SPOTLIGHT ON THE UNKNOWN

By THOMAS TOBIN

A GREAT DAY FOR THE IRISH
The previous Cumann Racaireachta were answered on Sunday last when they were provided with ideal weather conditions for the holding of their Aerloch.

A very entertaining programme was presented and I found that the standard set by the large and varied entries was one hard to beat anywhere in the 32 counties. In my own area and district we have our share of talent here in Waterford the only sad thought is we seldom see or hear enough of it.

Little boys and girls from all the local schools tried their skills and the boys and girls from all the neighbouring parishes with the exception of the Village of St Augustine and why this should happen I really do not know. It is a pity to take its place anywhere at anything and in any form of entertainment.

The Troy School of Dancing from Waterford lived up to the high standards associated with the name. The boys and girls were the good old Irish dancing at its best and I must add, as well as the talent the beauty was there and I was not the only one to realise it.

Everything about this Aerloch spelled success and for once I find it possible to state that we are on the right road to cultivating Irish culture.

Based on the standards laid down at the Christian Brothers Schools on Sunday last by Cumann Racaireachta Dungarvan the proper cultivation of Irish culture and the successful revival of the Irish language can be hoped for.

To sit and watch the entire programme was really a treat and one that should not have been missed. Yet the unusual fact remains that very few of the successful programme.

The entries were there bigger and better than ever the talent was in abundance but the support was missing. The efforts of the few loyal followers of Irish culture.

I spoke to a very prominent public representative the only one present and a man whose efforts in the past have always been sincere. He was really amazed at the wonderful exhibition of local talent but again he remarked on the absence of public support.

I certainly would not wonder. Time after time we have heard public men make grand speeches on what the revival of the Irish language means to the nation. They have heard them pledge their support to the fight but believe it or not when it comes to a point we find none of them in the front rank. Not even in the picture.

I could like to start the efforts of Cumann Racaireachta every recognition and all those making such fine edged speeches might do better to lend their support in the simple way of attending the Cumann Racaireachta and dancing the hornpipe with the ease and grace of youths to the music of two other talented old timers Jack Tobin and Michael Duggan.

It was surely a great day for the Irish.

DEATH OF WATERFORD HAIRDRESSER—MR MICHAEL POWER
The death occurred suddenly on Saturday last at his residence Congress Place of Mr Michael Power well-known hairdresser Ballybricken. Born in John St about 52 years ago he had been in his usual health until the night of his death and had worked up to closing time Friday night. Keen follower of G.A.A. games he was one of the disappointed Waterford spectators at the hurling match on Sunday week when Cork defeated Waterford senior hurlers.

Having served his apprenticeship in his father's (the late Mr James Power) business in John Street he went to work in Dungarvan where later he set up his own business. Some years later he returned to Waterford and having first worked for Messrs O'Grady's hairdressing establishment in Ballybricken.

During World War I he saw active service in the Balkans and Greece, Mesopotamia and Gallipoli. He was a member of the British Legion Committee.

A most popular and highly-esteemed person, with an engaging and charming personality which won for him a legion of friends, he is survived by his wife Mrs Margaret Power who is a native of Dungarvan.

He is also survived by four sons: Michael (19) Edward James and Oliver and two daughters: Dolly and Nuala. He was brother of Mr P Power, Wexford whose wife died only last week-end of Mr J Power, Marcellus France and of the late Mr W Power who was killed during the last war of the late Mr Pierce Power who was killed in the 1914-18 war.

He was also brother of Mrs Boniface Epsom Downs, Surrey Mrs C Deegan, Castle Street and Mrs Power do. He was first cousin of Mr Pierce Power, drugist Ballybricken of Mr Daniel Power, Costello's Lane, Mr James Power, Fr's Knock and Mr Kennedy, O'Brien Street. He was brother-in-law of Mr J Deegan, Castle Street and Mr J Power, Castle Street.

