(By Thomas Tobin)

drafted overseas sometime ago from Youghal His present station being The main body which com-Singapore One evening a few weeks ago as the youthful mem-bers of the RAF were strolling days previously and picked men

among them was Thomas Haity and three miles from Youghal among them was Thomas Haity and three miles from Ardmore, and great indeed was the welcome given by his old school pal of former days Billy Hallaphan by the road leading from han son or Mrs Hallahan Main Clashmore to Monatrea As an Street Ardmore No doubt it was a strange and interesting possess any outstanding features meeting and a happy moment.

from home Wouldnt it be a week push Dungarvan well into grand token of homely love of the future This is what the old-time friendship if we sent town has been long in need of them a copy of the old home town news which the Dungarvan walled of the properly wan Leader gives We all know availed of the properly wan Leader gives we all know availed of the properly wan Leader gives we have the them. that these are the things that bring the tear-dimmed eyes that make the throbbing heart and make the throbbing heart and make the Irish blood all the friend and I know my many warmer. So don't forget the readers will be interested to read

of and one none of our readers should miss. So now readers on with the Spotlight on the Pil-

by the local cospany of relative to the remainder of the entire West Waterford Brigade—fulfill a carefully prepared plan of ambush These companies were detailed for various duties in connection with the attack the picked men of each company standing by to re-inforce the Active Service Unit which had already moved into the area

To day we publish a strange story, sent to us by our Ardmore Correspondent It is a story which has its origin far from the shores of the old Emerald Isle but it is one which is also of unusual interest to our many the strongest force to relieve the area. readers all over the world Our respondent has supplied the facts so now I will turn the Spotlight on his story
Your correspondent was shown last week a photograph taken far away beneath the tropical skies of Singapore of two young men who not so many years ago there of the boys Thomas Harty son of Mrs Harty Duffcarrick, Ardmore two war years By the way he has

war years By the way he has roads leading to Piltown, and an another brother—Michael Harty armed party took up a position—and also strange to relate at the Ferry Point to cope with these boys are twins. The other the possibility of a landing of boy figuring in our story joined Crown Forces at that point or the Royal Air Force and was a crossing of military by boat

around a large troopship anchor- from the Battalion took up their ed in the bay Some time after positions at Piltown Cross at the the members of the ships crew appointed hour—830 pm came into the town of Singapore Piltown Cross is situated came into the town of Singapore Piltown Cross is shuated and by a strange co-incidence about two miles from Youghal

han son of Mrs. Hallahan Mann Clashmore to Monatrea. As an an Street Ardmore No doubt it ambush position it did not was a strange and interesting possess any outstanding features when two young first may be a strange and interesting possess any outstanding features when two young first house of the many a mile from old hands which were the straint of the standard of the straint of the following hand been formed in large print is leading the standard of the standard was printed in large print is leading to the standard when he proposed that paper well-known to you and to me in large print is leading to the standard when he proposed that the doubt was provided in the standard when he proposed that the standard when he proposed that the doubt was not been standard to me in large print is leading to the standard when he proposed that the standard that the articles This goes to show how far that paper goes all the way from Dungarvan-sald — As I stated through this column words of the old song it may be sald — Though many miles divide us And separation be our lot.

Though many miles divide us And separation be our lot.

Though many miles divide us And separation be our lot.

The plant that grows between Is the sweet forget-me-not In this case of course the Veale has put the finger on expansion of the said that the generous co-operation of his Council what herous caused their primary liability was not the fault or privity of any showing around in the Parishes of Bally-was not the fault or privity of the Council JUDGMENT RESERVED.

The hearing was continued on Friday of last week and was resumed on Monday last week readers I will have some the full facts of the cause

Is the sweet forget-me-not In this case of course the Veale has put the finger on expansion of the said that the generous co-operation of his Council what herous dand hard work was done visiting the week, Dungarvan levery householder for miles around in the Parishes of Bally-was not the fault or privity of any the fault or privity of the Council JUDGMENT RESERVED.

The Hearing was continued on Friday of last week and was resumed on Monday last week and was resumed on Monday last week readers I will have some the full facts of the cause

In this case of course the Veale has put the finger on expansion and hard work was done visiting whether they were entitled to limit their liability by showing the actual fault, which caused their primary liability was not the fault or privity of the Council Judgment of the cause of the cause was not the fault or privity of the cause of the private of the cause of the cause of the private of the cause of the private of the private of the priv

In this case of course the Veale has put the finger on ex-lant being the 'Dungarvan actly how it can be done. I hope plant being the 'Dungarvan actly how it can be done. I nope Leader and this story has a our many businessmen realise moral also as just the same as what the future of this Board young Hallahan and young can mean to the town so when Harty received their Leaders the matter comes before them from their loved ones at home as it will soon then I hope they surely there are others amongst will co-operate as closely as posus who have dear ones far away sible and as I suggested last

Shipping Co's Claim In High Court

The hearing of an action brought by the Lillah Shipping and Carrying Co Ltd Chapel St Liverpool, owners of the ss Beechfield against Dungaryan St Liverpool, owners of the ss
Beechfield against Dungarvan
Urban District Council claiming compensation for damages alleged to have been
caused to the ship by its
having been placed in a defective berth at Dungarvan in
May 1947, was begun before Mr
Justice Davitt in the High
Court Dublin on Thursday, July
21st
The Company complained that
the Urban Council who are the
conservators of the harbour did
not take reasonable steps to ascertain whether or not the berth

Mr M O'Meara, Acting Town
Clerk, attended

Books In Dublin
Mr O Meara said that the
minute book and the Manager's
order book were in Dublin and
the Council who are the
conservators of the harbour did
not take reasonable steps to ascertain whether or not the berth

Excursion

certain whether or not the berth was in such a condition as not to cause injury to the ship before ply to the Council's recent resourcing her to lie in it ordering her to lie in it

The Urban Council denied that the Harbour Master had informed the master of the Beechfield that the berths in the harbour were in a safe condition for the Beechfield to lie in They denied that the berth in which the ship had lain had not been maintained in a safe condition and they denied that the ship had been damaged in the berth They pleaded that if damage had been caused to the ship it had not concerning excursions to Dungarvan, stated that excursions is rom Maliow would be held on July 31st and August 14th The letter added that excursions were already being run from Clonmel to Tramore and a further one to Dungarvan would not prove remunerative Mr Veale said that what he wanted CIE to run from Clonmel were buses and not trains He said that there was a start being made and it was up to the pleaded that if damage had been aused to the ship it had not been caused as the result of any act or default in their part In regard to damages they pleaded that if they should be held liable for damage, the amount which corn any could recover was to by the terms of the it c by the terms of the
