Decree For Dungarvan Motorist

Sequel To Accident At Tramore

the Dungarvan Circuit Court held before his Lordship Judge Roe on Tuesday last
John Attridge Stephen Street Dungarvan Parish Clerk at St Matys Parish Church was with the man awaided a decree for £86 13s 0d Stella Veale in his claim for damages to his also in the car when the accid car and personal loss against ent occurred. They were travel-Miss Phyllis Robinson Bally- ling at 20 or 25 mph and when carney Tramore Defendant had a counter claim for £43; 10s. 11d for damage to her car
The claim arose out of an
accident in which both parties

were involved at Convent Cross and said that repairs cost £43
Tramore on September 5th 1950 Mr Dean Rove Givil and Motor Engineer Cork gave evidence of inspecting the Cross on September 21st last and produced the control of the contr duced maps and photographs of the locality He also gave evidence of another salvage value was £10 derive of another salvage va the locality He also gave evidence of examining the cars individence of examining the cars individed in the cars individ

said his brother Edmond his mother. The counter claim was a brothers wife and his mother. were in the car at the time Application of the Cross at Framore Mr. G. Clarke from the Pord Road he was travelling in second gear at between approached the cross he sounded his horn twice looked to the left and the right saw nothing and proceeded to cross to the Kilmeaden road When he was out in the centre of the cross he saw the other car come straight at him and it crashed into him He could do nothing to avoid the started with prayers accident His car was swung of the Scout Laws The scheme applies to all parts of County Waterford and persons tendering should state the particular area they are prepared to supply

With the exception of cases which are covered by the Emer
Which are covered by the Emer
Accident His car was swung of the Scout Laws Then the patrols went to their corners and started checking up on test were injured and he had to hire a car at a cost of 50/- to bring the present competition for the new cup. The competition for the new cup.

witness and that his basic wages scouts sat around in a circle and were £1 per week plus tips then one scout stood up and said which brought the average to £4 a proverb the next scout did per week He had purchased his likewise and so on Any scout tution for the six months ending 30th September 1951 or Occupier—Right Hon Count de la Poer or Occupier de la Poer or O March 1951 in the envelope provided for the purpose Handbills Glenpatrick Owner or Occupier — John Brazil and Others — Trender Forms and the special on application to the Acting Matron of the Hospital or to the undersigned — Owner or Occupier — Michael — Generall Designation — Contractors must be prepared to enter into a bond for the due performance of the contract if and crept out on to the cross of the Council considers it neces and crept out on to the cross of the Council considers it neces. They saw nothing coming from any direction and were well out over the centre of the cross when over the centre of the cross when to the best all round rawly scout in the Troop and the other two over the centre of the cross when to the best 2nd-class Scout The us such a bash and the man could be done on Sunday morn-said to him Yes we might ing with five meetings being have been travelling pretty fast" held all at once He then heard a woman's voice say We are saying nothing, a while last week and Paddy
To Mr. D'Arcy witness denied walked out the dog for him in

accident as there was plenty of room there for her to pass

Sgt Lyons G.S. Tramore gave evidence of taking measurements at the cross after the accident. There were brake marks for 20 feet 10 inches on the road seven feet six inches from defendants left side and these were presumably made by defendants scar Attridges car appeared to have been pushed 2 ft 4 inches from the point of impact and had travelled 16 ft 2 inches on to the cross when the accident occurred Another 5 feet 2 inches

starting the parade to Mass on Sunday morning but the whole Troop was there after Mass. It must be my imagination If the Geheral seems longer than usual this week maybe its because I don't expect to have much to write about next week all the lads have given up the same pastime as Jer has for Lent (Ah who cares tis silly anyway)

By the way if there is anything here that you think should not be—don't blame me I didn't write it "NOT GUILTY" Applications are invited from curred Another 5 feet 2 inches write it Agricultural Labourers (as de-dined by the Labourers Acts) for the tenancies of the follow-ing Cottages viz — accident he asked Miss Robinson Kilmacthomas Rural District some questions and she asked if

she would have to answer When he told her she need not ent and a fee of £3 3s 0d was due to him

Mr T Lannen Chairman—how I think it better to leave that over more presided at the fortinghtly meeting of the Dangarvan Urban District Council winch was held at the fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was held at the Fortinghtly meeting of the Dangarvan Urban District Council winch was adoled to the same rights and that the was term that at the Council would have to be constructed at the ferting was the Council would nate the Council would nate the C

letter which was published from Resident I J Murphy Place in the Leader a few weeks ago said I am glad that my few remarks nave forced Mi Manager on a decision by the Leader a few weeks and of the use of the Town Hall for der the present conditions I the local elections in 1942 and filter and Chlorination Plant be