His widow and family sympathise with the family.

Readers of this column will recall that Mick was the contributor of an interesting story dealing with the "Tan" period in Dungarvan. May he rest in peace.

SPOTLIGHT SPOTS
Election Fever—Time is now drawing near for the local elections and already large areas of ground are being prepared. From information to hand it will be one of the liveliest ever experienced.

First Irish Visit—Becoming as Irish as the Irish themselves is Mr Roddy McGrath St Garvan's Terrace who is here from the States on his first Irish holiday. He flew over last week-end and would have found the trip by boat more enjoyable and more exciting.

Dungarvan Priest's Visit Home—Home from the darkness of Africa on a well-earned holiday is Rev Fr Patrick Walsh, J a native of Shandon Street Dungarvan. Fr Walsh was an interested spectator at last Sunday's Aerloch. Incidentally his father—Mr Martie Walsh acted as judge with Mr E Borsari and really proved their competence. While at home Fr Walsh saw his first Corpus Christi procession in Dungarvan and had the honour of assisting Very Rev Canon O'Brien P.P. VF on the occasion.

Returning to the Mission Fields of Africa he will take some pictures which will tell the story of his happy visit.

Holy Year Events—Meetings have been held in Kilrossary with a view to erecting a cross in honour of Holy Year on the Comeragh mountains. All have expressed their willingness to help. Prominent in the move are Messrs M Kely Seamus O'Brien and P Power. I understand now that the exact site is not yet definite.

Income Tax—At a meeting of the Waterford Corporation last weekend the members expressed unanimous support of the following resolution from Dungarvan U.D.C.—That this Council call on the Government to increase the personal allowance under the Income Tax Acts to £500 for a married man and £250 for a single man, as these amounts, owing to depreciation in the value of money are only equivalent to half their pre-war face value on which no income tax was payable.

Mr L Veale was the man behind this resolution which is one we all favour.

Dungarvan U.D.C. Bye-Laws Adopted.

Mr T McCarthy chairman, presided at a special meeting of the Dungarvan U.D.C. held on last Friday night. Messrs T. Kyne, T.D. M. Clancy and N. Kelly were present.

Mr E Deery Town Clerk was in attendance.

Rate Made
On the proposal of Mr Kyne seconded by Mr Clancy the rate of 360 pence in the pound as adopted at the Rate Estimates meeting held on April 14th last, was formally confirmed and struck.

Bye Laws Adopted
Consideration was next given to the adoption of Bye-Laws with respect to houses divided into separate tenements in the Urban Area.

Mr Kyne said that he understood that these were the same as bye-laws which had already been considered by the Council. The Clerk stated that this was so and that there were only a few minor alterations in the present draft which had been provisionally sanctioned by the Minister.

Mr Kelly referring to Clause 12 of the draft asked what was the position with regard to that was the Clerk read Clause 12 as follows:

"A person shall not in a lodging house cause any obstruction to be placed in any flight of stairs, passage, or other means of escape in the house and every tenant of a lodging house shall cause every door in connection with such means of escape to be so fitted and maintained that it can be readily opened."

Mr Kelly asked if this would mean that a concrete stairs would have to be put in to meet this clause.

Mr Kyne—How could it mean a concrete stairs there's no mention of concrete anywhere.

Chairman—I can't see how you could raise the question that it would mean a concrete stairs.

Mr Clancy—That's a very reasonable regulation.

Mr Kyne—It just means that there should be facilities in case of fire.

Mr Kelly said that he was satisfied.

Mr Kelly then referred to a private landlord's liability for repairs as required by the Act.

Mr Clancy asked what Mr Kelly meant by a private landlord.

Mr Kelly—Anyone who lets a house.

Mr Clancy—You mean an ordinary landlord so.

Mr Kelly said that the only point he wanted to be clear on was the case of a landlord who has a house let to a person and this person in turn sub-lets it. Who would be liable for the work to be done according to the regulations would it be the original owner or the first person who let the house to the sub-tenant.

