was with a few exceptions all that could be desired. The drastic action taken against offenders in 1945 seems to have a good effect. Clibs are learning that there is no place in the Association for blackguards. The Objections Committee and Fixtures Committee especially the former proved their worth again in 1946. They both made for smoother working and prevented long meetings which in the past led to bad feelings between Clubs. They certainly should be continued in 1947. St Augustine's won out Divisional honours in J H after a replay game against Ballyduff.
