Demand For Increased Price For Milk To Creameries

1945/150 Agricultural Schemes Estimates

Mr P Power chairman presided at the monthly meeting of the Waterford Co Committee of Agriculture held in Dungarvan on Saturday last Messrs D Leahy M McGrath, M Harty M F Walsh, R Bar-ron T Power D Heskin W

ron T Power D Heskin W Dower J Fives and J Mansfield were present

M O'Sullivan Agricultural Instructor D Walsh do and Miss Roche Poultry Instructor

Show Societies and Waterford Young Farmers' Club, were also discussed Sympathy
At the outset of the meeting

the Chairman referred to the bereavement of Mr W Norris, MCC occasioned by the death of his mother and a vote of sympathy proposed by Mr Barron seconded by Mr Harty was passed all members standing as passed all members standing as a mark of respect

Shortage Of Lime

port of ground lime He produced a letter from one supplier which stated that they could not supply any further lime this column sure supply and to strike at the string denly little Estner gazed up over the paper then studied it again and finally folded it up saying—

"Ah look John I can't find Spotlight" This column sure season due to strike at the gets around colum colliery

A discussion followed and the following resolution was passed —"That the Minister be requested to sanction a subsidy of New York — I should like to express sincere thanks to an Irish exile. Mr Thos Whelan New York for his most violent ouested to sanction a subsidy of 50% to apply to the transport of ground limestone in excess of we will publish same in our next supply be given to applicants. supply be given to applicants who have already applied for

price of milk would want to be 1/10 per gallon to make it pay
Mr Fives said that he had gone into the matter and at the very least a cow milking between 500 and 600 gallons must get 1/6 a gallon before she would pay for herself. He pointed out that as the average yield was between 3 and 4 hundred gallons it could be seen that the price would have to be increased beyond that and said that a could be seen that the price would have to be increased beyond that and said that a could clothe these lecturer on the subject had stated that the cost of milk production was 9d for the first gallon 1/6 for the second, but

Old Clothes, Shoes, Delph, Pictures, Books, Ornaments, Etc gallon 1/6 for the second, but in that there was no allowance

for overheads Mr Leahy said that the average butter-fat content on which payment is made should be

Mr McGrath—That governs the whole lot Mr. Fives said that under the present method of fixing prices here was no encouragement to farmers to carry out winter

Mr Barron—The position is that the man who feeds his cows properly is carrying the careless man on his back due to the scheme of testing for butter-fat as carried on at present by

the creameries
Finally a resolution was passed unanimously requesting an increase to 1/6 per gallon on milk supplied to creameries with Supply Of Lime Discussed 3 05 and that a further increase be paid for milk with an excess

> Agricultural Schemes The estimated cost of the Agricultural Schemes for Schemes 1949,'50 amounting to a total of £11 879 was adopted Gorrespondence

> SPOTLIGHT ON THE UNKNOWN

> > (By Thomas Tobin)

Before turning on the Spot light this week there is an amus-In reply to a question by Mr
Leahy the CAO stated that
the position concerning lime
burning was very serious at the
moment due to the shortage of

solum

ing incident worthy of record in
this column which took place
during the week A young girl
aged three years stood erect
holding a copy of the DUNGARVAN
LEADER which seemed to interest moment due to the shortage of colum

Mr Harty suggested in view of the shortage of burnt lime that the subsidy should be transferred towards the transport of ground lime

He protification of the shortage of burnt lime that the subsidy should be transferred towards the transport of ground lime

He protification of the bondards which seemed to interest there aged 1 year stood beside the transport of ground lime

He protification of the bondards which seemed to interest the reserved to the bondards which seemed to interest the bondards and the bondards which seemed to interest the bondards which seemed to interest the reserved to the bondards which seemed to interest the bondards which seemed to interest the age of the bondards which seemed to interest the reserved to the bondards which seemed to interest the reserved to the bondards which seemed to interest the reserved to the bondards which seemed to interest the reserved to the bondards which seemed to interest the reserved to the bondards which seemed to interest the reserved to the bondards which seemed to interest the reserved to the bondards which seemed to interest the reserved to the bondards which seemed to interest the bondards which

minds of the people Labour Member Resigns from Council

The Chairman said that he port was sorry to see that Mr O'Dwyer had made the decision

Mr Clancy said that the Minister for Education had explained this matter very fully already
There are too many organisations dealing with the matter, said Mr Clancy, and no advance base properties.