The Clerk said he was inclined to think that it would be the liability of the tenant who sub-lets it.

Mr Clancy—It would be the tenant as he would be the person responsible for turning it into a lodging house.

Mr Kelly—I was of that opinion myself but just wanted it confirmed.

Finally on the proposal of Mr Kyne seconded by Mr Clancy the draft bye-laws were adopted.

Sympathy
Votes of sympathy were passed with the late Mrs Burke Fitzgerald, Terrace, and with the relatives of the late Fr O'Donoghue, O.S.A.

Water Supplies in County Again Discussed

Discussions on water schemes in the county occupied most of the time at the Waterford County Council meeting held at Dungarvan on Monday last which lasted almost seven hours. Mr D Heskin chairman presided and Messrs T. Kyne, T.D. Leamy, P. Roche, J. Barron, J. Mansfield, M. Condon, Senator J. Butler, J. Fives, M. Hart, M. McGrath, J. Meade, T. Morrissey, J. Quirk, N. Kelly and T. Power were also present.

Assessors S. J. Moynihan County Manager D. Sheedy County Engineer J. Ormonde, Chief Assistant Engineer and five Assistant Engineers, Dr. M. O'Farrell, County M.O.H. and J. O'Donnell, County Secretary were in attendance.

New Member
The Chairman said that his first duty was to welcome the newly co-opted member Mr John Fives in the place of the late M. F. Walsh and he said he hoped Mr Fives would prove as useful and as co-operative to the Council as his predecessor had done.

Mr Leamy and other members joined in welcoming Mr Fives who having signed the necessary declaration thanked the Chairman and members for their cordial welcome and said that he hoped he would be able to live up to the high standard set by the late Mr Walsh.

Board of Assistance Co. Option
Arising out of the minutes Mr Condon raised the point of his appointment as member of the Board of Assistance at the last meeting. He had got no notice of the intervening Board of Assistance meeting and had been told that he was in fact ineligible for the Board.

The Secretary said that he wrote to the Department on June 9th concerning the matter raised by Mr Condon and the interpretation of Rule 8 of the Public Assistance Act as to Mr Condon's eligibility to fill the late Councillor O'Ryan's place. The Act stated that the Board should be constituted by the Council and the difficulty arose when it was pointed out that Mr Condon was only a co-opted member.

He had received a telephone message from the Department that morning which stated that it would appear that Mr Condon's appointment was not valid but that the Council should be guided by the advice of their own legal adviser.

The Chairman suggested that Mr Hally (legal adviser) should be asked for his advice on the matter and it was agreed to do this and also that if in his opinion the appointment was valid that Mr Condon be summoned to the next Board of Assistance meeting without the matter again coming before the Council.

Water Schemes
A comprehensive report from the County Engineer's Department on the above was dealt with in paragraph 10 of the minutes. Excerpts from the report and discussions on them were as follows:

Carriganour Pump—A water diverter marked two sites on Mr Hayes' land and it was estimated that water would be got at about 30 feet. The cost of sinking the pump would be from £150 to £160.

It was decided to refer the matter to the Geological Department for a report and also to the County M.O. for his observations.

Ballinacorney Pump—Situate within three quarters of a mile from Ballinacorney. The contract for the work has been let to Mr John Ryan Thurlies, who is working on other wells in the County at present.

This work was approved but members of the Council pointed out that there would be a long delay before the contractor would get to it.

The Chairman referring to the discussion at the last meeting said that it would be a good thing if the Council had their own equipment for sinking wells and the County Engineer said that they had such equipment in Kilkenny.

Agreeing that there was need for such equipment the Council passed a resolution authorising the County Manager to purchase the necessary equipment at a cost not exceeding £2,100.

