Scheme Proposed Rents To Be

**Charged For Cottages** on Monday last There was a large attendance of members Messrs S J Moynihan Co Manager D Sheedy Co Sur-veyor and Engineering Staff,

Mr T B Boyle Co Accountant and J G Dowling Co Secretary attended Sanitary Services Act Consideration of the following notice of motion proposed by Mr

Services) Act 1948 the expenses incurred by the Council as the Rural Sanitary Authority charged on the whole of the County Health District and that no application under the Act to were true that at some future

Chairman—If the Council does discuss it I would advise the members not to arrive at any hasty decision in this particular case as it is a very serious matter and entails very careful consideration. You all know what the position is and when the position is and when the estimates are being discussed you will all be standing up and looking for cuts.

Was a step towards a guaranteed the was a relief contributions by Sanitary Authorities for private water suphies and Mr O'Ryan said that there was no looking for cuts.

Was a step towards a guaranteed on tributions by Sanitary Authorities for private water suphies and Mr O'Ryan said that there stormy morning the loans were available at low life on a wet morning to find when he got to his base that there was no work to be done and he had to go home and get nothing for it Asked by the Chairman for his decided that Mr Kyne take up the Dungarvan Barracks court-dontributions by Sanitary Authorities for private water suphies and Mr O'Ryan said that there stormy morning the loans were available at low life on the British Garrithorities for private water suphies and Mr O'Ryan said that there stormy morning the loans were available at low life on the base and dropped the mail the bungarvan Barracks court-dontributions by Sanitary Authorities for private water suphies and Mr O'Ryan said that there stormy morning the loans were available at low life on the base of the Council to give grants.

After further discussion it was decided that Mr Kyne take up the Dungarvan Barracks court-dontributions by Sanitary Authorities for private water suphies and Mr O'Ryan said that there some stationed there to it loans were available at low plane as usual circled over the case and Mr O'Ryan said that there was not if loans were available at low plane as usual circled over the case and Mr O'Ryan said that there was not plane as usual circled over the case and Mr O'Ryan said that there was not plane as usual circled over the case and Mr O'Ryan said that there was not plane as usual circled ove you will all be standing up and go home and get nothing for it

Mr Kyne—I doubt it Mr Norris — Well the great majority will Mr Kyne-We should have a discussion on it anyway and you want something for the nates One thing I would like to know is if we adopt this work as near to their homes as motion will we get an additional possible and said that this

cultural Grant the general rate Chairman—The Tramore Town miles while there was work commissioners are starting off as available nearer to their homes very active body Tramore He said that every case where a through their representatives on man was sent over 3 miles while this Council got amenties which there was work nearer home thouse and now they should be investigated if there there is advertised should be were very costly and now they should be investigated if there feel that they are too high to pay and they want to pass the baby to the Council but I think that the Council have enough babies already It is unfair that

Manager—If I get any complaints I will have them investigated

Finally the terms of the letter places that have no amentles were adopted should be asked to pay for those Amended Ro of Tramore and such places and Tamore and sucn places and I am advising the Council now to take the long view and not to accept something which will mean a automatic increase of edid on the rates I give all which to the Tramore Commissioners but I am against the sioners but I am against the long view and not to the Tramore Commissioners but I am against the long view and not to the Tramore Commissioners but I am against the long view and not to the Tramore Commissioners but I am against the long view and not to the Tramore Commissioners but I am against the long view and not to the I am accident sustained by Bluett and accident sustained by Bluett and accident sustained by Bluett and these might not be able to and the able to and the able to and the able to and the able to an accident sustained by Bluett and these might not be able to an accident sustained by Bluett and these might not mind and also the fact that the

only 30 years Mr Kyne said that people even though they could not the amended estimate afford to pay for them

Mr Kyne asked if it was a

culous just as everyone except my Johnnie is out of step are people in many rural areas who have to draw water long

have schemes for all areas and smash the county! Mr J Butler said that what he those who took plots for tillage is better to leave the examination call Ireland, but I 2—Is it legal for a property of the second state would like to see in Tramore was had no claim to them an urban area and if this were Chairman—That's tr

an urban area and if this were so no question as the present one would arise In the Urban area of Dungaryan they had to pay for their own health services Mr Butler then went on to suggest that the matter of separ- tage is built on it?

