### DUNGARVAN CIRCUIT COURT

Strancally Land Dispute Settled

Decree For £267 Malicious Injury To Cattle

come to his Lordship and to express the wish that he would dispense justice in the area for many years. In doing this he said that he would like to pay a small tribute to Judge Sealy who did not tell them at the last sitting that it would be his last court and they did not have a chance of thanking him for all his kindness to the legal profes.

kindness and tolerance to all the passage unopened On April Solicitors and gave universal 30th the last of the cows died

Judge and Mr T A Colbert Co

of the Gardai Stochana also wel- helfer and a cow which had just of the Gardal Stochana also well calved him of the loyal co operation of the Gardal in upholding the dignity of the Court would be worth £42—

very much obliged and grateful for the welcome he had received Referring to the tributes paid to Judge Sealy he said that he knew that he would have a diffi-cult task to follow in the steps £36 of a Judge who was as fond of Waterford as Judge Sealy Council cross-examining

He asked for the assistance of

about twenty cows On April 5th mortems on the dead animals they had 10 cows in each of two and in one case found that the offending instrument had slight-dwellinghouse and when the ly injured a bowel and there was dwellinghouse and when the evidence of three lacerations of the l that evening they were alright the vagina and death in each On the following morning it was case was due to peritonitis and ford) noticed that the door of one septacaemia. He said that he referee shed had been interfered with found a splinter in the third and a stone holding it had been cow s vaginal passage and stated removed and during the day that the instrument that peneseven of the cows got sick and trated would have to be at least these all died at later dates He 2 feet 4 inches long said that a Veterinary Surgeon In reply to his Lordship wit-who had examined the cows had ness said that in his opinion the no doubt but that there had been act was done not with the pur-

Patrick Butler in evidence said cause penetration but to that the cowshed for the cows Mr A Quealy Veterinary Surwas divided in two with 10 cows geon gave evidence of a similar in each. The sheds had sliding nature and said that as a result doors and were usually kept of his examinations of the dead closed by a big stone about a stone weight. On Monday April due to general peritonitis and 5th he went to the races at Dun-garvan and to the dance that septacaemia caused by wounds inflicted from the outside night and did not return until
six am the next morning He
then went to bed but was called
by his mother at about 10 o clock
of the cows was dying and they and went out to the cowhouse ordered it to be destroyed for and examined one of the cows there which they called the Quinn Cow and noticed that she had scratches on the water and found the carcass of a white passage which he thought were

caused by damaging herself on a His workman Edmond O'Neill When he opened these he found later told him that another cow three wounds The only survivlater told him that another cow was sick and he then examined her and also the others. One of the cows was straining herself and getting up and down as if she was in labour and he found the same thing wrong with the others and then he formed the others and then he formed the oplnion that someone had in. April 5th when they was a labour and he found the same thing are the cows in the shed on oplnion that someone had in. April 5th when they was a labour and he formed the others and then he formed the oplnion that someone had in.

When the Vet to Waterford Vet came he formed the opinion that the cows were sick from eat-ing turnips On the following Friday witness said that he noticed another cow sick On April 7th he said he got up at am and when he went out he found one of the cows dead and the other six just as bad He then sent for Dr Gleeson Stradbally, who came in the afternoon and he examined the six and opened up the dead one and The Dungarvan and Lismore Circuit Courts were held before his Lordship Judge Roe S C at Dungarvan on Wednesday last Judge Welcomed

Mr T C Williams Solr said as Senior Solicitor in Dungarvan he would like to extend a welcome to his Lordship and to express the wish that he would

his kindness to the legal profes would examine He did not open He said that during his time the cow completely and left as Judge Sealy showed about nine inches of the back which left seven dead and one Mr Clarke BL on behalf of alive of those which had been in the bir also welcomed the new Jured

Judge and Mr T A Colbert Co Witness said that all the cows

Registrar also joined in the expression of welcome
Supt P O Mahony on behalf two not injured were a wild

dignity of the Court Cow would be worth £42—His Lordship said that he was £43 the 'red cow' £40 the Clonmel heifer £42 the handsome cow £20 the old cow £24—£25 the white cow £38 the dry helfer £28—£30 and the 'blue cow
