#### AT THE GLEBE HALL, AGLISH

Youghal Band Scores Outstanding Success At Aglish —On Sunday night last the Short Ses ion Dance at the Glebe Hall Aglish was probably the liveliest hop ever held there The Atlantic Beach Band Youghal made their first appearance on the Aglish stage and captured all hearts from the word go With this band and the carni-

val novelties distributed paper hats, streamers and prizes galore) the dance took on a gleeful celebration air which reminded one of Xmas or a Scotch Hog-One hundred cigarettes and

chocolates were distributed in a

number of prizes and several

novel ways of presenting these prizes, or rather of making the dancers earn them were introduced much to the enjoyment and amusement of all The inimitable Johnny Walsh band master was at the top of his wise-cracking good-humoured form and charmed the pat-rons. We hope to see a lot more of him in these parts

left light

Witness said he was going very slow at the time and as they passed the back wheel of the lorry hit the right from the lorry travelled hand side. The lorry travelled the recident indicates and the result of the recident indicates and the lorry travelled the recident indicates and the lorry travelled the recident indicates and the light of the accident was about £70. He also said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the road after the accident it was a puzzling accident to understand the lorry has a said that from the road after the accident it was a puzzling accident to understand the lorry has a said that from the road after the accident it was a puzzling accident to understand the lorry has a said that from the road after the accident that accident it was a puzzling accident to understand the lorry that accident the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that from the position of the car as he said that

of the lorry of being on his said to hell with my toe the wrong side of the road 2—I did car is worse for me When the And didn't you say he was an Guard came along vitness said

along and offered to dress your leg did you say that it was none f her business ?—No

How long have you been drivng 9-About 8 years

avoidable How 2-The bicycle that was to catch it. Morgan Mansfield Old Parish said that he was in the car with eident. He met plaintiff in Dee s

wards them around the bend back of it Plaintiff was driving about 20 The Jud

mud and glass at 8 fect 5 inches from the left side of the road go ing from Dungarvan and took it to be the point of impact. He spoke to both drivers and said that Walsh was perfectly sober at the time

Michael J Saigent Cap Sun Next—Thirty Seconds Over of him the vehicle crossed the poquin garage proprietor said road and it was only then that that he saw the car some time that are the accident and it was that time he thought that the bidly wrecked on the right front one light on the vehicle was the right-hand light but it was the left light.

In reply to Mi D Arcy witness

First witness for the defence rates of pay can he had on request

TADGH TWOMEY,

Manager

Manager

Tates of pay can he had on was completely wrecked and it has banked that he was 12 years who said that he was 12 years diving and nevel had an accordance at Cappoquin where diving and nevel had an accordance was since taken to Mr Sargent's who said that he was 12 years diving and nevel had an accordance was since taken to Mr Sargent's who said that he was 12 years common back from Aglish to pair He said that he purchased bungaryan. There was only one that the bull for the car for £8 but higher the large was the bull for the frame of the car for £8 but light on the long as the bulb for had to purchase about £40 the other light had got broken worth of stuff to make it road H said that it was easy to drive worthy As a result of the acci- that night as it was moonlight dent witness said that he was He said that he drove along on laid up for nearly two months his own side about 2 feet out and lost a lot of work with his from the feace and when he was tractor He estimated this loss about 25 valds from the on coming car the car swerved to the Mr D Arcy—You say you only had four small stouts 2—That's all when the front and cab of the lorly had passed the car he with the fact. I suppose four small bottles put his foot on the accelerator wouldn't make the slightest and then he leard the thud and difference in you you're used to looked back and saw the car go-What kind of lights had you the lorry and vivid his helper in your car this night?—They went back Mansfield appeared were good

When you saw the light complete the property of the complete the complete the property of the complete the property of the complete the compl when you saw the light complete they helped value out ing towards you you knew it the car. When Walsh got out was something big?—Yes he used violent language and smelled of drink and witness the witness. Way didn't you stop when you shought there was danger?—I said that his face was flushed and there was a stare in his language when you got out of the car after the accident?—I Printing said that his toe was drunk the car after the accident?—I Printing said that his toe was a stare was drunk the car after the accident.

did not hurt and when witness said he Did you not accuse the driver should take off his said plaintiff liar and an \_\_\_\_\_ te wanted to show the tyre fool and should not be in charge marks of the lorry for 50 yards of an \_\_\_\_\_ lorry 9\_I did lon\_ the load but the Guard would not I sten to him. He said And when a lady doctor came that he was not satisfied with

he measure ne its taken Patrick Shiels helper in the orry said that Lennon was drivng as near into his own side as possible at about 20 mph And have you ever had an ac- said that as Walsh approached cident before ?—No them he swerved straightened them he swerved straightened What about the sign post you out and as he was passing the knocked down?—That was un-orry he swerved again and hit orry he swerved again and hit the back of it. He said that then Walsh got out of the car tied up was falling off and I had after the accident he was very

reckless and started swearing Carriglia tractor J Cottes griver said that he was cycling along the Carriglen road that plaintiff on the night of the ac-evening when Walsh passed him He saw the creamery lorry a lew more does of Perketine, all the pigs were public house and plaintiff had 2 coming against him about 150 in splendid thriving condition Porkatine is bottles of stout and witness jards away on its right side and in splandid thriving condition Porkatine is drank lemonade They were was on the crown of can thereughly recommend it.

We did not not not not for this letter from glea he saw a light coming to-passed the lorry and hit the

> The Judge giving his verdict mph at the time and the on- said that this was one of the coming light appeared to be in cases where the evidence was the centre of the road. The very contradictory. He said that plaintiff was driving along on the lorry driver stated that he his own side The lorry con- was not out more than two feet tinued to approach on the from his own side but he could centre of the road and then not accept that as the glass and swerved suddenly to its own side mud was found on the car and plaintiffs car hit the back side of the road and the point wheel of the lorry and as a re of impact must have been there sult of the impact witness was He said that the evidence of the stunned He did not hear Walsh lorry driver did not at all imuse any bad language press him and neither did the Guard J O Leary Cappagh last witness. He said that he said that he went to the scene of was satisfied that Walsh's story the accident about an hour after was the more reasonable and it occurred. He examined the more likely to be true and for road and found the lorry on the that reason he thought that left side of the road facing Dun-Walsh was entitled to a decree garvan and the car was on the He allowed £70 for the damame side with the right front age to the car £20 for loss of wheel and radiator towards the wages and £25 for inconvenience fence. There was about 40 or 50 and personal loss making a feet between the lorry and the total of £115. Costs and excar. He found a patch of dried penses were also allowed.
