Revised Estimate For dictatorial attitude the Department gave instructions to the Abbeyside Scheme officials and the offcials had to do it and the Council knew no thing about it I hope that attitude of the Department will soon die out and I think it will Approved Mr T McCarthy Chairman presided at the fortnightly meet-Chairman-It was always my

ing of the Dungarvan Urban Dis-Council held on Friday opinion that the Urban Council Messrs L A Veale M had power to make landlords opinion that the Urban Council night Messrs L A Veale M Clancy and Senator Butler were present

Mr J Ormond Acting Borough Surveyor and Mr M Deen condemned conditions are been condemned conditions are altered. The fault lies in the fact that the owners were notified that their owners were notified that the owners were notified that their owners were notified that the nowners were notified that the notified that the notified that the

Objection to Minutes

Objection to Minutes

When the minutes were read Mr Ormond objected to the minute relating to the attendance of the Borough Surveyor at meetings as not being correct He said that the matter was a Managerial unction and that what he agreed to the last might was to continue to attend all quarterly meetings and that he report on any urgent matter at the following meeting

The members stated that the minute las read out That a member could inform the Town Clerk who could in turn inform the Borough Surveyor that his

the Borough Surveyor that his nuisance

Mr Butler—The minute as stated was my suggestion and it is correct that the Town Clerk was to notify the Boroagh Surveyor to attend on the request of find out how many married peo-

Mr Ormond said that was not the suggestion that he agreed to It was a suggestion of the Man agers that he report on urgent on the above has been started matters that was agreed on and since Friday May 7th A forethat was on the same lines as man tradesmen and nine lab-

Mr Clancy—The matter before these are engaged in clearing us is whether the minute is corsite electing store office, etc rect or not and we are agreed it. The additional appointments are is correct but Mr Ormond is expected to be made within the

Mr Butler--The Borough Surveyor is objecting to the sequel has not yet been received Borough Surveyor—I did not gree to that suggestion

Mr Clancy—Our trouble was of £3 437 or approximately £46 and not to the minute

agree to that suggestion

Mr Clancy—Our trouble was that we had discussions here 9s 0d per house and without the Bolough Surveyor we got nowhere and we lows wanted to have him here Finally it was acreed to sign instead the minutes as correct and to £1 863 note the objection of the Bor-

ough Surveyor Reconditioning Of Houses orders Mr Veale referring to the concrete walls saving £817 10s list of 81 houses which were to Gravel paths instead of conbe reconstructed said that he crete garden paths saving thought that a bigger number than this could be made habit. The report gave the estimated able and he raised the matter as cost of the development works at many people had asked him £223 los 11d per house as comabout it He said that there pared with £270 previously or a were some good houses on the total of £16542 8s 0d as com east side of Fair Lane and also pared with £19 980 in other places which could be The Borough Surveyor said reconditioned He asked were since that report was made out all the houses not included in a communication had been re-

the revised list of the Borouga ceived that the necessary lic-Surveyor to be demolished ense would be to hand in a few Surveyor to be demolished Borough Surveyor-Any house days He said that it was with previously condenined and not reluctance that he made the mentioned in the review will suggestions about paths as it eventually be demolished. The would probably be the cause of Co MOH has vet to make his trouble in later years but his report on the houses and he may consideration was to reduce the consider more than we have estimate The extent of the floor space is being left more or less to our just as well to leave the paths own discretion as no standard stand has been yet fixed but anything Mr Butler—What about 400 square feet will be all in cost of the site?

right Chairman—How many houses in O Connell Street are to be re- that it must be a terribly expen-

Borough Surveyor - Five I think I can't remember with-out referring to the file what tions up to dump course level they are but Begley's is one I Chairman—Is it through the have a list of the names and Labour Exchange that the men addresses which I can give to are employed?

Borough Surveyor - Yes I think it is the Christian Bro-thers lodge Borough Surveyor—When the Mr Clancy—Are all the rest to be demolished?

Borough Surveyor - From memory I would say yes

Mr Clancy—This is a serious problem and needs careful consideration as building will be all the houses?

Mr Clancy—Does that estimate include the development for sideration as building will be all the houses?

Mr Clancy said it wo better to sell it again. The Town Clerk was described as the houses?

There is one block in Borough Surveyor—Yes treet owned by Mrs The Clerk at this stage said Rice's Street owned by Mrs The Clerk at this stage said Shine and I would be against that the money paid for the Shine and I would be against that the money paid for the condemning them. This matter sites amounted to about £2 000 and said that there was no water and the Co MOH but I think the members of the Urban Mr Clancy—I am in favour of Council should have a say in it. the members of the Urban Mr Clancy—I am in favour of Council should have a say in it eliminating all non-essentials and am satisfied with gravel

reared in these houses for years paths and there has been no TB and they are in the same condition the rents now as they were then and I Mr Cl now as they were then and I don't think it is right to condemn them now from the health point of view. Any law about demolishing houses should be put into abeyance for the time being.

Mr Clancy—I think it is right to condemn to have to employ men moy and Clonmel and to run hourly buses to Clonea. The resolution was passed undimensionally and Mr Clancy said that if the suggestion was acted on it would remind them of old.

Sheehan Mick Hayes and P Hayes. Best for Brickeys—Thomas

Mr Butler—We all know that the people would go any where into any kind of a house as it work and if it is the law, then it was dire necessity and these is hould be veried. was dire necessity and these should be varied houses should be used as a tem-porary accommodation There is scheme for which there is a two storey block in Rices St. State grant the labour must be re they to go down too? are they to go down too?

