## SPOTLIGHT ON THE UNKNOWN

By THOMAS TOBIN

**OUR NEW POSTMASTER**  
Through this column we should like to extend a hearty welcome to our new Postmaster Mr. Michael Hynes a native of Moycullen Co. Galway.

A young jovial yet determined personality Mr. Hynes is today a leading example for all ambitious minded young men. He is a man with a record—a proud record—that is rising in the ranks right up to the very top.

As an ambitious young man Postmaster Hynes entered the Department of Posts and Telegraphs as a Learner in 1934 only 16 years of age. One year later he was appointed Post Office Clerk at Tuam where he remained for two years. Back in Galway he was appointed Overseer in 1947 which position he held till he received his promotion to Postmaster at Dungarvan much to the admiration of his fellow workers in Galway.

When it came to his departure they gathered round the Postmaster at Galway Head Office joined to pay him their respect and to show their admiration for his remarkable accomplishment. In glowing words they paid tribute and a token of appreciation they presented him with a valuable wallet of notes.

Mr. Hynes has come to Dungarvan his first town as Postmaster with hope and determination and is a token of appreciation they presented him with a valuable wallet of notes.

of these two boatmen and their boats hundreds will not be able to enjoy the many pleasures provided on the Cunnigar strip. In fact I could go so far as to state that if such a thing is allowed to happen some grave disappointment Dungarvan would not be the same without these men and their boats available at the Look Out.

Those readers who are the facts about the Cunnigar ferry. If something is not done by those concerned then we will have no ferry this year and now that I have turned the Spotlight on the matter let us hope that steps will be taken to alter the situation.

**WANTED—A STAMP MACHINE**  
Up to the present Dungarvan has a large progressive town has been satisfied to remain without a Postage Stamp Machine. People who quite often find themselves in need of a stamp when the Post Office is closed have borne the inconvenience and sometimes grave disappointment waiting for the following day to secure a stamp.

Some have found it possible to get a stamp from some friend but this is not always the case and now in this modern age it is high time such a provision was made in the Old Boro. Then there would be no need to go in search of a stamp after hours—no one need do without a stamp 24 or whatever price needed in the slot pull the lever and you take your stamp with nae bother at all.

Maybe the Department could find it possible to give the town such a machine. It is indeed long overdue.

**WATERFORD FAILED TO TAKE THEIR CHANCES**

**Carlow, 1-8, Waterford, 1-4**  
Missed chances make up the greater part of the story of Waterford's defeat by Carlow in the last round of Group II of the National Football League at Tullow Gaelic Grounds last Sunday. The home side won by 1 goal 8 points to 1 goal 4 points.

After having led by 4 points to 3 at half time. The game watched by a large crowd in brilliant sunshine had no bearing on the League results and this was apparent from the approach of both teams. Waterford were slower and more determined but their inexperience and lack of craft was a telling factor in their defeat. Centre-field breaks were even but play mainly centred in Waterford's defence sector.

Here Vaile Fitzgerald and Crowley did fine work but the football of Carlow and Hasey told for Carlow while Keefe was a valuable asset for his marksmanship alone.

In the second minute Carlow forwards placed a goal which was not allowed. Waterford then attacked and had points per Power and Barry. Hoey pointed for Carlow and Keefe put them ahead with two points off free.

Power equalised for Waterford and Keefe closed the half-time scoring with a Carlow point (free).

Carlow really settled down after the start and had scores from Keefe (two points), Rae (goal) and Hoey (point) before Waterford began their brave but vain attempt in the closing stages. A point from Farrell and an opportunist goal by Carrigan narrowed the gap. Carlow again took over however and the only remaining score was theirs—a point per Hayes.

deserved their win. Dungarvan CBS were 3 goals up the scorers being O'Brien (three) Lyons and Hayes before Youghal CBS had their first score—a goal from Keogh. The home boys went further ahead with two majors from Enright and Shanahan which left them with a nice commanding lead of 5-0 to 1-0 at the interval. On resuming Shanahan (goal) stretched the Dungarvan CBS lead. Some desultory passages followed until Youghal CBS put on a great spurt which netted them 3 goals in quick succession from Keogh and Keane (2).

Continuing the pressure Youghal tried hard for victory but the home side held out well and had the last score of the game—a minor from Hayes.

