Waterford County G.A.A. Convention Rev. Fr. Kelleher, Clonea,

New Chairman Stirring Address By Central Council President.

The Annual County Convention of the Waterford GAA was held at the Town Hall Dunwas held at the Town Hall Dungarvan on Sunday last and when
the Secretary (Mr D Good)
called the Convention to order
when the Rev Chairman (Rev
P D Commins OSA) took the
chair there was a record number in but without the County as

chair there was a record number of 190 delegates present

The attendance included Rev

The attendance i Fr Kelleher Rev Fr Grace Rev on will work shoulder to shoulder bro Murray, Mr M Keogh, Prewith the G.A A In the past both sident Central Council Messrs have laboured in the one cause, M, V O Donoghue, C Curran, D the preservation and develop-O Sullivan J Keane Tomas Mac Carthaig Connra na Gaelige. the preservation and develop-ment of Irish Nationality In an attempt to achieve this the Cen-

Carthaig Connra na Gaeilge,
President Welcomed
Rev Fr Commins drawing attention to the presence of Mr Keogh said that on behalf of the Gaels of Waterford he wished to extend a hearty welcome to their President, Mr Keogh, who had he said given his life's service to the GAA and the Gaelic League quietly and unobstrustively but none the less effectively He had become Chairman of his own Board then Chairman of the Leinster Council and was the ment of Irish Nationality In an attempt to achieve this the Central Council and the Gaelic League have decided that an effort be made without delay to establish that practical co-operation which is so desirable between the two organisations their Branches and Clubs The enclosed circular will clarify the position and it is my recommendation that every club secretary fand official should comply with the Wishes of the Governing and throw themselves wholeheartedly we wished to achieve this the Central Council and the Gaelic League have decided that an effort be made without delay to establish that practical co-operation which is so desirable benefits and Clubs The enclosed circular will clarify the position and it is my recommendation that every club secretary fand official should comply with the wishes of the Governing and official should comply with the wishes of the Governing and official should comply with the wishes of the Governing and the Market and Council and the Gaelic League have decided that an effort be made without delay to establish that practical co-operation which is so desirable benefits and Clubs The enclosed circular will clarify the enclosed circul

the season ahead the is not my made it abundantly clear to me intention to go into garding the present financial associated with the GAA in Co position of the Board as the Phortlairge as he possibly as the phortlair that he wishes to be as closely in the contract that he wishes position of the Board as the Phortlairge as he possibly can thanking on behalf of the year's review before you in and will help in the coming sea. County Board all those who help-proper form, speaks for itself son and will do everything posted to make the year under reand the Auditor's Report, along slble to help both the Board and view a most successful one with my own is now before you officials. During his short term cannot praise too highly

for sanction
This time twelve months agg the Decles were in the Happy position of looking back on the year 1948 with pride and joy We were at the time holders of the Senior and Minor All-Ireland Cups but the year the Board's finances enormously under review reveals a different story as we lost both titles which expected with titles which we won so convincingly the prewe won so convincingly the preing the past season is worthy of Final
vious year We have tasted defeat more often than victory and
it was nothing new for us to bow
upon him and did everything in
accordance with your wishes

the previous year But over confidence was our undoing Limethem in print before now, but lightly, as the result of our first research work in connection with record my thanks to the Rev one thing or another with paid an eloquent tribute to the Rev one thing or another with paid an eloquent tribute to the Rev one thing or another with paid an eloquent tribute to the result of the Committee of Maning of the Committee of

able to report a marked improvement in organisation efficiency and numbers Our club country Bye-Laws four sets of Munster and Central Gouncil Representatives Club Secretaring the convention mously and there is now a new ceived in time will be presented total of 101 clubs fulner. strength has increased enormously and there is now a new record total of 101 clubs functioning actively in the Becies, Both Divisional Boards have submitted highly satisfactory reports and the games of the Gael hold pride of place, a fact which hold pride of place, a fact which seems to augur well for the Gaelic Athletic Association with the County Admittedly the club is the back bone of the Association, but I am not inclined stream of the county Admittedly the sociation, but I am not inclined stream of the county and if received in time will be presented ies and Board officials who have first in Irish and then in English oco-operated with me in every way during the past season and A Cathaoiriligh Oirbhindingh a's that they had caught from him divided with they had caught from him sate than due to the A Chairde—I diosach baire in gatemen who have helped in mor dom buildness do gabhating the sacred fire and he looked forward to the day when they every way at our venues throughail libh as ucht an chuiridh a lagainst Limerick at Thurles in the year I am deeply grateful to the Provincial and General but it was a big disappointment to our many followers to go out in the first round sociation, but I am not inclined sociation, but I am not inclined stream of the county and there is now a developed with me in every way during the past season and A Cathaoirilgh Oirbhindingh a's that they had caught from him days during the past season and A Chairde—I diosach baire in gatemen who have helped in gatemen who have helped in an deeply grateful to the Provincial and General but it was a big disappointment secretaries whose advice is allowed the county and then in English with triumph when he perceived first in Irish and then in English at the Acthaoirilgh Oirbhindingh a's that they had caught with the sacred fire and he looked forward to the year I am deeply grateful to the Provincial and General but i In the County Admittedly the club is the back bone of the Association, but I am not inclined to our many followers to go out ways at my disposal, in all matched to measure our success with club strength, I would much prefer to see less clubs and much improved standard in our competitions particularly in the furting and football junior grades II in grade at more any followers to go our properties and football junior grades II in the standard of our competitions improved, support would be forthcoming from the general public who patronise our games were played in a clean, sporting manner, this fact is surely note worth yand is indeed a tribute to forthcoming reades and the players who never allowed themselves to go beyond control on the field of play. Now when practically every parish throughout the County has its active G AA Club our aim should be to consolidate the position. Every club should be to consolidate the position. The wind of the county is the same played in a clean sporting manner that the failure of our games with the failure of our games with the failure of our games with the failure of our players who never allowed the complete without paying a well on the final of the failure of our players who never allowed the complete without paying a well on the failure of our players with the

