggs are virtually unobtainable by the average townspeople And at the same time farmers are swelling already glutted markets with Store cattle which change hands at prices very unfavourable to the producer

All of which points to a very unhealthy state of affairs in our Agricultural economy

Is the low price of store cattle due to the excess numbers being thrown on the market because of shortage of feeding?

Are we breeding good looking rather than good milk yielding cattle? Are cheap imported feedingstuffs essential to pig and poultry production? Many countries have found it necessary to change

their systèms of production We in this country

have reached a point where a change is essential These important matters of intense, practical and immediate interest to all farmers, and the type of change which is essential will be discussed by the

Tragic Death Of Miss Helen Power, Main St, Dungarvan

It is with feelings of the greatest regret that we record the death of Miss Helen Power daughter of Mr and Mrs P Power Lower Main St Dungarvan and sister of Rev J Power OSA which occurred at the early age of 23 years and after an illness of less than a fort-night on Weanesday morning

Her death on the very threshold of womanhood is nothing less han a tragedy and the unrestrained sorrow of the entire community is now extended to her afflicted parents brothers and sisters in the great cross that God has placed upon them Those who knew the late Helen Power will remember her as a jolly carefree girl She was known over the length and breath of the County where her prowess as an Irish step-dancer was known at Feiseanna Aeridheachtanna and Ceilidhthe and her early demise will be mourned by all who had the pleasure of her acquaintance

One of the greatest corteges ever seen in Dungarvan attended the removal of her remains to St Mary's Parish Church on Wednesday evening where they were received by Very Rev T Canon O Brien PP VF assisted by Rev J Power OSA (bro

ther) and a number of the priests from St Augustine's Requiem Office and High Mass was celebrated for the repose of her soul on Thursday morning the celebrant being Rev Power OSA (brother) with Rev P Magee OSA deacon and Rev Fr Carolan OSA sub-deacon Very Rev T Canon OBrien PP VF presided and there was a very large number of priests in the choir