Tourin Pump—The following people are looking for a pump near Tourin School (number of people in each house in brackets)—J. Collender (6) Mrs Murray (1) National School (16 pupils) O'Brien's (2) O'Donoghue (2) J. Hogan (4) J. Flynn (3) Tobin's (4) Jas Geary (4) J. McCarthy (2) W. Russell (2) Water diverter should be employed to select a site and give an idea of the depth at which water can be got. Rough estimate of cost £250.

Mr Fives said that the better idea would be to extend the Lismore-Cappoquin scheme to take

Waterford County Council Water Supplies in County Again Discussed

Waterford Senior and Minor footballers closed their accounts in the Waterford Championship when they went down to Cork at Fermoyle on Sunday last. The result was as expected but during the first half the seniors put up a very creditable performance as a result of defence blunders caused more by inexperience rather than inability to play the game.

The minors were completely outclassed by an excellent Cork team which included eight players engaged in this year's senior county football championship.

Cork had two early points in the senior game before Waterford put up a minor per Hallahan but the Cork defence catching the Waterford defence on the wrong foot found an easy opening for Young to goal and take same later repetition in the 45th minute later McGrath had Waterford's second point then to leave the score

Cork 2-5
Waterford 0-2

Waterford to further go and three points to their credit in the second half and towards the close of play Waterford had 2 goals one from a penalty taken by Cunningham to leave the final scores

Cork 3-8
Waterford 2-2

Waterford—L. Crotty T. Veale P. Hourigan P. Donnelly C. Crowley M. Collins Cunningham Fitzgerald P. Kirwan S. Power T. McGrath M. Hallahan F. Farrelly M. O'Connor J. Kirwan

In the minor game Cork proved vastly superior and the less said about it the better. Final score Cork 7-13 Waterford 0-1.

HANDBALL NOTES
By Sir Ron

TIPPERARY TOO GOOD FOR WATERFORD
After an absence of many years from the handball arena Waterford made a come-back on Sunday last when they met Tipperary in a friendly match. The final score was 13-3 in favour of the Tipperary players.

Although very badly beaten in both grades the Waterford players put up a good show considering their inexperience due to lack of courts.

Minor Game
L. Fitzgerald from the Kilmallock Club was the Waterford representative in the minor game playing against D. Conolly from St. Mary's Club Nenagh who represented Tipperary.

The first game was mild the Waterford player was slow to start and annexed only 3 goals. The Tipperary minor's experience showed up well and he won the first game very easily. Fitzgerald improved in the second game and this proved the best game of the match. He was able to go all out and then Fitzgerald was unlucky to lose.

Junior Match
Teddy Sullivan (Dungarvan) and S. Fitzgerald (Tramore) represented Waterford were not in the same class as the Tipperary players Messrs Ryan and Doherty who had no difficulty in winning the first three games in a row. Ryan and Doherty were far too experienced for the youthful Waterford players and the result was a drawn out dull match.

Waterford will meet Tipperary in minor soft ball doubles and minor soft ball singles at Nenagh on Sunday next.

Softball Say—Here is a good tip for Dungarvan U.D.C.—A back wall made of glass could be fixed into the alley at Callowshill. This would eliminate the need of a balcony and would give spectators a chance of seeing the game while at the same time it would turn the alley into a four-wall and championship court. The glass is specially made for this purpose and cannot be broken even with hard ball play.

Did the best players represent Waterford on Sunday? Who can say? No trials were held but I wonder if they were would the result have been different? Personally I think they would.

Liam Fitzgerald is a very good minor and well worth his place

WATERFORD COUNTY COUNCIL

(Continued from Page One)

Harty said that there would be about 20 farmers in the area but he could not say what the scheme would be prepared to pay. The Chairman said that the annual cost for the scheme would be about £400.

Mr Mansfield agreeing that there was a need for the scheme said that perhaps it was too elaborate and costly.

