## Co. Waterford Libraries Committee

A meeting of the County Waterford Libraries Committee was held in the Courthouse Dungar-van on Monday February 16th. Present—Rev Fr Murray, PP Acting Chairman Rev Dr Curtis OSA Mrs M Maher Messrs M O'Ryan, MCC, and

Ed Walsh Report on Annual Meeting of The L brary Association of Ireland

The County Librarian reported that at the annual meeting of the above mentioned body it had been decided to take appropriate action with a view to having an amending Act to the Public Libraries Bill 1947 introduced n the Dail

Mr O Ryan said it might help to have any amending Act passed through the Dail if the proposed Act were put before County Libraries Committees for their information and that suggestions if necessary and resolu-tions of support could be made or passed

The County Librarian stated that he had moved the following resolution at the Annual Meet-

ing —
That the Library Association of Ireland having carefully considered the matter formulate a policy on the question of Library Extension Schemes with a view to determining (a) What extension Schemes may properly fall within the scope of the Library Service (b) The advisability of extension schemes at the present stage of Library development (c) its long term Interested persons are re-such Libraries as the American quested to submit sealed tenders services in the matter of extenbridge that gap in a few years We must first concentrate on books buildings and staff

resolution was to hamper the initiative of Librarians and that it would entail a restrictive definition of Library activities The President of the Associa-tion Professor Hackett DSc ruled that the resolution was and on foot Kilcooney covert

and Development in Poultry-ments would enter the scale at the Keeping generally at the follow- in some cases less than £450 and At Civil Service and in the case of the nursing profession

The County Librarian thanked the Committee on his own behalf and on behalf of all other By the boreen near Beary's I given by the Government that fresh plucked from the clay withstanding the assurances by the boreen near Beary's I given by the Government that passed the resolution The Orders made by the Co Manager since last previous

Inder present conditions the mise of the physical well being of the kiddles

About Us—The "us" referred to here is of course the C.BSI whose report I mentioned in last weeks notes The 18th Annual Meeting of the National Council will be held on Wednesday next 10th March Among the resolutions before the meeting will be ones dealing with physical well being of the kiddles

Under present conditions the lot of the children in country schools during the winter months is deplorable. The majority of them travel long distances and then have to sit in cold schools for nearly six hours. The only method of heating is a fire at one end of the large room and no matter how large this fire is it can only heat a small portion of the space. Teachers do their best by having the children in relays before the fire and by giving them exercises such as hand-clapping and arm inging. How can they learn under such clapping steam-heating in each school would be well worth the space of installing steam-heating in each school would be well worth the space of the resolutions before the meething meand ing will be ones dealing with Patrol names a dearer fee for registration, and Rawly testwork In the National Commissioner's report we read that there has been a serious falling off in the numbers of Scouts of fourteen years and over in the past few years. The following extract is fairly representative of the critical aspect of reports received at Headquarters—

'The difficulties which bar progress in certain Troops are purely local and can be removed by local efforts only As that effort is sometimes half-hearted the result is a continued state of inefficiency which in turn affects seriously the outlook of scouts and prospective Scouts and scout and serious propers and serious falling the resolutions and serious falling with
