Publican Summoned

The Dungarvan District Court the sample

Decree For Rates A decree for £13 2s 6d for rates was granted to Dungarvan UDC against William E Morrissey Skehacsine

Analysts report was only 08

Justice—That is very small Mrs Dolan in evidence said that the bottle from which the

rissey Skehaceine
Evidence was given by Mr Ml
O Meara Rate Collector

Western Chairman, prescription which the samples were taken was not up Waterford Co Council held in in a shelf but on the counter She Dunggeryan on Monday and in the samples were taken was not up waterford.

Colm O'Daly Post Office Official stated that he carried out an inspection in Dungaryan in looking for whiskey and chout wireless light of the Justice witness said that if an ordinary customer A deputation from the recently came in looking for whiskey and elected Tramore Town Commissioners Commis

At a later stage Mr C O Daly

defendant was caught by a Guard cutting up portion of a sycamore tree on the estate of Mrs Winterby which is managed her aunt Miss Nugent Mr Morrissey solr, for de-fendant admitted the offence

and said that at the time there was no fuel available in Dungar-Food And Drugs Act

Mrs Catherine Dolan Publican O'Connell Street Dungarvan was summoned by Garda Deasy Food and Drugs Inspec tor for selling as alleged whiskey with a greater water contenthan is allowed by statue

Mr M Hally solr was for the prosecution and Mr Williams

At Regal Cinema, Tallow defended

Guard Deasy in evidence stated that he visited Mrs Dolan's premises on October 19th last and got six glasses of whiskey which he sent for analysis and the return showed

that it was not genuine When he went to the pre-mises he told defendant that he required the samples and she got a bottle about three-quarters full up in a shelf at the back of the shop He told her he wanted six glasses and produced three bottles to take the samples and told her to make perfectly sure they were dry and also the measure He then sealed them in her presence and also sealed the whistery bettle

the whiskey bottle

He sent the samples away the
next day and the results showed that the whiskey contained excess water

Mr Williams cross-examining said that the certificate of the public analyst was based on whiskey being 25 under proof He then read the label on the bottle (produced) from which the samples were taken which clearly stated that the whiskey The Very BEST. it contained was 30 under prop and asked why the certificate was based on it being 25 under

Justice That's the statutory minimum according to the Act Mr Williams then read a certificate from the City of Dublin Analyst which stated that the Under Food And Drugs
Act
Act
Analyst which stated that the whiskey was a genuine sample of 30 under proof with a very slight excess of water He then asked Guard Deasy whether Mrs
Dolan made any attempt to hide the bottle from which he took
Town Commissioners

Telegraphs summoned Edward her premises were Messrs S J Moynihan, Co Dungarvan, under the Wireless that the reason she did not tell veyor and Assistant Co Surthegraphy Act

In reply to Mr Kenny solr 130 under proof was that she ant and J G Dowling Co Secrewho moved the prosecution on thought that the Guard could tary behalf of the State Solicitor Mr read the label

an inspection in Dungarvan about wireless licenses on October 18th last He called at defendant s house and was told they had no wireless but he saw they had no wireless but he saw not wipe the measure as the decision about separate charges with the contribution would be 2/6 per week or £87 los if the maximum of 700 concerning the Council's many are decision about separate charges with the contribution would be 2/6 per week or £87 los if the maximum of 700 concerning the Council's many are decision about separate charges with the contribution would be 2/6 per week or £87 los if the maximum of 700 concerning the Council's many are contribution would be 2/6 per week or £87 los if the maximum of 700 concerning the Council's many are contribution would be 2/6 per week or £87 los if the maximum of 700 concerning the Council's many are contribution would be 2/6 per week or £87 los if the maximum of 700 concerning the Council's many are contribution which is the contribution would be 2/6 per week or £87 los if the maximum of 700 concerning the Council's many are contribution would be 2/6 per week or £87 los if the maximum of 700 concerning the Council's many are contribution would be 2/6 per week or £87 los if the maximum of 700 concerning the Council's many are contribution. that there was an aerial in position and they were informed that they would have to remove this or take out a license

Town Commissioners Complain

was still in position and no license had been taken out Mr Daly wife of defendant stated that the aerial had been taken down about a week after the Inspector called and word had been sent to this effect to the local post Office.

