cottages who were not agriculthe other minor schemes the Barry John Cronin J Murray tural workers and they should total would be around £200 000 E Young P O Driscoll J Hartbercharged higher rents

The Manager said that a grant nett N Duggan J Lynam D paying higher?

Manager-In some cases yes

P Butler—Is it suggested to raise the rents of the old cottypes also 2

Chairman—Yes that suggest—would be an income from water. In a curtain raiser to the ion was made by the Minister schemes have you taken that senior game, St Augustine's Colwhen he met a deputation from into consideration?

Senator Butler questioned this what was in fact suggested was offset that that rents might be increased in Mr ORy the case of new tenancies

he increased and he pointed out decide that the one mile limit for increases was unworkable

stopping a lot of tenants from dirty, purchasing their cottages was

that they could not afterwards veyor said that the supply was transfer them

The Manager said that as far as he could remember the 1936 Act stated that the cottages said that they had been concould be transferred but only sidering extending the Cappa within the immediate family

within the immediate family
Mr Kyne—The people don't know the Act or their rights in the matter
Manager—A synopsis of the Act could be sent to each tenant Mr Kyne—In English I mean not in lawyer's technical terms
This was agreed to and on the suggestion of Mr Norris it was also agreed that tenants be also agreed that the Council would not be in going to increase the rents but sidering extending the Cappa quin-Lismore supply to Glen-time Lyons Cross and Ballyduff at an approximate cost of £14 000.
Mr Kyne said that water and sewerage services were necessary for public health and if the Council did not do them they would be paying out more later for T.B and other things sent Council would not be in going to increase the rents but going to increase the rents but office much longer and he sug-that they would get the option gested leaving the matter over to of first purchasing the new Council He said that

On the question of rents Mr Roche said it was unfair that a spent there would be spent there would be a lot of people in the County still without 1/6 rates per week when an expecultural worker with 62 agricultural worker with £3 a

veek was charged only 4/6

The Manager said that the cottages were built primarily for

agricultural workers and the

others were charged the econ-

omic rent Mr Roche said that if that

were so he knew a man earning £6 who had a cottage for 4/- a

The Chairman said that the

rents generally were too high and held that the State

were not paying enough for housing
After further discussion the question of differential rents was

Mr Kyne introduced a deputa-

tion from Crossford area in Ard

quired before they could go any

ADVENTURES OF THE KINSALE SAILOR 64 High Road Woodford Green

2/10/49

Dear Mr Tobin-Recently visited a restaurant in London, when Clonea contested the final against Erin's Own to lose narrowly in a thrilling contest. Ten native played on Wexford senior of the 1947 final will most likely be seen in action on Sunday and the seen in action of the seen in ac the 1947 final will most likely be seen in action on Sunday and I hear at least five newcomers will line out in the green and white colours white colours on their way to the final Clorea defeated Dungarvan Cappoquin and Brickey Rangers and in pieparation for Sunday's clash underwent a special course of training under the way-form of the seen of the see

THE 1849 RISING IN CO WATERFORD PART III

This week readers we This week readers we give you the third chapter of the trial story of the patriots of 1849
As the trial progresses one of the main witnesses is the INFORMER and now we give you his account of the Rising
THE INFORMER ENTERS

THE BOX The next witness brought forrecollect if he said anything in reply, but the next morning he asked the prisoner the meaning

of what he said, and what they intended doing The prisoner told him that they intended to attack the barracks that night. When asked how they intended to manage he said they were to go to the barrack and take the arms and then go to Dungar-van which would be ready and so on down there was a man from Dublin to lead them He remembered Sunday He was walking that night and returned at about 9 o clock He saw a body of men at the Church railing, and knew four of them. There were about 30 standing there John Lennon came from the body to speak to me He and sent me to Mce Flahavans to wait for further orders saw other persons in the body whom he knew (named them) latter had nothing in their hands Continuing the informer said he went to Henry Flaha-van's met Mat Joy and H Fla-I went in about 14 minutes after them down Barrack Street it.

ciash underwent a special course of training under the watchful eye of Rody Kirwan Waterford born footballei who helped kerry to win their first All-Ireland in 1903

From 1907 to 1938 Eastern area and City senior hurling teams affigured largely in the honours of the list—T F Meagher's took four of the lour went on towards the barracks, met James Casey armed with a pike Henry Collender with a pike Henry Collender with a pike James Crotty a pike Tom Wall a pike, and John Lyons a pike After passing them I met John Lennon went on towards the barracks, met James Casey armed with a pike Henry Collender with a pike going.