Borough Surveyor — I don't change

think so but no house will be demolished until alternative ac-commodation is available and his men from a Labour Ex-

change Borough Surveyor-I may be Mr Veale-Landlords will do nothing to repair their houses wrong in my interpretation but when they know that they are to I can get it clarified be eventually demolished

MUNSTER COLLEGES' ATHLETICS Augustine's College Win Munster Championship

Denis O'Connor equals Record in High Jump

At the Munster Secondary Schools and Colleges Sports held at the Mardyke Cork on Whit Monday, four boys from St Augustine's College Dungarvan, representing Waterford

gave an excellent display DENIS OCONNOR St Augustine's representative in the Intermediate High Jump, secured first place from twentyone opponents This boy who is only 16 years cleared 5 ft 3 ins which figure equalled the previous record for the Intermediate High Jump and also equalled this years Senior High Jump

JAMES CURRAN secured second place in the Senior Long Jump His great effort was 19 ft 01 ins

PADDY RYAN Captain of the College Football Team was placed third in the 440 yards First and second places were filled in this event by two boys who set up records in the 220 yards and 880 yards

We heartily congratulate these boys on bringing such distinction to themselves to their college and to County Waterford

merchant measures petrol or paraffin oil by the pint or galloh so the electrical engineer measures electricity by the unit then is the quantitative measure of electricity. The measure of electricity of the unit then is the quantitative door and this little recording machine tells us the amount of electricity we use.

The weil-known local weight sharp of the Crotty Shandon will figure in a six 2-minute sharp of the St 2-minute don will figure in a six 2-minute don will figure in a six 2-minute of the St 3-minute of the Fifth and County Championships will be forgotten on Sunday next when the Gaels of Waterford meet at Thurles to cheer on our senior and minor hurlers to cheer on our senior and minor hurlers to have already criticised the teams but as the big day draws nearer I have a feeling that an-electricity we use.

To Be Inspected

Co. Waterford

Very Rev T Canon O Brien P. VF Chairman, presided at the monthly meeting of the above held in Dungarvan on last Tuesday evening An Fear Mor Messrs M O Hara J Mansfield, M McGrath Senator Butler
M F Walsh D Coghlan, M
Harty were present
Mr Jas Lanigan Acting
CEO attended

Local Government (Superan nuation) Act, 1948

A long and protracted discussion took place as to the adoption of Part III of the above Act and after about an hour notice of motion concerning the matter was handed in by Senator But-

It was stated that this was a great feat for Miss Donnelly as there were only eight scholarships for the 26 counties
On Senator Butler's suggestion

then we shall see the practice disappearing in a little while disappearing in a little while

lows a dispatch which came on the morning post — Is whithings. This par is being brought or rather sent to you, by one of "ye weekenders" at the Village I can't tell you how startled Paddy Shan was on Saturday evening when he sauntered down as usual to see how things were going on at the den The first thing that caught his eye when he got to the door was a Cadet uniform When he had finished greeting Oweno his former PL, he turned to continue farther up he turned to continue farther up the floor and almost ran into a visitor from Limerick in the person of the "Panther" When

Vocational Education (greetings exchanged once more)—surely this is the end said Paddy S as he staggered to Technical School Building a chair presumably exhausted after his encounters Later in the day some more week-enders arrived but (and I won't add strange to say ) Yank wasn't in the company I understand in the company I understand that one early arrival took a bit of the sun earlier in the day and I hope Old Sol was enough to content him On Saturday night there was a bit of an ex-pedition to town, but as it was rather late the visitors didn t terry—pardon me—tarry very long After getting a glimpse of ye goode olde cuppes at the den on Sunday morning a parade— well, well just call it a walk

was handed in by Senator Butler

Correspondence

Letters of approval were received from the Department concerning (a) payment of £54 to
Domhnall o Cionnfhaolaidh in
respect of Collegativities are

this walk turned out to be somewhat the same—except of
course there might be some
doubt as to which plums did
the gathering Sunday was a
grand day and I wont spoileverything by saying that some
fellows spent it at the cinema respect of Gaelic activities conducted by him in 1945/47 (b) Sunday picks and stradbally on ducted by him in 1946/47 (b) increase in the allocation covering the Domestic Economy attendant at Tallow (c) increase of £10 (to £70 per annum) to scholarship holders at Cathal Brugha Street Dublin (d) the appointment of Mr Tomas of Murchadha as Irish teacher at Ballyduff and (e) the appointment of Mr D O Driscoll as Ballyduff and (e) the appointment of Mr D O Driscoll as Headmaster at Cappoquin

The Principal Colaiste Mhuire, The Principal Colaiste Mhuire, Dublin informed the Country of being asked to stop The Principal Colaiste Mhuire, Dublin informed the Committee that Miss Joan Donnelly Glenmore Dungarvan was successful in obtaining a scholarship to the hotel cookery course under the cross in the anticipation of being asked to stop there (1) The second session was just about getting under way then 1! So far(1) so good —or is it? I think that the boys (ye Saturday-nighte boys) could give us the quay to everything

On Senator Butler's suggestion it was agreed to ask the ITA to increase the scholarship from £60 to £70 to bring it in line with the others