Square

Which and held two meetings of the Union about going over to the Union about going over to the IT & GWU and at both of IT & GWU and at both of

on the agenca Mr Chairman let them go to the Leader and get them published ber is attacked write discussing Council business he has the

right to reply to such attacks at Council meetings if the matter is a public one Mr Le -1 don't know

Mr Casey resterated that if a member is attacked from behind a bush he has the right to reply if the matter was a public one The Chairm in said that as long as any member was attacked through anonymous letters he would let him defend himself the meetings Mr Lee-If they are attacked

in letters which are not on the should be discussed Mr ODwyer-I have a legal

right to reply Mr Keane said that the whole thing was only creating an atmosphere which was not for the good of the Council He asked the members concerned to call the thing off and to let bygones be by-gones

Mr O Dwyer—If Mr Keane was attacked like I was I wonhow would he feel and would he want to let by-gones be Mr Keane—All Im trying to

do is to throw oil on troubled Mr O Dwyer-As long as I am attacked Ill defend myself

The matter then ended

Mr Kelly, Mr Lee, And The Raincoats Kelly said that three

years ago he with other members of the Council had fought a case to get raincoats for the Council workers In the absence of the Chairman he had presided at the previous meeting asked for a seconder for Mr would be seriously reduced at when the same matter was Kynes resolution there was no night This would not be allowager's older that the Clerk in-vestigate the matter In view of laws were rejected agers order that the Clerk investigate the matter. In view of this said Mr. Kelly it is an extraordinary position that the scavengers said that I said that the scavengers said that I said that the men didn't want any coats. They said that the want any coats. They said that subjected to a lot of cruelty. The considerable trouble and is out of action. The Chairman said that it was mentioned that there was going to be a "hush-hush" meeting about it and asked what were they going to do about it was meeting about it and asked what were they going to do about it. The clerk said that Counsel's festival may be had on appliance to the council is seeking some way of mak-there were plenty coats. They said that the men didn't want any coats. They said that subjected to a lot of cruelty. I cannot see any way of mak-they had been told thus by a subjected to a lot of cruelty. After a short discussion the line it act satisfactorily when a local may be had on appliance to the council is seeking some way going to do about it. The Clerk said that Counsel's festival may be had on appliance to the council is seeking some way going to do about it. The Clerk said that Counsel's festival may be had on appliance to the council is seeking some way of mak-there was meeting about it and asked what were they going to do about it. The Clerk said that Counsel's festival may be had on appliance to carry as suggested by it. and I d like that the member who made that statement about the County Council meeting satisfactorily as a roughing filmer and me should stand up here and Grants For Houses ter when the water is clear, and always advocated a public dis-

LOWER MAIN ST, DUNGARVAN

Mr W Chotty II Loughmore been attacked often by Mr passed came before the meeting and recame before the meeting and requested that the railings at his been discussing the plots at a found of previous meeting Mr. Kelly had been discussing the plots at a found of previous meeting Mr. Kelly had said to him there a Baltinger of £264 in respect of the provision of ranges was given and that there had been discussing the plots at a form of previous meeting Mr. Kelly had said to him there a Baltinger of £264 in respect of the provision of ranges was given and said that there had been discussing the plots at a form of £264 in respect of the provision of ranges was given proposals.

The members agreed to quest Mr. Ormond to attend to him there and the previous meeting Mr. Kelly had of £264 in respect of the provision of ranges was given proposals.

A report from Dr. M. O'Far of the Board of Assistance would be meeting the Minister for seconder.

With reference to report H. N. Welly and said that there had one without making more definite proposals.

