YOUGHAL, U.D.C.

Present—Mr P. J. O'Gorman P.C. Chairman presiding Mrs S. Hurley, Messrs L. Daly, Sean P. Daly, E. L. Clancy and M. Ahearn. The Manager Mr T. A. Hayes was also in attendance.

Chairman—I think I would be remiss in my duty here if I did not say how glad I am to see Mr Clancy back again with us. We are all delighted to see him back fit and well after his illness.

Mrs Hurley—It would nearly pay us all to go away for a time (laughter). All present associated themselves with the Chairman's remarks.

Mr Clancy thanked the members for extending such a welcome to him. The Manager read Professor Walsh's report on the scaping of the mains and suggested that the remainder of the mains should be scaped as an extension of the existing contract.

Mr S. P. Daly BE proposed that the new works be advertised but as there was no second opinion the Chairman declared the proposition carried subject to the Minister's sanction.

Mr Clancy—I think we can forget transferring the pipes to the other side of the road owing to the huge cost. We can never keep enough pipes in stock with bends so that we can bypass the mains should another landslide occur.

Tallow & Moorehill Notes

Exit 1946—The year 1946 has gone into the irrecoverable past and with its exit another milestone on life's journey has been passed. For some it brought gladness to others sorrow and to the world in general it brought hope of better times to come.

On New Year's Eve the Bride-side town heralded in the New Year in traditionally joyous fashion, large numbers parading the streets with musical instruments playing out the Old Year and playing in the New Year. Let us hope 1947 will see the realisation of our hopes and ambitions. Let us pray that it will bring a lasting peace and prosperity to a world that has suffered such hardships during the terrible years of war.

Brilliant Social Function—The annual all-night dance under the auspices of the Tallow Tennis Club held at the Regal Ballroom on New Year's Night, was a delightfully successful and most enjoyable occasion.

Mr Daly BE—I would say again that the Minister should make up his mind as to the amount of the grant and I think he should ask the Minister to let us know what he is going to give by way of grant.

Mr Daly BE—Let us assume that such a house would cost say £1,400 if you decide putting up a house at this price we would expect to get a rent of £120 a year.

Mr Daly BE—Let us pass a resolution here asking the Minister to make up his mind as to what he will give by way of grant.

Mr Clancy—I do not think the Minister for Local Government can sanction such generous grants for private houses but I do not have the same thing in view as we would have. I think it would be wiser for us to keep within the scope of our discussion.

Mr Clancy—It is not a case here the State should make a law to clarify this matter. There is no reason why if a man is the owner of a house he cannot be found it baffles me. It was decided to carry out the suggestions made by the Architect in his report and have the house made safe the cost of doing the work to be registered against the property by way of mortgage.

afternoon matinee also housed a large attendance. The programme opened with a song number in character, 'The Wedding of the Painted Doll' and from the tiny 'Back in the Box' sang a comic parody on 'Mother Macree' and as an encore 'When Father Papered the Parlor'. A speciality dance number by three young members of the choir followed and they received a loud encore.

Mr Daly BE—The Minister should make up his mind as to what he is going to give by way of grant. I think he should ask the Minister to let us know what he is going to give by way of grant.

weeks much time will be spent in many homes, particularly in the country discussing the prospects of those who are thinking of tying the nuptial knot. This is the time par excellence for matrimonial advice. As is usual in the New Year one can hear lots of talk of bachelors from the Brideside town and surrounding districts who are listed in the minds of the neighbours to take an important step. Although the day of the wedding is predominantly the day when the woman takes the lead for attention the neighbours are equally concerned about a wife for their son. Judgment as to the right choice of a husband. We hear a number of the colleens say they wished it was Leap Year so some of the bashful suitors had better pop the question for in 1948 she will have the right to do so. Of course there is little difference between the colleen asking the question and showing in that nice way they have (at least) the Brideside evening that it was high time the man made up his mind to ask. In 1947 the men will do all the asking. Those who were preparing in 1946 to make the change in the nature of matrimony. Jobs for men are neither plentiful nor secure houses are very scarce and rents are very high. Yet there is nothing so satisfying as overcoming difficulties and so new homes are founded. Those who were contemplating a change of life deserve every good wish. May they and their partners prove pleasant companions and quickly learn to face the world courageously.

Cinema News—The Management of the Regal Cinema Tallow deserves to be congratulated for the splendid pictures booked for some months ahead. During the coming week three outstanding films will be screened which include 'Fairy Tale Murder' on Sunday night, 'On Monday and Tuesday nights Ginger Rogers will star in one of the best outstanding films of the year—'Week-end At The Waldorf'. This is a picture that should please everybody. On Thursday and Friday nights the splendid and interesting film 'The Dolly Sisters' will be shown. This feature which includes John Payne. This film is packed with thrills romance and excitement and will prove most entertaining to all picturegoers. For further details of the week's programme see advt. in this issue.

Wretched Weather Conditions—Tallow and Moorehill like most other places shared in the awful weather conditions which have prevailed for the past few weeks. On Thursday night Jan 2nd, and again on Friday, torrential rain fell and all low-lying lands were under several feet of water. In the Tallow-Brideside area severe flooding occurred and pedestrians experienced much inconvenience owing to the road at the bridge being flooded. On Sunday further heavy rain fell which was accompanied by a cold southerly easterly wind which made conditions out of doors very unpleasant. As a result of the heavy rains farm work is at a standstill and very much in arrears. The local residents say it is the worst December to date experienced and the New Year saw no improvement. It is to be hoped that the worst is passing over and that ere long the weather will take a turn for the better and the conditions will improve all round.