Weth the expression of sympathy Pot Pour Interest Say that Anne enjoyed her recent visit to the Cinema—
garvan family and his father had been a member of the Counhald was quite helpful in pointing out the funny bits in the control of the Counhald was quite helpful in pointing out the funny bits in the control of the Counhald was quite helpful in pointing out the funny bits in the captain and the Clancy.

4th WATERFORD TROOP CBSI (St. Joseph's Abbeyalde)

Troop Meeting—This might also be headed "You can't have your cake and eat it" The attendance was good and some fellows shoes bore traces of a hike, or maybe a day in the bogs At the beginning the Chaplain spoke a few words to the Troop after which the S/M appeared to announce an interpatrol competition for the duration of the meeting A prize of some cakes was offered for the winning patrol. Marks were given during the night for Inspection, a knot competition

O'Grady on parade compass and patrol drill (each P/L drill-

but just mention that the standard was high. The two A/S/M's put their heads together in the inner-den and emerged some time later with a sheet of paper which showed the Wolfhounds to be the winners, it was probably a "cake-walk" for them During the CO.H Nagler left the committee room arrived the committee room arrived with the cake and set about presenting it to the victors. He called for the winners and there Approximately sixty young was an immediate show of farmers attended a meeting held had buried each of the Wolfin the Technical School on hounds in a piece of cake he just was an immediate show of planked the remainder of it on a table and bolted for a door He slipped back quietly after a

while to retrieve a few fingers ankles etc that he had lost in the scramble With the presentation completed the COH got on with its work

Hike—This might also be read as "cyke" as bicycles played a big part in last Sunday's out-door activities Micilin and Co-preceded by a new wheel and

Mull had to walk home (no ex-clamation mark as people aren't suprised at anything this wea-ther). The lade will now be get ting into formation for Kereen are not allowed to touch the Gymkhana and we hope to see floor until the set number of cir-

chestnuts coming out of a chim- muscles slightly tire and take a that annoyance is finished as ney for the season There is nothing as handy as a hat where on to the next exercise It is and watches set by the same ney for the season There is nothing as handy as a hat where on to the next exercise. It is hikes are concerned. It helps important to note that this extubborn fires to burst into flames, it serves as a gas mask legs open at a fairly wide angle when things don't go right on is an excellent preventative of the pan and later on when a hernia or more commonly call-scoult doesn't go hiking any ed rupture.

aneen Cappoquin, for having no number plate on tractor Fined 5/Do v James Cunningham Cappagh no driver's licence for tractor, fined 10/Do v John Kett, Moneygurm, Cappoquin, no reflector on cycle fined 3/Guard Twomey v Patrick Tobin Villierstown no front light or reflector fined 3/- each case

| Last Roundup — Jimmy, who will be in charge of the hammer at the Jumble Sale is doing a spot bof reading he is tearing habit with beginners in physical the doing a spot bof reading he is tearing habit with beginners in physical culture Good habits are just as boys are very handy with their words, in the past we have had in physical culture Good habits are just as boys are very handy with their words, in the past we have had in the quicker good habits of breath-control can be made the better for your training health and development Incorrect breathing is particularly bad in this time of the year, as it's the leg-ralsing movements where case

Do v Michael Keane Cappagh for having only one front light on car, fined 12/6 No reflector, fined 10/
Do v William Foley Cappagh, Do v William Foley Cappagh, no reflector, on car fined 12/6. Do v Patrick Sheehan, Modeligo, no reflector on cycle, fined 4/Sergt Costello v John Early, and languard are getting washed Cappagh, no light on cycle, fined 3/Do v James Connery Piltown Youghal. No reflector on cycle, fined 3/have going round on Saturday Thus it is possible to wide and languard are getting washed for a few minutes a day but you accent—we hope One fellow sit stand or walk for an average talks about the great gash he'll of 16 hours a day out of the 24 have going round on Saturday Thus it is possible to wide all Knockalara, Cappoquin, no light on cycle, fined 1/Guard A Nolan v Daniel Fraher, allowing donkey to wander, fined 2/-,
Mr Kenny applied on behalf of Mr Casey, chairman, Modeligo Social Club, to hold three dances in aid of the club One in April, one in August and the last one in November