Cloncoskraine on November 19th costs and expenses were paid in pay the County-at-large rates would apply the POA my Williams then undertook and their own rates at a valuate to have the £1 is 0d expenses tion double other places and also they had to pay health rates and £2 2s 0d costs paid which meant that they were really paying twice

In Tramore sanitary services have to be provided for an all The Youghal Little Theatre the year round population of the grant into account 2500 with a summer population of up to 10 000 and that meant services far in advance of their

He said if an epidemic were to occur due to shortage of water or sewerage the repercussions would be widespread and neigh-

cil and he knew that the Council were within their rights in everything they had done but he thought the main thing as casuals

Mr O'Ryan—Could these men ing the barracks (Another Instalment Next Week) thought the main thing was the the greatest good for the great-

Mr Jacob who followed said that Tramore can earn tremendous money for the rates of the the wives of the men of the County At present the valuation in Tramore was £4 68 8d per head, while in Dungarvan it was only £2 3s 4d They were the highest in Ireland and at the same time they had to pay 7/5 special charges so that they were paying double for water and sewerage.

In Note Is it not a fact that the wives of the men often wait here at the office asking for the payments instead of waiting to get them by post?

Mr Boyle—That is correct I'd say about a dozen called mr Dower—If weekly payments were made you might have the same thing

He said that the small places carters? cannot pay the enormous amounts needed to meet these

A motion sponsored by Mr C
Torpey and Mr P Barron, asking
that water and sewerage charges
be made County-at-large charges
be made County-at-large charges
was handed to the Sacretary circ was declared out of order by the Chairman who stated that on two or three occasions the matter of the control o ter had been before the Council who had decided otherwise. He said that before such a motioncould be considered this previous decision of the Council would

Mr E Power stated that Tra-more being a seaside resort they were valued on a letting valua-inclusive of development, water When - the Chairman stated etc. or £1,125 per house

that the matter could not be fur- SPOTLIGHT ON THE COUNTY COUNCIL ther considered until the next meeting, the deputation having thanked the Council for hearing them withdrew

Mr Quirke then stated that the members who had proposed the motion had not attended meetings of the Council for a long time and he enquired why they should be interesting themselves in Tramore now

"Are they members of the uncil at all?" asked Mr The Dingarvan District Court the sample was held before Mr Eamonn ORiain DJ at the Courthouse, on Tuesday last

diate prospect of pulling down these houses Borough Surveyor—Not at all

Mr Kyne—They may stand built condemned for 20 years Borough Surveyor—When the made up on the outside estimate In reply to the Chairman the new houses are built they will but there is still a hope that we Clerk said that the present

vary from 4/9 to 8/7

about the grants

if they put up the amount of the

The Clerk stated that a reduc-

anxious to hear the Council's de- 12/6

times from them

It was stated that the scheme had proved a failure Abbeyside Housing Scheme A report of the position re-

garding the above by the Asting Borough Surveyor was read when some of the houses will be ready? Acting Borough Surveyor I a deputation to the Minister to year

was speaking to the Resident Englisher and he thinks some will grant gineer and he thinks some will grant Mr Butler—There will be not them any or June doubt about forty of them any-Mr Clancy—Your last report way, there is 13/2 plus 3/6 rates, said August, you're doing better The Council would not lose a lot

than that so Chairman—Great work is rates as the valuation of the town will be increased by this being done there Acting Borough Surveyor— There has been good progress The Clerk stated that a reducthere and we are working with- tion of the rents by 1/- per week

GRAND from the Department concerning VALENTINE BALL Tuesday, 1st February At Lisnabrin House Hotel,

> Curraglass, Near Tallow Johnny McMahon's Orchestra Dancing 10-4

> > BAR 10.—3 30 **EVENING DRESS** £1 Single

The following table showing on each house would mean 4d in Clerk—But the Department the economic rents of the houses the £1 on the rates. want to know if we will give was given by the Clerk — Mr Kyne—We'll have to regrants and if the landlords wont 18 houses to cost £1508—14/10 duce them by 6,- as I can t see

including sit-down Supper

into them paying more than 10/-Manager-But wages have increased and I think the amounts should be calculated on that

Clerk—We have no similar scheme but the 1936 scheme is the nearest and the rents of that AT & GWU for a wage increase of 107- per week for mem-Acting Borough Surveyor—The bers employed by the Council Chairman—But they are conhouses in the new scheme are was next considered
better houses than any so far The Manager pointed out that no provision for this was made Mr Kyne-These figures are in last year's estimate

meet the worst needs and those other ones may never be reached

Mr Clancy—Well that s satis
meet the worst needs and those will be within that The only wages were £3 10s per week, people I m worried about are those whom we have to compel will be the local rate soon and applications for that are in at Mr Clancy—Well that s satisfactory and we can defer the matter of grants