A report from Dr. M. O'Far of the Board of Assistance would be meeting the Minister for seconder. the matter Mr O Owyer Refers Again To

Letter in the 'Leaver"

Mr P O Dwyer at the outset again making reference to the letter which was published from Resident I I Murphy Plate

The discussion than you ever were and seconder Seconder

Seconder Seconder

Seconder With reference to report of Professor H N Walsh Consulting Engineer, I beg to state at the previous meeting by Mr Casey the Clerk stated that the sently the Glendine filter is unsafely the Minister for With reference to report of Professor H N Walsh Consulting Engineer, I beg to state that the report shows that presently the Glendine filter is unsafely the Glendine filter

The discussion then ended

Mr Kyne disagreed and said that under the present laws far- the colour

mers can be prosecuted for caus obstruction per underneath the sand from somewhere said Mr Casey and Chairman—What they want to a distribution channel in which when the engineers had been at do is to shift the bit of prosper- there are no controls. When the Ballinamuck they said that there ity out of the town

were passed could fair days be the water level in the delivery whole town exempted 9 Mr O Dwyer—If you adopt water level over the sands rethem you'll be giving them power mains approximately constant. Mr Casey—Id put to do away with the fair

Mr Keane—The alternative is ratepayers

Mr. O'Dwyer proposed that as soon as the small clear water they be not adopted they be not adopted they be not adopted they seconded this proposition and when the Chairman asked for a seconder for Mr would be seriously reduced at twelves resolution there are not to request the Engineer to attack the country country asked for a seconder for Mr would be seriously reduced at tend to request the Engineer to attack the country country asked for a seconder for Mr would be seriously reduced at tend the country country asked for a seconder for Mr would be seriously reduced at tend the country country asked for a seconder for Mr would be seriously reduced at tend the country country asked for a seconder for Mr would be seriously reduced at tend the country country asked for a seconder for Mr would be seriously reduced at tend the country country asked for a seconder for Mr would be seriously reduced at tend to request the Engineer to attack the country country to request the Engineer to attack the country country the speaker that he had never heard of this Cumann, but surely the speaker was not taken over by the Country Country to request the Engineer to attack the country country to request the Engineer to attack the country country to request the Engineer to attack the country country to request the Engineer to attack the country country to request the seconder for Mr would be seriously reduced at the country country to request the seconder for Mr would be seriously reduced at the country country to request the seconder for Mr would be seriously reduced at the country country to reduce the country country

again discussed and all the reply,
members agreed with the ManMi Dwyer's resolution was nearly as great as the day flow

me should stand up here and say why he said such a thing Mr Kyne said that he had also for removing coarser suscession on all matters can use out with it, you're trying to refer to me Mr Kelly—I am Mr Kelly—I am Mr Lee—Well why don't you chase and erection of houses but have to be used the found that the had also for removing coarser suscession on all matters Chairman—The Press can use the council I don't think they should publish council when coagulants the bed found that the had also for removing coarser suscession on all matters Chairman—The Press can use the found the purchase of the purchase of

adoption of the scheme and that water by break-point chlorina-applications for grants be taken tion and I have asked to have and examined individually up to samples of the water sent to me the limit of those already made when it is highly coloured to the Press representatives to re-Chairman-How did that mis- test the possibility of removing main

mitted several times but never suitable samples to be obtained hall was now beautiful and if

mitted several times but never actually adopted by the Council To a further query the Clerk In any case I am afraid that the use of chlorination for this said that 4 or 5 queries had been received Mr O Dwyer seconded Mr Kyne's proposal Mr, Casey said that when the scheme had first been brought to his notice he had been in faveous of such a small plant I have also considered the possibility of the sanitary arrangements were done it would be all right Mr Casey said that they alwices of an attendant with skill fore them and now they had the to be possessed by one in charge of such a small plant I have also considered the possibility of the sanitary arrangements were done it would be all right Mr Casey said that they alwing beyond that likely fore them and now they had the to be possessed by one in charge of such a small plant I have also considered the possibility of the discussions Mr Kyne agreed and said that and if the use of chlorination for this purpose would require the services of an attendant with skill fore them and now they had the to be possessed by one in charge of such a small plant I have also considered the possibility of the discussions. Mr Kyne agreed and said that he always felt this was wrong at all the sanitary arrangements were done it would be all right Mr Casey said that they alwices of an attendant with skill fore them and now they had the to be possessed by one in charge of such a small plant I have also considered the possibility of the discussions. Mr Kyne agreed and said that he always felt this was wrong at all the sanitary arrangements were done it would be all right Mr Casey said that they alwing the said that the sanitary arrangements were done it would be all right Mr Casey said that they alwing the said that the sanitary arrangements were done it would be all right Mr Casey said that they alwing the said that the sanitary arrangements were done it would be all right Mr Casey said that they alwing the said that the sanitary arrangements were done it would be alt right Mr Casey said He said that this money should (with coagulation) would be nec- Mr Casey proposed that they be made available to them un- essary as a safeguard against refer the matter back to the der the same terms as for other bacterial pollution housing and said that it would This means that it would be be cheaper for them to build the necessary to construct a comhouses themselves and take the pletely new filtration plant with cheap money rather than make discharge into the existing clear was his duty

