POTATO SILAGE

Irish farming is traditionally associated with potato growing and it is admitted that no other country shows so much skill in the cultivation of the crop It is the case though that far too many farmers having gone to the trouble and expense of raising quite good crops during the Brilliant Acting Strong Human growing season fail to appreciate the value of the produce make this a great Four tons of potatoes are fully equivalent in food value to one ton of maize for stock breeding and this evaluation includes both small damaged and blight-ed or 'blackened' tubers as met with at digging time Even in a year where the percentage of small and waste potatoes is small at digging time there is quite an appreciable loss of tubers sustained in the subsequent storage in pits and clamps Sprouting and dry rot decay usually account for a loss of some 10% to 20% of the crop by the following Spring In the present season where we know from actual field trials and tests car-

During the week I received that the percentage of "waste' five dollars as a subscription to the Bar-Bell Club's new hut fund It was sent by Mr P J Nagle Boston USA Mr Nagle is brother of Mr J B Nagle, Proprietor Dungarvan Leader and spent an enjoyable holiday in Extra—MOVIETONE NEWS

ity of listeners It is a number interested spectators were pre- factory of years since "Question Time" sent at the farmyard of Mrs Mr Kyne said that the Council

etter could hardly pay 10/-

for the houses in reply to the Clerk—44 up to yesterday

Clerk—About 80 Mr Butler—Of the 44 how

many are from condemned better houses? The Clerk stated about 6 or 7 Mr Butler said that the num-

siderations to the 23 already

The members agreed to this

Mr Kyne—Would the Council
be prepared to put enough on sent the rates for those people bring the rents down to 10/- a

Mr Veale pointed out that the valuations of the houses at Bill dealing with differential guits
£7 10s and £8 were too high rents which he said might change the outlook on the whole in my local Tit and Bits and almost double those of pre-

vious schemes Senator Butler said that they were only dealing with 23 houses and to bring these down to 10/and 10/6 he asked what it would cost the rates At this stage Mr Kyne had to

leave and again stressed the necessity of reducing the rents to the figure stated before he left Calculations then followed as to the further cost on the rates first round as it signifies a appreciate that I would exhort would be roughly 6d.

Kingdom" resurgence — my colleagues in the Cork would be roughly 6d.