Clerk—The Department will be to go into them manager—I saw where there were 400 applicants for 15 houses in Wexford and the rent was the increase to 31/3 from Decem-

ber last would mean £80 and for Chairman-I can't see any next year £240 Mr Butler—Tell them we're working man paying anything the matter that's like the rents mentioned here the kind of answer we get some Mr Kyne—I think we'll be ferred the application until the oversubscribed with applicants general town rate was decided for the houses but I think we'll Road Works After a short discussion it was decided to apply for sanction for the raising of a loan of £1 066 to pay off the overexpenditure on the sewerage scheme done in 1941

We know a supplicants applicants and works and works are the houses but I think we'll have to bring them down to 10/- a week.

Mr Clancy—Is it the intention for the raising of a loan of £1 066 to pay off the overexpenditure on the sewerage scheme done in baths?

Mr Kung Ch - 1941

baths?

Mr Kyne—Oh no I think it to surface tar about 2 miles of was intended that these houses streets £500 to steam roll and should pay for themselves tar grout about a quarter mile Clerk—If they are, not subsidised there might be a question

After a short discussion it was Arding the above by the Acting about the grants about the grants about the grants about the grants and an argument of the houses will about the grants and to reduce the houses will about the grants and the suggestion of Senator Butler to knock out terms 3 and 4 and to reduce the some of the houses will about the grants are suggestion of the suggestion decided on the suggestion of Corporation are doing is to send of £1 200 or the same as last

TO LET for Grazing for eleven

To Let for Grazing for e state amongst the powers of Empire, and that during that The cry of 'let the ratepayers Western Europe time Irish blood flowed freely to proclaim our liberty. However time Irish blood flowed freely to occupy as Editor of a noteworthy the Irish people do not, as the asked to foot everything very and democratic organ of the English think live entirely in many will have to go into press you must realise that such the past still hating Britain and liquidation could be used to put the British On the contrary, quidation a column could be used to put the British On the contrary, the spotlight on matters of a Ireland today holds out a hand Local representatives should more far-reaching nature, to of true and permanent friendthem do that the ice is very thin now and will surely crack events of our present days and look to a brighter, happier than more pressure is put on it which for the majority will and more united future. To seal remain, probably, ever unknown this bond of friendship for all Mr Catholic Scout Notes The prejudices and political time Britain could do a great bias of the majority of Irishmen deal more principally by with-

Irish people are forced into exile, Referring to the Irish being due apparently to a Government unable to cross frontiers without unable to provide full employ- a wide understanding of other mr. The only thing 2/- a stone for potatoes now we 2/- a stone offer over £25 Two young cows which occurred at her home at guaranteed in call and perfect Lower King Street Abbeyside on on the programme was a spot of unable to provide full employ- a wide understanding of other nations. I think this is a stupid wearling calves Friday January 21st after a programme was a spot of unable to provide full employ- a wide understanding of other nations. I think this is a stupid went and that is everywhere he nations steeped in bitter exper-lences of less than ten years ago Irish have always been noted for

was successful in every way The Irish have always been noted for the runderstanding both at the runderstanding both at the runderstanding both at home and abroad They have led a nations in peace and in war and if the Misses Elliot glance back to the last war and note the nationality of some of their great leaders and note the number of VCs which were awarded to Irishinen I feel sure that they will at once realise their mistake

In a nutshell that letter is like a paper bag—I could stick a the writers impression of Ireland and the Irish is far from the truth and I now trust they will appreciate my efforts to show our nation as it really is Before concluding I would like in Irish and that here in Ireland we interest the people will be expected to pay amount from the rent which the people will be expected to pay are the the special to pay. After the which the people will be expected to pay. After the wind the people will be a fair the special to pay and if the writers in pression of Ireland we into add that here in Ireland we into add that here in Ireland we interest which the people will be a fair they worker in a fair which the people will be a fair they worker. In a fair which the people will be a fair they would not be very much. Chairman—I think 6/- a week plus rates the loss would be find the full wating for it. If 100 cottages were let at 5-they would not be very much. Chairman—The ordinary worker is grumbling more over that eater the loss of their areas than the farmer and he has a perfect right to do so of their areas than the farmer and in the rates help to bring them do and they think that to onuch so what about the other houses.

Mr Quirke—The amount from day but I m still wating for it. Would be fair would be fair work the fair would be fair the sum of the fair would be fair the sum of the fair would be fair the fair would be fair the sum of the fair would be fair t VCs which were awarded to new houses
