YOU will be informed what quantity of LIME, PHOSPHATE and POTASH each field requires, and how much it will cost you to have these fertilisers spread on the land by mechanised fertiliser spreaders

IF you are prepared to pay in cash not less than 10% of the total cost, the balance will be funded and consolidated with your Land Commission annuity, (i.e., if total cost is £30 you pay £3, and £27 is repayable by instalments added to your Land Annuity .) if total cost is £100, you pay £10 and £90 is repayable by instalments added to your annuity
