During the course of the discussion on the foregoing the On the report of the Registrar Chairman stated that the UCC the following Scholarships County Manager had suggested were awarded — Seamus Shine, to him that an official of the Council should be appointed to interview the people in the various areas to find out first if they would be agreeable to pay for the water Senator Butler said that he had suggested that seconded by Senator Butler, the

such a canvass be carried out

some months ago
Mr Morrissey said that before
the man was sent out some charge should be agreed on so that the people would know the approximate cost The Manager stated that up to

the present the rate had been 1/ in the £ on the valuation and all members agreed that this was very low and that it would not be unreasonable to double it The Manager said that the people could be informed that the rate would not be more than 2/- in the £ on the valuation and that the valuation charge would cover the domestic supply and one tank with an additional charge for each extra tank

Mr Leahy—That s very fair

Mr Mansfield said that he wanted to see negation getting

wanted to see people getting water at a fair rate and pointed out that highly valued farmers

The Council further agreed to deter consideration of sinking pumps at a number of areas until the plant arrived

MO At Ballyduff

## Greuhound Racing At Youghal

The closing of the summer season is having an effect on the attendance at the track but that's only to be expected weather too was bad on Friday evening which was a pity be-cause the card was good and the

racing was indeed good
In the first Tintor Border won
by a head from Seafield Fabric
in 3130 This bitch is running
well and this time was useful in heavy going Silken Thread was absent from the second which let in the sub the County Limerick Bitch Ashbrook Honey They looked level enough but Cherry Cross Boy ran like he never ran before He took the lead after the bend and was never headed winning by three lengths from Ashbrook Honey Calluna was third The time was good 30 80 This is a better dog than he has been rated Bean Uasal Gael had real hard luck in the race as when she went to challenge the leader at the Tower bend she hit the rails and hurt herself rather severely Many shrewd judges think that this misadventure gave the winner an easy race and those of us who remember Ashbrook won a good race in 3150—he s a litter brother to the bitch that was second in The

stayed there to the finish
Oliver's Belle won her first
race on this Track—she did not
find the 550 yards any obstacle hind at the winning line Mara see (we hope) a large crowd
and she did not worry about the Captain was third Toureen coming to the opening Whist
opposition either and it was Miracle won the last to make it Drive at 830 p m

ways but ruined his chances at the third bend as he ran wide and allowed her to come up inside him which she did gaily and that was that The time was 1910 I met about twenty owners who were bewailing the fact that the Racing Manager didnt put their charges was 3210 Lady Darcel was into this race but the poor man third only a length behind Pretty Fast Wizara and she was sure travelling at the end thacklers Ruby was backed. Hackler's Ruby was backed heavily in the fifth but before the off cash was loaded on Clever

Lady which was sub and came on instead of Silver Glitters The Lady did not have a chance against Hackler's Ruby however as she broke in front and never left the issue in doubt winning by four lengths from Clever Lady in 30 80 Fast Spinner was third
