Scandinavians And Gaels

In the battle of Gowran in the Pagans attacks owing to it proximity to the sea or deep rivers in all its districts Great damage was done in the year 833 when the marauders burnt Lismore and destroyed the buildings at Ard-previous to this the King of Wascalled Patrick son ed control over the Scandingmore and Kilmolash about the same time They were more inclined to attack the monasteries than other places, because these were not defended by adequate fortifications and a considerable supply of food and livestock was to be found near them and in the churches some of the religious objects were of carrol King of Ossory and it is

them and in the churches some of the religious objects were of gold and precious stones

The Scandinavians were not the only force that came to lay waste Na Delse At this period the Northern and Southern halves of Ireland were not on friendly terms and there was always the risk that war would break out When Malachy the First was High King the Muns
avians and Gaels in the army of Carrol King of Ossory and it is stated that the Scandinavians and the Scandinavians that the Scandinavians that the Scandinavians came to Limeric, about this period and they were very ling with the Gaels It is not to be wondered at consequently if some of the second generation of the Scandinavians accepted the religion of the inhabitants of the religion of the inhabitants of the neighbouring districts

Ballaghmoon—Defeat of

Ossory made an attack on Na Deise and on several occasions afterwards they made further attacks

About this time the Scandinavians commenced making settlements in Ireland They The war was a cause of degree the season and if he will see the season and the season and the season and the season and the season

was founded the same year weak state

(853) There can be do doubt but that Waterford City was in a sylvence about that time The time Here's Fair House (853) There can be do doubt but that Waterford City was in existence about that time The Annals have a reference to the city in the year 860 and in the History of France there is mention of a son of the King of Wa-History of France there is menton of a son of the King of Walterford who was in that country about the same time. The situation chosen was suitable for native land in consequence and profits. This is the reason for proceeded to acquire territory in the verying prices being charged. situation chosen was suitable for a seaport town, as there was considerable depth of water there. The river Suir formed a line of defence on one side and a stream flowing into the Suir defended the town on another side. A wall a marter of a mile in portion of the mainland in profits This is the reason for the varying prices being charged in different parts of the country a large area in the North of the war were endeavouring to gain possession of familiar with the ex-factory prices of the various straight. fended the town on another side | deavouring to gain possession of A wall a quarter of a mile in portion of the mainland in prices of the various straight sary to complete the defence It | were in Scotland on attacking | Scotland on attacking | Scotland on attacking | Scotland | Scotla

Munster was the most suitable lived in Waterford at that time and the people who were living on account of the weak state of the south side of the Suir In the year 860 the Waterford City

Rallaghmon In addition there the year 860 the Waterford City fleet sailed up the Barrow but was defeated by the forces of Carrol King of Ossory

to their recent defeat at that the competition provoked by more plentiful supplies will members of the royal race in the tion. I shall do everything in members of the royal race in the competition. Déisi and the army of Ossory power aloi g these lines to reduce had entered the territory In the year 866 a fierce war In the year 912 the first con-between the Scandinavians and tingent of the new Scandin-

the forces of Na Deise commenc- avian force came over sea and A strong attack was made landed at Waterford Harbour fleet arrived and fortifications The following year Fir Muighe were erected around the City of a district on the Western bor- Waterford A very large force

valley of the Suir was called "The Valley of Lamentation

Ceann Curra on the south side of the river three miles east of recently appointed, and he reaClonmel Those who escaped lised that the country was in from the battle tried to make their way to Lismore but the help the forces of Munster and local force overtook them before local force overtook them before gathered together an army in they reached their, objective the North-West and in Meath Only a small number who were the approached the north side of under command of Earl Baeth. the Suir near Slieve-na-Mon in bharr, succeeded in reaching the latter part of August of that

from Dublin and devastated the Southern portion of Na Deise, working inland from the sea coast. A minute search was made for valuable ornaments in all places, even in caves where it was expected they might be all places, even in caves where it was expected they might be strongly that it would be useless

An arrangement was made other for twenty days without with Carrol in the year 879, and any considerable engagement the same year a battle was. The High King directed the with Carrol in the year 879, and the same year a battle was fought at Indeoin (five miles from Clonmel) in which Carrol and the forces of Na Deise defeated the army of Munster

In the year 883, an armed force force Dublin burnt Lismore

any considerable engagement

The High King directed the King of Leinster to attack the enemy from that side of the country. The army of Leinster was assembled and Sitric proceeded northwards from Water-ford to meet it. A flere battle A great change was caused in the lives of the people by the coming of the Scandinavians in Ireland had become coming of the Scandinavians in ships of war taking invaders in ships of war taking all the plunder they could get of the attempt being made by continued his march northwards and captured Dublin The High

> vaders who came on this occasion were not as savage as those who had come a hundred years

In the year 926 some of the Munster Army
Cormac Mac Cullenan bishop sailed to the Shannon and they accept the compensation offered Munster in the year 901 In the ment for themselves at Loch to him and he inflicted a crushing defeat on the Munster army at Carn Lughdhach in the year lin The damage they had done at Lughdhach in the year lin The damage they had done at Limerick The Scandin-days in Munster during the previous satisfied to leave them there [Na Deise is pronounced