**HANDBALL NOTES**  
By Sir Ron

**Is Handball on the Decline in Dungarvan?**—Well from the crowd that was at the Barracks on Sunday last I should say not. The fact of Joe Dalton and Liam Giblin etc. were one again present. I'm told that Clem and the boys spend a lot of their time there. The big draw back at the moment is the scarcity of handballs but the secretaries of the local club inform me that this problem will be remedied shortly.

Kilmacneaney saw the start of a few serious practice games on Sunday too and Joe Dalton was in terrific form. I was very impressed with the youthful Fitzgerald Bros and here we have the making of future champions. They are only following in the footsteps of their older brother Tom who is a fine exponent of the game.

**Membership Cards**—Intending members of the Dungarvan Club can now get their cards from Liam Giblin or Joe Dalton. The fee for the season is 2.

**Softball**—Tom Tobin tells me he was talking to quite a few of the local players on his recent visit to England.

Joe says "Sir Ron" was too "distracted" to play well on Sunday last.

"Sir Ron" played fairly well Sunday was just that much too good for him.

Noel disappointed me—but he is young yet.

**THE VENGEANCE OF MARY DALY'S CAT**  
Now the busy virile Workers are decent honest men. Who do not let on matters grave pertaining to a hen So gentlemen! Attention! Please! For silence I must beg While I tell you all the story of the rat that stole the egg

Now it seems a busy worker last month espied a rat. That seemed to have but scant regard for Mary Daly's cat. It lay at ease upon its back and clasped a good sized egg. And as it lay it squeaked for help and thumped its hind-most leg

There then emerged a monster rat that grabbed it by the tail. And pulled it hard across the yard—determined not to fail! This happened at the Union in the middle of the day. Those rodents scoffed at slogans like—'Crime It Does Not Pay'

Now the busy virile worker was interested as could be. Since he rather fancied eggs himself—especially at tea. So he watched this labour movement from a snug and safe retreat

For he'd like to see what happened to the rat that lost its seat. The way was long. The wind was cold. The yard was like a marsh. The monster whispered 'Buddy! Am I treatin' you too harsh?'

'On! Carry on!' his mate implored. Keep making for the hole! For if that b—y cat comes out we'll both be up the pole!

At length they reached the gaping hole and vanished over the edge. If J— heard what happened I'm sure he'd take the pledge. For the leader of this grisly band—a truly cunning blighter. Said 'Well boy that egg in a couple of ticks when I find my petrol lighter!'

Now there was another entrance just outside the Union wall. So this 'notley crew they tramped along through the o'c' Bational Hall. And there they gathered stacks and turf and a saucelpan for the doins'

And round they sat looking sleek and fat in the shade of mouldering ruins. While they sat around the fire some puffed at butts of fags. And one old warrior chawed some plug that he'd found on the Union flag!

The rest produced a deck of cards to pass the time away. And pon me soul—either fair or foul—they could teach us how to play!

But look! A head emerges—some scout was surely lax— It's Mary Daly's cat at last! Grinning at their backs! A sudden bound! A score of squeals! The end I fear was gory!

'Twas a sad cruel end to a gallant rat's life! And a sadder end to my story

Today in Power's Brewery . . Hygiene . .

People generally are becoming more hygienically minded. And in Power's Brewery today every available equipment is being installed to achieve absolute hygiene in the finished bottled drinks. The bottles are sterilised in a very strong and very hot detergent solution BEFORE passing into the new washing machines where they are very thoroughly brushed inside and out drained and given a final rinse with pure fresh water and are finally examined as they pass on to the filling machines through a very Powerful Inspection Lens recently designed by a leading American Firm and which shows up clearly the INSIDE of all bottles dark and white. The hygienic maintenance of all machinery and equipment is also being provided for and a new sterilizing tank is being installed into which after each day's bottling will go all taps couplings and piping through which the beer passes from Cask to machine. From first to last the bottle is untouched by hand.

**Balances—The Tiger Balance**  
—From personal experience I have found the Tiger Balance the easiest to hold but very difficult to secure. Like the headstand this balance is supported on a wide base triangular in shape and formed by the palms of the hands and forearms. Great care must be taken in securing this base. The easiest method is to kneel down and place the palms of your hands