Casey the Clerk stated that the sently the Glendine filter is uncountry Council had paid 27 6 (for cleaning the hall, in respect of the use of the Town Hall for der the present conditions I Referring to an Order by the few remarks nave forced Mi Walsh out into the open but the bepartment that the Council had noved in so a nanonymous writer for all time Marsh was in the standard of the Links was a shame. The Council had noved in on a member of the Irish Transform of the Sandard of the Urban Council had lost the begartment of the Irish as a shame of the Irish was a shame. The Council had noved in on a member of the Irish Transform of the Sandard of the Urban Council had lost the Urban Counc

iscussed here as they are not the agenca for people want 'etters oublished to them go to the Leader not them go to the Leader not get them published for cases and that it a member is attacked while discussing founcil business he has the ingent to reply to such attacks at one indicate the fair off the Square founcil meetings it the matter of the sagreed and said chemicals is necessary to remove the sagreed and said chemicals is necessary to remove the said that this was very doubtful to say that they had got a subject to say that they had got as set out be proceeded with a subject to say that they had got as the consumption would be 100 000 policy at an annual pregallons per day. He said that the subject to say that they had got a subject to say that they had subject to say that they had subject to say that they had the subject to say that they had the subject to say that they had they had subject to say that they had subject chemicals is necessary to remove though the water was hard it

Raw water is fed to the hopty out of the town floc trapped underneath the was sufficient water out there at dents who had suffered bereave a reasonable level to supply the mants since here are not considered because If not stopped by the attendant there and blow it sky high an letters which are not on the grown of the alternative is a spenda here I don't think they to provide a fair green but at of head is so great that the filter was wrong with the present sup Mr Lee—At the cost of the sand. Finally the difference of corroded courage the fairs not to shift and dirt come through the filter them and into the clear water tank

er of the Council but I alfought for the workers County Council members were
d like that the member instructed to raise the matter at move colour It should work raised

Counsel's opinion come out in the open about it he had found that this was not. I have considered the possibility want the man who said that to so and he formally moved the ity of removing colour from the Clerk-Well, that would be

was of good drinking quality.
There was something wrong

Mr Kyne-It wouldn't have

Mr Casey—Id put a booster

understanding arise? | colour in this way It may be | During the following discus-Clerk—The scheme was sub- months before conditions enable | sion the Chairman said that the

to get the money from their own is by replacing the existing plant of the Council should also be treasurer over 10 years at 4% by a conventional and proved there He said that the Co Manand they would possibly have to type of rapid sand filter and ager should attend all their repay £9 000 over the 10 years chorination plants. The filter meetings

unlikely to spend so much bad state of the Dungarvan Dispensary money I am merely putting my pensary and said that there without matter before your bear and said that there before your bear and said that there bear without Overexpenditure

Approval of overexpenditure

Of £264 in respect of the provision of ranges was given

Approval of overexpenditure views on the matter before you been a lot of dilly-dallying and without making more definite no move made about building a proposals

Mr Kyne asked about the above matter and the Clerk in-

It was agreed on Mr Caseys suggestion, to ask the Society to that this scheme was passed review the matter the first this scheme was passed here 12 months ago? Sympathy Votes of sympathy were pass

ed with a number of local resiments since last meeting

CUMANN RACAIREACHTA DHUNGARBHAN

Mr Lee—At the cost of the sand.' Finally the difference of stepayers

The Cumann is very busy at present getting all in trim for the cost of the whole stood these had been cleaned stood thes courage the fairs not to shift and dirt come through the filter and into the clear water take them and into the clear water take the filter attendant would have the water levels carefully when coagulant is being use the fairs the bye-laws time but they couldn't do it. This continuously the filter adopted it might and dust the plants of the said that they feeling of most of the members should also be proposed that if the bye-laws were adopted it might and dust the feeling of most of the members adopted it might and dust the plants of the said that the feeling of most of the members adopted it might and dust the plants of the said that the feeling of most of the members adopted it might and dust the plants of the said that the feeling of most of the members adopted it might and dust the plants of the said that the feeling of most of the members adopted it might and dust the plants of the members adopted it might and dust the plants of the said that the feeling of most of the members should be plants of the plan

water and the rate of filtration would be seriously reduced at Inight This would not be allowable, because the night flow is nearly as great as the day flow The chemical dosing gear gave considerable trouble and is out of action