Chairman—That's true Mr Kyne—If the original applicant for a cottage was allocation and the policant for a cottage was allocation and a big for an error for an erro

charges, otherwise all areas with

big schemes coming up would be COUNTY COUNCIL subject to very heavy charges In this way they would ensure that all the schemes were carried out and the costs would be spread over the whole county Mr O Ryan said that he was inclined to agree with Senator Butler but still he thought that Provisional Road Works it was not fair to ask those who had no facilities to pay for those in places like Tramore He went on to say that it was the duty of the Department to come to the assistance of the people now and extend the time for the repay-

No. 530

Mr D Heskin chairman pre-sided at the Quarterly meeting of the above held in Dungaryan There are the Gaeltacht area were paying separate charges (not to the Council) for a housing scheme loans on fishing boats and were also paying for a water scheme and now if they were to be burthened with further charges it would make it unbearable for them He said that if the Coun-

cil decided to adopt the motion he claimed exception for that motice of motion proposed by Mr
Torpey and seconded by Mr
Barron was the first item —
We propose that in accordance with Section 50 of the Local Government (Sanitary Services) Act 1948 the expenses

his tail He asked representatives of the Tramore Town Commissioners (present at the meeting) if it

charge such expenses on a particular part of the County Health District be made in respect of the coming financial no possibility of that

Asked by the Chairman for his the matter of loans with the observation on the letter the Co Minister and the matter was re-Surveyor stated that he agreed ferred to the County Councils' the measure was a good one, pro- General Council vided it was not abused The Chairman referred to the paragraph in the letter which

stated that men should be given grant of £3 000 from the Agri-should be carried out Mr Kyne referred to what he Secretary—That depends on said was a punishment system whereby men were sent 8 or 9

was a complaint
Manager—If I get any com-

Amended Road Works Scheme The County Surveyor submitted

The amended estimates reprerepayment period of all loans is sented an ircrease in rates of £1 350 or 11d in the £1 After a short discussion it was were entitled to health services decided unanimously to adopt

that for all future schemes that could make a statement on the open in Cork, they are kept for they be made county at large matter to clarify the position Manager-Mr Doyle is making

Costs and expenses were al-

Settlement.

In the case of Bridget Hogan
The Bungalow Kereen against
James O Farrell St Joseph's
Hatcheries, Nenagh Co Tipperary Mr C B Kenna BL. for
defendant announcing a settlement stated that the claim was
in respect of day-old chicks purin respect of day-old chicks pur-chased by plaintiff from defen-dant which were sold as pullets but 200 of them turned out to be cockerels

He said they agreed to a decree for £105 12s 9d together with costs on the basis of a decree for £75
Counsel said that they agreed to the settlement without any

admission of liability
Mr D Arcy BL (instructed by
Mr Williams solr) for plaintiff
Review of Compensation Case
Mr Clarke B.L (instructed by
Messrs Farrell & Morrissey
solrs) applied under Section 25
of the Workmen's Compensation f the Workmen's Compensation Act 1934 for a review to increase the weekly payments on foot of an award made to James Coyne, Ballyheeny, Clashmore, on Nov 5th 1947

teams The first chap in each she would have her revenge The night that the ricks had been the stage, galloped round his team handed the bandage to No 2 who did likewise and so on The first team at alert were the winners

Patrol Corners were held and then Roll-Cali The SM inspected as barrels per acre from the oats and valued then Roll-Cali The SM inspected and after a shown and been windy

Band—The band held its usual meeting on Tuesday night The lows were late. The Chief had were team on the board and we took them down and tracticed them The part outling the suite of the produce at \$2 asked by the otal of the produce at \$2 asked by the contained as the rick ourning at the sine said that the rick band on both sides for the application said that the rick which he snatched away applicant spre-accident average weekly earnings were 33/11 but had been windy

Given the value of the produce at £197 the first had been windy

Given the value of the produce and the three lower rungs were scorched. The flames from the rick shad been the trick which he snatched away weekly earnings were 33/11 but had been windy

Given the above of the produce at £197 the first had been windy

Given the above of the produce at £197 the first change of the value of the produce at £198 the first had been windy

The flames from the rick set three lower rungs were scorched. The flames from the rick shad the three lower rungs were scorched. The flames were terribly high first that the rick observed on the rick and that there must have been stream at late there lower rungs were scorched. The flames from the rick which he snatched away weekly earnings were 33/11 but had been windy. The flames were terming the flames were terribly high flames were terribly high flames were terribly high the flames were terribly h Mr Clarke stating the grounds

Witness then corroborated his father s evidence concerning the tyres had any market value but tyres had any market value but one tyre had used one-twelfth of its normal life and the other one-sixth and some reduction

should be made for this He gave a decree for £14 14s to Michael O'Donovan and a de-O Donovan the amounts to levied on the Dungarvan Urban

An application for £5 expenses for each of cant's was referred to the County