The Chairman suggested adjourning consideration until the next meeting when the result of the readings would be known. Mr Harty strongly opposed this and said that he could guarantee that there was plenty of water there to supply the area and finally the Council agreed to approve the scheme subject to satisfactory readings by the engineer.

Fourmlewater—In this case the report recommended that further readings at the source should be taken. The Council approved of the scheme to cost £14,400 subject to satisfactory readings.

Clonea Strand—Two suggestions were put forward in this case one to cost £1,200 and the other £2,700.

The Council agreed that there was need for water and a public convenience at the Strand and adjourned the matter to a next meeting pending a report from the County Engineer and County M.O. on one joint scheme.

Ballinacourty—The report recommended the scrapping of the pipes on the Ballinacourty and Ballinard roads and also a section on the Ballinacourty road at an estimated cost of £720.

Mr Morrissey proposing that this work be carried out in stages and that some of the people in the area had already got a demand to pay up the water rent for next September.

Mr Mansfield referring to this said that water rents should be collected each half-year and a whole year's rent should not be demanded together.

The Secretary said that water rents are payable in two halves at the start of each half year. The Manager said that they were payable in the same way as the rates and that was in two halves at the 1st April and the 1st October.

Finally the recommendations in respect of Ballinacourty were approved.

Dunmore East—Report of Professor Walsh on source of supply to be considered.

Whitechurch - Ballinacourty—The report stated there is an adequate supply of water at this source at present but I would recommend that gaugings should be taken between now and October next to be certain that the supply is sufficient to supply the area.

Mr Butler said that he was not satisfied with the report which appeared to have been put in just to delay the scheme. He said that there was plenty of water there.

Mr Harty said that the proposed extension should go along the main road.

Finally the scheme was approved and the County Engineer and the County M.O. were instructed to report on the extension suggested by the engineer.

Sanitary Arrangements in Schools

Mr Leahy drew the attention of the County M.O. to the lack of proper sanitary arrangements at the school at Knockmore and asked if he had any powers to compel the Department of Education to have proper arrangements installed.

Mr Morrissey referring to the school at Knockmore said that there was a similar complaint and it was not fair from a health point of view.

The County M.O. said that he had no jurisdiction in the matter and had never been consulted by the Department of Education or Board of Works about new schools.

In further reply to Mr Leahy the County M.O. said that the position was that if a nuisance was created he could then recommend to the Council that action be taken to have it abated.

Senator Butler pointed out that it would not be the Minister of Education whom the Council would have to proceed against but against the Parish Priest in the district as he was the manager of the school.

Money Well Spent—Approval for pumps at Kilmacross, Tinnock, Tinnabuna, Ballynock, Colligan, Garravone, Scrouthea, Cullinsmear, Carrowgarra, Bohadon, Knockanore and Joanstown was given.

With regard to the supply at Kilmacross which the report stated did not appear to be adequate it was stated that investigations were proceeding with a view to supplementing the pumped volume by the erection of a river operated hydrostat delivering into the distribution scheme at an estimated cost of £1,900.

Consideration was adjourned pending the result of the investigations.

The Chairman said that no matter what would be said outside every member of the Council was anxious to have water provided in his own area and they could be congratulated in taking steps to see that this was done. Apart from housing one of the most essential commodities for the health of the people was water and whatever they could be guaranteed to spread over a long period it would not be much.

Sewerage Schemes—Consideration of the scheme at Baunaghr, Aglish, Villierstown, Clashmore, Cappoquin, Lismore, Bonmahon, Knockmahon and Kill were adjourned to next meeting.

Additional Half Acre Plots—The Secretary read a report on the above and said the cost of an additional half-acre to the existing half-acre plots would be £71 each, £25 cost of half-acre and £46 for fencing and 68 for legal fees. The economic rent of these (exclusive of rates) would be 17 per week. There were 450 plots in the county and the total cost of providing the extra half-acre for each would be £32,085.

