We nearly forgot about

CRASHED INTO CAR ON EMERGING FROM BYE-ROAD A verdict of accidental death was returned by a jury at an inquest held by Dr Walsh Coroner at Clonmel regarding the death of Daniel Guilfoyle aged 12 years of Newtown Ballymacarbry Clonmel who while emerging on a bicycle from a concealed boreen outside Ballymacarbry collided with a motor car and died on

the way to hospital from injuries

The jury added a rider exonerating the driver of the car Edward Spratt O Connell Street Dungarvan from all blame Mr Spratt gave evidence that he was driving to Clonmel and when passing through the Vilhis horn at least twice As far as he could recollect it was last dred and fifty yards from the concealed boreen. At that time tence of the boreen proached it at about 35 miles per hour about seven feet from the lefthand fence As the front of the car was in line with the first ditch of the boreen he noticed a cyclist coming out of the boreen at a great speed. The cyclist was swinging out to his right in When he first saw the cyclist he him He applied his brakes and swerved to the right threw up his hands in the air In 1926 when Fianna Fail was founded Sean Bennett became returned home early after the left wing. His body then hit underneath the wind-closely associated with the stage roof of the car Witness added contact with its affairs until the end of his life. He never ceased to the Cinderella—and it was not early—or lonely they were in and work for the coing home it. that the County Council be askbroke ed to attend to the boreen so as to make it visible from the main road