aim should be to consolidate the sion from Clonea

League on behalf of the Nation

Continuing in English Mr Keogh said that he was thank-ful to them all for their invitaand the Language was conse tion and it was for this reason and in deference to a decision by the Central Council that memand kill it bers should travel around to the different Co Conventions that he

Language At the same time hell call that it every said that it was a great pity that club sent only £1 to the funds Dungarvan) calling for the run-quality of the other gates in the concluded by saving language At the same time hell call that it was a great pity that club sent only £1 to the funds Dungarvan) calling for the run-quality of the other gates in the same time hell call that it was a great pity that the same time hell call that it was a great pity that the same time hell call that it was a great pity that the same time hell call that it was a great pity that the same time hell call that it was a great pity that the same time hell call that it was a great pity that the same time hell call that it was a great pity that the same time hell call that it was a great pity that the same time hell call that it was a great pity that the same time hell call that it was a great pity that the same time hell call that it was a great pity that the same time hell call the same time hell the sam among the members of the Association It was doubtful if that he hoped his appeal would sociation It was doubtful if not fall on deaf ears they were all in earnest about Chairman's Address the language and he appealed to the delegates to help in every way they could and to give the finances of the Board and sible He advised them not to find fault with the administration and not to give those who dent about and prospects were the delegates to help in every to select players residing outside the required design which would the city boundary was passed cost about £4 if the Council with the amendment that city agreed the clubs be allowed to remain as in there was nothing to be despondent about and prospects were the page of referees he select players residing outside the required design which would the city boundary was passed cost about £4 if the Council with the amendment that city agreed The Council unanimously agreed to recommend a timber that the page of referees he select players residing outside the required design which would the city boundary was passed cost about £4 if the Council with the amendment that city agreed The Council unanimously agreed to recommend a timber that the page of referees he select players residing outside the city boundary was passed cost about £4 if the Council with the amendment that city agreed The Council unanimously agreed to recommend a timber the page of referees here. the delegates to help in every tion and not to give those who look for it the chance of ridiculdent about and prospects were That the panel of referees being Gaelic games by always congression of material in the county and that a referee under the county and the county and that a referee under the county and the county a

He said that he had been a member of the Association himself for over 30 years and had been a member of the Waterford County Board at one time He complimented the delegates and the officers of the Board for the great work they were doing for Gaelic games in Waterford He said that the said that the county had small spaces at presaid that the Secretary's report be a definite move to have bet-Gaelic games in wateriold sent He said that there should inistated was said that the Secretary's report be a definite move to have bet-incoming Co Board. was a fine elaborate one and dealt with all phases of their ter recreation grounds provided and a sub-committee should be

Going on Mr Keogh appealed set up to investigate the whole doing on Mr Keogh appealed position and to approach the the delegates to help par-local T.D's in the matter. If ticularly the National Schools to there were more playing fields fund, it was agreed to leave the areas—the schools and colleges the position would undoubtedly matter in the hands of the Rev ticularly the National Schools to areas—the schools and colleges he said, had already won their he said, had already won their gratitude and respect for what they had done. He said that the GA.A had not been founded for the promotion of Gaelic games sently constituted with club reallone, but for the preservation of everything Irish and of a culture which was essentially Irish.

Dealing with the administra-surer surer tion he gave it as his opinion that the County Board as presently constituted with club representation did not tend towards progress If they had a turnerick committee appointed by the Council—Chairman—Council

| Convention and cut cut Club representation altogether it would be better as the latter trended to bring in an atmosphere of dissention He thought his suggestion would mean more properties which were really insignificated with the G.A.A. This was not so as it strings for everything that the playing of the games was the be-all and end-all of the G.A.A. This was not so as it strings for everything that will help to make Ireland more Irish, to make it a bigget reland a better the would have to vacate the chair but he deemed it a great privilege to have been associated with the G.A.A. this representation of the days when the would not continue, the would have to vacate the chair but he deemed it a great privilege to have been associated with the G.A.A. this representation of the days when the would will more and more All-Irelands and to take specially the could and would be longing for the days when waterford would win more and more All-Irelands and not to always look for victories which were really insignities and not to always look for victories which were really insignited in the pleasure it brought to young looks and to take many support the game for the game's ake and not to always look for victories which were really insignited and to the wool of the game for the game's ake and not to always look for victories which were really insignited and to the wool of the game of the