A discussion took place as to the cost of fencing and finally the Secretary was instructed to send out inquiries to the cottiers to see if it would be prepared to pay the additional 17 per week rent.

ROUND ABOUT TALLOW AND

Monthly Fair—Three words "The Best Yet" apply to describe the monthly fair held in Tallow on Friday last.

From every point of view it was a very successful and pre-arranged prices. A huge amount of stock was on sale and all were cleared at an early hour and at prices that indicated an upward trend. All rounds of the large number of buyers present was an indication of the reputation the monthly fair has already achieved and certainly both for quality and quantity.

The fair would take some beating. Arrangements in the hands of the energetic and hard-working committee were all that could be desired and buyers and sellers expressed much satisfaction with the facilities available. The number of beasts to travel by road and rail from the fair must have constituted a record and speaks volumes for the success of the fair.

Cattle—prices showed an upward tendency and a local resident disposed of a number of animals at £54 each. Sheep were in good demand and an early clearance was effected. A large amount of store pigs were on sale—but after a couple of hours the entire supply was sold and at very remunerative prices.

Details—Beef made £8 10s 0d per cwt (d.w.) 31 year olds made from £45 to £54 according to quality. 21 year olds £35 to £43. 1 year olds £22 to £32 each. Sheep made from £6 10s to £7 15s. Lambs £5 15s to £7. Store pigs £5 5s to £7 15s. Slips £3 17s 6d to £4 15s.

Unique Record—While reading from time to time in the Daily Express of the feats and achievements of some of Ireland's famed hurling men we are apt to forget (midst the glamour of far away places) the wonderful displays of one of our local hurlers—who has brought honour and renown not alone to his native town but to his county and province viz 'Mick Curley' of Tallow who (as far as the writer's memory can record) has the unique distinction of being the only man to hold the following Munster Championship 'All-Ireland and Railway Cup' hurling medals: Minor Munster championship 1929, All-Ireland minor championship 1929, Junior Munster championship 1931-34 and 36 winning junior All-Ireland championship in 1931 and 34, being beaten in the semi-final of the 1936 championship by Westmeath, 1938 senior Munster championship being beaten in that year's senior All-Ireland by Dublin, Railway Cup medals—1939, '40 and '41. Mick Curley is a member of the team who played America in Waterford in 1932 and was also on the team who played an exhibition match against London in London in 1936. In addition to the above he has won the following medals: 'Brother Ruce and St. Augustine' Tournament medals won with his native county as well as a large number of other medals won with the home club and the famous wearers of gold and silver—while there is still another to be added to the latter collection the county championship junior hurling medal of 1936. The Eisteddfod medal which is still outstanding from the County Board.

Out of the field and between the posts Mick has rendered yeoman service to his Province County and Club and is still a member of the hurling arena. Although he has retired from the playing field he can vouch for the above—and the lovely display of medals are well worth a look. The Eisteddfod medal is justly proud of its worthy hurling son, who has the unique honour of holding the above All-Ireland Munster Championship and Railway Cup medals.

Arch of Triumph starring Ingrid Bergman, Charles Boyer and Charles Laughton showing at the Regal Cinema tonight (Friday)—it is a picture that should be seen on Sunday next at the management have pleasure in presenting "For Whom the Bell Tolls". This is an intriguing picture that will be a real picture you will want to see not once but several times—make a point of seeing it on Thursday and Friday "Luxury Liner" should provide grand entertainment. The picture is a novel, the film should prove a "top notch"—be sure and see it—showing Thursday and Friday at 8.30 pm.