Meet of the West Waterfords—On Thursday January 2nd, a meet of the West Waterford Hurling Club was held at Moorehill, and was favoured with fairly good weather conditions. A large attendance of followers were out. Foxes were very plentiful and a fast run from Moorehill to Dungarvan was witnessed in the adjacent countryside during the afternoon. Amongst those at the meet were a number of promising point-to-point horses which were being schooled by their trainers.

Thanks—The members of the Kilwatermoy Dramatic Class extend their grateful thanks to their numerous friends for their congratulatory letters and messages. His name will ever remain in the memories of Corkmen as a wholehearted hurler and a great clubman, countryman and Gael. The famous Cork-Kilkenny final of 1931 is recalled by his passing and at his obsequies at Ballintemple cemetery, fellow-members of that famous All-Ireland team present in addition to Messrs P. Ahearn (brother) E. Coughlan (brother-in-law) were Sean O'Murphy Secretary Cork Co. Board, Jim Hurley B.A. Merle O'Connell Denny Barry Murphy, Paddy Delea and Garry Garrett, while all classes of the city and county were represented. A big attendance of Gaeils from all the surrounding districts were present to pay a last tribute to a gallant Rebel Country hurler. Ar Dheas De go raibh a anam.

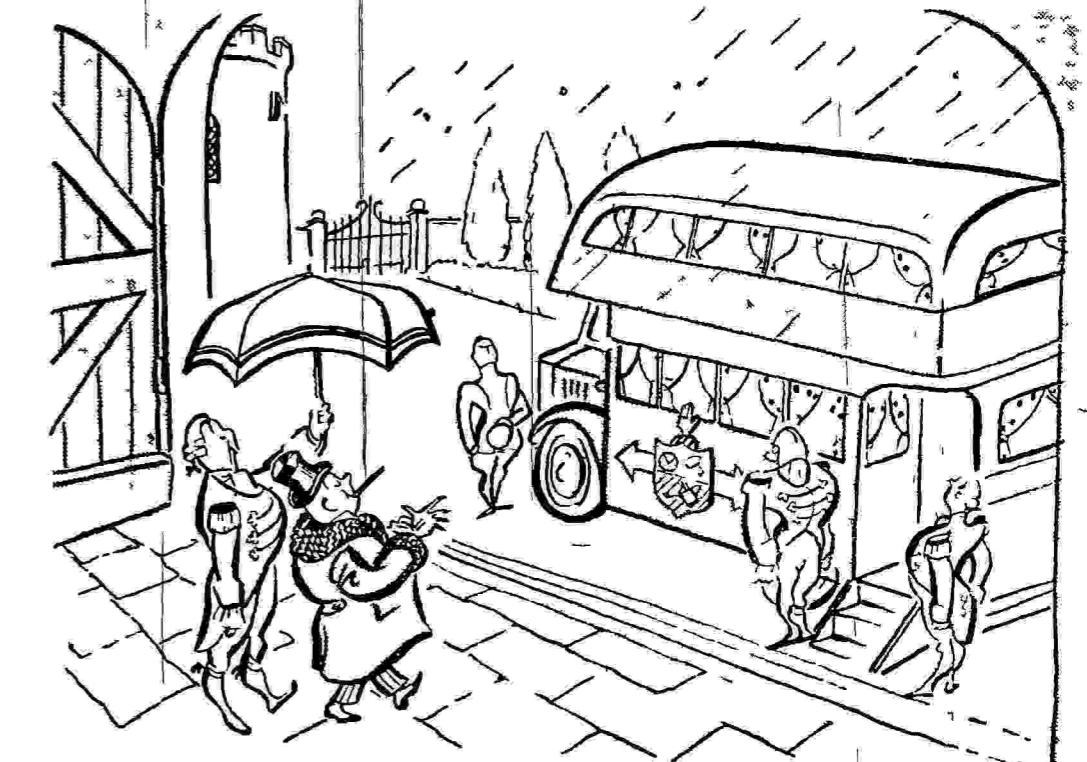

G.A.A.—It is pleasing to record that efforts are being made to revive the St. Patrick's hurling club in the parishes of Knockmore, Kilwatermoy and Glen. Those responsible for trying to bring the club back with success will meet with success. A meeting will be held during the coming week, and we appeal to all Gaeils to attend.

Legal Tattle—On the charms of the Brideside colleens is amazing—sure at the recent dance two nearby young men had to toss for one. Well all the best "young farmer" you were lucky but wasn't it tough on the loser! No doubt the old adage—'When the cat's away the mice are dancing' proved correct on New Year's Night. So be careful young men the Brideside colleens are tough they're all your own when you're here—but when away—'look out'!

What would I do....

IF I WON THE SWEEP? WELL THERE ARE SO MANY THINGS A FELLOW COULD DO... A LOT WOULD DEPEND ON CIRCUMSTANCES... PERSONALLY, I CAN NEVER MAKE UP MY MIND...

WHAT I WOULD DO FIRST— NOW I KNOW!! I WOULD— BUY A BUS OF MY OWN!!

THE PRESENT SWEEP IS ON THE GRAND NATIONAL