Cork Summer Show—A huge exhibition is being held at the Cork Summer Show which is being held at the Cork Agricultural Show last week and were delighted with their visit to the famed city by the sea. It is only for the exhibits alone the visit is worth while and from the modern machinery on view it looks as if all onerous farm work will be reduced to a minimum and nearly time you. Nothing outside of racing holds such an attraction for the rural community as an agricultural show and it looks as if the returns for this year's fixture should be record breaking. On the show grounds it looked as if one had stepped back a decade or two to see Cork's famous Jarvey Cars plying to and fro and despite the trend of modern civilisation it is hard to beat a spin on a "ould" sidlecar. At least one can enjoy the trip and view the beautiful scenery for which the city by the sea is famous. In the afternoon the jumping enclosure was the meet and being crowded to capacity before jumping was scheduled to commence which goes to illustrate that the horse will never lose its attraction in Ireland. It was a visit that will repair itself in young and old delighted with their visit to the famous city renowned in song and story—for its beauty, homeliness and courtesy.

Sympathy—A vote of sympathy was passed with the Angustian Community and with the relatives of the late Rev Fr O'Donoghue, O.S.A.

teams have been reduced to two and look to our minor hurlers to carry on the good work on Sunday next, when they meet the men from Tipperary at Limerick Sportsfield, and hopes are high for a Decies victory. In another sphere (Camogie) our Waterford team throw down the gauntlet to the Colleens from Tipperary in famed Roserea and all are looking forward to a Waterford "double". We offer congratulations to Misses Mary O'Brien (Tallow), Mary Landers, Peg Neville, Carmel Moloney and "Giggins" Murphy (Knockanore) on their selection and in their skillful and crafty hands the county is in safe keeping. To minor hurling and camogie teams we wish the best of luck in their endeavour to lower the colours of the Premier County.

With Our Exiled Gaels—Away across the Irish Sea our exiled Gaels in Barnsley (Yorkshire) are certainly keeping the G.A.A. flag flying and the St. Joseph's Club under the captaincy of Charlie McCarthy (the Gael who introduced hurling to Yorkshire) are still North England champions. This year's championship is being played on the league system and St. Joseph's have already defeated St. Anne's (Keighley) and Shamrock Rovers (Leeds) and are leading the League Table with six points. Prominent in this season's games for the leaders were—J P Egan, Kilkenny, M. Twohy, Cork, J. Killeen, Wexford, Eddie and Sean O'Riordan, M. L. Meahy and Charlie McCarthy. Tallow in this year's Inter provincial (English championship) Lancashire County team beat Yorkshire County team by a small margin, but on August 1st, June 25th reversed the verdict in one of the best hurling matches ever seen in Liverpool for a silver cup and a set of medals presented by the Liverpool County Board.

During the game the score was level five times—being level at the final whistle when extra time was played—the York team emerging winners on the score—York 4-4, Tallow 2-5. The cup and medals will be presented to the winners at a victory Cell to be held in the near future.

St. Joseph's had six players on the Yorkshire team, viz J. R. O'Riordan (goal), J. Roche (full-back), M. Mulcahy and C. McCarthy (midfield), P. Egan (centre-forward) and P. Egan (full-forward). It is a source of regret that we are unable to record the work of our exiles for the language and the games in the land of their adoption.

Gonna Carnival—Ideal weather favoured the organisers of the Gonna Carnival at the picturesque Castle grounds on Sunday last and attracted wide patronage. A very energetic committee under the auspices of the Gonna Muintir Na Tire Guild was in charge of the event.

The carnival was a very successful one and we join in congratulating the above committee for their success which it is hoped is only the forerunner of many more successes during the season.

Garrettwohill Sports—On Sunday last Garrettwohill Sports Mr M. Davis (Tallow) was placed second in the 800 yards (open) while in the high jump S. Frazer (Tallow) was successful in the high jump. In the 100 yards race second place went to D. O'Donovan Doheny A.C.

Wedding Bells—The wedding place recently at St. Nicholas' Church was the wedding of Mr Thos Carroll youngest son of Mr and Mrs Carroll Kilmagner, Fermoy, and Miss Maureen Lyons only daughter of Mr and Mrs Michael Lyons and Mary Lyons, Tallow. The ceremony was performed by Rev P. Carroll C.C. (brother of the groom) assisted by Rev Fr Corkery C.C. Castleislands. Miss Kathleen Neil (cousin of the bride) was bridesmaid. Mr J. Roche (cousin of the groom) was best man. Afterwards a reception was held at the Metro Hotel, Cork after which the happy couple left for a tour of the South West in wishing Mr. and Mrs. Carroll every happiness and success.

Murray Keane—At the Church of the Holy Cross, Saturday night the wedding of Miss Mary Murray to Mr Francis Murray, son of Mr and Mrs Michael Murray Ballyneety Tallow and Miss Eileen Keane daughter of Mr and Mrs Patrick Keane Ballymore Tallow. The ceremony following Mass was celebrated by Rev M. Power P.P. Knockanore. The bride was attended by her sister Miss Sheila Keane as bridesmaid while Mr Patrick Murray (brother of the groom) was the best man. Afterwards the wedding breakfast was held at the home of the bride's parents. The groom is well known in Gaelic dramatic and Gaelic League circles and is very popular with all sections of the community while equally popular is his esteemed life partner. With their many friends we wish the young couple every happiness and success.

Smile Please—First Tramp—Gosh, John, it's a hard world. Old Com Foundry—A shilling bearing the date 1556 (Reign of Queen Elizabeth) was found on Tuesday last by Mr Martin O'Brien, farmer, Kilmacrossmeaden Kill in a field near his home.

Tramp's Bite—'Twas tough on the Brideside Colleen to be disappointed—how callous some of the boys are—even Atomic-ower can fall sometimes?—Liam seems to be all out down. Youghal way of late—between you and me lad—blondes are very nice!

Is 'Camphire Lad' thinking of exchanging the farm for the bar bed? A fellow could travel further and fare worse!—'Painting the Clouds with Sunshine' is a very apt title just now—although down the Sidle-side way they say every cloud has a silver lining.

TALLOW For Your

Glen Rovers played the first round of the junior hurling championship the first Sunday of April St. Patrick's did like-wise the second round of April Lismore got a walk over from Tallow Sunday next is July 9th (two months later). It would be advisable to play off the remaining rounds as early as possible otherwise the games will take place in mid-winter. In the East Cork area many of the championship ties are played on week evenings—would it not be possible to introduce to Tallow in West Waterford especially on the weekly half-holiday—at least it would speed up the games—that is what is necessary and what more enjoyable time for a player or player and spectator than a fine summer's evening.

Annual Sports—As can be seen from the advertisement in this week's issue the annual sports meeting and the pieces of the Tallow Athletic Club will be held on Sunday week, July 16th and all indications point to an excellent day's sport which included and a number of ship events—viz 100 metres and 1 mile flat has been prepared and should attract athletes from far and near. Included in the programme is a marathon road race from Ballynatray to Tallow and a seven-a-side tug-war contest, for which medals will be presented to winners and runners-up. The track is being especially prepared and will be in excellent condition on Sunday. All events will be fully amplified by Mr J. K. O'Connor Thuries while prizes for the various events are all excellent ones, and well worth winning. So don't forget Annual Sports—Sunday, July 16th.

In the Athletic Arena—At the Ballinacourty Sports meeting on Sunday last Tallow Club was well represented and a number of prizes. The County High Jump Championship was decided and resulted in an all Tallow victory—1st J. Frazer 5' 10", 2nd J. Dunne 5' 7", 3rd J. Dunne 5' 7". Long Jump—1st D. Lyons Tallow A.C. 19' 3", 2nd W. Curran 18' 7", 3rd J. Frazer 17' 10". In the 100 yards handicap, W. Curley Tallow A.C. for second place while in the 200 yards handicap, W. Curley Tallow A.C. was placed first.

This was the Tallow Club's first outing as a team and it proved a very successful one. We join in congratulating the above competitors on their success which it is hoped is only the forerunner of many more successes during the season.
